Blue Key Awards Best Talent

Here are the winners of the Blue Key Talent Show (see story page 1). Friday night winners included, left to right: Judy Crockham, Nan Soden and Carolyn Sanderson, piano quartet winners, Kappas; Marporie Assenderlund and Carolyn Edwards, Gamma Phi Siamese dancers; Jim Lund, John Mix, Bill Tunberg and Robin Knudsen, Phi Delt comedy dixieland band members; Kent Ahlschlager and Dick Newell, Sigma Nus, of Dear John correspondence; and Lariet Montgomery, baritone winner in serious musical. The show attracted about 3,000 students, faculty and townspeople. (Photo by Bob Stolley)

3000 Applaud Talent Winners

Judges were faced with a difficult task in selecting the winners from among the 25 acts presented at the Blue Key Talent show held in the Memorial Gymnasium Friday night. Approximately 3000 persons attended the annual event.

Tryouts Are Set April 21 For Songfest

Ten women's and twelve men's living groups have entered the preliminary tryouts for the University of Idaho Song Fest which will be held in the Memorial Gymnasium on April 21. Tryouts to cut the number of contestants in each division to five will be held at 1 p.m. for women and at 3 p.m. for men in the Recital Hall of the Music building. The annual songfest is sponsored by Sigma Alpha Iota and Phi Mu Alpha, national music honoraries, and is slated for May 13.

Preliminary tryouts will be judged by the University Music Faculty. The groups will be judged on presentation and quality of program and on intonation, phrasing, accuracy, interpretation, and general musical effect. The Song Fest Committee will appoint the judges for the May 13 competition. Groups which are eliminated in the preliminaries will be urged to form mixed groups to enter in the mixed chorus division. The matching of these groups will be with the approval of the song fest committee.

Six Dollar Fee
Selections must be approved by the committee and the six dollars entrance fee will reserve a song for the use of one group. Each group will supply the Song Fest Committee with three copies of the arrangement to be used in competition. However music for mixed groups may be borrowed from the University Music Library. All groups will be required to purchase two massed numbers this year: "Onward, Christian Soldiers," and "Battle Hymn of the Republic," both arranged by Ringwald.

The Darrell Callihan Memorial Trophy will be presented as a traveling trophy to the winning men's and women's living groups. For the new mixed groups division the Song Fest sponsors will award a traveling trophy. There will also be three cups presented as permanent trophies, one to each of the winning groups. Groups entered in the Song Fest are: Gamma Phi Beta, Hays Hall, Forney Hall, Kappa Kappa Gamma, Pi Beta Phi, Alpha Phi, Alpha Chi Omega, Kappa Alpha Theta, Delta Gamma, Delta Delta Delta, Chrisman Hall, Willis Sweet Hall, Delta Tau Delta, Sigma Alpha Epsilon, Alpha Tau Omega, Phi Gamma Delta, Tau Kappa Epsilon, Delta Sigma Pi, Sigma Chi, Gault Hall, Lindley Hall and Delta Chi.

HS News Meeting Over; Many Take Home Prizes

Potential newsmen returned to their homes Saturday, filled with ideas to better their respective high school newspapers following the two-day Idaho High School Journalism conference held here last week. Many of the 357 delegates officially registered for the tenth annual session also took home awards for their papers and themselves.

Inter-Church Easter Service Early Sunday

An all campus Easter Morning Service will be held Sunday, April 1, at 8:30 a.m. on the Old Ad Steps between the present Ad Building and the Home Ec Building. The program is sponsored by the Inter-Church Council. Bob Bakes will be the main speaker on the program. Lariet Montgomery will sing "The Lord's Prayer," and choral music will be furnished by a small group of Vandaleers led by John Herrett. Sally Beattie will be the organist for the service.

Committee Chairman is John Chapman with other committees being headed by Carol Webster, music; Janet Harding, programs, and Jim Heer, publicity; with Wesley Allen as committee helpers.

Named Crescent Girl

Nancy Burns, Gamma Phi, was selected Lambda Chi Crescent Girl Saturday night at the annual L Chi dance. She will enter national competition with other Crescent Girls from Lambda Chi chapters throughout the United States and Canada. She was picked from a field of five candidates.

Three Party Slates Set; Greeks Choose Tonight

The Independent and Campus Coalition Parties officially announced their complete slates for the forthcoming ASUI spring elections yesterday, leaving only one political party to finish drawing up their candidates.

Exec Board Has 3 Plans For Selection Of Veep

Dissatisfied with the present method of selecting the ASUI vice-president, the Executive Board last week suggested three new plans and submitted these proposals to the Board for selection at a meeting yesterday. ASUI President Chuck McDevitt explained the pros and cons of each proposal and the presidents will discuss the issues with their houses. The strongest plans with student backing will be placed on the ballot of the forthcoming ASUI elections as constitution amendments. McDevitt pointed out that the Board will take action only if the plans are supported or if the students want a change.

