

The GOLDEN FLEECE

by Jason

The weekend took its toll. Idaho's Vandals fell to Washington State, Jason's prediction of an Idaho victory was wrong, and we'll make the traditional nine-mile jaunt come tomorrow afternoon.

Even with all that the afternoon was not as bad as it may sound. The crowd of 13,000 that saw the 58th Battle of the Palouse probably watched two as fine a football game as the game will ever match.

Either school may come up with a stronger squad, but we don't believe Idaho and Washington State will ever have two as fine a team the same year again.

The Vandals may have lost the game by the final score, but it wasn't because they were out fought. This game with the Cougars seemed to be a reprint of a couple other contests the Idaho team battled so brilliantly to win, but found their hopes go a-glimmering when added guts and tremendous endurance of the Idaho first string just wasn't enough to win.

Idaho put on another terrific show Saturday, and for our money would have beaten Washington State if the breaks had come its way.

The Vandals' big line carried most of the Vandal offense as usual in a tremendous effort.

The forward wall, mud splattered and beset with numerous injuries, fought gamely to contain the Cougars until the final gun. Jerry Kramer, Jerry Smythe, Wayne Walker and Tony Anderson, all playing their final game, found injuries or illness plaguing them before or during the game, but persons in perfect health couldn't have given better accounts of themselves.

Lloyd Fenton, another senior, displayed running in the game that was a great help to the Idaho cause. Overshadowed by Larry Norby all season, Fenton got his chance when Norby was injured, and produced!

Quarterbacks Howard Willis and Gary Kenworthy played important parts in their final contest. Kenworthy fumbled when it hurt the Vandal cause badly, but without his passing and field generalship the Idaho team would have been in very bad shape.

Willis' injury which kept him sidelined most of the game was an anti-climax to the college career of a fine quarterback who did a top job at the helm of the Vandal football teams for most of his three years at Idaho. Little, but powerful Ken Hall; never-say-die Bob Dehlinger, big Pete Johnson and a host of others did a very praiseworthy job for Idaho Saturday, even in defeat.

Jason would still bet on the 1957 Vandals. Give them a few breaks and this inspired team could give almost anyone a good game. They proved it Saturday against Washington State's "All-Americans."

Big Metal Trophy Gone, Maxey Relieved

President Dave Maxey won't have to carry that 20-pound metal monster to Pullman Wednesday after all.

The big monument to Idaho-WSC rivalry, the Walkathon trophy, will not be finished soon enough to make the trip.

That was the sad prediction from Fifth Quarter chairman Al Dingle Monday. Dingle said the WSC Industrial Arts department had guaranteed delivery late this week, probably not before Friday.

The trophy, Dingle said, will be built from wood, asphalt and a used football shoe, which will eventually be bronze-plated. Then the whole thing will be covered with a coat of plastic "for long wear," said Dingle.

Plans made prior to the WSC-Idaho tangle stipulated that the president of the losing student body would carry the symbol of victory to the winning campus.

But Maxey, who last month expressed some concern about "carrying that thing all the way to Pullman," will get a reprieve, courtesy of Washington State College.

Sacks Worn By Queen Finalists

"I thought the contest would be a lot more fun than that," Derby day chairman Darrell Rollins told the Daily Collegian.

Albrecht Promoted To Rank Of Chief

George A. Albrecht, store keeper for the NROTC, was recently advanced to the rank of Chief, Capt. John M. Wyckoff announced today.

Albrecht, serving a three-year tour of duty with Idaho's NROTC since January 1955, has been in charge of the supply room for the Navy cadets, serving with rank of store keeper 1st Class until his recent promotion to Chief Store Keeper.

Just To Be Extra Sure

Homeward-bound Idaho fans leave their section of Rogers Field in Pullman quietly after the Vandals' 21-13 loss of the "Battle of the Palouse." Students were warned not to repeat riots of previous years, but police were stationed around the gridiron to ensure cooperation. No violence was reported.

Long Drive Is Successful; No Fifth Quarter Action

A two-month drive to abolish student "Battles of the Palouse" apparently paid off Saturday as University of Idaho and Washington State students left Pullman's Rogers Field quietly.

