MULTITUDE OF MAY FETE HONORS GRANTED

Ken Jenkins Wins Ag High Man Trophy

Ken Jenkins with 936 points won the High-Man Trophy in the finals of the 30th annual Little International Agricultural show held Saturday night in the Field House. Close behind Jenkins was Don Wamstad with 891 points. Third place was won by Charles Clark with 799 points and fourth, Tom Trail with 777 points.

Look out students! The campus parking problem is coming to a head.

See story—Campus Parking Ideas Mapped Out by SF Council—on this page, column four.

According to C. O. Decker, Director of Student Affairs, a four-point tentative recommendation has been submitted to the Student Faculty Council for discussion and approval.

The point on which most discussion centered was the car limitation proposal. Decker advocates that by taking the long range viewpoint, the only possible solution lies in cutting down the number of operating cars on campus.

Being opposed to this plan, Chuck McDevitt, outgoing ASUI President, stated to the Argonaut that the plan that Decker advocates is not a solution to the problem. He maintains that automobiles are here to stay and that such a proposal is only postponing the inevitable action of providing adequate parking facilities for the cars that we will have in future years.

McDevitt stated that regardless of whether only upper-classmen and married students are allowed to operate cars on campus, with increased enrollments in a few years there will not be enough parking facilities for even these selected students.

In presenting his views, McDevitt said that the only real solution here at the University of Idaho is to provide parking areas on the periphery of the campus to accommodate all. He said that another way to alleviate the problem is to provide adequate parking facilities with each new structure erected on the campus.

One of the foremost problems on campus concerning parking is the dead storage areas. This problem is particularly acute during the winter months. A student will park his car on the street for weeks at a time without moving it. This parking spot is then rendered useless to other more active drivers.

Streets posted with "No All Night Parking" signs has helped to alleviate this problem to some extent recently. Periphery parking lots would provide space for automobiles whose owners don't use them too often.

Immediate problems encountered with car limitation restrictions are increased policing expense, a disciplinary problem with restricted drivers, momentarily transfer of car titles in an upper-classman's name, etc.

Will it solve the problem?

Decker told the Argonaut that faculty members are calling for no car privileges for all freshmen and sophomores. He said that upper-classmen and married students could justify their use for a car, but that single freshmen and sophomores don't need them.

How about it students? Have you got an answer?

Navy RO's Review 4th Hour Thursday

The Navy ROTC cadet corps will hold its annual parade and review Thursday morning at 11:15, PMST Capt. John N. Wycoff announced today.

University of Idaho President D. R. Theophilus has been named reviewing officer.

Capt. Wycoff said awards will be given members of the corps for special achievement during the academic year. Marching in the review will be the corps battalion and drill team.

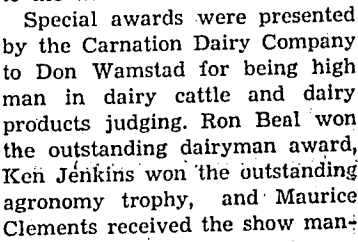

Construction Jobs On New Library Open Soon—Gagon

Jobs for student labor are expected to be open on construction of the University's new \$1,300,000 library building this summer "when students are free for full time work," University Engineer George Gagon said today.

Ground breaking operations for the building are already underway. Sod removed from the lawn immediately north of the tennis courts is being replanted in various places on the campus and a large portion of it is being used to sod the site of the razed Pine Hall wings.

General Contractors Busboom and Rauh of Spokane moved heavy machinery to the site north of Memorial Gymnasium Friday and began removing the concrete tennis courts Saturday, according to Gagon. The courts are expected to be removed by the end of next week and excavation will begin then.

Queen Clara Armstrong

ASUI President-elect Dick Weeks formally opens the May Fete celebration Saturday afternoon crowning May Queen Clara Armstrong. Miss Armstrong was president of the Associated Women Students at the University and is a senior. In the background is maid of honor Barbara Warner.

Five Finalists Await ROTC Queen Choice

Queen of Friday's Military Ball will be picked by campus ROTC units voting Thursday and announced during intermission at the dance. Clara Armstrong, Pat Berry, Janet Campbell, Helen Doering and Lou Ann Olson are queen candidates.

Leroy Roach's nine piece band which also played for the WSC Military Ball will play for the dance to be held from 9 to 12 p.m. in the SUB ballroom.

The Air Force ROTC Choir will sing during intermission and the queen will walk through a sabre arc provided by members of the Scabbard and Blade military honorary. Lt. Col. James Hughes will crown the queen. A traveling trophy will be awarded to the queen and cups will be presented to the princesses.

Uniforms will be the dress for ROTC members and semi-formal for others and the public is invited. Each of the three military units will contribute to the decorations.

Advanced ticket sales will be held in military classes. Admission will be \$1.50 per couple and tickets may also be obtained from ROTC members in your living group or at the door.

Outgoing Lady 'Exec' Cites 'Rich' Time

three women should hold positions on the Exec Board, Miss Krauss said she could recall no issue when women members had to vote solidly against men on a matter affecting women students. She said the two voting members plus the AWS president were an adequate number to represent campus women.

"One woman board member is all that is essential," she said. "The Board thinks of the students as a whole."