Campus Chest Funds Divided Twelve Ways

Money collected from the Campus Chest Drive will be apportioned out to twelve organizations this year. Six new causes appear on the list and two of the old ones were dropped, in comparison to the breakdown last year. Freedom Crusade, Red Cross, Polio Fund, Cancer Fund, Sandpoint Opportunity School for handicapped children and the Ucon Opportunity School for handicapped children are new appearances on the list. Save the Children Federation and the Happy Mt. Orphanage were dropped from last year's list.

The Executive Board approved Tuesday the list of twelve and the percentage of the money collected that will go to each. Donations will be sent to the organizations as soon as the rest of the money pledged during the drive is collected. Approximately \$300 is still out, said ASUI president Chuck McDevitt.

Following are the lists of organizations for both this year and last. As scheduled for this year: 20 per cent, Religious Emphasis Week; 5 per cent, Freedom Crusade; 10 per cent, Elks Convalescent Home for polio in Boise; 5 per cent, Red Cross; 5 per cent, American Heart Association; 5 per cent, Polio Fund; 5 per cent, Cancer Fund; 10 per cent, World University Service; 5 per cent, North Idaho Children's Home in Lewiston; 5 per cent, Crippled Children's Society, Boise; 10 per cent, Sandpoint Opportunity School for handicapped children; 10 per cent; Ucon Opportunity School for handicapped children near Idaho Falls; 5 per cent for a hold-over fund to meet immediate costs of next year's drive.

Last year's list: 15 per cent, Religious Emphasis Week; 10 per cent, Save the Children Federation; 10 per cent, Happy Mt. Orphanage.

Independents Set Service Platform

The Independent party, feeling the pressure of all campus third and fourth parties, has evidenced this year it will stand strong for service to the Independent living groups. The party ran Dick Gaskins and John Thornock, both strong presidential candidates and members of the Executive Board, with Thornock winning. Gaskins said he will continue to support the party but will not run for Executive Board.

The Independent caucus was set up for representatives to serve the Independent living groups, unify their relationships, improve activities, and participate in and contribute to the political and social activities at the University.

Last year the party placed on the Exec Board Carol Rojan Pietsch, Dick Gaskins, Dick Daniels and John Thornock. Thornock is the party choice for the ASUI presidency.

Explains Representations ... ASUI elections party chairman is Jim Russell. He recently explained the membership consists of one representative for each 50 residents or major fraction thereof of any recognized living group organization not represented on the Pan-Hellenic or IFC councils. Each group has at least one representative plus the president, as members of the Caucus. They are chosen at the first of each semester and represent their living groups in at the first of each semester and represent their living groups in nomination assemblies for student government elections and work on primary elections.

Russell pointed out the caucus consists of a president, veep and secretary-treasurer. The president appoints committees and handles each meeting while the vice president is fully in charge of the caucus social activities.

During class elections, Russell said, candidates for each class are chosen from a group consisting of one nominee from each class or organization represented on caucus. Each group makes unlimited nominations for ASUI President and Executive Board elections.

HONORARY TO INITIATE
Kappa Delta Pi, National Education honorary, will initiate new members on Thursday, March 29, at 7:30 p.m. in the Syringa Room of the Student Union Building.

The Golden Fleece by Jason

Why does the University of Idaho student body hold an annual Campus Chest drive? This is a question that each and every one of us should ask ourselves when we toss in our nickels, dimes, and quarters. But this is also a question that student leaders should ask themselves when they sit around the conference table for the purpose of making allocations from the Campus Chest Fund. This year the Chest drive, under the able direction of Junior class officials, amassed approximately \$2,000.00. When Campus Chest was first set up, the Fund was earmarked for needy groups and charitable organizations. A look at the list of groups which will benefit financially from this year's drive, points out the fact that student leaders are still apportioning the money according to these principles—with one or two exceptions.

- World University Service—10%
- Freedom Crusade—5%
- Red Cross—5%
- American Heart Association—5%
- Polio Fund—5%
- Cancer Fund—5%
- Religious Emphasis Week—20%
- Lewiston Children's Home—5%
- Elks Polio Convalescent Home—10%
- Crippled Children Fund—5%
- Sandpoint Opportunity School—10%
- Ucon Opportunity School—10%
- Emergency Fund—5%

The ASUI Executive Board, who made the final allocations, placed considerable emphasis on needy groups and charitable organizations throughout our home state of Idaho. The general consensus was why should we send Campus Chest money all over the world when that same money is needed just as badly at home.

This is good reasoning. But Jason would like to go one step further and raise this question: Can the 20 per cent given to Religious Emphasis Week be justified in light of the fact that this money was originally donated by Idaho students on the knowledge that it would be given to needy and handicapped people? Is the purpose of the Campus Chest Fund to completely subsidize RE Week speakers?

With an allocation of 20 per cent of the funds, RE Week will be getting about \$400 this next year. And yet the two co-chairmen for this last RE Week, Karen Lee Kraus and John Thornock thumped the tub for more. Operating on a budget of approximately \$300, all donated by the Campus Chest Fund last year, these two people saw fit to plunge RE Week into debt. The expenses amounted to about \$100 more than their total operating budget.

