Legion Asks Idaho To Cancel Hutchins

The University of Idaho has been asked by two Northern Idaho American Legion districts to cancel the scheduled January appearance of Dr. Robert Maynard Hutchins, former president of the University of Chicago, as a speaker at one of this year's public events assemblies.

It is believed by these two districts that "the record of Dr. Hutchins," new president of the Fund for the Republic and associate director of the Ford Foundation since 1951, "has rendered him unsuitable for such appearances before our students" and "that appropriate action (should) be taken to result in the cancellation of his appearance."

Identical resolutions were passed to this effect by Legion and Auxiliary members holding district conventions in Coeur d'Alene Saturday, and at Genesee Sunday. They backed a stand taken by Seaborn P. Collins, national commander, who earlier this fall called the Fund for the Republic a supporter of anti-American doctrines.

President's Reply

Late yesterday afternoon, President D. R. Theophilus issued the following statement in reference to the American Legion's resolution:

"The Faculty Public Events Committee at the University of Idaho has long had the responsibility to review the recommended speakers for public events programs. This committee is composed of competent and conscientious members, and its unanimous recommendation that Dr. Robert M. Hutchins, an outstanding speaker on education be engaged was made months ago after careful review of available speakers offered by national speakers' bureaus.

"This recommendation was approved by me and in turn by the Regents of the University. Available evidence and the reception given to Dr. Hutchins at other institutions throughout the nation, and the fact that four other schools in the Northwest have contracted his services for the coming year do not indicate justification for cancellation of the talk.

"If there should arise need for review of the matter, it would again be referred to the Public Events Committee for recommendation. The University is operated on democratic principles, and we have every confidence in the personnel to

act in the best interests of the State of Idaho."

D. R. Theophilus
President
University of Idaho

Dr. Hutchins was engaged to speak on the subject of education several months ago upon the recommendation of the public events committee of nine faculty members and one student representative, according to Rafe Gibbs, University director of information.

"This was long before present controversial issues were raised by the national commander of the Legion," he added.

Comes As Surprise

The action in asking the University to cancel Dr. Hutchins as a scheduled speaker comes as a surprise, said Gibbs.

The resolution passed by the North Idaho meetings declared that Dr. Hutchins' "public utterances and testimony before Congressional investigating committees have indicated that he and his associates are trying to propagandize Americans into believing that:

1. Communism never has been and is not now a serious danger to this country;
2. Sinister forces under the pretext of fighting communism are the real danger and threaten the civil liberties of all Americans;
3. Security measures are un-American and are being used to harass and persecute innocent people;
4. Intelligent and educated people are aware of these things, but are opposed by the ignorant who are being misled by evil demagogues.

Leading Educator

"He is considered to be one of the world's leading educators, and certainly universities and colleges would be interested in hearing him. Until the national commander of the Legion recently criticized pamphlets put out by the Fund for the Republic there had not been any question of Dr. Hutchins personally, but of the organization," said Rafe Gibbs.

Dr. Hutchins went to the Ford Foundation "with the distinction of having served as head of a major university longer than anyone in this country. For 22 years, from

Official Notice

Students with routine health problems were requested by Dr. Ralph Alley today to visit the Infirmary at times other than Thursday afternoons or Saturday mornings.

The request was prompted by the fact there is only one doctor on duty in the Student Health Clinic at those times. Two doctors are available at other times during the week except Saturday afternoons and Sundays.

But Dr. Alley stressed that emergency cases will be seen at the clinic at any time.

July 1, 1929, until he came to the foundation in early 1951, Hutchins was chief executive of the University of Chicago," said Gibbs.

He added that he also served as chairman of the board of editors of the Encyclopedia Britannica, Inc., and as editor-in-chief of "Great Books of the Western World." Gibbs also said that Hutchins made the decision which brought the work on the atomic bomb to the University of Chicago, where the first controlled nuclear reaction was achieved Dec. 2, 1942.

59's Mixer Is Called A Success

"It was a terrific success," said Karen Lee Krauss, executive board member in charge of the frosh mixer held Friday in the SUB. She also stated that it was the first time in the past three years that she had heard enthusiasm by both boys and girls about this type of dance.

About 750 students crowded the SUB hall rooms to attend the first all campus dance of the year which featured Wally Johnson's campus orchestra.

Karen Lee stated that the dance committee, consisting of Judy Crookham, Carol Warren, Pat Friend, and Mike Patton, greatly appreciated the cooperation of the living groups. She said that there were enough girls to go around.

The intermission entertainment was furnished by Laird Monomery who sang "Lover Come Back" and a group of Beta pledges who presented a Skit called "Rush Week 1955."

Trade Specialist Due Here Oct 12

Stanton S. Von Grabill, vice-president of the American Institute for Foreign Trade, which is located at Phoenix, Arizona, will be at the non-resident office the morning of October 12 to interview students who are interested in studies of this program.

Dr. Robert Hosack, assistant dean of letters and science, urges those students who are interested in foreign trade to attend these interviews.

HERE WE HAVE IDAHO

Featured this week on Here We Have Idaho will be: Homecoming, the Lewis and Clark Sesquicentennial by the Homecoming Committee, Jim Lyle, Dr. S. Rolland, the Vandaleers and the concert band. Athletic program: John Mix and Robert Gibb speaking on football.

Four Students Injured In Sunday Auto Mishap

One University of Idaho student was hospitalized and three others were injured in a Sunday morning auto smash-up four miles west on the Pullman-Moscow highway.

