BUCKET COFFEE UP
—CUPS ARE BIGGER

VOL. 60, NO. 51

THE IDAHO ARGONAUT, Official Publication of the ASUI

FRIDAY, APRIL 20, 1956

Board Samples 1st 15 Centers

The Exec Board Tuesday night was treated to a round of the first 15 cent coffee mugs, now being used in the Bucket. Testing the large economy size to right are George Eidam, John Gillis (who says its really hot stuff) Clara Armstrong, AWS president, Jackie Lavens, secre-

tary, C. F. Peterson, faculty representative, President Chuck McDevitt, Gale Mix, ASUI General Manager, Carol Pietsch, Dick Denny, John Thornock and Dewey Newman (who didn't get enuff-sugar in his).

Campaign Into Hectic Week

Famed Vandaleers Will Give 13 Tour Concerts

The University of Idaho Vandaleers, under the direction of Professor Glen R. Lockery, will leave here Monday, April 30, on a concert tour of northern Idaho.

The 60-voice group, known throughout the Northwest for its outstanding choral performances, will open a series of 13 concerts in St. Maries, April 30. Other cities included in the itinerary are Coeur d'Alene and Wallace, April 30; Mullan and Kellogg, May 1; Priest River, Bonners Ferry and Sandpoint, May 2; KHQ-TV, Spokane, and Lewiston, May 3; Kamiah, Nezperce and Grangeville, May 4. The annual home concert will be given Tuesday, May 8, in the University auditorium.

Featured on the Vandaleers program this season will be the "Lamentations of Jeremiah," by Ginnastera and "Sea Charm" by Frederick Pickett, two contemporary works noted for their unusual descriptive and tonal beauty. A second highlight on the program will be selected choruses and solos from the opera "Die Fledermaus" by Johann Strauss. Also included in the program will be church music of the 17th century; part-songs by Brahms, Bruckner, and Gretchaninov; Cuban folk songs, American negro spirituals, and Broadway show music. In keeping with Vandaleer tradition, a section of the program will be devoted to favorite Uni-

Independents, SG Plan Weekend Dances, Smokers

The four-party ASUI political machinery rolled into the final hectic week of campaigning yesterday as one party held the first smoker of the student government election tenure and another slated a dance tonight in the Student Union.

The Student Government slate tossed verbal campaign issues with Hays Hall last night and will hold a dance Sunday night in the SUB. The Independent Caucus will hold an all-campus mixer tonight from 9-12.

Parties wind up personal visits to living groups Wednesday with elections held Thursday.

Bob Hall of Campus Club will mock a "fifth" party at intermission of the all-campus mixer sponsored by the Independent Caucus' chairman Jim Russell said the dance will be free and music will be by the Downbeats, 11-piece orchestra. Dress will be informal. Student Government presidential candidate, Dick Weeks, said at the Hays smoker that he "believes that this spring as last spring, the Student Government party is again setting the lead in platforms as usual. All the other parties are concentrating upon attacking cross-campus politics rather than coming up with good, workable ideas. This spring will, I believe, spell the long continuance of the Student Government Party and the student's firm belief in voting for people on their ability rather than where they live."

The candidates discussed planks of their party platform and expressed their views of other campus issues.

The Student Government party is sponsoring a dance Sunday night in the SUB ballrooms from 7:30 to 10:30 with entertainment by Emily Nordlund and Neal Ward accompanied by Patsy Rogers. Tickets will be 35 cents a couple and stag.

The Campus Coalition Party has announced its final visits to the living groups. At noon today presidential candidate Ray Wilke will visit Gamma Phi. Wilke will be at Sigma Chi Monday noon and Delta Gamma Tuesday noon.

The CC Executive Board candidates will be at the Pi Phi Monday noon and Phi Delt Monday evening and at Alpha Phi Tuesday noon.