Washington State Police and WSC campus officials said no collegiate antics were reported. Police and sheriff's officers ringed the playing field for 30 minutes following Idaho's loss, 21-13.

ASUI President, Dave Maxey, a member of the men's discipline committee, said Monday he had received no information on Idaho students involved in "fifth quarter" fracas.

Some rumblings of discontent were reported on the WSC campus Saturday by the Moscow Daily Idahoonian.

The Idahoonian said a "rumor" at the Washington campus had indicated students there might incite an "intentional" riot to end all games between the two schools.

The newspaper said students wished to sever relations so that Washington State would have one more open day to play a Big Ten or "higher caliber" opponent than Idaho.

Officials, however, denied the report and the riot failed to materialize.

President D. R. Theophilus Monday complimented University students for "the orderly manner in which you conducted your-

To the Students of the University of Idaho: Please accept my compliments on two counts in connection with the Idaho-Washington State football game at Pullman Saturday: 1. For the orderly manner in which you conducted yourselves—a manner which brought credit to you and Your University.

2. For your enthusiastic support of the team, which was deserving of all of it.

I would also like to express special appreciation to the student leaders who did so much to encourage the true Idaho spirit at the football game.

selfes" and for their "enthusiastic support" of the Vandal grid squad.

The lack of violence between the arch-rivals was the result of a drive to combat a long history of riots.

Preliminary steps were taken last fall to find methods of stopping the bloody battles and Al Dingle, Fiji, was named to head a committee to stop the action.

Dingle's plans, first made public late in September, included the establishment of a trophy to be awarded to the winning school annually at the end of an eight-mile Walkathon, a banquet meeting between student leaders of both schools, and enforcement of drinking regulations by law officers.

Dingle earlier this month held two meetings with living group presidents as a final step in laying groundwork for the project.

Dingle late Monday termed the results of the planning "very satisfactory" and thanked student living groups for cooperating in the effort.

He said he would recommend that policies for next year's grid tangle remain "essentially" the same as those instituted this year.

Ferguson Awarded IK Scholarship

Darrell Ferguson, Phi Delt, has been named as the recipient of the \$100 Intercollegiate Knights scholarship.

Ferguson, a sophomore majoring in history and social sciences, was selected from ten other applicants, Dean C. O. Decker reported.

The scholarship committee judged the applicants on community service contributed through work with the IKs, achievement in their academic program, and financial need.

Tie-Breaking Election Set For Tomorrow

A special ASUI election tomorrow will break a tie vote in last week's Senior class presidential race.

Polls will be open only in the Ad building lobby from 12 noon to 5:30 p.m. with only senior students voting. During regular elections polls are open in the SUB, Engineering Building, and the Ad Building.

Voting will be between United Party candidate, Mike Patton, Beta, and Gary McEwen, Independent nominee from McConnell Hall. Both candidate received 111 votes each in last Thursday's election.

The special election was called by a 5-1 vote of the ASUI Exec

Gary McEwen and Mike Patton Board during a special meeting Friday noon.

The ASUI Constitution states that in case of a tie vote in an election,

a new election for the office shall be called within one week.

Only Exec Board member voting against the special election proposal was member John Chapman who proposed that the Exec Board vote to break the tie.

The special election will cost the ASUI approximately \$50 as compared to the \$250 cost of the regular election.

Tomorrow's election could bring the first complete sweep by one political party in an Idaho election in over 15 years. Fifteen United party candidates gained office by large majority votes over their Independent Party opponents last week.

Kappas Tops In Debate; Men's Finals Wednesday

Phi Delt and SAE will enter the semi-finals of the Idaho Intramural Debate Tournament Wednesday evening, and the winning team will compete against Theta Chi for the championship.

The semi-finals are scheduled for 7 p.m. in conference room A of the SUB. The date for the championship debate has not been set yet.

Women's division debate champions are Kappas, who took the crown by default. Nancy Reading, Pat Decker, and Karen Steadfelt comprise the team.

The negative side of the question, Resolved: That the requirement of membership in a labor union as a condition of employment should be illegal, will be taken by Phi Delt. SAE's team will debate the affirmative.