14 ROTC Seniors Named As Tops In Idaho Corps

The University of Idaho detachment of the Army ROTC today announced the list of 14 senior students in the advanced program as Distinguished Military Students. The announcement was made by Lt. Col. James A. Moore, PMST, and approved by President D. R. Theophilus.

The fourteen men were tentatively designated DMS students at the end of their junior year and were observed during summer camp. The Army staff then reviewed the students' military, camp and academic records before arriving at the final list.

In order of merit the group includes, William A. Bauscher, Spencer R. Miller, Richard A. Cook, Richard E. Cooke, Danny E. George, Dean A. Holt, Neal K. Powell.

Others named were Charles D. DePalmo, Don Atkinson, Stanley R. Pearson, William B. Bonnett, Tommy L. MacGregor, Donald L. Nielson and James E. Faulkner. The group will be distinguished military graduates and are eligible for regular army commissions, Col. Moore said, if their performance is in accordance with the staff's justifications.

Sky Calls 8 Airmen

Flying high overhead executing basic maneuvers from pylon turns to high speed stalls are eight new members of the Vandal Flying club, now learning the art of sailing through the blue.

Those who entered the club this fall are Earl Brace, Bob Donner-wirth, Alice Emery, Byron Hansen, Larry La Rue, Larry Looney, Bob Schreiber and Joe Wilson. Most of the prospective pilots have had their first hours of dual instruction and are on their way to earning a private license.

Jim Hanzel, club proxy, and Rick Jones, secretary, stated that there are still one or two openings for membership in the club. Those interested are welcome to attend the next meeting scheduled for 7 p.m. Thursday in the AFROTC building.

Jones also reported that the flight scheduling board has been set up in the check room of the SUB for members wishing to reserve the plane.

Queen Finalists Visit Men's Living Groups

Preparations enter the final week before the big Homecoming celebration in Moscow this coming weekend. Finalists are now visiting the men's living groups awaiting the selection that will be held Thursday noon.

There has been a change in voting procedure for the students living in the Vet's Villages. These students will vote in the ASUI office between 12 and 1 o'clock, and male students living off campus and not affiliated with living groups on campus.

Male students on campus will vote in their respective living groups when the Spurs distribute the ballots. Each man will receive only ONE ballot. Men must be in their living group to vote.

The finalists will participate in the parade to be held in Lewiston Friday morning.

Finalists Are Upperclassmen
Three of the finalists are seniors and the other two are juniors. All of the finalists have been active in various activities on campus and off. Included among these activities are:

Jan Avery: Senior from Clarkia, living at Hays. Her activities include: Secretary of the Northwest province of the Newman club, AWS representative from her hall, publicity chairman of ASUI dance committee last year, member of hall's exec board, and ICC member.

Sally Ghiglieri is a junior from Redding, Calif. She is a Delta Gamma and her activities are: Cheer leader for two years, Holly Queen finalist, member of Helli-divers and member of the Recreational Committee.

Janet Campbell is an Alpha Chi from Emmett. She is a senior and has been active in: Home Ec Club,

Junior Class secretary, Secretary of Lambda Delta Sigma, vice-president of Alpha Chi and Holly Queen.

Susie Oberg is a Kappa senior from Sandpoint. Her activities include: Dads' Day committee, past treasurer of Helli-divers, member of WRA, Campus Chest committee, Student Social Coordinating Council and pom-pom girl.

Shirley Blick is an Alpha Phi junior from Castleford. She has been a pom-pom girl and worked on KUOI. In her house she is active in the role of historian and social chairman.

Decorations Asked
Homecoming activities will include a dance Saturday night in the SUB. Living group presidents are asked by Fred Burrow, Homecoming dance chairman, to furnish uniform decorations.

Instructions are to make one replica of a pattern which will be furnished, for each parent or alumnae. On the body of the decoration, letter the name of the visitor in the case of alums, their graduating class. Return the finished product to the ASUI office not later than noon Saturday, October 8.

These decorations will be placed around the ballroom by the IKS and may be kept by the guests as souvenirs.

On Saturday morning, the Mortar Board Alum breakfast will be held in the north ballroom of the SUB from 8 to 9 a.m. Dress will be informal. All Mortar Board Alums are invited to bring guests to the breakfast.

During the half-time of the game Saturday, Governor Smylie will crown the Homecoming queen. It is also probable that Life photographers will be present. Other half-time activities will be the University of Idaho and Lewiston's marching bands.

HELP WANTED
Student Union manager Jim Bowly has asked for workers in the SUB cafeteria and game room to contact him at their earliest convenience.

Interviews
The ASUI executive board announced today that interviews will be held for persons interested in working on the Student Union Committee tonight at 7 in the executive board room.
The Student Activities Council will interview prospective members for the Dad's Day committee at 7 Wednesday in the Exec board room.

'Don Juan' Draws Big Crowd Mon.

Kurt Kasznar, Ricardo Montalban, Mary Astor and Reginald Denry supplied a brilliant performance to a packed house at Memorial Gym last night at 8, enacting George Bernard Shaw's "Don Juan in Hell."

Mary Astor played Donna Ana; Reginald Denry, Ana's father; and Ricardo Montalban completed the cast as Don Juan.

Utilizing a bare stage, and, making use of her ability to add emotion, strength, and drama to a production, Miss Agnes Moorehead, directing the play, presented an impressive and worthy performance for the audience.

