

The Idaho Argonaut

VOL. 60. NO. 12

THE IDAHO ARGONAUT, UNIVERSITY OF IDAHO

TUESDAY, NOVEMBER 1, 1955

Prepare For Dad's Day Now

Stow the razors men, the time is rapidly approaching for the passing of final judgment on those members of the male sex who assert their masculinity by growing beards for the Pop's Day celebration.

Break out the mittens and hashers, the first snows just hit the Palouse!

University students were surprised last Sunday afternoon with a white coverlet of snow which spread itself over the leaf strewn campus lawns, but soon melted. The University weather station measured the snow at but "a trace" but Monday morning risers were greeted by more of the same "white."

Yesterday afternoon temperatures cooled off again and the skies dumped another load on the area. Before and after dinner snow ball skirmishes were witnessed along with face washings and "snow down the neck" horseplay.

Alas! Winter is here. Deer hunters get a break for opening day today while steady class-attenders will have to roll up their collars and settle down to a long winter.

Jason hopes that campus Arg readers have been keeping up with class election coverage. It is the Argonaut's idea to develop more interest in the campus political scene this year by better coverage, but the Arg can only do so much. There are approximately 3500 regularly enrolled students at the University this year. This is the highest enrollment that we have had to date, but we'll predict that only about 1500 or 1600 students will get out and vote in the forthcoming elections.

Why? The only reason that we can arrive at is that the students are indifferent to voting, too darned lazy to waddle up to one of the polls or just not interested enough in whether the University has competent leadership or not.

In the case of the latter, they usually are the one from whom the cries of crooked politicians, misrepresentation and so on are heard. Had they voted in the first place, some of their problems may have been eliminated.

The voting problem is not entirely a campus problem. Big time politicians have the same trouble on a national scale. It is a pity that here in an adult-molding institution, voting is considered a chore rather than a privilege handed down through the bloody pages of history.

Jason predicts that only about half of the student body will bother to get out and vote November 10. I dare you to prove me wrong.

Taylor To Discuss Undersea Phoning

The student branch of the AIEE of the University of Idaho will present Robert H. Taylor in room 104 Engineering building on Tuesday, November 1 at 7 p.m. All students and faculty are invited to come. Taylor's talk will be on "New Aspects of Trans-oceanic Telephony." He will describe the new submarine cable which has just been laid across the Atlantic ocean which will make possible the first undersea telephone conversation. The A. T. and T. Long Lines Department plans to lay similar cables from Port Angeles to Ketchikan and from San Francisco to Hawaii in the near future. Taylor was a member of the staff which designed the new type deep water repeaters. He graduated at Yale University in 1947 in Mechanical Engineering. He is a member of Sigma Xi and Tau Beta Pi honor societies.

NOTICE
The ASUI Executive Board will interview interested students for positions on the Students Events Council at 7 p.m. tonight in the Executive Board room on the third floor of the Student Union Building.

Auto Rolls, Three Hurt In Smashup

Three University of Idaho students were injured Sunday morning in an automobile smash-up on rain-drenched Pullman-Moscow highway police officers reported today.

Vern Figgie, 23, was reported in "fair condition at Gritman hospital Monday from injuries suffered when his car went out of control and rolled several times before coming to a halt.

Figgie, the driver, and his two companions, Henry Robinson, 20, and Elvin G. Krotzberg, sustained minor injuries and were transferred to the infirmary today.

All three occupants were thrown clear of the car, officers said.

College Unions Meeting Draws Four On Trip

Three Idaho students and ASUI General Manager Gale Mix attended the annual convention of the eleventh region of American College Unions at Missoula, this past weekend. Idaho students attended were Ray Wilke, Jane Remberg and Tom McDevitt.

Over 100 delegates from colleges in California, Oregon, Idaho, Washington, Montana, Nevada and Hawaii attended the convention on the Montana State University campus.

Dr. Carl McFarland, president of Montana State University and Gary Jystad, MSU student body president greeted the students and welcomed them to the campus at the opening session in which Miss Beth Gildow of WSC, president of the Regional Board of ACU, presided and introduced the speakers.

The general procedure followed that of a workshop to discuss Student Union problems.

Don Jacky, WSC, was elected president for the coming year. Other officers include: Helen Montgomery, University of California at Berkeley, vice-president; Marlis Clausen, University of Oregon, secretary.

The convention selected the home of the University of Oregon, Eugene, as site of its next convention. The convention date is to be selected by the three top officers next spring.

Workshop discussions were on advance planning and promotion of programs in the union, maintaining interest and rewarding students in the union program, relations with other campus groups, procedures best used to evaluate the worth of a program, how a chairman can handle problems facing him and how to cope with problems of a new and pending union.

New members of the regional board from Idaho is Jane Remberg.

Dames Club Has Halloween Dance

About 150 people attended the Halloween dance sponsored by the Dames Club in the main ballroom of the Student Union Building Saturday night.

Intermission entertainment introduced by Mrs. Wilson, Mistress of Ceremonies, included two numbers by young people from Deary singing in accompaniment with an accordion. The Dames choir sang, and a short Halloween skit was given. Dorothy Bogdan gave two impersonations.

Vera Miller was chairman of the dance committee. She was assisted by Dorothy Meester and Juanita Dendler. Refreshments were served during the dance.

McPike Announces Keys Will Appear

"The Kampus Keys will be distributed in about two weeks, around November 12," said Roger McPike, president of the Blue Key who publishes the Key.

McPike also said that approximately 800 to 900 copies will be issued this year of the Key, which has the names of all students and faculty listed in alphabetical order with their phone numbers and addresses.

SAEs Crown Shirley Henriksson

Shirley Henriksson, Pi Beta Phi, was selected as 1955 SAE Queen of the Violets, Saturday night. Pictured with Queen Shirley are the other finalists: Joan Cowles, French Hall; Diane Kail, Kappa Kappa Gamma; Joan Ramstedt, Kappa Alpha Theta; and Cecilia Sullivan, Ethel Steele.

About 100 couples dropped into the SAE house during the intermission of the Violet Ball Saturday night to witness the crowning of Shirley Henriksson, Pi Beta Phi, as 1955 SAE Queen of the Violets. Karen Warner, Kappa Alpha Theta, last year's contest winner, crowned the new queen.

Finalists in the contest were Joan

Cowles, French Hall; Diane Kail, Kappa Kappa Gamma; Joan Ramstedt, Kappa Alpha Theta; and Cecilia Sullivan, Ethel Steele.

