## Skating Rink Okayed By Executive Board

The first of two major barriers to the campaign for a campus skating rink was hurdled Tuesday night when the Executive Board voted unanimously to approve and give the go ahead sign to building the rink.

Dig out your skates brother 'cause you got a rink-or almost do.

The green light was given to the ice rink committee by a motion passed unanimsously at the last meeting of the Executive Board.

A few weeks ago when the rink question was once again on the agenda, the Board decided to send some delegates to view the rink at Montana State University. The trip was later canceled because of bad weather. Meanwhile Flip Kleffner and Karen Hinkley, president of the ASUI and AWS respectively, took a look at the rink while on a student recruitment trip.

Last Tuesday the rink was on the agenda. Board members were to decide if they still wanted to send a committee to view the MSU rink. While they were debating, Kleffner and Karen Hinkley told the group that they were impressed with the rink. They also said that they were 100 per cent behind building a rink here.

That settled it. Stan Tate made a motion to give the go-ahead on the rink. The rink committee had previously asked the Board to render an opinion or vote of confidence on the project. They got it when the Board unanimously passed Tate's motion. Members absent at the time of voting were Reid Lau and Jack Knodle.

This writer opposed the \$150,000 rink that was on the agenda last fall. It seemed a bit silly to be putting out \$150,000 for an ice rink when some Idaho students live and attend classes in temporary buildings. We're not complaining about temporary buildings, in fact we spent most of our three and one half years here living in them. But it looks irregular to a student who's living in a 10 by 20 plywood room to see an extra \$20 coming out of his pocket each year for a big chunk of ice.

But, the rink has passed and that's that. The best thing now is to get in and back it. You'll see all the specifications on it coming up in future Args.

We notice that our United presidential predictions came out 66 per cent to the good. The Greeks have Jim Saad, Drew Field, George Yost and John Mix running in their caucus primary.

**TODAY'S THOUGHT**  
Ben Franklin: "God works wonders now and then: Behold! A lawyer, an honest man."

**CONCERT CANCELED**  
According to the music department, the Bitu Sayo Concert, scheduled for Monday, March 14 in Pullman, has been canceled. No program has been planned to take lawyer, an honest man."

The action was taken after the Board read a report by Mabel Locke, chairman of women's physical education, and listened to a report by ASUI president Flip Kleffner on the Montana State University rink.

The skating rink committee will meet Monday to discuss a site and iron out other details. The committee's report will be sent to acting President D. R. Theophilus, who will present it to the Board of Regents at their meeting the latter part of this month.

**On Committee**  
The skating rink committee is composed of Kenneth A. Dick, bur-sar; Gale Mix, ASUI general manager; George Gagon, university engineer; Charles O. Decker, director of student affairs; Leon Green, head of the physical education department; Miss Locke; Karen Hinkley, AWS president and Kleffner.

The rink will be financed by the student facilities fee, a \$10 segment of each student's registration fees for each semester.

Referring to the skating rink committee meeting, Mix said, "We want to get everything well organized and complete before presenting our plan to the Board of Regents."

"Our aim," said Kleffner, "is a good, first class rink with sound and lights within reasonable economic limits."

Two other executive Board members said they believed that the rink site could be developed into a year-around recreation area.

The rink, Mix explained, will probably be similar to that of MSU. He added that Idaho's rink would be larger, however, naming a minimum size of 65 by 190 feet, one-third larger than MSU's. The move for a skating rink started over a year ago when the ASUI circulated a questionnaire to determine what the students wanted to attain with the money in the student facilities fund. A majority named a skating rink as their first preference.

After some controversy and another poll, this one on a smaller, but still representative, scale, the rink plans was resubmitted to the board for final action last month. Kleffner and Karen Hinkley visited the Montana State rink while passing through on a student recruitment tour and wrote a report on it.

Miss Locke's report was based on her trip to MSU for a women's PE conference.

## Busy U Painters Brighten Walls

The whole University may not be going "deep purple," but at least some parts of the Ad Building are having their faces lifted.

Within the last month, the women's lounges on first and second floors and the law library and hallways have taken on a new glow.

Pale green and grey are being used. Bookcases and woodwork have also been revamped, according to Len Peterson, paint shop superintendent.