Approximately 70 students and faculty members attended the open house at the International House Sunday afternoon. Prior to the open house a short meeting was held in Conference Room B of the SUB, presided over by Bernie Henderson, president.

Chamkaur Brar, vice president, gave the welcome to new students, outlining the activities and functions of the club. Dr. Robert Hosack, chairman of social sciences, outlined the function and organization of INHC (International House Corporation).

Dr. Theophilus, President of the U. of I., welcomed all foreign students to the campus as well as returning students.

Following a short business meeting the club adjourned to the International House for a reception.

TRY FOR BLUE KEY
Applications for Blue Key are due by noon Wednesday, Oct. 12 turned in at the ASUI office or to Ted Frostenson, DTD. Blue Key point lists are available in the ASUI office.

NOTICE

The Registrar's office has a small supply of old catalogs which are available to students entering the University prior to this year. If you have lost your catalog you may receive another copy to use in checking your graduation requirements.

COMING EVENTS

Today:
International Relations Club, 4:10 p.m., Conference Room B SUB. Members and interested students are urged to attend.
I.K.s., 9:00 p.m. Conference Room A, SUB.
Alpha Epsilon Delta (pre-med.), 7:30, SUB Bucket. Important.
Vandal Riders, 6:30 p.m., Conference Room B, SUB. Election of officers.
Thursday:
Ag. Club, 7:30, Armory in Memorial gym.
AIEE, 7 p.m., K.L. 221. Discussion of this year's activities.
Vandal Flying Club, 7:30, AFROTC Detachment.
Civil Air Patrol, 7 p.m., AFROTC Detachment.

National Newspaper Week has just swung into its second day of promoting its fight against censorship, freedom of information and freedom of an individual to express himself and what should happen—up pops resolutions from two North Idaho American Legion district conventions with a proposal that they know, better than anyone else, what students of the University of Idaho should hear.

This is bare-faced CENSORSHIP. It is this writer's opinion that the students of the University of Idaho should not, now or ever, permit themselves to be tread on in such a manner.
Who is to say what we should read, listen to, or think of? This goes against the very basic principles of democracy. Granted, the American Legion posts concerned may have the highest motives behind their resolutions, but they are defeating the very end product which they are trying to achieve—democracy and freedom from Communism.
The American Legion's resolution is not the way.

You Have A Part In News

October 1 through 8 has been set aside as National Newspaper Week.

Its purpose is to focus your attention on an institution in whose operation you have a vastly greater hand than perhaps you've ever realized. It is also an appropriate time to call your attention to an effort to deprive you of that hand. The institution is your newspaper—daily, weekly or whatever.

Let's begin by dismantling that term newspaper. It means paper, which after due processing, comes to you covered with news. Paper is a self-evident, tangible thing. There is no disagreement as to what it is. But what of news? It is far less self-evident and deceptively intangible. News, in fact, is all things to all men. What it is depends on who is defining it.

And it is your definition, not the editor's which matters. The paper stays in business if it does a competent job of fulfilling your definition of news. If it devotes itself just to the editor's conception of news, it soon fails.

When a newspaper man speaks of his news judgment he doesn't mean his ability to determine what really counts under some mysterious process of selection. He means, instead, his ability to surmise what you will consider news. How good he is and how successful the paper is depends on how unerringly he can make that surmise.

All readers won't agree that some particular item is news, naturally, but the editor must meet each reader's definition often enough so that every reader will feel he's getting his money's worth when he buys the paper.

That is where and how you have such a very big hand in determining what goes into it.

Now as to the effort to take this function away from you. It lies in a growing effort by people, who are neither editors nor representatives of the readers, to decide arbitrarily which facts shall be printed—without reference to what any individual might consider news.

These people are the censor-minded. They appear in government and in pressure groups. They include those who try to conduct government behind closed doors and in secret places. They are all those who would take away free access to information which the citizen, with his individual right to say what is news, is entitled to have.

What baffles and frustrates the editor in the face of this is an attitude he not infrequently encounters among those who are being cheated of the right to decide for themselves what news is. When he talks about freedom of information, he often hears that what he really means is some undefined special privilege of his own. He is complaining, he is told, because his vanity is hurt.

What he rails against is nothing of the kind. His protests concern something he was never vain enough to do. That is, insist on deciding what news is without reference to what those who buy the news consider it to be.

National Newspaper Week's purpose will be served if you, the reader, pause to contemplate the big part you play in printing news and whether you are willing to have that part taken away from you. A sure way to lose it is to reason that when freedom of information goes the editor is the only loser. You lose far, far more than any editor possibly can.

Friendly Idaho Rides Again

Hi! This is a common greeting among Idaho students. The University of Idaho is well-known as a friendly school. We at Idaho may be justly proud of this distinction. Our acclaim as a friendly campus draws for us many students from out of state and thus helps to give us a bigger and better Idaho.

This writer has particularly noticed the enthusiasm and camaraderie among the freshmen. Congratulations to them. Keep it up and perhaps even a few old seniors may get back in tune with the spirit of friendliness.

Recently one of our homecoming queen finalists remarked that she certainly wouldn't trade Idaho for the schools of her home state just on the point of friendliness. And few people could accuse Sally Ghiglieri of not being friendly.

To fasten this feeling of "one happy family" we have some fine traditions—the congenial atmosphere of the SUB, Hello Walk, and the general precedent of a good school with students who like people. Hats off to Idaho for living up to its reputation. —J.K.

