Cost At Idaho Is Found Low

The University of Idaho was found to have the second lowest costs for students of 35 major universities and colleges studied in a survey reported by Mutual of New York Insurance Company, it was learned here today.

The approximate four-year cost for attending the University of Idaho was set at \$4,000. This figure included \$150 a year out-of-state tuition (Idaho residents would save \$800 for the four years) and \$300 per year for miscellaneous, which was set for all schools as the minimum amount needed to cover laundry, travel, campus clothes and other personal necessities.

The only school having a lower cost was North Dakota University, which is slightly below Idaho primarily due to the fact that its out-of-state tuition is less.

Action Photographer Visits Idaho April 22

A noted woman photographer who traveled by helicopter to record one picture-story and by jet-powered B-47 for another will speak at the University of Idaho's Memorial gymnasium at 11 a.m., April 22.

She is Margaret Bourke-White, the Life magazine photographer who has covered with her cameras events and people in more than two dozen countries all over the world. Her works hang in the Library of Congress, the Museum of Modern Art in New York, the Cleveland Museum of Art and the Brooklyn Museum.

Riding with crop dusters, traffic patrols and pipeline inspectors, Miss Bourke-White's pictorial coverage, "A New Way to Look at the U. S.," described the work of the helicopter. An unscheduled "swim" in Chesapeake Bay was part of this assignment when her Navy helicopter crashed into the bay.

Faster Than Sound
At the other extreme, Miss Bourke-White traveled at almost supersonic speed eight miles above the surface of the earth to get pictures for her 1951 article on the Strategic Air Command. Traveling 15,000 miles, she was the first woman ever to fly in the jet-powered B-47.

The Life photographer has covered postwar Japan, the "stalled war" in Korea, guarded diamond fields in South Africa, gold deposits in the Orange State, and interviewed India's Gandhi a few hours before his assassination.

Books
Following her trip to Asia, she wrote, "Halfway to Freedom," a 1949 best seller. Her other publications include "They Called It Purple Heart Valley," a coverage of the Fifth Army in the Italian campaign of World War II; and "Dear Fatherland; Rest Quietly," which was devoted to conditions in postwar Germany.

Recipient of the 1951 "American Woman of Achievement" award, Miss Bourke-White has been presented honorary doctorate degrees by the University of Michigan and Rutgers University. A distinguished alumnus of Cornell University, she also studied art and design at Columbia University and biology at the University of Michigan.

Dances And Picnics Are Given Priority

After recuperating from the Easter holiday, living group members have returned to the activity of song practice and planning spring dances and dinners.

GAMMA PHIS are planning a Sweetheart dinner this Sunday. Kappa Sigs will hold their annual picnic to collect tree boughs for their spring formal which will be April 30. Deltas have chosen May 6 for their spring formal, and Sigma Chis will hold their Mexican Dance April 23.

PI BETA PHI The Easter Bunny brought a big surprise as Helen West returned from California as Mrs. Phil Weitz. They will be living in Europe for eighteen months according to reports.

Mr. Bunny hopped down to Boise Easter Sunday to watch the wedding of Pat Henry and Marty Rust. The busy week was ended by announcement of the August wedding date for Dixie Kroush and Dick Weeks.

Visitors from Boise were two practice teaching Pi Phis, Sylvia Moore and Joyce Johnson.

We seem to be minus several trophies, so will whoever has them please return them or contact the pledge class!

Found: One outhouse with an additional sign in the backyard. Owner can claim by identification.

DELTA TAU DELTA

All the fellows are back from vacation, but Dale Becker has extended his vacation for a stay in Spokane's Sacred Heart Hospital while recovering from a knee operation.

Spare time is being used to practice softball for the coming intramural games and songs for the songfest. It is hoped that things will settle down to normal before the spring formal which is planned for Friday, May 6.

Dan Davis returned to announce his pinning to Nancy Burns, Gamma Phi Beta.

KAPPA ALPHA THETA

After a delightful vacation, the Thetas are back to the house—to study?

Before the holidays the freshmen surprised the upperclassmen by having the annual paddle party right after dinner. Nobody seemed to know what the "mysterious" house meeting was for until the frosh came "bunny-hopping" in with the big paddles. No, they haven't been used—yet!