The Student Government party campaign visits will find Group one going to Hays at noon today, Kappas, Campus and Gault, Monday; and Alpha Chi and Forney Tuesday. Group two will be at Upham at noon today and at Fiji, Campus and Lindley Monday and Chrisman and Forney Tuesday. Weeks will visit Delta Gamma at noon today and Willis Sweet and Hays Monday, Alpha Chi, Gault and Forney Tuesday and ATO Wednesday noon.

Top Ten Srs. To Be Named At May Fete

Twenty-five senior students, active in student affairs with sound grade averages, have been selected as finalists in the top ten senior competition sponsored by the Gem.

The top Ten Committee, consisting of Gale L. Mix, chairman, Dean of Men C. O. Decker, Dean of Women Louise Carter, Alumni Secretary Jim Lyle, Karen Krauss and John Thornock, junior members of the Executive Board and C. F. Peterson, faculty representative to the Exec Board, acted upon recommendations of the Academic Deans.

The 25 seniors will be asked to fill out complete personnel forms for the committee who will make the selection prior to the May Fete at which time the top ten seniors will be announced.

The finalists are Lee Anderson, Cleora Andres, Clara Armstrong, Bob Bakes, Bill Bauscher, Shirley Byrne, Dick Denney, George Eidam, John Gillis, Hans Gotsch, George Hayes, Karen Hurdstrom, John Kaku, Darrel Kalbfleisch, Chuck McDevitt, Nancy Moore, Mike O'Callaghan, Carol Pietsch, Jim Russell, Jim Saad, Bob Speedy, Jamie Steele, Marcia Thornton, Tom Warner, Peter Van Houten.

- The committee judged the seniors on their:
1. Activities in the ASUI and the value derived by the school and students from these activities.
 2. Living group participation.
 3. Grade Point.
 4. Athletic participation.
 5. New projects or reorganizations taken part in.
 6. Attitude toward the University.
 7. Anything else that the committee feels lends toward this type of student.

300 NEXT YEAR AT LCN
LEWISTON—Officials at Lewis Clark Normal school are looking for an enrollment of near 300 as the two year school enters its second year as a branch of the University of Idaho.

The GOLDEN FLEECE
by Jason

King-Size Javas Two For Two-Bits

Coffee-thirsty Vandals can buy king-sized cups of java in the Bucket beginning at 11 a.m. today, Chuck McDevitt, ASUI president, said Thursday. Eleven ounce cups—five ounces larger than previously used, will sell for 15 cents and two cups for a quarter. Refills will cost the same, McDevitt said.

Forestry Week Begins April 23; Is Statewide

Associated Foresters will be emphasizing the importance of Forestry Week, starting April 23 by wearing their woods clothes and placing posters and displays pertaining to good forestry practices both on and off the campus, officials said today.

As the climax of Forestry Week the Foresters' Banquet will be held in the main ball room of the Student Union Building, April 28 at 6:30 p.m. All members of the Associated Foresters will be admitted free, but for all who are interested in forestry but are not members of the association the admission price will be \$1.75.

Governor Robert E. Smylie has proclaimed from April 23 to April 28 inclusive as the seventeenth annual state wide Forestry Week, officials said the purpose of Forestry Week is to educate the citizens of the State of Idaho in the importance of conserving their forest, range and wildlife resources.

Associated Foresters of the University of Idaho have written all the high schools of the state of Idaho asking for cooperation in instruction to the high school student on preserving our natural resources. The U.S. Forest Service is aiding in their program by giving talks to the high schools, sportsmen, and civic clubs throughout the state.

18 Groups Will Lilt Tomorrow For Prelims

Eighteen living groups will compete tomorrow afternoon for ten positions on the annual song fest program Mother's Day.

The elimination trials will start at 1 p.m. and run through 4 p.m. and Charlie Lents of Phi Mu Alpha asks that all groups be on time for their designated tryouts times. Phi Mu and Sigma Alpha Iota, men's and women's music honoraries, in charge of the Song Fest, announced that Norman Logan, William Billingsley and Harry Morrison of the University music faculty, will judge the prelims.