The pedestrian record reflected the 4th consecutive year of improvement for motor vehicle accidents in 1954.

Barbara: "Why did you park here when there are nicer places further on?"
Bob: "This is love, at first site."

May I Hear It Too?

In yesterday's Idahoian, a story appeared which in this writer's opinion should bring to a boiling point the indignation and ire of all Idaho students. The article explains the protest to one of our scheduled speakers by local American Legion district 1 and 2.

Dr. Robert Maynard Hutchins, former president of the University of Chicago and now president of the Fund for the Republic, and associate director of the Ford Foundation, is the speaker. In the opinion of the local American Legion districts, Dr. Hutchins' "public utterances and testimony before Congressional investigating committees have indicated he and his associates are trying to propagandize Americans into believing that:

"1. Communism never has been and is not now a serious danger to this country;

"2. Sinister forces under the pretext of fighting communism are the real danger and threaten the civil liberties of all Americans;

"3. Security measures are un-American and are being used to harass and persecute innocent people;

"4. Intelligent and educated people are aware of these things but are opposed by the ignorant who are being misled by evil demagogues."

Then the American Legion districts continue that they, "believe the record of Dr. Robert Maynard Hutchins has rendered him unsuitable for such appearances before our students" and "that appropriate action be taken to result in the cancellation of his appearance."

In connection with this statement of The American Legion Districts 1 and 2 this writer recalls a quotation by a famous French philosopher Voltaire. Voltaire stated, "I disagree with what you say, but I defend to the death your right to say it."

This statement, I feel, should be the attitude of the Idaho students to the opinion of the American Legion's local districts. Furthermore, in our own American constitution we guarantee every person the right to free speech. And, even though the Legion does not specifically seek to deny Dr. Hutchins the right to speak, by attempting to deny him an audience the same objective is attempted.

The American Legion's local districts seem to be setting themselves up as judges of what we may or may not hear. This, I feel, is an insult to our intelligence. We as a select group of people, college trained, and reasoning individuals should be able to, and I feel can, take any speech for what it is worth. We can separate the logical from the illogical and truth from lies.

Not only is the action of the Legion conventions an insult to our intelligence, but more important when the right to peacefully assemble and hear any one is denied, that action in itself become un-American. This action of attempting to deny Dr. Hutchins the audience of University students I feel is a step towards a very bad precedent.

Any action which one small segment of our nation takes, no matter who they may be, to deny anyone any liberty is a step towards imitation of fascism's worst features.

Fortunately for Idaho's students the administration of the University has not cancelled the appearance of Dr. Hutchins. As President Theophilus stated in a note to the Argonaut editor: "Available evidence and the reception given to Dr. Hutchins at other institutions throughout the nation, and the fact that four other schools in the Northwest have contracted his services for the coming year do not indicate justification for cancellation of the talk."

Three cheers for the "hill!" We Idaho students can still hold our heads up as intelligent scholars rather than hanging them in shame as I for one would have had I been at the University of Washington where a similar controversy recently resulted in a different decision.

J. K.

FROSH SET RECORD

A record high of 326 freshman students are enrolled in the Army Reserve Officers Training corps at the University of Idaho this fall, it was announced by Lt. Col. James

A. Moore, Professor of Military Science and Tactics. The record class increases the size of the Cadet corps to 664 students, the colonel said.

Dear Jason

Dear Jason: It looks like the American Legion has really outdone itself this time. According to a story that broke in the local paper Monday afternoon, Dr. Robert Maynard Hutchins is "unsuitable for . . . appearances before our students" because of his record.

Dr. Hutchins, former president of the University of Chicago, and associate director of the Ford Foundation, apparently has committed the error of being president of the Fund for the Republic. Why this makes him unfit to speak to Idaho students is not made too clear in the Legion resolutions, which came from conventions at Genesee and Coeur d'Alene.

The Legion action does come out with this much "incriminating" evidence: Dr. Hutchins has tried to convince congressional committees that:

"1. Communism never has been and is not now a serious danger to this country.

"2. Sinister forces under the pretext of fighting communism are the real danger and threaten the civil liberties of all Americans.

"3. Security measures are un-American and are being used to harass and persecute innocent people.

"4. Intelligent and educated people are aware of these things but are opposed by the ignorant who are being misled by evil demagogues."

It's too bad that the Legion's national commander, Seaborn P. Collins, can say that the Fund of the Republic supports anti-American doctrines and get away with it.

It's even worse when convention groups take his word at face value and try to influence the program of what is supposed to be an independent school.

The Legion seems to be bound and determined to protect the "Americanism" of all Ameri-

Winner Accepts Agricultural Post In Quito, Ecuador

Herbert A. Winner, head of the department of agricultural education at the University of Idaho, leaves Saturday for a two year assignment with the University of Idaho technical assistance unit in Ecuador. He will be accompanied by Mrs. Winner.

During the first year he will be agricultural education specialist, working in the university at Quito. His main duty will be to assist in training individuals as instructors and agricultural extension workers.

The second year he will succeed Dr. George W. Woodbury, also from the University of Idaho, as chief of the University party. Woodbury then will return to his post as head of horticulture at Idaho.

A foreign assignment of this type is not new to Winner. He recently returned from a similar two-year assignment in Afghanistan. There he was a member of the staff recruited by the University of Wyoming.

