

## Groups Polled On Ice Rink

BY STEVE EMERINE

The question of the University's proposed new ice skating rink was brought to the attention of campus politicians yesterday when the Student Government took a surprise poll of the living groups on sentiment toward the rink.

Two important issues have been in the air this last week. One is preferential voting and the other, as usual, is the ice skating rink. The way the cards were falling it looked like the Board would use the weighted preferential voting system in elections this spring. Both caucus leaders seemed to be in favor of it as did most of the Board members. But, somehow, the wires got crossed again and we are stuck with the system for another election.

Just make sure you don't call for a re-count—you might have a different Board.

And the other issue, the good 'ol rink question is popping once again in the form of a Student's Party poll. Some people will probably remember that the writer of this column put in a little questionnaire concerning this rink question last fall.

We asked people to clip the questionnaire and to leave them in the Argonaut office. The main question was whether or not students were in favor of the \$150,000 ice skating ring. Nearly 400 were returned and over 60 per cent were against the building of a rink. We took the results up to the Executive Board. The ASUI president wouldn't recognize the questionnaire or have anything to do with the results.

However, after the meeting closed that night, part of the Board, the ASUI president and Jason got together and discussed the Board's stand on the issue. The results of the discussion were printed in an edition of the Argonaut. Most of the Board members mentioned that there was a difference between their personal thoughts on the rink and what student opinion might say, and with this, some indicated a desire to seek student opinion.

Lee Anderson was put in charge of seeking information on the rink itself. When he left school at the end of the first semester, Anderson recommended that the Board look into a rink being built at Missoula State University, and make their final decision on the success of that rink. Then things were quiet (Continued on Page 3, Col. 3)

## Stardusters To Provide IFC Music

Don Jans and his Stardusters will be the musical attraction at Saturday night's Inter-Fraternity Council dance in the SUB ballrooms.

Unlike previous all-campus dances, tables will be available for the IFC Ball, with soft drinks being sold. The formal also falls in line with the campus custom of no corsages.

Jans, who is now in the Spokane music business as the "trumpet" has been considered a favorite of the college set during the last couple of seasons. He recently filled engagements at Holy Names College and Gonzaga University.

Featured sax man and comedian singer with the Stardusters is Dennis Carey, formerly with Tommy Dorsey's Orchestra. Vocalist for the seven-piece Spokane orchestra will be Donna Jenkins.

The all-campus, formal dance begins at 9 p.m. and tickets are still available from IFC members. Tickets may also be purchased at the door for \$1.

## Foreign Displays, Foods And Styles To Be At Banquet

Foreign clothing, dolls and pottery will be displayed at the International Banquet sponsored by Cosmopolitan Club Sunday.

The displays will be on a long table running from the Moscow Grange Hall entrance to the back of the banquet hall where guests will be served a special menu of "foreign" food.

Roast beef, Norwegian style, will top the menu, along with Greek, French Italian and German foods. Special children's plates will be served to youngsters for 75 cents.

Adult tickets are selling for \$1.50. Tickets may be bought now at Hodgins and Walgrens Drugstores, the SUB ASUI office and from Cosmopolitan Club members.

The banquet tables will enclose a large arena where a continuous foreign style show and Scandinavian dancing, Indian singing and ballet will be presented.

Two serving times have been arranged this year, the 5-6 p.m. serving especially for the students who wish to eat their noon meal in their living groups. The first banquet will be served from 1-2 p.m. Sunday.

Tickets may be bought at the door.

## Debaters Receive Critical Analysis

The University of Idaho was host to two "barnstorming debate teams" over the weekend from the Montana School of Mines, according to Dr. Whitehead.

Four debates on the national question were held with Andrew Field, Dave Cripe, Melvin Madsen, Cherie Bacon, Linda Williams, Kay Kreizenbech and Ann Reading representing the University.

The debates were non-decision but critical analysis of each debate were given by Charles Oldham, senior varsity debater, and Professor Clifford Dohler, Thomas Hopkins and A. E. Whitehead.

## BA Holders Are Excluded

BY DON NELSON

Students who have received a bachelor's degree or completed the academic requirements for the degree shall be ineligible for extracurricular activities after July 1 of this year. This new clause will be added to the Admission Requirements and Regulations section of the new University of Idaho Bulletin.

The eligibility clause was approved by the Academic Council March 23. The faculty approved the new requirement at a meeting last Friday.

The main effect of this new clause is with respect to law students. After July 1, all law students who have their bachelor's degree will be ineligible to hold any campus office or to represent the University or any student organization in any extracurricular activity. This clause will be found in the Catalog and will not in any way effect the coming election.

According to the Academic Council, this policy has been practiced for some years, but was not definitely stated in the catalog. Its inclusion in the catalog appears necessary to avoid misinterpretations in the future.

Other changes approved by the Academic Council and the faculty relate to changes in eligibility to register. The changes in the catalog are as follows:

1. Any student not making satisfactory progress toward graduation requirements (cumulative grade-point average of 2.0 or better) is subject to probation or suspension.
2. A student goes on probation automatically for the semester following the one in which he is more than 12 grade-points deficient from a cumulative 2.0 average. If he brings his cumulative average within 12 grade-points of 2.0 average by the end of the semester, he goes off probation automatically.
3. If a student fails to achieve the required grade points by the end of the semester of probation, or if in any semester a student passes in less than ten credits and concurrently fails in more than one course, he is suspended. He may be reinstated by one of the following methods:  
a. If he secures his dean's approval for immediate reinstatement; or  
b. If he reregisters after the lapse of at least one semester.
4. After being disqualified twice, a student may be reinstated only as a result of petition to and favorable action by the Academic Council.
5. This regulation does not apply to the College of Law or to the Graduate School.

## South Bound

Ann Popma, Tri Delta, will travel south of Idaho's borders as a representative to the Conference of the Association of International Relations club held in St. Louis, Missouri, April 1-4.

Various aspects of nationalism and colonialism, economic programs and military and security systems will be discussed.

Other speakers at the conference will include State Department personnel and will draw teachers from many eastern and midwestern colleges.