## Exec. Board Makes Grant To Debaters

The executive Board voted unanimously Tuesday night to transfer \$250 in ASUI funds to help send the Idaho winners of the Linfield debate tournament to a national tournament held at West Point.

The \$250 will supplement what is already in the 1954-55 debate budget. The debate team of Charles McDevitt and Dean Holt won a bid to the West Point tourney when they took first place last week in the Linfield contest.

However, the trip must be approved academically and another debate tournament date must be changed before Idaho can send their team to the national contest.

Also on Tuesday's agenda was the matter of a closed night for the Military ball. Bill Irwin represented the military groups in asking for a closed night. The Board explained that this year's policy only allowed for five closed night per year. The five nights have already been taken. However, the Board did say they would discourage setting other dances on the same date as the military ball.

April 20 was selected as the 1955 ASUI election date. The motion for that date was brought up by Terrell-Davis.

## Authors To Speak At Borah Conference

Dr. Quincy Wright and Dr. Ronald B. Levinson have accepted invitations to give addresses at the eighth annual Borah Conference to be held here March 16 and 17. Theme of this year's conference is "The United Nations — Is It the Road to Peace?"

Other speakers for the Conference on the Causes of War and the Conditions of Peace are Dr. Carlos Davila and Mr. Thomas Jefferson Hamilton.

Levinson, son of the founder of the Borah Foundation will give the banquet address at the eighth annual conference next Wednesday and Thursday.

Levinson, who is head of the philosophy department at the University of Maine, will give an address entitled, "The Outlawry of War and the Nature of Man." The Borah Foundation was established at the University in 1929 by Levinson's father, Salmon O. Levinson, prominent Chicago attorney, "in recognition of Senator Borah's part in the movement to outlaw war, which resulted in the Kellogg Pact."

A member of the Maine faculty since 1926, Levinson earned his B.A. degree at Harvard and his doctorate at the University of Chicago. He was asked to give the Powell Lectures at the University of Indiana in 1939, and served as a visiting professor at the same institution in 1954.

He is the author of the book, "In Defense of Plato," in which he discussed the relation of Plato's thought to contemporary political issues, and shows Plato as an advocate of international justice and the ideal of peace.

## BRIDGE ANYONE?

The only requirement for entering the contest is for students to have a partner and to call Donna Shively and give her their names.

## Final Donation Push Set At Campus Fling

Fourteen living groups reached 100 per cent in Campus Chest contributions by 5 p.m. yesterday. Two houses gave more than that figure and three men's houses kicked in 200 per cent. Percentages of the living groups were:

LDS, 200 per cent; Sigma Chi, 200 per cent; Phi Gamma Delta, 200 per cent; Kappa Alpha Theta, 136 per cent; Idaho Club, 135 per cent; Delta Chi, 100 per cent; Kappa Kappa Gamma, 100 per cent; PaK appa Gamma, 100 per cent; Pi Beta Phi, 100 per cent; Phi Kappa Tau, 100 per cent; Delta Tau Delta, 100 per cent; Beta Theta Pi, 100 per cent; Sigma Nu, 100 per cent; Delta Gamma, 100 per cent; Campus Club, 94 per cent; Alpha-Phi, 93 per cent; Kappa Sig, 78 per cent; Gamma Phi Beta, 69 per cent; Tri Deltas, 62 per cent; Christian Hall, 56 per cent; Willis Sweet Hall, 42 per cent; and Lindley Hall, 11 per cent.

Spurs have also contributed \$25 to the Campus Chest. Contributions will still be received in the ASUI office today from 4 to 5 p.m. and tomorrow morning from 8 to 9 a.m., according to Carol Rojan, solicitations co-chairman. Living groups are urged to turn their contributions in to the ASUI office today.

The sophomores have a booth in the Ad Building today to receive contributions. Tomorrow night in the SUB ballrooms a Chinese Carnival and Taxidance will be held with proceeds going to the Campus Chest.

