THE IDAHO ARGONAUT, Official Publication of the ASUI

TUESDAY, MAY 6, 1958

New Pi Phi House

This is an architect's drawing of the \$135,000 Pi Beta Phi sorority house which will be built at Idaho and Deakin streets this week. Another sorority, Gamma Phi, has begun construction of a new house at Seventh and Elm streets. Both groups plan to be living in the new buildings by late September.

The GOLDEN FLEECE by Jason

The Student Union building expansion controversy slipped through the weekend and retained almost the same appearance it had last week.

The SUB Committee's vote total indicates that a vast majority of the students are in favor of the expansion.

Undoubtedly this small group of opponents of the expansion, who have loudly been expressing their dissatisfaction with the plans will take these figures lightly.

They do represent the result of a fairly conducted sampling of student opinion. The figures taken from these tours, which presently show over 90 per cent of the students in favor of the issue, are an indication that the students in general do want the union expansion.

Not Justly Treated
The opponents of the issue should not feel that they are being unjustly treated or that their view is not being considered.

First, if they live in a campus living group they have had their chance under the SUB Committee-Exec Board tours to voice their views on the points they disliked.

True, one or two of the groups were not informed that there would be a vote. The fault that they did not know lies in the fact that they were not informed because of failure of communications within their living group. A house president's meeting was held before the tours to notify each president to inform the members within his group that an information session would be held and that A VOTE WOULD BE TAKEN.

Off-Campus, Too
Second, each off-campus student will have the opportunity to voice his opinion for or against the situation before the week is over. The special session held yesterday and the one scheduled for Thursday should serve as an outlet for any student to voice approval of the plans or protest against them.

We have every confidence that the SUB Committee's report to President D. R. Theophilus will be a fair one indicating any valid protests that were received during the SUB tours.

Not Perfect
We do not believe the SUB expansion plans are completely perfect. There are certainly a few items that could be considered to be a little out of reason, and these are what some of the critics have dwelt upon.

Efforts to poke fun at the plans and ridicule them with foolish comparisons seem to be uncalled for.

There are points for criticism, but opponents certainly should be able to gain more ground in their efforts to defeat an expansion movement by seriously looking at the situation rather than poking fun at the carefully drawn out plans.

However, there is nothing that does not have a few flaws or drawbacks. Idaho students should take care not to let a project which will benefit their University be defeated by the influence of a few students who seem to be opposed to everything that confronts them.

Moscow Experiences First 'Operation Alert'

Somewhere near Spokane this morning a thermonuclear "explosion" was to shatter the calm of a summer-like Tuesday morning. Minutes later, "radioactive dust" was to be beginning drifting toward Moscow.

At least that's the way it was to be on paper as Moscow and the University experienced their first "Operation Alert" complete with sirens and emergency military personnel patrolling the area. The University last week announced it would cooperate in the nation-wide alert. Students were told to remain inside buildings when the city's fire siren signaled the test's beginning with a 60-second blast. They were told to proceed directly to their next class if the alarm sounded when classes were changing and to remain there until the all clear, two short blasts of the siren, was heard.

Under orders announced last week, specially designated members of ROTC units were to go directly to pre-assigned posts guarding public utilities in the area and to campus buildings.

In Moscow, all traffic was stopped for 30 minutes and shoppers were sent to shelter in department stores. Block wardens, reminiscent of World War II, patrolled one square block areas to enforce order and to assist citizens.

"Moscow's key role in the widespread defense alert is to gear rapidly to handle streams of refugees from Spokane and other coast cities "bombed" in an aggressor attack.

Latah County Civil Defense Director Leon Sodorff said Thursday that success of the test would "be up to the citizens of the various communities in the country."

Similar drills were also to be held in cities and smaller communities across the nation. The US Air Force, National Guard units and other military personnel were mobilized in some areas.

Hanson Will Tell Plans For Nuclear Bomb Test Halting

The need for stopping nuclear bomb tests will be explained at a meeting of the International Relations Club at 4:10 p.m. today in Conference room A of the SUB.

