

The GOLDEN FLEECE by Jason

It's getting to that time of the school year when we begin tiring of the routine of studies and classes and begin complaining and passing the crying towel, all the time losing sight of some of the good things we are fortunate to be grasping from college.

This period is known as pre-Christmas-vacation hour, when the days are being marked off calendars in many rooms.

But there are a few people on this campus that help us find that despite our world shaking dilemmas and problems, we are in the midst of a fortunate society.

And they belong to the unheard-of Idaho Vandaleers, one of the finest singing organizations in the country, a proud group of men and women that make singing fun and listening spine-tingling.

When you hear the Vandaleers, and if you can emotionally let yourself go, you know here is a group of men and women that enjoy relieving us momentarily from the problems we assume are so hopelessly unsurmountable.

The Vandaleers are made up of the best singers from the state and are blessed to have as their leader, Glen Lockery, a man who has devoted his time to perfecting Idaho's most pleasurable entertainment.

Members of the Vandaleers have fun in their work. It is their way of relieving their problems and in turn helping us realize that some bright signs of life are left.

The Vandaleers have a concert coming up next month during a time of universal goodwill.

There is something genuinely stimulating about hearing the Vandaleers. And the way this group sings you can't help but force yourself to see that life is still worth living.

Arraignment Of Matovich Is Delayed

Latah County Prosecutor Lloyd G. Martinson yesterday refused comment as to whether or not any new charges will be filed against Paul Matovich.

Matovich remained in Latah County jail this week, charged with first degree arson, after confessing to setting four campus dormitory fires.

Lewiston Morning Tribune yesterday quoted Martinson as saying that further charges are "certain to come" but would give no indication when they will be filed.

Meanwhile it was anticipated that Matovich would appear in the near future for arraignment.

Delay in the arraignment has been caused by the fact that District Judge Jack McQuade has been in Southern Idaho since last Wednesday, on court business. He is due to return to Moscow late Thursday or early Friday. He probably will conduct the arraignment soon after his return.

The only new development on the case was that Kenneth Purdy, Coeur d'Alene attorney, has joined the law firm of Savage & Nuxoll of Colfax to represent Matovich.

Rod Ehlers New Veep

Rod Ehlers, Willis Sweet Hall, was elected vice-president of Independent Caucus at a meeting held at French House last Monday. He succeeds Larry Wing, Lindley Hall, who resigned because of conflicting activities.

The Caucus also discussed a possible change in the constitution to allow better representation to all the halls.

The change would allow the president of a hall to appoint a member of his executive board to attend the caucus meetings in case the president was otherwise occupied.

It was further suggested that the hall president set aside time in the hall meetings for a report from the caucus representative. This apparently had not been stressed in the past and as a result students were not being informed of the activities of the caucus, according to president Jay Eacker.

The next meeting of the caucus is scheduled for next Monday at Willis Sweet Hall has been cancelled.

Co-Education NYU Problem

(ACU)—New York University is faced with the question of whether co-education is desirable. There seems to be at least a chance that the school . . . long a citadel for males . . . will start admitting female students.

Experts who conducted a \$250,000 study of the University's operations have urged co-education at the earliest possible date. In support of that action, faculty members has presented the following argument: "Co-education would make our students gentlemen . . . Our students as a whole have not had social experience. . . It would improve the social atmosphere."

On the other hand, opponents of the co-education move contend that it would destroy what they call "the desired separation of the student from his own environment."

They contend that the University's chief advantage is that it is not co-educational and that to change this situation would be to rule out this advantage. They also say that male students might lose detachment if the girls moved in.

Art Students Make Christmas Offers

The Art students are holding their annual Christmas Sale on objects they have made in the Art Building through Dec. 20.

The display of Christmas cards, oil and water color painting, drawings, jewelry, ceramics, and photographs is in the Art Building.

Purchases can be made by contacting the secretary in the main office from 8 a.m. to 12 and 1 to 4 p.m.

Real Dirty Business

Foresters are hanging on valiantly as they are being dragged through the pile of barnyard manure by the Aggies in the annual Tug-Of-War held Wednesday afternoon in front of the SUB. The Aggies won their third battle in a row and retained possession of the pitchfork-axe trophy. Losers will clean up after the Ag Bawl tonight.

See Robot Vs. Russians At Ag Bawl

A mock display of present day Russian farming equipment and a United States 1986 farm hand—a robot—will highlight decorations at the Ag Bawl tonight in the SUB ballrooms from 9 to 12 p.m.

The display will feature primitive farm equipment represented as 1956-57 models of Russian equipment. The robot is being constructed by Harold Ruby.

Other decorations will be displays set up by ten organizations

in the College of Agriculture and home economics.

AGGIES WIN
It took the Aggies exactly 3 minutes and 8 organized pulls to drag the outnumbered Foresters through the final line, a pile of barnyard manure, at the Tug-of-War between the two schools Wednesday afternoon in front of the SUB.

The Aggies retained the pitchfork-axe trophy by winning their third contest in the last three years. About fifty students started pulling on each end of the rope, but 20 more Aggies joined in before the starting gun sounded.

Dress for the annual dance will be sport, western or costume. Admission will be \$1.25 per couple and tickets can be purchased at the door.

The six piece College Hall band from Pullman will furnish music for social dancing in the North and Central Ballrooms. Dr. Robert Hibbs, Associate Professor Dairy, will call and teach square and circle dancing in the South ballroom with music furnished by records.

Dance chairman Darrell Weber said intermission entertainment would be western numbers. Organizations making displays will be 4-H Club, Animal Husbandry, FFA, Home Ec. Club, Phi Upsilon Omicron, Alpha Zeta, Agronomy club, Dairy Club, Forestry Club, and Ag. Engineers.

Fifth Quarter Group Chosen

Al Dingel, Fiji, was appointed chairman of the ASUI fifth quarter committee by Exec Board Tuesday night. Members of three committees received official appointment by the Board.

The fifth quarter committee is a newly organized committee to work with a similar WSC committee to eradicate activities of students after the traditional Idaho-WSC football game.

Other members of the committee are Ellie Johnson, Alpha Chi; Judy Orcutt, Kappa; Kris Bengtson, Hays; Jan Cooke, Alpha Chi; and Sharrol Bartlett, Gamma Phi.

Thad Scholes, Delta, and Lynn Bosley, DG, were appointed to the recreation committee. This committee will be a coordinating

council between the students and faculty in planning recreation activities and facilities.

Members of the leadership committee were approved after the Board rejected the Student Events Council's recommendations last week because two living groups dominated membership of the committee. Those approved were Steve Holzhay, Willis Sweet; Tim Daley, Beta; Tom Reveley, Beta; Marilyn Rider, Alpha Chi; Darl White, Pi Phi; Rosemary Maule, Kappa, and Nan Alvord, Kappa.

Women Choose Candidates

Women's living groups will choose their candidates for Holly Queen today, according to Marge Ersted, co-chairman of the sophomore queen committee.

Preliminary voting for the finalists will be held Wednesday in all the men's living groups. The winner will be crowned Dec. 14 at the Holly Dance.

The sophomore class will tour the campus during the week for an after-hours serenade led by Norman Logan of the music department. It will be held the night before the dance and all sophomore women will be given late permission until the end of the caroling.

Multi IK's Spurs Attend Exchange

One hundred-ten IKs and Spurs from Idaho and WSC attended the two-school exchange held in the South Ballroom Wednesday night. The students danced to the music of Jim Mercer's combo from 7-8:30 p.m.

The primary purpose of the exchange was to promote better understanding of the two service groups and better relations between the schools.

MUN Delegation To Meet Tomorrow

The Model United Nations delegation from Idaho will meet Saturday at 8:30 a.m., in conference room E of the SUB to further its study of Yugoslavia.

Feature of the meeting will be a panel conducted by Dr. Robert E. Hosack and Dr. Malcolm E. Hause.

Dr. Hosack will discuss Yugoslav foreign policy while Dr. Hause will explain conditions and activities within the country.

Three Instructors View Idaho Law

"Does Idaho Need a Run-off Primary Election Law?" will be the subject discussed by Dr. E. Malcolm Hause on "Talking It Over," radio program produced by the Radio-TV Center this week. The panel includes Dr. Bernard Bornig, Dr. Robert Hosack, and Professor Clifford Dohler.

On "Athletic Highlights," Ken Hunter will interview Harlan Hodges on the basketball team and its prospects.

Oregon KKGs Lose Well-Stuffed Pigs

Burglars at University of Oregon stole piggy banks from the Kappa Kappa Gamma sorority during Thanksgiving weekend.

In addition to several piggy banks, the thieves took travel alarm clocks, jewelry, and a radio. Tipped off by an anonymous phone call, police found, in a garbage can, everything but the money in the piggy banks and the radio.

