THE IDAHO ARGONAUT, UNIVERSITY OF IDAHO

TUESDAY, APRIL 26, 1955

REGENTS PICK THEOPHILUS AS PRESIDENT

Duane Sharp Leads In Little Int'l Points

Duane Sharp with 84 points now leads in total points in competition of the High Man Trophy in the April 25-30 Little International Show. Other leaders are Ken Jenkins, 70 points; John Moore, 52 points; Rich Schmidt, 50 points, and Charles Starr, 47 points. Richard Schmidt took first place in the finals of the Alpha Zeta-Agriculture club public speaking contest at the club's "kickoff" banquet last Thursday night in the SUB ballroom. Charles Starr and Lawrence LaRue placed second and third respectively in the contest.

Today we can add another chapter to the year of 1954-55 at the University of Idaho.

Back around Christmas time this year we wrote a Fleece and included some items that we thought made this year one to remember. In that column there was mention of an acting president named Theophilus.

In writing the column we remember how smoothly Dr. Theophilus had taken over the responsibilities of the president's office. We had remembered something else also—an interview with Dr. Theophilus when school opened this year.

In the fall, as is done every year, the Argonaut editor had an interview with the University president. We went up to this one expecting to receive a set of iron clad rules to remember when editing the Argonaut. Instead, the interview was very informal, it was like chatting over coffee in the Bucket.

The acting president reviewed some of the past Argonaut policy and told us the job was in our hands—he told us to set any policy we wished, but to just remember that we were part of the University of Idaho.

At the conclusion of the interview he offered us something we didn't expect. He said that any questions concerning administration policy or procedure could be referred to him personally if need be. This may not sound like much in words, but in action it is something really EXTRA coming from a university president.

During this year we've never had to use this offer because all our questions were readily answered by other people. The 1954-55 relations between the Argonaut and the administration have been excellent from our standpoint.

The one time we were questioned this year was a case of a simple flub on our part in counting up registration figures. But this was the only occasion this year that the administration has had anything to say about Argonaut policy.

As we said in that Christmas Fleece—this year has had some high points. And we're betting that the appointment of Dr. Donald Theophilus is one of the year's best. He's a man who knows the operation of our University, who has served it, and who will plan for the future.

For the University of Idaho students, we'd like to wish a bushel of luck to the new president. He's tops.

Yesterday afternoon results in the Entomology contest were: John Moore, first; Ed Mink, second; Don Walker, third; Duane Sharp, fourth and Kenneth Jenkins, Duane Sharp won first in the Poultry judging contest with Jim Bryan, second; Mel Fish, third; Ken Jenkins, fourth, and Dale Carlson, fifth.

Hot News Cools Before Read By Prexy

Chuck McDevitt was officially elected ASUI president April 20, at 6:15 p.m., but didn't find out until the next day due to West Point after hour telephone regulations.

Chuck received word of the results between rounds of debate when a West Point cadet came running up with a telegram. McDevitt shoved the telegram in his pocket and rushed off to his next debate. During a lull in the debate he finally opened the telegram and read the news of his election. All of this took place about fifteen hours after the counting of the ballots was finished.

The complete and final results of the election were unknown to the president elect until his return to the Idaho campus yesterday noon.

The New Prexy

Dr. Donald R. Theophilus, 56, the 1954-55 acting president of the University, has been named president effective May 1. The Board of Regents gave "serious consideration" to 77 candidates for the \$15,000 a year job before picking Theophilus.

Theophilus, who has been acting president since July 1, 1954, succeeds J. E. Buchanan, who resigned to accept the presidency of the Asphalt Institute, an international research organization with headquarters now at the University of Maryland. Theophilus was dean of the College of Agriculture, director of the agricultural experiment station and director of the agricultural extension service.—His successor in these positions has not been named.

Campus Clean-up To Tidy Grounds For Mother's Day

If the long-forgotten sun shines on the Idaho campus April 30, he will see students slicking up the campus for the advent of their Mothers May 8. That is the date of the all-campus Blue Key clean-up which will be followed by a picnic on the Administration lawn—or if the sun isn't around—in Memorial Gymnasium.

In conjunction with the ASUI Executive Board this year, the clean-up is to tidy up the campus for the May Fete.

Living groups will not serve lunch. The ASUI is furnishing food for the picnic and will later charge living groups a percentage of the costs.

Blue Key Talent Show performers will entertain during the lunch.