Board Strong Miss Krauss said she believes the incoming Board will be able to make even greater strides in informing the student body of its actions. "I think that personalities selected this year can do it. It was an excellent selection."

Miss Krauss is a junior majoring in English, a member of Kappa Kappa Gamma, Mortar Board, Phi Beta Kappa, Alpha Lambda Delta, Spurs, was co-chairman of the Blood Drive and Religious Emphasis week, associate chairman of Freshman Orientation and other groups.

Commenting on a proposal that on several occasions while voting against some Greek-sponsored ideas. "When you work with a group for a full year, it changes many of your opinions about campus policies," she continued.

Campus Parking Ideas Mapped By SF Council

A Student-Faculty Council recommendation to meet student automobile and campus parking problems is presently being formulated to be presented to President D. R. Theophilus, it was revealed today by C. O. Decker, director of area to facilitate pedestrian traffic.

3. More policing and control activities.

4. Limitation of automobile privileges to upper classmen and married students only.

Hopes Plan Found Soon Decker hoped that the finished proposal would be ready to be submitted to the president before school ends this semester.

Earlier this year a questionnaire was sent to surrounding colleges and universities in the west asking information concerning what they are doing to meet this problem, Decker said. Eighteen schools were contacted and 12 replied.

Nine of the polled universities indicated that they had no car limitation program and contemplated none. Of those polled, Colorado A & M was the only school which restricted freshmen and sophomores from daytime parking in the academic area. Montana State College indicated that if they ever decided to limit cars on the campus, that restrictions would be placed on the freshmen with exceptions being made for married students and those commuting and living off-campus.

The survey showed that the University of Oregon preferred the simplified system—no priority, no policing expense. Their reply stated that "in time we will reserve a couple centrally located lots for faculty and crippled students."

According to Decker, Oregon State College will restrict freshmen from having cars on campus starting the fall semester of the next academic year.

Future Needs Stressed In reaching a decision, Decker stressed the need to take a long range viewpoint in relation to the problem. He indicated that with ever increasing enrollments each year, the campus parking problem

All Classes Receive Awards At 'Shindig'

The University of Idaho included 10 seniors and 25 juniors in passing out honors at the annual May Fete Saturday afternoon at the mid-way point of the weekend reign of Clara Armstrong, May Queen.

President D. R. Theophilus, whose senior presentation part of the program was nearly overlooked by master of ceremonies, ASUI P resident Dick Weeks, announced the ten outstanding seniors of the 1956 graduating class.

The seniors are Lee Anderson, Clara Armstrong, Robert Bakes, William Bauscher, Hans Gotsch, Karen Hurdstrom, Charles McDevitt, Donald (Mike) O'Callaghan, James Steele and Marcia Thornton.

'Oversight' Excused President Theophilus musingly excused Weeks for the near oversight saying "at last year's graduation, I nearly overlooked introducing one of the Board of Regents."

A committee headed by President Theophilus which included the ASUI General Manager, Deans of Men and Women, Alumni Secretary, junior members of the Executive Board and the faculty representative to the Executive Board selected the top seniors.

The students were judged upon activities in the ASUI and the value derived by the school and students; living group participation; grade point; athletic participation; new projects or reorganizations; attitude toward the University and other qualifications the committee felt typical of this type of student.

The seniors also will be recognized in the 1956 Honor.

25 Juniors Honored Seven junior men were tapped for Silver Lance, a group which each year recognizes seven men as outstanding campus leaders. Silver Lance selected Fred Burrow, Dale Carlisle, John B. Hughes, Elvind Resa, Bob Schreiber, John Thornock and Dick Weeks, to lead the chapter next year.

Mortar Board tapped 18 junior women including Christine Anderson, Janis Archibald, Nancy Buchanan, Janice Crisp, Judy Crookham, Shirley Danielson, Eula Gray, Margaret Johnson, Karen Lee Krauss, Sue McMahon, Marilyn Monroe, Audrey Montgomery, Lou Ann Olson, Jane Remsburg, Carolyn Sanderson, Louise Tatko, Rochelle Thornock and Dixie Weeks.

The May Fete program opened with the crowning of Queen Clara by President Weeks. He commented afterwards "I gave me a great pleasure to crown Clara as our queen... and for an old married man it was a good chance for a peck."

Twenty-two Spurs then proceeded to wind the May Pole, a May Fete tradition. The group marched in complicated formations to wind the streams about the gaily decorated pole and then with one final fling tossed the ends of the streamers into the air signifying the May Fete was officially underway.

Kathy Payne Averages 3.94 Jan Willis, president of Alpha Lambda Delta, women's scholastic honorary, honored senior women who had over their years at the University gained a cumulative grade point of above 3.5. Martha Kathryn Payne received the Book Award as the woman with the highest grade average, 3.94.

The group gave citations to Cleora Anderson, Norma Ann Borden Nancy Broughman, Lora Faulkner, Faye Hartwell, Nancy Moore, Cherie Tankersley, Marcia Thornton and Billie Wilbur Brown.

Weeks, past president of the Intercollegiate Knights presented Al Miller with the IK Holy Grail and honored Felix Marcolin as the outstanding Knight.

Janice Crisp, WRA president, awarded the WRA Cup for leadership, sportsmanship, scholastic achievement and interest to Joann Dittner, who had gained the most WRA points in the school's history.

