

## 'Flu' Bug Hits Seven; Colds Fast-Spreading

Six new cases of "flu" reported since Monday brought the week's total to seven today, and University physicians said they expected no epidemic before next week. Infirmary staff physician, Dr. H. A. Hartfeil, said two men were ad-

mitted to the hospital Tuesday and four women were diagnosed as suffering from some form of "flu" Tuesday and Wednesday. The University's initial case was reported Monday.

Hartfeil said all seven cases were marked by high temperatures, but none were considered serious. He said average stay at the infirmary was two days, but that convalescence took longer.

He added that towns all around Moscow were experiencing sieges of the disease and said that Idaho "will probably have an outbreak too." He declined to predict that the scattered cases might grow into an epidemic.

### One Death

Elsewhere, an 18-year-old coed at Brigham Young University died yesterday, apparently from complications of Asian flu.

Freshman student Colleen Collett, Springville, Utah was reported to have left classes Monday with a sore throat and fever. Attending physicians said death was due to pneumonia, apparently contracted as a complication from flu.

### Epidemic Of Colds

At Idaho, officials said, the only epidemic bothering medical authorities was a fast-spreading rash of sore throats and colds.

Hartfeil said from 110 to 160 students were being treated at the In-

firmary each day, most of them suffering from head colds and sore throats.

"It's almost like an epidemic now," he said.

## Entertainment, Bands Featured At Nickel Hop

Over 1,000 Idaho coeds groaned a little Thursday as they anticipated tonight's exhausting Spur Nickel Hop, slated from 8 to 11 in all women's living groups. Women will be subject to a closed night until 11 a.m., according to Jan Cooke, Nickel Hop chairman.

A rate of five cents will be charged for every fifteen minutes of dancing.

The annual Spur-sponsored event is held for the purpose of financing the year's Spur's activities.

Gamma Phi copped the trophy last year by bringing in \$44.28 of the total \$300 collected. Thetas placed second with \$40.80 and Alpha Chi was third with \$38.70.

Several women's living groups plan to have a band play for the dancing, and most groups will put on entertainment acts during the evening.

## The GOLDEN FLEECE by Jason

The Exec Board spent almost an hour Tuesday evening hashing over the need for a new method of electing campus queens, but it topped the discussion off with a decision to table the proposal made by member Jimmy Kay until next week.

Most of the Board members seemed to feel that possibly some move was needed but that it wasn't an especially pressing problem.

We believe that two points are rather obvious in handling the matter. First, is there really a problem? And second, the only part that even closely resembles a problem is the distribution of ballots and count of students in elections in which only certain classes or other groups are eligible to vote.

If there is a difficulty in the manner in which votes are distributed, one board member may have come up with a good idea for preventing it. It also seems to be the only feasible plan for improving the situation.

The suggestion was if something must be done about carefully distributing the ballots, that a service group could be asked to compile lists of the names of everyone in each living group.

This list would be checked out in each house during the voting and only students whose names were one the list and were members of the group or class eligible in that election could vote.

Such a plan would alleviate the only possible problem we see in the present setup.

## Seven Junior Men Tapped For Blue Key Honorary

Seven junior men were tapped for membership in Blue Key, national upperclassmen service honorary, last night at the students' living groups.

The group, which will be initiated the latter part of this month along with eight seniors who were tapped last spring include Bob Whipple, off-campus; Jim Golden and Neal Newhouse, Beta; Tom Stroschein and Dick Kerbs, FarmHouse; John Rosholt, Delta; and Bob Vallat, SAE.

## Crime Subject Of Assembly Set October 22

Dr. David Dressler, noted authority on criminology, will appear on campus Oct. 22 as the first speaker for the series of Public Events assemblies. The program will be held in Memorial Gym at 11 a.m.

"Crime Is Your Problem" is the title of Dressler's address. In the speech he will discuss such factors as how crime touches every citizen and why it is the obligation and interest of everyone to work to combat crime. He will also discuss the psychological factors connected with crime and criminals.