Areas have been assigned to each living group, and will be announced in house meetings and in the Friday Argonaut. The cleanup is scheduled to start at 8:30 and last until about 11 a.m.

Area cleanup chairmen are Bob Bakes, east of Blake and south of University; John Gills, south of Elm and North of University; Keith Jergensen, west of Elm and North of University; Jack Knodle, west of Blake and south of University and John Bahr, north of University and west of Line.

Keen Nose Smells Through Three Floors

An assistant proctor with a keen nose for smoke may have saved the University some money Saturday morning when he smelled smoke coming from a fire burning three floors above him.

Thane Johnson, who rooms on the first floor of Willis Sweet, followed up his lead and found a couch burning in the room of Terrell Davis, Don O'Neil, Francis Strickling and Larry Harrop.

According to Davis the fire was probably caused by a cigarette. The four occupants were sleeping in an adjoining room.

The fire was discovered about 4 a.m. It ruined the room's walls, floor and door. Some of Strickling's and O'Neil's clothes were ruined but they were insured. The couch was a total loss and valued at about \$20.

Man! We're Goin'

Seems as if the delegates at the conference of Asian and African ministers held at Bandung recently must have taken a cue from the title of Horace Greeley's "Go West Young Man."

Chou En lai, premier of Red China, received a shocking surprise as man after man such as the Philippine's Romulo and Pakistan's Mohammed Ali blasted communist imperialism. For a change the Asiatics and Africans included communist international policies in their opposition to colonialism of any kind.

Previously most of the blasts at colonialism, many egged on by the Reds, were directed at the West—nations such as Britain and France, for example. Romulo, a staunch supporter of the United States, pointed out that the Asiatics must not tolerate the aggressive movements of Red China merely because her peoples are Orientals. At the same time he urged independence programs similar to the one which the United States used for the Philippines.

And India's Prime Minister Nehru squirmed in his seat, too, for he has constantly preached a passive acceptance of Red China's activities.

So despite cries of Western sabotage and smooth, clever politicking by Chou En lai, the Asian and African ministers refused to be intimidated. This does not mean that they would wish to be under our political and economic domination either. But rather it is significant that they are freedom-loving people who wish to become equal members of the world community of nations.

Here's More About— Regents Pick

1923, he was married to Cora Edith Schild of Belle Plain, Iowa, who had graduated from Iowa State with him in 1920. A home economist, Mrs. Theophilus was among the first teachers to serve in that field under the Smith-Hughes act.

Also in 1923, Theophilus left Iowa State to join the faculty of Western Kentucky Teachers College at Bowling Green, where he served four years. Meanwhile, in 1924, he was awarded a master's degree from Iowa State.

Came West

His next move was to the West, which had appealed to him since he first saw it as a boy. In 1927, he joined the faculty of the University of Idaho, where he has served with the exception of one year when he returned to Iowa State to complete studies on his doctorate degree. He was awarded a doctorate in philosophy in 1935—his fourth degree from the Iowa institution. He is also a member of four honorary fraternities—Sigma Xi, scientific; Alpha Zeta and Gamma Sigma Delta, agricultural; and Phi Kappa Phi, scholastic.

Theophilus' first assignment at the University of Idaho 28 years ago was as an associate professor of dairy husbandry. In 1935, he was made professor and head of the department of dairy husbandry, then, in 1940, dean of agriculture, director of the agricultural experiment station and director of the agricultural extension service.

Mr. and Mrs. Theophilus have two children, both married, and one grandchild. A daughter, Mrs. J. P. O'Connor, lives in Boise, and a son, Donald R. Jr., is a second lieutenant in the Air Force, stationed in Japan.

11 Of 12 Constitutional Changes Passed

All proposed amendments and revisions to the ASUI Constitution were approved but one during the April 20 ASUI Election. Actually, the one Constitutional revision that did not get the needed two-thirds vote was only a change for clarification or wording.

Article Five, Section Three, would have been amended by the addition of the three words at the end of the section.

"Award. To every person who shall have served as a regular member of the Executive Board shall be given a five-year pass to all ASUI activities and athletic events."

The revisions and amendments will go into effect subject to approval by the Board of Regents. The proposed changes were:

Art. I, Sect. 2: Amending this by adding the following sentence in bold face type:

"All regularly enrolled students of the University shall be members of the ASUI with the privilege to vote and to represent the University in any activity to which the authority of this constitution extends. All regularly enrolled graduate students may vote in general elections, but not in class elections."