As local winner, Miss Henriksson will have her photo sent to the Sigma Alpha Epsilon national headquarters in Evanston, Ill., to compete in a nation wide SAE queen contest to be judged by the

national officers of the fraternity. The event will be held in connection with the fraternity's Centennial celebration on March 9, 1956.

Miss Henriksson, a freshman from Sandpoint, is majoring in education. She is also majorette with the University of Idaho marching band.

Several Fraternities Apply For Admittance

Three social fraternities and two agriculture fraternities have applied for permission from the University to colonize on the Idaho campus next year, but the lack of housing is holding up an immediate decision on the question.

Theta Chi, Delta Upsilon, and Sigma Phi Epsilon, social fraternities, have been considering the possibility of colonizing on campus next year. Alpha Gamma Rho and Farm House, fraternities limited to majors in agriculture and forestry majors, have also expressed interest in initiating a new living group here.

The main bottleneck holding up the decision on which one or ones of these five should be given the green light is the acute housing problem which exists on the campus this year, and which will continue to be a problem next year as the expected enrollment increases, according to Dean Decker, Director of Student Affairs.

The three social fraternities have been referred to the Interfraternity Council by the Student Affairs Office for their consideration. In their investigation the IFC is reviewing the different cases as presented by the national representatives of their organizations in an attempt to determine which of them can provide the best housing accommodations for their colony and which would be the strongest fraternity. Delta Upsilon's national representative met with the IFC last Wednesday, and the other two fraternities will be reviewed as their representatives arrive on campus.

"President Theophilus has asked the Student Faculty Council to handle and discuss the cases of Alpha Gamma Rho and Farm House," said Dean Decker.

Theta Chi, Delta Upsilon, and Sigma Phi Epsilon all have houses on the WSC campus now.

Panty Raiders Caught Could Be Sent Home

The Oregon Daily Emerald reported today that three participants in last Thursday night's "panty raid" on three women's dorms on the Oregon University campus will probably be "going home."

Oregon University Dean of Men Ray Hawk and his counselors nabbed the unidentified trio as they left Sherry Ross, and another dorm. They face suspension for "breaking and entering a women's dormitory, and for profanity" said Hawk.

The jeering, cheering crowd of about 200 stormed Carson hall, then Sherry Ross and Hendricks halls, while a lone trumpeter in a nearby men's dorm spurred them on by alternately sounding the infantry "Charge" and "Mighty Oregon."

Locked windows and doors, coed-wielded water bags, and warnings by Hawk and Eugene city policemen kept the uprising from developing into a full-scale riot.

Coeds taunted the mob from windows of five-story Carson hall, and hurled scatterings of undergarments to the milling group below.

Dean Hawk, brought to the scene in a city police car, walked through the mob telling them, "Go home boys, you've had your fun."

Hawk nabbed one student as he clambered down a drainpipe at the rear of Sherry Ross hall. About eight men had entered the building via fire escape, witnesses said. The three students captured aren't the only ones facing admin-

Civic Symphony To Play Claus' Compositions

"Horizons," three symphonic pieces for orchestra, composed by Professor Carl Claus of the University music staff, will be performed by the Boise Civic Symphony Orchestra at their first concert of the season, November 8.

The symphonic work had its premiere performance by the Portland (Oregon) Symphony Orchestra in 1953, with composer Claus conducting. Music critics of the Portland press were enthusiastic.

Professor Claus has been conductor of the University's Symphony Orchestra since 1922, when he founded the group. It is widely known as one of the outstanding college symphonic groups in the northwest.

The Boise Civic Symphony has become one of the outstanding civic musical organizations in the Northwest. Conductor of the orchestra for the past several years has been Henry Von der Heide, who is also director of instrumental music in Boise Senior High School. Mr. Von der Heide became interested in Professor Claus' composition while the two were associated as faculty members at the University of Idaho.

Wednesday: Freshman and Senior—Beta Theta Pi, Delta Gamma, evening. Sophomore and Junior—Delta Delta Delta, Sigma Nu, evening.

Coed Is Tops In Wool Styles

Judging for the Make It Yourself With Wool district contest took place Saturday at a style show held in the Home Economics Building. Sponsors of the contest are the Idaho Woolgrowers Auxiliary and the Wool Bureau.

Arma Huschke, University student from Payette, won the senior division of the contest, and Valeta Hatley, Moscow, took first place in the junior division. Senior contestants ranged in age from 17 to 22; the junior division included contestants between 14 and 17 years of age. The winners will go to the state contest to be held in Boise.

The district contest included entrants from the ten northern counties of the state. Each contestant modeled a one hundred per cent wool garment—dress, suit, or coat—which she had made.

Serving as judges for the contest were Miss Lillian Johannesen and Mrs. Fred Boring. Committee members included Mrs. Bernadine Tudler, home demonstration agent from Lewiston in charge of district arrangements, and Miss Elsie Nielsen of the University home economics department staff in charge of local arrangements.

Particular commendation was given in the report for student-faculty relations, and the counseling service provided.

Parties Visit In Campaigns

Campaigning for the coming class elections gets into full swing this week with all parties scheduling visits to campus living groups. Students go to the polls on November 10 to elect their respective class officers.

The United Party is meeting tonight in order to set up a schedule for house visits and outline a platform. Greek candidates will probably make their visits this Thursday and Friday, and Monday and Tuesday of next week, according to John Chapman, United Party publicity chairman.

Independent Party held a meeting last night at which a tentative schedule for house visits was made. No Independent platform has been formulated as yet.

The Student Government party has made up a tentative schedule for their campaign. Freshman and senior class candidates will visit together, as will the sophomore and junior candidates.

More Responsibility
The Student Government Party is seeking to place more emphasis on class elections this year. The party hopes to give class officers more responsibility than in previous years, according to Bob Ridener, Student Government campaign manager.

Student Government candidates started their living group tours yesterday. Visits will continue through Wednesday, October 9. Candidates will visit living groups on the following days:

Tuesday, November 1: Freshman and Senior—Alpha Tau Omega, noon; Kappa Alpha Theta, Upland Hall, evening; Sophomore and Junior—Phi Gamma Delta, noon; Delta Gamma, Willis Sweet Hall, evening; French House, night.

Wednesday: Freshman and Senior—Delta Delta Delta, noon; Forney Hall, Chrisman Hall, evening; Junior and Sophomore—Kappa Sigma, Tau Kappa Epsilon, noon; Beta Theta Pi, Campus Club, evening.