Lents said dress will be spring dresses for women and slacks and sport shirts for men. He said group leaders should bring copies of their songs that the judges might compare the group performance with the music. Sheet music may be used by the groups.

- The honoraries set up the following schedule for the various groups:
- 1:00 Alpha Phi
 - 1:10 Tri Delt
 - 1:20 Delta Gamma
 - 1:30 Forney Hall
 - 1:40 Gamma Phi
 - 1:50 Hays Hall
 - 2:00 Thetas
 - 2:10 Kappas
 - 2:20 Pi Phi
 - 2:30 Chrisman Hall
 - 2:40 Delta Chi
 - 2:50 Delta Sig
 - 3:00 Gault Hall
 - 3:10 Fijis
 - 3:20 Sig Alphas
 - 3:30 Sigma Chi
 - 3:40 Sigma Nu
 - 3:50 Willis Sweet Hall

Exec. Board Considers NSA, Awards, Ski Area

NSA, awards, and a ski area, took the attention of Exec. Board members at their meeting Tuesday evening.

ASUI President Chuck McDevitt pointed out to the Board that they should express their opinions on NSA to the new, incoming Exec. Board members. Discussion brought out opinions that Idaho should try to strengthen this region before going to convention, that NSA would help supply this school with information on topics whose answers could not be found otherwise.

The Board voted to send two delegates, the ASUI vice president and the freshman class president, along with the ASUI president to convention. Alternate delegate would be the sophomore class president.

The Board approved the following awards: rifle awards, basketball team, a jacket award to Jim Shawver, frosh basketball team, swimming awards, frosh swimming awards, and skiing awards.

It was pointed out to the Board that an area of Moscow Mountain, the arboretum, and Emida have been surveyed during the past year as a possibility of ski areas for the University students. Tests have been run on snow depth, etc. Several problems still must be solved before definite decisions are made.

Dewey Newman told the Board that the IKs have raised a question of charging a small fee in selling used books for students in order to cover the loss incurred by this organization. It was suggested that the organization present a plan to the Board.

Board members received coffee served in the new mugs to be used in the SUB starting today.

Formal IF Ball Slated May 12th

The Pastels, a 12-piece WSC dance orchestra, will provide music for the formal Interfraternity Ball May 12, Chuck Alford, dance chairman, said today.

Admission for the affair, the only all-campus formal of the year, is \$1.50 per couple. An intermission floor show is also planned.

Phi Delta Kappa Honors Future Education Majors

High school seniors interested in education as a profession will be guests of Phi Delta Kappa today and tomorrow on the University of Idaho campus. The students will be from high schools as far south as Grangeville and as far north as the Canadian border. These young men will be accompanied by teachers and administrators from their schools and while on campus will live in several living groups throughout the campus.

The weekend will begin with a banquet in the SUB at 6:30 this evening with Dr. Rufus Salyer, Placement Director at the University of Washington being the guest speaker. Dr. Ed Moore will provide the evening's entertainment as MC of the banquet.

Dr. Ray Berry will present the Phi Delta Kappa award to the outstanding senior man in the College of Education. This award has been initiated this year by Phi Delta Kappa to encourage young men to enter teaching as a profession. All males in Idaho's College of Education are eligible for this award including the men in Agricultural Education. The requirements for the award are based upon the following points:

- a. Scholarship—at least in the upper one-third of his class
 - b. Demonstrated interest in the teaching profession
 - c. Personality
 - d. Participation in campus activities.
- Saturday the guests will be shown about the campus by Phi

Queen Made Known May 4

A Little International Queen, chosen from finalists Charlene Roth, Elsie Putnam, and Arlene Book, was selected last week by members of the Ag Club. Chosen originally from a field of twelve contestants nominated by each women's living group on campus, the queen will be announced at the annual kickoff banquet to the Little International Show on May 4.