Art. III, Sect. 2: Amending this by adding the following sentence in bold face type:

"The President of the ASUI shall preside at all meetings of the Association and shall act as chairman of the Executive Board. He shall be an ex-officio member of all committees either permanent or temporary. He shall be the official representative of the ASUI. He must have completed at least three semesters of full-time college work and at least one semester at the University of Idaho before his election. Yes 1737, No 170.

Art. IV, Sect. 1, Clause 3: Amending this by adding the following words in bold face type:

Art. VI, Sect. 1 (2): Revising this by changing the word "five" to "four" and deleting the words in parenthesis. This change refers to official departments of the ASUI. "The Department of Publications, including the (five) (four) official publications of the ASUI; namely the Idaho Argonaut; the Handbook, the Gem of the Mountains, (the literary magazine), and radio station KUOI." Yes 1616, No 258.

Art. VI, Sect. 1, (8): It is proposed that we add the following clause (8) to this section referring to official departments of the ASUI:

"All other organizations which the Executive Board may sanction." Yes 1286, No 558.

Art. VII, Sect. 1, Clause 1: Revising this by adding the words as in bold face and deleting the words in parentheses:

"Nominations for all ASUI offices shall be made not less than two weeks and not more than (three) (four) weeks previous to the annual election held (the last week) in April. The Executive Board shall set the election date five weeks in advance, and the ASUI president shall give notice in the Argonaut." Yes 1721, No 148.

Art. VII, Sect. 1, Clause 2: Amending the second sentence of this Clause by substituting the word "signatures" for the word "names". These shall be accompanied by a petition bearing the signatures of at least seventy-five members of the ASUI." Yes 1729, No 144.

Art. VII, Sect. 1, Clause 3: Revising this Section by deleting

Clause 3 entirely. It reads as follows:

'Stop The Music' Brings Silence To KRLC

Students from the University of Idaho radio department took over KRLC in Lewiston last Saturday.

Everything was supposed to go along the same as usual, but one transmitter technician wasn't informed and the following resulted. Don Broughman was to break in on the "Date With Shirley" show which usually has Shirley Turner of Lewiston in control, and the Shirley up because she was playing the wrong type of music.

"Don was then going to play an entirely different type of music for the listeners. Things were going along fine until this technician decided that this was real and cut the show off the air for five minutes while he played music. This unfortunate technician was finally told the story and the program was resumed.

The students took over the station from 10 a.m. until 11 p.m. and from 8 to 10 p.m. sold \$1900 worth of tickets for the Lewiston Baseball Club. The program was conducted in a manner similar to that of the March of Dimes program which is held in Moscow each year.

The students wrote the commercials and news and put on a half hour dramatics show. According Robert Tracy, professor of radio, "This was the first time this sort of thing happened to a University class that I know of."

One week from this Saturday, the students from Lewiston High School will attempt to duplicate this feat.

NAVY MAN COMING

NROTC cadets interested in Naval Aviation Cadet Training may hear an address by Lt. A. W. Adair, USNR from Spokane, Wednesday and Thursday April 27 and 28 in the Naval Science Building. He and Lt. JG W. F. Pounds, will answer questions regarding training or operation flying, Adair said.

A CLASSIFIED GETS RESULTS.

University Profs To Meet Thursday

"The Student and the University of Idaho," will be discussed Thursday at a meeting of the American Association of University Professors in Home Economics 6 at 7:30 p.m.

Subjects discussed will be:
1. The general level of student scholarship at the University of Idaho;

2. The problem of extra-curricular activities;
3. The relationship between faculty members and students;
4. Coordination of the public school curricula with the curricula of the University.

Informal in nature, the program will consider and investigate the above-listed topics with emphasis on what the individual instructor or faculty group can do to solve problems under the above points. Earl J. Larrison of the program committee is in charge.

Participating will be Dean of Men Charles O. Decker; Prof. John A. Green, Jr.; Prof. William K. Ferrell and Prof. Larrison.

THE GIFT HORSE

Many of our friends will soon be graduating. What kind of gifts should we give them?

Here is no simple question. It is never simple to find gifts for people who have everything, and college students, as everyone knows, are the most richly endowed of mortals. They've got beauty and truth. They've got rhythm. They've got stout hearts, willing hands, and a clear vision that dispels the miasmas of the future as the morning sun sears away the last wisps of a cool night's fog. They've got heaps and heaps of money, as who would not who has been receiving such a huge allowance over four years of schooling?