Spurs Tap 24 Coeds The Spurs presented 24 new members, Margie Assendrup, Sally Beattie, Marge Bradbury, Cathy Cannon, Kay Conrad, Carolyn Edwards, Joan Fisher, Deanna Geertsen, Janice Henry, Elaine Heiber, Willa Hunter and Lana Huschke.

Others presented included Pat Iverson, Phyllis McAlexander, Chris Mackert, Nancy Norton, Jan Novak, Suzanne Roffler, La Rae Sasser, Mitzi Switzer, Sondra Tepy, Carol Wachal, Charlene Wells, Sandy Yost and Kay Zenier.

Members of Orchesis under the direction of Pat Rowe presented a number, "Picture," from their Mothers' weekend program. University Singers, under Prof. Norman Logan's direction, accompanied by the University Concert Band presented selections from the Desert Song by Romberg.

VANDALS QUALIFY Three University of Idaho Graduates, Ray D. Sipes, James D. Mansfield and Lloyd P. Marsh, have qualified in training aboard light aircraft in the Naval Air Corps.

Idaho Graduation Plans Complete For June 9-10

Plans for the University of Idaho's 61st commencement weekend, June 9 and 10, have been completed, Dean Ernest Wohletz, chairman of the commencement committee, announced today.

More than 700 candidates for bachelor's and master's degrees are expected to receive their diplomas at the commencement exercises on Sunday, June 10, Wohletz said. This contrasts with the University's first commencement in 1896 when only four students were awarded degrees.

Many Activities The weekend activities will begin at noon Saturday with an alumni luncheon and business meeting at the Hotel Moscow. At 4 p.m. a band concert will be held on the University lawn. An alumni dinner is scheduled for 6:30 p.m. in the Student Union building. At 8:30 p.m. the vespers recital will be held in the recital hall of the Music building.

Four exhibits will be open from 10 a.m. to 5 p.m. Saturday. A summer theatre exhibit will be shown at the Field House. The University library will present an exhibit at the library in the Administration building. A display by the department of art and architecture will be shown in the Art building, and a flower show by the botany department may be seen in the Science building.

Academic Procession On Sunday an academic procession will begin at 9:45 a.m. at the Administration building. Baccalaureate services will follow at 10 a.m. in the Memorial gymnasium. Dr. Carl W. McIntosh, president of Idaho State college, will deliver the baccalaureate-commencement address.

At 1:45 p.m. the second academic procession will form at the Administration building for the 2 p.m. commencement exercises. An informal University reception will be held at 4 p.m. for the Class of 1956; their parents, the board of regents, faculty alumni, and friends of the University. Members of the Faculty Women's Club will act as hostesses.

Mock Convention Combines Serious With Humor, Fun

Delegates to Washington State College's mock political convention Saturday combined serious political proposals with the hilarious in a two-day session.

Along with platform suggestions that included a "high dam" on the Snake river; a soil bank proposal with 2.5 per cent of parity and immediate statehood for Alaska and Hawaii; the 1981 convention delegates heard a proposal for a moving grandstand to be built on the Bonneville salt flats.

The grandstand was to be called "Bridey Murphy Memorial Stadium" and was to be moved around a circular track by two atomic engines. This, according to the sponsoring Utah delegation, would seat "young Americans interested in following stock car races on the salt flats."

The group endorsed the high dam proposals, soil bank program and statehood plank. It also recommended cuts in income taxes with exemptions of \$1000 for college students and self-government for Washington, D. C.

Rocket Film At SUB Thurs.

"Destination Moon," an authentic preview of the first rocket flight to the moon, will be shown Thursday at 4, 7 and 8:30 p.m. in the Borah Theater.

The film was released in 1950 and is documented by top authorities in rocket aviation. The picture includes the building of the man-carrying rocket, its launching and flight to the moon and the final exploration of the satellite's surface.

Investigated also are problems of space medicine, the sensation of free fall without the sensation of gravitation, and the dangerous job of repairing the ship while in space.

Bench And Bar Elects Officers

Don Daiker was elected president of the Bench and Bar association at the last meeting held on April 12th. Other officers elected for the 1956 fall term were Lamont Jones, Vice President; Cal White, Secretary; Bud Hagan, Treasurer; Wally Johnson, Historian-Reporter; and Wally Transtrum, Marshall.

Other business of the meeting considered was the establishment of the Paul Pugmire Memorial Trophy. The winners of the annual intraschool Moot Court competition will be placed on the memorial plaque, commencing with the winners of the competition for this year. The winners this year are Z. L. Pearson, Don Worden and Richard Kading. Each year two winners and an alternate are picked to represent the school in the regional competition during the fall semester.

THANKS

Phi Mu Alpha and Sigma Alpha Iota wish to thank all of the people responsible for making the 1956 Mother's Day Song Fest a success.

Flunking School Made Easy By Hints

Duluth, Minn. — (ACP) — The Statesman, published at the University of Minnesota's Duluth Branch recently picked this series of helpful hints from the University of Manitoba paper. All are designed to help the student attain failing grades.

Do not bother with a textbook. Remind yourself frequently how dull the course is.

If you must study, try to lump it together and get it over with. The most suitable time is the last week of school.

Have a few friends handy during periods so that you can chat when bored.