Social activities during the conference will include a party aboard a showboat on the Mississippi.

Accommodations are being handled by St. Louis University, Washington University and Maryville College.

Student delegates are being housed in the Sheraton Hotel. Ann is secretary to the Northwest Association of International Relations Clubs.

## Officer Installation Planned By AWS

Recently elected Associated Women Student officers will be installed at a dessert meeting of AWS in the SUB Syringa Room, Wednesday at 7 p.m. Officers will be Jo Ella Hamilton, president; Clara Armstrong, vice president; Carolyn Sanderson, secretary and Jane Remsburg, treasurer.

Outgoing president is Karen Hinkley, who will be May Queen at the May 7 Mothers' Days festivities.

## 'Inspector' To Call Friday

"Why'd-ya-do-it?"

This is the twist of the "who-done-it?" mystery that will be presented to the University audience this weekend when the University Drama department raises the curtain for "An Inspector Calls."

The psychological play, directed by Edmund M. Chavez, is an effective presentation of the strange twists that take place in human beings when their consciences are affected and involved in a murder. The plot develops the reasons for such action.

Those in the cast are: Larry Hyer, Arthur Birling; Gerald Bierwag, Gerald Croft; Jane Sauer, Sheila Birling; Mary Lou Hyer, Sybil Birling; Dale Carlisle, Eric Birling; Tony Park, Inspector Goole, and Barbara Smuin.

Assistants to the director are Jane Remsburg and Mary Hopkins. Donald Harris is stage manager. Heads of various crews include Nicholas Rudge, stage; Judy Hackler, paint; Lucille Palmer, property and sound; Nancy Benfer, costume; Gary Hudson, lights; Norma Rees, publicity and Glenmar Hoke, make-up.

The three-act drama by J. B. Priestley will be presented in the University Auditorium at 8 p.m., April 1 and 2.

## Lilies Frame Spring Styles

Spring pictures will come to life tonight when nine members of Faculty Newcomers Club will present the spring fashion show. The show will be held in the SUB Center Ballroom at 7:45 p.m.

Models will step through a picture frame setting of 4,000 lavender and violet calla lilies, according to Mrs. Dave Buel who is in charge of the set.

The latest fashions of women's clothing will be shown, she said. Fashions will come from a downtown department store.

General chairman of the show is Mrs. J. L. Blotner, who will be mistress of ceremonies.

Mrs. Vail Foy, a former professional model, will direct the models. Mrs. Glenn Salo's committee will provide refreshments.

Models include Mrs. J. Baker, Mrs. Edward Garland, Mrs. Bob Tracy, Mrs. Skip Stahley, Mrs. Norton Coe, Mrs. Oscar Sewell, Mrs. H. D. Juve, Mrs. Roland Byers and Karen Parkinson.

Dr. William Durbin will play a trumpet solo and Mrs. Mary Montgomery and the Pullman Sigma Nu quartet will also provide entertainment.

Tickets may be obtained from Newcomers for 35 cents.

## Potato Harvesting Film To Be Shown

A film on Idaho potato harvesting will be shown at the Wednesday night meeting of the student chapter of ASME. The meeting will begin at 7:30 p.m. in Engineering 104.

Produced by a committee working with the Idaho Potato Growers Association, the film depicts the mechanization of potato harvesting and traces the machines used from the early hand digging to the present time.

Interested persons are welcome to attend, according to Van Stonehocker, program chairman.

## Wednesday Winner To Play Alpha Phi

Theta I and Forney II are scheduled to play basketball Wednesday at 4 p.m. The winner will play Alpha Phi Thursday at 4 p.m.

Teams II of Kappa, Pi Phi, Theta, Gamma Phi and Tri Delta will bowl today at 4 p.m., completing the bowling intramural tourney. Final scores will be published Friday.

## Preferential Vote Still Intact

Preferential voting will again be used for the spring ASUI elections, so decided the Executive Board at their last meeting. However, the ballots will also be counted using the trial weighted preferential system. The Board considered adopting the latter system for the elections this year but decided to put it on a trial basis first.

The Board received memos from two members of the Idaho political science department, Robert E. Hosack, chairman, and Clifford Dohler, associate professor in political science. In discussing the voting systems used here they said, that the students have a misunderstanding to the preferential system—the wording in the ASUI Constitution is not exactly clear as to just what system we are using—a change in the ASUI Constitution would be necessary before adopting the weighted system—the new system would have a psychological advantage, but the disadvantages would be the heavier task of counting and the tendency to vote more on party lines or block the voting.

In discussion on changing the election system some of the following points were brought up:

The difficulty of the present system lies not in the system but with the administration of it. This could be eliminated by the presence of a member of the political science department during the ballot counting. Attempts in the past to change the system have always resulted in keeping it because no better substitute could be found.

In voting for retaining the present system for the spring elections six of the Board members voted in favor of it and two abstained. The motion was made by Terrell Davis.

The Board also heard a report from Activities Control Chairman Keith Jergensen. Jergensen outlined a tentative system for controlling the amount of extra-curricular activities a student could carry.

The system will be based on points allotted to each activity except those in living groups and athletics. Enforcement would be on a living group basis, through an activities' chairman. The system would be directed towards the freshmen but could be used for sophomores and juniors if desired.

The Board also heard a report from Mrs. Mayfield, a social worker from Washington state, is a graduate of the University of Buffalo and University of Chicago. She majored in psychiatric social work, according to Myra Minnis, teacher of the class she addressed.

Dr. Minnis is in the sociology department here.

## Welfare Worker Speaks To Class

Adoption of Children and Problems of Unmarried Mothers was a talk given by Norman Mayfield in the Child Welfare class March 25.

Mrs. Mayfield, a social worker from Washington state, is a graduate of the University of Buffalo and University of Chicago. She majored in psychiatric social work, according to Myra Minnis, teacher of the class she addressed.

Dr. Minnis is in the sociology department here.

## President To Be Westerner, Says Board Chairman

BOISE — The new president of the University of Idaho will be a Western educator and it is "possible, but not probable" a selection will be made this week, said Mrs. Marguerite Campbell, chairman of the University Board of Regents.