Males Find Odd Rules In Hall

Due to the overflow of men students, Southwest Texas State was forced to move male students into a dormitory occupied last year by coeds. The men found the following regulation posted: "Report your overnight guest and have her sign the guest book."

State Appropriations To Be Recommended

A recommendation for \$6,990,458 in state appropriations for general education, research and non-agricultural operation at the University of Idaho for the next biennium will be presented to the Idaho legislature next spring.

Dormitory Hashers Receive No Action On Grievances

Action has been tentatively halted on the issue of hashers' grievances in University Dormitories with a letter from the administration presented at the Exec Board meeting Tuesday night.

Representatives of the hashers presented a four topic grievance to the Board three weeks ago and asked for assistance in solving the problem.

The letter from the Administration to Dick Weeks, ASUI president, said, "I am sure you are aware that hashers at the University of Idaho work for their board. No wage rate on an hourly basis is or has been used for this particular type of work. This is a practice of very long standing and apparently has proven to be very successful for work of the character."

The grievance reported poor working conditions, unsatisfactory

and inadequate equipment, wages and hours, and job breakdown and assignment were the main problems.

It said too much time is expected to be put in for meals. Three hours of work are required for the 56 cents per meal received by the hashers.

The report said there is no overtime record or pay. The assignments and job breakdowns come under overloaded conditions and no preference is given to the hashers who have worked longer.

It also stated that there was no relief from steam or heat and not more than 7-10 minutes to eat.

The recommendation was approved by the Idaho legislature interim budget committee meeting in Boise last week. The request for funds for the University and Lewis-Clark Normal school will be included in the committee's report which will be submitted when the legislature meets early in 1957.

The committee cut \$602,349 off the original request from President D. R. Theophilus for \$7,592,807 to run the school for the next two years. This total did not include money which will come from federal appropriations, endowments and local income.

Should the legislature approve the budget committee's recommendation, the total budget for general education, research and non-agricultural operation for the coming biennium will total nearly \$8,247,000. The biennium begins July 1, 1957.

Under the headings for agricultural research and agricultural extension, the committee reduced University requests.

The committee recommended \$1,400,000 for research and \$989,708 for extension. The school had asked \$1,564,693 for the first category and \$1,082,708 for the second.

The Lewis-Clark fund recommendation was \$357,000.

President Theophilus, who Wednesday returned from Boise, said the recommendations, if approved, "would provide appreciable increase in funds used for salaries, adjustments, and promotion" at the University.

The legislature allocated \$4,757,000 in state funds to run the school for 1954-56.

In three other categories, the budget group passed on requests for \$51,000 for the pure seed laboratory, \$10,000 for rodent control and \$150,000 for special research.

Theophilus said a substantial increase in funds was needed to operate the school in the future.

"To provide a first class institution," he said, "we must be prepared to meet the impact of an increasing enrollment and to provide adequate personnel, facilities and services in all their ramifications."

Operetta Premiere On Stage Tonight

Laird Montgomery

DeLance Franklin

"Cosi Fan Tutte" or "Women Are Like That," a comic operetta by Mozart, will begin a two night stand at 8 p.m. in the University auditorium tonight.

"Cosi," the Italian name of the show, is produced by the Opera Workshop of the Department of Music, in collaboration with the Department of Dramatics and will climax two months of extensive rehearsal and technical preparation.

The story of the comic operetta hangs on the theme women are fickle, or at least that men may safely assume that this is the case. Marigay Nelson, and Faye Udell portray Fiordeligi and Dorabella, respectively, who are engaged to two soldiers, Ferrando and Guglielmo. The soldiers are played by tenor Laird Montgomery and baritone DeLance Franklin.

Don Alfonso, an old philosopher and friend of the soldiers who believes all women are not to be trusted, will be sung by bass Wayne Benson.

Joan Fisher will sing the role of Despina, a maid who assists in joining the two couples together, allowing the operetta to end on a happy note. Other principals are Larry Harrop and James McFarland. Harry S. Morrison, Jr., musical director of the production, and Edmund M. Chavez, technical director of the operetta, have worked together during rehearsals.

The SUB Bookstore said operetta tickets are on sale there. All seats are reserved. Students with ASUI cards will be admitted for 25 cents and without a card the price will be 75 cents. Hodgins Drug Store in Moscow has tickets on sale also.

University Symphony conductor LeRoy Bauer has assisted in the organization of the orchestra for

the show. Rehearsal accompanists are Judith Casabett, Elaine Hieber, and Rochelle Thornock.

The settings on stage are unrealistic to add to the comedy of the operetta and the costumes are of bright colors to add to the light mood of the production. The players wear costumes from the Restoration Period during Louis XIV reign. Part of them were made at the Drama Hut and the rest were ordered from Hooker-Howell Costumes of Massachusetts.

The opera, "Cosi Fan Tutte," which was written by Wolfgang Amadeus Mozart in the last five years of his life, has been turned into a modern operetta and is sung in English by the Idaho group. It derived its name from the Italian translated title, "So Do All Women."

The plot of the opera is set in 17th century Naples and is a light comedy presenting a situation in which two lovers attempt to test their ladies' fidelity for wages by appearing in disguise to make love to each other's sweethearts.

Furnishing the background music is the choir made up of Carol Brunzell, Anna Dixon, Emily Moser, Dorothy Jacobsen, Patsy Robinson, Gary Thompson, Sanford Downing, Larry Block, Bob Lund, and Kathy Crabtree.

"Cosi" was Mozart's last comic opera. His object in writing the opera was only to entertain and amuse, but since its first performance it has been subjected to weighty psychological and philosophical analysis by scholars and to a series of 'corrections' of its plot in the interests of morality and popularity. The story first made its appearance way back in 1790 when it was given in Vienna.

Board To Ask Closer SUB Ties

Recommendations to Dean Charles Decker for closer contact between the Exec Board and the SUB committee were approved by the Exec Board Tuesday night.

The recommendations are: 1. One member of Exec Board attend all meetings of the SUB committee.

2. Monthly reports of the SUB committee be made to Exec Board. 3. Exec Board approve all appointments the SUB committee makes.

Ray Wilke, chairman of the SUB committee, gave the first report of the committee to the Exec Board Tuesday night.

COMING EVENTS

Saturday:
IRC, 8:30 p.m., conference room E.

Sunday:
Cosmopolitan club, 3 p.m., South Ballroom.

Monday:
Young Democrats, 7 p.m., conference room A. Gem pictures.

Travel Bureau, 4:30 p.m., SUB mezzanine.
Hell Divers, 7:30 p.m., Memorial Gym.

Tuesday:
Orchestra, 7 p.m., Memorial Gym.
Gem staff heads, 7 p.m., Gem office.

Wednesday:
Orchestra, 7 p.m., Memorial Gym.

IK's Initiate Forty Pledges; Grant Honored

Idaho Ball and Chain chapter of Intercollegiate Knights initiated 40 pledges at a formal ceremony Nov. 20 in the Student Union. Jack Grant was chosen as the outstanding pledge and was awarded an outstanding pledge pin.

Charles Decker, dean of men, and Donald Kees were presented with IK pins to signify them as honorary members of the organization. Both men spoke on the worthiness of the IK's on campus.

Pledges initiated were Paul Baker, Earl Banner, Jackie Brown, Theodore Dingman, John Dreghe, Jay Eacker, John Edwards, David Elsmann, Raymond Emerson, Joseph Erramoune, William Gavin, and Grant.

Donald Hull, Arlo Johnson, Richard Kerbs, Thomas Kerr, Tim Kime, William Mackie, Laramie Mashburn, Paul McCabe, Leonard Miller, Nels Moller, Denny Naylor, Marvin Nebel, Neal Newhouse, Fred O'Brien, Ronald Osborn, James Rathbun.

Frederick Ringe, John Rosholt, Roger Seitz, L. Wilson Slocum, Ralph Smith, Anton Smutny, Tommy Strochsein, Harold Thomas, Cletus Von Tersch, John Welker, Dale Williams, and Melvin Van Dyke.

Not Good Enough To Miss Hole Is Ph.D.

Peter Grothe, Ph.D. candidate in political science at Stanford, fell into a manhole recently.

Grothe, according to the Stanford Daily, was just minding his own business when all of a sudden he saw a friend whom he had not seen in a long while.

Extending his hand, he stepped forward to greet the gentleman. One end of the manhole cover in front of him went up and Grothe went down.

Grothe found himself staring up from the bottom of a hole surrounded by steam pipes. "I felt like I had fallen into a Chinese laundry," he said.

It just goes to show that even a Ph.D. candidate can fall into a manhole.