Bill Hanson will speak here on behalf of the American Friends Service Committee, a Quaker organization, during his tour through the Northwest in order to arouse public interest in this subject, according to Paul Baker, off campus.

About a month ago, the students of Cambridge and Oxford universities made a massive demonstration opposing the tests. Last week, just before Hanson spoke there, University of Washington students also staged a demonstration against tests, Baker said.

Hanson will outline plans for stopping the tests by the US and also plans for world-wide stoppage.

Helldivers Set Show Theme 'Wish I Was'

"I Wish I Was" is the theme for the Helldiver's synchronized swimming show set for Thursday, Friday and Saturday at the Memorial Gym pool.

One show will be given at 7:30 p.m. Thursday. On Friday and Saturday, shows will be presented at 7:30 and 9 p.m.

Practice For May Fete 9:30am Sat. SUB Addition Still Has Large Majority Support

A rehearsal for May Fete is scheduled for 9:30 a.m. at Memorial Gym Saturday, according to Karen Warner Godanlock, program chairman. The actual program will begin that afternoon.

Orchesis Plan Twelve-Dance Fete Program
Twelve dances will be interpreted at the annual Orchesis Spring Program Friday and Saturday in the Ad Auditorium at 8 p.m.

Fifty-three members of Orchesis, Pre-Orchesis, and advanced dance, directed by Miss Pat Rowe, Physical Education instructor, have selected music and choreographed their own dances which revolve around the themes, "Dreamers' Holiday" and "Trio of Color."

Orchesis dancers will commence the program with a dance displaying drudgery. The ten intermediate dances will consist of the various groups departing from their work to go on holidays.

For the finale, the Orchesis group will return to their drudgery but with renewed spirits, Joan Ferris, spokesman, said. Pre-Orchesis will present "Hoedown," in which a group of city girls will take the role of country girls temporarily; "Merry Go Round," where a little boy is awed at his first carnival; and "Crescent City," in which a group of women go to Spain for a vacation.

Advanced dance class will also present one act. Groups from Orchesis will go to the Mardi Gras, on a Safari, and from the country to the city. There will be a sailor dance by the men, a Do-Nothing dance to Hong Kong Blues, and an Adagio Dance by three couples.

Adult tickets may be purchased at the door for 50 cents or 35 cents with Student Activity Cards. Children under 12 will be admitted free.

Alpha Phi Wins SAE Olympics Again

Alpha Phi won first place in the Sig Alpha Olympics for the fourth consecutive year Saturday after three events had to be re-run to determine a winner. Theta was second.

The Alpha Phi team won first in the tug-of-war and four-legged race. They tied with the Theta team in the wheel barrow race.

A 16-inch gold cup was presented to the winning sorority.

The annual event, sponsored by Sigma Alpha Epsilon, was staged on the Ad lawn. About 200 persons watched the competition.

Idahoans Elected Officers At Region NSA Convention

Two Idaho students were selected as regional officials to serve this coming year at the annual spring NSA convention held last weekend on the Eastern Washington College of Education campus.

Weldon Tovey, Willis Sweet, was elected vice-president of the regional international affairs commission and Jim Kay, ATO, was selected as chairman of a regional international student relations seminar to be held on the Idaho campus next November.

Bil Stuart, retiring student body president at WSC, was elected president of the region.

The conference is sponsored by NSA with financing by a grant from the Ford Foundation and discusses international programs and campus programs dealing with exchange students.

The conference officially adopted a regional constitution outlining purposes, membership, and procedures of organization. Work has been done on the constitution during the past three years.

Resolutions Passed
Several resolutions were passed at the three day conference which was attended by 78 delegates representing eight member schools and two observing institutions.

The Student Government Information Service to supplement the National SIGS will be established with headquarters at the University of Washington. The service will be open to all students and organizations in the area.