Thursday: Freshman and Senior—Alpha Chi Omega, Lambda Chi Alpha, noon; Kappa Kappa Gamma, Lindley Hall, evening. Junior and Sophomore—Delta Sigma Phi, Phi Kappa Tau, noon; Alpha Phi, Chrisman Hall, evening. Friday: Freshman and Senior—Sigma Nu, Phi Kappa Tau, noon; Alpha Phi, Willis Sweet Hall, evening. Sophomore and Junior—Pi Beta Phi, noon; Gamma Phi Beta, Hays Hall, evening.

Saturday: Freshman and Senior—Phi Delta Theta, Delta Sigma Phi, noon; Hays Hall, Campus Club, evening. Sophomore and Junior—Alpha Tau Omega, noon; Steel House, Forney Hall, evening.

Monday, November 7: Freshman and Senior—Phi Gamma Delta, Kappa Sigma, noon; Gamma Phi Beta, Steel House, evening. Sophomore and Junior—Lambda Chi Alpha, noon; Kappa Alpha Theta, Sigma Alpha Epsilon, evening; Upland Hall, night.

Tuesday: Freshman and Senior—Sigma Alpha Epsilon, noon; Tau Kappa Epsilon, Delta Chi, evening. Sophomore and Junior: Delta Tau Delta, Sigma Chi, noon; Pi Beta Phi, Alpha Chi Omega, evening; Gault Hall, night.

Wednesday: Freshman and Senior—Beta Theta Pi, Delta Gamma, evening. Sophomore and Junior—Delta Delta Delta, Sigma Nu, evening.

Do-It-Yourself Draws SMU Sarcasm

DALLAS, Tex. (ACP)—A couple of quickies now from the pages of the Southern Methodist University Campus:

Commenting on the do-it-yourself craze, they make this observation: "What we are looking for now is a book entitled 'How to Get Other People to Do It.'"

And this one: "Some people are even tempered only because they are in a bad mood all the time."

If you are looking for a helping hand, you will find none better than the one at the end of your arm.

Intramural Debate Teams To Square Off Saturday

Intramural debate teams from seven men's living groups square off Saturday for the annual intramural debate tournament sponsored by Delta Sigma Rho, national speech honorary.

Living groups that have announced their intention to enter teams are SAE, Willis Sweet, Phi Tau, Sigma Chi, Beta, Delta Sigma Phi and Delta Tau Delta, according to Charles Oldham, tournament chairman.

Debates begin Saturday morning at 9 o'clock in conference rooms A, B and C and the executive board room of the SUB on the subject, "Resolved, that the agricul-

Infirmary Bombarded By Bullet

A bullet, accidentally discharged from a deer rifle, passed through an open window and lodged in an interior wall of the University Infirmary Sunday.

Larry Ward, Beta Theta Pi, returned from a hunting trip to receive an unscheduled lesson in safety. During the process of cleaning his deer rifle, a bullet accidentally discharged.

"The extractor apparently went haywire leaving a shell in the barrel of the gun," Larry said.

Police, summoned by the infirmary, determined the angle of the shot and went to inspect the rifle.

"The bullet, coming from the Beta house, went through a window, glanced off the ceiling, passed through the room wall and a partition, and lodged in the brick interior wall on the opposite side of the building," Larry said.

No one was injured.

All Girl Cast In 'House Of Bernarda Alba'

"The House of Bernarda Alba," a 3-act play to be presented December 2-3, will be cast tonight and tomorrow evening, announced play director Ed Chavez. The play features an all girl cast of 13.

"My Sister Eileen," concluding last Saturday, played to near capacity crowds both Friday and Saturday night. Miss Jean Collette was director with Mr. Chavez as technical advisor.

A Spanish play, written by Federico Lorca, the serious drama "The House of Bernarda Alba" features a cast including a mother and five daughters, plus a maid who seems to have grown into the family. "All parts give the girls a chance to get into good acting roles," stated Chavez.

The play takes place in Spain in the 1800's, and centers around a mother's attempt to hold her daughters to old customs. When the girls' father dies, one custom the mother enforces is eight years of mourning. When the daughters rebel, the plot develops.

Mr. Chavez stressed that any under graduate student of U of I may try for parts. "You have to be members of a drama class," he said. Miss Collette will be technical advisor for the production.

AWS Votes Wed. In Open Meeting

Women students are encouraged to attend an open meeting of the Associated Women Students to be held Wednesday, November 3 at 7 p.m. in the Executive Board room in the SUB. The purpose of this meeting will be to vote on a proposed change in the AWS Constitution.

Article 4, Section 1, Sub-section B of the AWS Constitution now reads: "The out-going president shall be an official delegate to the annual Convention of Associated Women Students." The proposed change reads: "The acting president and vice president shall be official delegates to the Convention of Associated Women Students."

Intramural Debate Teams To Square Off Saturday

Intramural debate teams from seven men's living groups square off Saturday for the annual intramural debate tournament sponsored by Delta Sigma Rho, national speech honorary.

Living groups that have announced their intention to enter teams are SAE, Willis Sweet, Phi Tau, Sigma Chi, Beta, Delta Sigma Phi and Delta Tau Delta, according to Charles Oldham, tournament chairman.

Debates begin Saturday morning at 9 o'clock in conference rooms A, B and C and the executive board room of the SUB on the subject, "Resolved, that the agricul-

Choose Wisely This Year

Candidates for class officers will begin to visit living groups on campus this week. The day of election is November 10th, so there isn't much time to look over the candidates.

When looking over the candidates for the officers of your class make sure that you make an intelligent choice. Popularity contests shouldn't be the controlling factor in these elections, but in the majority of the cases they are.

Candidates should be considered on their ability, not on who they are. These people that you elect will be your representatives for your class in campus affairs. Class officers may not be entrusted with too many duties, but those they are assigned to perform should be in the hands of students that are capable of carrying them out so that the whole class may be proud. Each class has its week during the year, and a large amount of success during this week will depend on the officers you elect.

Class weeks may include many new ideas if they have the proper people in the proper place. Incapable officers may make the week a complete flop instead of a rousing success that it ought to be.

Don't be one of those who make all kinds of complaints about things that might have been. The officers aren't to blame, only you the students, can be blamed for your selection of officers.

It may not be possible in some cases to find out the candidate's qualifications, but in most of the cases, the best candidate can be found with little or no effort on your part. Freshmen may have a little harder time to find out who the best candidate is, but this should not be an excuse to vote blindly.

College is not only the place to attain an education from books and social life, but it is the place where the ground work for you as present and future voters, is laid to make you the better citizens in your home town. How you vote in the coming election may not seem to make much difference to you as individuals, but you as citizens, now or in the future, are the one who have a voice in the affairs of your city, state or country.