Living groups have volunteered various contributions to be auctioned off at the dance intermission. Contributions of the living groups are: Pi Phi pledges will cook and serve a Saturday morning breakfast. Kappas will give free haircuts, shoeshines and manicures; Thetas, Karen Warner and Marilyn Stewart with movie tickets; Gamma Phi, five hours of work on a Saturday; Alpha Phi, queen candidates for hashing and entertainment; Alpha Chi, work for an afternoon; Tri-Deltas, pledges hashing for dinner; Delta Gamma, pledges for breakfast, lunch and dinner; Hays, 12 freshmen for Saturday morning work; Forney, Barbara Warner and Clara Armstrong for double dates at the movies; and Steel, dinner hashing.

## Limits May Be Placed On Activities

An activities point system worked out by Keith Jergensen and Patty Bartlett was presented at Tuesday's meeting of the new Activities Control Board. Class officers, honoraries, committees and other extra-curricular activities are scaled from 1 to 10 points, according to committee member Mollie Godbold.

She explained that freshmen would be limited to a certain number of activity points, and that members of other classes may also be limited. Recommendations for the exact limits will be ready to present to the Executive Board March 22, she said.

Athletics would not be included in the activities list. The committee felt that this was "getting into deep water," Mollie commented. Each living group would need a chairman to see that the limits were enforced.

"If the system passes the Executive Board," she pointed out, "it will probably take a few years before it will operate effectively."

Chairman Keith Jergensen outlined the reasons for activities control as being to promote better grades and health among the students, and to make room for everyone in campus activities.

Other committee members besides Jergensen, Patti Bartlett and Mollie Godbold, are Jane Bonham, Knute Westergren and Joe Subia.

## Pat Bartlett Is Elected To Board

Patty Bartlett was elected to a seat on the ASUI Executive Board Tuesday night to fill a position left by the resignation of Jack Parker. Parker left the University this semester to attend an eastern sales school. He is finishing his work here by correspondence.

Patty is the second person to be appointed to the Board this year. Recently, Patti Gustafson was elected to fill the opening left by the resignation of Lee Anderson. Anderson left here to study abroad for a year.

A Gamma Phi Beta, Patty, has been active in campus activities during her three years here. At the present time she is vice president of Associated Women Students. Other candidates recommended for the seat by the United Caucus were Jane Blomquist and Nancy Leek.

## Destination West Point, They Hope

Will the University debate champions enter the national meet at West Point? Chuck McDevitt and Dean Holt, varsity debaters who won the 25th annual intercollegiate forensic tournament at Linfield College in Oregon, have been selected to attend the invitational West Point national debate championship tournament April 20-23.

In answer to the above question, Dr. A. E. Whitehead, debate coach said "maybe." The team will go if funds can be made available. It is expected that the University and the ASUI will furnish part of the funds, but nothing definite has been settled yet, Whitehead said yesterday.

McDevitt, who attended the national meet two years ago, and Holt will have one more chance to practice their arguments when the University of London team meets here March 21. The London team is now touring the United States.

The topic for both debates will be "Should Red China be recognized in the United Nations?"

University of Oregon's team may also attend the West Point debate. Pacific University at Forest Grove, Ore., will be the alternate attending if either of the teams cannot attend, Whitehead said.

Thirty-four teams from districts throughout the nation have been selected to attend the West Point Tournament.

Lee Anderson, now studying in Vienna, and Charles Oldham debated with the last English students here in 1954 when students from Oxford made Idaho a stopping point on an international tour.

## 'An Inspector Calls' Is Last Production Of Year

"An Inspector Calls," a three-act drama by J. B. Priestley, has been selected as the final major production of the current school year by the U. of I. dramatics department. The play, directed by Edmund M. Chavez, will be presented in the University auditorium at 8 p.m. April 1 and 2. Others with equally prominent roles include Anthony Park, Gerald Bierweg, Barbara Spunk, Jane Sauer and Dale Carlisle. Written in 1912, the English play has been adapted by Chavez for modern presentation. The director described the drama as a "why-done-it" everyone knowing "who-done-it" but the plot developing the reasons for such action. It is an effective presentation of the strange twists that take place in human beings when their consciences are affected. "It's a psychological play with a snapper ending like an O! Henry short story," summed up Jean Collette. Assistants to the director are Jane Remsburg and Mary Hopkins. Donald Harris is stage manager. Heads of various crews include: Nicholas Rudge, stage; Judith Hackler, paint; Lucille Palmer, property and sound; Nancy Benfer, costume; Gary Hudson, lights; Norma Rees, publicity; and Glenmar Hoke, make-up.