The chairman of the board made this comment while talking with reporters in advance of a State Board meeting that opens tomorrow in Pocatello.

"We feel we want someone from the West," she said. "We think it would work out more satisfactorily." She added that all the candidates for the job were actively engaged in education.

## Hanzel Is Prexy Of Vandal Flyers

Vandal Flyers elected Jim Hanzel president and Rick Jones treasurer Thursday. Outgoing officers are Bert Zimmerly and Jim Barron.

Purchase of an additional plane to replace an older model was discussed at the meeting. Members also planned participation in the Spokane Chamber of Commerce's flying Clinic and in flying club breakfasts held throughout the area.

Each received a plaque donated by an Idaho newspaper.

Clarie Lynch of Bonners Ferry received the Idaho Press Women's award for being the top girl editor.

Charlotte Chamberlain, Aberdeen, wrote the first prize editorial in a contest Saturday morning. Betty Jo Stone of Deary and Ada Stroebel of Kuna ranked second and third.

The news writing contest was won by Jim Golden, Boise. Second place went to John Werner, Orofino, and third to Doug Eier, Lewiston.

Registration for the conference hit 330. Those who stayed for the Saturday sessions attended panel discussions led by Steve Emerine and Ricky Jones of the Argonaut staff, and by Mrs. Maryvee Stevens, Aberdeen.

Journalists Criticism sessions at 10 a.m. were led by Harvey Scott, Tom

## Seven Student Soloists Sing In Easter Concert

The Easter section of George Frederic Handel's "The Messiah" will be presented Sunday, April 3, at 8 p.m. in the University Auditorium by University Singers and Symphony.

"Thy Rebuke has Broken His Heart" and "Behold and See," by tenor Harry Ehoodin; Caroleigh orchestra. Seven student soloists will be featured.

Conductor of the 110 piece campus choral organization will be Norman R. Logan, assistant professor of music, who is also directing the entire presentation. Elwyn Schwartz, assistant professor of music, will lead the 60 piece symphony, with William Fitzsimons of the music faculty serving as associate conductor.

Logan said, "the familiar 'Christ-mas' portion of 'The Messiah' is performed so frequently that music lovers sometime overlook the 'Easter' part of the oratorio." He pointed out that some of the most beautiful solos in the entire "Messiah," such as, "I Know That My Redeemer Liveth," are to be found in this portion of the work.

## How About Yalta?

The release of the Yalta papers recently by the State Department has stepped upon quite a few toes both here and abroad. Obviously, most people believe, if the United States had been more on its toes at Yalta, the present world situation with Russia would not have developed.

What did go on at Yalta has been a matter of quite a bit of hot conjecture until the release of these papers. Now, some American politicians comment that Yalta is not an issue today—this from the party in office at that time. Others point to Yalta as a failing of that party. So, in the United States, the Yalta papers may become a hot campaign issue in 1956.

While abroad, the British say that there are some errors in the transcript release by the U. S. which the British would like to have seen corrected before release. These errors are based, of course, upon the British transcript. The French have kept fairly mum while tacitly agreeing with the release. And the Russians have merely been chuckling up their sleeves, for they are the apparent masters of international politics in the Yalta affair.

Essentially, though, as many commentators have put it, the main American error was in believing that the Russians would not take undue advantage of the opportunities made available to them through concessions at Yalta. Roosevelt believed Stalin when he said that Russia and the United States could peacefully co-exist. And later another American president was praising "my pal, Joe," while the Communist International or Comintern was preaching at its world conference that capitalism and communism could never co-exist; that any means must be used to destroy the capitalist state.

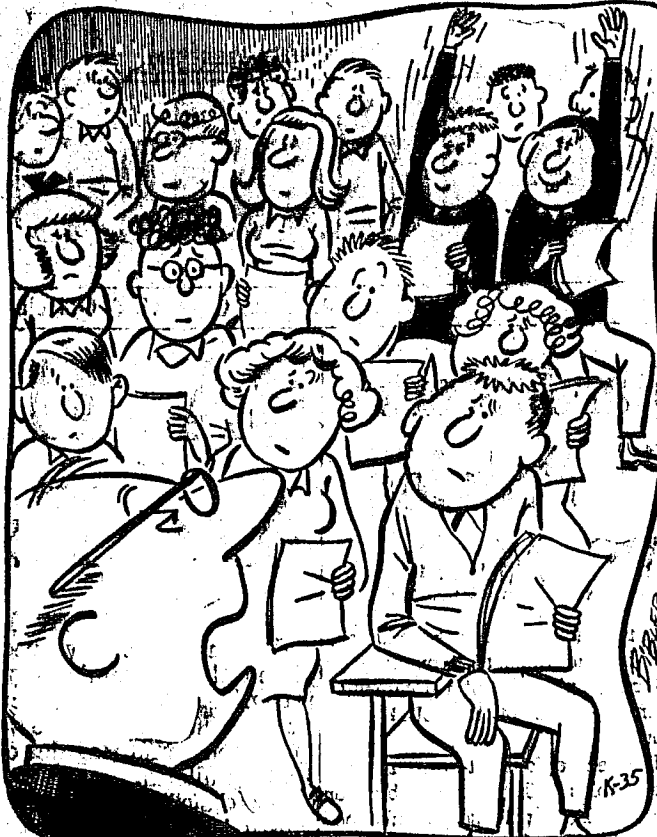

The final problem arises concerning the matter of secrecy of negotiation: Should a statesman be liable for every word he says? This could bridge a good deal of negotiatory compromise, for a man would take a positive stand before he ever attended an international meeting. Perhaps this would be for the best; however, compromise could not be reached by that man because it would demonstrate that he had to back down on some points—a matter for national pride to decide.

LITTLE MAN ON CAMPUS by Dick Bibler

"Let see—I got 'INCOMPLETE' in math 25, 'WITHDRAWN' in English II, 'CONDITIONAL' in social studies, and a 'D' in PHYS ED—Boy! Thank goodness I didn't flunk anything this term!"