Stay up all night before finals. You can spend the first half of the evening discussing your determination to cram and the latter half drinking coffee or whatever your tastes prefer.

Write your examinations rapidly. Glance at the question and then put down your first impression.

Remember that success in life is your main aim and never let extraneous matters such as grades interfere with this objective.

Weather Change, Typical Here, Brings Sol

Despite a predicted two-day session of inclement weather for Mother's Day, Old Sol Sunday broke out of the clouds to warm Northern Idaho as Idaho honored Moms.

The Saturday May Fete was moved to Memorial Gymnasium as intermittent rain and hail fell along with daytime temperatures to make a drab spring day. However, participants in the Fete made the best of the situation with Spurs winding on the canvas-covered gymnasium floor. Students late Saturday were anticipating less than cooperative weather for the following day.

But the weatherman still had a trick or two left and Sunday morning found a warming sun drying off the remnants of the preceding day. Students and their mothers attended church services and the songfest in sunny weather and convertible tops were once more lowered. Temperatures hovered in the sixties in the afternoon and remained there until the visiting mothers, estimated at 1500, began heading for home.

IOWA 'GATOR MUST GO

Ames, Iowa — (ACP) — A young lady at Iowa State College is going to have to get rid of her pet sooner or later. Tiggy Johnston is the proud (?) owner of a baby alligator which has been appropriately christened S'later (contraction for see you later). Right now, it isn't much trouble, but just as kittens grow into cats, so little alligators grow into big alligators. Tiggy's sorority sisters are already casting apprehensive glances at the wee beastie and she concedes that her future at Iowa State "necessitates S'later's removal."

IRC MEETING WED.

There will be an IRC meeting Wednesday May 16, at 4 p.m. in the Pine room. Plans for the Banquet will be discussed.

J.J. on Jazz

Having last week concluded the major points in the jazz field, I thought that this week I would take an individual and give his background, or in short, his life story. I have picked "Dizzy" Gillespie.

John Bicks Gillespie was born on October 21, 1917, in the small South Carolina town of Cheraw. His father, besides being a bricklayer, was an amateur musician and led a local band. The band kept its instruments at the Gillespie home, where Dizzy had access to them, thus giving him a working knowledge of several instruments besides the trumpet.

The elder Gillespie died in 1927 when John was ten. During the next few years his musical interest enabled him to get a scholarship at a Negro industrial school, the Laurinburg Institute. He started on trombone, but nine months later a neighbor loaned him a trumpet. Soon he was given his own trumpet by one of the teachers.

Special Graduation

His mother moved to Philadelphia and Diz had to quit school just before graduation. (He did, however, receive his diploma and football letter from the school in 1947 in a special ceremony.)

Arriving in Philly with his trumpet in a paper bag, John Gillespie was just a country boy, who knew nothing about a big city. It was here that he acquired the nickname of Dizzy.

Dizzy's first job was with a local band led by Frank Fairfax. (Charlie Shavers was also in this band). But Dizzy found a musical idol in Teddy Hill's start trumpet man, Roy Eldridge, and was playing in the same style. Dizzy quit Fairfax and was out of a job when Teddy Hill hired him to take the place of his trumpeter who had left him. Dizzy got the job and stayed with him until late in 1939, when he joined Cab Calloway. Dizzy made one of his most famous recordings, "Pickin' the Cabbage," with Cab's band.

Bopped With Woody

He broke up with Cab and joined Benny Carter. Then Dizzy decided to go off on his own. He started a quartet made up of Johnny Ace, piano, Oscar Smith, bass; Stan Levy, drums and himself on trumpet. But the band didn't last long, and Dizzy found himself without a job, but not for long, for he soon joined Woody Herman where he found bop.

So now Dizzy has come up. He

Senior's Doodling To Squelch Provoker

Waco, Texas — (ACP) — This story from Sherry Boyd's "It seems to me" column in the Baylor Lariat, under the heading "perfect squelch."

A floor director at one of the girls' dormitories had as a visitor recently her eight year old sister. The little girl sat with her older sister at the director's desk while she was working. A senior boy came in to buzz for his date. While he was waiting for her to come down, he conversed with the director and her young sister.

Finally he began playfully drawing pictures on the sign-out book, a habit he usually indulged in while waiting. The little girl watched him for a while, then asked the dignified senior, "What are you going to be when you grow up?"

Phi Taus Initiate, Dance And Dine

Phi Taus initiated four men on Friday, May 12 some 80 Phi Taus and friends attended a dinner-dance where skunks with the fraternity shields were favored. Forney Hall plans the "Moonflow" dance for this Saturday night after the busy Mothers' Day week-end banquets.

DELTA SIGMA PHI
Peggy Webb and Melvin Bryant will be honored at an all-house picnic Sunday for their pinning. Mrs. Lela Brant, Mr. and Mrs. Mrs. Doren Woodward, Mrs. Hillard Patton, Ellie Johnson and Neva Kocher were dinner guests Sunday.

Thanks to the Thetas for the wonderful singing and the party.

PI BETA PHI
The pledges thank the Kappa pledges for the informal exchange last week and the Spurs for the serenades last week.

PHI KAPPA TAU
Phi Kappa Tau Spring Formal was held Saturday, May 12, in the mirror room of the Idaho Hotel. Fifty-eight people attended the banquet where miniature skunks with a Phi Kappa Tau shield on their necks were given as favors.