Plans for expansion of Idaho's Student Union building continued to be a controversial issue today, but student opinion was still in favor of new facilities. He explained that this count does not include the vote yet to be taken among off-campus students and in a few living groups. In other action rumors indicated that a number of petitions are being circulated in independent living groups and among off-campus students to bring the issue to an all-campus vote.

Board of Selection, Control Interviews Set Tonight

Eleven students will be selected tonight for the Board of Selection and Control, the top ASUI student committee. Interviews will begin at 8 in the Exec Board room in the SUB.

Interviews for Frosh orientation committee members will be held Wednesday night in conference room A at 7 p.m. Eight sub-committee chairmen and memberships will be selected.

ASUI President Dick Kerbs, said the Board would be divided into two groups to select the Board of Selection and Control. Freshmen women may be interviewed at 9:30. The committee will be composed of four Greek and four Independent students plus two other members and a chairman selected without reference to living group.

Kerbs said five main questions would be asked each student in the interview. They are accumulative grade point; experience, ASUI background and interviewing experience; time available to do a good job on the committee; understanding of the duties of the Board of Selection and Control; and reasons for wanting to be on the Board.

Top Group
The top committee is responsible for selecting, operating and coordinating all ASUI committees under the department of student events and department of promotion and services.

Students interested in trying out for ASUI cheerleading squad are asked to sign up in the ASUI office by May 16 for the tryouts that will be held May 20.

Exec Board members will select a team of three male cheerleaders and a team of six to eight pom girls. Students will tryout individually and will be responsible for working up their own routine. Students will also be able to tryout in teams after the individual appearances.

ASUI Exec Board in a special meeting Thursday night allocated \$10 to pay the delegates' registration and lodging expenses at the conference.

Kerbs said the delegation was going to observe the operation, function, and meaning of the organization to gather information to determine whether or not Idaho should send delegates in the future.

The last year a student body president from Idaho attended was in the spring of 1954.

Living Groups To Hear Band

Recordings by the 25th Army Dance Band, will play for the Military Ball May 16, will be heard in the various living groups and over radio station KRPL this week, Mike Floan, president of Scabbard and Blade, has announced.

A cadet will call each living group and arrange to play 20 minutes of music between 7 and 9 p.m. Wednesday through Friday to promote the dances. The radio broadcast is 6:15 p.m. Tuesday.

The Military Ball is sponsored by all ROTC units and climaxes two weeks of early morning drill in preparation for the final spring review May 16.

Tickets are on sale at the ASUI office, Murphy's Men's Store and ROTC student offices for \$1 per couple.

Sixteen Vocal Groups Enter Songfest Sun.

Men of McConnell Hall will make their debut as singers in the Song Fest Sunday at 3 p.m. in Memorial Gym. They are one of 16 groups taking part.

Each group will sing its own selection and the combined groups will sing "Here We Have Idaho," "Our Idaho" and "Silver and Gold." A permanent trophy and a traveling trophy will be awarded to the winning living groups, according to Mickey Hammer, Pi Phi, co-chairman.

Kappa Sig, Sigma Chi, Lindley Hall, Beta and McConnell Hall will compete in the men's division. Women's houses taking part are Alpha Pi, Alpha Chi, Kappa, French Hall and Forney Hall.

Men's and women's houses singing together are Gamma Phi and SAE, Tri-Delt and Teke, Theta and Deltas, Pi Phi and Sigma Nu, Hays and Willis Sweet, and Delta Gamma and Phi Delt.

Judging the singers are Rex Eikum, Clarkston Junior High choir director; Mrs. Margaret Davis, WSC; Cal Lyons, Moscow; Mrs. William Billingsley and Mrs. Harry Morrison, wives of Idaho music instructors.

Miss Hammer said all groups must be at the Memorial Gym at 8:30 a.m. Saturday to practice mass chorus selections. Groups not there will be disqualified, she said. Singing groups must submit three marked copies of their song to her for the judges.