So, what happened? Two RE Week co-chairmen come bouncing into the Executive Board meeting demanding, and expecting without a doubt, that Campus Chest Funds would be used to bail them out.

Jason is not against RE Week on this campus, just so long as they operate within their annual budget. Jason also believes the RE Week deserves to receive an allocation of Campus Chest Funds so long as this donation is within reason. But when this allocation is out of proportion to the extent that it deprives groups throughout the state of Idaho who are in a much more need of these University of Idaho dollars from receiving this money, then it is high time to review and re-evaluate this particular group's position.

Ex-Student Held On NY Underage Wedlock Count

A former University of Idaho student, now a New York City art instructor, was in trouble with authorities today following his secret marriage to a girl half his age.

George Wald, 34, a postwar University of Idaho student, was charged with abduction and statutory rape Sunday by the parents of a 17-year-old New York high school girl, Sydney Silverman, with whom Wald had eloped Jan. 9.

Wald, who had been married twice before, married the girl at Elkton, Mr., but saw her only on weekends because he feared Sydney's parents, who had objected to Wald's dating their daughter, would find out. The 6-foot, 235-pound veteran said he got tired of the lonely life and finally told his wife's parents the secret. They called police.

Wald, who graduated from the University of Idaho in 1949 as a postwar student under the GI bill from Brooklyn, brought with him his war bride from Scotland. She died of polio not long afterward. Wald took both his bachelor and masters degrees here in 1949 in agricultural education.

Police said lack of parental consent and alleged falsification of the girl's age on the marriage license application were involved in the charge.

According to police official, Wald went to his bride's Brooklyn home, waved the marriage license and announced to her parents "She's my wife—I want her home with me."

Military Ball Set May 18th In SUB

Wesley Rash has been appointed chairman of the Annual Military Ball to be held this year on May 18, in the SUB Ballrooms.

Rash said that an orchestra would be selected very soon. He also said that a theme centered around the three military branches on campus will be used and the ROTC cadets will choose a queen for the ball.

Scabbard and Blade, national military honorary on campus, will sponsor the dance with Arnold Air Society, Air Force ROTC group, and Eagle and Anchor, Navy ROTC group, working on the planning.

Other committee chairmen selected are Willard Lindsay, band; Fred Barrow, publicity; Bill Atchey, programs; Frank Barr, tickets and invitations; Richard A. Cook, trophy; Richard E. Cooke, queen, and Alvin Karn, decorations.

SPEECH ON SPEECH
Thomas F. Hopkins of the Idaho department of speech will speak tonight in the AAUP lecture series at 8 p.m. in Room 6 of the Home Ec building. His topic is "Bases and Processes of Speech."

in the non-musical series with a very unusual Siamese dance. Honorable mention went to Arlene Book and Shirley Henriksen who presented a twirling act.

Other acts were a Kappa trio singing "When Your Smilin," an interpretive dance by Ron Tan and Rochelle Thornock, the Alpha Phi's in "School Days," Delroy Lechelt singing "Nobody," and Forney Hall in a charleston number.

Also performing were Delta Delta Delta presenting "North Pacific," Elsie Putman singing "Embraceable You," and Holden in an acrobatic dance, a Hays Hall triple trio, Bob Whipple and other SAE's with a satire on opera, Greg Knapp singing "Granada," Alpha Chi's presenting "Steam Heat," an Alpha Phi vocal trio, and Alpha Tau Omega and Pi Beta Phi presenting dances from 1900 to 1956.

While the judges were making their decisions, Kappa Kappa Gamma, winners from last year's show, presented a musical comedy number.

Kenny Wright and Chuck McDevitt were MC's for the show, with John Payne assisting them in several instances.

Judges were Mowry O'Donnell, Moscow lawyer; Margaret Davis, a voice instructor at WSC; Walter Snodgrass, Moscow High School band instructor; and Mrs. Martha Knight, drama instructor at Pullman High School.

Co-chairmen Roger McPike and George Yost wish to thank all the persons who participated in the show and helped make it a success. They said that next year the show will be cut down to about two and one-half hours.

Kraus, Dick Visit Ecuador To Check Ag Aid Program

First University of Idaho administrative officials to visit the university's "South American branch" will be Dean J. E. Kraus of the college of agriculture and K. A. Dick, business manager of the University. They left March 20 to spend three weeks to a month in Ecuador on an inspection and coordination trip.

The visit is being made at the request of the inter-American cooperative agency established in Ecuador to administer the United States government's agricultural aid program under the leadership of the University of Idaho. Kraus and Dick will confer with members of the university's agricultural delegation at the universities of Quito and Guayaquil. They will also confer with personnel of the inter-American agency and with officials of the two Ecuadorian agricultural colleges. The University has completed the first half of the three-year contract with the Ecuadorian government.

At the University of Quito from the Idaho campus are G. W. Woodbury, head of horticulture and leader of the Ecuadorian unit; H. A. Winner, head of agricultural education, and Carroll Tyler, formerly in the department of agriculture chemistry. Woodbury will return to the campus at the end of the year, being replaced by Winner as unit leader.