## Career In WACs Open To Coeds

Opportunities for service in foreign countries and an interesting and remunerative career are open to college women in the Women's Army Corps, according to Brig. Gen. Richard G. Prather. A career in the WAC gives an opportunity to serve one's country as well as receive a good salary and travel to many places.

The present yearly salary of newly commissioned officers is \$2,667.60 with allowances of \$574.56 for food and \$820.80 for quarters; if they are not furnished, for a total of \$4,063.96. Only the basic pay of \$2,667.60 is taxable. Also the newly commissioned officer receives an allowance of \$250 to outfit herself with uniforms and accessories.

## Prichard Given Wrong Tour

Because the English word "cultural" sounded like "agricultural" to an Egyptian dragoman, Professor Theodore J. Prichard, head of the art and architecture department at the University, got a short-course in agriculture at Cairo.

The Idaho professor is on sabbatical leave to study ancient architecture in the Near East. He told a dragoman at his hotel in Cairo that he wanted to go to the Cultural Museum. The dragoman passed this message to a taxi driver, who raced past the Cultural Museum, despite frantic gesturing by Prichard, and deposited the Idaho professor at the Agricultural Museum.

Those present, including the gate man, intimated that it would be a national affront if Prichard did not go through the Agricultural Museum.

Being from an agricultural state, he agreed that he might be able to pick up helpful information for colleagues in the University College of Agriculture.

"It was a wonderful decision," reported Prichard.

He was given a complete tour of the Agricultural Museum, saw mummies and skeletons of ani-

mals, farm tools, grains and other items of ancient times. The tour wound up at a display, occupying a whole building, that showed modern diets for all ages and conditions, and life-sized dummies of modern Egyptians at work and play.

Later, he visited the Cultural Museum.

## I'VE GOT NEWS FOR YOU

It is my earnest hope that an occasional column of mine has pleased you enough to make you want to clip it out and keep it. But I'm sure that being preoccupied with more important things—like getting down to breakfast before your room-mate eats all the marmalade—the impulse has passed and been forgotten. So I am pleased now to report that the makers of Philip Morris Cigarettes, bless their corporate hearts, have published a booklet called MAX SHULMAN REVISITED, which contains six of my favorite columns, along with some brand new material, all of this profusely illustrated—all of this available to you gratis when you buy a couple of packs of Philip Morris at your favorite tobacco counter on or near your campus.

But this is not the only news I've got for you today. Following you will find a roundup of news highlights from campuses the country over.

### Southern Reserve University

Dr. Willard Hale Sigafos, head of the department of anthropology at Southern Reserve University and internationally known as an authority on primitive peoples, returned yesterday from a four year scientific expedition to the headwaters of the Amazon River. Among the many interesting mementos of his journey is his own head, shrunk to the size of a kumquat. He refused to reveal how his head shrinking was accomplished. "That's for me to know and you to find out," he said with a tiny, but saucy grin.

### Northern Reserve University

Dr. Mandrill Gibbon, head of the department of zoology at Northern Reserve University and known to young and old for his work on primates, announced yesterday that he had received a grant of \$80,000,000 for a twelve year study to determine precisely how much fun there is in a barrel of monkeys.

Whatever the results of Dr. Gibbon's researches, this much is already known: what's more fun than a barrel of monkeys is a pack of Philip Morris. There's zest and cheer in every puff, delight in every draw, content and well-being in every fleecy, flavorful cloudlet. And, what's more, this merriest of cigarettes, king-size and regular, comes in the exclusive Philip Morris Snap-Open pack. A gentle tug on the tab and the package pops obligingly open. A gentle push on the open pack and it silently folds itself back, sealing in the savory vintage tobacco until you are ready to smoke again.

### Eastern Reserve University

The annual meeting of the American Philological Institute, held last week at Eastern Reserve University, was enlivened by the reading of two divergent monographs concerning the origins of early Gothic "runes," as letters of primitive alphabets are called.

Dr. Tristram Lathrop Spleen, famed far and wide as the discoverer of the High German Consonant Shift, read a paper in which he traced the origins of the Old Wendish rune "pt" (pronounced "krahtz") to the middle Letic rune "gr" (pronounced "albert"). On the other hand, Dr. Richard Cumberbund Twonkey, who, as the whole world knows, translated *The Pajama Game* into Middle High Bactrian, contended in his paper that the Old Wendish rune "pt" derives from the Low Erse rune "mf" (pronounced "gr").

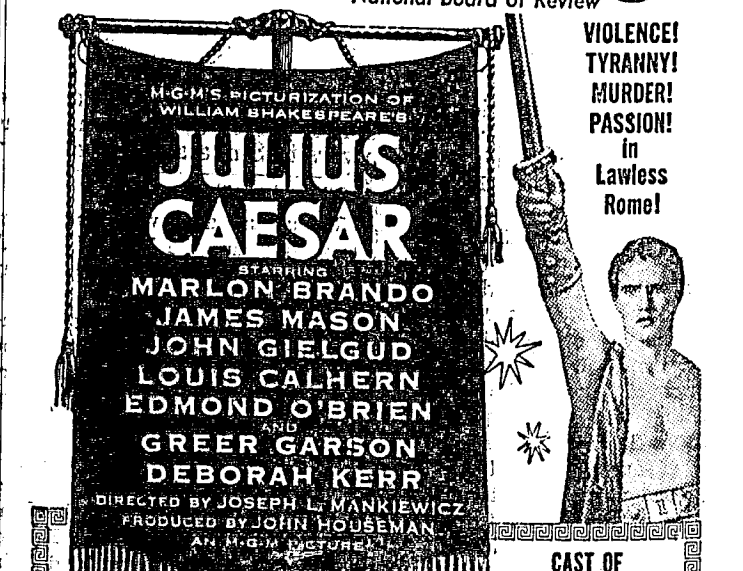

Well, sir, the discussion grew so heated that Dr. Twonkey finally asked Dr. Spleen if he would like to step into the gymnasium and put on the gloves. Dr. Spleen accepted the challenge promptly, but the contest was never held because there were no gloves in the gymnasium that would fit Dr. Twonkey.