Music Association Makes U of Idaho Associate Member

The University of Idaho was elected to associate membership in the National Association of Schools of Music on Friday at the 32nd Annual Meeting of the Association. Hall M. Macklin, head of the Department of Music, represented the school at the meeting which was held at the Statler Hotel in Cleveland, Ohio.

The curricula which have been approved for the Department of Music lead to the degrees Bachelor of Music, Bachelor of Arts (music major) and Bachelor of Music Education.

The National Association of Schools of Music is the organization which has been made responsible for music standards on a national scale by the National Commission on Accrediting. Founded in 1924 by a small group of music leaders for the purpose of establishing a closer relationship between schools of music and for cooperation with other educational associations, the NASM now includes some 225 of the leading universities, colleges, and conservatories in the United States.

Sessions at Cleveland were devoted to discussions on ways and means of improving education efficiency in music, the education of conductors, accreditation as it relates to the regional agencies and the National Commission on Accrediting, and musicianship requirements in schools. The delegates were guests at concerts of the Cleveland Orchestra on Thursday and Saturday evenings.

Camp - eyeing

It was inevitable. Someday, somehow, rock 'n roller Elvis (The Pelvis) Presley had to be the subject for a column. This is not to say EP is newsworthy or even very interesting, but Our Boy—lewd as it may sound—is a star of sorts in motion pictures.

Ever looking for a sure theatre-filler, 20th Century Fox signed sensational Presley for a movie, "Love Me Tender." It's a question as to which came first, the song or the mess the studio wove around it.

Time magazine which is ever ready to deflate EP, last week tried the Herculean task of writing an unbiased review of "Love Me" and did it best. Some excerpts from a pointed criticism:

"... the figure comes to life. The lips part. The eyes half close. The clenched guitar begins to undulate back and forth in an uncomfortable suggestive manner. And whom! The mid-section of the body jolts forward to bump and grind and beat out a low-down rhythm that takes its pace from boogie, hillbilly, rock 'n roll and something known only to Elvis and his pelvis... Words occasionally can be made out, like raisins in cornmeal mush. 'Goan... git... hubb... And then all at once everything stops, and a big, tremble tender half smile, half sneer smears slowly across the CinemaScope screen. The message that millions of U. S. teen-age girls love to receive had just been delivered."

As if it really mattered, Pelvis is cast as the little brother of screen veteran Richard Egan. Debra Paget supplies the lovin' in the third-rate western.

It's certain they'll be lost with Presley around to humble (and muddle) through.

Why the critic? Simply because the above leads to an interesting question: Are college students (mostly female) interested in Elvis and his brand of sex?

The results of a recent survey gives an answer, however inconclusive. (A detailed story on this page gives statistics.) Importantly, it shows that 51 per cent of a col-

College Survey Gets Varied Opinions About Controversial Singer Presley

Perhaps the most controversial entertainer in our country today is Elvis Presley. Much comment concerning him has been about his way of shaking, jiggling, etc. while he sings, and less about his actual singing voice. Comment has come from all types of people. He has been both hotly criticized and praised by the clergy, by politicians by other entertainers and by about everyone else who has heard him. And probably by some who haven't seen or heard him.

In order to get the collegiate slant on Elvis, Associated Collegiate Press asked the following question of a representative national cross-section of college students:

Do You Enjoy Listening to Elvis Presley?

The results:

Yes—35 per cent	44 per cent	38 per cent
Men	Women	Total
Yes	35%	44%
No	54%	46%
Uncollected	11%	10%

legiate cross-section dislikes listening to Elvis and 38 per cent enjoy the noise. A significant percentage had no opinion.

What about the rockin' "at the rollin'?"

According to the story, "It is the dominant qualification of all students answering that they enjoy his singing."

So be it, but from personal observation, Elvis' TV appearances draw oversized crowds in the Bucket and elsewhere when his party charm hits camp.

As somebody said during one of these performances, "Well, he's worth some laughs anyway."

What ever the case, Camp-eyeing wholeheartedly agrees with a college junior from Presley's home state: "I'm glad he left Mississippi. He just didn't go far enough."

le is the comment of a graduate student at Rochester Institute of Technology (Rochester, N.Y.).

Some students do give Elvis 100 per cent approval, however. "I think he is a talented singer" is the way a Tyler Junior College (Tyler, Texas) freshman puts it. And a Maryland University (College Park) junior has this interesting comment: "Some of his hits are very enjoyable. But many people who do enjoy him will not admit it for fear of degrading themselves."

Students answering NO to the question have a wide variety of comments as to why they dislike his voice. The most frequent remark is that Elvis lacks talent, or as a University of Wyoming (Laramie) sophomore puts it: "He is not a musician in any sense." Also frequent are comments that "both his voice and actions are 'repulsive.'"

"In very small doses he can easily be digested, but in large doses he upsets my stomach" is the feeling of a junior coed at Ohio University (Athens), while a Wake Forest College junior says: "Love Me Tender" is the only Elvis Presley song I like because it doesn't sound like him." A University of Denver coed echoes another element of student feeling with this statement: "His appeal is to immaturity and emotional."

And asked to comment on this question a Syracuse University (Syracuse, N.Y.) freshman coed says: "What I have to say would be censored." A Rochester Institute of Technology sophomore believes "Presley is a fad; he won't last long," and a Mississippi College (Clinton) junior remarks: "I'm glad he left Mississippi."

Actually very few students are without any opinion on Elvis. Many of those who are undecided on the question of his voice comment along the line of this statement by a University of Maryland senior: "Some of his songs I like, some I don't like."

Job Opportunities

Thursday and Friday:

Bureau of Land Management will be at the Placement Office to interview Ag. Engineers, Soil Scientists and Foresters.

Friday:

Hughes Aircraft Company will be at the Engineering Building to interview Mechanical Engineers, Electrical Engineers and physicists.

Westinghouse Company will be at the Engineering Building to interview Engineers.

Representatives of the American Red Cross will be at the placement office in the morning to interview women for professional positions.

Monday:

C.A.A. will be at the Engineering Building to interview Engineers.

Food Machinery and Chemical Company will be at the Engineering Building to interview Engineers.

Poisoning Proved Cause Of Illness

Food poisoning was definitely the cause of illnesses reported by 25 men at Campus Club Nov. 15, Dr. Ralph M. Alley, university physician said Monday.

Alley added that the specific cause of the poisoning could not be traced since considerable time elapsed before symptoms appeared and that most of the remaining food had been thrown away.

Samples were sent to the Lewiston district office of the Idaho Public Health department for analysis.

4-H Forestry Honors Named

Ned Pence and Marshall Pritchett, students in agriculture and forestry, respectively, at the University of Idaho, overcame stiff competition last year to become 1955 and 1956 national winners in 4-H forestry.

Both are members of the Mount McCaleb 4-H Forestry club of Mackay and their selection set an unprecedented record of two national winners from the same club in two years.

Pence and Pritchett both refused the awards, expense-free trips to Chicago and the national 4-H Congress, because they felt it would be inadvisable to take the necessary two weeks away from studies to make the trip. Not making grades to their own standards, both boys felt that studies should come first.

Comments

Here are a few comments by other students who like his voice, but !!! A freshman attending the University of Denver says: "Some of his slower tempo songs are not bad, and he does have a fairly good voice minus the gyrations," and a Wake-Forest College (Winston-Salem, N.C.) senior coed thinks "his voice sounds all right when he's out of your sight."

"I enjoy some of his songs; mainly from the beat and rhythm angle."

J.J. on Jazz

On Sunday, November 18, at 2:30 p.m., Washington State college held their annual Jazz Festival at the Cub. Unfortunately, I didn't get there until about half way through the program, but what I heard I enjoyed very much. In fact, I was somewhat surprised at the over-all quality of the music. In short, it was a fine concert.

When I arrived and finally got settled down, they were just starting the sixth set which was the WSC Jazz Chain composed of six girls and six boys. The number, "Take Me Out To The Ball Game," was very enjoyable and the group sang well together. The sound was fine if you closed your eyes, but if you watched them, the director distracted you so much, that you found yourself watching him go through his contortions, and lost the sense of the music.

In set Number Seven, was the semi-progressive group headed by the man who was a mainstay throughout the program—namely Jim Percell. His touch on the piano shows wonderful control over the instrument and I especially liked his improvisation which changed rapidly and as to mood.

Flutist was Highlight

A very surprising highlight of this set was flutist, Noel Thomas. His jazz style was like Mann more than Sam Mast, but this is certainly not a discredit, since the two are so very much alike. There were smatterings of Mr. Mast however. In "Lullaby of Birdland" he was terrific and the song man played with a good swinging beat and the use of counterpoint was good. They moved particularly well from swing tempo to counter. The ending was on the Brubeck style using counter. The rhythm section was perfect without too much noise and just enough to let you know it was there.