Dressler, an associate professor of sociology at Long Beach State college, is currently completing a textbook in sociology and has just begun writing the manuscript for a college textbook in juvenile delinquency.

For 17 years the sociologist was associated with the New York State division of parole. He worked for some time as a caseworker dealing with maladjusted children and domestic problems. He has also had experience as a group worker in community center activities.

At Long Beach he is actively engaged in youth work, having conducted several youth conferences throughout California.

## Top Nickname Is Worth \$10

A \$10 gift certificate will be awarded to the student who submits the best nickname for Idaho's marching band, Warren Bellis, director, announced today. The winner will be introduced during half-time activities at Homecoming Oct. 26.

"We hope all Idaho students will participate," Bellis said. "The marching band's membership not only includes students from nearly all divisions, but it represents the University's student spirit."

Entry blanks for the contest are available in room 205 of the Music building. Multiple entries are permitted, Bellis noted.

Deadline for entries is noon, Oct. 23. Judging committee includes John Baker, Marvin Mackie, C. "Cub" Lyon, Gale Mix and William Billingsley.

# FIVE FINALISTS TOUR MONDAY

Eenie, Meenie, Minie . . .

An obviously pleased but perplexed campus male gets a head start on voting for Homecoming Queen. He has a choice between these pretty finalists: Jan Novak, Hays Hall; Marilyn Crane, Kappa; Janice Berg, Delta Gamma; Shirley Henriksson, Pi Phi; and Carol Wachal, Theta.

## Theophilus To Act As Marshal Of Homecoming

Campus voters Wednesday narrowed a 13-contestant field to a final five who will vie for the Homecoming Queen crown Oct. 21.

Named as the select five by University males were Janice Berg, Delta Gamma; Marilyn Crane, Kappa; Shirley Henriksson, Pi Phi; Jan Novak, Hays Hall; and Carol Wachal, Theta.

Meanwhile, President and Mrs. D. R. Theophilus were named marshals for the Homecoming parade Oct. 26, and co-chairmen Tim Daley and Terry White said "at least" 25 floats would be entered in the mile-long pageant.

### Visiting Schedule

The pretty quintet of candidates will visit all men's living groups during a ten-day schedule which was to begin today. Homecoming Chairman Bob Vallat said the women would make two or three visits per day until they had been guests at all 20 living groups.

The schedule: Friday—Lunch at Fiji house, dinner at Campus Club.

Saturday—Lunch at Chrisman Hall, dinner at Willis Sweet Hall.

Sunday—Dinner at Lindley Hall.

Monday—Lunch at SAE, dinner at Delta Sig, evening at Phi Tau.

Tuesday—Lunch at Delta, dinner at Delta Chi, evening at ATO.

Wednesday—Lunch at Phi Delta, dinner at Beta.

Thursday—Lunch at Sigma Chi, dinner at Kappa Sig.

Friday—Lunch at Teke, dinner at Upham.

Saturday—Lunch at Gault, dinner at Idaho Club.

Sunday—Dinner at Sigma Nu.

### Parade Judging

At a meeting Wednesday, White told living group float chairmen their entries would be judged on appeal, originality, workmanship and clarity of presentation.

He added that all floats would be judged in one over-all category and that there would be no "divisions" for float types.

Daley emphasized that sketches and themes and location of floats were due on Monday. He told chairmen to turn their plans over to him or White.

The co-chairmen added that groups, including service clubs and publications could enter floats if they contacted officials before Oct. 14.

Parade judges will include Mrs. Harlan Hodges, wife of Idaho's basketball coach; the Rev. Harold Fleharty, vicar of St. Mark's Episcopal church, and Prof. Harry Brier, College of Business.

### Trophies

Trophies for winning floats will be awarded at a climactic Homecoming Dance following the Idaho

## Class Elections Set Nov. 14 By Board Two Positions Open On Committees

Dates and procedures for class elections were set up by the Exec Board Tuesday night.