Make your vote an intelligent one, but be sure you vote. The ground work is present, make use of it as part of acquiring a sound education no matter what your vocation may be. Use your head for a better Idaho today and a better America for tomorrow.

—D. N.

Complication Can Cancel

Friday morning our football team leaves for Corvallis and a pretty tough game. Dale Carlisle, yell leader, is trying to drum up a little business for a send off rally. He tried to have a send-off the last time the team left but complications developed.

One complication was the unavailability of the pep band. The procedure for getting it together had not been given to Dale and he could not give the band the week's notice required. Also it was impossible to get a sound truck to replace the band.

Another complication that always seems to develop is a lack of students. Sure the team has lost a number of games. But does this mean we should give up trying to get a winning combination? The answer seems obvious. No! Well, part of a winning combination is real student support. It's going to be early, 7:15 a.m., and it may be cold and snowing, but is that going to stop the rally? If it does we've got a pretty weak-willed student body! So, here's a challenge. Let's see you on the SUB patio.

—J.W.K.

NOTICE

Anyone interested in continuing his Boy Scout work can do so by joining Alpha Phi Omega, National Boy Scout honorary. Reorganization meeting Tuesday, Nov. 1 at 7:30 in the second-floor lounge of the SUB.

Asked to pray for warm weather so that his grandma's rheumatism might pass away, a five-year-old knelt and said: "Oh, Lord, make it hot for grandma."

Have you discovered the Olivetti portable typewriter?

\$88 plus taxes

The Olivetti Lettera 22 is complete—provides all regular features of office-size typewriters, plus special features like Add-A-Line and Correcto-Space that save time and make for neater typing. It is light—truly the portable typewriter—yet it doesn't "creep" while you type. It is handsome—has been included in many good-design exhibits.

Price includes attractive two-tone carrying case, dust cover, cleaning kit, and choice of Elite, Pica or distinctive Lettera type. Come in and try it!

UNIVERSITY STUDENT BOOKSTORE

DOWN BEAT

It has been a little more than two years since Down Beat magazine selected Ralph Marterie as "the Down Beat Orchestra" and began to follow his career closely in the hope of learning about some of the ailments of the dance band industry and seeing what difficulties and woes might lie in store for an orchestra setting out in troubled times.

At that time, Ralph had only recently given up a comfortable job as staff trumpeter on the Chicago-ABC outlet to try his hand at becoming a leader. Several records he had made for Mercury with a studio orchestra had not only sold encouragingly well, but stirred up enough interest among ballrooms and colleges in the area to warrant taking a chance at quitting ABC and hitting the road.

A couple of months after the Down Beat orchestra went on the road in earnest, it got its first major break. The Marterie disc of "Pretend" hit the shops and became the first dance-band instrumental in many years to top the hit parade.

Then, just as "Pretend" had about faded from the picture, Marterie tapped the jackpot once more with his infectious, up-tempo "Caravan" which leaped to a million sales.

Since that time, Ralph has been working steadily—mostly one-nights with occasional locations stands like the Hollywood Palladium and Chicago's Melody Mill sandwiched in. And his Mercury recordings of "Crazy, Man, Crazy," "Skokiaan," and "Maybelline" have kept him on the sales charts.

With signs pointing to a big resurgence in dance band popularity, Marterie now has the experience and know-how to capitalize on it in a big way. He is, as they say, in business to stay.

Literature

A raft of new books on jazz will be available soon. Just out is Leonard Feather's "The Encyclopedia of Jazz" which consists of 1065 biographies plus photos and articles on jazz.

Ready for release early next year are: Marshall Stearns' history of jazz, "The Story of Jazz;" Andre Hodeir's analytical work, "Jazz: Its Evolution and Essence;" and an anthology of writings about jazz, both fictional and nonfictional, edited by Richard Gehman and Eddie Condon entitled "The Eddie Condon Book of Jazz."

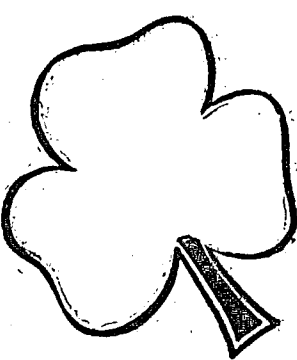

Concerts

The next big jazz concert tour to kick off will be the Associated Booking Corp's "Modern Jazz of '56" featuring the Dave Brubeck quartet, Gerry Mulligan and his sextet, Carmen McRae, and the Australian Jazz Quartet. It will begin Nov. 4 and cover the East and Midwest with the possibility of a Western tour also. New York's Birland nightclub is putting together a jazz tour to start in Feb. Already lined up are Sarah Vaughan, Al Hibbler, the Count Basie band, Miles Davis, Bud Powell, Johnny Smith, Candido, and Lester Young.

Lynch To Present Little Bit O' Erin

Two noted voices will be heard when Christopher Lynch, the Irish lyric tenor, presents a concert at the Moscow high school auditorium at 8 p.m. Saturday, November 5, it was learned here today.

Lynch will introduce the new singing star from Dublin; Joan Walker, Miss Walker has sung in such Broadway musicals as Rodgers and Hammerstein's "Me and Juliet," and on various television productions, including "The Show of Shows" and the Arthur Godfrey show.

Although now in her early twenties, she considers herself a veteran of the concert stage, for she has been appearing professionally as a singer since she was 17. Making her professional debut as a soloist in a Dublin performance of Handel's "Messiah," she progressed to leading roles in the Dublin Grand Opera society's productions. She has signed a contract for next year to be starred in her own concert unit.

Lynch, who has been called the "successor to the late John McCormack," will give a program varying from an operatic aria to a sacred number, but emphasis will be on Irish folk music. Both Lynch and Miss Walker were born and raised in Ireland, and have attracted international attention primarily for their interpretations of their country's music.

The Irish singers are being brought to Moscow under the sponsorship of the local Knights of Columbus. The concert is being staged to raise funds for the Knight's Boy Scout program.

Nealey Awarded Personal Grant

Stanley M. Nealey, senior from Aberdeen, has been awarded a \$250 scholarship by the Pacific Northwest Personnel Management association, announced Charles O. Decker, director of student affairs.

Nealey won the scholarship in competition with students from other schools in the Inland Empire. A psychology major, he said he plans to go into personnel management because "it affords opportunities to work in industry in a preventive capacity" rather than go into the medical field of psychology. He was nominated for the award by Professor W. H. Boyer, head of the psychology department.