(The reader is doubtless finding this hard to believe as Eastern Reserve University is celebrated the length and breadth of the land for the size of its glove collection. However, the reader is asked to remember that Dr. Twonkey has extraordinarily small hands and arms. In fact, he spent the last war working in a small arms plant, where he received two Navy "E" Awards and was widely hailed as a "manly little chap.")

The makers of PHILIP MORRIS, sponsors of this column, urge you to get to your tobacco store soon for your copy of MAX SHULMAN REVISITED. The supply is limited.

# Beta Initiates Feted At 'Memories' Dance

Initiates of Beta Theta Pi were honored Friday night as the Betas took them through an evening of "Memories" at the annual initiation dance.

Tri Delta pledges went continental for an evening's fun as they presented paddles to their big sisters at the annual paddle dinner. The girls cooked and served the Spanish dinner to honor the upperclassmen, cook, and hashers.

**BETA THETA PI**  
Gamma Gamma Chapter of Beta Theta Pi held a formal initiation Wednesday evening for Elrik Berggren who was attending a ski meet during the February initiations.

Friday night Beta Theta Pi held its 1955 initiation dance. Patrons and Patronesses were Mrs. M. D. Cummins, Mr. and Mrs. R. O. Byers and Mr. and Mrs. Tom Falash. Music was furnished by Dale Burak. "Memories" was the dance theme; each room was decorated accordingly.

Wednesday evening a Frosh exchange was held with the Tri Deltas. Guests during the week were Hammet Burroughs, John Warner and Mike Floan, who were attending the Journalism conference.

Dick Schultz announced his pinning Saturday night to Joan Von Bergen. A tubbing should be held sometime before Easter.

**DELTA DELTA DELTA**

Monday evening's formal dinner and installation service marked the opening of a new year for Tri Delta officers. Ann Popma and Virginia Sturgess formally took the reins of president and vice president from Nancy Leek and Joan Welsh.

Tarmale pie and other Spanish foods were on the menu Thursday night when the pledges gave their big sisters the annual paddle dinner. Mrs. Sandquest, cook, and the hashers were guests while the pledges in Spanish costume and bare feet paddled around doing the cooking and hashing. After dinner upperclassmen went on a treasure hunt following notes to the hiding place of their paddles.

Fifteen high school journalists were guests in the house during the University Journalism conference. Members who gave up beds migrated to the living room for an improvised slumber party.

Pledges had a grand time at their Wednesday evening exchange with the Betas. Sully's frequent screams are still a mystery, however!

With aching backs and red hands, pledges trooped home from the Kappa Sig house Saturday after a morning of slavery. Washing cars, morning of slavery. Washing cars, down was as much play as work. Here's hoping the fellows enjoy their return engagement when the Kappa Sigs become slaves for a day for the Tri Deltas.

**HAYS HALL**

Two engagements have been announced at Hays Hall this past week. Nancy Pride announced her engagement to Jack Dunwell, Campus Club, Friday. Donna Kanikkeberg is engaged to George Poulos, TKE, now teaching in Kendrick. Both couples are planning June wedding. Best wishes to you.

Sunday dinner guests were Marilyn Murphy, Grace Hobson and Darlene Kilborn. Barbara Hallett from Whitworth College was a guest during the week.

Visitors in the hall during the Journalism Conference were Arlene Larsen, Nampa, and JoAnn Deyoe, Mary Welch, Gwen Lane, Barbara Carey, Barbara Wheeler, Myrna Palmer, Claire Lynch, Nancy Mesenbrink, JoAnn Peterson, Beverly Myers and Eunice Goyen from Bonners Ferry.

**KAPPA KAPPA GAMMA**  
Last Tuesday night Kappa initiates were hostesses at a cocoa and donut exchange with the Gamma Phi initiates. Songs, cats, and chatting provided an enjoyable hour for all the girls.

## Idaho Competes In Bridge Tourney

Fourteen couples played bridge Sunday to compete in the National College Bridge Tourney, according to Donna Shively, Idaho Chairman. Results will be announced about April 15, she said.

Those playing were Jay Buhler and Bob Falash; William Bickford and Jim Rock; Roald Muggendor and Ole Westerheim; Wilma Schmidt and Suzie Dolphin; Dean Wendle and Stan Swanson; Dick Mansfield and Ed Armstrong; Sid Curtis and John Collett; Keith Robinson and Phil Shafer; Dick Newby and Don Atkinson; Ernie Bedke and Pete Swanson; Mary Ellen Rutherford and Trudy Mills; Bob Heatherly and Paul Ackerman; Don Smith and Jerry Smith; and Thane Johnson and Bjorn Fremming.

Local, national and regional winners will be announced in the Arg. Certificates will be awarded to each of the four campus winners.

Gary Hudson, Phil Weitz, Dick Tirk and Juan Torres were campus winners last year.

## Golden Fleece

for awhile. Later, while the ASUI president was on a recruiting trip, the Board decided to send a delegation over to view the Montana rink and form an opinion as to whether it was successful or not. They were to leave on the following weekend, but bad weather closed in and the trip was cancelled for the time being. They never got over to see the rink.

The ASUI president came back from his trip and mentioned that he and the AWS president had seen the rink while on their trip. Both indicated favorable opinions. The Board chatted over the question a bit and then made a unanimous decision to approve the project and with no strings reflected will always be a mystery.

How much student opinion was reflected will always be a systerly—unless somebody takes stock in the Student's Party poll on the subject. And it's our guess that our Board sure won't.

## Group Polled

McDevitt said that his party would hold another meeting "sometime within a week." He added that the agenda would include a discussion on the results of the rink poll, suggestions for further issues for the party platform, and the decision on how the party's present issues would be treated in the campaign.

The party will also choose its campaign manager, according to McDevitt. Dean Holt has been acting as temporary manager.

Then there's the sailor who carried around a bottle of wine because he liked to have a little port in every girl.