Pierson Finishes Pre-Flight Work

PENSACOLA, Fla.—Naval Aviation Cadet Jay T. Pierson, Jr., graduated from the U.S. Naval Pre-Flight School here September 10, 1955. Cadet Pierson is the son of Mr. and Mrs. Jay T. Pierson of Route 6, Caldwell, Idaho.

Prior to entering the Naval aviation cadet program, Cadet Pierson attended the University of Idaho. He is now assigned to the Whiting Field, U.S. Naval Auxiliary Air Station, Milton, Florida, for primary flight training.

ans, even if it has to strangle their right to independent thinking to accomplish his goal. Marie Ingebritsen

"I think we should ask the 'grand master' to rearrange th' beds in the 'pledges' rooms."

Ten Instructors Join ROTC Staff

Ten officers and enlisted men have been assigned to be instructors in the University ROTC program.

Captain Richard O. Hansen has been assigned as Assistant Professor of Air Science in the Air Force program.

Major Walter N. Moore Jr. will serve as coordinator of training and unit executive officer for the Army ROTC. M-Sgt. Benjamin Mares and Sgt.-1c Richard W. Poore will be members of instruction groups and assistant class advisors to basic students.

A nearly complete staff change

has taken place in Navy ROTC. Captain John M. Wyckoff is the new Professor of Naval Science, Lt. Comdr. Gordon R. Lockard is assigned as United States Marine Executive office, Lt. Oscar Shealey will be an instructor of the Junior Class, and Lt. j.g. Philip K. Collins will instruct the Senior Class. Two enlisted men assigned are M.-Sgt. Adrien N. Prescott, Marine Instructor, and Chief Edward S. Kenker, Y.M.C. U.S.N. Officer.

SALES PROMOTERS HERE

Today the Idaho campus will be host to a sales promotion convention of the area Chesterfield campus representatives. Karen Beckerman, Hays Hall, and Jim Kruger, Christian Hall, Idaho Chesterfield and L & M representatives will be hosts for the convention.

HURRAY FOR THE RED, WHITE AND GOLD!

There's a new package on Philip Morris Cigarettes. It's red and white and gold and pretty as a picture. You'd never guess that behind anything so bright and cheerful is a saga packed with action and passion, with love and romance and not a few tears.

It started quietly enough. The makers of gentle Philip Morris, as hale a bunch of fellows as you ever clapped your eyes upon, got to talking last summer during their annual outing on Attu, a secluded and unspoiled island, often called "The Capri of Alaska." Capri, on the other hand, is often called "The Attu of Italy."

But I digress. I was saying that the makers of Philip Morris, jim-dandy fellows every man-jack of them, got to talking on their last outing. "Don't you think," said one maker to the other makers, "that our brown Philip Morris package, though in many ways terribly fetching, doesn't quite reflect the basic quality of today's Philip Morris—its happy gentleness, its jolly lightness?" "Why, yes," replied the other makers to the first maker, "we do think that our brown Philip Morris package, though in many ways terribly fetching, doesn't quite reflect the basic quality of today's Philip Morris—its happy gentleness, its jolly lightness."

"Let us have the pack re-designed!" suggested the first maker, whose name is Laughing Ned. "Yes, let us!" cried the other makers, whose name is Fun-Loving Tom. "Let us! Let us! Let us!"

The makers forthwith engaged the prominent firm of package re-designers, Sigafoos and Associates. It was with full confidence that the makers entrusted the task to Sigafoos and Associates, for Sterling Sigafoos, the senior member, is known the length and breadth of the world as "The Grand Old Man of Package Re-designing," and his partner, Fred Associates, though a younger man, is everywhere regarded as a comer. Sigafoos and Associates began their job by conducting interviews from coast to coast to determine what kind of pack people wanted for Philip Morris. The partners could not do the interviewing themselves—Sigafoos because of his advanced years; Associates because he is subject to motion sickness—so they sent our two trusted employees: Mr. Walker Nylet (Yale '51) and Miss Felicia Sigafoos (Radcliffe '52), daughter of the senior partner. After canvassing the entire nation and tabulating more than 90 million interviews, Mr. Nylet sent the following communique to the home office:

"Dear Dad and Associates, I call you Dad because Miss Sigafoos and I discovered during our long and exhaustive survey that never were two people so admirably suited. We have accordingly been married and have accepted a position with the United States Government keeping the lighthouse off Gay Head, Martha's Vineyard.

I hope you are not too upset by this news. May I suggest you look at it this way: you haven't lost a daughter; you've gained a beacon.

Sincerely, Walker Nylet"

Well sir, old Sigafoos fumed for a while, but at last he calmed down and went to visit the newlyweds in their lighthouse, bringing them a suitcase full of twenties as a wedding gift. It was there he learned that people want Philip Morris in the red, white, and gold package which you are now, I trust, holding in your very own hand.

The makers of PHILIP MORRIS who bring you this column beg to remind you that for a while you'll still be seeing Philip Morris both ways—in the bright new red, white and gold package, and in the friendly familiar brown.

Betas are making plans for a busy social year beginning with a Kappa exchange and pledge dance. Members chosen to help the pledges are: Arlen Chaney, study chairman; Dick Schultz, work chairman; Tex Ward, intramural manager; Graham Knox, pledge; Mike Boles, social chairman; and Mike Patton, homecoming chairman and song leader. Stan Pierce is Dads' Day chairman and Lauri Fowler, initiation chairman.