Following his graduation from the University Nealey plans to work for an advanced degree. His present courses include physiological psychology, elementary abnormal psychology, social institutions and mathematics. His wife, Phyllis, formerly of Parma, is also a student at the University, majoring in elementary education.

GUILD KEEPS BUNDY

The Radio-TV Guild elected officers for the fall term October 24, retaining Don Bundy as proxy and voting Scott Peters vice president, Carol Anderson, secretary, Helen Siniff corresponding secretary, and John Ready as treasurer.

Also discussed at the meeting was a forthcoming conference in Spokane with EWCE, Holy Names Academy, and Idaho. The Guild will meet tonight at 7 in the Radio Center.

KUOI Dants D.J. Show Auditioners

KUOI needs announcers for its disk jockey shows. Anyone interested in auditioning may do so Monday through Thursday from 3 to 4 p.m.

KUOI is now airing the Career Hour every weekday from 10:15 to 10:30. This program is designed to give the seniors information about job openings in their fields. The Career Hour, operated in conjunction with the Student Placement Bureau, is a mixture of pops and information about available work.

Some women are like watches. They may have pretty hands and shining faces but they are hard to regulate once they are wound up.

"I draw the line at kissing," She said with fiery intent. But he was a football player, So over the line he went.

Breakfast Is Served By Lambda Chis

"Close the door, they're comin' in the window," was the theme of the Delta Chi's pledge dance while the talented fellows of Campus Club entertained Ethel Steel with a rendition of the French Can-can. Sneaking ATO pledges rang the Phi Delt bell during the "brawl" on the Ad lawn Sunday. Lambda Chis served Pi Phi breakfast—early in the morning with dancing and cards after.

ETHEL STEEL HOUSE

Campus Clubbers can Can-can say the gals of Steel who enjoyed that French medium at the Halloween exchange, Wednesday evening.

Best wishes to Kathy Zimmerman of Seattle, weekend guest of Sonya Bond, who surprised ESH Sunday morning with a diamond from Dwight Chandler, Lindley.

ALPHA TAU OMEGA

Padlock the light box? Yes, the pledges did just that before sneaking off to Spokane for the weekend. Members had to "tear apart" the box to restore electricity, but "stretching" clothing from the Pi Phi house and distributing shoes to the other sororities.

Returning pledges found the Phi Deltas too busy Sunday to fight back so the bell was rung.

Members entertained the University engineer and wife, Mr. and Mrs. George Gagon; and Mr. Paul Bieler, also an ATO alum.

Wednesday dinner guest was John Bradley.

PI BETA PHI

Thanks to the SAEs for lovely serenade Sunday evening honoring the 1956 Violet Queen, Shirley Henriksson.

Phi Phi also thank the Fijis for the wonderful exchange on Wednesday.

A messy but peaceful house was left by the sneaking pledges on Monday. Pledges brought a delicious cake back from the journey, a peace offering maybe?

Mrs. Hugh Benfer and Mrs. Bert Orr, both of Idaho Falls were entertained as dinner guests, Sunday.

To Joanie Wicklund and Mike Day, SAE, congratulations on the recent pinning.

DELTA CHI

Big news from the DC house is the pledge and initiation dance held on Friday evening with the theme "Close the door, they're comin' in the windows" represented by characters from "Mad Comics." Each pledge was an "individual" character.

Dr. and Mrs. C. Norton Coe are to be thanked for being chaperones.

FORNEY HALL

Ghosts, goblins and ghouls of Forney held a Halloween fireside Sunday night. The trip to the haunted house was sooooo spooky, oh what, Beth Sims?

Any stranger might have had doubts about the gals' taste in clothes Friday evening at dinner when even the hashers joined the fun by wearing bright ties and

Church Starts New Fellowship

The formation of a new Lutheran young people's group has taken place on campus this year. Gamma Delta is a national church organization set up to provide fellowship and religious study for college students. The group is associated with the Missouri Synod of the Lutheran Church.

UPHAM HALL

There are thirty members at present including a combined student group from both the University of Idaho and Washington State College. Other Northwest chapters are located throughout Idaho, Washington, Montana, and Oregon.

Activities include topic discussions, hymn sings, work projects, and social hours. A new chapel and youth center is under construction in Pullman for future use this year. Meetings are held the first and third Sunday of each month. New students are invited to attend church services and participate in Gamma Delta and its functions.

Home Ec To Give Parents' Lessons

"Understanding Your Young Child" is the topic of a series of lessons for parents that will be sponsored by the Adult Education Class of the University of Idaho Home Economics Department.

The first meeting to be held on Thursday, November 3, at 7:30 p.m., in Room 103, Home Economics Building, will be on "Food As Children See It." The interests and problems of those enrolled will determine the remaining lessons. For further information call 2-6211.

Informal Recital Is This Morning

The second in the current semester's series of informal recitals by University of Idaho music students will be given this morning at 11 a.m. in the recital hall of the Music Building.

Appearing will be vocalists Edward Eldridge, Rochelle Thornock, Nan Soden and Marie Van Orman; and trombonist Charles Clauser. Shirley Danielson, Judy Crookham and Margaret Johnson will serve as accompanists.

Announcements and explanations of fellowships and scholarships in music available at other schools in the United States and abroad will be made by Professors Agnes Schuldt and Elwyn Schwartz.

Sloppy Males Irk Gals; Campus Men, Take Note

STORS, Com.—(ACP)—Gentlemen, you're on the defensive. A female feature writer in the Connecticut Daily Campus has this to say about the apparel of the average college male:

"Male students on campus seem to dress mainly for convenience. It may be easier to get up in the morning and throw on an old shirt and a pair of khakis for your eight o'clock class, and who has time to shave, you may say, but have you ever thought of the appearance you present to others?"

"The business world stresses neatness and partially judges character by it. Of course it is all right to be comfortable, but this can be accomplished along with a neat appearance."

"Just what do you consider proper dress?" you may ask. Here is what a cross-section of co-eds on campus think about it:

"The ideal man wears clean, pressed khakis, a v-necked sweater, and please, boys, with a shirt under it, or maybe, on occasion a suitcoat. The latter, along with a shirt and tie would be greatly appreciated for evening wear in the Student Union by the way. Our 'hero' also has his hair combed, or at least resorts to the well known alternative of getting a bitch haircut, so that it won't show. To go on, he takes time to shave in the morning. Nothing looks worse than a two-day beard. You never have time? Then why not try setting your alarm five minutes earlier for a change?"