At the University of Guayaquil are Lloyd D. Scribner, head of veterinary science, and Gilbert L. Corey, formerly irrigationist at the Aberdeen branch station.

Recruiting Group Picked Tomorrow

Acts to go on a recruitment tour through the state will be picked by the Recruitment Committee tomorrow night, according to Jack Cole, chairman. Tentative approval of the plan has been given by President Theophilus pending clearing of all acts picked with Chairman of Dramatics Jean Collette.

Members of the recruitment committee picked a list of possible acts from those who auditioned for the Blue Key talent show. The results of the final selections will be announced by the committee as soon as they are cleared and the acts picked are notified.

The recruitment tour idea, which was originally proposed by the Executive Board, was turned over to the recruitment committee last month to handle when the board found too many other activities conflicting with their tryouts. Jack Cole and Bob Schreiber are co-chairmen of the committee. Dick Gaskins and Carol Pietsch are working with the board in conjunction with Miss Collette.

would take logical Exec Board candidates from the different parties.

The third proposal was presented by McDevitt that if three or more candidates were running for the presidency, that the second highest individual would be the ASUI veep. In all proposals eight Board members would be elected and a veep and president.

McDevitt pointed out that in his plan the veep would be receiving all campus support and the students would be putting to use a person with presidential qualifications rather than having the losing candidates dropped from student government.

The presidents were told that this would be more or less a consolation prize for one of the presidential losers.

The President expects student reaction to these proposals to be submitted by the end of the week so the Board can act on their wishes at the next Board meeting.

"The Board feels a change should be made, but we're not going ahead with presenting any amendments unless the students are in favor of such a change," McDevitt added.

DAME'S 'HOBBY NIGHT'
"Hobby Night" will be the feature of the next meeting of the University Dames Wednesday March 28 at 8 p.m. in Conf. Room A, SUB. All members are urged to bring various hobbies and participate in the event. The Dames Choir will meet one hour before the regular meeting.

VETS MAIL BAG

Veterans Administration and the Small Business Administration have acted jointly to assure small firms a fair share of VA business.

Harvey V. Higley, Administrator of Veterans Affairs, and Wendell B. Barnes, Administrator of the Small Business Administration, set up a joint policy for setting aside many purchases for exclusive competitive award to small firms.

Mr. Higley said VA spends approximately \$200,000,000 a year for goods and services of all types and that more than 50 per cent of this business now goes to small firms.

The new policy is designed to increase the proportion of awards to small firms where possible, according to the joint statement by Mr. Higley and Mr. Barnes.

The VA agreement provides that centralized purchase requirements, with an estimated value of \$5,000 or more, will be reviewed by representatives of the two agencies.

Those procurements found suitable for award to small business will be set aside for exclusive competitive award among small firms. Either the entire amount of the individual purchase or a designated part of it may be reserved for small business in this manner.

The agreement also provides for the Small Business Administration to supplement the VA Bidders List with qualified firms which are registered with them.

VA will continue to cooperate with the Small Business Administration in its certificate of competency program. Under this program, Small Business Administration can certify to the technical and financial ability of a small firm to fulfill a specific Government contract on which it is the low responsive bidder.

Question Of The Week
Q. Is there any limit on the amount of money I can borrow, using my GI home loan benefit?
A. There is no limit to the amount of the loan, under the law. The lender, however, has a right to impose a limit on the amount he is willing to lend you. The legal limit is on the amount of VA's guarantee which is 60 per cent of the loan, up to a maximum guarantee of \$7,500.

In the sports writing contest, certificates went to Tate, and Ardell Kloepfer, Kuna, and honorable mention to Mary Tsudaka, Bonners Ferry, and James Tower Deary.

Banquet Held
Over 200 delegates attended a Friday night banquet and heard Bill Boni, sports editor for the Spokane Spokesman-Review outline a long career as war correspondent and AP bureau reporter. Other speakers were Laurin E. Pietsch, publisher of the Sandpoint News-Bulletin; Granville Price, chairman of journalism at Idaho and Ken Miller, president of the Western Engraving and Colorotype corporation of Seattle.

Why Student Government?

To many Idaho students the question of why we have student politics seems to have one answer. That answer is, we shouldn't. When we analyze the reasons, the purposes, and the functions of student politics however, I believe that the answer changes to a definite vote for the issue.

Have you ever tried to spend about eighty thousands of dollars? Well, that is one of the functions of student government. The ASUI budget reaches this much each year. This money is part of that which you pay at registration time. Not only must your student government decide where to spend your money but they are responsible for its accounting.

Even though caring for ASUI funds is a very important function of the student government, your leaders do not merely sit around figuring out ways to get the most out of your money. They are interested in helping students in other ways.

Take for example the recent squabble over Christmas vacation. Student government would have been able to reschedule it, if the item had been brought to the attention of the board in time. Even this item was not lost, however, for the students next year will benefit from a more sensible vacation schedule.