The election will be Thursday, Nov. 14 with Oct. 31 the deadline for turning in candidates' petitions to the ASUI president.

The Board postponed for one week action of the proposal submitted by member Jim Kay to place major campus king and queen elections under the control of the ASUI Election Board and Committee.

Next week the group will select two students to fill vacated positions on the Board of Selection and Control and Co-chairman of the Recruitment committee.

During elections, each class elects a president, vice-president, secretary, and treasurer. The officers serve throughout the year and take charge of the traditional week of activities sponsored by each class.

Elections this year will be over a week later than last year's elections which were held on the day of the National Presidential elections.

Action on the king and queen election control proposal was delayed until next week after a full hour of debate.

Kay defended his proposal by saying the election board members would not necessarily have to be paid for counting the ballots and that the placing of all elections under one responsible committee would eliminate a lot of the confusion that now exists.

## Aggies Announce Big Barbeque Thursday

The annual fall barbeque of the Ag Club will be held Thursday, Oct. 17, at 6 p.m. in the Arboretum.

In the event of rain, the barbeque will be held at the judging pavilion.

"Anyone interested in agriculture is urged to come," Jay Garrett, Farm House, president, said. Tickets are being sold by Ag club officers for \$1, he noted.

## 'Ring Round Moon' Known As Play Of Many Moods

"A play of many moods" was a New York Times writer's opinion of "Ring Round the Moon," the first ASUI play production, slated for Friday and Saturday, Oct. 18-19, in the University auditorium.

Jean Anouilh, the French author of "Ring Round the Moon," has often been called "the most popular living playwright in Europe." His writing career began at the age of ten, but fame eluded him until the production of his plays "Antigone," "Mademistelle," and "L'Invitation au Chateau."

"L'Invitation au Chateau" is the original title for "Ring Round the Moon."

### French Comedy

The French comedy, now under the direction of Jean Collette, Idaho drama coach, was translated into English by Christopher Fry.

Fry, who was born in Bristol, England, in 1907, has written such well-known plays as "Venus Observed," "The Firstborn," and "Thor, With Angels." He has more recently been acclaimed for his translation of "Ring Round the Moon."

After an outstanding success in London, "Ring" came to the Mar-

tin Beck Theater in New York City on Nov. 23, 1950. Here the delightful comedy was performed 68 times under the direction of Gilbert Miller.

The London Times theater critic expressed the appeal of "Ring Round the Moon" to British audiences as "an enchanting little fairy tale of laughing . . . grace, its sentiment marked by cool, brittle, elegant mockery."

**Love Triangle**  
The play concerns twin brothers of opposite temperament who make up two-thirds of a love triangle. Both roles are portrayed by Edgar Vandevort.

Donald Harris and Joan Fisher are assisting Miss Collette in the comedy's production, and Howard Dorgan, assistant professor of drama, is in charge of crews.

Tickets will go on sale Monday in the University bookstore and Hodgins' Drug store, in downtown Moscow, for 75 cents. Students will be admitted with ASUI cards.

## AWS To Issue Etiquette List

Idaho coeds will be issued a list of "dos" and "don'ts" concerning campus etiquette and unwritten rules in the near future, Irene Scott, Associated Women's Students committee chairman, said today.

During the regular meeting of the AWS Wednesday evening, the group decided to establish unwritten rules on wearing apparel for weekends, Miss Scott pointed out.

The council issued permission for freshmen women to attend the "Show of Stars" Oct. 28.

## Low Bidder Named To Remodel Wing Of Ad Building

Commercial Builders, Moscow, today was named as apparent low bidder on a \$134,271 contract to remodel a wing of the University's Administration Building.

Bursar Kenneth A. Dick said work would consist of renovating the first floor and basement space of the building formerly occupied by the University Library.

The work will provide enlarged facilities for the College of Law, including classroom and library space, plus a model courtroom for conducting practice sessions.