"You may think that these are rather strong words and that girls have no right to intrude into the men's world of mannerisms and habits. Think a minute: It is our school too, you know. Did it ever occur to you that your dress may have something to do with the higher opinions that are reserved for the so-called 'Ivy League' schools?"

"How about it, boys? Why not try to start this year off right. The freshman boys are going to follow your example so make it a good one. It doesn't require a new wardrobe, you know, just a little thought and effort."

"What I can't understand," observed a I. U. law student, "is how a jury of six young men and six young women can be locked up in a jury room for twelve hours and come out and say 'not guilty.'"

K-VETS MUST FILE
Korean veterans in training under P.L. 550 must file monthly certification with the VA between November 1 and November 4. Forms are in the student counseling center. Failure to file on time will result in a delay of one month in educational benefits.

"Well I'll be damned" said the little brook as the fat lady fell off the bridge.

Social Activities Include Retreats

Interesting discussions during coffee hours and parties are sparking church group social activities this week.

CANTERBURY

There will be a coffee session at 7 tonight. Reverend Blewitt will talk on "Are We Being Educated for Mediocrity?"

Canterbury thinks Dr. Fleming for his interesting talk last Sunday. Communion will be at 7 a.m. this Wednesday.

WESTMINSTER FORUM

Coffee will be served at the CCC this afternoon by the Westminster Forum.

The Presbyterians will meet the Baptists in a volley ball game in the Presbyterian Church basement at 8:45 p.m.

The executive board will meet in the church at 9 p.m.

The annual "Retreat" will be this week-end at Camp Lutherhaven. The theme is "Are Christians Different?"

WESLEY FOUNDATION

November 14 is designated as "Four Nights For God" at the Methodist Church with Reverend C. J. Forsberg as the guest speaker.

Wednesday afternoon the WF will sponsor a coffee hour at the CCC at 4 p.m.

A College Church Membership Seminar will be held at 4 p.m. this Thursday with a choir practice at 6:45 p.m.

There will be a sports-variety party this Friday at WSC. Cars will leave the CC at 7:45 p.m.

Committee Position Given Dean Martin

Dr. Boyd A. Martin, dean of letters and science, has been recently appointed to the Commission on the Organization of Peace, a research affiliate of the American Association of the United Nations.

The committee on which Dr. Martin will serve will study the selection of United Nation members, the voting of the Security Council and its relationship to the General Assembly.

Dr. Carlos Davila Taken By Cancer

Dr. Carlos Davila, one of the featured speakers at last year's Borah Conference, died of cancer last Thursday in Washington, D.C.

Davila, one-time provisional president of Chile, was the founder of several newspapers and magazines there. Awarded the Cabot Prize by Columbia School of Journalism in 1941, Davila is the author of "We of the Americas." A native of Chile, he studied at Columbia University and the University of Southern California and served four years as the Chilean ambassador to the United States.

The United Nations General Assembly held a one minute silence in respect of Dr. Davila and Chile declared two days of mourning for the ex-president.

Engineers To Hear Telephone Staffer

The AIEE student branch will present Robert H. Taylor of Bell Telephone Laboratory who will speak to students and faculty in room 104 Engineering Building on Tuesday, November 1 at 7:00 p.m.

Taylor's talk will be on "New aspects of Trans-oceanic Telephony." He will describe the new submarine cable which has just been laid across the Atlantic ocean which will make possible the first undersea telephone conversation. The A.T. and T. Long Lines Department plans to lay similar cables from Port Angeles to Ketchikan and from San Francisco to Hawaii in the near future.

Taylor was a member of the staff which designed the new type deep water repeaters. He graduated at Yale University in 1947 in mechanical engineering. He is a member of Sigma Xi and Tau Beta Pi honor societies.

CONVAIR
A DIVISION OF GENERAL DYNAMICS CORPORATION
Pomona, California
Announces!
TUESDAY, NOVEMBER 8, 1955. CAMPUS INTERVIEWS FOR ENGINEERING AND SCIENCE EMPLOYMENT OPPORTUNITIES
offered to persons trained in...
ELECTRONICS • MECHANICS
AERODYNAMICS • THERMODYNAMICS
MATHEMATICS • PHYSICS
CONVAIR-POMONA (California) A Division of General Dynamics Corporation, offers unusually challenging opportunities in one of the most modern, air-conditioned and best equipped engineering departments in the country.
The division, located in Southern California, is engaged in research, design and production of special weapon systems for the U. S. Navy
Bureau of Ordnance. The well-known guided MISSILE, "Terrier" is a product of this division.
The training program for engineers with no previous experience generally includes an orientation to the department and division, product familiarization, and first work assignment in the test laboratories or design groups working with experienced engineers.
See posters on your bulletin board or contact your placement office for specific time and place interviews will be held.

VANDALS DROP SIXTH; FROSH IN EASY WIN

Fumble Costs Early Score; Resa Suffers Concussion

A fumble in the end zone cost Idaho a first minute touchdown, one star lineman was injured to the extent that he will never play football again and another stalwart was put on the injury list in the Vandals' 25 to 0 defeat at the hands of the Oregon Ducks, Saturday.

In the first minute of play Idaho quarterback, Howard Willis intercepted an Oregon pass thrown by Tom Crabtree on the Idaho 40 and ran it back to the Duck five yard line. But on the fourth down plunge fullback Wilbur Gary fumbled as he was going into the end zone and Oregon back, Dick James pounced on the ball for an automatic touch-back.

80 Yards

Oregon drove 80 yards for their first score immediately after recovering the fumble. T. Crabtree faked a handoff to his fullback and instead gave the ball to halfback James on the five and he went into the end zone for the score. Jack Morris' kick for the extra point went wide and Oregon led 6 to 0.

Idaho put up a strong defense for the remainder of the first half until injuries to Elvind Resa and Howard Willis weakened Skip Stahley's squad.

Resa suffered a concussion and a deep gash in his skull and had to be removed to the Eugene hospital. He was released Sunday, but his football playing days are over. Resa was a tower of strength in the Idaho line and his presence will be sorely missed in the remaining three games.

Another Year

A junior, Resa has another year of eligibility left but the injury was too severe to allow him to continue playing, according to head coach Skip Stahley. Resa also suffered a mild concussion last season. Willis picked up a sprained ankle and is a doubtful starter in next weekend's game against Oregon State.

