### Tomorrow Is Cleanup Day

Tomorrow is the day for getting the campus all spruced up for the May Fete the following weekend. No lunches will be served by living groups Saturday afternoon. Instead, an all-campus picnic will be held on the Ad lawn if weather permits. If the weather is inclement, the picnic will be held in the armory of the Gym. Food will be furnished by the fraternities, sororities, dormitories and ASUI, according to Terrell Davis, work chairman.

It's a funny feeling with five weeks to go. ASUI elections marked the last big "kick" of the 1954-55 year for most students, outside of the June 5 activities, that is. McDevitt's picking new wallpaper for the Boss's office, Kieffner's boosting his batting average and the Argonaut will be picking a new staff within a month. Most of the planning coming up will concern summer events or next year's activities. The new Board will soon be laying ground work for the 1955 Homecoming, another big Dad's Day and maybe some plans for a WSC game victory rally.

The Beamin Seemin Lecture Course, Frankenstein, Dracula and the rest of our April Fool copy will be hitting the stands again—only this time it will be at WSC. All year the Evergreen and Argonaut staffs have been planning an exchange edition. Last week we got together and made plans for a May 6 pair of exchange editions. The Evergreen staff will take the Arg's helm and we'll go the long nine to the Evergreen's metropolitan offices.

And we're going armed too—armed with pictures and cartoons from the Horrornaut plus a drawer full of 1954-55 censored jokes. So let's see 'um expel Jason from WSC.

In reviewing the election results this year we recalled an incident that occurred in United Caucus about the time campaign wheels began to roll.

At a caucus meeting the United's were picking their Board slate. The Sigma Nus happened to have two prospective candidates. "Fair haired boys" the caucus called them. The Sigma Nus thought both their men were qualified for the Board. But the rest of the caucus nearly flipped. One and one only could be nominated from each living group, they said.

Too bad they have rules like that—the "fair haired boy" they didn't run went on to pull second place in the balloting under the banners of another party. And, the other Sigma Nu made it too. Guess the caucuses better get streamlined or give up—maybe they are through now. We'll wait and see what the new prexy says.

JC ground out an editorial on juvenile delinquency the other day and got an answer to it. The letter writer said that he "was in one of the biggest gangs in Oakland." He offered to write a printable letter if we publicly asked him to do so through the Fleece.

We're for it brother. In fact why don't you write an editorial telling how gangs operate in big cities, see how the problem looks from the inside.

### Bandung Meet Is Anti-Communist Says Gunewardene

India, Ceylon and other chief nations represented at the Bandung Conference are pro-western and will not fall to communism, the Ceylon ambassador told U of I students Wednesday.

R. S. S. Gunewardene, who spoke at a general assembly in the University Auditorium, is on a good will tour of Western states. He also addressed groups at Spokane and Pullman.

Nehru of India may appear leftist to the Western world because of his apparent softness to Red China and his neutral proposals, said the ambassador, but he is only being tactful. The East has a distinct way of doing things, and the United States shouldn't misunderstand its policies.

"Nehru is Western," said the ambassador. "His heart is in the West."

The purpose of the Bandung conference was largely psychological, he said. Leaders are trying to cement the people of the nations represented against Communism.

Ceylon's diplomacy, which stems from a democracy that is 2000 years old, has solved all its diplomatic problems, including independence from England, without one drop of blood shed, the ambassador said. Gunewardene said he wished other countries of the world would follow Ceylon's example.

The West can halt the threat of Communism in the East, not by military aid, but economic aid. Communism hits the "low" people, said the Ceylonese, and economic and social educational aid is the only way it will be stopped. Laws, founded on common grounds by whole societies, are the greatest peace force in the world, he believes.

### Lay That Pistol Down

Don't guess, we'll tell you. They're advertising tonight's Military Ball. Incidentally, the babes above are the new feature for the 1955 dance. One of them will be

crowned Queen of the Ball at intermission tonight. The finalists are Susie Oberg, Marcia Jensch, Sherie Fox, Shirley Byrne and Eleanor Horsman.