## DEAR JASON

Dear Jason, I would like to set the record straight concerning Gary Thomas and the Suburbans and the Pep Band.

1. Gary Thomas never had anything to do with the leadership of the Suburbans. He did play 1st trombone last year but in no way did he contribute to the failure of that organization to function. On the contrary he did everything he could to try to keep it going.

2. Gary is in no way responsible for the present Pep Band situation. He became director of the Pep Band last year at the beginning of the second semester when the previous director became scholastically ineligible. Under Gary's leadership the Pep Band improved steadily until the end of the basketball season when the Pep Band normally has always become inactive. I believe that there were no complaints about the Pep Band while Gary was leader.

You have knowingly or unknowingly made derogatory statements about Gary which are just the opposite from the truth. By not getting the facts straight you have created a very low opinion of Gary in the minds of those who read your newspaper and do not know him. In no way does he deserve this opinion. I believe that this would be classified as one kind of character assassination. It is my opinion that you owe Gary Thomas an apology.

Sincerely yours,  
Louis P. Reimsberg

## Independents Plan To Elect Officers By Direct Primary

Beginning with the current ASUI election the candidate for president of the Independent party will be chosen by a direct primary. This is a change in past procedure.

Each living group will submit one nomination for each 75 persons living in that hall. The nominees may be made from any Independent living group on campus. The caucus will then select the three or four highest of these and present them to the Independent voters to select their candidate for ASUI president.

The nominees for Executive Board will be nominated in the same manner with the addition of three at large from the caucus. The total number thus submitted to the voters in the primary will be 18. To select the nine who will run for office in the election, a preferential system of voting will be used. In this method the voter places a one in front of his first choice and he thus gets nine points. The second choice is then marked with a two and he receives eight points and so on thru nine people.

The nine persons with the highest number of points are then elected to run in the election. In case of a tie, the person with the highest number of first place votes is elected. If a tie remains the person with the highest number of second place votes is elected.

The Independent party feels that this method of selecting its candidates will insure that the most qualified and most desirable candidates will be selected.

Have you ever heard of the Scotchman who told his little children ghost stories instead of buying them Ex-Lax?

### THE STUDENT COUNCIL

Today let us investigate a phenomenon of American college life called the student council. First of all, what is the student council? The answer is simple: the student council is a council of students.

Next, what does the student council do? Again the answer is simple: it meets.

Next, what goes on at the meetings? This question is rather more complicated than the others. Perhaps it can best be answered by reproducing here the minutes of a typical meeting of a typical student council.

Meeting scheduled for 8:30 p.m. at Student Union Building. Call to order 9:51 p.m. by Hunrath Sigafos, presiding. Motion to adjourn made by Louis Bicuspid, freshman representative. Motion ruled out of order by Hunrath Sigafos, presiding. Hunrath Sigafos called "old poop" by Louis Bicuspid; freshman representative. Seconded by Delores Wheatgerm, sophomore representative. Tabled by Hunrath Sigafos, presiding.

Minutes of last meeting read by Zelda Pope-Toledo, secretary. Motion to accept minutes made by Hunrath Sigafos, presiding. Motion defeated.

Treasurer's report not read because Rex Mercredi, treasurer, not present at meeting. Rex Mercredi, treasurer, impeached in absentia.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in school cafeteria. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafos, old poop.

Motion made by Booth Fishery, fraternity representative, to permit parking in library. Motion referred to committee.

Motion made by Gladys Algae, junior representative, to allow attendance in pajamas and robes at first hour classes. Motion referred to committee.

Motion made by Elwood Feldspar, athletics representative, to conduct French Conversation classes in English. Motion referred to committee.

Motion made by Esme Plankton, sorority representative, to allow hypnosis during Rush Week. Motion referred to committee.

Motion made by Pierre Clemenceau, foreign exchange student, to conduct German Conversation classes in French. Motion referred to committee.

Motion made by Harriet Critter, ag campus representative, to allow faculty members above the rank of assistant professor to perform marriages. Motion referred to committee.

Observation made by Martha Involute, senior representative, that in her four years on student council every motion referred to committee was never heard of again. Miss Involute was tabled.