She will reign over the 30th annual Agricultural Show which is sponsored by the Ag Club and Department of Agriculture May 7-12. The final public show will be Saturday evening, May 12 at 7:30 in the Field House.

The manager of this year's show, Maurice Clements, said that the Little International is composed of twenty-eight contests sponsored by different departments in the College of Agriculture. Members of the Ag Club compete for trophies, ribbons, and points for the "Highest Man Trophy" which is awarded to the person participating in the show who earns the most points.

One of these three finalists for the title of Little International Queen will be crowned during the Little International Week May 5 through 12 on the Idaho campus. Pictured are Elsie Putnam, Alpha Chi freshman, Charlene Roth, Ethel Steele sophomore and Arlene Book, Pi Phi frosh . . . and Lil' Int'l, L. Barn Hall, yearling.

Jr.-Sr. Prom To Be May 4

May 4 has been established for the junior-senior prom this spring, co-chairmen Jim Russell and Dick Weeks announced today. A last attempt to select a big name band has fallen through and a Spokane orchestra will be contacted today.

The co-chairmen named committee members yesterday listing Hans Gotsch in charge of tickets; Monte Strickling, programs; Marcia Thornton, Lou Ann Olson and Barbara Warner, decorations; and Gary McEwen, cleanup. Russell and Weeks are handling publicity and Russell is in charge of music and entertainment.

Why Limit Parking?

For quite some time now the students who have been coming before the Traffic Appeals Board have been instructed that they could park their cars overnight in the Music Hall parking lot. Now these same students observe "No Over Night Parking" in the Music Hall lot.

The Fujis and Lindley Hall men didn't fare much better with the No Over Night Parking signs that extend from the alley by the Infirmary to the Stadium on University Ave. This move would seem to have some good thinking behind it if we were still knee-deep in snow that had to be removed. But why should this action be taken at this time after it has been allowed all year? Why weren't these signs erected during the summer so that the students could become adapted to them before the beginning of the year?

The students are not blind to the fact that they are slowly but surely being pushed off campus with their cars. If this be the goal of the administration, it could be a little more subtle than they have been in implementing this last movement.

An additional thought on the parking problem may be brought up at this time. Many people appear to be in favor of banning sophomore and freshman cars from the campus. This would certainly be an action that would show little or no intelligence at a time when we are trying to better relations with the Moscow Chamber of Commerce. Gas stations and automobile dealers also have a voice in this group as well as do the clothing merchants, etc.

—D. N. O.

Dear Jason:

We, the Westminster Forum, have read the recent uncompromising statements by Jason and the exec board concerning the co-chairmen of Religious Emphasis Week and their supervision of the funds in our concern; we wish to comment upon these statements—one by one.

First of all, it was stated that RE Week operated "on a budget of approximately \$300, all donated by the Campus Chest Fund." This is not true. The budget amounted to \$894.44; the Campus Chest Fund donated only a third of it. This does not include the expenses of the seminar speakers who were sponsored and paid for by their respective denominations. Therefore, the inference that Campus Chest completely subsidizes RE Week is not based upon facts.

It was also stated that other state groups "are in a much more need (sic) of these University of Idaho dollars" than RE Week. Granted, these state groups need money, but they are getting support from the State and other sources, too; whereas, RE Week must depend upon its initial banquet and individual contributions to cover the remaining two-thirds of the expenses. We believe that contributions to those other organizations are certainly worthwhile, but we also believe that some of the money that the students give to Campus Chest should be of benefit to them here on campus. And we feel that RE Week is

one of the most rewarding ways in which the money can be used for the benefit of the students.

Next, it was stated that "it is high time to review and re-evaluate this (RE committee) particular group's position." Had either of you or any members of the exec board (except the RE co-chairmen) really participated in the Week, you would be in a much better position to know the valuation of this group's position.

You stated that RE Week should "receive an allocation of Campus Chest Funds so long as this donation is within reason." What do you consider "within reason?" We ask you in your reasoning to weigh the value of RE Week to the U. of I. students.