Dick said funds were not immediately available for work on the second and third floors of the building.

## IK's Begin Annual Sale of Magazines

The annual IK magazine sale will start the first of next week, Tim Daley, co-chairman, said today. Members of the IK's will visit the campus living groups offering subscriptions to Time, Life, Sports Illustrated, and Fortune.

Magazines are being offered at special student rates with the students being billed by the publisher, Daley said.

## NOTICE

New students who wish to see the results of the guidance tests taken during Freshmen Orientation Week should report to the Student Counseling Center to arrange for a time to go over the test results with a counselor. C. H. Bond

# If The Flu Hits-We're Ready

An epidemic is a frightening thing to contemplate. It can bring the entire function of a nation, state or institution to a grinding halt in a few days. It can cripple a whole economy. Worse, it can take a toll in human life.

Facing the University this week is the specter of an epidemic of so-called "Asiatic influenza," a relatively mild but dangerous infection that could theoretically lay low a thousand or more students.

At Brigham Young University, this same "flu" reportedly has taken the life of a coed.

Thus far, Idaho has been kept relatively free from the seeds of such a possible epidemic. Seven cases are a small number to compare against the 3,700 or so enrolled here.

But, according to University physicians, an epidemic of major proportions is possible. And it will be well nigh impossible to stop.

The question, then, is what will be done to care for the possible cases of the disease.

It is in answer to this question that

University officials come in for special commendation.

Since the first rumors of the threatened outbreak, University physicians and officials have, without fanfare, been planning a well-defined "plan of attack" for the campus specifically.

Their plans include special partitioned sections in living groups for ailing students and briefings for living group house mothers and proctors and hostesses.

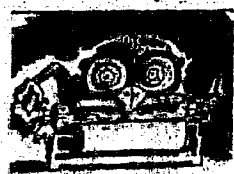

All this plus numerous administrative planning sessions has been going on unpublicized for one obvious reason.

The University does not want a panic should the seven cases jump to 70 or even 700. We are sure that this campus will accept any such outbreak for what it is — a passing thing of minor consequences.

Even the Brigham Young case is not proven to have been caused by the little virus.

We are sure that the school is now ready for an epidemic if it comes. Whatever the next month may bring, Idahoans may be assured the University will be ready to handle anything that develops.

Only student cooperation is needed now.

## Jim Golden's Campeyeing

### Much Trivia Made Week Moderately Uninteresting

Seldom have we seen so much trivia packed into one week. In fact, when all the lot of uninteresting goings-on are totaled up and this week is brought into perspective, the candid observer can see it for what it was — absolutely nothing.

Examples:

One of the biggest stories of the week was the report of a mouse trap setting trip by a mammalogy class.

One of the biggest stories of the reports he set about 50 mouse traps in the Robinson Lake area during the excursion. Quizzed on the reason for such a spectacular undertaking for one so unworthy as himself, the subject replied that he "didn't understand it either."

Two Down

And on Monday came the happy news that one editor and one former boss bit the dust in one evening.

Last year's Arg editor John Hughes was pinned to Kappa Nan Alvord and present zheft exco Dean Judd lost his to Tri-Delt Karen DeKlotz.

However, the whole thing stays in the family as Miss Alvord is Arg Assistant news editor and Miss DeKlotz is a night editor.

Getting personal a moment and disregarding the nasty beginning to this bi-weekly literary effort, Campeyeing extends some sincere congratulations.

More Foreign Correspondents

This columnist's most constant delight is to read the rough drafts of so-called "house news" that floods into the edit offices occasionally.

Not only do we infrequently find some talent in these reports, but selected writers show a definite inclination toward classic description.

Here is Tuesday's offering: "The boys that returned from the exchange with Kappa Kappa Gamma . . . had naught but

wonderful things to say about those gals. Seems they were treated like kings, and the ratio three-to-one, too!"

What that means we're not sure. However, the enthusiasm is encouraging.