Gordon Chester, Dick Weston, Dick Cripe, and Mike McNickols are included on the Phi Delt team, while Bill Barker and Dave Briggs comprise the SAE group.

Debating for Theta Chi are Paul Baker and Jack Eacker.

During the double elimination tournament, teams from Willis Sweet Hall, and Sigma Chi fell out of the

competition. The two-men teams, Lowell Martin and Steve Holsely, both of Willis Sweet, and Sigma Chi's David Trail and Dee Stoltz, entered competition Saturday morning with their other Idaho opponents.

Trophies for the annual event will be presented both in the men's and women's divisions. Furnishing the cups is Delta Sigma Rho, national debate society that sponsors the meet.

Dr. A. E. Whitehead of the speech department, coaches the group. Reed Bowen and Richard Sorenson were in charge of the 1957 program.

Elsensohn Shoots Leg Accidentally

Barry Elsensohn, 19, Sigma Nu, accidentally shot himself in the leg while hunting in the Waha area near Lewiston Saturday night.

Elsensohn had been hunting with LeRoy Johnson, Lewiston, while Mrs. Johnson and Dorothy Lundvall, also of Lewiston, waited in the car.

The men were returning to the car but when they got to within about 150 yards of where they still couldn't see it, so Elsensohn fired a shot from his .22 pistol to attract the women's attention.

As he holstered the pistol it discharged, sending a bullet into his right calf. It emerged in front. Apparently no bone or tendon has hit, his father said at Lewiston.

Johnson carried his hunting partner to the car and drove to the Waha store where they called an ambulance which met them about half-way to Lewiston.

Elsensohn was reported in good condition at St. Joseph's Hospital in Lewiston Sunday night.

S-F Committee Studies Change In Social Rules

Student-Faculty committee Friday began its investigation into University social regulations, but postponed revision of any of eight points it is considering until a meeting Friday.

The committee started a long-range study of existing rules late in October and assigned portions of the project to joint student-faculty subcommittees. Chairman C. O. Decker said the study would probably extend into January.

Under committee scrutiny are methods for scheduling social affairs and selecting chaperones, closed nights, living group visiting hours, alcoholic beverages, traffic and parking, fire arms and establishment of organizations.

King Oedipus' Tragic Life Depicted In One-Act Plays

The tragic life of a Greek king, Oedipus, and his family, is the main theme of three one-act plays scheduled to be produced Thursday and Friday evening at 7:30 on the U-Hut.

Two parts of "Oedipus, the King" will be student directed by Clifford Cook and Joan Fisher. Rose Marie Perrin will handle the production of "Antigone."

Admission to the state of one-acts is free, but seats must be reserved through Professor Jean Collette of the dramatics department by calling 3-8452.

Greek gods, who hold the fate of men in their hands, predict that Oedipus will kill his father and marry his mother. At the end of the second play, this comes true.

Antigone, who is Oedipus' daughter, completes the final fate of her family by committing suicide at the end of the show.

Taking roles in the first part of "Oedipus the King" are Tony Park, Oedipus; Joanne Reese, Jocasta; Bob Beamer, Creon; Dick Katzenburger, Ginger Fox and

Low Percentage A total of 1,426 votes were cast in the election which had one of the lowest percentage votes in over 20 years. Only 38 per cent of the student body voted as compared with 2,119 and 58 per cent of last year's record breaking total.

Both presidential candidates have been active in living group and student government activities. Patton is president of his fraternity, a member of Blue Key, former co-chairman of student recruitment, student activities council and a member of Vandaleers.

He is from Payette and majoring in Psychology.

McEwen is president of McConnell Hall and is a former president of the LDS house. He has served as Junior class vice-president, president of Inter-Church Council, publicity chairman for the Campus Chest, and a member of the varsity basketball team. He is majoring in Agricultural Education hailing from Kimberly.

Presidents of both parties have issued a plea for students to vote in tomorrow's election.

United Party prexy John Bradbury said, "We encourage all seniors to vote in the coming election and consider the responsibilities of the class president to the class and school when voting."