What can we give them that they don't already have?

One infallible gift for the person who has everything is, of course, a stethoscope. New models, featuring secured earpieces and power steering, are now on display at your local surgical supply house. Accompanying each stethoscope is a gift card with this lovely poem:

When you hear your heart beat,
When you hear it pound,
Remember me, your buddy,
William Henry Round.

If, by some odd chance, your name does not happen to be William Henry Round (you're laughing, but it's possible), here is another dandy suggestion for the person who has everything—a gift certificate from the American Bar Association.

These certificates, good at your local lawyer's, come in three convenient sizes: small, medium, and large. The small certificate covers title searches and writs of estoppel. The medium size covers torts, claim jumping, and violations of the Smoot-Hawley Act. The large one covers kidnapping, murder, and barratry.

If, by some odd chance, you don't know what barratry is (you're laughing, but it's possible), it is arson at sea. This interesting crime is called after Cosmo "Bubbles" Barrat, a captain in the British navy during the last century, who was addicted to burning his ships. One man of war after another fell victim to his incendiary bent. The Admiralty kept getting crosser and crosser, but every time they called in Captain Barrat for a scolding, he would roll his big blue eyes and tug his forelock and promise faithfully never to do it again. Oh, butter wouldn't melt in his mouth, that one!

So they would give him another ship, and he would soon reduce it to a scattering of charred spars. He burned more than 120,000 ships before he was finally discharged as "doubtful officer material."

After his separation from the navy, he moved to Vienna where he changed his name to Freud and invented Scrabble.

But I digress. I was listing gifts for the person who has everything, and here is another one. This gift, in fact, is not only for persons who have everything, it is also for persons who have nothing, for persons who have next to nothing, for persons who have next to everything, and for persons in-between. I refer, of course, to Philip Morris cigarettes. Here is the cigarette for everybody—for everybody, that is, who likes a mild relaxing smoke of fine vintage tobacco in a handsome brown package that snaps open with the greatest of ease. For those, if such there be, who like dull, nondescript tobacco in a package that requires a burglar's kit to open, Philip Morris is definitely the wrong gift.

Among the newer gifts that warrant your attention is a revolutionary development in the enjoyment of recorded music. This is the Low-Fi Phonograph. The Low-Fi, product of years of patient research, has so little fidelity to the record you put on it that if, for example, you put Stardust on the turntable, Melancholy Baby will come out. This is an especially welcome gift for people who hate Stardust.

Finally there is Sigafos Shaving Cream, a brand new kind of cream that makes whiskers grow in instead of out. You just bite them off in the morning.

To Max's suggestion to give PHILIP MORRIS for graduation, the makers of PHILIP MORRIS, who bring you this column, add a hearty amen.

Queen Crowned; Desires Revealed

Variety was the keynote for the living group dances held throughout the campus last weekend. Delta Sigma crowned their "Dream Girl" at the Carnation Ball Saturday night. That same evening, Tri-Deltas and their dates arose at the early hour of five o'clock to begin dancing. The men of the Lindley took the opportunity to reveal their secret desires at their "Hidden Desires" dance.

On the more serious side, members of Phi Kappa Tau attended a domain meeting at the University of Washington. The Kappas honored senior, Dolly Fox, at a reception following her senior recital.

DELTA SIGMA PHI

Betty Jo Roberts, a Kappa Alpha Theta from Lewiston, was crowned the "Dream Girl of Delta Sigma Phi" at the annual "Carnation Ball" which was held Saturday night. Betty Jo was crowned by Nancy Leek, the 1954 Dream Girl.

The theme of the Ball was carried out with modern art, complete with abstracts and mobiles. The music was supplied by Chuck Clauser's band.

Chaperones were Mr. and Mrs. Charles Bartell, Mr. and Mrs. H. E. Slade, Mr. and Mrs. Elmer E. Nelson and Mr. and Mrs. Frank Young.

WILLIS SWEET

Last Wednesday evening, the Willis Sweet boys enjoyed a dinner exchange with 106 girls from Hays and Forney Halls. After dinner they danced to the music of a local band. During intermission the group was entertained by skits, dance numbers and musical renditions. Everyone had a wonderful time.

The Hall was honored recently when Dick Johnson was awarded the IK's Holy Grail for being the most active IK the past year. The trophy will stay in the Hall for the next year.