Next, it was stated that Karen Lee Kraus and John Thornock, RE Week co-chairmen, "saw fit to plunge RE Week into debt," and that "if they would have more closely administered and supervised the Week, a considerable cut in expenses would have resulted." Just what is the reasoning for saying this?

The two outstanding expenses were the main speaker and the banquet. Concerning the expense of the first, Dr. Eby received \$260.52 for both his honorarium and expenses — much less than most other outstanding speakers receive for an honorarium alone. For instance, each of the three speakers at the recent Borah Conference received \$300 plus expenses. The co-chairmen should be commended for obtaining such a high calibre speaker for that reasonable price. Again, had you attended any of Dr. Eby's seminars, you would be in a better position to estimate his worth to the Week. Concerning the banquet, many students promised to come who didn't. This caused a deficit of \$52.95 which would more than pay

for the remaining bills. And it is no fault of the co-chairmen that some students failed to keep their word.

The remaining minor expenses were essential for the proper functioning of the Week's activities. Members of the committee saved in every way possible, even to the point of paying for some of the material themselves. Not having been in attendance at any of the organizational and planning meetings of RE Week, the complaining member of the exec board are also not in any position to criticize the "administration and supervision" of RE Week.

We, the Westminster Forum, are disappointed in Jason and the members of the exec board using Religious Emphasis Week (of all activities on campus) as a political football. Karen Lee Kraus and John Thornock did an outstanding job in planning this past RE Week; therefore, we stand behind both the co-chairmen and the RE Week 100 per cent.

Respectfully yours,
Hester Allison
WF Stated Clerk

FEES UPPED AT PROVO
PROVO, Utah—Brigham Young University will raise tuition fees next fall ten dollars a quarter. Officials here have indicated that entrance requirements will be stiffened in the fields of nursing, engineering, recreation, physical education and health.

to do next year?

In your reference to an all-campus evaluation of RE Week activities, we of the Argonaut staff would welcome this. It might prove very interesting to see just how many students are interested in this type of activity.

If this year's attendance figures are any indication of value, then the attendance at the various seminars and lectures, which statistically has ever seen in recent years, shows vividly that University of Idaho students already have weighed the value of RE Week.

Evidently you ought to re-read the statement that you quote in your sixth paragraph. My reasoning for saying this is just exactly what I said. RE Week expenses could have been cut substantially if the committee would have attended to more details and coordinated their efforts.

In reference to your last paragraph, the Executive Board and Jason of the Argonaut have every right to criticize inefficiency and mismanagement especially when the students have to pay through the nose as a result of it.

Jason

VETS MAIL BAG

Veterans holding GI mortgages can make extra payments to their lenders at any time or they can pay off the entire loan without penalty charge, VA reminded holders of loans.

The minimum extra payment a veteran may make is at least the amount of one month's payment or a flat \$100, which ever is the less, VA said.

VA added that should the veteran later become hard-pressed for money, the extra principal already paid may be re-applied to regular payments if the lender agrees, in order to prevent the loan from going into default.

Nationally, nearly 800,000 GI home loans, or almost one of every five guaranteed by VA, have been repaid in full, VA said. The original principal amount of these loans was \$4.5 billion.

VA also reminded veterans of World War II that they have until July 25, 1957, to take advantage of the low-interest insured loan provisions of the GI Bill.

Veterans with service in the Korean Conflict period have until 1965 to exercise the right to GI loans.

Question Of The Week
 Q. Is a GI farm loan supposed to be used only for the purpose of buying a farm?
 A. Not necessarily. A veteran may obtain a GI farm loan to buy livestock, equipment, or supplies to improve farm buildings or land or equipment, or to conduct farming operations.

Getting the baby to sleep before midnight is perhaps the most difficult when she is about 17.