Guests included Dean and Mrs. Charles O. Decker, Mr. and Mrs. Dwight L. Kindschy, Mr. and Mrs. Robert S. Gibb, Mr. and Mrs. William W. Logan, Mr. and Mrs. E. B. Newsome.

More than eighty people danced to the music of the Jim Purcell Trio.

Near the end of the dance Byron Gage, house president, and Carolyn Chartrand, Pi Phi, announced their wedding day, June 14, with little scrolls contained in balloons given to the couples.

Formal initiation ceremonies were held Friday for James Armitage, Lawrence Clure, Edward John, and Marshall Smith.

Mrs. Grace Smith was a guest for the Sunday dinner.

Pete Snow, returned from service, has been visiting the chapter.

FORNEY HALL
Last Monday night the seniors were unceremoniously dragged from their beds and tubbed by the freshman.

Congratulations to Rita Lorang on her pinning to Barker Weston, Delta Chi.

Thank you Spurs for the lovely serenade, and thanks to the Delta Chis for the serenade in honor of Irene Bratton.

"Moonflow" is the theme for the dinner-dance this Saturday, May 13.

Sunday night a fireside was given for Margaret Johnson for directing the girls in the song fest.

KAPPA ALPHA THETA
Thetas were delighted to have such a successful Mothers' day weekend and open house on Sunday.

Thanks to the Delta Sigs for the song-practicing week, the winning voices and the beautiful dozen white roses. That fireside was also loads of fun!

For the serenades, thanks to the Spurs and to the Sigma Nus who honored Joan Ramsdelt. For the Wednesday exchange, thanks to the Sigma Chis.

Grace Steele, Sandpoint, was a weekend guest.

Congratulations to Margaret Peckardt and Pate Stewart who announced their engagements to Jack Cole, Delta Tau and to Ted Miller, Kappa Sig, respectively.

DELTA DELTA DELTA
Congratulations to Ann Popma on her engagement to Dick Parsell.

DELTA TAU DELTA
Two very successful dinners were held over the weekend in honor of the mothers.

Thanks to the Lindley Hall boys for the exchange last Wednesday evening. Thanks to the Spurs and the Teke pledges for the lovely serenades last week.

Guests included Dean and Mrs. Charles O. Decker, Mr. and Mrs. Dwight L. Kindschy, Mr. and Mrs. Robert S. Gibb, Mr. and Mrs. William W. Logan, Mr. and Mrs. E. B. Newsome.

More than eighty people danced to the music of the Jim Purcell Trio.

Near the end of the dance Byron Gage, house president, and Carolyn Chartrand, Pi Phi, announced their wedding day, June 14, with little scrolls contained in balloons given to the couples.

Four Engaged Couples Make Troths Known

COLE-PECKARDT
"Maggie and Jack" written on little white intern jackets stuck on top of cupcakes announced the engagement of Margaree Peckardt to Jack Cole, Delt.

Thetas were surprised at the fireside last Wednesday night to hear the date set for June of 1957. A little bespeckled doctor doll was standing amid pastel daisies on styrofoam at the party.

Cole is in pre-med and Miss Peckardt is a business major.

LINDSAY-JUDD
Tuesday night French House was pleasantly surprised as the engagement of Lois Judd and Willard Lindsay was revealed.

The ring was passed on a white candle tied with lavender ribbon. Marge Draper read the poem "How Do I Love Thee?" The traditional box of chocolates was sent around.

MILLER-STEWART
Mother's Day banquet at the Theta house disclosed the engagement of Pat Stewart to Ted Miller, Kappa Sig.

Tables were decked with gay baskets of green and yellow daisies and white snapdragons. Each favor with a bright daisy in the corner was inscribed with green ink, "Daisies Do Tell" and inside the names were printed. The ring was passed in a yellow ribboned nosegay of white tube roses and a yellow rose bud.

Miller is a senior majoring in extractive industries and Miss Stewart is graduating in home economics in June.

PARSELL-POPMA
"It's A Match" was the theme used last Wednesday evening at the Tri-Delt house announcing the engagement of Ann Popma to Dick Parsell, Delt.

A spring bouquet arranged with three match books of varying size gave the theme, date, August 18, and names. Individual match books with "Dick and Ann" were given as favors.

The couple will be wed in Boise and return to Moscow next fall. Special guests included Mrs. Alfred M. Popma, Mrs. Charles Hering and Mrs. Bob Koontz.

Macklin To Attend European Musicals

Two international musical events in Europe will be attended this summer by Professor Hall M. Macklin, head of the music department at the University of Idaho.

Professor Macklin will participate in the conference of the International Society for Music Education at Salzburg in August, and will also attend that month the International Music festival in Lucerne. The festival this year will feature the London Philharmonic orchestra. Also on the program will be American artists who have appeared as guest stars at the university. These include Claudio Arrau, pianist, and Zino Francescatti, violinist.

While in Europe, Macklin will visit other music centers in France and Great Britain. He will be accompanied by Mrs. Macklin.