The fellows were happy to entertain the five homecoming beauties as guests Sunday evening. Dinner guests have been Marylin Greene, Katherine Smith, Nikki Doerr, Mrs. Helen Daniel of Seattle, and Jerry Bunnell of Spokane.

KAPPA ALPHA THETA
Congratulations to the new members of our chapter who were initiated last Thursday evening. Sharon Choate, Betty Jo Roberts, Bonnie Tower and Kay LaBarge are new bearers of the kite.

Thetas wish to welcome Lucienne, the French student who is living with us this year. She is from southern France, near the Riviera. Wilma Schmidt as well as the house thanks the Phi Delt for the dozen red roses. Likewise, the girls extend thanks to the Delta Sigs for Betty Jo Robert's floral bouquet.

Entertainment, dancing, and cards kept Theta pledges busy at an enjoyable Phi Delt exchange on Saturday afternoon. Thanks, fellows, for the invitation.

Last night the pledges were surprised by having their big sisters chosen when they were actually supposed to be having a meeting. Be careful of those late pledge meetings, girls.

DELTA DELTA DELTA
Surprise of the week came Sunday night when Barbara Carlson, a pledge, came home wearing a diamond ring. Donald L. Johnson and Barb, both of Genesee, are planning a summer wedding.

House officers elected this fall include LaRae Harrop, social chairman; Carol Reichert, scholarship chairman; and Lois Wilson, recording secretary.

Couples Back After Summer Weddings

HILL-PARRISH
Phyllis Hill of Grangeville married Robert S. Parrish, Beta, this summer. They are both attending the University of Idaho.

MCDONOUGH-MARTIN
Annette McDonough became the bride of Beta, Robert Martin in a summer wedding. The couple are now making their home in Twin Falls.

FOUCH-STEPHENS
Jo Carol Fouch, Kappa, and Audrey Stephens, Beta, exchanged wedding vows in Boise this summer. They are now living on the University of Minnesota campus while he is attending dental school there.

PETERSON-STRINGFIELD
Another couple married during the summer were Bonny Peterson and Fred Stringfield, a member of Beta Theta Pi. They are now residing in Caldwell.

HARPER-CURTIS
Attending school here following their marriage are Rose Harper, DG, and Bruce Curtis, Beta. Mrs. Curtis formerly lived in Flora, Miss.

WILLSON-MADER
Living in Belton, Texas after a summer wedding are Kappa LaVonne Willson and husband, Frank Mader of Colfax.

FOX-MILLER
Tom Miller took Dolly Fox as his bride this summer. They are now living in Omaha, Nebraska. Miller

is from Nez Perce and his wife is a Kappa from the University.

SPARKS-BELTZ
Sue Sparks, Kappa, became Mrs. Dale Beltz and the couple is living in Nampa, the hometown of the groom.

WALTERS-UNDERWOOD
A Kappa Sig from WSC, married Kathryn Walters, Kappa, from here. They are residing in Davenport, Washington.

HORSMAN-FALASH
Pendleton, Oregon is now the home of Mr. and Mrs. Bob Falash. She is the former Eleanor Horsman, Kappa.

VARIAN-BROWN
Peggy Varian, also a Kappa, said vows with Dick Brown, ATO and they are living on campus this fall.

BOYCE-KLANDER
On campus after their summer wedding are Mr. and Mrs. Bill Klander. She is a Kappa, the former Lois Boyce.

TOWNSEND-ALLEN
Charlotte Townsend of Ethel Steele, married Lee Allen this past summer.

BROOKS-DEERKOP
Betty Brooks, former copy editor of the Argonaut, became Mrs. Don Deerkop. Betty was a resident of Ethel Steele last year.

DRISCOLL-DAMMARELL
Living in Florida after vows are Marian Driscoll and Dale Dammarell.

RANSOME-STONE
Bernice Ransome became Mrs. Leon Stone, SAE, and they are here in Moscow this year. She is formerly of Ethel Steele.

JABBORA-EIKUM
Mrs. John Eikum, formerly Joan Jabborra and husband are both here at school this fall. Joan is from Hays Hall.

HINCKLEY-CAMPBELL
Former Karen Hinckley, last year's Queen of the May Fete, is now Mrs. Bob Campbell. Karen lived at Forney Hall last year.

HATHAWAY-CLEMENTS
Alec HATHAWAY of Forney Hall became the bride of Sigma Nu, Dave Clements.

KROUSH-DEEKS
Now in Moscow while Dick attends classes are Mr. and Mrs. Dick Weeks. She is the former Dixie Kroush and Dick is a Delt.

COYLE-RUST
Virginia is the home of Mr. and Mrs. Barry Rust while he is the Marines. She is the former Rose Jeanne Coyle, an Alpha Chi.

ANDERSON-HERN
Also in the Marines at Quantico is Jay Hearn who took Judy Anderson as his bride this summer. Judy is an Alpha Chi.

HARP-TORKELSON
Sharon Harp, AX, and Ken Torkelson, Sig Chi, became Mr. and Mrs. and are living in Bonners Ferry now.

HARDING-HOWARD
Phyllis Harding is in Chicago with her husband, Gordon Howard who is serving in the Army. She is an Alpha Chi.

SNYDER-EIDAM
On campus for classes are George Eidam, Sigma Nu, and his bride, Alpha Chi, Arline Snyder.

SATTGAST-WALKER
Verna Sattgast, also Alpha Chi, married Les Walker from Idaho State College.