Kerbs, Maxey To Participate In PSPA Meet

Dick Kerbs and Dave Maxey will leave Wednesday morning to attend and observe operations of the Pacific Students Presidents Association on the University of Oregon campus in Eugene.

The PSPA is an association of presidents and vice-presidents from 112 colleges in the 7 western states. They meet once each year to discuss problems of student government, students roles in college, government financing, and student body president's responsibilities.

The new and retiring ASUI presidents may be accompanied by Neal Newhouse, ASUI veep, if confirmation is received that more than the two official delegates can attend.

Main purposes of PSPA are to help campus leaders determine their duties and responsibilities in student government and to develop leadership in student government personnel which will help them fulfill position in communities after college.

The ASUI Exec Board in a special meeting Thursday night allocated \$10 to pay the delegates' registration and lodging expenses at the conference.

Kerbs said the delegation was going to observe the operation, function, and meaning of the organization to gather information to determine whether or not Idaho should send delegates in the future.

The last year a student body president from Idaho attended was in the spring of 1954.

Swisher, Yost Advise Profs

Idaho faculty members will hear what the people of Idaho expect from them at an open meeting of the American Association of University Professors at 8 p.m. Wednesday in the Faculty Club.

Perry Swisher, legislator and publisher of the Pocatello Inter-mountain, and Max Yost, secretary of the Associated Idaho Tax-payers, will give brief talks on "What the People of the State Want in Education."

The meeting will then be open to discussion, said Dr. Granville Price, professor of journalism and chairman of the public relations committee of the AAUP.

Other members of the faculty committee making arrangements are Agnes Shultz, music; Roland Bevan, agricultural economics; Robert A. Davies, English; Mark Gurevitch, physics; Dwight Hoffman, civil engineering; and Siegfried Rolland, social science.

Advanced Degree Award Plan Announced By Cady

Graduate School Dean L. C. Cady Thursday outlined a general plan for awarding Ph.D. and Ed.D. degrees under a doctoral program authorized last week by the Board of Regents.

Cady said in a memorandum to faculty members that the Graduate Council has started to prepare a set of requirements that, when they are agreed upon, will be submitted to the Academic Council, faculty and Regents for approval. He said the "skeleton" of general requirements for doctoral degrees would include residence, admission, foreign language requirements, transfer of credit and time requirements.

"When a department decides that it is ready and prepared to offer a doctor's degree," said Cady, "it submits the necessary information to its College, and then to the Graduate Council for recommendation to the Academic Council, faculty and Regents."

Cady urged departments to "evaluate critically their present courses, resources and graduate programs" and to make long-range plans to "bring them up to the standard required to offer work at the doctoral level." He pointed out that two years are required to obtain a doctorate after a graduate student is awarded a master's degree.

"It will be the policy of the Graduate School not to encourage a student to embark on such a program until we can be certain that his time will be well-spent and that he will receive a degree of which he can be proud," said Cady.

Cadet officers representing the three ROTC units at Idaho gave special invitations to attend the Military Ball May 16 to Gov. Robert E. Smylie and President D. R. Theophilus during the Governor's recent visit here. Cadets are Knute Westergren, Air Force, Bruce Hronek, Army, and Tom Nagel, Navy.

Campus Capers

Beautiful Coeds 'All Wet' Oregon SAE's Soak Queens

By JIM FLANIGAN
Coeds on the University of Oregon campus are provoked because of a recent Sigma Alpha Epsilon fraternity hoax.

side to take a picture," one woman said afterwards. Almost every women's living porch sent a candidate over to the SAE house to represent them.

than they expected. A group of SAE's, leaning out of the sleeping porch windows, began dousing them with buckets of water.

'Go To A Smaller College,' Students Would Advise

If an American college student could give advice to his younger brother about attending college, he would probably tell his brother to go to a smaller school.

The question, asked of a representative group of American college and university students, discovered this trend in student thinking.