### Prof. To Fling Ice Cream May 46

A mystery "D" Day, faculty members mixing up milkshakes and a spring fling will be included in the SUB Week activities Wednesday, Thursday and Friday May 4-6.

May 4 is the "D" day, which will be announced Tuesday. Publicity chairman and SUB Committee Chairman Jane Rensberg would not disclose today what would happen in the SUB cafeteria on the mystery day.

May 5 and 6, University professors will serve up coffee, Cokes, milkshakes and other "coffee break" food for students. Different profs will be serving on the two days, 3:30-5:30 p.m. on Wednesday and Thursday.

The cotton-clothing "Spring Fling" Friday night, with premium door prizes to be given away, will climax the three-day activity session.

The Student Union Committee is sponsoring the week to encourage students to use the facilities in the SUB, which include ball and committee rooms, the dipper, bowling, shuffleboard, billiards and as the meeting place, official and unofficial, of many students during 11 and 4 o'clock classes.

### Prom To Feature Big Name Band On Friday 13th

Tony Pastor and his orchestra will provide the music for the Friday 13th Junior-Senior Prom to be held May 13.

Two o'clock permission has been obtained for the dance which will be from 9 to 1. Friday 13th will be carried out in the decorations and theme. Admission is \$3 a couple.

Dave Powell and Dick Denney are general chairmen; Fred Williams, Joe Corless and Don Bundy, publicity; Dick Gaskins, posters; Bill Bauscher, tickets; Vonda Jackson and Janet Campbell, programs and Nancy Leek and Cherrie Wood, decorations.

### Election Sequence Given In Report To Exec. Board

Mike O'Callaghan, Student Government candidate, was the only 1955-56 Executive Board member to be elected on the first ballot, it was reported by Jim Townsend, chairman of the Election Board. Townsend presented the full report of the April 20 elections to the Executive Board Tuesday night.

In the following ten counts no candidates received the minimum number of votes to be elected. On the twelfth count John Gillis, another Student Government party candidate, pulled enough votes to be elected to the Board. In the ten counts between electing O'Callaghan and Gillis the following people were dropped from the counting:

1. John Bahr (I)
2. Jody Keith (SG)
3. Dennis Thompson (SG)
4. Jim Russell (I)
5. Tom Warner (SG)
6. Bud Duffy (I)
7. Marcia Thornton (U)
8. Janet Campbell (U)
9. Jim Lynch (U)
10. Jim Kruger (I)

Also on the twelfth count John

Payne (U) was dropped. On the thirteenth count Dick Denney (I) and Dewey Newman (U) were elected and Jim Corbett (I) was dropped from the counting.

On the fourteenth count John Thornock (I), George Eidam (U), and Karen Lee Krauss (U) were elected. John Mix (U) was dropped from the counting on the fourteenth count.

On the last count, the fifteenth, Carol Rojan (I) and Dick Gaskins (I) were elected, Roger McPike (U) was dropped.

In the final tabulations the voting came out in this order, the top nine being elected to the 1955-56 Board.

1. Mike O'Callaghan, SG
2. John Gillis, SG

### Athletics Ousted Dramatics In For Awhile

Athletics has been ousted this summer at the University of Idaho. At least that is the case as far as the Drama department is concerned, because college actors will take over the athletic field house for the duration of summer school.

In connection with their summer theatre program, drama students will convert the field house into the old "New England Bar Theatre" for the eightweek session. Five major productions have been scheduled for presentation between June 13 to August 5.

A sophisticated British comedy, "Charity Begins," will be staged June 28 through the 30, announced Edmund M. Chavez, assistant professor of dramatics, and director of the production.

The plot of the play revolves around the young niece of an old well-to-do English family. The young girl falls in love with a play-boy who doesn't really love her, but who leads the innocent girl on.

An old aunt of the family finally makes her see the light and talks her out of running away from home and marrying her would-be lover.

The modern cast play, written by Ireland Wood a British playwright, has a cast of three men and six women.

According to Chavez, if enough people sign up for the summer theatre program, he will cast the play before school is out in June.

### Honorary Chooses Pietsch As Prexy

Gary Pietsch was elected president of the Idaho Alpha Chapter of Sigma Delta Chi at the journalism honoraries meeting Wednesday evening. He will take office for the ensuing year, replacing John Gillis.