"The campus has a very competent group of officers as a result of the election last week," he said. "You will find that their words are not idle but will be carried out."

"We would like to thank the people working and supporting the United party for without their help and cooperation, the results would have not been so favorable."

Lee Watenpaugh, speaking for the Independent Party, said, "We are very disappointed with last week's election results, but we hope it serves to show the independent students that the only way their voice is going to be heard in student government is through active participation."

"We hope that the first step in this participation," he continued, "will come in Wednesday's election when the seniors will once again get a chance to elect an Independent candidate as senior president."

Flu Outbreak Forces LCNS To Close Down

A wide spread outbreak of influenza among students at Lewis-Clark Normal School, Lewiston, Monday forced administrators to suspend classes for an undetermined period.

LCNS administrator Dr. Cleon C. Caldwell said about 50 per cent of the 185-student enrollment at the school was reported ill Friday and that the situation was "much worse" yesterday.

Alling students are being housed in the institution's two dormitories, Talkington and Clark halls. Caldwell said 60 students live in the dormitories and that as many more living at home were ill.

Idaho About Normal

Meanwhile, Idaho's month-old influenza infection was reported at a new low ebb. Twelve cases were in the Infirmary Monday, the smallest number since the initial outbreak of the disease in early October.

Jazz on Jazz

I have received some letters in the last few weeks asking me if it wouldn't be possible for the University to have a jazz program, such as WSC's "Jazz at the Cub."

The question arises as to whether there is enough enthusiasm for jazz here at Idaho to warrant the expense entailed in bringing a group here to entertain.

Another advantageous point to consider is the nearness of Moscow to Spokane. Natatorium park in Spokane brings in many of the best jazz groups in the country, and it would save the school traveling expenses if we could get the groups to come here on their way to and from Spokane.

In the above three paragraphs, I have tried to put forth some of the possibilities for such a plan. I would like to ask you, the reader, to send some of your ideas to me, and with them, maybe something concrete can be done concerning this point.

Attending the formal initiation tonight will be Don Ingle, of Willis Sweet, national president; John Chapman, Phi Delta, national vice-president; Dick Jensen, WSC, regional vicereoy; Neal Newhouse, Idaho chapter president and David Kees, faculty advisor of the chapter.

IK initiates are Meldon Anderson, Lee Scott and Gerry Steele, SAE; Keith Andrews, Lambda Chi; Ken Bartlet, Idaho Club and Austin Bergin, Delta Chi; Bob Bernard, Jack Flack, and Richard Rene, Delta Tau; Karl Bittenbender and John Clovis, Delta Sigma; Eric Carlson, Harold Regnier and Larry Ripley, ATO.

United Fund NSA Topics At Exec Board

Possible student help in a house-to-house campaign for the Moscow United Fund Drive and Idaho's membership in National Students Association are discussion topics on the ASUI Exec Board agenda for tonight's meeting in the SUB at 7 p.m.

Dr. Bernard Boring, associate professor of social science, said yesterday that he would appear before the Board to ask for ideas and ways in which students could help during the final stages of the United Fund drive in Moscow.

"The local drive is scheduled to end this week," Boring said. "We are about \$5,000 short of our \$25,000 goal and are thinking of conducting a house-to-house campaign to collect from people who have not donated."

"I think it would be possible for campus living groups or organizations in connection with their 'Help Week' programs to help in such a campaign," he added.

NSA debate will enter its fourth consecutive week on the Board. Last week definite action was postponed after the Board had voted to take action the week before.

Last week Board members talked with three members from WSC and an International Affairs NSA vice president to gather information on the confederation of some 300 college and university student body governments.

New Directory Bigger, Better

Kampus Key distribution will begin next week, Bob Vallat, Blue Key production chairman said Monday.

Vallat said the 122-page campus telephone directory would be sold to students for 50 cents per copy and that Blue Key members in individual living groups would act as agents.

Golden said last week the publication had been expanded to include telephone numbers of major committee chairmen, Exec Board members and all living group telephones.

Five Teams Enter Debate Tourney

Five University of Idaho debate teams are preparing for the Columbia Valley Debate Tournament with hopes of bettering their last year's second place rating.