One might consider the problem of paving Sweet avenue as a method of cutting out the dust on campus and creating a new paved entrance into our campus. Until Mike O'Callaghan went to work with the rest of the ASUI Executive Board, nothing was being done about this. Now it appears as if the paving is only a matter of time. Student government has the job of setting policy for students in general and for the Student Union Building in particular. The Student Union Committee decides policy for the building.

We need student government to handle things from a student viewpoint, but why do we need student politics? Well, the simple reason is that with no way to choose student officers, we do not have student government. Student politics insure that there will be elections each year with responsible candidates selected. The practical knowledge and experience gained by running for office in itself makes politics worthwhile as a function of college life.

Of course we could trust to luck each year and hope that the logical candidates would decide to present themselves. Would you trust to luck and chance when you're money and regulations which affect your life are in the balance?

OSC Council Bans Hazing

CORVALLIS—Hazing during fraternity pre-initiation ceremonies was voted out by the Oregon State college inter-fraternity council recently; however the officials have observed that the biggest problem will be enforcement of the ruling.

The actions were defined and a stiff penalty for violations was incorporated into the IFC by-laws.

IFC president Eddie Thomas, pointed out that under the rules there shall be no "hacking" during initiation, no initiations practiced in public view, no excessive physical strain, no "happy fun games" and no form of moral degradation.

Penalty for flagrant violation of the rules would practically shut down the offending fraternity for one year. The IFC voted to put violators on a probation cutting out initiations, pledging and rushing activities, and any social functions for a year.

Dean of Men Dan W. Poling, said the decision was one which involved a great amount of study and discussion. He said "It is an action that recognizes the implication of certain policies and how they effect the fraternity system."

Daddy, why can't I go out and play cops and robbers and go swimming and fishing like all the rest of the kids do?
Shut up and deal.

MONEY ISN'T EVERYTHING

I have asked the makers of Philip Morris—an enterprising and aggressive group of men; yet at the same time warm and lovable; though not without acumen, perspicacity, and drive; which does not, however, mask their essential greatheartedness; a quality evident to all who have ever enjoyed the beneficence and gentleness of their wares; I refer, of course, to Philip Morris Cigarettes, a smoke fashioned with such loving care and tendered with such kind regard that these old eyes grow misty when I think upon it—I have asked, I say, the makers of Philip Morris—that aggregate of shrewd but kindly tobaccoists, that covey of enlightened Merry Andrews, that cluster of good souls bound together by the profit motive and an unflinching determination to provide all America with a cigarette forever gentle and eternally pleasing—I have asked, I say, the makers of Philip Morris whether I might use today's column to take up the controversial question: Should a coed share expenses on a date?

"Yes," said the makers simply. We all embraced then and squeezed each other and exchanged brave smiles, and if our eyes were a trifle moist, who can blame us?

To the topic then: Should a coed share expenses on a date? I think I can best answer the question by citing the following typical case:

Poseidon Nebenzal, a student at Oklahoma A and M, majoring in hides and tallow, fell wildly in love with Mary Ellen Flange, a flax weevil major at the same school. His love, he had reason to believe from Mary Ellen's sidelong glances and maidenly blushes, was not entirely unrequited, and by and by he mustered

up enough courage to ask her the all-important question: "Will you wear my 4-H pin?"

"Yes," she said simply. They embraced then and squeezed each other and exchanged brave smiles, and if their eyes were a trifle moist, who can blame them?

For a time things went swimmingly. Then a cloud appeared. Mary Ellen, it seems, was a rich girl and accustomed to costly pleasures. Poseidon was bone-poor and he quickly ran out of money. Unable to take Mary Ellen to the posh places she fancied and too proud to tell her the reason, he turned surlily and full of melancholy. Senseless, violent quarrels developed. Soon it appeared that the romance, so promising at the beginning, was headed for a breakup, but at the last moment, Poseidon managed to blurt out the truth.

"Oh, beloved agrarian!" cried Mary Ellen, grappling him close. "Oh, proud husbandman! Oh, foolish reaper! Why have you not told me before? I have plenty of money, and I will contribute according to my ability."

Poseidon, of course, protested, but she finally persuaded him of the wisdom of her course. From then on they split all expenses according to their incomes. Rather than embarrass Poseidon by handing him money in public, a joint bank account was set up to allow him to write checks. Into this account each week they faithfully deposited their respective allowances—35 cents from Poseidon; \$2300 from Mary Ellen.

And it worked fine! Gone was all the arguing and bickering. They were happy—truly happy! And what's more, when they graduated they had a nice little nest egg—eight million dollars—with which to furnish a lovely apartment in Lubbock, Texas, where today they operate the local laundromat.

So you see? You too can salvage your failing romance if you will only adopt a healthy, sensible attitude toward money.

Dames Model Gay, Chic, Crisp, Spring Ensembles

Effectively employing the huge sliding doors of the SUB ballrooms, the Idaho Club opened a vast "Closet Full of Dreams" to some 200 persons at their spring style show Saturday evening.