Motion made by Louis Bicuspid, freshman representative, to allow sale of hard liquor in Sociology I and II. Seconded by Delores Wheatgerm, sophomore representative. Motion tabled by Hunrath Sigafos, presiding crossly.

Refreshments served: Coffee, cake, Philip Morris Cigarettes. The following resolution adopted by acclamation:

"WHEREAS Philip Morris is milder, tastier, more exhilarating, and check full of rare rich vintage tobacco; and WHEREAS Philip Morris is contained in the patented Snap-Open pack which is the quickest, simplest, neatest container yet devised for cigarettes; and WHEREAS Philip Morris, the most commendable of smokes in the most admirable of wrappings, is available in both king-size and regular; therefore BE IT RESOLVED that it is the sense of this meeting that Philip Morris is far and away the best cigarette buy on this or any other campus."

Meeting adjourned with many a laugh and cheer at 9:58. Respectfully submitted, Zelda Pope-Toledo, Secretary

The makers of PHILIP MORRIS, who bring you this column, note that today's PHILIP MORRIS is the best ever. We know you'll second the motion.

# Two Houses Hold A Turnabout Day

"Turn about's fair play" at several of the Greek living groups the past week. Pi Phi and Phi Delta members were forced to perform menial pledge tasks while they had a great time being the "underdogs".

If anyone heard a funeral march around the area of Chrisman Hall last weekend, it was probably the music from the "Cloak and Dagger" dance which was decorated as a morgue.

Lambda Chi members chose Jim Greff as their living group president last Monday night in their annual elections.

Delta Tau and Gamma Phi pledges combined forces last Saturday afternoon for a tobogganing party on the golf course. Afterward, there were refreshments and dancing at the Delta house.

Attention immediately turned to Gritman Memorial Hospital where Idanne Schreiber was taken after one of the toboggans went the wrong way.

Sunday dinner guests were Robert Davenport and Jerry Leatham, Chrisman Hall. Second Lieutenant Stan Bray, US Air Force, was a house guest for two days this week. Stan is stationed at Colville, Washington.

Bill Simons was presented with a trophy Wednesday night for having the highest grade point in the pledge class last semester.

Turnabout day turned into a "fun day" for the members Thursday as the "pledges for the day" proved to be the victors.

Tuesday evening a dinner exchange was held with Gamma Phi and Kappa at the last AWS exchange of the year.

The "neat GA" was a recent visitor.

CHRISMAN HALL  
Weird costumes, eerie decorations and candlelit surroundings prevailed at the annual Cloak and Dagger dance. The atmosphere was somewhat similar to a morgue that had just come to life after fifty years.

Undertakers for the evening were Tom and Mary, Mr. and Mrs. Dave Buel and Mr. and Mrs. Ed Garland.

The Death Rattle was played by Wally Johnson and his orchestra. Harmless punch, served over a coffin, contained the skeleton of Mable or was it Clyde? Overdue thanks go to John Huber and Frank Scarcello for helping make the dance a success.

Good luck to the dishes in the house that buy our "oddities," better known as hashers, at the auction.

CAMPUS CLUB  
"Down By the Old Mill Stream" has been selected as the theme for the house dance, which is scheduled for April 2. Present plans for halftime entertainment include a German band with Bill Bickford conducting. Members are Gene Bryan, Jim Hemphill, Bill Thomas, Bob Jones and Dave Lucas. Also planned is a skit to be given by Bob Hall and Bill Bickford.

Saturday afternoon about forty members of the club journeyed to the Tri-Delt house in response to an invitation to a hot-chocolate session. During the afternoon, many challenges for bridge, pin-ochle and bowling tournaments were exchanged. The losers of each tournament will be slaves of

entertainment and pledges for work; Sigma Nu, date with Dick Foster; Phi Delta, pledges for work; Deltas, surprise package; WSH, a day's work by seniors and 200 men for afternoon or evening of dancing; Lindley, five men for two-hour's work each; Idaho Club, work party, and Campus Club, square dance for women's living group.

A Late Date show on KRPL will be dedicated to the living group that contributes the most per capita.

According to Jim Kruger, general chairman, "All living groups are urged to bid as a group in the with various concessions. The live-auction."

Booths will be set up at the dancing groups running the booth that takes in the most money will be awarded a trophy.