Early Saturday morning, the members were awakened by the odor of burning wool. A fire was discovered in room 400. Our trusty volunteer fireman, Ralph Hill, however, had the blaze out in record time. The damage was quite extensive and the odor was quite trying for awhile.

LINDLEY HALL

Friday night Lindley Hall held its annual "Hidden Desires Dance" to the music of Chuck Clauser's orchestra.

Added entertainment at the dance was Ralph Hale's rendition of "Old Man River" and a medley of instrumental tunes by Larry Wing and Ken Connell. A free steak dinner was the prize given to Dick Gaskins and his date for the best costumes. Runners-up were Claude Tate and Ken Connell.

Special thanks are in order for Mr. and Mrs. Young and Mr. and Mrs. Jollie, our chaperones.

To increase the novelty of the affair, there were the artistic achievements of Clayton Lisle, Bill Nicholas as MC, and the birthday of the singing waiter, Bruce (Go Home Yonk) Wright.

DELTA DELTA DELTA

Executive board members, newly-elected by Tri-Delta girls, will spend Saturday and Sunday at Rocky Point for their officers' retreat. Winter-like weather has made no change in the plans for the campout!

"Sunrise Sernade" proved to be the theme for the Sunrise Dance. Thirty couples danced to the music of Wally Johnson's band at the strange hour of five a.m. and were seen walking around the campus in a vain attempt to stay awake.

Alumnae of Delta Delta Delta and women of Moscow and surrounding towns were guests at tea and open house Sunday afternoon.

Dick Kamlin was a Sunday dinner guest.

ALPHA PHI

Dinner guests Sunday night included Bernie Bailie, Connell, Washington; Mr. and Mrs. Arnold Hudlow, Pullman, and Howard Tankersley, Sigma Nu.

Arlene Wood is now wearing the pin of Joe Edgett, ATO. Congratulations, Woody, the ATOs must like to keep their Esquire Gal where they can see her.

Cosmo Club Gives Sandpoint Dinner

Four hundred-seventy Sandpoint people were served at the third Cosmopolitan Club banquet this year Saturday night at Sandpoint. The dinner was sponsored by the Kiwans Club. Dinners have also been given at Moscow and Clarkston, Wash.

"Gus" Constantinos Laskaras, ex-Cosmo Club prexy, and Olaf Stavik, present president, alternated as masters of ceremony during the two programs during the dinner.

Providing entertainment were Stavik, Siv Bergstrom and Kristofer, Storruze, Laskaras, Abdul Kamal, club vice president, Maria Duhig, Maurice Nasser and Chamakaur Brar.

Vaselia Lemonides and Gurcharn Singh were in charge of cooking the dinner and were assisted by Darlene Thomas, Jean Parr and Bob Thyberg.

Jean Weston and Darlene Malcolm were in charge of serving the dinner. Bernard Henderson set up the displays.

Debaters Place 17th In Tourney

Dean Holt and Chuck McDevitt, who represented the University of Idaho in a national debate tournament at West Point, returned to Moscow yesterday noon.

Idaho's debaters placed 17th out of a total of 36 teams entered. The Idaho team placed higher than any other team from the West Coast.

According to Chuck McDevitt, "We have no complaints about the tournament and we faced some very good schools. There were no weak teams entered in the tournament."

"We never lost a negative debate question, but the affirmatives gave us trouble," McDevitt added.

Virginia Sturgess Picked To Lead Music Chapter

Virginia Sturgess was recently elected president of the Sigma Zeta chapter of Sigma Alpha Iota, national women's music fraternity. She succeeds Caroleigh Gittens who was president this year.

Other officers elected were Judy Crookham, vice president; Dixie Kroush, recording secretary; Janice Radovich, corresponding secretary; Doris Conklin, treasurer; Carolyn Sanderson, program chairman; Margaret Johnson, song leader, and Rochelle Henderson, editor.

West Valley Choir To Give Concert

A Spokane high school choir, the West Valley Chorales, will present a concert at 11 a.m. Friday, April 29 in the Recital Hall of the Music Building. Director of the group is Elaine Harbaugh.

Music classes meeting at that hour are dismissed and non-music students not having classes that period are urged to attend, according to music department sources.

A three part program will be presented as follows: "O Filii et Filie" by Leisring, "23rd Psalm" by Gaul, "Music of Life" by Cain, "Jesus Boy" by McGimzey, and "Advent Motet" by Shreck.