Please Be Careful

This is Fire Prevention Week. Last Monday Moscow fire dispatcher Gale Rimmel noted the observance and remarked to fellow smoke-eaters that "we'll probably have twice as many fires as usual."

Two days later, Rimmel's prediction came true and the fire department answered three fire alarms in two hours, a near-record for the city.

Dean—And where have you been this week?

Student—Stop me if you've heard this one?

The pledges also wish to thank the Delt pledges for the cake exchange.

## FARM HOUSE

This was a very hectic weeks for the FarmHouse. Everyone has been burning the midnight oil in preparation for the Charter Installation this coming weekend. The chain of scheduled events started Thursday evening by a social in honor of G. E. Middleton, our national president.

## UPHAM HALL

All the old-timers came back to find construction still going on in neighboring Gault, but constructors working almost 'round-the-clock have it about finished now. Thanks also to Gault for enduring the first week and a half of eating in our cafeteria.

The boys that returned from the exchange with Kappa Kappa Gamma Oct. 2, had nothing but wonderful things to say about those girls.

Nice to see Mr. and Mrs. Allan Derr back for their second year as our proctors.

## KAPPA SIGMA

Recently elected pledge class officers are: Dennis Solt, president; Roger Barr, vice president; Bob Debord, secretary-treasurer. Our pledges wish to extend a big thanks to the Theta pledges for the exchange Wednesday night.

Jim McKissick was elected to the supreme post of sophomore bull.

## KAPPA KAPPA GAMMA

Much to the surprise of the pledges and their threadbare ribbons, formal pledging was held Monday night. The new pledge class officers are: president, Mary Youngstrom; vice president, Ann Irwin; secretary-treasurer, Mary Jean Caldwell; social chairman, Patsy Rodgers; scholarship, Karen Stedfeld; house manager, Lorna Woelfle; song leader, Joan Ward.

Best wishes to Nan Alvord and John B. Hughes, Sigma Nu, who resides at Fort Sill, on their recent pinning. Never let it be said that life at the Argonaut isn't exciting.

Thanks to the Kappa Sigs of WSC for the tremendous serenade and for returning our belongings.

## SIGMA NU

Larry Hollander of Chicago, is Mr. Etiquette for this week. He succeeds Jim McDonald and will hold this title until next Wednesday.

The Tri-Delts serenaded Wednesday at noon for their door mat which our pledges confiscated about two weeks ago.

Plans are underway for our Pledge Dance to be Nov. 8. Two chaperones are Mr. and Mrs. Frank Young. Two more are yet to be named.

## DELTA TAU DELTA

The first all-house social function of the year was held last Thursday night with the Gamma Phis. The pledges from both houses ate dinner at the Delt house while the members dined at the Gamma Phi house, and afterwards dancing was held at the Delt house.

Entertainment was provided by Elna Magnusson, Brody Conklin, Mike Williams and Del Eaton. Thanks GPB's for a swell time.

The pledges wish to thank the Theta pledges for the return of their mop bucket and for the dancing Monday night, and also would like to thank French House for an enjoyable exchange Wednesday night.

Dinner guest at the Shelter Monday night was Mr. Len Bielenberg, chapter advisor.

Saturday, Oct. 19 has been set as the date for the annual pledge

dance, with Dick Wisdom as general chairman.

## L.D.S. HOUSE

House officers were recently elected and a very good year is expected under the supervision of Reed Welker, president.

Serving with Reed are Bob Blattner, vice president; Larry Whitby, secretary; Wayne Ross, treasurer; Ronnie Osterhout, sergeant-at-arms; Dean Larson and Ronald Nelson, social chairmen; Doyle Mechem, intramural manager; Don Larson, file clerk; and Milton Barbus, historian.

Chosen as president of the pledge class on Oct. 3 was Larry Parberry. Other officers elected were Ron Hunt, vice-president; Randy Litton, secretary-treasurer; Bruce McCowan, social chairman; Arny Skov, song leader; and Tom Rudy, junior IFC representative.