Other officers elected were Jim Steele, vice president; Keith MacPhee, secretary-treasurer and Steve Emerine, historian. Dr. Granville Price was selected as next year's faculty advisor.

### Many Stunts Publicize Ball

Crowning four weeks of fast-moving and numerous activities, the Military Ball will be held tonight from 9-12 in the SUB ballrooms. Highlight of the all-campus semi-formal will be the presentation of the first Military Ball queen and princesses during intermission.

Many advertising stunts were climaxed yesterday by a rumbling ride about the campus for the five queen candidates in the National Guard's 16 ton weapons' carrier which hauled the Guard's 3 ton 105 mm. howitzer behind it. With siren screaming and march music echoing across the campus the ride ended in front of the SUB where Guardsman Sgt. Robert Cone maneuvered the 36 feet of vehicle and field piece into two parking spots.

Last week an airdrop of leaflets was made to give Idaho students a chance to get free admission to the ball. Twenty-five lucky numbers were selected from the nearly 1,000 numbered leaflets dropped. Those holding these numbered handbills will be admitted to the dance upon presenting the advertisement to the ticket sellers.

To give publicity an extra boost and to provide poster space for advertising the queen candidates, airplane parts were set out around strategic campus spots. Weather balloons, a propeller, a tall, a cowling and a cockpit canopy were used.

For the first time in the dance history a queen for the Military Ball will be crowned tonight, the selection being kept a secret until the intermission presentation through a saber arch. Col. James A. Moore, PMS&T will present the queen with a crown of rosebuds, a personal trophy and a traveling trophy for the queen's living group. The four princesses will receive personal trophies also.

Scabbard and Blade, which is in charge of this year's dance, nominated 18 coeds from whom five finalists were chosen. They include Sheri Fox, Alpha Phi; Eleanor Horsman and Susie Oberg, Kappa; Marcia Jensch, DG and Shirley Byrne, Gamma Phi. Voting will be concluded today for the queen (Continued on Page 2, Col. 1)

### Seniors, Pick Up Announcements

"The Board of Regents, the Faculty, and the Senior Class of the University of Idaho announce the 60th Annual Commencement Sunday Morning, June Fifth, Nineteen Hundred, Fifty-five at Ten O'clock in Memorial Gymnasium, Moscow, Idaho."

So read the graduation announcements for the graduating seniors this year. They are available for 12 cents apiece at the Student Union Bookstore. Bookstore officials said today they would appreciate seniors buying their announcements early.

### Regents Appoint Kraus To Head Ag. School

Dr. James E. Kraus, 45, a member of the U. of I. staff since 1941, will become dean of the College of Agriculture and director of the agricultural experiment station extension service here May.

The appointment, approved by the Board of Regents, was announced today by Dr. D. R. Theophilus, who has held the agricultural positions since 1946.

A native of Swink, Colo., Dr. Kraus studied agriculture at Colorado State College, graduating in 1932. He received his M.S. degree from the University of Wisconsin in 1934, and Ph.D. from Cornell university in 1940.

While working toward his advanced degrees, he served on the staffs of Wisconsin and Cornell.

His first assignment in Idaho was an associate horticulturist at the Aberdeen experiment station. In 1945, he became associate professor of horticulture and associate horticulturist of the experiment station at the University, rising to professor and head of the department of horticulture in 1948. Two years later he was made associate director of the agricultural experiment station, and has held that position to date.

### Board Members Discuss Tryouts Plan Cleanup

Cheerleader tryouts, the Election Committee report and plans for the all campus clean-up were the major points of the last meeting of the ASUI Executive Board. The 1954-55 Board's last meeting will be held May 3. The May 14 meeting (Wednesday) will be a joint meeting with the new Board.

Cheerleader tryouts will be held Tuesday, May 3 at 8 p.m. in the SUB ballroom. Pat Bartlett is in charge of the tryouts. Details can be obtained from her by calling 2423.