Then the final set came, which

was Dixieland. They played "Margie," "Back Home in Indiana," and "When The Saints Go Marching In." They were fair, but I felt they put in a little too much progressive style, which tended to clash with the true Dixie, which they occasionally played. In "Saints" an interesting point occurred when the tenor sax man started improvising was humorous and seemed as if he was humorous and seemed as if the sax man was declaring his independence by playing "Indiana" and say "to h--- with the rest of you guys, I liked the last song better!"

The Cub ballroom was full of students and interested followers of jazz. They listened fairly well, but there were some people who came to talk and not to listen, but they were a very small minority. The audience was a very critical group in that they listened attentively and by the applause, I think they liked what they heard.

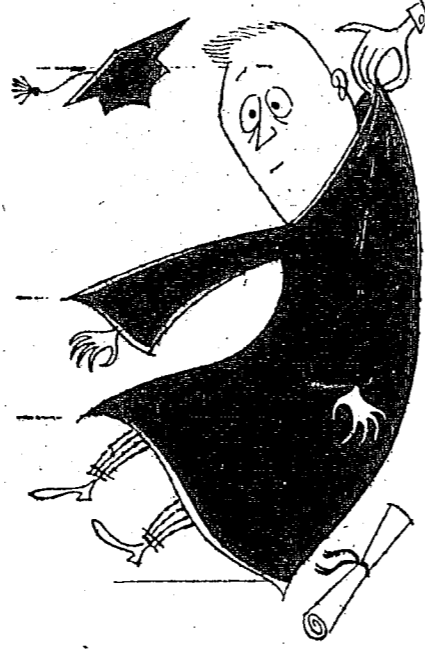

A sorority girl invited her little niece to stay over at the sorority house for a weekend while the little girl's mother went out of town.

"Were you a good girl while you stayed with Betty?" the mother asked when she returned.

"Oh, yes," replied the child. "I even learned how to count."

"Good," said her mother. "Let's hear you do it."

"One, two, three, four, five, six, seven, eight, nine, ten, Jack, then the final set came, which

LITTLE STORIES WITH BIG MORALS

First Little Story

Once upon a time when the inventors of the airplane were very small boys, the roof on their house developed a terrible leak. A repairman was called to fix it. He set his ladder against the side of the house, but it was a very tall house and his ladder was not quite long enough to reach the roof.

"Sir, we have an idea," said the boys who even at that tender age were resourceful little chaps. "We will get up on top of the ladder and boost you up on the roof."

So the boys climbed to the top of the ladder, and the repairman came after them, and they tried to boost him up on the roof. But, alas, the plan did not work and they all came tumbling down in a heap.

MORAL: Two Wrights don't make a rung.

Second Little Story

Once upon a time a German exchange student came from Old Heidelberg to an American university. One night there was a bull session going on in the room next to his. "Ach, excuse me," he said timidly to the group of young men assembled there, "aber what is that heavenly smell I smell?"

"Why, that is the fragrant aroma of our Philip Morris cigarettes," said one of the men.

"Himmel, such natural tobacco goodness!"

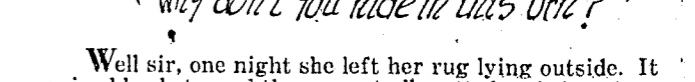

"It comes in regular size in the handy Snap-Open pack, or in long size in the new crushproof box... Won't you try one?"

"Dankeschön," said the German exchange student happily, and from that night forward, whenever the men lit up Philip Morris Cigarettes, he never failed to be present.

MORAL: Where there's smoke, there's Meyer.

Third Little Story

Once upon a time Penelope, the wife of Ulysses, had herself a mess of trouble in Ithaca. With her husband away at the Trojan War, all the local blades were wooing Penelope like crazy. She stilled them by saying she wouldn't make her choice until she finished weaving a rug. Each night when her suitors had gone home, Penelope, that sly minx, would unravel all the weaving she had done during the day.

Well sir, one night she left her rug lying outside. It rained buckets, and the rug got all matted and shrunken, and Penelope couldn't unwind it. When the suitors came back in the morning, the poor frantic woman started running all over the house looking for a place to hide.

Well sir, it happened that Sappho, the poetess, had come over the night before to write an ode about Penelope's Grecian urn. So she said, "Hey, Penelope, why don't you hide in this urn? I think it's big enough if you'll kind of squinch down."

So Penelope hopped in the urn, and it concealed her perfectly except for her hair-do which was worn upswipe in the Greek manner.

Well sir, with the suitors pounding on the door, Sappho had to move fast. She whipped out a razor and cut off Penelope's hair. The suitors looked high and low but they couldn't find Penelope.

MORAL: A Penny shaved is a Penny urned.

Are you still with us? If so, settle your shattered nerves with a mild and tasty Philip Morris, natural tobacco goodness all the way through, made by the sponsors of this column.

JOHNNIES

Do JC Entrance Exams Have Any Actual Value?

(ACP) — The question of whether exams such as Junior College entrance tests are valuable has been debated for a long, long time. The Fresno Junior College Rampage recently published this editorial on the subject:

Many of you students who take the Junior College entrance tests which are given each year complain that the tests are boring, time consuming and completely useless.

Let us consider the facts. Most students entering college have only a vague idea of their knowledge of the English grammar, literature, and vocabulary. They don't know whether or not they are capable of handling English 1A. Most young people cannot judge the amount of fact they are able to retain from their reading.

Let's take, for instance, a prepared student and face the hard facts. This particular student had

better have a whopper of a vocabulary and an A class reading retention percentage. A foreign language major or an education major had better know his English grammar backwards and forwards. This English entrance test shows what particular individuals lack in certain phases of English and what they need to develop and what classes are best suited to this development.

As far as the aptitude test is concerned you may be the type of person who knows just what he wants and just what his interests are. But believe it or not there are many young people who have not yet found their real interests in life and who haven't the vaguest notion of what vocation they're best suited for. By asking the JC students very personal questions and evaluating the answers, test scorers can determine a student's

Marines Accepting Officer Candidates

The Marine Corps is now accepting applications for the officer candidate program and the platoon leaders class, both ground and aviation.

The platoon leaders class is an officer program designed to enable successful applicants to complete college before fulfilling their military obligation. In addition, a member of the platoon leaders class attends no Marine drills or classes during the regular college school year. Instead he participates in two six week training periods during the summer months.

The Marine officer procurement team will be on campus to interview applicants for two days, Dec. 7 and 10.

Some say that it takes a lot of nerve to wear a strapless evening gown. That and more.

interests and vocational aptitude. And what could be more helpful to a teenager just entering college than this?

Hillyer To Crown Navy's Color Girl

Robert Hillyer, president of the Eagle and Anchor Society, NROTC honorary, will crown the 1956-57 NROTC Color Girl at intermission of the Navy Ball to be held Saturday in the central and south ballrooms of the SUB.

Candidates for the crown are Karla Klumper, Gamma Phi Beta; Tonla Peterson, Pi Beta Phi; Pat Iverson, Alpha Chi Omega; Diane Kail, Kappa Kappa Gamma and Kathy Keithly, French House.

The dance, which is for midshipmen and their guests only, will be from 9 to 12 p.m.

God made the world, then rested. God made man, then rested. God made women, then no one rested.

Man to lady friend in English pub. "Going to 'av one?" "No, it's just the way my coat 'angs."

Here's More About Church Groups

5:15 and dinner at 5:30 p.m. Dinner will be held early so that the room can be cleared by 7 p.m.

Newman Club meeting will be Tuesday at 8 p.m. in Conference Room A of the SUB.

ROGER WILLIAMS FELLOWSHIP

All Baptist preference students on campus have been invited to a student life study conference this weekend. Study groups will be held on various aspects of campus religious life. The Rev. Vernon Patton, Area Director for the American Baptist Home Mission Society, Northwest area, is to be guest speaker.

LUTHERAN STUDENT ASSOCIATION

Coffee hour will be this afternoon at 4. The International Student Banquet will be held Friday evening at 6:30 at the Methodist Church. Dr. Weiss, Director of the CCC, will speak on the topic, "World Religions" at the regular Sunday evening program held at Our Savior's Lutheran Church from 5 to 7.

Disciple Student Fellowship will meet at 5 p.m. Sunday. If anyone needs a ride, call either Dayle Carlson or Floyd Lydum at Gault Hall.

First Letter From Exchange Student, Dave Youmans, Reaches Argonaut

By MARY MARGARET BROWN
Dave Youmans, International farm youth exchange delegate to Columbia, has completed his first series of assignments which have been in the department of Boyaca working with the agricultural extension service of STACA, it was learned in a letter to the Argonaut today.