Nearly 14,000 persons were killed in weekend traffic accidents last year.

Matching red tablecloth-check shirt tops blue or red jean-type pants. The same check theme is repeated on the pants cuffs and back pocket to add some spice. PROPORTIONETTE sizes and heights... Tiny (under 5'2"), 32-34; Regular (5'2" to 5'6"), 32-38; Tall (over 5'6"), 34 to 38.

DAVIDS'

Even den Given Consultant Job For Entomology
The appointment of James C. Evenden of Coeur d'Alene as a visiting lecturer and consultant in entomology with the forest, wildlife and range experiment station and the College of Agriculture was announced by Dr. D. R. Theophilus, president of the University of Idaho, following regents approval.

Evenden, who retired from the U. S. Forest service this year, will serve on a part-time basis for the first semester of the new school year. A graduate of Oregon State College, he has published more than 25 articles on forest insects.

Commenting on the appointment, Dean Ernest Wohletz of the College of Forestry said:
"Insects and diseases cause more damage to our forests per year than fires. The state is losing millions of dollars worth of timber annually due to damage caused by insects. We feel the entomology research to be conducted in connection with this new position will fill an important need in the state."
The dean added that Evenden is considered to be "one of the outstanding entomologists in the West."

Palouse Cousins Slate Cross Country Meetings

Idaho and Washington State will meet four times this fall in home and home cross country meets, Vandal coach Joe Glander said today.

The meetings will be the first extensive cross country programs undertaken by the two schools. Glander said last spring that such an arrangement might lead to a conference wide cross country program.

The two five man squads will meet for the first time this Friday in Pullman over a two mile course. The remainder of the schedule meets Oct. 15 and Oct. 29 in Moscow and Oct. 22 in Pullman.

Glander said the teams will run two and one-half miles the second race and three and four miles the final two meets. The Idaho squad will enter the Inland Empire Cross Country championships at Spokane either Nov. 4 or 5. The exact date has not been set. Nov. 11 and 12 Idaho travels to the western Canada championships at Vancouver. The coach said the team has been conducting daily practice runs. Freshmen are eligible for the sport, Glander said, and any prospects are welcome to work with the present team.

School Golf Tournament Opens Sun.

Golf pro Dick Snyder today announced plans for the annual ASUI school championships, to begin Sunday. Snyder said that campus golfers should play qualifying rounds of 18 holes by this Sunday. Pairings will be made according to playing ability with flights as equal in talent as possible. Snyder said the tourney will again be a matched play affair with as many flights as there are enough qualifiers.

Winners will meet winners in their flight with losers going to the consolation bracket. The pro said there will be an entry fee, to be announced.

Expected to enter the tourney is the defending champion from 1954, Bob Adamson, a mainstay with the University golf team. Bob Campbell, a former winner, is back in school.

Snyder pointed out that no golfer has won the event more than once. Second matches will begin Oct. 16, he said.

The pro added that students can play on the course at any time. Student green fees are 75 cents, with a student membership costing \$4.00.

Big Game Hunters Flock To Forests But Luck Slight

Elk bugled and hunters scrambled in the hills nearby Saturday noon and among the red doffed shooters included the "great white hunters" from the U. of I.

Three hunters reported spotted luck in the Headquarters area. Bill Douglas, popped an elk seven minutes after starting a trek through the wilderness, and Bob Koontz leveled a deer. Roy Merrill and party reported getting an elk.

Others out, who but have not yet reported results, included Russ Whitney, John Hechtner, Dean Bent, Bill Summers, Ralph Conant, Jim Hanzel and Dick Barrell. The sports staff welcomes news of game snags.

"I" CLUB

Members of the I Club will meet tonight at 7:30 in Conference room A of the Student Union Building, president Sonny Long, announced today.

Coed: "Have you ever been a maid of honor?" Roommate: "Oh, sure, before I met Tom."

In Good Shape

Bill Baxter, junior halfback from Seattle, should be in top shape by Saturday when the Vandals take on College of Pacific in the annual Homecoming contest. Baxter has seen limited duty thus far in the season, after receiving a hip bruise early in the campaign.

Arizona Setback Worst Defeat For Vandal Tribe

Idaho's Vandals suffered their worst defeat of the season Saturday night, coming out on the wrong end of a 47 to 14 count against the Arizona Wildcats at Tucson. The Vandals had previously dropped a pair of 7 point losses to the Universities of Washington and Utah.

The Wildcats lived up to their name Saturday, unleashing a powerful running attack at the opening whistle which led to a touchdown the first time they got their hands on the ball. Another score early in the opening quarter put the Vandals in a hole they never escaped.

Arizona, which had been held to an average of only 240 yards total offense in their previous two games reeled off 338 yards by rushing and 15 by passing to the Vandals net total offense of 268 yards.

The 90 degree heat, which differs slightly from Moscow weather, had a marked effect on Idaho who

Stahley Points To Game Saturday With COP Tigers

IM Foes Battered In Opening Games Played Yesterday

Shutouts highlighted opening action in the opening day's play in intramural touch football. Seven games were played in the fraternity division with five teams blanking their opponents, including one forfeit.

Phi Gamma Delta racked up the largest margin of victory, trouncing Phi Kappa Tau 34 to 0. Delta Tau Chi, Kappa Sigma downed Alpha Tau Omega 8 to 0 and Delta Sigma Phi completed the white-washings by downing Lambda Chi 2 to 0.