The Saturday preceding vacation the Thetas were happily invaded by some 25 of the alum's children. The girls enjoyed running through the house searching for Easter eggs.

To honor the department seniors Dorothy Diehl, Donna Shively and Denise Darwin, the juniors presented a mock wedding scene at a recent fireside.

April Fool? Yes, the front door was barred that Friday with a "delicate" pink and black "Closed Up" sign. Thanks to whoever barred the door.

TAU KAPPA EPSILON

Art Schmauder was elected TKE president in elections held the week preceding Easter vacation. Other house officers are Douglas

McBride, vice president; Bob Prestel, secretary; Ed Storey, historian; Lorne Fitts, pledge trainer; Wayne Lawton, treasurer; Dale Martin, scholarship chairman and Al Waitz, sergeant-at-arms.

Recent dinner guests were Mr. and Mrs. James Hobbs, Mr. and Mrs. Gerald Buhler, Mr. and Mrs. Ron Titus and Renae Wright, Delta Gamma.

The Gamma Phi pitched in to clean the first floor, porch, and both yards of the house the Saturday before Easter.

Erlene Lund, Hays Hall, was honored with a serenade for her recent pinning to Harry Ray. The Gamma Phi also received musical thanks for their house cleaning job.

Many of the TKE's journeyed to Great Falls, Mont., to attend Carl Pinner's exchange of vows with Grace Sarmif, formerly WCS. Brother George Vasko was best man.

GAMMA PHI BETA

After a relaxing (?) vacation, the Gamma Phi returned to the usual school activity. To start the week right, Nancy Burns came home with the pin belonging to Dan Davis, Delta Tau Delta. Another mattress ride will soon be coming up, congratulations Nancy.

This Sunday the annual Sweetheart Dinner will be held in honor of the girls and their sweethearts. Before vacation, Faye Hartwell, JoElla Hamilton and Patty Bartlett journeyed to Corvallis, Ore. for a Gamma Phi convention. Jo Ella also attended an AWS Convention in Lawrence, Kansas, last week.

SIGMA CHI

Time and the pledges finally caught up with Dick Hood when Sandy Stringfield was called to rescue him from the stocks before Easter vacation.

A surprise awaited all the Sigma Chis after vacation as they returned to find all new beds. Those foam rubber mattresses don't make getting to 8 o'clock any easier.

The annual Mexican Dance will be held April 23 in the chapter house. Dick Hood is in charge of the dance. Don Jans from Spokane will provide the music.

Readin', Writin' And Troubles

By A STUDENT TEACHER
 Mame, says I, stepping off the curb into four inches of rain-water and squishing my toes, just think how it'll be when it's summertime and we can walk to student teaching in the sunshine.
 Yeah, Course, when May comes it'll be so hot we'll wish it was snowing.
 Yeah, Say did you hear about Dottie? A kid told her to go to—well, you know where, Bessie.
 No kiddin! What'd she do?
 I guess she just stood there. Say, Bessie, do you have trouble getting your class to shut up when the regular teacher leaves?
 No. They're never quiet when she's there, either.
 A little different from us, Bessie. You gotta watch your grammar when you're teaching.
Grammar
 Watch my grammar! You should hear the way my teacher talks! He always asks, "Is there any more questions?"
 Say, talking about grammar, is

it "more than" or "fewer than?" I never could get those two straight.
 I think it's "more than, Mame."
 Well, at least you're teaching Greek. You don't have to worry about grammar. Parlybou France?
 Yeah. Did you hear that cute Mr. Mitchell talking about the six week's algebra test he gave Friday?
 Yeah. Oh sweet revenge on our own teachers.
 Yeah, their kids are in our classes.
 Yeah, Say, when do we get out for spring vacation?
 I heard it was May 26.
Finals
 Gee, that means we gotta teach right up to finals, practically, Mame.
 Say, don't they have a teacher's institute, sometime, though?
 Yeah. It's next Wednesday, Thursday and Friday.
 Yeah, that's right. Do we have to go to school Monday after Easter?