Malik Speaks At Alpha Zeta

Emphasis of education values in U.S. and European schools were compared by Dr. Anand Malik, Idaho visiting lecturer in education, at the Idaho-WSC Alpha Zeta initiation banquet Friday.

American students have opportunity and wealth but a wrong sense of value, he said. Institutions of higher learning in the U.S. underpay their instructors and thereby lose people really capable of teaching.

There seems to be no definite trend in thinking on this topic among people in various college classes. Even though coeds in general are more strongly inclined toward a large university education for their younger brothers, still, in the case of freshmen and juniors, there were proportionately more coeds than men in favor of smaller college education.

Ernie Carr Named Vandaleer Prexy

Ernie Carr, SAE, was named Vandaleer president for next year by fellow members of the Idaho singing group during elections Sunday.

Other officers elected were Neale Ward, Delta Gamma, secretary-treasurer; Margaret Taiko, Gamma Phi, librarian; Sunny Kinney, Gamma Phi and Neil Sampson, Wilis Sweet, re-elected wardrobe chairman.

Rehearsals begin tomorrow to prepare for the group's Commencement appearance. The ranks will be boosted from 44 to 60 voices for the program.

Director Glen Lockery urged any interested person who wants to join the Vandaleers to contact him. "Little boy, I wouldn't kick your sister around the street like that. That's all right lady, she's dead."

Dear Jason: I'm happy to learn that I, as a student of the University of Idaho, will be part owner of a skating rink. Being in this enviable position, I find myself dreaming of the bright future of such an institution, so pardon me while I gaze into the future.

Without intense study and practice it will be impossible to place six high speed demons on the small rink without being able to figure the number of collisions per second by Boltzmann's statistics; therefore I prophesy that the ASUI will organize the first precision collegiate skating team.

Kids TV A science education department head at San Jose State College is the author of a television series program for children. Her objective is to broaden the child's interest in this more scientific world.

He Laughed Sandy Faus, news editor of the Minnesota Daily, has had a typical journalistic experience. She went out to take a picture for an item she was writing and it was out of focus.

The picture was of a faculty member and Sandy had to have it. So, she trotted back to the prof's office for another try. Again, the picture failed to develop properly.

Kissing Fine A group of four clowns, helping celebrate a Campus Carnival at the University of Minnesota, found a coed guilty of loitering on a bridge. They imposed a fine of 10 kisses for each of them.

After the coed paid the fine, she said, there were "more than plenty" of kisses. Then, half-smiling and slightly embarrassed, she rushed off.

AP Seattle Chief To Address SDX Meeting Thursday

Murlin Spencer, Associated Press bureau chief at Seattle, will speak to Sigma Delta Chi, professional journalism fraternity, here Thursday.

He will discuss press association procedure. The meeting is at 2 p.m. in the Frontier Room of the SUB.

The managing editor of the Beltingham (Wash.) Herald, Ben Sefrit, will accompany Spencer. University journalism and radio-television classes have been invited to hear Spencer's talk.

Jim Golden's Campeyeing Astronomers Turn Telescope On More 'Heavenly' Subjects

It was a wise man who observed sagely one day that "Everything has more than one use. All you have to do is figure out what the other uses are."

With spring apparently here to stay, one astronomy-minded group of students (males) have tired of looking at the heavens each evening and have instead taken to watching more challenging subjects.

Their 7 1/2-inch telescope is now trained on a couple of nearby sorority houses. The lens is reported to magnify 144 times, which means whatever they're looking at appears about six inches away from a window vantage point.

So far nobody has indicated how the investigations are going except to say that they're "interesting." The telescope, however, is now getting triple the use it did when it was pointed skyward.

Cattle Feeding? One bright morning last week there appeared on the Kappa front steps another in the endless series of signs that have decorated that sorority all year.

This one was a little more original. Proclaimed the five foot by four foot message: "Cattle Feeding Farm." As of Wednesday, the sign is still there, but is now facing the other way.

Discipline No matter how hard ROTC cadet officers try to whip their three-day-a-week army into shape, it seems something always seems to go wrong when the pressure is on. This, admittedly, was an important occasion.