STACA in English means Colombian-American Technical Agricultural Service. Their Project 3 consists of 12 stations in the mountain region of Boyaca.

Youmans is a senior here at the University of Idaho and is a member of the Sigma Chi fraternity. His IFYE trip is being sponsored by the Latah County 4-H group and the Idaho state extension service.

His job was to evaluate personnel, observe and photograph agriculture, and assist with the 4-H program. After two short days in Bogota, he was in Boyaca and from that time on has been confronted by some very different problems and experiences.

Nobody speaks English so it is necessary to speak Spanish all the time. The water is unfit to drink Youmans said, he has not had a drink in one month, the food is a little difficult to adapt to, and the filth is unbelievable. The average farmer does not exist, there are only the poor farmers.

"In the pueblos of Guateque and Miraflores the climate is warm and regardless of the very high altitudes the crops grown are tropical. Bananas, oranges, sugar cane and lemons are very common. Farming is done with oxen and wooden plows and other tools. The extent of his land is one or two acres on the sides of the Andes so steep you can hardly stand upright," Youmans commented.

"In Ramiriqui, Tunja, Duitama and Sagamoso the climate is colder. The crops are maize, wheat, potatoes and vegetables with a great degree of animal husbandry in practice also. The farmers here are not quite so poor, have a little more land at their disposal, and in short live better.

"The most part of the agriculture here is sheep and cattle. The pueblo is located on the edge of a huge lake and much of the pasture is under approximately a foot or

two of water. The women tend these cattle in water to their knees. The men must work very hard each day to provide food for the next day. Poverty exists in its unmasked form; people don't wear shoes because they don't have shoes and furthermore there isn't any hope of ever having any. Their feet and faces are red, split, and sometimes bleeding from the cold. They are very friendly though, and for all the hardships seem happy.

"The festival in Boyaca is a great thing; the dancing, singing, eating and drinking go on for hours and the military demonstrations are unbelievable. Children in the first and second grades march in perfect precision and snap the salute like trained soldiers. The spirit of nationalism is dominant in Colombia. The flags fly every day and in the plaza of each pueblo is a statue erected in honor of some national patriot.

"The dominant religion of Colombia is Catholic and each pueblo and city has at least one huge Catholic church or cathedral. Some of these were built by the Spaniards

and others by the Indians as long as 500 years ago.

"The panorama is always beautiful. The Andes are very high; some of the pueblos are located at an altitude of 15,000 feet and possibly higher.

"Evidences of the ancient civilizations appear everywhere. Spanish architecture prevails in every town, the red tile roofs, the white earthen or stone walls and the balcony under each main window.

"Markets are held in each pueblo one or two days each week. These are very interesting to see. The people drive or carry their products to market. Some of the products seem so insignificant—such things as one rabbit skin or a bundle of sticks—but these people have to earn every cent possible from their farms in order to survive.

In closing Youmans says, "This will certainly be a much more luxurious venture but I think I shall always remember the black eyed mountain dwellers, their naked poverty, and their undying struggle for life."

TV Can't Replace Real Prof, Says California Educator

"Television, motion pictures and other new audio-visual devices will never eliminate the need for that fundamental ingredient of learning . . . the live teacher."

Those are the words of Doctor Edwin A. Lee, for 17 years Dean of the School of Education at the University of California at Los Angeles. They represent a conviction formed during a 50-year teaching career.

"Mass communication media," says Doctor Lee, "must be recognized for what they are . . . mechanical means for the one-way transmission of information or entertainment. A student cannot argue a point or discuss a problem with a television set or a radio, or ask questions of either. In the end there must always be a gifted teacher present if true mental growth is to take place."

Doctor Lee also feels that the prestige of teaching has risen greatly since he entered the profession a half century ago. He

thinks salaries have improved considerably, especially in the large cities. But he goes on to warn: "We'll never have enough teachers until society recognizes that quality education cannot be purchased at bargain prices."

Test Your Grades Against These

(ACP)—The following from the Capital University Chimes in Columbus, Ohio:

A—a rare feat.

B—grade given student doing A work.

C—grade given when professor loses grade book.

Coed—candidate for Mrs. degree.

Frosh—a fellow who buys his books before the first exam.

Cramming—intellectual over-eating after a long period of starvation.

MAJOR'S

Standard's educational program helps provide college training for 286 students this year

Industry needs many trained minds with specialized knowledge. For example, the paleontologist who supplies accurate data for oil exploration by studying fossils of marine life from millions of years ago.

THEY CALL THIS THE ATOMIC AGE . . . the era of the "thinking" machine. But above all, this is the age of human thought. For today our country needs more and more skilled minds to harness our atoms, advance our culture and guide our government. Standard, too, needs fresh concepts to maintain its position in a highly competitive business. That's why this year Standard's educational program makes available, through colleges, 234 scholarships for undergraduate study, 52 fellowships for graduate work, plus a series of grants to universities.

In these ways, Standard affords young people throughout the country a better opportunity to contribute to their professions and communities.

Progress in the West means . . .

1956

trained people will be needed to fill 2 1/2 million new jobs by 1965

STANDARD OIL COMPANY OF CALIFORNIA

Air Force ROTC Chooses Sharon Matheney Queen

The Air Force ROTC announced their choice for the annual Air Force Guardian Angel, Miss Sharon Matheney, Forney, was presented with a dozen roses and a silver sash by the AF-ROTC drill team.

Miss Matheney is a freshman science major from Eden, Idaho. She was selected Air Force Guardian Angel over the following candidates: Marilyn Craie, Kappa; Nancy Squires, Pi Phi; Nild Hull, Theta; Ann Marie Berry, Alpha Phi; Karla Klamper, Gamma Phi; Arlene Book, Pi Phi; Judy Bailey, Ethel Steele; Linda Edward, Forney; Carol Hilliker, Theta, and Josephine Petrashek, Theta.

The contestants were voted on after giving a brief talk on themselves and their interests at a tea given in their honor by the AF-ROTC. The queen will reign for a year and accompany the fellows in the spring when they compete in Spokane and Pullman.

Sharon Matheney, 1957 Air Force ROTC Guardian Angel, is escorted down the SUB stairs by two members of the Air Force Drill Team, Gerry Steele (left) and Mike Peterson. Miss Matheney was presented with a bouquet of roses and a silver drill yesterday.

WRA Starts Two Tourneys

Women's badminton and volleyball tournaments began this week. The volleyball tournament is being played two nights a week. League I will play on Thursdays and League II will play on Fridays. Groups that will play today are: Pi Phi, Alpha Chi, Gamma Phi-Delta, Gamma II, Kappa II-Alpha Phi, French-Tri-Delt. All games will be played at 4:10 p.m.

The badminton tournament will be played all day tomorrow. The first match is scheduled for 10 a.m. Since entire first round of the tournament will be played Saturday, house representatives are asked to check the schedule in the gym and tell their entrants what time they are scheduled to play. Forty-one matches will be played off tomorrow.

Five Coeds Enter National Contest

Five University of Idaho coeds have qualified as entrants in a college beauty queen contest now being conducted throughout the nation by a cosmetic manufacturer.

Forney residents Trena Atchley and Sharon Matheney, and Thetas Fran Baudek, Karen Warner and Carol Wachal have qualified as the Idaho entrants in the national contest.

Idaho students may support the candidate of their choice by addressing a postal card to "Campana, Batavia, Ill." with the name of the candidate for Solitar College Beauty Queen and the signature of the sender. All votes must be post-marked no later than midnight, Dec. 15.

Cosmos Sponsor Kellogg Program

Cosmopolitan club sponsored an International Variety show in conjunction with the Kellogg Kiwanis club there Saturday.

Kenneth Grim, professor of geology, and Jahil Bahedor acted as masters-of-ceremony for the show, in which 30 students participated.

Church Groups Set Busy Weekend

This weekend is another busy one for the various student church groups on campus. The ICC is starting the events with a dinner for foreign students tonight. Sunday Wesley is holding a panel discussion on "Christmas Around the World" and sponsoring an inter-denominational study group at the CCC.

Channing Club is planning a meeting for Sunday which will include an address on "Relating One's Self to the World." Roger Williams Fellowship is sponsoring a student life study conference.

INTERNATIONAL STUDENTS BANQUET
The International Students Banquet, sponsored by the ICC, will be held at 6:30 this evening in the Methodist Church. All International students are urged to attend.

WESLEY FOUNDATION
All foreign students on campus are invited as special guests for the Wesley Foundation meeting Sunday at 5:00 p.m. at the Methodist Church. "Christmas Around the World" will be developed into a panel discussion by local and foreign students as they disclose the meaning of Christmas celebra-

tions in their lands.

