ARG. ROUNDUP  
COMING MAY 27

# The Idaho Argonaut

VOL. 59, NO. 60 THE IDAHO ARGONAUT, UNIVERSITY OF IDAHO TUESDAY, MAY 16, 1955

## Argonaut Has 91% Readership

Approximately 91 per cent of the students, faculty and staff of the University of Idaho are readers of the Idaho Argonaut, according to a readership study recently completed by the students in journalism 188 under the direction of Dr. Granville Price, chairman of journalism here.

Out of a list of interviewees compiled by marking every tenth name in the Kampus Key, 89 per cent of the men and 93 per cent of the women were readers. The information was found by going over past editions of the paper, item by item, with the interviewees.

**Page Readership**  
"Of those who read the paper, nearly all are cover-to-cover readers," said Dr. Granville Price. Readership of the pages was as follows:  
Page 1, men, 97%, women, 100%  
Page 2, men, 95%, women, 97%  
Page 3, men, 90%, women, 96%  
Page 4, men, 95%, women, 93%  
The issues of March 11, 15, 18 and 29 were surveyed by the journalism group.

**The GOLDEN FLEECE by Jason**  
Tonight the new ASUI Executive Board will hold their first business meeting. Their first move will probably be to elect a vice president of the ASUI. There is no set rule to get this position—the Board just votes and that's it. Our guessing machine picks Mike O'Callaghan as the guy most likely to get the vice's job. The Irishman was first in the Executive Board voting this spring and was almost half of the Student Government Party's voice during campaigns. But a Board loaded with independents might balk and put one of their own clan in the chair. If the pickin' goes this way then it's Dick Denny by a landslide. And if O'Callaghan wants to back out of the job there's a chance for the new party's John Gillis.

Summing up it looks good for a Student Government veep because their party can draw votes from both camps and one of their men drew the top number of votes in the election. Anyway, lots of luck to the new Board. They have plenty of bridges to cross between now and next April. Incidentally, the new Argonaut editor for the 1955-56 year will be announced in Friday's paper. With this choice the total membership, including ex-officio members, of the new Board will be complete.