Two Drives

Idaho put together two second quarter drives but failed to get past the Oregon ten on either occasion. The short passing of Nick Uglesich carried the Vandals to the Duck 18 before being stopped, and the other drive ended as Hank Loumena (5, run). Conversions;

Late in the third quarter a mid-field exchange of fumbles ended with Oregon getting the ball on the Idaho 32 and the Webfoots drove to a 12 to 0 lead with halfback Jim Shanley picking up the last six yards around end. Shanley scored again early in the final period, darting through the line for 30 yards and six points. Jack Morris made the extra point on a 40 yard kick after the Ducks received two penalties.

Final Score

Loumena added the final Duck score later in the fourth quarter on an end run.

Approximately 9,000 fans were on hand for the game which was played on a blustery, rain-spattered day that contributed to the many fumbles by both sides.

Coach Stahley commented after the game that the team played extremely well for the first half but they just ran out of horses in the latter part of the game. He added that the team didn't tackle well because of the speed of the Duck's pony backfield.

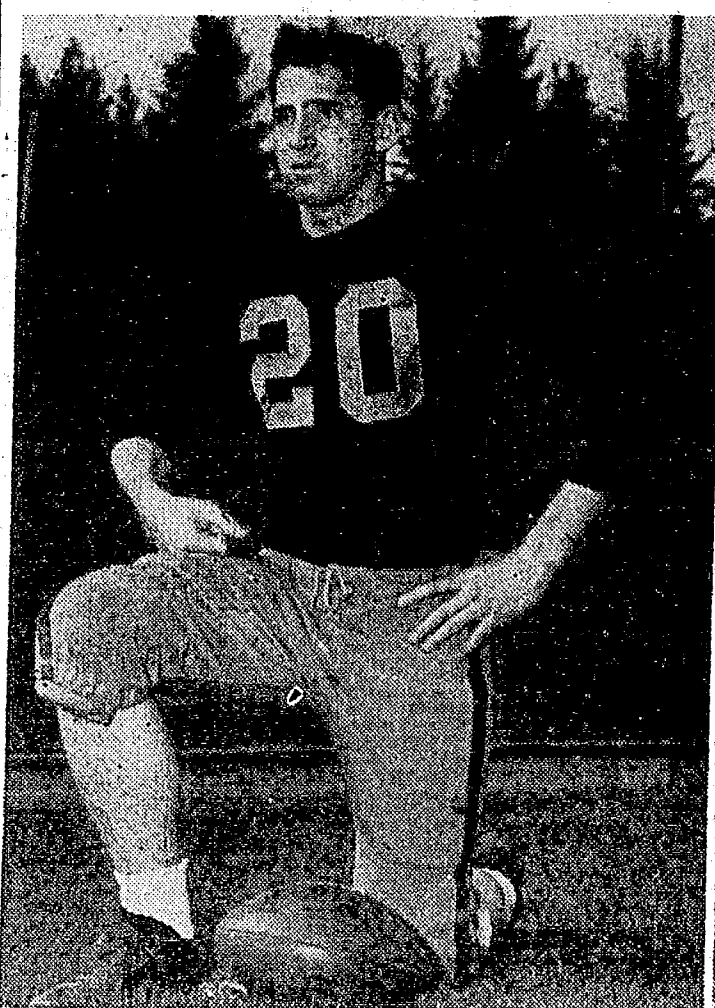

Stahley also stated that he was especially pleased with the play of fullback Warren Hawley who filled in for regular, Wilbur Gary. "He played much better than he has ever played before," said the Skipper.

The Yardstick

	Idaho	Oregon
First downs	11	20
Rushing yardage	56	335
Passing yardage	173	89
Passes attempted	21	19
Passes completed	11	8
Passes int. by	1	2
Punts	4	3
Punting average	25	42
Fumbles lost	3	2
Yards penalized	55	95

Oregon scoring—TDs: James (4, run); Shanley 2 (6, run, 30, run); Loumena (5, run). Conversions; Morris.

May Miss Saturday's Game

Shown above is Mel Schmidt, 200 pound halfback from Coeur d'Alene, another doubtful starter for the Corvallis game. Schmidt missed the trip to Eugene with a leg injury which has kept him on the sidelines nearly all year.

Howard Willis, pictured above, may possibly not see action against the OSC Beavers come this Saturday due to a sprained ankle he suffered in the Oregon game. Willis was the main Idaho offensive threat at the beginning of the year but has not been able to get going of late due to injuries.

Ken Hall Leads Scoring With Two TD's, Four PAT's

Gaining 100 yards in the air and on the ground to their opponents net yardage of 23, the Vandal Frosh gridmen ran over the Montana State Frosh with a 28-6 victory Saturday night.

Jack Kenny Hall, a 185 pound fullback from Newark, Delaware, sparked the Frosh through the first quarter, scoring twice on runs, one a six yard sprint around end and the other a 46 yard run. Another Vandal tally was made when T. J. Owens went around end for six yards and a touchdown.

Field Muddy

The playing field at Wallace was a sea of mud and the fumbles were many. Idaho recovered seven of their opponents' fumbles while Montana recovered but one of the Vandals'. Idaho Frosh Coach Clem Parberry said that he is going to work his boys hard this next week and try to cure them of the fumbling habit before their next game.

Each team scored once in the third quarter with Idaho's John Misetch going six yards over center on the touchdown play and Montana's Lanny Stolp galloping sixty yards to a T.D. after intercepting a pass. Hall booted all four of the Vandals' conversions. Vern Tennant of Montana went off tackle from his own 4 yard line for a 66 yard sprint to the Idaho 30 for the longest run of the game.

Worked Hard

Coach Parberry said that everyone had worked hard and that all the boys played an exceptionally fine game. His former fears of a weakness in the line seemed somewhat allayed. He also said that the

Babes had shown a very good aerial and ground offensive and an exceptional defense. Showing up well defensively were quarterback Bill Davidson, tackles Jim Prestell, and Fred Borque, and guard Jim Fitch.

The Vandal Babes meet the University of Washington Frosh Saturday at Seattle and the weather looks to be wet over there. The Husky Pups promise to be a lot tougher than Montana as shown by their 7-0 win over WSC Couababes.

The Yardstick

	Idaho	Montana
Yds gained pass	11	13
Yds gained rush	216	28
Yds lost rush	37	18
Net yardage	190	23

ARDEN FARMS CO.

Varsity BB Out Today

Coach Harlon Hodges, 1955-56 varsity basketball candidates hit the hardwoods this afternoon for their first regular workout of the season.

A large turnout is expected including two stars from last year and eight or ten members of last season's frosh squad, which was rated by many as the best in the school's history, winning 12 of their 14 games.