Yeah, that's what old Poopenpopper said.
 Say, did you read that set of rules we got from him at the beginning of the semester, Bessie?
 Yeah, I was just glad it didn't say anything about swearing on the school grounds.
 Yeah, like when I dropped my scarf in that mud puddle and when that big galoot threw a snow ball at us.
 Some of these guys don't look like they should be in high school, either. I go for that one which wears the sweater and sox to match his hair.
 Yeah, Well, Bessie, here we are. Say, what are you teaching now?
 Well, our unit this time is on Bacon—you know, the blind French poet.
 Not French. Musta been English with that name.
 Well, see ya tomorrow—
 Yeah, g'bye.

Russians Will Visit Universities

Eight colleges and universities to be visited by the eleven Soviet student editors who will make a three-week tour of the United States this spring were announced today by the Institute of International Education, New York City.
 They are: Columbia University, Fordham University and Hunter College in New York City; Tuskegee Institute in Tuskegee, Alabama; the University of New Mexico in Albuquerque; Stanford University in California; the University of Chicago, and the University of Michigan in Ann Arbor. Other colleges and universities will be added to this list.
 Listing is in the probable order of the tour. The Soviet editors will also visit Williamsburg, Virginia; Denver, Colorado and Washington, D.C.
 The student editors, who will arrive in New York April 19 on the Queen Elizabeth, are coming to the United States to acquaint themselves with American student life. They have been granted entry into the United States by the Departments of State and Justice "in the national interest." Their tour is being made at the expense of the Soviets.
 Forum discussions with American students and faculty will be one of the principal features of the campus visits. It is hoped that the universities and colleges designated will invite student editors and other representatives from nearby campuses to participate in the reception of the Russian student editors.
 The Institute of International Education was asked by the State Department to administer the tour.

Ex-Idaho Students In Week's News

Two former University students and Argonaut staff members recently made good—one with some quick thinking and photography, and the other by being appointed the Portland and head of the United States' largest news service.

Jim Spoerhase, 27, was "calling in to my paper (he's wire editor for the Columbia Basin News) on my day off (April 1) to see if I had any mail when I heard there had been a shooting on the east side," he told a Spokane Chronicle staffer Monday.

He hustled to the scene and was in time to take some nationally-used shots of a fatally wounded policeman subduing the 200-pound Richard Peterson who also shot his father and grandfather.

Spoerhase, former Argonaut news editor and Blot staff member, used a roll-film type camera and is not basically a photographer, he said.

The other news-making former Idaho man was Dick Eimers, who was made head of the Portland Associated Press office, replacing Floyd Lansdon, also a U of I graduate, who was given an unspecified promotion in the Association.

Eimers, a former Argonaut editor, was field representative at the Spokane Chronicle, working for Associated Press covering six northwestern states; was also night editor and correspondent of the Spokane AP bureau; and worked for the University's publication department.

He attended the University between 1938 and 1949, taking time out for a four-year army hitch. Spoerhase received his BA in 1949 and was a member of Sigma Delta Chi, Journalism honorary. He worked for the Bozeman Daily Chronicle before entering the University.

Park Ranger Jobs Open For Summer

Yellowstone National park is now recruiting for seasonal park rangers to serve from June 15 to September 15, according to information received today by the University Placement Bureau.

Seventy seasonal rangers are needed, with preference given to those who live within 50 miles of the park boundary. Salary is at the rate of \$3175 per annum for a 40-hour work week. Each ranger is required to purchase a uniform and deductions are made for room and board and medical services.

Interested students are urged to contact the Placement Bureau in the Ad. Offices Building for further information.

Five Workshops Set For Summer Session

At least five workshops scheduled during the University of Idaho summer session, June 13 to August 5, are planned primarily for elementary school teachers. It was announced today by Dr. Ray M. Berry, acting dean of the College of Education.

These workshops, offering credit hours toward teaching credentials or degrees, vary in length from one to eight weeks. Dr. Berry pointed out that they are part of 17 accelerated workshops scheduled during summer school for those who are unable to attend the regular eight-week session.