Define Old Flame, Pink Elephant, Hyporrite

LINDSBORG, Kansas (ACP) — Sharon Moffat, the "Swid Bits" columnist for the Bethany College Messenger, recently listed these definitions:

Old Flame — What a girl uses to burn up her new boy friend.
Pink Elephant — Beast of Bourbon.

Freshman — I don't know.
Sophomore — I'm not prepared.
Junior — I don't remember.
Senior — I don't believe I can add anything to what has already been said.

Biggest Since '49 All-Campus Formal Has 100 Couples

One hundred couples, the largest crowd in seven years, attended the annual all-campus formal IFC Ball Friday night, dance chairman Chuck Alfred said today.

Alford said in talking with faculty advisor Jim Lyle, alumni secretary, that the advisor said it was the top crowd since he first went to a ball seven years ago.

The dancers brought back the WSC Kappa Sig Quartette for two encores during the floor show, Alford said, and Chellis Smith was a big hit in the intermission entertainment program.

Alford said many spectators came into the crowded ball room to watch the floor show.

The Idaho chapter of Kappa Sigma held a banquet prior to the dance for IFC members.

Summer Theatre Staff Announced

Two University of Idaho dramatics instructors and an Oregon high school drama director will comprise the faculty for the Idaho summer theater, June 18 to August 10.

Jean Collette, chairman of dramatics and Edmund Chavez, assistant professor of dramatics, both from Idaho and Cecil Matson, director of dramatics, Lake Oswego High School, Oswego, Oregon, will serve on the summer staff.

Students in the theater will prepare and present five plays during the session, which offers college credit for participation.

Cosmo Clubbers Give Grangeville 2 Variety Shows

Fourteen members of the University Cosmopolitan Club presented two variety shows for the students and people in Grangeville last Friday. According to Bernie Henderson, president of the Club, about 400 people attend the evening performance. He said the club netted \$105 on the show.

Henderson said the two hour show consisted of many acts—on customs and dances from foreign countries.

Numbers on the program included a Demonstration of Drums of Nigeria by Winston Onyema; an accordion solo of Norwegian Fantasies by Arne Thune, singing of Indian songs by Agid Gill who also played the flute, and a demonstration of "turban tying" by Jaget Singh.

Other Featured Acts
Other numbers were Edwardo Pena singing "Granada" and "Sometime" accompanied by Diane Aller, Pena and Beverly Hanson from WSC danced popular South American dances, Siv Bergstrun and Bjorn Fremming danced polkas and schottisches of Scandinavian tradition. Dr. Ali Amir-Moez and Mrs. Dale Tracy danced Persian type ballad dances, and Kenneth Grim led group singing old ballads.

Hosen Rafiee, Bjorn Flemming, and Ken Grim alternated as master of ceremonies in a skit type program.

The program was sponsored by the Grangeville high school newspaper, and dinner was served to the group by a group of girls in the school.

Henderson said that the Club was planning to have a whole series of similar type shows next year to perform for organizations in the area.

Here's More About—Big Crowds

were "Picture," "Fear," "Haunted Ballroom," and "John Brown's Body," interpretive dances. Ron Tan and Nancy Casteel were featured in a dance derived from an old Russian legend and Pre-Orchestrated dancers presented several numbers based on folk songs.

Village Vets Say Speeders Reported

Increasing complaints that motorists have been speeding on 6th Street on the gravel section from the University Dairy Barns to the West Sixth Village and inside the Village have been reported to the Moscow city police and the University.

Occupants of the Vet's Village say the fast speed creates a hazard for children playing in that area and stirs up dust about the village. The zone is marked as 20 miles per hour with warning signs along the section, but villagers say some motorists are driving at estimated speeds of 40 to 50 miles per hour.

Christensen Given Asst. Adjutant Job At Fort Monroe

Fort Monroe, Va. — Second Lt. Gerald L. Christensen, Idaho Falls, recently arrived at Fort Monroe and has been assigned to the duties of assistant Post Adjutant, it was announced today by Col. Malcolm D. Jones, Fort Monroe Post Commander. This is Lieutenant Christensen's first field assignment since his entry into the army earlier this year.

A 1955 graduate of the University of Idaho, Christensen was commissioned to the rank of second lieutenant in the Army's Adjutant General Corps in June 1955. Lieutenant Christensen majored in political science at the University and was a member of Phi Delta Theta fraternity. He also was a member of Greek Caucus and inter-fraternity council and held various fraternity offices.

GI Terminology Fits Schools Perfectly

VENTURA, Calif. —(AP)—The Ventura College Pirate Press reports that a survey was made a few weeks ago on GI slang. It brought to light many new words and phrases introduced to the college by ex-servicemen. As this type of terminology has become "permanent party" on the campus, the paper printed a few of the deviations:

Teacher's lecture—Propaganda.
School Busses—Troop transport.
Sleepy student trying for back row of classroom—Maneuvers.
Sleeping student hidden behind textbook—Camouflage.
Ventura college—Fort Knowledge.
Morning rush for excused absences—Sick call.
Teacher—First sergeant.
Freshman—Recruit.
Sophomores—Old times.
Third and fourth year students—Veterans.

To which we might add:
Graduate Students—Career men.