The tournament, which will be held Friday and Saturday at WSC, will have representatives from schools all over the Northwest. Dr. A. E. Whitehead, Idaho debate coach, said today. The question to be debated is: Resolved: That the requirement of membership in a labor organization as a condition of employment should be illegal.

The five teams are comprised of Reed Bowen and Richard Sorenson, Lindley; Lowell Martin, Willis Sweet; and Richard D. Hughes, off-campus; LaRalle Smith, off-campus; and John Roberts, Pine Hall; William Barker and Dave Briggs, SAE; Patricia Decker, Rosemary Maule and Mary Margaret Broderick, Kappa.

DAVIDS'

Jim Golden's Campeyeing

As We Said, It's A Long Walk; Being Correct Twice Is No Help

We walk. That's the sad truth and Campeyeing hates to say "we told you so," but for the second straight year we forsaken school loyalty and predicted a WSC victory.

Aside from being a cold day for football, Saturday was noteworthy for its thrills and we can give naught but credit to the Vandals for a hard-fought grid classic, one of the best in years.

For those who elected to stay home and follow the game via radio, we might pass on a few sidelights that many of them missed.

An Expert The Idaho cheerleaders had some unorthodox aid toward the last of the game from an unidentified former student who helped whip up the lagging enthusiasm as the Vandal line was cut to ribbons.

There were some who suspected this individual had some previous experience at the art of cheerleading and they're right. This Mystery Man was an Idaho cheerleader somewhere in the vicinity of 1948.

Inventive Crew A couple of students who decided the \$1.75 per ticket was too expensive invented a novel way to get past the Rogers Field ticket takers.

They found a friend in the Idaho marching band, which was just ready to enter the stadium, who obligingly loaned his cap and drum to them. With these distinctive passports, the pair walked in, crossed to the Idaho side and watched the game courtesy of WSC.

Go, Idaho Up in the press box, probably the best vantage point (and the coldest) in the stadium, Arg sports editor Dwight Chapin, University publicity man Ken Hunter and Campeyeing composed the entire Vandal fan club, compared with about 35 WSC-partisan sports writers.

At one point Chapin could not control himself any longer and contributed an especially loud cheer to the otherwise businesslike outfit. When he looked back at the reporters, he found a whole row of glaring eyes staring at him.

He stopped yelling, and, strangely enough, the Vandals stopped scoring.

It's a Long Eight So we hike the long eight again. In case the "eight" seem a little incongruous, it might be explained that WSC has now decided it's only eight miles to Pullman since that's what the sign says.

However, anyone who has walked the distance will swear it's at least 25 miles to the Cow College.

Next week we'll check the distance again and report to the throngs who will laughingly want to

Several Accidents Dot Highway After WSC-Idaho Game

A long line of cars which formed along Highway 8 after the WSC-Idaho game Saturday resulted in several minor accidents.

H. B. Thoreson, chief of the Moscow police department, reported two smash-ups, resulting from chain collisions.

One incident involved cars driven by Donald Lester Turnbull, Willis Sweet Hall; Aran Webb, Grangeville, and Cecil Grudden of Cornell, Wn.

A sudden stop in traffic ahead caused the Turnbull car to stop suddenly and it was hit from behind by the Webb car, the chief explained.

The automobile driven by Grudden collided with the rear of the Webb car, causing damage to both cars, but no injuries resulted.

A similar accident involved the cars of Donald Walters, Farnwood, and Kiyooki Hori, Spokane. The car in front of Walters stopped suddenly and was hit from behind by Walters, who in turn was hit by the car driven by Horri. Grills on both cars were damaged.

CAMPUS CLUB
Several foreign students gave interesting talks about their countries in our lounge Friday evening.

Also on the agenda were discussions, films, and slides. We wish to thank George Sprung from Germany, Eddie Kuncar from Jordan, Heng Hun Low from Malaya, and T. S. Bains from India for an enjoyable and educational evening and we hope to have other similar talks in the near future.

Our annual fall dance "Pizza Parlor" will be held Saturday. Dance committees have been hard at work for some time according to Jon Soderbloom, dance chairman.