Narrator Doris Mix, herself costumed in a summery pink silk and Orlon print, introduced the models as they styled on an "F" shaped runway decked with multi-colored potted plants. With a soft piano background by Jim Horn the show began with a presentation of spring clad toddlers. A reminiscent wedding story followed including outfits of wedding party and trousseau. A bridesmaid wore a "fiftiety nylon yellow and peach" net hooped dress while the going-away suit was a Jonathan Logan blue silk, cotton and rayon with a delicate pink-check lined high-belted jacket. Beige as the accessory color, the slightly snug-fitting hip-line jacket, full skirts contrasted by a pale pink ensemble of sheath, and pencil duster with long slits and mandarin collar appeared to be vogue for coming warm days.

BERGGREN WINS NORDIC; TEAM FIFTH

Bad Breaks On First Day Causes Team To Slump

A poor showing in the opening day events, slalom and downhill, proved to be the downfall of the Idaho ski team this weekend in the National championships.

The Vandals were tenth in team standings at the end of the first day and although they put up an exceptional showing in the remaining events they were unable to overtake the leaders and ended up fifth in final team standings.

Idaho's Erik Berggren, who finished third in his specialty in last year's NCAA championship meet, topped the cross-country title and

with it he retained his Nordic Combined crown, at the NCAA championship meet at Steam Boat Springs, Colorado.

Berggren started 65.3 in the record field of 67 and overtook 19 earlier starters to finish the 9 1/2 mile course in 58 minutes and 27.8 seconds.

Besides taking the cross-country Berggren placed 13.4 in the jumping division to cinch his hold on the Nordic cup.

Teammate Reidar Ullevalseter was third in the Nordic.

Idaho's star downhill man, Frank Cammack broke his ski early in the run and fell four times in a valiant attempt to finish the race.

Windju Is Second

Denver University's Bill Olson won the jumping event but the Vandals received individual honors in the division. Per Windju was runner-up with jumps of 136 and 140 feet, while Reidar Ullevalseter, placed third with 130 and 133 foot leaps.

Dave Mukavitz of Michigan Tech jumped 146 feet on his second jump to set a new jumping record on Winter Park's 45-meter hill.

Although Berggren was able to gain the first place position in the cross-country it was not enough for Idaho to cop the event as a team. Western State won the team cross-country crown by a narrow margin.

Denver University skiers took a firm hold on their third straight NCAA team title early in the meet.

By clinching the jumping title Denver wrapped up the meet with 582.01 points.

Vandals Fifth

Runner-up in the meet was Dartmouth with a team point total of 541.77, while Middlebury was third with 541.28 points.

Idaho's outstanding jumper who has been out of competitive skiing for most of the year was only able to take 8th place position in the jumping event. His points added to the other Vandals that placed were enough to give the Idaho squad second place in that division.

Vandal points were all made primarily in the jumping and the cross-country events as every Idaho skier in these division placed in the events.

The tricky 1 and three-eighths mile downhill course proved ruin for many skiers competing in that event as 14 of the downhill skiers took spills on the run and thus ruined their standing.

Other Vandal squad members placing were Bill Bauscher, 2nd in hop, step, and jump, and third in the broad jump; 2nd in the javelin by Buzz Hanson; Jerry Kramer took 3rd in the shotput; and fourth places were taken by Dick Wisdom, hop, step and jump, Dick Shern, broad jump, and Walt Denny, 300 yard run.

Said coach Glander, "I was well pleased with the way the boys ran Saturday. I think that we will give any of the clubs on our schedule a run for their money." The varsity's next scheduled meet is with the University of Washington in Seattle on April 7.

The team has been and will continue to work out in the WSC fieldhouse. With two weeks until the next meet the squad should be in pretty good shape. Glander stated that the team will work out six days a week in preparation for the Seattle trip.

Unbeaten Frosh Swimmers

Head swim coach Eric Kirkland is very proud of this year's freshman swimming team which compiled a perfect record, winning four straight meets. Members of the team include, reading left to right, back row: Kirkland, Charles Smith, George Hall, Jim Lund, Larry Nelson and Frank Allen. Front row: Graydon Hand, Bob Harris, Alex Gilbert, Kim Larson, Jack Harris, Dave Roscoe and Leonard Lawr. Kirkland expects several of these men to be a definite asset to the varsity squad next year.

Cindermens Place 14 At WSC Indoor Meet

"A better than expected performance was seen by the Vandals," said head track coach Joe Glander last night concerning the WSC Invitational Indoor Track and Field Meet held at Pullman last Saturday.

Especially fine performances were shown by Hennig Olson, who captured first spot in the 300 yard run, Warren Johanson, first in the 1000 yard run, and Wilbur Gary, who took two seconds and three thirds for the highest total number of points for the Idaho squad.

Gary placed second in the 70 yard dash and the broad jump, and took third spot in the 70 yard low hurdles, the high jump, and the hop, step and jump event.

Record Broken

According to coach Joe Glander, Wilbur surpassed the old Idaho broad jump record by five inches with his 23-9 leap in the meet. The old record was set by Bruce Sweeney. Gary held the record for but minutes, however, when Oregon's Martin Pedigo surpassed his mark with a jump of 23 feet, 11 1/2 inches.