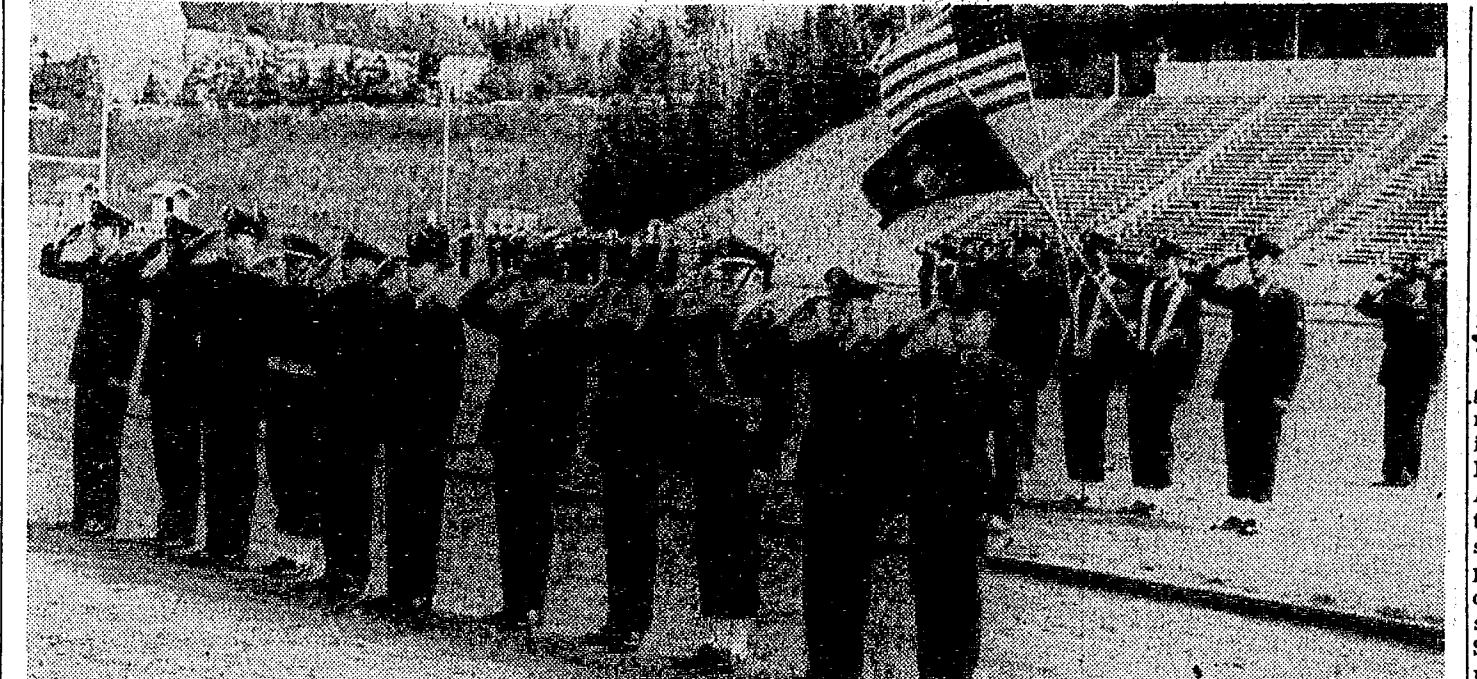

The mail from Pullman has been full of surprises ever since we put our edition out over there May 6. To date we've received four juicy letters. One was signed by 10 WSC coeds, another by eight more and one was a ditto sheet carrying an unpublished letter to the WSC editor. The author of the latter sheet complains that the Evergreen was made to "heel" by the administration because of the Idaho edition. The writer apparently submitted his letter to the paper and someone told the paper not to print it—so he put it on a ditto machine and did it himself. It reminds us of the Third Floor Zoo caper this fall when some students thought we basketed their letter. The next day, along with the Argonauts came a mimeographed supplement displaying the said letter. Anyway, it look like things are still popping across the line—not especially over our edition but over the general policy between the College administration, the student government, and the Daily Evergreen.

Interviewees were also queried on any critical comment they might have of the paper. Since the comment was varied it was impossible to catalogue it on the IBM tabulation. However, it was roughly put into categories with the following results:  
**Concerning:**  
Jason or Fleece, 11 per cent men, 14 per cent women.  
Dear Jason, 6 per cent men, 9 per cent women.  
Editorial Criticism, 13 per cent men, 11 per cent women.  
News Policy, 20 per cent men, 14 per cent women.  
Jokes, 9 per cent men, 22 per cent women.  
Working on the survey were Charles Alford, Ruth Brede, Betty Brooks, Steve Emerine, Marie Ingebrisen, Marilyn Meils, Tom Neal, Gary Pietsch, Harry Platt, Jane Querna, Harvey Scott, Art Schmauder, Ray Sipes and Fred Williams. The final tabulations were made on the IBM in the University College of Business.

**Readership of the "Golden Fleece"** was 76 per cent for men and 71 per cent for women. "Dear Jasons" rated 64 per cent for men and 60 per cent for women. Editorials were read by 54 per cent of the men and 46 per cent of the women. "Take Five" was read by 60 per cent of the men and 27 per cent of the women. Pictures on page one received 89 per cent of the male readership and 96 per cent of the female readership. Sports page pictures were seen by 87 per cent of the men and 88 per cent of the women. Jokes were read by 57 per cent of the men and 50 per cent of the women.

## Gentry Is New Leader Of ASAE

Jerald Gentry was elected president of the Idaho branch of Auto-  
motive Society of Agricultural En-  
gineers for the coming year. Lee  
Allen was elected secretary-treas-  
urer. Peter Van Houten and Dave  
O'Harrow were selected as first  
and second choices for the Stu-  
dent Honor Award.  
The date for the annual picnic  
and softball game was tentatively  
set for the afternoon of Sunday  
May 22.  
The speaker for the evening was  
V. I. Myers, whose topic was "Op-  
portunities for Agricultural Engi-  
neers in the soil and water fields."  
Colored slides were shown on the  
subject.  
It was reported that the ASAE  
booth placed first in the Little In-  
ternational Show.  
Coffee was served after the meet-  
ing.