## Air Force 2nd Lts. To Be Appointed

The Air Force has announced that throughout the U. S. it will appoint as second lieutenants in the Air Force Reserve approximately 10,200 Air Force ROTC cadets graduating during the year May 1, 1955, to April 30, 1956. With the exception of about 100 graduating cadets who have had previous military service and those cadets granted deferment to continue with academic work, it is intended that all will be called to active duty with the Air Force.

Included in the group are approximately 8,100 who have been accepted for flight training. Also included and to assume non-rated duties, are 2,000 who have technical and administrative type skills needed by the Air Force.

Last year, lack of vacancies within the active Air Force made it necessary to give certificates of completion, in lieu of immediate appointments as second lieutenants, to some 4,800 graduates. The certificates entitled the recipients to an Air Force Reserve Officer appointment upon completion of obligated military service in an enlisted status. Graduates scheduled to receive such certificates were given the opportunity, however, to accept appointments as Air National Guard second lieutenants. About 3,500 elected to accept Air National Guard appointment and are being ordered to active duty for training with the Air Force.

## Idaho Men Chosen For Area Offices

Arnold Air Society area officers were recently appointed and approved for the remainder of the spring semester and the fall semester of 1955-56.

Heading the area which includes 11 schools is cadet Col. Jim Hanzel. Other officers chosen were Cadet Lt. Col. George Yost, Cadet Maj. Dale Brandt, Cadet Maj. Jim Shawver, and Cadet Maj. Rick Jones.

They fill the offices of executive commander, adjutant recorder, comptroller and public information officer, respectively. Area I headquarters is at the University of Idaho and has jurisdiction over all squadrons in Washington, Oregon, Montana, Wyoming and Idaho.

## Worship Services Mark Holy Week

Noontime worship services will be sponsored by the Inter-Church Council during Holy Week. Bring your opinions to the discussions at the Methodist coffee hour Wednesday. A "Couples Night" will be featured for all married students by the Wesley Foundation. Plan to attend the Inter-Varsity Christian Fellowship April Fools Party Friday night.

**WESTMINSTER FORUM**

Don't forget the coffee hour from 4 to 5 p.m.

There will be an executive board meeting at 4:45 this afternoon at the CCC.

The subject for communicants class tonight is: "Know What a Presbyterian Is."

Sunday the Westminster Forum is giving a Palm Sunday breakfast at 8 p.m. at the Presbyterian Church. The Methodist college students are invited.

**CANTERBURY CLUB**

"The Writer as a Christian" will be the topic of discussion tonight at a Canterbury House. There will be a lively discussion, so everyone come to Canterbury tonight. Coffee will be served.

Don't forget Holy Communion this Wednesday morning and Canterbury every Sunday afternoon at 5. Make a special effort during Lent to support Canterbury — by coming.

**LUTHERAN STUDENTS ASSN.**

Revelations, Chapter 8 will be the starting point for Bible study tonight at 7 p.m. at the CCC.

A council meeting will follow at 8 p.m.

**DISCIPLES STUDENT FELLOWSHIP**

The Disciples Student Fellowship group will be in charge of the Palm Sunday Worship Service. A ISF choir will give two Palm Sunday musical numbers, and all students are urged to participate in the choir. Choir practice will be held at the First Christian Church at 4 p.m. on Saturday, April 2.

A coffee hour is held from 4 to 5 p.m. on Thursdays at the CCC.

**WESLEY FOUNDATION**

The topic for discussion at the Methodist coffee hour this Wednesday will be: "Alternative Roads to Peace." The coffee hour is held each Wednesday at 4 p.m. in the CCC. Everyone is invited. Last week's coffee hour group sent a telegram to Congress as a result of their discussion. Come and get in on the discussions; bring your opinions with you.

All students planning to attend the supper for the Adelphian Concert Choir should plan to be at

the Church by 5:30 this Tuesday evening.

The Church Membership Seminar, led by Rev. David Seaman, will meet this Thursday at 4 p.m. in the CCC.

All married students are urged to save Friday evening this week for a "Couples Night" at Merry Weeds. If you need baby-sitter help, call the Wesley Foundation office, 26343.

Methodist students are reminded that there are to be Interdenominational Holy Week Services held at the CCC this year, starting at 12:40 each day, Monday through Thursday of Holy Week.

**INTER-VARSITY CHRISTIAN FELLOWSHIP**

An April Fools Party will be held this Friday night in the CCC at 7:30.

Save These Dates . . . April 23, and 24 for the I.V.C.F. Spring Retreat at Newman Lake, Wash.

**INTER-CHURCH COUNCIL**

Inter-church Council is sponsoring noontime worship services during Holy Week at the CCC. These will be held every day, Monday through Thursday of next week. The services will be held from 12:40 to 1:00, so students will have time after lunch and time to get to their fifth period classes. The worship is being planned for participation by students of all denominations with students from several of the church groups leading the services. All students are invited to attend.

Pedestrians—to avoid that run-down feeling, use the crosswalks.

# Unseasoned Idaho Nine Bows Twice 7-2, 8-2 To Whitman

Lack of early season practice once again cropped up Saturday as the Idaho Vandals dropped a baseball doubleheader to the Whitman Missionaries at Walla Walla. Pitching wildness and infield errors by the Vandals showed definite lack of practice as the visitors lost 7-2 and 8-2.

The game was the first for Whitman, the second and third for Idaho. The latter team has been unable to play on its home grounds to date and have had occasional practices at Lewiston.

The conference baseball season for Idaho doesn't get underway until mid-April but the Vandal coach, Clem Parberry, has maintained so far that "we have to get started sometime."

The Vandals on paper look to be stronger this season, but have not had adequate practice to smooth out weaknesses. Parberry will definitely have pitching worries this season, but looks for a better fielding and hitting squad with the additions of several transfers and sophomore additions.

Oregon and Oregon State College have trained in California for the past week during spring recess at the schools. Washington State across the state-line has had the same problem the Vandals have faced, unseasonable weather, but have a bigger field house to work out in.

The Vandals' next encounter will be with the same diamond squad—Whitman—in a twin bill here April 4.

Lethander Noel Aronson limited

Idaho to three widely scattered hits in the opener as his teammates hopped on Vandal starter Aubrey Stephens for three runs in as many innings. Stephens had trouble finding the plate, walking eight batters.