Jim Townsend gave the Election Committee report of the April 20 elections. The Board voted to make the report public and unanimously accepted it. (See story elsewhere on page 1)

Plans were made for the all campus clean-up to be held tomorrow morning. Board member Terrell Davis is work chairman for the event. The Board-sponsored picnic following the clean-up will be held on the Ad lawn. In case of bad weather it will be held in Memorial Gym.

## Kill The Roots

Yakima papers reported that the juvenile gunman who wounded one member of his family, killed another and fatally wounded a policeman was judged insane. Is this merely an excuse for the failings of our society in dealing with the problems of juvenile delinquency?

Drastic methods were taken in Oakland with their shotgun squads to quell "young hoodlums" who have gone berserk in crime waves which the chief of police says are being heightened by narcotics.

In the medical profession this is referred to as curing. But, there is not a doctor who does not subscribe to the principles of preventive medicine. Much as the new Salk vaccine is being administered to millions of American children to prevent polio before it infects the body, should new immunizations be given youth to prevent juvenile delinquency.

Of course, it is impossible to give youths some panacea shot which would immunize them against juvenile delinquency. In fact, it appears to be a good step to adopt another concept of preventative medicine—that if a member of the family is inoculated against a disease, that lessens the possibility of other members of that family being exposed to the disease.

The fight against juvenile delinquency needs to be waged within not just the juvenile group itself but in the important primary family group which sociologists say is the major molder of character.

After the factors contributing to juvenile delinquency are eliminated in the family group, a move can be made into secondary groups such as a club. Thus, much of the motivation to commit anti-social action in the secondary group will be discouraged. As agriculturalists have found with the morning glory, it doesn't do too much good to hoe off the top of the plant if the roots aren't killed. It goes right on growing. And so will juvenile delinquency if the root of the trouble in the family group isn't destroyed.

by the three ROTC corps. The University's new prexy, Dr. D. R. Theophilus, will lead this year's ball guests with Captain T. C. Thomas, Lt. Col. J. A. Moore and Major J. M. Hughes and Idaho and WSC faculty.

Decorations for the dance will revolve around three large emblems of the Army, Air Force and Navy. For the services displays will be set up. And also the military honoraries, Arnold Air Society, Eagle and Anchor, and Pershing Rifles, will set up replicas of their emblems.

Among the displays is a drone plane and a "power for peace" demonstration sent down by the Fairchild Air Force Base ground school. The Navy will set out a group of signal flags and knot and ship model exhibits. For the Army an exhibit of mortars, machine guns and field packs will be used.

Music for the semi-formal will be furnished by Eddie Aliverti and his orchestra. Tickets are on sale in the living groups and at the door of the dance.

Though anyone may attend the dance in civilian dress, ROTC cadets are encouraged to wear their uniforms to the ball. For Air Force ROTC this will include the blues with white shirt and black bow tie. Navy middies will wear their dress blues and Army cadets their olive-drab uniform (or pinks) with white shirt and black bow tie.

This year's committee is headed by Bill Erwin. Others are Dick Cook, decorations; Eddie Hudson, programs; Hubert Stein, band; Dick Cooke, refreshments; Joe Edgett, tickets and invitations and Joe Corless, publicity.

# Dinner And Dance Planned By LDS

The men from the Delt House and LDS house are busy planning their annual spring formal which will be held May 6. LDS will present awards to outstanding living group members at the dinner preceding their dance.

SAEs are leading a busy social life—last weekend they held their annual spring formal, this weekend they plan a cruise, and May 14 they will sponsor the Sig Alpha Olympics. Pi Phi from Idaho entertained Pi Phis from WBC last week at a joint Founders' Day celebration.

**KAPPA ALPHA THETA**  
Thetas were delighted to entertain Mr. and Mrs. Seale and family at dinner Sunday. Mrs. Seale, a Theta alum, will be moving back East soon with her husband and family.

Susan Emery was a Wednesday dinner guest.  
Shirley Henry and the Thetas extend thanks to the Kappa Sigs for a lovely serenade.

**LDS**  
The men of LDS house are planning their annual spring formal for May 6. Chaperones will be Dr. and Mrs. Tom Hopkins and Mr. and Mrs. George S. Tanner. Prior to the dance a banquet will be held at the SUB. During the banquet awards will be made to the outstanding members of the living group.