WSC will make a return visit to the dance to bid in return for the Idaho participation in an auction at WSC held recently, according to Dewey Newman, carnival chairman.

Living groups have been teamed up for the booths. Groups that will work together will be: Chrisman, Pi Phi and Lambda Chi; Delta, Chi, Steel and Betas; WSH and Alpha Phi; Lindley, Thetas and LDS.

A Chinese Carnival differs from an ordinary auction in that competitive bidding does not take place. Instead each person bids and the last person to bid before time is called wins the bidding.

Other officers elected by the group were Dick Ormsby, vice president; George Horne, secretary; John Eikum, treasurer; Jerry Dallas, social chairman; Pat Alderson, rush chairman; Dave Holmes, pledge trainer; and Tom Hoots, house manager.

PHI DELTA THETA  
Initiated into the chapter last Sunday morning were Mickey McCarty, John Chapman, Bob Farish, Don Lindseth, Wayne Walker, Jim Chrisman, Bill Hardy, John Longworth, Gordon Quigley and John Minas.

Plans are underway for the formal dinner-dance which will be held at the Ad Club. Dinner will begin at 7:30, followed by the dance, with Rob Burton's orchestra furnishing the music. Jim Howard is chairman of the decorations committee.

Congratulations to Wayne Walker and Lorraine Langdon, who were pinned Sunday. Wayne is nervously awaiting a snowy tubbing.

Members were forced to perform such menial tasks as shoveling snow and dusting off the monstrous man-eating plant last week as the pledges held a turnabout day. An exchange was held with the Kappa pledges to round out the day.

Lorraine Langdon was a dinner guest Wednesday evening.

KAPPA ALPHA THETA  
Thetas had to eat their grade points, with menus ranging from beans to steak last Saturday evening. Some gals got to eat spaghetti, hamburgers, and roast beef at the scholarship dinner.

Sally Newhouse is the new chapter historian.

Shortly after the Phi Delt's Sunday initiation Lorraine Langdon appeared wearing Wayne Walker's pin. There is only one trouble: Lorraine and Wayne aren't legally and officially pinned, because neither has his own pin!

Thetas entertained Dr. and Mrs. Albert Sitlinger and Dean and Mrs. C. O. Decker as Sunday dinner guests. Mr. and Mrs. Pat Duffy and Mr. and Mrs. Vince Strobel were Wednesday dinner guests.

## Clinics To Be Held By 4-H Students

An exchange with the WSC 4-H Club, leadership training, lessons, and an International Farm Youth Exchange reunion at WSC were the main topics of discussion at a meeting of the University 4-H Club Tuesday evening.

Twenty members attended the meeting, plans were discussed for the presentation of leadership lessons to 4-H Club members in the surrounding areas. Arts and crafts, junior leadership and parliamentary procedure programs were planned for the next two months.

MAURICE JOHNSON, Idaho's International Farm Youth Exchange delegate to Sweden last summer, invited all local 4-H'ers to attend an IFYE reunion at WSC, March 24 and 25. Next meeting of the local club will be March 22.

# B Cagers Near Finals; Total IM Points Listed

BY DON N. SMITH

The intramural point race has tightened with the release yesterday of final table tennis points. Only 182 points separate the first and eleventh teams. Phi Delta Theta held on to their 12 point lead over second place Willis Sweet Hall as both teams picked up 65 points in ping-pong.

Delta Tau Delta won the combined singles and doubles title for the second straight year as Max Nunenkamp won the singles beating out Delt Charles Riddle in the finals. The Delt doubles team reached the semi-finals before being beaten by the Sigma Chi team of Dicky Hood and Bobby May, who went on to win the championship.

In the semi-finals of the singles, Nunenkamp downed John L. Sullivan of Chrisman Hall in two straight games and Riddle nosed out George Hayes of the Idaho Club in two out of the three games they played.

Idaho Club and Sigma Chi split the second place honors in table tennis with both teams scoring 95 1/2 points. Sigma Nu was fourth with 91 points.

Beta Theta Pi over took Tau Kappa Epsilon for third place in the overall point race as a result of table tennis. The Betas gained

Sigma Chi and Sigma Nu each moved up one spot to sixth and seventh places respectively replacing Lindley Hall who fell to eighth.