Congratulations to Alvie Johnson and Don Albertson who were initiated into Scabbard and Blade recently.

Weekend dinner guests were Mr. and Mrs. John MacMullen and Dave Schwartz.

WILLIS SWEET HALL
Many thanks from the men of Willis Sweet to Ethel Steel for the serenade. What's the matter girls, lose something?

Thanks to the DGs for the all-house dinner exchange Wednesday evening. A good time was had by all, but especially enjoying it were Red Taylor and the Housemother.

The installation of a sprinkler system has turned some of the halls of Sweet into a mass of pipes, men and machines. Don't lose faith boys as they may be done by March.

COUGARS GRAB FIERCE THRILLER, 21 TO 13

Neutral Corner One-Man Team Spoils Effort; Norton, Nelsen Are Impressive

By Dwight Chapin

It's always tough to write about a loss and one so involved in blood, sweat, tears, and loyalty as that at Pullman Saturday is doubly difficult.

We could rationalize and blame the defeat on injuries and bad breaks, for certainly these played a major role, but above all, the Cougars' Bob Newman was the chief villain.

Rarely is it the lot of a sports-writer to praise an opposing player, especially when he is playing for a perennial bitter rival.

But Newman was a one-man team Saturday and one-man teams must rate special consideration.

The smooth Cougar junior went into the game a highly-touted quarterback. But the Vandals had had no trouble with star quarterbacks, stifling such standouts as Les Grosscup, Tom Flores, Earl Keeley, and Bob Winters.

Several times in the first half Saturday Newman was dumped on pass attempts.

Poise Remains

It's only natural that when a passer is set on the seat of his pants by an onrushing lineman repeatedly he will lose his poise and composure.

Newman, however, seemed to have that rare gift to shake off a bonecrushing tackle and come back stronger than ever.

For this reason we must salute Newman; without him the score would very likely have been in Idaho's favor.

An indication of things to come in Vandal football was in evidence at the Idaho-WSC battle.

Two sophomore backs, Jim Norton and Theron Nelsen, definitely made themselves known by their outstanding play.

Norton, 170-pounder, who first stood out as a punter on last year's Idaho freshmen, has been perhaps the most versatile Vandal this season.

He first stepped into the starting lineup at flankerback when Bob Dehlinger hurt a leg and has played halfback and end also.

Tops At End

Norton has been brilliant at end during the last two ball games after taking over at the flank for the injured Larry Aldrich.

His leaping catch against the Cougars to set up an Idaho touchdown attempt was one of the finest this observer has had the pleasure to witness this season.

The solidly built 180-pound Nelsen had warmed the Vandal bench most of the 1957 schedule, but after a host of injuries he got his big chance against WSC.

Nelsen's running definitely surprised the Cougars and kept Idaho in the game up until the final gun.

It's ironic that the Vandal back-

field picture should look so bright for next season for most of this year's magnificent line will be lost through graduation.

Frosh Stifled By Coubabe Line; Lose 27-0

By GARY RANDALL

Once again the undermanned Vandal frosh ran out of depth in the second half, and went down in defeat, this time on the short end of a 27-0 score at the hands of the WSC frosh.

After the opening kickoff, the young Vandals appeared to be determined to chalk up their first victory of a three game season, as they drove to a first down on the WSC 49. The WSC squad woke up and succeeded in stopping the Vandal Babes dead on their next four plays, however.

After both teams had exchanged punts, WSC's Dan Bevans started on his own 45, and picked his way to the Idaho 5 in a brilliant display of broken field running. A clipping penalty moved the Coubabe back to the 20, where Jim Neibauer pounced on a Coubabe fumble to pull the Babes out of the fire temporarily.

John Madsen grabbed a pass from quarterback Norm Harding in the end zone for the Coubabe's first score. Dick Cople added the conversion.

After the kickoff, the Vandal Babes gained new life, as quarterback Sil Vial completed 2 out of 3 passes to Reg Carolan to move the ball to the WSC 15. On the last play of the half, Vial found Ismael in the open for what appeared to be the Babes' first score of the year.

A holding penalty denied them of the score, though.