Planning the dinner and dance are Gayle Hix, social chairman; John Thornock, master-of-ceremonies; Lowell Magleby, decorations; Dee Grover, programs; and Keith Hincley, banquet. Leon Huber, house president, will coordinate the committees.

**DELTA TAU DELTA**  
All the Deltas are beginning preparations for the spring formal which will be held May 6. Chaperones will be Mr. and Mrs. Janssen, Mr. and Mrs. Pat Duffy, and Mr. and Mrs. Roland Byers.  
Dale Becker, who managed to have quite a long Easter vacation in the hospital, is back with us now and is attending most of his classes.

Deane Jolstead and George Beer are attending the National Delt Convention in the East. They are expected to return home by next Tuesday.

**SIGMA ALPHA EPSILON**  
The SAEs held their annual spring formal at the house Saturday, April 23. Eddie Alvetti and his band were featured music.

Congratulations to Lynn Robertson and Elenor Henry, who announced their engagement last Sunday at the Theta house.

Plans are underway for the Second Annual Sig Alpha Olympics. The date for the competition has been set as May 14.

A cruise on Lake Coeur d'Alene is scheduled for next Saturday. This is NOT a substitute for Patty Murphy Day!

Congratulations to Bedke, Swanson and Michels who downed the Kappa Sig representatives in a most unusual golf match Sunday morning.

**PI BETA PHI**  
Many thanks to the Kappa Sigs for their serenade Wednesday night in honor of Kathy Lavine, engaged to Larry Knight.

# Idaho Edged, Drubbed In Oregon Invasion

A pair of Oregon schools — the University of — and — State College of — lowered the boom on barnstorming Idaho Vandals Tuesday and Wednesday and kept the invaders record intact. Idaho hasn't won a conference outing in six starts.

The Oregon Ducks shut out the Vandals Tuesday 2-0 and Oregon State clobbered starter Dick Dodel for a 16-3 win on Wednesday.

(Results of yesterday's scheduled game with OSC was unavailable at press time).

Aubrey Stephens of Idaho and Terry Maddox got all wrapped up in a pitcher's duel in the Oregon game. Stephens yielded but five hits to the Oregon club, but four teammates' errors cost his one of the Duck runs.

Maddox fanned eight Vandals and scattered four hits for the win.

Errors and back to back singles in the fourth frame gave the home club their winning runs.

The game was the first of the season for the Ducks who had five contests rained out earlier. Snow flurries hindered action in the eighth frame but the two teams stuck it out to the finish.

The Vandal-Beaver battle was the season's opener also for the Corvallis club. Oregon State wasted no time in jumping on Vandal hurler Dodel for four runs in the first inning and six in the second. OSC regulars all got hits and four of them three each.

State starter Lowell Peace loaded the sacks in the fifth and sophomore Lynn Mohler came on to relieve. He quelled the fire and fanned nine of the 15 batters to face him from that point.

OSC connected for 20 hits off Dodel who went over seven innings and was then replaced by Dave Anderson in the eighth.

# Idaho Reserves Trim WSC Subs For First Frosh Win

Coach Wally Friel yesterday nominated Kent Church as his starting pitcher against the WSC frosh this afternoon. The game will be the first home appearance of the local frosh, their first scheduled contest being rained out. The game is set for McLean Field at 3 o'clock.

Yesterday, the frosh reserves picked up the team's first win of the season as they downed WSC yearlings 9 to 3 at Pullman. After spotting the Couababes a 3 to 0 lead in the first inning the Vandal Babes came back strong with single runs in the first, second and seventh innings, two in the fourth and four in the fifth inning to win going away.

John Pearson started on the mound for the junior Vandals but couldn't seem to find his control. Pearson left in favor of Larry Ward, after walking four batters and forcing one to fly out. All three WSC runs were charged against Pearson. Ward finished up the game and pitched good ball allowing the Couababes only 2 hits, both of them singles by Drummond. Ward walked two and struck out one.

Stan Oliver led the ten hit Idaho attack with three singles in three official times to the plate. Bob Falash and catcher Chet Hall both hit triples and Fred Burkman rapped out a double for the only extra base hits of the game.

by forfeit from Lambda Chi.