Sophomore Dave Anderson came on to relieve Stephens in the fourth and went the final three giving up a trio of hits and four runs, one earned.

Anderson fanned the side in order in the fifth but ran into trouble in the sixth as Whitman sewed up the contest. Page led off with a single and Bob Becker reached first on an infield error. Del Klicker sent Page home from second with a line single through the box then stole second to set up Deebach's two-run scoring base rap.

Aronson held Idaho scoreless until the seventh frame when Ray Copeland and Bob Falash drew walks and third baseman Flip Kleffner unloaded with a triple to deep left centerfield. The Missionary chucker bore down and got Reggie Frazier to ground out, ending the inning and game.

Dodel Barraged

Four walks, three passed balls, a pair of stolen bases, an error and a single and triple gave Whitman the needed runs in the second game as they all came in a big seven-run first inning.

Starter Dick Dodel was blasted for the runs as he gave up a brace of hits and then couldn't find the plate, walking the next three hitters. Tom Vopat came to the res-

cue after six of those runs had scored then got one man on a fielder's choice and fanned the final batter.

Whitman scored once again in the third but were held at bay with a comfortable lead the rest of the way.

The Vandals picked up their lone run in the third inning when Ralph Lower reached first on an error and advanced on Vopat's single. A walk to Copeland loaded the bases and Lower scored when Falash followed with another free pass. A fielder's choice accepted for the other tally.

Dick Berger led the Vandals at the plate as the reserve infielder got two singles, half of the team's safe blows.

## Vandal Riders Schedule

April 16-17—(Milton-Freewater Oregon,) WSC.  
 April 23-24—(Pomeroy, Wash.) Idaho.  
 Apr. 30-May 1 (Bozeman, Mont.) MSC.  
 May 7-8—(Fort Collins, Colo.) Colo. A & M.  
 May 14-15—(Cody, Wyo.) Wyoming State.  
 May 20-22—Northwest Championship at Weiser, Idaho.  
 June 15—Nationals at Lake Charles, Louisiana. (tentative)

## Begin Spring Work For Coming Season

The Vandal Riders club who now stand sixth in the nation in Rodeo competition have been turning out on weekends at the Lewiston Roundup Grounds to prepare for Spring Competition.

The Riders open competition on April 16 in Milton-Freewater, Oregon at the Washington Invitational Rodeo.

Those competing are King Block, bulldogging, calf roping, wild cow milking, bareback riding; Clint Roberts, saddle bronc riding, cow milking, dogging; Don Brown, bareback, saddle, bullriding; Stan Allen, bareback, bullriding, roping, dogging; Tom McKay, Jack Talbot, bullriding, bareback; Jim McCarty, bareback, roping; Darrel Lynch, bareback, roping; Mick McCarty, bareback, saddle, riding, dogging, and two girls, Gail Wolverton and Norma Wicks both in the barrel racing.

This year the Riders are more evenly distributed than last year with their strongest events in bulldogging, saddle bronc riding and bareback riding, according to Mick McCarty, club president. After the club's initial meet this year they boost two nationally ranked riders, Mick McCarty, who stands 4th in saddle bronc riding and 5th in bareback riding, and Freeland Thorson, 8th in calf roping.

The club will give three television shows this year over KXLY-TV starting on Thursday at 5:30 to relate to the public the history of the club.

Anyone interested in Western Activities or Rodeoing are invited to join the club. Contact Mick McCarty, Phi Delt. The club meets every other Tuesday.

## NOTICE

Tennis prospects asked to meet Wednesday in the gym at Visiting Room 1 at 4 p.m.

Vandal Riders will have pictures taken in Conference Room A at 8:30 today. Members asked to wear white shirts and levis.

John B. Hughes

Washington has waved good-bye to quarterback Bobby Cox, Harlan Hodges has returned from a trip through the mid-West, it's doubtful whether the Vandals will make the deadline April 4 when they are supposed to have McLean field in baseball playing shape and this writer comments on baseball strength.

Jerry Williams' selection at Montana leaves the Idaho staff intact and a professional baseball manager likes one of Idaho's seniors.

Heralded Bobby Cox departed this past week to further his education at the University of Minnesota. By the way, what is his major?

Husky football coach Johnny Cherberg has lost a little prestige with the loss of his ace quarterback who would have had two seasons to improve upon. The University of Washington has had troubles in past years, noted for shady recruiting and athletic "deals" yet haven't made much progress in football. Last season they fielded a respectable frosh club, but not good enough in our book to revolutionize their program for the coming year.

To put it bluntly, they didn't "have it" last year and with the loss of Cox probably won't have it again this season. The Huskies lost one of their best and probably won't admit it until the season rolls around again.

Hodges Looking Around

Cage Coach Harlan Hodges returned last week after taking in the NCAA finals in Kansas City and the National Junior College tourney at Hutchinson, Kansas. He seemed a little tight lipped about picking up any basketball prospects but informed us he had a "fine trip."

The Vandals open the home baseball slate April 4 once again (they tried it last Wednesday but had to move the playing site to Lewiston). As it now looks on the snow swept field, the Vandals and their opponents, Whitman, will probably find their way back to Lewiston.

The field would have to dry out this week and then there is a great deal of work to be done on the infield and dirt around the backstop.

Speaking of the varsity ball club, which lacks in pitching, and the frosh, which lack in the rest, but have some pretty fair pitchers—it looks at this early date that Idaho ball fans can look for some vastly improved units over those of a year ago.

The varsity has played three games, lost all three, but most of these could be considered warmup games, as Coach Clem Parberry was unable to put them to the real test prior to the season's arrival.

The frosh pitching staff include such artists as Doug Randall, Kent Church, Clark Anderson, Gordy Tiegs, Knute Westergen and Jim Branom. Strong points in the varsity infield include hard hitting keystone men Johnny Sullivan at shortstop and Ray Copeland at second base. These two seem to be fixtures at those spots, unless Parberry decides to move his veteran third baseman, Flip Kleffner, to first and Sullivan to third to make room for sophomore Mick Pollio, a better than average glove man and stickler.