Subjects covered by the workshops designed for elementary teachers include classroom printing, art methods, reading, aviation and a child-guidance clinic. An Elementary School Principals conference is also scheduled July 11 to 22.

Leading consultants in the aviation industry will be on hand to assist in developing air-age concepts, teaching aids and materials at the Aviation Education workshop, June 27 to July 15. Aim of the workshop, which offers three credits, is to provide elementary and secondary teachers with up-to-date teaching materials relating to the tremendous developments in air travel.

Marietta Gordon, supervisor of special services in the Bremerton, Wash., public schools, will direct a special elementary reading workshop, June 13 to August 5. Complete sets of elementary materials in reading as well as related materials in science and other subjects will be available for the six-credit course.

Two workshops will be offered by the department of art and architecture. A one-credit session devoted to classroom printing will be held July 25-29. Practical experiences in handling various materials will be given in a three-credit Art Methods workshop, June 13 to August 5.

Operating for the ninth consecutive year at the University will be the Child Guidance Clinic, which offers a program of training for

AFROTC Cadets Make Southern Trip Over Easter

Recently completing a 2600 mile flight to Williams AFB, Arizona, are 19 advanced Idaho AFROTC cadets. Major J. M. Hughes, PAS, coordinated this trip with Mountain Home and Geiger AFB's Lt. L. L. Ort accompanied the cadets in the C-47's used.

A day's tour of the jet training base was given the cadets with four receiving rides in the T-33 jet trainer. Flying in the jet were Stephen Peebles, Pete Preston, Rickey Jones and Charles Fellows.

The cadets toured the supply and maintenance departments. While there they observed the quick methods of overhauling a jet engine and saw how an engine may be removed from jet aircraft and another put in its place in a matter of minutes. The cadets also visited the flight line where they observed aviation cadets practicing landings and take-offs.

Also included in the orientation was the ejection seat tower at Williams being the only one of its kind in the United States. The cadets saw Lt. Ort shot up the tower, which was designed to train pilots and cadets for cockpit ejection from jet aircraft.

The AFROTC cadets that made the trip were Bill Brockman, Joe Corless, David Clements, Glen Horning, Rodney Hobbs, Ed Hudson, Peebles, Roger Olson and Leo Roy Clemmons.

John Scheloske, William Wilkinson, Joe Anderson, Ralph Dillon, Jack Dunsmoor, Fellows, Jones, Hans Gotsch, Vance Griffiths, Preston and Galen Mell.

Ft. Lewis To Host Summer ROTC

FORT LEWIS — Between 1900 and 1500 college ROTC cadets will attend the ROTC Summer Training Camp scheduled here from June 25-August 5.

Cadets from 27 colleges and universities in eight western states and Alaska and Hawaii will take part in the training. Idaho will be included.

IDAHO TRIMS SPOKANE 3-2 FOR SIXTH STRAIGHT

Dodel, Stephens Open Against Husky Club

Dick Dodel, a three-year letterman pitcher, and Aubrey Stephens, a lefthander, have drawn the starting assignments for the Idaho Vandals' 1955 Northern Division baseball season opens Monday and Tuesday. The Vandals host Washington, number three team in the division last year, weather permitting, at McLean Field each day at 2 p.m.

Dodel, a lanky righthander, is the only veteran on the Idaho mound staff. Stephens appeared only briefly last season as he was bothered by an arm ailment. Dodel had a 2-2 pre-conference record, starting slowly but winning his last two outings. Stephens has a 1-1 record.

13 Tracksters Meet Oregon

The Vandals have a hot winning streak at hand winning the last six non-conference tilts. The wins have come over Lewiston and Spokane of the Northwest League, EWCE, Whitworth and Whitman.

Last season when the Vandals and Huskies met, Idaho tripped them in the opener at Moscow, thus spoiling the Washington chances to overtake the Oregon school. A win at Moscow over Oregon State also dimmed the Beaver's hopes of beating out Oregon and as a result finished a game behind the Ducks.

The Huskies meet Washington State this weekend, possibly to the Vandals' advantage, as Husky coach Bill Marx will probably go with his ace pitchers against the Cougars and by the time he faces Idaho, may have run out of front line hurlers.