### Dudes Brave Rain Ride Trail Again.

Many were the people who had  
a sore spot to remind them of their  
excursion to the wild west when  
the Vandal Riders sponsored a trail  
riding breakfast held at the barbe-  
cue pits behind the field house Sat-  
urday. Approximately 90 people  
showed up. According to Gail  
Wolverton, "The breakfast and  
trail ride was a big success, con-  
sidering the weather."  
Breakfast consisted of pancakes,  
bacon and coffee. Food for the  
breakfast was donated by Moscow  
Foods.  
After eating, the brave dudes  
went on a trail ride around the golf  
course and ended at the Ad lawn.  
One dude was especially brave. He  
had never been on a horse before  
and finally got up enough courage  
to make the fatal plunge. He made  
it as far as the golf course and  
was soon sighted leading his horse  
back to the barbecue pit.  
Another young lass attempted the  
journey bareback.  
The Vandal Riders wish to thank  
everyone who braved the elements  
to enjoy themselves in the wild  
and woolly west. Special thanks  
also goes to Mr. and Mrs. Mick  
McCarthy who participated in the  
outing.  
Larry Carson and a couple of  
Kappa pledges tried to ride the  
mules but the mules just didn't  
want to be ridden and just contin-  
ued with their breakfast.  
The trail ride wound up about  
noon. Vandal Riders plan to make  
this an annual affair.  
Horses were donated by various  
people around the community.

## Normal School Ready To Accept Fall Applications

"We are ready to accept appli-  
cations at Lewis-Clark Normal  
school—both for registration and  
for scholarships," said Dr. H. Wal-  
ter Steffens, executive dean of the  
University of Idaho who has ad-  
ministrative charge of the Lewis-  
ton institution.  
"The people of Lewiston and  
other friends of Lewis-Clark have  
been most generous and coopera-  
tive in getting behind the scholar-  
ship program," said Dr. Steffens.  
"A large number of \$100 scholar-  
ships are to be made available to  
worthy and needy students. It is  
not known at this time, however,

exactly how many scholarships will  
be available, and students seeking  
financial aid for their college edu-  
cations should get their applica-  
tions in early to be sure they do  
not miss out on the opportunities  
offered." Letters of inquiry should  
be sent to Lewis-Clark Normal  
school, Lewiston, Idaho.  
Dr. Steffens also stressed the im-  
portance of early applications to  
register.  
"Opening of Lewis-Clark Nor-  
mal school is a pioneering venture,"  
he said. "We will be better able  
to chart our course if we have an  
early idea how many students the

school will serve during the com-

## What young people are doing at General Electric

### Young scientist works on new ways to handle "hot" radioactive fuel

Whenever uranium is "burned" in an atomic reactor, certain valuable elements such as plutonium are left behind in the "ash."  
These products are highly radioactive, but they must be recovered because of their great value to the atomic energy program.  
This is the job of 31-year-old H. Ward Alter, Supervisor of the Separations Chemistry Unit at the AEC's Knolls Atomic Power Laboratory, which General Electric operates in Schenectady, N. Y.  
**Alter's Work Is Vital, Important**  
Alter is doing his job well. He has already received the Coffin Award, General Electric's highest honor, for developing an apparatus that makes possible faster, safer, and more efficient recovery of the valuable elements in the "ash."  
The work done by Alter and his group helps lower costs, increase efficiency and expand our knowledge of the chemical processing of spent radioactive fuels.  
25,000 College Graduates at General Electric  
When Alter came to General Electric in 1948, he already knew the work he wanted to do. Like each of the 25,000 college-graduate employees, he was given his chance to grow and realize his full potential. For General Electric has long believed this: When fresh young minds are given freedom to make progress, everybody benefits—the individual, the company, and the country.

H. WARD ALTER joined G.E. in 1948 at Knolls Atomic Power Laboratory after receiving a B.A. in 1943 and Ph.D. in Chemistry in 1948 at U. of California. He served with the Manhattan Project at Oak Ridge, 1941-46.

## Engagements

### MUIR-MULBERRY

At Saturday dinner, Nancy Mulberry, Hays Hall, announced her engagement to "Lefty" Muir.

Nancy is a freshman majoring in secondary education from Idaho Falls.

"Lefty" is from Chehalis, Wash., and is a sophomore at Centralla Junior College. His major is architecture. He attended school here last year and plans to return next year.

No wedding date has been set by the couple.

## WSC, Whitman And Idaho Tie

Each of three forensic teams won and lost two debates in the last forensic event of the 1954-55 season when Idaho met Washington State College and Whitman College at Walla Walla.

The win-lose record resulted in a three-way tie for first place with each school winning four and losing four debates.

The Idaho teams have participated in 170 debates this year, winning 65 per cent of them.

Sunday the Sweetheart dinner was held honoring girls and their sweethearts. Those attending were Jim Gowenlock, Jim Cory, Dick Brown, Aubrey Stevens, Lauren Hicks, Burt Underwood, Bill Clunder, George Burshide and Bob Falash. Entertainment was provided by Marigay Nelson and Nan Soden.