Many Sophomores Key To Vandal Chances

Sophomore will play a key role as the Idaho Vandals open their 1956 conference baseball season at home this weekend against the University of Washington Huskies. The teams will play single games starting at 3 p.m. this afternoon and 1:30 p.m. Saturday.

Twelve players on the twenty-one man roster are sophs with at least four in the starting lineup. Five of the six pitchers on Coach

Vandal Tennis Squad To Meet EWCE, Whits

Vandal netmen will meet the Eastern Washington Savages and the Whitman Missionaries on Friday and Saturday respectively for their first matches of a scheduled ten game season. The matches will both begin at 1:30 on the Idaho courts.

Playing Friday for the Idaho squad will be Sonny Long, a senior, two year letterman and captain of the team, Keith Spencer, also a two year varsity man and a junior, Dave Cummins, a junior who has lettered one year, George Heber, a junior transfer from Gustavus Adolphus College in Minnesota, and Dick Smith and Stan Pierce, both sophomores.

Saturday afternoon will find the squad the same except for Leonard Chin, a junior one year letterman, who will replace one of the sophomore boys, Smith or Pierce. Either Smith or Pierce will round out the team.

Then men have turned out with the squad to date in the two weeks that they have been on the courts. Frank Young, Vandal tennis coach, said of the squad, "We have a much better team than last year. We have very good balance for this season which we were sorely lacking in last year.

The schedule for the team this season is as follows:

- April 28—WSC at Moscow
- May 4—Oregon at Eugene
- May 5—OSC at Corvallis
- May 8—EWCE at Cheney
- May 10—Seattle U. at Moscow
- May 11—Seattle U. at Moscow
- May 12—Washington at Moscow
- May 19—WSC at Pullman
- May 25, 26—Northern Division PCC at Corvallis.

Alpha Phis Lead WRA Point Race

Alpha Phi has taken over the lead in the WRA Tournament Cup race with a total of 240 points, up to spring vacation.

In second place are Kappa Alpha Theta with 200 points followed by Ethel Steel House with 170 and fourth are Pi Beta Phi with 140.

An open softball practice will be held tonight at 4 p.m. on the women's field.

Participants in the WRA table tourney are urged to check the schedule in the women's gym to find out when they play.

Art's Campus Barber Shop
THREE BARBERS
"It Pays To Look Well"

Clem Parberry's club are also playing their first year of varsity ball.

In comparing this year's team with last year's, which failed to win a conference game, Coach Parberry praised the current club for their hustle.

"We are stronger behind the plate and in the outfield, and we have a lot more hustle. It all depends on the sophomores," he said.

Good Pre-Season
Parberry also commented that the team had a good exhibition season, winning 10 of 16 and that the week of play during spring vacation really helped the club.

Doug Randall, sophomore right-hander, who has been the choice of the Vandal hurling staff during

the exhibition season has been named to start the opener against Washington with leftie Gordon Ties, also a soph, to go Saturday.

The last Idaho conference victory was over Washington two years ago in the last game of the season as senior Gary Barton beat the Huskies to spoil the Seattle club's pennant hopes.

Ray Copeland, a converted second baseman will start at first base for Idaho, with a pair of sophomores making up the key-stone duo. Jim Chrisman will be at second and flashy Knute Westergren at short.

Veteran Mick Polillo will likely get the nod at third although either Ralph Lower or John Sullivan might start. Lower, the team's top

hitter in exhibition games at 619, is an outfielder and Sullivan, a regular last year, has been hampered by a leg injury.

Sophs In Outfield
In the outfield for the Vandals will be co-captain Ron Braden in center, hard hitting Wally Brown in left and speedy Duane Moore, a sophomore in right field. Jim Throckmorton also a soph is a possible starter also, according to Parberry.

Senior co-captain Jim Howard will be behind the plate, rounding out the starting nine.

Washington had a so-so pre-season record but coach Joe Budnick's squad figures to be a hot contender for the PCC crown. Budnick is in his first year at the Seattle school.