Improvement can be achieved by encouraging high school students who plan to enter college to take four years of English instead of the required three, he said.

The study of a foreign language for at least one year, and preferably two, was recommended as a practical means of overcoming difficulties in English grammar. Stress was placed on the importance of integrating the writing of compositions with the study of grammar and literature. For the student to whom traditional approaches to the study of English offer little appeal, it was shown that greater interest could be aroused by studying courses related to English. These courses would include dramatics, journalism, radio-TV announcing and speech.

Films Scheduled For IRC Meeting

Three films will serve to make up the International Relations Club programs for today at 4:10 p.m. in SUB Conference Room B. The titles of the films are "Yugoslavia," "Turkey—The Land of In-between" and "Strategic Iran."

The films are put out by the Armed Services Information Service. They show many of the problems these countries face in economics, foreign and domestic affairs.

After the films, there will be a

Dr. Coe Speaks At Boise Meeting

Dr. C. Norton Coe, Professor of English and head of the department of humanities, was the guest speaker at a luncheon meeting of the Idaho Association of Secondary School Principals held in Boise April 21.

Dr. Coe talked on "English in Idaho High Schools." He pointed out that, according to objective tests given all entering Idaho freshmen, significant improvement has been made in the English proficiency of high school graduates during the past four years. In his talk and during the discussion that followed, suggestions were offered for making further progress.

With more than 40 speeches concentrated in an hour, faculty members demonstrated they do not always require a full class period to get some point across. In "30 seconds or less," each responded to the assignment: "What I remember best about my coming to the University of Idaho." For nearly an hour, inspirational, sentimental, nostalgic and humorous memories came from the University's past.

Carol Reichert was recently appointed corresponding secretary and Arlene Zaring was appointed librarian for the group.

30-Second Limit Reduces Gab Of Profs

Faculty members, agricultural extension workers and maintenance employees with 25 or more years of service to the University of Idaho were honored at an informal dinner at the Student Union.

The acting president noted that 58 university employees have been included in the party, were retired staff members living in Moscow.

Idaho Nine Invades OSC

The Idaho Vandal baseball team invades Oregon State this weekend after winding up a two-game series with Oregon at Eugene this afternoon. Results of yesterday's opening encounter with the Ducks was not available at last night's press deadline.

The Idaho team, in its annual swing through the Northern Division has yet to win a conference contest, having dropped four ball games to Washington.

Washington State played and won its first ball game of the rainy season stopping the Huskies at Seattle 5-3 yesterday afternoon.

The Vandals and Huskies were the only ND teams to see action until WSC got into the act yesterday. Games between Oregon and Oregon State and WSC and Oregon and Oregon State were all rained out in early season.

The seven rainouts through the weekend was a new Division record. Previously only five games were cancelled over the entire schedule.

Today Washington State resumes its rivalry with Washington and Idaho faces Oregon.

Vandal Riders Third At Rodeo

Idaho placed third in team standings in the third annual collegiate rodeo held at Pomeroy this past weekend. Pierce Agricultural College of Canoga Park, California captured top spot.

Clint Roberts turned in the best individual performance for Idaho winning first place in the saddle bronc ride. His team mate Mick McCarty placed second in the same event. Roberts also picked up a third in the calf roping event.

Gail Wolverson, Idaho, placed first in the girls' barrel race, with Mary Jo Snyder coming in third.

UI HOSTS PREPSTERS Idaho will host district and regional track meets for Idaho high schools May 6 and 13, it was announced today.

Take Five

John B. Hughes

Idaho hosts the Northern Division golf entrants this year in the annual season windup match. The 36 hole tourney will be played on the University course and the Vandal team and coach Dick Snyder have great hopes that they might have a good chance of taking their first crown having the advantage of playing on a familiar course.

Saturday the six-man team whipped Washington State 14 1/2-12 1/2 here on a wet course and last season with the help of the top flight veteran Phil Weitz, tied Washington, the first time that school had been stopped by Idaho in some form in so many seasons.

We look for most of Idaho's golf help to come from Bob Campbell, Bob Adamson, Dave Powell and Tom Lindley in that order. Adamson has had a good deal of tournament experience. He won the Japanese open one year while in the Armed Services and knows his way around the University course pretty well—he captured the campus open last fall.