Saturday and a closing program by province Secretary Mrs. Campbell. A farewell breakfast was held Sunday morning.

Tina Libby rescued Jim Sandburgh from the Phi Delt pledges Friday noon.

**HAYS HALL**

Thanks to Sonja Holsath for all the work on the dinner-dance.

Last Monday morning at 2 a.m. the freshmen "peacefully" awakened the seniors and led them downstairs for the annual tubbing. Suddenly things were not so peaceful anymore. Also on the tubbing list was Joanie Jaborra, engaged to John Eikum.

Best wishes to Nancy Mulberry and "Lefty" Muir, who announced their engagement last Saturday.

Guests during the week were Hildegard Buyny from Weiser, Idaho; and Marilyn Wagstaff and Karen Walker, Boise. Mr. and Mrs. Jack Riddlemoser were Sunday dinner guests.

**KAPPA KAPPA GAMMA**

Last Wednesday night an initiate exchange was held with the Sigma Chi initiates. To add a little variety to the exchange everyone dressed to depict the character of their suppressed desire. We are wondering if they were all really suppressed desires. Does Jerry Ross really want to be a minister?

Thursday night a buffet spaghetti feed was held for the alums. This event is an annual function with the alums.

Guests during the week were Dick Merrill, Denny Hague, Cliff Scarff, Pete Morbeck, Jim Pieratt, Dick Lint, Jane Bonham, Pat Dollam, Alice Mozelle, Marlene Tibbles, Marilyn Martin, Annette McDonald and Gordon Howard.

# Take Five

John B. Hughes

Five big decisions will be made this weekend in Northern Division sports. Number one locally is whether the Idaho Vandals can win a baseball game this season.

Also, will the Vandals rack up their first golf crown as they host the conference Northern entries in the annual meet. Knowledge of the course will be in Idaho's favor.

Regarding last issue's track predictions we were not only off in our score by some margin but way off in the actual entries. The latter brings up the point that the coaches weren't too co-operative by changing certain entries and adding men to the traveling list.

We got the whole idea when we received a Washington press handout which revealed the times, distance and height records for the Husky trackmen and then compared them to Idaho's showings thus far in the season.

Stan Hiserman entered several men in events not listed on the handout and Joe Glander stuck Lou Gourley in the mile when he had said earlier that the distance runner would run in only the two mile to see what he could do in

# Gourley Cops Mile, Two Mile In Iron-Man Performance

## Ex-Vandal Picks Beavers To Take Diamond Crown

Ed. Note: Mr. Cygler, a former Idaho baseball player, was asked to give the Argonaut his opinion of Friday's Oregon State-Idaho baseball game and the Northern Division pennant race.

By MIKE CYGLER  
The Oregon State Beavers left the Palouse Sunday night with an unblemished record and batting averages that you would have to take a second look at to believe. They defeated the Cougars twice, scoring 24 runs in the first game, and 9 runs in the second. They then belted the Vandal hurlers for 13 runs, and were unfortunate in having the second and last game with the Vandals rained out.

Led by All-American Jay Dean, the Beavers are expected to win the Northern Division without too much trouble from any of the other four clubs. With such outstanding players as Bobby Boub, a New Jersey lad, and Phil Jantze and Jerry Evely I would place my money on the Beavers, and believe it to be a safe bet.

Friday's game with the Beavers turned out to be as expected, that is the Vandals started out great but ended in usual fashion with the Beavers scoring seven runs in the last inning. Kleffner was the big gun for the Vandals, getting three hits in five times at bat. His second hit being a home run, well over the rightfielder's head. The Beavers collected 16 hits to totally, and hit two home runs, one each by Bob Boub and Phil Jantze.

The Vandals have an excellent chance to cop the golf crown if Bob Adamson and Bob Campbell play their usual superb rounds and the third and fourth men on the Vandal club, probably Bill Summers and Dave Powell, turn in respectable rounds, who knows, Idaho might make golf news.  
Oregon and Oregon State each year come up with good squads. Idaho has beaten them both on the Vandal course and laid out WSC here. A question mark is Washington's strength when they travel here. The Huskies beat Idaho 20-7 at Seattle.  
The fight between Oregon and Washington State should be a good one.

Said one deer to the other, "Gosh I wish I had the doe he's got."

## Husky Depth Too Strong As Vandals Lose 87-44

Iron-man Lou Gourley won both the mile and two mile Saturday but Washington had too much depth for Idaho and won their dual Northern Division track meet 87-44 while over the bar at 13 feet one inch to set a new meet record bettering the 13 feet mark held by two Idaho men and a Husky vaulter. Dave Martindale, Idaho 1952; Bob Lattig, Idaho 1947 and Charlie Bringham, Washington 1951, all cleared 13 feet.