The pledge dance date was set for tomorrow with "Tavern in the Town" named as theme for this annual hop.

Beta Theta Pi was proud to welcome into the brotherhood initiates Bert Allen, Brent Bruningham, Gale Conard, Gordon Gray, Robert Helmick, Richard Kalferd, and Wiley Wagner.

Garth Brown was tubbed on Oct. 3 as Gretchen Ostrander, Kappa Alpha Theta, freed the Beta sophomore from a solution of crankcase oil and water.

Beta pledges send thanks to the Kappa Kappa Gamma pledges for the cake date Tuesday and the Alpha Chi Omega pledges for the exchange Wednesday.

Special dinner guests last Sunday were Bart and Pat Muir.

## SIGMA ALPHA EPSILON

Thanks to the Alpha Phis for their serenade and cleaning up the garbage and trash cans.

The fourteen Queen of Violets contestants were Wednesday eve-

ning dinner guests and will be over again Saturday at noon for an informal get-together. All is in readiness for the Violet Ball and pledge dance Saturday, Oct. 19, at the chapter house.

The plans are now being completed by Marilyn Mooers and Chuck Thomas, float committee chairmen, on the Alpha Chi-S.A.E. entry in the Homecoming parade.

All persons attending the Larry Haight-Barbara Brewer wedding in Spokane last Saturday report that it was a great success.

Sunday is formal initiation for eight new members of Sigma Alpha Epsilon.

## PHI DELTA THETA

A quiet week has been on the itinerary for Phi Delta Theta as the Boise trip seemed to dominate activity. However, the weekend was highlighted by the marriage Phi Delt, Doug Olson, in Wallace, Idaho.

The pledge class would like to thank the Alpha Phi pledges for the serenade Monday evening.

Latest addition to the Phi Delt pledge class is Jim Neese from Waco, Texas, who was formally pledged Wednesday night.

# Optimistic Vandals To Aim For Upset

Pointing for a second straight upset, a markedly optimistic band of Idaho Vandals left this morning for Corvallis, Oregon, where they will meet last year's PCC champion OSC Beavers at 1:30 tomorrow.

Most of the players had voiced the opinion all week that they would show the Beavers that the near upset last season was no "one shot wonder", but coach "Skip" Stahley had different feelings yesterday.

"We're definitely going down there to win," Stahley said, "but injuries may make our squad too thin."

OSC tackles Dave Jesmer and Ed Rogers, the latter a second-stringer, will not see any action for Oregon State. Stahley, however, felt that Idaho's loss of such backs as Larry Norby, Bob Dehlinger, and Paul Wagar, and linemen Jim Prestel and Ralph Jannino will hurt much more.

Of the five, only Jannino was named to the original 33-man traveling squad yesterday, but there was a chance that the others might be included in the four additional players to be named to make the trip.

Prestel has not returned from Indianapolis, Indiana, where he went last week because of family illness and his place likely will again be taken by Pete Johnson, who filled in more than capably for him against Utah.

**Leg Injuries**  
The trio of backs, Norby, Dehlinger, and Wagar are still recovering from leg injuries, which have not responded to treatment as soon as had been hoped.

OSC backfield stars Joe Francis and Nub Beamer were both hurt

against Northwestern last week but are expected to be ready for play against the Vandals.

Last year, Idaho was in much the same position as this season, with several regulars hurt and inadequate depth, but rose to the occasion on a bleak, wintry day here on Neale Stadium and nearly pulled the upset of the year before losing, 14-10.

Quarterback Howie Willis, who has scored every Vandal touchdown this season, will be at the helm to face what Stahley has called "probably a better team than that which won the PCC title last year."

Other likely backfield starters include Ken Hall at fullback, with Lloyd Fenton at halfback and Jim Norton at the flanker spot.

Wade Patterson and Larry Aldrich should be at ends, with Tony Anderson and Pete Johnson at the tackle posts, Jerry Smythe and Jerry Kramer at guards, and Wayne Walker at center.