**B Action Torrid**  
With one week remaining in 'B' basketball Idaho Club and Kappa Sigma still dominate the junior ball picture. Both groups have a total of 11 wins and one loss.

Three teams clinched their respective leagues during the week. Kappa Sigma I sewed up the league I title by downing Phi Delta Theta I 37 to 11 and Lindley Hall I 31 to 11. Gary Stoker led the Kappa Sigs to their victory over the Phi Delt and Nick Rudge was high man for the K Sigs in their match with Lindley, both scoring ten points.

Idaho Club I came through with a 16 to 12 triumph over Chrisman Hall I and a 22 to 9 win over Campus Club I to take the League II championship. Both Idaho Club I and Kappa Sigma I will be idle for a week before they meet in the quarter-finals of the playoffs, a week from this Monday, the opening day of the playoffs.

Sigma Nu III was the third team to clinch their league title as they finished their regular schedule Wednesday night with a 29 to 7

win over Sigma Chi II. The win was the Sig Nus fifth without a defeat.

Kappa Sigma II and Campus Club II will meet Monday to decide the winner of League IV. Both teams are currently tied for first place with identical 4 and 0 records.

Another tie will also be broken on Monday night when Phi Delt III meets Beta III. These two teams are tied for the lead in League V with 4 wins and no losses.

Dick Wisdom paced Delta Tau Delta to their fourth straight victory Tuesday night as he dumped

in 13 points in the Delt 34 to 13 route of Campus Club IV. The Delt is in undisputed possession of first place in League I.

Idaho Club III and Alpha Tau Omega are tied for the leadership in League VII with 3 victories and no defeats each and Vets Village II are the sole leaders of League VIII having won four games without a defeat.

Butch Shaffer led Sigma Nu VI in the upset of the week when they dumped the previously undefeated Tau Kappa Epsilon team 30 to 23. Shaffer led all scorers with 14 points.

# Needed Added Skier Says Nationals King

BY PETE MADISON

"If we could have taken one more man, Helge Gagnum, we could have easily placed among the top three or four teams and possibly taken the team championship." These were the words of Eirik Berggren, Norwegian exchange student upon his return from winning the Nordic combined cross country and jumping event at the National Ski Championships in Northfield, Vermont last week-end.

Eirik and Reidar Ullevaalseer represented Idaho at the national meet in individual competition only as it takes three men to make an official team. The University could not afford to send a team and individual backers put up the money for the two men.

Eirik placed third in the cross country and eighth in the jumping to win the Nordic.

Reidar took eighth in cross country, seventh in jumping and fifth in the four-way event.

Commenting on his trip Berggren said, "I didn't know whether I was going or not until 5 p.m. and then I had to pack and be ready by seven. The trip, by air, was very smooth until we landed in New York City. It was there that I rode my first city bus in America. The bus went so fast I finally just shut my eyes and relaxed and then things were alright."

Eirik, thought by many to have a very good chance at copying the cross country event explained that when he arrived, he looked over the course and seeing a little fresh snow on top decided not to use the customary "kilster" wax and instead used plain dry wax on his skis. By the time the meet arrived the snow had melted leaving only an icy surface and the ordinary wax slowed him down considerably, but he finished a close 40 seconds behind the winner.