In the two mile race Gourley finished better than 200 yards ahead of his competitors but had to sprint the last stretch of the mile to overtake Dick Hammermaster, also making a strong finish bid.  
Next meet for both schools will be the Northern Division at Seattle Saturday.

Coach Stan Hiserman of the Huskies, making his first trip to Idaho since taking over at the Washington helm after cinching eight years at Idaho, brought with him a wealth of material.  
Bob Leadbetter sprinted to a win in the 100 and 220 yards low hurdles and Henry Banks won both the 220 and 440 runs. Dean Singer took point honors for both teams with wins in the high jump and 120-yard high hurdles and a second in the low hurdles for 13 points.  
Washington won ten of the 15 first places and swept the low hurdles and shotput.  
The visitors from Seattle apparently were accustomed to inclement weather as it didn't seem to hinder their winning times. Weather in Seattle is comparable to that experienced at the Saturday meet, while Idaho has had near ideal weather for workouts the past two weeks. Bill Bauscher, Duane Hodgson and Nick Speropolus were the other first place winners. Hodgson beat Buzz Hanson, regular javelin winner, in that event with a heave of 185 feet 10 inches.

Bauscher bested Wilbur Gary in the broadjump and Speropolus' 140 feet effort in the discus was best. Idaho had figured to take firsts in the 100 and 440 and possibly the 220 but Gary lost out in the century to a final 25-yard spurt by Leadbetter and Dixon ran out of gas after being paced by one Washington runner then overtaken in a brilliant lust by Henry Banks.  
Gary complained of a sore leg prior to the meet and it hindered him in both of his specialties — the 100 and broadjump.  
Husky vaulter Jim Hilton edged

# Betas Grab Horseshoes On Arlen Chaney's Win

Arlen Chaney, Beta, defeated Dean Jewett, Delta, to give the Betas the intramural horseshoes crown last week. The winners picked up 100 points to bolster their third place standings.

Phi Deltas, who placed only ninth in the horseshoe play, held on to their lead for intramural point honors with 1,274 with the release of total points through horseshoes. Sigma Chi, with 91 points in horseshoes, made the biggest jump from seventh to fifth dropping Sigma Nu to sixth. Chrisman Hall fell from sixth to eighth.

Willis Sweet, Betas, and Fijis took the intramural softball lead in their leagues. Fijis are unbeaten in League 2 and Sweet and Betas have five-one records in Leagues 3 and 1 and Campus Club 2. Lindley Hall 2, Idaho Club 2 and Vet's Village 2 are all tied with three wins and two losses for

the League 4 lead.  
Wednesday Lindley Hall 2 clubbed Sweet 2 21-12 in a wild scoring spree. Other winners included Sweet 1 over Lindley 1 4-0, Vet's Village over Idaho Club 1 13-5, Chrisman 1 defeated Campus Club 1 16-3, Vet's 2 stopped Idaho Club 2 14-5 and Chrisman 2 edged Campus 2 9-8.  
Vet's 2 rallied Thursday to down Idaho 2 3-1 for their third win. Other action found Sweet 1 beating Vet's 1 11-9, Campus 2 stopping Lindley 2 14-10 and SAE, Sig Chi and Deltas winning by forfeit.

At Pullman, the always favored University of Washington will return to haunt the other schools in tennis. Idaho is out of the question, but the Huskies could find competition from any of the other four schools.  
The Vandals meet Washington State in baseball at Moscow and Pullman Friday and Saturday. WSC has nothing to lose as far as final position in the race is concerned—they're a sure shot for third. But they will try to hang a pair of losses on their winless cousins just out of spite.  
If the Cougars are to be stopped, Aub Stephens is the chucker to stop them. The other game, Idaho won't have the pitching depth to win.

The Vandals have an excellent chance to cop the golf crown if Bob Adamson and Bob Campbell play their usual superb rounds and the third and fourth men on the Vandal club, probably Bill Summers and Dave Powell, turn in respectable rounds, who knows, Idaho might make golf news.  
Oregon and Oregon State each year come up with good squads. Idaho has beaten them both on the Vandal course and laid out WSC here. A question mark is Washington's strength when they travel here. The Huskies beat Idaho 20-7 at Seattle.  
The fight between Oregon and Washington State should be a good one.