Idaho Coach Clem Parberry probably will go along with the same starting lineup that he has used the past few days. The batting order includes Ron Braden, lf; Bob Falash, cf; Flip Kleffner, 3b; Don Monson, 1b; Jim Howard, c; Frank Teverbaugh, rf; Ray Copeland, 2b; John Sullivan, ss, and the pitcher.

Bill Reams, the Washington pitching ace, will start today's game at Pullman, but should be ready for the Vandals on Tuesday. Coach Marx will probably through Don Hill Monday.

Softball Tourney Opens Wednesday

The Women's Recreational Association softball tournament will begin Wednesday and Thursday, with open practice today. House chairmen can check the schedule in the Women's Gym for playing times. An Intramural Board meeting will be held Friday at noon.

ND Baseball Roundup

Oregon, defending Northern Division baseball kings, travel to Oregon State and Washington State hosts Washington in opening action in the league's 1955 season. Jay Dean, all-American first baseman from OSC, returned to lead the Beavers, but another national choice, Norm Forbes, an Oregon pitcher, will be lost to the Ducks through graduation.

Washington State has a varsity squad of 28 on Buck Batley Field in Pullman and boast an improved pitching staff. Red Golden, catcher and centerfielder Terry Sparks, return to lead the hit attack and Rob Webb, a junior lefthander, leads a strong hurling staff.

Ron Folsy, shortstop is another top returnee. At the University of Washington coach Bill Marx has on hand pitcher Bill Reams, a member of the United States baseball team that competed in the Pan-American games and mound hopeful Monte Geiger of Bremerton. Also back are Harvey Jarvis at second base and Jack Ballard, a catcher.

Idaho will send a 13-man track team to Oregon at Eugene tomorrow to open the 1955 dual track season in the Northern Division. Oregon, the defending champion of the ND meet last season, is again loaded with talent.

Idaho coach Joe Glander will put most of his hopes in the fleet feet of sprinter Wilbur Gary and broadjumpers Larry Church, Bill Bauscher and Gary.

The Vandals track team worked out most of this week in poor conditioning weather and have not been on a dry track yet, according to their coach. Glander says the 13-man team will drive to Eugene today and return Sunday. He pointed out earlier this season that he hoped for a larger team, somewhere in the neighborhood of 25 men.

The travelling squad and event each man will compete in include: Gary—broadjump, low hurdles, 100, 220. Gary Dixon—440, mile relay team.

Henning Olsen—440, mile relay. Bob Thornton—880. Cal Campbell—880. Church — hurdles, broadjump, high jump. Jerry Duffy—pole vault, high jump. Buzz Hanson—javelin, high hurdles. Lou Gourley — mile, two-mile, mile relay. Bauscher—sprints, broadjump. Duane Hodgson—javelin. Nick Speropoulos—discus. Ron Leppke—shot put.

Glander said Gourley would run the mile and two mile as the only Idaho competitor in those events. The senior distance man plans to do that in all dual meets this year in hopes of conditioning himself better and be in top shape for the Northern Division meet. Gourley, the Idaho captain, will find plenty of competition in Bill Dellinger, the Duck runner to win the event when the same two battled it out last year. Dellinger bettered Gourley's dual meet record in that race.

The meet is the first outdoor this year for the Vandals.

Pitching Aces Limit Indians To Two Hits

Idaho copped its sixth straight pre-season exhibition baseball win yesterday at Clarkston handing the Spokane Indians a 3-2 loss, the Northwest League club's first in games this spring. Two Idaho pitchers, Dick Dodel and Aubrey Stephens teamed to limit the Indians to two hits, both singles, and two runs. Spokane scored both runs in the first frame and got both hits in that inning.

The Vandals scored a trio of runs in the third frame. Ron Braden reached first on an error but was forced at second by Bob Falash. Flip Kleffner, who had two for four on the afternoon, doubled followed by Don Monson's run scoring single.

Kleffner scored when Jim Howard reached first on an infield boot. Polillo singled to score Howard from second after Monson was picked off at third and Howard advanced to second.