Ducks Here For Two; Wednesday, Thursday

NORTHERN DIVISION STANDINGS

| | Won | Lost | Pct. |
|--------------|-----|------|------|
| Wash. State | 7 | 2 | .778 |
| Oregon | 4 | 3 | .667 |
| Oregon State | 5 | 5 | .500 |
| IDAHO | 4 | 7 | .364 |
| Washington | 3 | 7 | .300 |

Vandal baseballers hope to get back on their winning streak again this week as they meet the second place Oregon Ducks here on Wednesday and Thursday. Idaho dropped two weekend contests, to Oregon State, 7 to 5 and 6 to 1. Game time for both the Oregon games will be 3 o'clock.

Safe At First

Ray Copeland, Idaho first baseman, puts the ball on Oregon State's Jerry Exley on a pickoff toss from pitcher Doug Randall. Exley singled to right field in the first inning of Friday's game but died there as Randall retired the next two Beavers.

Grid Workouts End Today With Full Game Scrimmage

Vandal spring grid workout ends this afternoon at three with a full game scrimmage, head coach J. Neil (Skip) Stahley announced last night.

Netmen Beaten In 2 Weekend Matches Here

Two strong coast tennis squads handed the Idaho netmen 7 to 0 defeats this weekend as the Vandals managed to win only one set in 14 matches.

Friday the netmen were beaten by Seattle University, and Saturday they lost a Northern Division contest to the University of Washington.

LaRelle Smith won the only set of the weekend for the Vandals as he lost to Jeff Comyn of Seattle, 6-3, 0-6 and 7-5. Smith was previously undefeated in Northern Division play.

In the match with the Huskies, George Hieber was the only Vandal to win more than two games. Smith won two games in losing his match in two sets.

Friday:
Singles—Winnie Lim (S) defeated Dave Cummins, 6-0, 6-3; Jack Eng (S) d. George Hieber, 6-2, 6-1; Harold Marcus (S) d. Sonny Long, 6-2, 6-4; Don Kovacevich (S) d. Keith Spencer, 6-2, 6-2; Jeff Comyn (S) d. Rell Smith, 6-3, 0-6, 7-5.
Doubles—Marcus-Grim (S) d. Cummins-Hieber, 6-2, 6-4; Eng-Kovacevich (S) d. Long Spencer, 6-0, 6-3.

Saturday:
Singles—Doyle Perkins, (W) d. Dave Cummins, 6-0, 6-1; Gary Linden (W) d. George Hieber, 6-4, 6-3; Rollin Odell (W) d. Sonny Long, 6-0, 6-1; Charles Mertel (W) d. Keith Spencer, 6-0, 6-1; Bill Jacobson (W) d. LaRelle Smith, 6-1, 6-1.
Doubles—Perkins-Linden (W) d. Cummins-Hieber, 6-0, 6-2; Mertel-Odell (W) d. Spencer-Long, 6-0, 6-1.

Another scrimmage Saturday saw the Vandals looking good although they still lack depth in the backfield and in the end spots. Said Stahley, "There is a good possibility that we will have them next fall."

Stahley also commented, "I have been pleased with the way that the practices have been going. Fundamentally, the team is looking better than I have ever seen them in my three years at Idaho. I think that there is some hope for next season."

In the Saturday scrimmage the Whites, quarterbacked by Gary Johnson, ran over the Reds 17-7. The Reds were handled by Howard Willis and Gary Kenworthy.

Only Tally
The Reds' only tally was from the quarterback sneak which Willis used so effectively last year before his mid-season injury.

Johnson threw for both of the Whites' scores, the first to Pete Gerphide, and the last to Larry Aldrich, who dragged about three yards with him the last three yards over the line.

Two Vandals, Warren Hawley and Wayne Walker, were on the sidelines with injuries Saturday, as they will probably be for today's final workout. Hawley has a bad hamstring in the back of his leg, and Walker has a knee injury.

Aldrich and Gerphide played good ball in the end spots, Dick Foster and Jerry Smythe were solid in the line, and Mel Schmidt and Larry Norby did most of the ball packing in the Saturday workout.

Varsity Golf Team Loses To Huskies

Vandal varsity golfers, winning only two singles matches, dropped a Northern Division match to the University of Washington, 19 1/2 to 7 1/2, on the U of I course here Saturday.

Medalist for the day was the Huskie's Bob Manlowe, with a par 70 for the course. Vandal Dick Sheppard was low scorer for the home team with a 71.

John Benzin, number three man for the Vandals, defeated Al Newman of Washington 2 1/2 to 1 1/2, and Idaho's number six man, Bruce Williams, defeated John Williams by that same score. Singles play in the afternoon was hampered considerably by winds and rain showers.

Sheppard and Tom Olson split with Washington's Len Peary and Chuck Coleman 1 1/2 to 1 1/2 in the best ball matches played in the morning.

Results:

Big Swing—Little Foul

Jim Howard (11) Idaho catcher and co-captain, swings high and hard at a low pitch in the first inning of Friday's game with Oregon State and as a result fouls the ball into the dirt. (Note ball to left of home plate). Howard later grounded out Dan Lovejoy (catcher) to first sacker Jerry Bettendorf. Oregon State beat the Vandals 7 to 5 in the Friday contest and 6 to 1 Saturday to sweep the four game series.

Idaho Gains Only Seven Places At ND Trackmeet Horseshoes

The Idaho track squad were only able to pick up seven places, including Warren Johanson's 880 win and Jerry Kramer's third in the shot put, at the Northern Division championships held at Eugene Saturday.