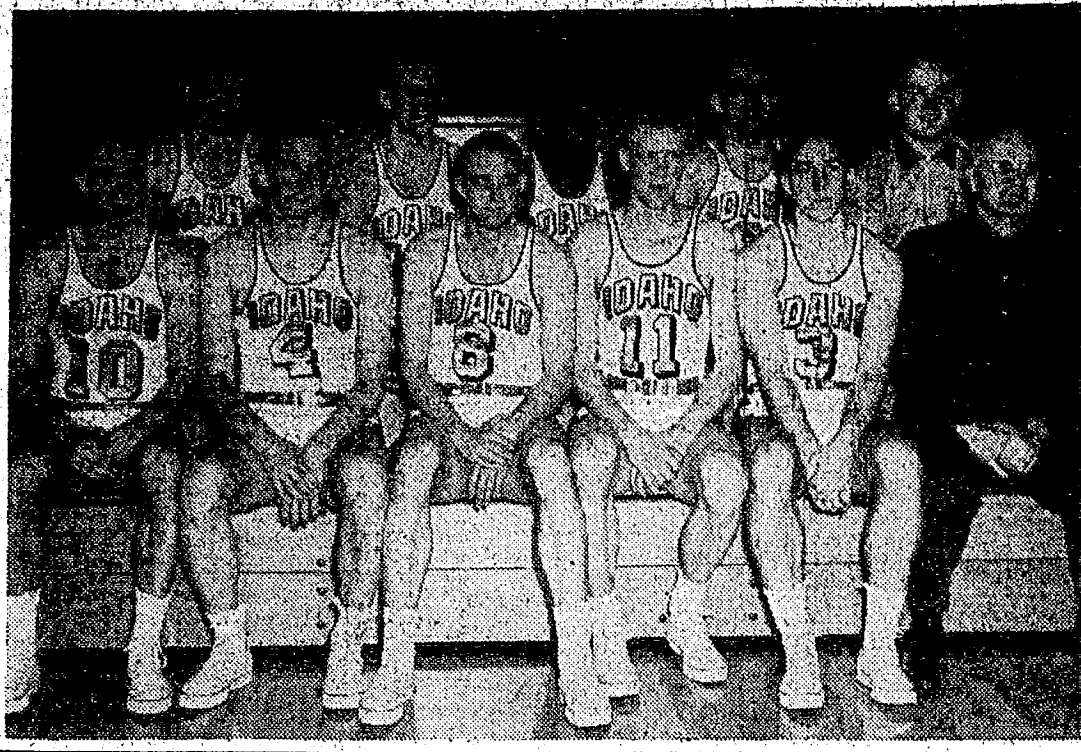

When asked how the American competition compared with the best in Norway, Berggren stated "An overall comparison would find the skiers of my native country with a slight edge as we go in for skiing like you do for football over here. In the cross country our best Norwegian could have beaten the national winner here by nearly ten minutes."

In jumping we might still hold a slight edge but in the slalom and downhill events your best are as good or better than our best. In Norway, you must remember, we use our skills for practical uses from the time that we are little children. Americans use them only for sport."

Eirik, a former star in his own country and winner of the Nordic combined Swedish-Norwegian meet before coming to the United States, likes the states and the University.

"I like it here very much, am particularly fond of your American automobiles, but I just can't seem to get used to your dating system. In Norway it is not considered impolite to ask a girl for a date just a few hours before you want to go out and when you go, on a date the boy doesn't always get stuck with the bill. You always go "Dutch" while here the boy gets stuck all the way. Nevertheless I still like the University and America very much and hope to return next year."

# Montana Eyes Gene Stauber

University of Idaho assistant football coach Gene Stauber Wednesday was interviewed at Montana University at Missoula, Mont., in connection with the head football coaching vacancy at that school.

Stauber was among four others being strongly considered for the position. A former WSC backfield star, Jerry Williams, of Spokane, Wash., was also among the interviewed.

Stauber coached the ends and centers last fall under Head Coach Skip Stahley. Prior to leaving for the interview Stauber mildly commented he was "interested in the school."

The assistant Vandal coach is the second of Stahley's staff to be interviewed in connection with coaching positions with Northwest schools.

Earlier, line coach Earl Klapstein was among four considered at Utah State College for the head football job. Klapstein figured himself out of the race later, but the Utah school has not yet named its coach.

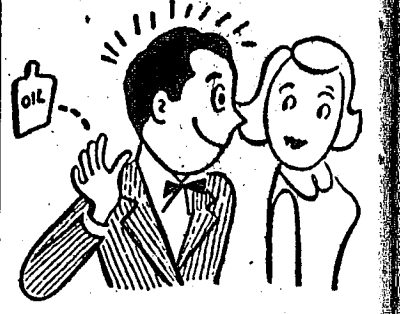

The possibility that Stahley might lose one of his assistants has caused uncertainty as to when he will start spring football practice. He had earlier indicated that the practice sessions would start around the first of April or the middle of that month.

"If I lose an assistant," the head coach commented, "it might delay the practice even longer. I'll wait until I am sure my staff will be

with me, before deciding definitely when the practice will be. However, there are other problems to be considered."