An inter-denominational study group for the United Student Christian Conference will hold its first discussion meeting at the CCC at 3 p.m. Sunday. The topic will be the book "Chosen People," a recommended guide for Christian youth.

Bob Schriber, Wesley president, Mary Ellen Ogston and Lawrence LaRue will be local delegates to the Methodist Student Movement Conference to be held this weekend at Eastern Washington College of Education. Plans will be made for the annual Spring Conference of MSM.

CHANNING CLUB
There will be a Channing Club meeting Sunday at 8:30 p.m. at the Unitarian Fellowship House at 500 Oak Street, Pullman. Dr. Springer of the WSC Humanities Department will speak on "Relating One's Self to the World."

NEWMAN CLUB
The following schedule is planned for Newman Club this week. Newman Club Choir will sing at 9:30 Mass this Sunday. Serving lessons and choir practice will be held at 5 p.m. Rosary will be at (Continued on Page 3, Col 5)

Sigma Chis Begin This Year's Quest For Sweetheart

The eighteenth annual Sweetheart of Sigma Chi contest will begin on the Idaho campus Sunday at 11 p.m. with the serenading of all women's living groups, and will end with the Sweetheart Dance and Dinner Saturday, Dec. 15, when the winner will be announced.

Dale Johnson and Dick Adams, co-chairmen, announced today that the 24 contestants will be honored with a dinner at the chapter house Monday night, and five finalists will be chosen Saturday.

Contestants are: Joyce Weaver and Sharon Jenkins, Kappa; Jo Reese and Nancy Patterson, Delta Gamma; Tonia Peterson and Mimi Friend, Pi Phi; Peggy Craven and Mary Walcott, Tri-Delt; Marcia Mottinger and Jean Durham, Gamma Phi; Ann Rudolph and Marie Turner, Alpha Chi.

Ann Redford and Fran Baudek, Theta; Patty Scofield and Sylvia Chase, Alpha Phi; Gerry Smith and Tammy Kent, Hayes; Mary Tsudaka and Charlotte Anxo, Forney; Rose Kimpton and Rozann Slade, Ethel Steel; and Norma Brown and Janet Gifard, French.

Frosh Secretary Leaves University

Barbara Harbison, recently elected class secretary, this week withdrew from classes, Dean of Women Louise Carter announced yesterday.

Miss Harbison, an education major from Lewiston, was also chairman of the publicity committee.

Rich Thomas, freshman class president, said the question of naming successors for both her offices would be taken before Executive Board.

A Phis Hold Banquet; Dance Dates Are Set

Members of Alpha Phi held their annual brother-sister dinner Wednesday night. Forney Hall has scheduled Dec. 15 for a Mistletoe Magic Dance. Dec. 7 is the date for the Beta Indian Dip and a Christmas Formal will be held Dec. 8 by the Phi Deltas. The Thetas have elected a new president and vice-president.

ALPHA PHI
The annual Alpha Phi brother-sister dinner was held Wednesday night. Guests were Bill Book, ATO; Jim Bivens, Kappa Sig; Mike Heaton and Mike Southcomb, Phi; Bill Simon, Dick Shern, Frank Allen, Delt; Jim Rees, George Gittens, June Hanford, John Laughlin and Rich Koster, Sigma Nu.

Thanks to the Kappa Sig pledges for an enjoyable exchange and to the Sigma Chi pledges for a lovely serenade.

The Alpha Phi alums held a get-acquainted fireside for the pledges Wednesday night.

PI BETA PHI
Weekend guests for Dad's Day were Mickey Prestel, Indianapolis, and Elaine Martin, Sandpoint.

Thanksgiving dinner was served family style. The guests were Mrs. Hays and family; Mr. and Mrs. Campbell and family; Mrs. W. W. Smith; Paul Schultz, Sigma Chi; Buzz Harrington, Bob Minshew and our hashers, Jerry Ballard, Jim Adolphson, Bruce Lunstrum, Stan Pierce and Ralph Meyer.

The Pi Phis gave the \$16 they won from the Greek Caucus for 100 per cent voting to the Moscow Opportunity School for retarded children.

KAPPA SIGMA
Congratulations to Ken Goodwin, new Kappa Sig pledge.

Thanks to the Alpha Phis for the pledge exchange Wednesday night.

Dinner guests on Thanksgiving were Lana Huschke, Molly Godbold and Pat Riley.

KAPPA ALPHA THETA
Thanks to the Fijis for the serenade in honor of Carol Wachal's pinning to Ethel Holden. Thanks to the Sigma Chi pledges for the serenade Wednesday night.

Congratulations to Jane Husted and Dan Fullerton on their pinning.

New house officers are Barbara Joseph, president, and Lorraine Langdon, vice president.

Mrs. Alice Gosner, Grand Secretary, is visiting us this week.

House guests over Dad's Day weekend were Mary Ann Reiding, Boise; Mr. and Mrs. Wayne Stokes, Fairfield, Idaho; and Nancy Tower, Portland. House guest this weekend was Laurita Black, University of Washington, Chi Omega.

UPHAM HALL
George Patton attended the Northwest Province Newman Club convention and was elected chairman for next year. Congratulations!

Congratulations go to Charles Best and Shirley Stevens, Hays Hall, who were married recently.

Bill Hutchinson, social chairman, has announced plans for a Christmas Fireside.

DELTA GAMMA
Thanks to Dad's Day chairmen Marge Erstad and Jo Reese. Thanks to the Lambda Chis and Lindley for the pledge exchanges. Thanks to the Sigma Chis for the pledge serenade, and to the Sigma Nus for the serenade in honor of Jean Eckert's pinning to Russ Whitney, and for the white roses.

Good luck to Sally "Gus" Ghiglieri and Kaye Taylor who are starting practice teaching in Lewiston and Boise, respectively.

The Delta Gammas "Heart Belonged to Daddy" at the special dinner Saturday honoring the fathers who attended the day. After dinner the pledges entertained the guests with a clever skit.

A shower was held November 13 for Bett Scott who was married Saturday to Bill Baxter, Phi Delt, at Coeur d'Alene.

Dinner guests Thursday night included Sandy Yost, Rita Ghirardello, Dorothy Bauer, Kappa; Diane Bivens, Alpha Phi; Judy Hays, Alpha Chi; Nancy Short, Gamma Phi; Chris Mackert, Ethel Steel, and Janene Taylor, Gamma Phi.

Moscow alums entertained the pledges Wednesday evening.

PHI DELTA THETA
Congratulations to Don Lindseth who is pinned to Sondra Klamper, a former student, who is now residing at Seattle, Washington, and to Tom Anderson who (Continued on Page 5, Col. 4)

Sticklers!

HERE'S A STICKLER! IF YOU HAVE A LUCKY, WHAT ELSE DO YOU NEED?
(SEE PARAGRAPH BELOW)

IF YOU'VE GOT a Lucky, you've got it made. That's 'cause you just can't beat a Lucky for taste. Luckies are made of fine tobacco—light, naturally good-tasting tobacco that's TOASTED to taste even better. In fact, you'll say Luckies are the best-tasting cigarette you ever smoked. What more could you want? Oh, the answer to the Stickler! If you're in a light plight, what you need is a Match, Natch!

"IT'S TOASTED" to taste better!

LUCKY STRIKE CIGARETTES

DON'T JUST STAND THERE... STICKLE! MAKE \$25

Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) They're so easy, you can think of dozens in seconds. We'll shell out \$25 for every stickler we use—and for hundreds more that never see print. So send stacks of 'em with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

Schreiber Reports Activities Schedule

By Don Ingle
Investigation is being conducted to establish recommendations for possible changes in the schedule for starting of school and classes, Bob Schreiber, member of the Exec Board schedule committee, said.

Schreiber is a senior majoring in science from Gooding and lives in the Vandaleer Hall. He was one of two members elected to the Executive Board last spring from the Independent Party ticket.

He feels changes should be made in the school's schedule which would facilitate getting out

themselves to picking only specific committee chairmen and then only when the need is great," he added. "The Board should not waste its time doing this when there are much more important matters to discuss."

Absentee Ballots Proposed
Schreiber is working on a proposal which would be a constitutional amendment to set up the machinery for absentee ballots for the spring election. An amendment was passed last spring permitting of absentee balloting in ASUI elections.

"We hope to set up a system which will enable groups of students to vote who leave the campus during the spring. The Vandaleers, band, and baseball teams often are

away from campus during elections," Schreiber said. "The program will facilitate the students who are in the infirmary," he said. Schreiber worked in student government as co-chairman of last year's student recruitment committee and sub-chairman of New Student Days before his election. He is a former officer of IE, member of Blue Key and Silver Lance, member of the education honorary Phi Delta Kappa, last year's president of Lindley Hall and Wesley Foundation.