The first two batters to face Dodel tagged him for singles, but the Vandals pitchers then bore down and pitched hitless ball the rest of the way.

Four Veterans Out For Tennis Squad; Young To Coach

Frank Young has been named tennis coach this season with four returning lettermen and seven other prospects to build his squad on. Returning lettermen are Barry Rust, Sonny Long, Jim Richardson, and Roy Clements, and other prospects include Max Nunenkamp, Keith Spencer, who lettered last year at Olympic JC, Don Mills, Dave Cummins, Ed Russ, Don Bollingbroke, and Leonard Chin.

The racketmen have been turning out in the gym so far this season, due to bad weather conditions, but hope to be outside as soon as possible. No one has been picked for the squad as yet this year, Young said. Prospects will play a ladder tournament to determine who will represent Idaho in the PCC this year, according to Coach Young.

The netmen open the season on April 23 with WSC at Pullman and play the following schedule. April 29—Washington at Seattle. May 6—Oregon at Moscow. May 7—OSC at Moscow. May 10—WSC at Moscow. May 20 and 21—PCC at WSC.

Idaho has never won a Northern Division baseball title.

Herb Carlson, Idaho boxer, won three national titles and four Pacific Coast individual championships.

Intramural Softball Underway Monday, Weather Permitting!!

Opening of intramural softball is dependent upon weather, however, according to the schedule released today by intramural director, Larry Golding six games are on tap for Monday.

If the weather holds up, the leagues will wind up on Tuesday, May 3rd, with the playoffs to follow.

Vet's Village, defending campus softball champs, will open their title defense Tuesday against the Idaho Club. Sigma Alpha Epsilon last year's fraternity winners open their season against Delta Sigma Phi on Wednesday afternoon. Games will begin promptly at 4:10 and failure to appear by 4:20 constitutes a forfeit. Each game will consist of five innings. Field 1 is the Ad lawn with the remaining five fields numbered 2-6 starting at the football practice field and continuing north of Neale Stadium.

Weather Slows Spring Football Workouts

Four junior college transfers that entered school at semester were among 61 varsity football prospects that reported for opening spring drills. The opening session, which included orientation and fundamental T formation system drills, was held in scattered rain and snow flurries.

Hitting Improved After Vandals Cop Four Recess Wins

Idaho Vandals copped four ball games over the Eastern vacation downing Eastern Washington twice 31-2, 9-4, and Whitworth and Lewiston Broncs once each. Vandals built up an early 5 to 1 lead against Whitworth and went on to win by a 6-3 count. Several Whitworth errors contributed to the Vandals victory.

Vandals had a field day in the seven inning opener against Eastern racking up 31 runs on 21 hits. EWCE scored their only 2 runs on 3 hits. Seventeen Eastern errors led to their downfall.

Dick Dodel went the distance on the mound for the Vandals while EWCE used three chuckers. Flip Kleffner slammed out six hits in six trips to the plate to pace the Vandals swingers.

In the five inning night-cap Dave Cripe and Roger Ranta combined to limit Eastern to 4 runs on 7 hits while their mates were scoring 9 on five hits.

Idaho came from behind against Lewiston scoring 3 runs in the seventh inning to take a 10 to 8 win over the Broncs of the Northwest League.

Former Idaho receiver Jerry Quane caught two innings for Lewiston. Only Wisconsin has won more national college team boxing championships than Idaho. The Vandals hold three team championships and have been runner-up twice although they dropped boxing two years ago.

Golf Squad To Be Chosen On Weekend

Its open field Saturday and Sunday for campus golfers. Weather permitting, anyone who can swing a club, Golf Coach Dick Snyder will hold a qualifying tourney to see who will make the varsity golf team.

The tournament will be held on the University course with competitors playing rounds of 18 holes each day. Those who desire to play intramural golf will not be affected, Snyder said.

The divot-diggers have two veterans back from the 1954 team in Dave Powell and Bob Campbell, and last fall's campus champion, Bob Adamson, is a likely man to take the third of four positions on the travelling club.

The University golfers open the pre-conference season Tuesday at Walla Walla, meeting Whitman. April 23 Idaho meets WSC at Pullman in Northern Division action.