Other Vandal squad members placing were Bill Bauscher, 2nd in hop, step, and jump, and third in the broad jump; 2nd in the javelin by Buzz Hanson; Jerry Kramer took 3rd in the shotput; and fourth places were taken by Dick Wisdom, hop, step and jump, Dick Shern, broad jump, and Walt Denny, 300 yard run.

Vandals Salvage One In Series

Vandal baseballers showed surprisingly good form for early in the season this weekend as they opened their exhibition slate with one win in four games.

The team, made up of predominantly sophomores, and with only one outside practice under their belts, lost two games to Oregon State Beavers Friday and split with the Whitman Missionaries on Saturday.

The Vandals' next game is scheduled for Monday at McLean Field against Whitman.

The Vandals outthrew OSC 10 to 3 in their second contest played at Lewiston, but dropped the decision 3 to 2, after losing the first game 5 to 2.

The Beavers won the first game with three runs in the fifth inning. A double by center fielder Jerry Aley was the key blow.

Doug Randall went the distance for Idaho and was touched for 6 hits. The Vandals managed only five safeties with the big blow being a two-run fourth inning double by shortstop Knute Westergren.

Oregon State jumped on Idaho starter Jim Branon in the second tilt and pushed across three runs in the first two innings, and coasted the rest of the way.

Lefthander Gordon Tiegs relieved Branon in the fourth and turned in the best pitching performance of the weekend, yielding no hits in the remaining four frames.

Idaho scored once in the first and added another in the bottom of the seventh to account for their scoring. Right fielder Ralph Lower was the big sticker for Idaho with 2 hits in two trips to the plate.

Jim Throckmorton and Jim Chrisman also had two hits apiece. It was Lower, who appears this

BERGGREN WINS NORDIC; TEAM FIFTH

Bad Breaks On First Day Causes Team To Slump

A poor showing in the opening day events, slalom and downhill, proved to be the downfall of the Idaho ski team this weekend in the National Championships.

The Vandals were tenth in team standings at the end of the first day and although they put up an exceptional showing in the remaining events they were unable to overtake the leaders and ended up fifth in final team standings.

Idaho's Erik Berggren, who finished third in his specialty in last year's NCAA championship meet, copped the cross-country title and

with it he retained his Nordic Combined crown, at the NCAA championship meet at Steam Boat Springs, Colorado.

Berggren started 65th in the record field of 67 and overtook 19 earlier starters to finish the 9½ mile course in 58 minutes and 27.8 seconds.

Besides taking the cross-country Berggren placed 13th in the jumping division to cinch his hold on the Nordic cup.

Teamate Reidar Ullevalseter was third in the Nordic. Idaho's star downhill man, Frank Cammack broke his ski early in the run and fell four times in a valiant attempt to finish the race.

Windju Is Second
Denver University's Bill Olson won the jumping event but the Vandals received individual honors in the division. Per Windju was runner-up with jumps of 126 and 140 feet, while Reidar Ullevalseter, placed third with 130 and 133 foot leaps.

Dave Mukavitz of Michigan Tech jumped 146 feet on his second jump to set a new jumping record on Winter Park's 45-meter hill.

Although Berggren was able to gain the first place position in the cross-country it was not enough for Idaho to cop the event as a team. Western State won the team cross-country crown by a narrow margin.

Denver University skiers took a firm hold on their third straight NCAA team title early in the meet. By clinching the jumping title Denver wrapped up the meet with 582.01 points.

Vandals Fifth
Runner-up in the meet was Dartmouth with a team point total of 541.77, while Middlebury was third with 541.28 points. The Vandals took the fifth place spot with 528.63 points, just behind Western State which had 531.58.

Helge Gagnum, Idaho's outstanding jumper who has been out of competitive skiing for most of the year was only able to take 8th place position in the jumping event. His points added to the other Vandals that placed were enough to give the Idaho squad second place in that division.

Vandal points were all made primarily in the jumping and the cross-country events as every Idaho skier in these division placed in the events.

The tricky 1 and three-eighths mile downhill course proved ruin for many skiers competing in that event as 14 of the downhill skiers took spills on the run and thus ruined their standing.

Vandal Finmen In AAU Meet

Vandal swimmers, both frosh and varsity, got some post-season work Saturday in an AAU meet held at Pullman. Six teams competed.

WCS varsity took top spot with 76 points while the Idaho varsity was second with 64. The Idaho freshman squad wound up in third place with 44 points. Other teams competing were WSC frosh, Spokane AAU and Tacoma AAU.

Byron Richards of Idaho varsity took first place in the high diving event for Idaho's only first place by either the varsity or frosh. The varsity captured five second places however and the frosh came through with one.

Chalking up the varsity's second places were Fritz Holz, who took second spot in both 220 and 440 freestyle, Jack Helle, breaststroke, and Dale Carlisle, Bruce Buchanan, Helle, and Jerry Jones, in the 400 medley relay, and Buchanan, Holz, Jones and Byron Richards in the 400 relay.

Third places taken by Idaho were Jones, 220 freestyle, Carlisle, 220 backstroke, and Chet Hall in the 200 yard individual medley.