Three More

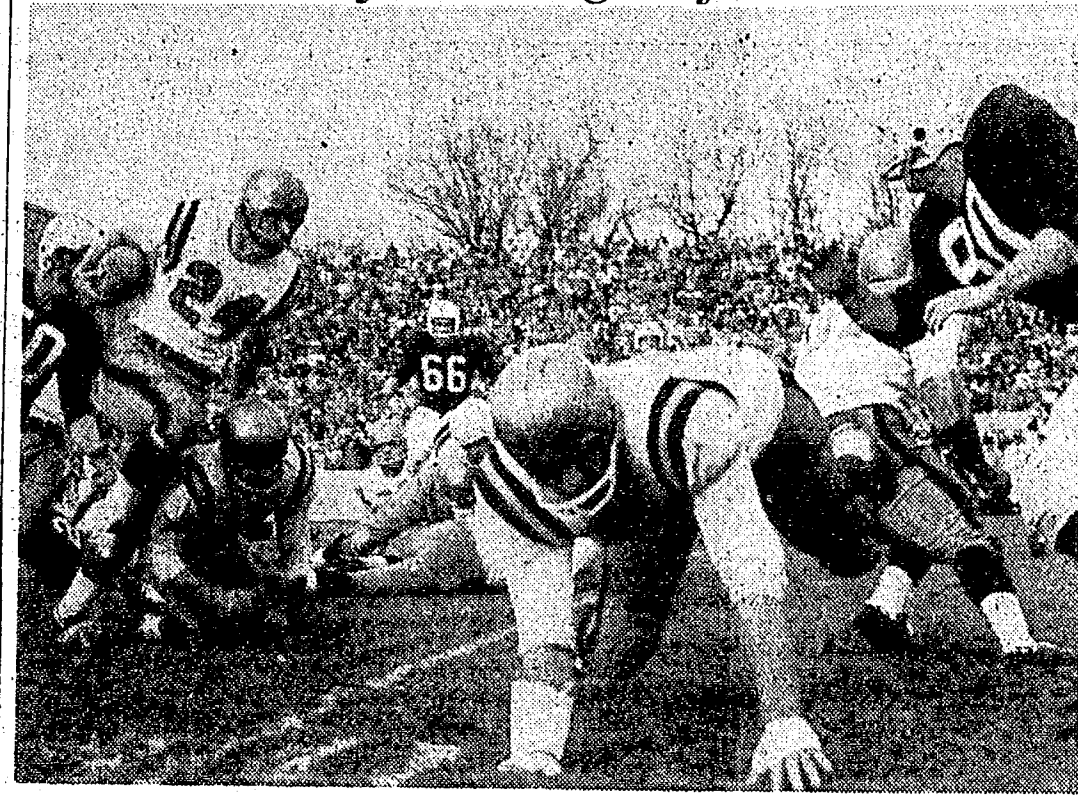

After the kickoff opening the second half, the WSC line took charge, and led the Coubabe to three additional touchdowns.

The Coubabe line proceeded to keep the Vandals off balance as they broke through to spill quarterback Vial several times as the young Vandals attempted to strike back through the air.

Why Blocking Pays Off

Lloyd Fenton, Vandal halfback, churns through for a big gain against the Cougars Saturday as his interference opens a huge hole. Jerry Kramer prepares to put a block on Ted Gray (80). Merl Hitzel (50) chases Fenton. Others identifiable include Howie Willis (14), on ground by Fenton, and Cougar Ray Blier (66). WSC defeated the Vandals, 21-13.

Eleven teams remain undefeated in intramural volleyball, after action on the first four days of the schedule.

Tau Kappa Epsilon downed LDS, 15-0, 15-4 and Delta Sigma Phi got past Sigma Alpha Epsilon, 15-14, 1-15, 15-11 to remain deadlocked for the League I lead.

Both the Tekes and the SAE's have 2-0 records in early going.

Delta Tau Delta and Alpha Tau Omega are tied for first place in League II with identical 2-0 slates.

The Delts hopped on Kappa Sigma, 15-1, 15-9, and the ATO's crushed Phi Kappa Tau, 15-0, 15-4.

In the Independent Leagues four teams in League III and three clubs in League IV have shown early power.