Back from last year's Vandal team which ended in fourth spot in Northern Division play are guard Bill Bauscher and forward Jay Buhler, named co-captains for the 55-56 year.

Top Scorer

Buhler was the team's top scorer in ND play with 222 points in 16 games and ended up second to Lefty Melton in the season's overall scoring. Bauscher scored 181 points in the sixteen conference games and was an outstanding playmaker, as well as being a consistent leader in free throw percentages in the division.

Heading the list of players up from the frosh is Jack Mitchell, a 6'4" guard who topped the team in scoring with 249 points in 14 games; Gary Simmons, 6' guard, Jerry Jorgenson, 6'5" forward, Bob Good 6'6" center and JJim Branom, lanky 6'7" forward and other sophs given an excellent chance of making the team.

Star Center

Gary McEwen star center of the 53-54 freshman squad ineligible last year will also be out.

The Vandals pre-conference schedule this season will be highlighted by a one week tour of the south, starting on the 14th of December. Idaho will meet Dayton University, University of Kentucky, University of Missouri and Washington University of St. Louis, Missouri, on this trip.

Idaho's first game will be at Missoula, Montana Dec. 2 when they play Montana State University. Vandals, 16 game conference schedule opens at Los Angeles Jan. 6 against UCLA Bruins.

Football Rally Fri. At 7 a.m.

The first, last and only football send-off is planned for Friday, according to head cheer-leader Dale Carlisle.

The rally is scheduled for 7:15 a.m. Friday morning and all students are urged to turn out and give the team some much-needed and deserved support before they leave for Corvallis at 7:30 a.m.

The pep band will be on hand for the occasion.

Free coffee and doughnuts will also be served, Carlisle announced.

She "Don't you wish you were a barefoot boy again?"
He: "Not me, lady. I work on a turkey farm."

Semis Reached In ASUI Golf Tourney

In ASUI golf competition last weekend, last year's tourney finalists battled their way into the semi-finals of the current tournament.

Defending champion, Bob Adamson outplayed Rusty Sheppard 6 and 5 and veteran Bob Campbell ousted John Rosholt 2 and 1.

Adamson took the early advantage from Sheppard with a first hole birdie. Bob, then compiled four more birdies on the remaining 12 holes to win by a wide margin. Sheppard failed to win a hole during the match.

Rougher Time

Bob Campbell had a slightly rougher time in his win over Rosholt. The young freshman took a one up lead on the third hole with a birdie. His lead remained until Campbell won the seventh and eighth holes with pars. The match was halved again on the 10th by Rosholt's long putt.

Campbell then shook the freshman by winning the 12th and 13th. Rosholt rallied to win the 15th, but lost the 16th and halved the deciding hole. Campbell was two over par with 3 birdies and Rosholt erratically stroked home four birdies.

Bad Weather

Both matches were played in unfavorable golf conditions. Adamson now meets Tom Miller and Campbell takes on Gary Wagner in the semi-final matches. No other matches were played due to the uncooperative attitude of the weatherman.

The Lewis-Clark League team match, scheduled for Sunday at the University course, were called off because of the weather factor.

INTRAMURALS

Today's Football Schedule

- Field 1 DC vs. SC
- Field 2 KS vs. LCA
- Field 3 TKE vs. SN

CHALK TALK

with Don Neville Smith

"I guess we're just a team that can't get the ball across the goal line." These were the sentiments of Vandal head coach Skip Stahley after watching his team go down to their sixth straight defeat of the season. It was the third game in a row in which Idaho had failed to score.

However, Stahley should gain some satisfaction from the weekend. The Vandal Babes rolled to a 28 to 6 win over the Montana Frosh. Things look promising for next year with Ken Hall, John Misetch, T. J. Owens and Bill Davidson the frosh backfield that never stop rambling.

Hit The Road

The Vandals hit the road again this weekend with another jaunt into Oregon, this time to Corvallis to meet the Oregon State Beavers, the team that really upset the applear Saturday with a surprising 13 to 7 win over the powerful Washington Huskies.

The Beavers have really gone places this season under new head coach Tommy Prothro who has installed the UCLA single wing system that he learned under Red Sanders while attending the California school.

Surprise

OSC has surprised everyone this year winning three while losing three and are out to pick up win number four against the crippled Vandals.

We raised our percentage in the Prediction League to .700 with 8 out of 11 Saturday although we pulled a goof on the big one and were crossed up by a couple of startling upsets. Namely, OSC's win over Washington and Minnesota's 25 to 19 win over USC.

Notre Dame did the expected and dropped Navy from the ranks of the unbeaten, much to our consternation with a surprisingly easy 21 to 7 win.

Coast Edge

When UCLA defeated Iowa 33 to 13 a week ago it gave the Coast a 4-2 edge in competition with the Big Ten teams and it was expected that USC would up it to 5 to 2 with a win over Minnesota. However, the Golden Gophers crossed up everybody, including us with their victory.

UCLA continued on its merry way with a 47-0 blast of hapless California and Stanford rambled

over San Jose State 34 to 18. The Cougars from across the line failed to put as good a showing against the COP Tigers as did the Vandals. COP trounced the cow college boys 30 to 0.

No Pushover

Montana showed that they will be no pushover from here on out as they gave Colorado A&M, top team in the Skyline Conference a real scare before bowing down 12 to 7 on a last minute goal line fumble.

Another future Vandal opponent, BYU also showed well last Saturday, dropping a tough 14 to 7 game to the powerful Wyoming Cowboys.

Two bruising battles shape up in California this coming week-end as USC host Stanford in conference play and UCLA Bruins travel to Stockton to meet the COP Tigers in a night contest. The latter game should be a rough-tough affair throughout as COP have been trying to gain entrance into the PCC for several years now and would like nothing better than to upset or even give the number one team in the conference a rough going.

In Running

USC are still very much in the running for conference honors, although are ineligible for the Rose Bowl. The Trojans have lost only to Washington in the PCC and are pointing for their Nov. 19th match with UCLA.

Stanford are even up at three and three in the season's action but are the type of team to pull an upset as show in their win over Ohio State and their 7 all tie with Washington.

Switching sports rapidly we see that Harlan Hodges men will hit the courts this afternoon. This should be one of the most successful basketball seasons in Idaho history if sophs come through in key positions.

Until Friday.

Conductor: "Madam, you'll have to pay full fare for that boy. He must be over twelve."

"How can he be over twelve, when I've only been married ten years?"
"Listen lady, I collect fares—not confessions."