Placing for the frosh were Grayson Hand, 2nd in the 100yard free style, and thirds taken by Kim Larsen, breast stroke, Ozzie Smith, 100 free style, Len Larr, 400 free style, Larry Nelson, Larsen, Alex Gilbert, and Hand, 400 Medley Relay, and Dave Roscoe, Larsen, Lawr, and Hand, 400 yard relay.

Unbeaten Frosh Swimmers

Head swim coach Eric Kirkland is very proud of this year's freshman swimming team which compiled a perfect record, winning four straight meets. Members of the team include, reading left to right, back row: Kirkland, Charles Smith, George Hall, Jim Lund, Larry Nelson and Frank Allen. Front row: Graydon Hand, Bob Harris, Alex Gilbert, Kim Larson, Jack Harris, Dave Roscoe and Leonard Lawr. Kirkland expects several of these men to be a definite asset to the varsity squad next year.

Cindermens Place 14 At WSC Indoor Meet

"A better than expected performance was seen by the Vandals," said head track coach Joe Glander last night concerning the WSC Invitational Indoor Track and Field Meet held at Pullman last Saturday.

Especially fine performances were shown by Hennig Olson, who captured first spot in the 300 yard run, Warren Johanson, first in the 1000 yard run, and Wilbur Gary, who took two seconds and three thirds for the highest total number of points for the Idaho squad.

Gander placed second in the 70 yard dash and the broad jump, and took third spot in the 70 yard low hurdles, the high jump, and the hop, step and jump event.

Record Broken
According to coach Joe Glander, Wilbur surpassed the old Idaho broad jump record by five inches with his 23-9 leap in the meet. The old record was set by Bruce Sweeney. Gary held the record for but minutes, however, when Oregon's Martin Pedigo surpassed his mark with a jump of 23 feet, 11½ inches.

Other Vandal squad members placing were Bill Bauscher, 2nd in hop, step, and jump, and third in the broad jump; 2nd in the javelin by Buzz Hanson; Jerry Kramer took 3rd in the shotput; and fourth places were taken by Dick Wisdom, hop, step and jump, Dick Shern, broad jump, and Walt Denny, 300 yard run.

Said coach Glander, "I was well pleased with the way the boys ran Saturday. I think that we will give any of the clubs on our schedule a run for their money." The varsity's next scheduled meet is with the University of Washington in Seattle on April 7.

The team has been and will continue to work out in the WSC fieldhouse. With two weeks until the next meet the squad should be in pretty good shape. Glander stated that the team will work out six days a week in preparation for the Seattle trip.

Vandals Salvage One In Series

Vandal baseballers showed surprisingly good form for early in the season this weekend as they opened their exhibition slate with one win in four games.

The team, made up of predominantly sophomores, and with only one outside practice under their belts, lost two games to Oregon State Beavers Friday and split with the Whitman Missionaries on Saturday.

The Vandals' next game is scheduled for Monday at McLean Field against Whitman.

The Vandals outhit OSC 10 to 3 in their second contest played at Lewiston, but dropped the decision 3 to 2, after losing the first game 5 to 2.

The Beavers won the first game with three runs in the fifth inning. A double by center fielder Jerry Exley was the key blow.

Doug Randall went the distance for Idaho and was touched for 6 hits. The Vandals managed only five safeties with the big blow being a two-run fourth inning double by shortstop Knute Westergren.

Oregon State jumped on Idaho starter Jim Branom in the second tilt and pushed across three runs in the first two innings, and coasted the rest of the way.

Lefthander Gordon Tiegs relieved Branom in the fourth and turned in the best pitching performance of the weekend, yielding no hits in the remaining four frames.

Idaho scored once in the first and added another in the bottom of the seventh to account for their scoring. Right fielder Ralph Lower was the big sticker for Idaho with 2 hits in two trips to the plate.

Jim Throckmorton and Jim Christian also had two hits apiece. It was Lower, who appeared this

CHALK TALK

with Don Neville Smith

Idaho golfers and students alike were saddened this past week with the news that Marian (Sonny) Hiskey was killed in an airplane crash in Waco, Texas.

Hiskey, who originally came from Twin Falls, was admired and respected by all who knew him, both on and off the golf links.

He attended Idaho for one semester in 1950 and captured the campus championship that year. He was affiliated with Delta Tau Delta fraternity.

Hiskey transferred to North Texas State on a golf scholarship his second semester and graduated from there in 1953. In that same year he won the National Collegiate championship and led his school to the team title.

He won the Idaho state amateur in both 1953 and '54 and captured every big tournament in the state. He was a quarter-finalist in the United States Amateur in 1953.

Dick Sheppard and Bob Campbell, top Idaho varsity golfers both played with and against Hiskey and had high words of praise for him.

"I played in 22 tournaments with him, and he won all 22 of them," said Campbell. "As far as I'm concerned he is the best golfer to come out of Idaho and probably the best that ever will," said Campbell.

Hiskey is credited with developing Sheppard into the top golfer he is now.