Staubert Out At MSU

Candidate for the Montana State University head football coaching job, Gene Staubert, won't have to wait it out any longer and neither will his boss, Skip Stahley. Jerry Williams, a former Washington State backfield great, has been named to the position.

Stahley said earlier he was a little worried that he might not have his staff intact, but now with all probabilities, the same crew will be in at tutoring the football squad this season.

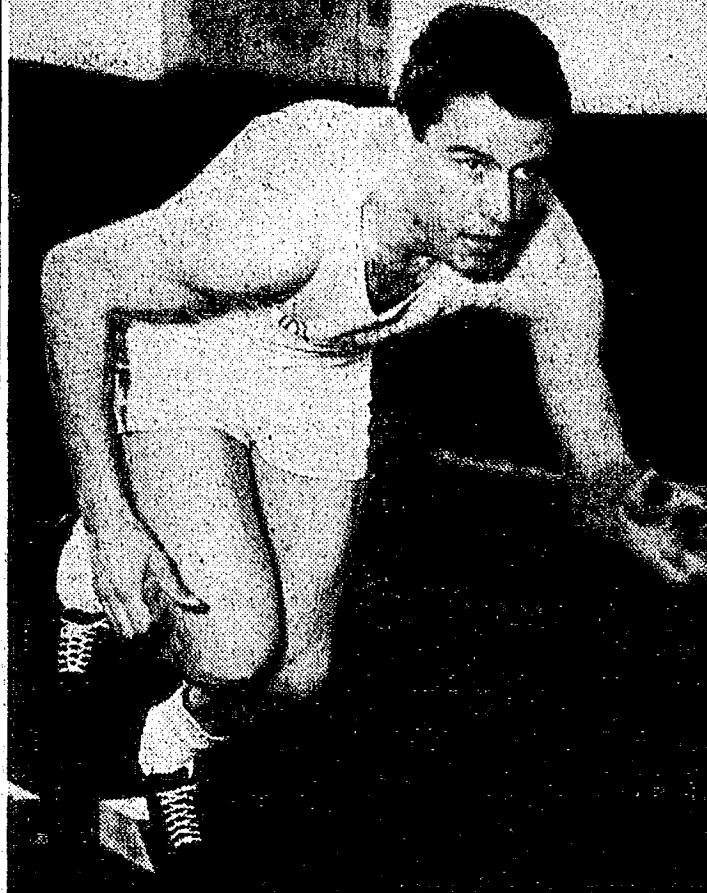

Professional baseball Manager Hillis Layne of the Lewiston Broncs of the Northwest League got a glimpse of Dick Dodel last Wednesday in early season form and said he liked the quick righthander.

Layne is looking over the college crop in this area for prospective ball players to fill his rosters. Dodel is from Lewiston and played high school and junior Legion ball there before his years at the University.

Layne commented that if Dodel "bore down and really worked on his control, we'd certainly like to take a look at him this season. He impresses me with that curve and he can throw hard."

The manager further commented that "so many young men who would like to play professional baseball don't realize how much money that pitching arm of theirs can make them. But they have to work awfully hard to do it." He will get another look at the Vandal senior if Idaho plays the Lewiston club in early April.

## Joins Thinclads

Bill Bauscher, broad jumper and sprinter, has joined the Idaho track team. He began workouts last week after taking a short breather from basketball. Bauscher may be one of four to represent Idaho at the Willamette Relays this week.

## Glander To Send Relay Team To Willamette Meet

By Pete Madison

Eight Vandal trackmen will vie tonight and tomorrow night for places on the sprint medley relay team which will journey to Salem, Oregon Saturday for the annual Willamette relays.

The relay consists of four distances—110, 220, 330 and 660 yards each and will be the only relay entered by Idaho.

In the 110, Wilbur Gary is a pretty sure bet and has that position nailed down unless someone should out do him in the time trials tonight and tomorrow night.

Three veterans from last year will try for the 220 berth.

They are Bill Bauscher, who just started turning out last Friday, Jerry Duffy and Larry Church. Gary Dixon and Henning Olsen will vie for the 330

spot and either Olse, Lou Gourley, or Hans Goch will anchor the team in the 660.

The relays, sponsored by Willamette University, usually attracts schools from all over the Northwest and this will be the first time in two years that the Vandals have made the journey to the Oregon capital city.

Coach Joe Glander added two new names to his roster Friday as Bauscher and skier Helge Garnum came out for the first time this season. Glander also commented on the early season work of five frosh hopefuls.

## B Basketball Finalists Narrowed After Playoffs

BULLETIN—Sigma Nu overcame a nine-point halftime deficit last night to drop Kappa Sigma 30-20 and enter the 'B' Basketball finals. Howard Willis scored 12 for the victors.

## NCAA Passes Plan For 1955 Football Televising Policy

The National Collegiate Athletic Association has announced the organization approved "overwhelmingly" the 1955 football television program.

The plan was a compromise between strict national and regional advocates and was passed 193-27 according to Walter Byers, Executive Director.

Basically the '55 plan provides for a national game of the week on each of eight dates with five Saturdays devoted to intra-district telecasting.

The intra-district provision in the program came about when the Big Ten and Pacific Coast Conferences demanded a strictly regional television program with free negotiations for sponsors. The Big Ten has approved the plan, the PCC is unheard from.

Under the new program a team may appear on one national and one intra-district date or two intra-district dates if the national appearance is relinquished.

Additional TV appearances for a particular school could develop under two provisions of the 1955 plan. First, sell out games may be telecast in the home TV areas of the home and visiting teams also the game's area if played off campus.

Secondly, a team playing more than 400 miles from home may telecast back to its "home TV market area" if there is no conflict with other games in that area.

Coach Joe Glander added two new names to his roster Friday as Bauscher and skier Helge Garnum came out for the first time this season. Glander also commented on the early season work of five frosh hopefuls.

Friday result:  
 VV 2 31 TKE 8

The only possibility at this point, they say, is to have road games screened.

Two finishes for cars: lacquer and liquor.