The Vandals finished in last place in the meet with 14 1/2 points, trailing fourth place Oregon State by 10. Oregon easily won the meet, for the third consecutive time, with a score of 56 1-3 points. Washington was second with 44 and WSC third with 25 5-6. OSC had 24 1-3.

Oregon's mile ace, Jim Bailey turned in a time slightly slower than the week before when he edged out fellow Australian John Landy, but nevertheless smashed the ND record by just under six seconds. Bailey ran the distance in 4:06.4 breaking the record set in 1940 by Phil Liebowitz of Idaho and tied last year by fellow Duck, Bill Dellinger.

New Record
Dellinger didn't run the mile this year but set a new ND record for the two-mile event with a time of 9:03.5 minutes. The previous mark of 9:11.3 was established by Ken Reiser of Oregon last year.

The upset of the meet came in the mile relay where the previously unbeaten Idaho team of Johanson, Walt Denny, Bill Bauscher and Olson placed a poor fourth. Sparked by the anchor run by Bailey, Oregon won the event in a time of 3:20.7.

The Idaho defeat was blamed on the fact that two of their runners had to run several races in a row. Glander added that the top two teams, Oregon and Washington had been specializing in that event, while the Vandals had to use the same men in other events.

Hurdler Larry Church turned in his "best performance in years" according to Glander placing third in the high hurdles, won by Dean Singer of Washington in :15.0.

Olson Tied
Olson ended in a tie for third spot in the 440 with WSC ace Bob Duncan. Gordon Dahlquist of Oregon won the event in :49.6.

Buzz Hanson picked up a third in the javelin throw with a toss of 198' 6". Ed Bingham of Oregon heaved the spear 215 feet for first place.

Wilbur Gary was only able to leap 21-8 1/2 in the broad jump but it was enough to give him fourth place and Idaho's final point. Denny George of Oregon won the event with a jump of 22 feet 6 1/2 inches. Gary had previously leaped 24' 1/4", the best jump in the division, but was unable to get off a good jump at Eugene.

Sam Wesley, Oregon State football star, was the meet's only double winner. He edged another footballer, Oregon's Jack Morris in the 100 yard dash and squeaked past Mel Kobel of Washington in the 220 yard event.

Results
Mile—1. Jim Baily, O. 2. John Midtbo, WSC. 3. Mike Johnson, W. 4. Gene Hammermaster, W. 4:06.4. (Meet Record. Old mark 4:12.2, set by Phil Liebowitz, Idaho, in 1940, and tied by Bill Dellinger, Oregon in 1955.)

Arlen Chaney captured the intramural horseshoe crown for the second straight year yesterday downing Tom Anderson, Phi Delta Theta in the finals. The win by Chaney gave Beta Theta Pi the horseshoe trophy for the second consecutive time and also boosted their point total by 100.

The Phi Deltas in picking up 97 points for second place moved 104 points ahead of second place Delta Tau Delta in the overall point race. The Deltas failed to get their horseshoe entries in on time and therefore received no points in the minor sport.

Lindley Hall moved to within 55 1/2 points of the Deltas, scoring 79 in horseshoes.

PCC Meet For 2 I Trackmen

Two Vandal tracksters earned the right to travel to the Pacific Coast Conference championships at Berkeley this weekend with outstanding performances at the ND meet at Eugene Saturday. The pair, distance man Warren Johanson and shot putter Jerry Kramer, accompanied by track coach Joe Glander will leave tomorrow morning.

Johanson highlighted an otherwise dismal showing by the Vandals as he copped his specialty, the 880 with a time of 1:54.9, four seconds short of the record. Coach Glander expressed high hopes for Johanson in the PCC meet, explaining that an extremely sore calf in his right leg hampered him at Eugene.

"If that leg doesn't bother him, he might go all the way," said Glander.

High Praise
Glander had high praise for Kramer, a sophomore, who in placing third in the ND shot put, broke the existing school record with a toss of 48'10 1/4". The previous mark of 48'8" had stood for close to 30 years, being set by Johnson in 1930.

Kramer was beaten by both Burl Grinols of WSC and Washington's Larry Pulford, who tied for first with tosses of 52' 1/4". However, according to Glander he should benefit greatly from the PCC meet. "He has shown tremendous improvement this year, coming from throws of 43' to his present mark, and competition against the best in the conference should enable him to pick up more pointers. All of the men in the Southern Division are continually throwing well over 50'," stated Glander.

The preliminaries of the PCC meet will be run off Friday morning with the finals scheduled for Saturday.

Bauscher Is Idahoian Award Winner

Basketball co-captain last season and track star Bill Bauscher, a 21-year-old senior from Jerome, was recently named winner of the annual Idahoian merit award as the outstanding senior in athletics.

Bauscher lettered in basketball three years, and was one of the Vandal's top scorers last year. He won PCC honorable mention for his play in the guard spot during the 54-55 and 55-56 seasons.

Head Vandal hoop coach Harlan Hodges, who presented the award, said that Bauscher was one of the finest men that he has ever worked with and had been a real leader for the past two years.

Bauscher was given the award Thursday prior to his trip to Eugene with the Vandal track team for the Northern Division meet in Eugene.