A freshman golfer by the name of Dick Sheppard is expected to come along this season and will give help to the varsity in the coming years. Other varsity team members include Wayne Solomon, Bill Summers, Phil McRoberts, Jamie Steele and John Benzin.

It seems that in the last copy of the bi-weekly we made the grave error that only four men would represent Idaho in the dual match against WSC. Well, we're properly informed now that in each of the dual matches Coach Dick Snyder will use six men and will then pare down to four for the Northern Division and for the Inland Empire Collegiate invitational to be held here this year.

In passing around the sports beat and pounding on coaches office doors we came up with a few odds and ends that may be of interest.

Track coach Joe Glander hinted the other day that he had plenty of material that wants to come to Idaho next fall but that he is having a difficult time obtaining athletic scholarships for them.

"Athletic scholarships" is the official name for them, but occasionally a coach will slip and identify them as athletic jobs, which is probably the most honest to goodness description.

Frosh baseball coach Wally Friel likes the looks of three of his yearlings, pitcher Doug Randall, infielder Knute Westergren and outfielder Duane Moore, among others.

Just before hustling back to the office we passed by Glander's office again—"Say, look here," he pointed to a sports page in a California newspaper, "If you want to be a track coach, California's the place to go. Here's a high school meet. A 9.7, 100. Who is that guy." And he files the athletes name.

Campbell Paces Idaho To Second Links Win

Idaho's golf team, by virtue of a win in the best ball end of its first Northern Division dual match here Saturday, handed Washington State a 14 1/2-12 1/2 loss for its second straight victory of the current campaign.

The veteran Bob Campbell captured medalist honors with a one over par 71 to lead the Vandal golfers. Idaho won the best ball while WSC gained a tie with the host club in the singles competition.

The Vandals travel to Seattle Thursday and Friday to meet Seattle University and Washington. Last season the Idaho team tied Washington 13 1/2 each for the first

impressive showing they have made against the powerful Husky club.

Larry Graft paced the Washington State team with a 74.

Idaho won the best ball with a 5 1/2 score to the Cougars 3 1/2. Teams of Wayne Solomon, Bill Summers and Tom Lindsey-Campbell each won 2 and lost 1 while Bob Adamson and John Benzin of Idaho broke even at 1 1/2-1 1/2 with WSC's Graft and John Hall.

Points in both the best ball and singles are given for finishes at the end of the first and second nines and for the total 18 holes. Campbell and Dave Powell each won three points in the singles by

leading at the end of both the front and back nines and having the lowest total score for the eighteen holes.

Other singles results included Lindsey 2-1, Adamson 1-2, Phil McRoberts and Benzin 0-3.

Coach Dick Snyder will take a seven man aggregation to Seattle. Six men will play in each the best ball and singles against the Coast schools. Team members driving Wednesday are Adamson, Benzin, Summers, Solomon, Lindsey, Powell and Campbell.

The next home match will be played May 6 with Oregon invading that date and Oregon State the following day.

UW Dumps Vandals Twice For Clean Series Sweep

SEATTLE — Washington's Huskies made it number three and four over the Idaho Vandals this weekend stopping the visitors 6-3 Friday and 15-3 on Saturday.

Earlier in the week the Huskies swept a double header at Moscow winning 12-6 and 4-3. The two clubs are the only ones in the Northern Division circuit to have seen conference action. All other schools have been idle due to poor weather.

In Friday's contest Vandal pitcher Dick Dodel tried to help his own cause by collecting three hits, one a double, to lead the losers at the plate. Dodel's early innings wildness led to his late innings downfall.

Washington scored twice in the first frame as Dodel walked four batters. The Vandals came back in the seventh to score one and the ninth to score two runs. Jack Ballard paced the Washington team from that point with three hits in as many appearances, one good for a double.

Flip Klefner, Idaho third baseman, got the game's longest blow, a triple.

In Saturday's game Washington crashed out 16 hits off four Vandal hurlers and the visitors committed eight errors. Aubrey Stephens started on the hill for Idaho and was relieved in order by Rocket Ranta, Dazzler Dave Cripe and Tommy Vopat.

Husky catcher Jack Brady socked a home run and a pair of singles to lead the winners hit parade. Sophomore Bob Reimer got the win.

Coubabes Rally To Pass Yearlings 10-7 In Opener

WSC frosh broke a 7-all tie with three runs in the bottom of the seventh to defeat the Idaho yearlings 10 to 7 in the opening game of their exhibition series. Three Idaho errors and a pair of singles accounted for the three tallies.