President D. R. Theophilus, who once played semi-pro ball will return to the diamond this afternoon to throw out the first ball opening the PCC baseball season for Idaho.
President Theophilus played center field for Iowa State College, during his four years there, 35 years ago before playing second base in a Pittsburgh semi-pro league.
"I will throw right-handed, that is if I can get onto the field," he said.

COMFORT—AT REASONABLE COST!

hitter in exhibition games at 619, is an outfielder and Sullivan, a regular last year, has been hampered by a leg injury.

Golfers Open At Walla Walla This Afternoon
Walla Walla Country Club will be the scene of the Vandal divot diggers first scheduled match of the season. The Idaho squad will meet Whitman there at 1 this afternoon.

Traveling to Walla Walla today were Dick Sheppard, Jerry Ballard, John Benzin, Dave Rowlands, James Heaton, Tom Olson and Bruce Williams. The team is expected to have a hard time as it is composed of sophomores and juniors with only one man, Benzin, with previous varsity experience.

Softball Starts Monday; Phi Gams To Defend Title
Softball gets underway next Monday in intramural competition with Phi Gamma Delta, defending softball champions, meeting Alpha Tau Omega in, one of the feature tilts.

Last year the Fijis swept through their league undefeated and then stopped the Betas 17 to 1 to gain the campus finals, where they downed Willis Sweet 16 to 2. In a post season game they were beaten 4 to 3 by an all-campus all-star squad.

Almost the same squad will be returning for the Fijis and they are expected to be as strong or stronger than last year.

Bob Tresnit, who pitched a no-hitter against the all-stars last year but still lost, will do most of the huriling for the Phi Gams. All 4 of the all-campus team's runs came as a result of three walks and two errors.

In other feature Monday games the Betas winners of League I last year meet Lambda Chi, the Deltas runner up in the same league play Delta Chi, and Bill Bonnett, all star chucker last year, will pitch for the Phi Deltas, runners-up in League 2, when they meet Delta Sigma Phi.

Horseshoes will begin a week from Monday with entries, 3 men from each living group, due Wednesday.

At a Wednesday intramural managers meeting that date for the track meet was set at Saturday, May 12th with entries due by 4 p.m. on Friday, May 4th.

63 Answer Call For Spring Grid Work

Sixty-three players answered the first call for Idaho spring football practice Tuesday as head coach Skip Stahley and his staff warmly welcomed one of the Vandals' largest turnouts in history.

Stahley was very pleased with the results shown in the first three workouts and planned to work on fundamentals today with a light scrimmage and have a full-scale scrimmage in Neale Stadium

Saturday afternoon, starting at 2:30.

The Vandals worked mostly on fundamentals during the first three days of practice with the centers and quarterbacks running straight T-formation maneuvers, the halfbacks and fullback running plays also and the linemen working separately.

Seventeen Lettermen
Seventeen lettermen headed the large turnout, with three of the four quarterback being veterans. The signal-calling slot is expected to be one of the brightest in the Vandal picture with seniors Nick Ugesich and Gary Johnson and junior Howie Willis. Gary Kenworthy, fourth quarterback, played a little last year behind this trio.

Other lettermen include: Ends—Larry Aldrich and Pete Gerpheid.
Tackle—Tony Anderson.
Guards—Art Bergthold, Chuck Fries, Jerry Kramer and Jerry Smythe.
Centers—Dan Davis and Wayne Walker.

Halfbacks—Bill Baxter, Larry Norby and Mel Schmidt.
Fullback—Warren Hawley.

Twenty-four Frosh
Twenty-four players are up from last year's freshman team including such outstanding prospects as tackle Jack Hogan, 205 pounder being moved from tackle Misetich and T. J. Owens, 164 pound speedster at fullback.

Two freshmen figured in the position changes made by coach Stahley with big Jim Prestel, 245 pounder being moved from tackle to end. Another change was made also in the line where John Rousos, starting center for the frosh last season was moved to guard.