Tau Kappa Epsilon opened their season with a 12 to 7 win over Sigma Chi and Delta Tau Delta came back after being laced 13 to 4 on Monday by the Kappa Sigs, to down Beta Theta Pi 12 to 4. Dells conflicted for thirteen hits off Beta pitching. Ron Siple homered for the Betas for the games longest blow.

Another set of six games are on tap for this afternoon with the clash between SAE and Delta Chi being the top attraction. Both teams have won one and lost none.

Intramural director, Larry Golding, announced yesterday that Gamma Delta and Phi Delta Theta both won their second game in a row. Fijis downed Alpha Tau Omega 7 to 4 and Phi Delt's won

# SAEs Open Cup Defense With Win

Rain, snow and general bad weather continued to hold up play in intramural softball. All opening games in the independent leagues, set for Tuesday, had to be postponed because of the weather. These games will be played at the end of the regular schedule.

However, the weather held up enough on Wednesday to allow for the completion of six games. Sigma Alpha Epsilon, defending fraternity champions, successfully opened the defense of their title by pounding out a 15 to 1 win over Delta Sigma Phi. The loss was the second in a row for the hapless Delta Sigs. The SAEs pounded out a total of 13 hits off Delta Sig pitcher Roland Ashworth. Ashworth led to his own downfall by issuing nine bases on balls. Don Atkinson hurled four hit ball for the winners, racking up six strikeouts. Don Westfall of the SAEs hit the only home run of the game.

Phi Kappa Tau came from behind a 3 to 0 deficit to squeeze out a 5 to 4 win over Kappa Sigma in the closest game of the day. Kappa Sigs jumped off to a 3 to 0 lead in the first frame but the Phi Taus came back with one run in the second, two in the third and one each in the fourth and fifth. Dick Flynn handled the pitching chores for Phi Taus and Jim Lynn for the Kappa Sigs.

In other Wednesday action, Phi Gamma Delta and Phi Delta Theta both won their second game in a row. Fijis downed Alpha Tau Omega 7 to 4 and Phi Delt's won

# Idaho Meets WSC Monday In 1st Series

Idaho will host Washington State Monday afternoon at 2 at McLean Field as the two Palouse rivals get together for the first time this season.

The two squads the next day meet at Rogers Field in Pullman.

Both Washington State and Idaho have been on the road the past ten days. The Cougars dumped Washington twice and had games with Oregon State and Oregon rained out. The two wins put WSC at least in a tie for first place.

Idaho's starting pitcher will probably be the lefthander, Aubrey Stephens. Ron Webb, is a likely starter choice for Coach Buck Bailey.

# Can't Beat The Weather, Stahley Finds Out After Delaying Tactics

By JOHN B. HUGHES  
Sports Editor

"This is the last time I'll ever start spring practice March 15. Next year I'm going to start it when we'll have some decent weather. About April 15."

That's what Skip Stahley said last year about this time when the Vandal football team wound up spring drills. And now its nearly the first of May and Stahley is wondering when the sun will shine upon his playing field. Through

Wednesday the Vandal grid prospects hadn't had a single ideal day and four practices were cancelled. Snow, rain and wet conditions were the primary reasons for calling the practices off. After tonight's practice, the Vandals will have reached the midway point, but have but one day leeway for postponements of further drills. Stahley must get 20 sessions in in 30 days. The final day will be May 12. Drills now will end May 11, if all goes well.

Coach Al Kircher at Washington State has had serious troubles, too. Not until Wednesday, after two cancellations, did the WSC club get their drills underway. Kircher now faces the problem of finishing drills before final examination studying interferes, or the other way around.

The Idaho drills are basically about the same at each session, with varying stress on defense and offense. Stahley and assistants take their respective groups aside for an hour for specialized treatment, then bunch the squad at the end of the practices for scrimmage practice.

Although the Vandal coach has 17 veterans still around for the 1955 club, he has a teaching job to do. Freshmen and a few transfers, who will play important roles in the Vandal machine this fall, need work on the complicated system.