Chrisman Hall 1, Gault Hall 1, and Lindley Hall 1, all with 2-0 records, lead League III. Willis Sweet Hall 1, has yet to lose but has played only one game.

Chrisman 1 dropped McConnell Hall 1, 15-8, 15-2. Gault 1 slipped past Upham Hall 1, 9-15, 15-8, 15-11, and Lindley 1 edged Campus Club 1, 15-6, 5-15, 15-8.

Chrisman 2 and Upham 2 are knotted for the League IV lead with two wins apiece. Sweet 2 has one victory and no losses.

Chrisman 2 defeated McConnell 2 by forfeit and Upham 2 bumped Gault 2, 15-9, 15-3 to take the co-lead there.

Nineteen Frosh Swim Hopefuls Begin Practice

The biggest group of freshmen in Idaho swimming history began workouts last week under head coach Eric Kirkland.

Nineteen yearlings, including 15 swimmers and four divers, showed up for opening practice, and a quartet drew early praise from Kirkland as being "outstanding."

The four, "Con" Ducey, Weiser; Al Hansen, Boise; Al Ray, Saylesville, Rhode Island, and Cliff Lawrence, Nampa, all starred in intramural swimming.

Other prospects, who hail from a wide area, include; Gary Wolvertson, Fallon, Nevada; Eugene Dyson, Grangeville; "Skip" Ward, Pocatello; Dan Slavin, Rupert; Tim Greene, Washington, D.C.

Mick Gough, Orofino; Dick Sarmek, Winslow, Washington; Doug Goodrich, Spokane; Dick Lewis, Sandpoint; Robert Dahl, Orofino; Arnold Moeller, Ritzville, Washington, and Ernie Woodruff.

Diving hopefuls include: "Jay" Johnson, Gooding; Richard Cooper, Old Greenwich, Connecticut; and Dave Bryan, Palo Alto, California.

Kirkland added that he did not "have a line" on all the yearlings yet but said he was hopeful that they would develop into a winning team.

The annual Silver and Gold meet, in which frosh and varsity swimmers both vie, will be held soon, he said.

Vandals End Season With 4-4-1 Mark

The Battle of the Palouse lived up to its name Saturday as Idaho fought WSC on extremely even terms before losing 21-13.

Cougar quarterback Bob Newman a sharp-passing junior, was the difference as his brilliant play and a series of breaks combined to spell defeat for the Vandals.

Idaho was riddled by injuries throughout, losing such key men as Jerry Kramer, Bob Dehlinger, and Wayne Walker.

Vandals Larry Norby and Larry Aldrich did not play because of injuries and quarterback Howie Willis was severely handicapped by a sore hand.

Newman had a field day, passing for two touchdowns, intercepting two Vandal aeriels and booming out a key 66-yard punt.

The WSC win wrote fins to Idaho hopes for a winning season but it was not without a tremendous struggle.

The Cougars tallied first when Newman hit end Gail Cogdill on a pass which carried to the Idaho two, and Carl Ketchie plunged over.

Vandal Ken Hall had nearly stopped the drive by nailing Cogdill from behind after he caught the pass.

Idaho then got a drive of its own going as an unseasonal hail storm began pelting the field. Quarterback Gary Kenworthy took the Vandals 62 yards in -14 plays and scored himself on a yard plunge.

The crowd of 13,400 was treated to one of its many thrills of the day as Newman connected with end Jack Fanning on a spectacular pass play for the second Cougar touchdown.

Fanning got behind an Idaho defender, made a lunging, fingertip reception on the Vandal seven, and stumbled into the end zone.

Newman converted and the Cougars took a 14-7 lead at halftime. Idaho came back in the second half a pmt inspired and threatened to walk away with the game.

Kenworthy lofted a high, spinning pass to flankerback Bob Dehlinger seemingly all alone on the two yard line and he jumped into the end zone.

WSC end Don Ellingsen blocked Jerry Kramer's conversion, but Idaho was on the move again soon after.

A beautiful, leaping reception by Jim Norton, who took the ball away from Newman, set up the ball on the Cougar one. Three plays later