"My major project this year," Schreiber said, "was the building of miniature goal posts which were presented to the Student Body President at WSC after walking the long nine to Pullman."

Here's More About— A Phis Hold

is planned to Sharon Anderson, Everett, Washington.

Dinner guests Monday night were several Moscow alumni. They attended a chapter meeting where Mr. Robert Felton was installed as chapter adviser.

Thanks to French House for an enjoyable exchange Wednesday night.

The faces of many Phis are red due to a miscalculation as to when the Story Book Ball is to be held. It is now scheduled for spring. The Christmas Formal will be held Dec. 8 in its place.

FORNEY HALL
Thanks to Lindley for the enjoyable exchange Wednesday night.

Dinner guests last week were Anne Kirkwood, Moscow, Bobbie Bulatao and Jan Lenke, College of Puget Sound.

"Mistletoe Magic" is the theme of the winter formal which is planned for December 15.

BETA THETA PI
Plans are expanding for the annual Indian Dip, December 7. Bob Kopke is dance chairman along with committeemen Ron Martini, Dick Schultz, Bill Deal and Dave Smith.

The Phi Delta-Beta pledge dinner exchange is Saturday night. Jack Wilmoth and Dean Sorenson are co-chairmen.

Ed Kale, song leader, held try-outs Tuesday night for a 16 man

house choir. The choir will be used in competition against other Beta chapters at the annual Northwest Beta Songfest in Spokane, Washington.

Jim Johnson, WSC alumni and District Chief, visited the house this week.

Thanks to the Delta Gamma pledges for the serenade Wednesday night.

Dinner guests this week were Nancy Backstrom, Connie Spaulding, Karen Lee Kraus, Dick Erhardt and Jim Johnson.

Dick Erhardt, Beta of '54, is a guest this week. Dick is on leave from the Navy and will marry Karen Lee Kraus, Kappa, December 15, in Spokane.

Bob Helmick was elected frosh class representative to Junior IFC.

DELTA SIGMA PHI
Congratulations to Don Fullerton who was pinned to Jane Husted, Theta, last week.

Miss Sandy Witter, Pasadena, California, was a dinner guest Sunday.

Venison filled Delta Sigs have been wandering the campus lately thanks to the Schleifer-Scitz corporation.

Ah yes—Sunday morning. He slipped on his wife's robe and went downstairs to answer the doorbell. As he opened the door the iceman kissed him. After giving due thought to this strange occurrence, he came to the conclusion that the iceman's wife must have a similar robe.

New York Professor Defends Fraternities

(ACP)—A New York University professor, Richard D. Mallery, recently defended fraternities during a speech before a YMCA in that city. Said Professor Mallery: "If the fraternity is what its enemies say it is, then it is hard to understand the encouragement and support that have been given to fraternities during the past century by the better American colleges."

The professor went on to say that the congenial environment found in fraternities is of great importance. He also added that residence on campus should be a basic requisite for college life.

Professor Mallery emphasized the fact that although a limited number of students live and work together in a fraternity, tolerance for differences of opinion, high standards of taste, and good conduct are developed. He also declared that by democratic self government in the chapter house "fraternity men become better fit-

Injured Students Secure Releases

Students injured Nov. 18 in a car accident near Moscow have been released from the infirmary. Dr. J. M. Fleming, university physician, said. They are Shirley Lovgren, Mary Musick and Delwyn Williams.

Don Baroni, who was seriously injured in another accident Nov. 18, in which Norma Jean Shaffer was killed, is now at Sacred Heart Hospital in Spokane for observation.

Latah County Coroner E. B. Short, Monday, said there would be no inquest in the death of Miss Shaffer.

Orchestra Plans Include Three Featured Concerts

The University of Idaho Symphony Orchestra under its new conductor LeRoy Bauer, will present three concerts during the school year, it was announced this week by Hall M. Macklin, head of the Department of Music. A variety of soloists and orchestral music has been planned to build interest on the part of the public.

Harry S. Morrison, Jr., member of the University voice faculty, will be guest soloist with the Symphony Orchestra at the first concert, Sunday, December 9 at 4:00 p.m. in the University Auditorium.

The spring concert on May 23 will feature an all-University chorus with the symphony orchestra. The University Singers and the Vandaleers will combine forces in a special performance in the Memorial Gym of two contemporary American compositions, including the "Cherubic Hymn" by Howard Hanson, director of the Eastman School of Music.

"We feel that Idaho has been particularly fortunate in the appointment of Professor Bauer last September as conductor of the University Symphony," states Mr. Macklin. Bauer was one of 36 outstanding American conductors chosen to work with Eugene Ormandy and the Philadelphia Symphony in 1953, and was chosen again the following year to work with George Szell and the Cleveland Symphony.

Bob Schreiber

school earlier in the spring which would in turn make it easier for students to get summer employment," Schreiber said. Also he said, "We would like to see Christmas vacation begin earlier to help students get jobs during vacation."

Solution Offered
A solution to this problem, Schreiber added, "would be to start classes earlier in the fall." He said, "School is started late because of students working in harvests and in the forests, but it is our opinion that the demand is greater in the spring more than in the fall."

A report with recommendations will be presented to the students and the administration near the end of the semester.

Duplication of activities and un-identified jurisdiction of functions are things Schreiber feels should be reorganized in the student government organization.

"There is lots of repetition in committees," Schreiber said. "I think there should be one committee to replace the existing committees for selecting students to participate in student government and coordinate various committee activities."

"Some people believe that the more government has to say about business, the better. They argue, for instance, that the petroleum industry ought to be under more government control to keep America from running out of oil. What they forget is that it's just good business for oilmen to produce a property efficiently. We get more oil from a well when it is

operated at its best rate of flow. This is one of the ways of conserving this natural resource! "Take Dominguez field in California. Union and another company discovered oil there back in 1923. "By 1936 oil production reached a peak of almost 31,000 barrels a day. But by 1947 our daily rate had declined to about 15,000 barrels.

HARRY AGGERS: "IT'S JUST GOOD BUSINESS FOR US TO PRODUCE A FIELD EFFICIENTLY."

"To get the most out of the field, we started waterflooding some areas. In our most recent project—which was started with the cooperation of the landowners and the other companies operating the field—we injected more than 7,000,000 barrels of water into 17 wells. This has forced oil out of 21 producing wells. "As a result, we are now pumping 2,800 barrels of crude every day from these wells—an increase of 2,200 barrels a day over what we'd normally expect without waterflooding. "You show me how government control could have added one barrel of oil to our production. Or conserved the pool any better so we can recover more oil in the future with methods yet to be developed!"

Harry Aggers—who has been with Union Oil for 22 years—manages our secondary recovery operations. He believes that by 1975, at least 25% of all United States oil production will be by waterflooding. This does not include secondary recovery by gas injection or by methods yet to be developed. The Dominguez results demonstrate again how efficiently a free oil industry achieves maximum economic production from a field, while conserving the source of the oil.

CAGERS GO AGAINST MONTANA TOMORROW

Hodges Names Twelve Man Traveling Team For Trip

The Idaho Vandal basketball team opens its 1956-57 season tomorrow night in Missoula when it meets the Montana Grizzlies.

Coach Harlan Hodges named a traveling squad of 12 yesterday, including eight juniors and four sophomores, to make the trip to the Montana city.

Hodges went along with the same five men as he has since practice opened, when he named Gary Simmons, 6-0, Whaylan Coleman, 6-3, Jerry Jorgenson, 6-5, Jim Branom, 6-8, and Gary McEwen, 6-4, as the starters.

Simmons, high scoring guard who accounted for 20 points against the Vandal freshmen, and Coleman, a sophomore who proved to be a fine ball handler and playmaker on last year's frosh squad, will start at the guard spots.

10, all juniors. Sophomores making the trip are: center Jim Prestel, 6-5, forward Harold Damiano, 6-4, and Lou Vesely, 5-10.

The team got its first taste of actual game competition when it downed the freshmen 66 to 49 last Friday.

Coach Hodges remarked that the Montana team will probably be even stronger than the team which beat the Vandals twice last year. The scores were 70 to 63 at Missoula and 70-65 a week later.

The Grizzly team has a real star in Guard Rudy "Zip" Rhoades, who scored a total of 24 points against the Vandals' last year, while serving as a flashy play maker.

Other lettermen on the squad include centers Russ Sheriff, 6-7, and Dick Trinastick, 6-8; guard Hal Erickson, 6-1; and forwards Al Dunham, 6-5, and Ray Howard, 6-6.

In recent Grizzly squad games, Tait and Sheriff on it has beaten the other squad a number of times.

Captain Jorgenson and Branom will start at forward. Jorgenson is a constant scoring threat and plays his best on defense, while Branom provides good rebounding strength as well as being an offensive threat.