The rest of the traveling squad named yesterday includes: ends J. D. Lawson, Don Ridener, Lonnie Park, and Bud Dowling; tackles, Dick Gooby, Jack Ashbaugh, Steve Symms; guards Dale Hill, Fred Borque, Dave Andres, Tom DiNuovo, and Don Evans; centers Ralph Jannino and Stan Fanning; quarterbacks, Gary Kenworthy, Gary Farnworth, and Bob Eyster; halfbacks, Theron Nelsen, Gene Smith, Jim Neese; fullbacks, Mike Haas, and June Hanford.

## Willis Jumps Into PCC Scoring Lead

As a result of last Saturday's game with Utah, Idaho gridders climbed even higher in Pacific Coast Conference statistics.

Howard Willis in particular had a fine weekend, scoring three times against the Utes, which added to his two other touchdowns this season put him in first place in scoring on the Coast. He is six points ahead of Earnel Durden of Oregon State, second in total scoring.

Willis' passing arm moved him into the number two position in that department and also contributed to his second place ranking in the PCC in total yards gained.

Idaho's standout senior end, Larry Aldrich, trails Conference leading Don Ellingsen of WSC by only one catch and two yards in pass receiving. Ellingsen has snagged 12 aeriels for 149 yards, while Aldrich has 11 catches for 147 yards.

In the punting department, Idaho's quick kick artist, Kenny Hall, retained his lead over Jim Conroy of USC with an average of 49.2 yards per boot to Conroy's 45.7.

Idaho leads the Conference in total yards gained on punt run-backs, however, with a 17.3 yard

## Nucleus Of Championship Club Returns To Bolster Beavers

Earnel Durden and Joe Francis, two often-injured but multi-talented halfbacks, hold the key for the success of this year's OSC Beavers and so far it looks like Coach Tommy Prothro has the makings of another Coast champion on his hands.

Durden and Francis, two of the nation's fastest running backs, are also adept at throwing the ball. Francis works out of the tailback slot in the Beavers' single wing offense and the lanky Hawaiian's throwing ability has made him a prime candidate for All-America.

End Bob DeGrant, tackle Dave Jesmer, and guard Jim Brackins, considered the main cogs in the line on the 1956 champions are all back but Jesmer is injured and will not play against Idaho.

**Randall Impressive**

Buzz Randall, impressive as a second-string sophomore center last season, has moved up to the starting spot there.

Two other sophs who saw a lot of action last year have also jumped into the starting cast. They are tackle Ted Bates and fullback Nub Beamer, who has been the chief ground gainer in OSC games so far this year.

Other starters are Ted Searle at

average as compared to second place Stanford, with a 14.3 average.

On both pass defense and pass offense, the Vandals rest in third spot.

On offense, Idaho trails only WSC and California and leads fourth place UCLA by two yards, 323-327. On defense, the Vandals have allowed only 176 yards through the air, as compared to league leading USC with 155 and runnerup OSC with 173.

## Fijis, Tekes, Sweet Grab Football Leads

The number of undefeated teams in the fraternity section of touch football dropped still further in late action this week.

Tuesday, Sigma Alpha Epsilon defeated Phi Gamma Delta, 2-0, while the Fijis stopped Town Men, 14-6, yesterday. Tau Kappa Epsilon won out over Delta Sigma Phi, 8-0, and Sigma Chi, 12-0.

These results put the Fijis, with four wins and one loss, in the League I lead, while the Tekes top League II with five wins and no defeats.

Willis Sweet Hall 1 and 2 both preserved their undefeated records Wednesday by defeating Upham Hall 1 and 2, Lindley Hall 2 and McComell Hall 2 battled to a 6-6 tie, each had one first down and each one penetration. The tie may have spoiled Lindley's chances of coming out on top in League IV.

**Sweet On Top**

Willis Sweet now rests on top in both leagues III, with a 6-0 record and IV, with a 6-0 slate. Lindley 1