Russ Jeffrey, a back with the freshmen last year was moved to center for the first two workouts and now has been switched to left guard, according to Stahley.

Back after a year of ineligibility is Bill Skinner, a center who figures to give the Vandals a lot of strength down the middle. In action also, after sitting out last season with injuries are Wade Patterson, 214 pound end, who was All-American in high school and 205 pound tackle Bob Prestel, older brother of Jim.

The only jaycee transfer on the roster is tackle Pete Johnson, 6-4, 220 pounder from Stockton, Calif.

The Vandal golf schedule for this season reads as follows:
April 20—Whitman at Walla Walla
25—Whitman at Moscow
28—WSC at Moscow
May 4—Oregon at Eugene
5—OSC at Corvallis
10—Seattle U. at Moscow
12—Washing at Moscow
19—WSC at Pullman
25, 26—PCC Northern Division Tourney at Corvallis

Tracksters Travel; To Meet OSC Tomorrow

Twice beaten Idaho tracksters will travel to Corvallis this weekend for their third conference meet, against a highly improved Oregon State squad.

The OSC Beavers were the only team to fall before the Vandals in conference play last season, but all reports have it that the team has added much depth for this season. Quite a few good sophomores have bolstered their squad considerably.

Versatile Ernie Warren, who competed in the broadjump, pole vault, hurdles, and sprints, and won the high hurdles for the Corvallis squad in last year's OSC meet, is expected to pile up a few points in this meet. Warren is a senior this year.

One of Best
On the Vandal side of the credit column at the top of the list is the Idaho mile relay team, consisting of Walt Denny, Warren Johanson, Bill Bauscher, and Henning Olson, which is rated one of the top in the Northern Division of the PCC.

Also expected to show well at Corvallis is Warren Johanson, back with the Vandals after a six year layoff, who was number two man in the PCC in the mile run in 1950.

Other lettermen include: Ends—Larry Aldrich and Pete Gerpheid.
Tackle—Tony Anderson.
Guards—Art Bergthold, Chuck Fries, Jerry Kramer and Jerry Smythe.
Centers—Dan Davis and Wayne Walker.

Halfbacks—Bill Baxter, Larry Norby and Mel Schmidt.
Fullback—Warren Hawley.

Twenty-four Frosh
Twenty-four players are up from last year's freshman team including such outstanding prospects as tackle Jack Hogan, 205 pounder being moved from tackle Misetich and T. J. Owens, 164 pound speedster at fullback.

A Campus-to-Career Case History

Dick Walsh (right) discussing carrier equipment which will provide many additional long distance circuits out of Philadelphia.

"There's opportunity in a growing company"

As an Engineer in the Transmission Section of Bell Telephone Company of Pennsylvania, Richard M. Walsh plans for the future.

"Our group's responsibility," says Dick, "is to see that we have sufficient facilities to handle present and future needs. Telephone usage is growing every year, and we keep up with this growth by keeping ahead of it.

"For instance, to meet the increasing demand for communication circuits in our area, we're adding 70,000 new channel miles this year alone, at a cost of \$3,500,000. Laying new cable will give us 40,000 of those channel miles, and we'll get the other 30,000 through use of carrier equipment, which lets us send a number of long distance calls on each pair of wires simultaneously.

"Thus, though a cable might have only 300 pairs of wires, we can, with carrier, make it carry over 3000 telephone calls at one time. Using carrier equipment to get extra circuits out of cable—which is expensive to make and lay—is an example of how we engineer to give high-grade service at the lowest possible cost.

"Before I graduated from college I had interviews with twenty-eight companies. Out of all these I chose the telephone company because it had the most to offer in the way of interesting work, training and opportunity. This certainly turned out to be true. In a growing business your opportunities grow, too."

Dick Walsh graduated in 1953 from the University of Delaware with a B.S. in Mechanical Engineering. There are many interesting career opportunities in other Bell Telephone Companies, and in Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer can give you more information about all Bell System Companies.