McEwen will start at center, the position he took over early last season. McEwen has an accurate hook shot and can be depended upon for his share of rebounds.

Other men making the trip will be forward Mark Cole, 6-3, and guards Brent Thomson, 6-1, Gary Sather, 6-0, and Bill Wilson, 5-

Year-around emphasis on running and a different organizational setup for athletics in England, seem to be two big factors that helped give Idaho's six English runners and cross country team an undefeated season.

The Vandal squad, which included six freshmen from England and two juniors from last year's track team, raced over all Northwest opposition as it finished the season with a perfect record.

The team won four dual meets from WSC, took first in the Inland Empire meet in Spokane, and then won the first four places in both the Northwest championships and the Northwest AAU meet.

According to Raymond Hatton, who placed first in all seven meets, year-around competition in England gives runners a better chance to develop and keep in shape.

Hatton, who like the other five Brits decided to come to Idaho after writing to track coach Joe Glander, and C. O. Decker, director of student affairs, has been competing in track meets since he was 14.

Hatton, who is married, worked as a cost clerk for a manufacturing company in Birmingham and is majoring in business administration. Hatton and his wife Sylvia have immigrated to the U.S. and plan to stay here after graduation.

Top time for Hatton, who broke two course records in meets this year, include 4:11.4 in the mile and 8:57.3 in the two mile. He was a member of the Birchfield Harriers in Birmingham, and represented the England International cross country team in Glasgow, Scotland, in 1954.

Frosh Cagers To Play 13 In Season

The University of Idaho freshmen have a 13 game schedule with a tournament slated in December for the 1956-57 season.

The yearlings, coached by Clem Parberry, open the season at home, December 8, hosting the Columbia Basin College, quintet as a preliminary to the varsity encounter with Montana at Memorial Gymnasium. Most of the frosh games will be preliminary contests to the varsity games, starting at 5:50 p.m.

The schedule:

Dec. 8—Columbia Basin here
Dec. 10—Whitworth JVs here
Dec. 14 & 15—Tourney at Lewiston
Dec. 20—EWCE JVs here
Jan. 15—WSC here
Jan. 18—Lewis-Clark at Lewiston
Jan. 22—WSC here
Jan. 26—WSC at Pullman
Feb. 8—Yakima JC at Yakima
Feb. 9—Columbia Basin at Pasco
Feb. 22—Lewis-Clark here
Feb. 23—Gonzaga JV here
Mar. 1—Gonzaga JV here
Mar. 2—WSC here.

Varsity-Frosh Swimmers Set For Squad Meet

Varsity and freshman swimmers will clash in the annual Silver and Gold intrasquad meet Tuesday at 4 p.m. in the Memorial Gymnasium pool.

The purpose of the meet between the veterans and first year men is to give Coach Eric Kirkland an idea of season's prospects and work still to be done.

Co-captains Jack Helle and Ralph Lindberg will each head a squad. Events will be run to let every swimmer participate and get a chance to show his talents.

Coach Kirkland announced that the varsity will open a thirteen meet schedule next Saturday in the Washington State College relays at Pullman. The Vandal watermen are not slated at home until January 19, when they meet the University of British Columbia.

Meets with Utah State and Utah are tentatively set, for February 2 and February 9, respectively.

The entire schedule:

Dec. 8—WSC relays at Pullman
Jan. 12—EWCE at Cheney
Jan. 18—WSC at Pullman
Jan. 19—Univ. of B.C. at Moscow
Jan. 25—U. of Montana at Moscow
Feb. 2—Utah St. at Boise (tent.)
Feb. 8—Washington at Moscow
Feb. 9—Utah at Moscow (tent.)
Feb. 15—Oregon at Eugene
Feb. 16—Oregon at Corvallis
Feb. 22—EWCE at Moscow
Feb. 23—WSC at Moscow
March 1 and 2—Northern Division at Corvallis.

Practice Is Key To Success

The Idaho 1956 cross country team includes: back row (from left to right) Doug Seeley, Dick Boyce, Peter Reed, Raymond Hatton, Coach Joe Glander; front row, David Durham, Frank Wyatt, Ron Adams, and Wilton Riggers.

Frank Wyatt, who finished second in all the meets. Idaho entered, is from Bristol. He was employed as an estimate in an engineering firm and is majoring in physical education.

Wyatt ran as a member of the Bristol Athletic Club and has times of 4:05.8 in the mile and 8:53 in two mile competition.

Also from Bristol, Ron Adams worked as a grounds keeper on a Bristol golf course and like Wyatt is majoring in physical education. He is primarily a cross country runner, but will concentrate on the mile and two mile events during track in the spring.

Reed is Veteran Peter Reed, fourth man on the team, received his release from the British Air Force in August. He is from London and majoring in business. He has been running since his last two years of high school.

Dick Boyce, is originally from Surrey, but spent the last year in Montreal, Can., working as a draftsman for a plastic concern.

He has placed high in cross country meets, but will probably run the half mile in track competition. His best time for the distance is 1:54. He is majoring in P.E.

The sixth man, David Durham, ran cross country only for conditioning, as he is a sprinter. Durham, who is also from Surrey, is married. He worked in a Surrey bank on foreign money exchange,

Ski Squad Prepares For Opener

The Vandal ski team is preparing for a pre-season match against the skiers from WSC and Whitman on December 15 and 16 at Spout Springs, Oregon.

The event will be one of eight meets planned for the year including the NCAA Championship at Snow Basin, Utah. Last year the squad placed fifth in Nationals and won the Nordic Championship.

Frank Cammack, possible Federal, International Skiing candidate for 1958 and Erik Berggren, last year's National Nordic and cross country champion will be two of the nine men at present out for the squad.

Mike Lund, four event man, Faith Baxter, four event man, Bill Cooke, alpine, Per Windju, jump and cross country, and Tom Anderson, alpine and downhill, compose the rest of the returnees.

Odd Hoget and John Andreassen, juniors from Oslo, Norway, are both new prospects in cross country out for the squad.

Jan. 5-6—Rosslund, British Columbia, spon. by U. of British Columbia.
Feb. 2-3—Banff, Alberta, Canada spon. by U. of Alberta
Feb. 9-10—Spout Springs, Oregon, spon. by Whitman College
Feb. 23-24—Chewelah Ski area, spon. by U. of Idaho and WSC
Mar. 2-3—University of Washington Ski Area, Steven's pass.
Mar. 16-17—White Face Mountain, Spon. by Montana State college.
March 29-30-31 — Snow Basin, Utah—NCAA Championships.

Ski Club Opens With Spokane Trip

The Idaho Ski Club will open its activities for the year with a trip to Mount Spokane tomorrow.

The Club holds meetings at 6:30 every Thursday evening in a vacant SUB Conference Room. Actual experience skiing is not required for interested persons to attend the meetings. Objectives of the organization are the conducting of ski trips and the improving of ski areas in this vicinity.

A practice slope with the possibility of a rope tow is now under

INTRAMURALS

Chrisman Hall 2 broke the domination of Lindley Hall in independent volleyball play, as they wrested the League IV lead from Lindley 2 on Tuesday and held it through yesterday's contests.

Lindley 1, however, retained first place in League III, keeping a spotless record intact at 6-0.

Chrisman 2 broke a tie with Lindley 2 Tuesday by thumping their chief contender, 15-9, 6-15, 16-14 in particularly hard-fought encounters. Chrisman overpowered Gault 15-8, 15-7 yesterday.

Lindley 2 hit the winning trail again last evening with 12-15, 15-6, and 15-11 wins over Campus Club 2. Lindley 1 swept past Chrisman 1 Tuesday 15-5, 15-6, and toppled Campus 1 yesterday by 15-10, 15-9 counts.

Sigma Alpha Epsilon vaulted into sole possession of first place in League I Wednesday, by slipping past Kappa Sigma, while Sigma Chi, deadlocked with the SAE's after Monday's contests was bowing to Beta Theta Pi.

The SAE's were strongly pressed, but finished with a rush to down the Kappa Sigs, 14-16, 15-11, and 15-9, to become the only unbeaten fraternity squad.

The Betas moved into a second place tie by dropping Sigma Chi 15-8, 15-7. Both the Betas and Sigma Chi now show 5-1 records.

Three teams were still waging a hot battle in League II. Tau Kappa Epsilon, Alpha Tau Omega, and Delta Tau Delta remain knotted for the number one slot, with 5-1 ledgers.

All were victorious in Wednesday games. The Tekes edged Town Men, 15-6, 11-15, 15-7, the ATO's rolled over Phi Delta Theta, 15-7, 15-0, and 15-12, and the Deltas took a forfeit from LDS.

Tuesday's Results