Sigma Nu successfully opened their defense of the fraternity football crown with a close 8 to 6 win over Sigma Chi, and Tau Kappa Epsilon edged out Sigma Alpha Epsilon 8 to 7 in the days final game.

Town Men's Association forfeited their game to Beta Theta Pi, the defending total point champs.

three touchdowns—eight yards to right end, Ed Brown, 26 yards to freshman halfback Gene Leek, and then a long toss of 41 yards to Ham Vose, third string left end.

Luppino Scots Art Luppino, Arizona's junior halfback flash, for whom the Vandals had set their defense, rambled for 130 yards and one touchdown to top ground gainers in the game. Luppino also added three conversions to his point total for the night.

Fullback Max Burnett scored a pair of touchdowns for Arizona and Don Bowerman added another to complete the Wildcat scoring. Bowerman and Corley each boot-ed one conversion.

Howard Willis, Vandal quarterback, who before the game led the PCC in total offense was stopped cold by the fast charging Arizona line. Willis was thrown for a net loss of 36 yards rushing and gained only 28 passing.

A crowd of 20,000 viewed the game and were extremely surprised at the easy time the Wildcats had with the Vandals.

Arizona Material, Heat Wilts Idaho Machine

The heat-sapped Idaho Vandals came home Sunday afternoon, disgusted after being beaten by the Arizona Sun Devils 47-14. The Vandal staff had nothing but praise for a strong, material plus, ball club which Idaho faced in 70 degree weather in Tucson.

Coach Skip Stahley last night ran the Vandals through an hour of loosening up drills, to relieve the battered team of the aches and pains received in the game and from the long plane ride home.

Stahley said the Arizona line was the most rugged Idaho has faced this season, yet pointed to an even heavier front wall which the homecoming opponent, College of Pacific will field this Saturday.

"Arizona just overpowered us," the head coach commented, "they had more depth and the people in Tucson said it was the best game they have played in three years. The coach said that the Vandals didn't receive any "catastrophic injuries."

"Most of the Arizona ball players have had more experience than our boys," the coach said, "since a great many of them have played three or four years of service ball before coming to college. We picked up 19 first downs, which is a considerable amount for a losing team. We fumbled eight times, and you can't fumble and win ball games."

"We'll have to work more on developing habits in our ball club,

Dance Groups Seek Novices Tonight In Women's Groups

Women will tap for Orchestras and pre-Orchestras tonight in the living groups, it was announced today.

The WRA office said today that the Idaho field hockey team will face WSC soon in a set of games. More players are needed to fill out the Idaho roster.

Meanwhile tennis tournaments got underway this week. Match opponents and times of each match are posted in the Women's gym.

TAKE FIVE

With John B. Hughes

A fighter has a manager, the race horse a trainer, but UCLA's Ronnie Knox has his father, Harvey. The celebrated switch from USC to the Bruin campus suddenly in the middle of the freshman year for Ronnie was agitated by none other.

We took in the Saturday game across the state line, merely because we wanted to see what was supposed to be the number one team in the nation actually looked like. Now we know, and how.

We were talking in the press box to an Air Force captain, who's name we didn't catch, but who follows the Bruins every game they play. The officer said that Ronnie is a quiet, unassuming ball player with all the natural ability of an all-American, but his superficial attitude which the press built has been pushed by Harvey Knox.

By the way Knox didn't play, but we saw some of the hardest running, speediest backs imaginable. Jim Decker, Bob Davenport, Sammy Brown, wow!!! The Vandals, and for that matter the Cougars, could certainly use a few of those third string backs. Both local teams this year are shy of charging ball carriers.

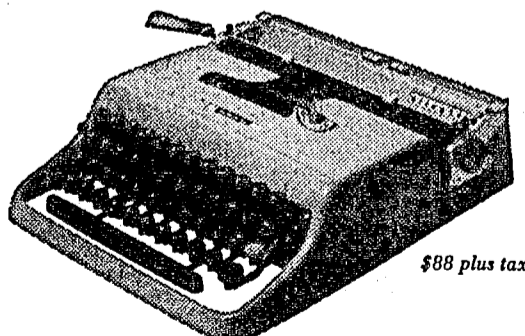

Lineman such as Hardeman Cureton and Gil Morina, are sensational. Both are fast, alert and rugged, ideal for a quick busting club such as the UCLA team fields. The Saturday game was more of a track meet, but quite a treat for sore eyes.

The Vandals are due to cut loose soon. We thought it would be this past Saturday, but apparently the surmounting odds, a long plane ride, terrific heat, and players upon more fresh players rushed in against the Idaho eleven, were too much.

Coach Stahley is aware that the College of Pacific Tigers are just as rough as last season with plenty of depth, a rugged line, and light, speedy backs.

Maybe Homecoming will bring a new spark of life to the Vandals, who finally can realize that they'll be at home for this one. There is no one that wants to win more than the Idaho Vandal.

Have you discovered the Olivetti portable portable?

\$88 plus taxes

The Olivetti Lettera 22 is complete—provides all regular features of office-size typewriters, plus special features like Add-A-Line and Correcto-Space that save time and make for neater typing. It is light—truly the portable portable—yet it doesn't "creep" while you type. It is handsome—has been included in many good-design exhibits.

Price includes attractive two-tone carrying case, dust cover, cleaning kit, and choice of Elite, Pica or distinctive Lettera type. Come in and try it!