The Vandal frosh play host to the cross-state boys Wednesday afternoon at McLean field. The first scheduled game between the two clubs was called off Friday afternoon due to wet grounds at McLean Field.

Doug Randall started on the hill for Wally Friel's Idaho squad and gave up five runs in the three and two-thirds innings he pitched. Jim Branon took over on the mound for Randall and pitched until he had to leave the game with one out in the sixth because of a blistered finger.

Church Finishes Branon was touched for one run on one hit, while walking two. Clark Anderson relieved Branon and gave up the winning runs, receiving little support from his mates. Anderson was taken out with two gone in the seventh in favor of Kent Church who finished up the game.

Duane Moore of Idaho was the game's top hitter, slamming out two hits in four trips to the plate. Dennis Rask was the top stickler for the Cougar frosh with two for five. WSC third-sacker, Chaffey, hit the only extra base blow of the day, a triple with one man on base in the first inning.

Idaho had their big inning in the fifth when they scored four times on two base hits, singles by Jim Hbrockmorton and Moore. The junior Vandals committed a total of seven errors, four by second base Bill Wilson and three by catcher Larry Ward. WSC was charged with four mistakes for the local frosh, having dropped three previous exhibition tilts. Idaho 011 140 00-7 7 7

University golf coach Dick Snyder has issued a call to Idaho freshmen to try out for the frosh golf team this Saturday at 1 p. m. at the campus course.

Snyder said Tom Miller, an Idaho golf veteran, will meet with the prospects this weekend and will coach the team.

The varsity coach said that matches have been arranged for a four-man yearling team.

Delta Chi Edges ATO In Intramural Softball Thriller

Delta Chi squeezed one run across the plate in the top of the sixth inning to eke out an 8 to 7 victory over Alpha Tau Omega in the opening game of intramural softball.

Delta Chi took a 7 to 5 lead in the first five and one-half innings, but a pair of ATO runs in the bottom of the fifth tied the score and sent the game into extra innings.

Six games were played Monday. The original schedule was moved ahead one full week due to wet grounds. All teams will see action at least twice this week.

Vets Village, defending campus champs, will open their schedule this afternoon against Idaho Club. Beta Theta Pi came from behind scoring all their runs in the last two innings to down Sigma Nu 6 to 3, Monday.

In other opening day games Sigma Chi downed Phi Kappa Tau 10 to 8, and Kappa Sigma took a lopsided 13 to 4 win from Delta Tau Delta. Phi Gamma Delta recorded the highest score of the day romping over Lambda Chi 16 to 1. The present total point leaders, Phi Delta Theta swamped Delta Sigma Phi 15 to 0 to wind up the days' action.

Vandals Like New In Gray-Gold Uniforms

A recent \$840 athletic investment makes Idaho look like a baseball team.

In fact what could do the job better than some spanking new uniforms to replace ones used in the days when "Grandpappy" played ball.

The Idaho silver and gold is adorned this season in new gray, gold and black uniforms, 21 of them at \$40 each. Complete with the gray jerseys and pants came black hats with a gold "I", black stockings and a black belt.

On the front of the jersey is monogrammed "Idaho" trimmed in black and gold with a Vandal head on the left shoulder of the jersey. Ten inch numbers on the back add to the striking appearance.

Tracksters Nab 5 Firsts In WSC Loss

PULLMAN—Idaho's track team finally picked up a first place in Northern Division competition—in fact five of them—but that was the only consolation in a 9 1/2 to 36 1/2 loss to Washington State here Saturday.

At Oregon the week before the Vandal tracksters failed to garner an event winner. Wilbur Gary, fleet fullback and track sprinter, shined in the broadjump, tying a meet record.

Distance man Lou Gourley copped both the mile and two-mile, nipping the Cougar's Neil Rader at the wire. Gourley's firsts accounted for ten Vandal points.

Idaho's Gary tied a meet record in the broad jump set in 1937 with a leap of 23 feet 3 1/2 inches. Gary Dixon copped a first in the 440 and Buzz Hanson took a win in the javelin with a toss of 195 feet, 11 inches.

The Cougars swept the high hurdles, shot and discus events and the 440-yard dash and broad jump proved the Vandal's best events. In the 440 Dixon took first, followed by Henning Olsen. Gary won the broad jump and Larry Church grabbed a third.

The victory was the second in the division for Washington State. Idaho has lost two meets.