Then looking through the ranks they saw a sight that would make any veteran cringe. One cadet was standing with his hands in his pockets glaring back at them.

Christian Marriage To Be Johns' Topic

Harry D. Johns, First Presbyterian Church minister, will speak on "The Tie That Binds" at a meeting scheduled for 7:30 p.m. today at the Campus Christian Center.

The minister will discuss the role of religion in a Christian home. He will also discuss "marrying outside your religion."

THURSDAY Recital By Carol Brunzell Carol Brunzell, Hays Hall, will be presented in a senior recital at 8 p.m. Thursday in the Music Building.

Miss Brunzell, a soprano, will be assisted by Judith Casebolt Howells, pianist, Pullman, Wash. Accompanist will be Shirley Poff, Ethel Steel.

Miss Brunzell has taken part in various vocal and choral activities on the campus and was a member of the festival chorus in the 1957 summer school. She will be graduated in music in June.

HUFF TEACHERS AGENCY MISSOULA, MONT. Member N.A.T.A. Opportunities Unlimited Certification Booklet with FREE LIFE MEMBERSHIP 41 Yrs. Placement Service

Contest Slated By Aggies Saturday

An overall crops contest for the Little International show will be held at 10 a.m. Saturday, in the Agronomy Building.

Winners in the three contests held last weekend were Jack DeWitt, off-campus, and Doug Klein, Gault; in the entomology contest, Horticulture winners were DeWitt, and Cletus Von Tersch, off-campus. In the dairy judging contest Dale Pline, Chrisman; Stanley Moore, Gault; Donald Beal, Willis Sweet; Deloy Hendricks and Ted Gillett, LDS, were the winners.

Ag. E. Scholarship Deadline May 20

Only one student has applied for the five \$125 scholarships in agricultural engineering, J. W. Martin, head of the Department of Agricultural Engineering, announced Monday.

Either the students are too busy to file or don't need the money, Martin said.

Application forms may be picked up in room B26 of the Engineering Building. Deadline for making scholarship applications is May 20.

DAVIS STUDENT CITIZEN Lon Davis, off-campus, a second-year law student, was named Campus Citizen of the Week by the Spokesman-Review Sunday. He is a member of the SUB committee and former Exec Board member.

CLASSIFIEDS FOR RESULTS!

Picnics, Spring Formals Blossom On Social Scene

"Spring fever" hit the campus and brought with it a flurry of picnics and outdoor parties and dances . . . Hays aspired to new heights with "Penthouse Serenade" . . . Kappas and Fijis held early morning, outdoor breakfast . . . Sigma Chi's win Province Songfest trophy.

WILLIS SWEET

Thanks to the Kappas for the freshman exchange Wednesday evening.

Many of the seniors have been treated to refreshing swims in Paradise Creek, compliments of the freshmen. It is expected that the complicity will be returned shortly by the seniors, who are planning to give the freshmen some muscle-building exercises in the form of walks.

KAPPA KAPPA GAMMA

Our Campus Chest debt of a pancake breakfast and a dance was paid to surprised Fijis Saturday morning at 6:30 when they awakened to the strains of jazz records, vacuum cleaners and anything else that made noise electrically, thanks to the expert wiring of Jim Brannon. After an outdoor breakfast, dancing, baseball, and many other games highlighted the morning activities.

Thanks to Willis Sweet for the exchange with the freshmen Wednesday night.

The annual "Sweetheart Banquet" was held Thursday for those who are pinned, going steady, or engaged to Kappas.

Sunday dinner guests were Dick Kerbs of FarmHouse, Lou Ann Holmer of Idaho Falls, and Camille Lopez, Delta Gamma.

SIGMA CHI

Two of the original "Singing Sigs" visited us over the weekend. They are Bruce Sweeney and Jerry Leigh.

Dinner guests Sunday were Joanne Richards, off-campus, and Charlene Wells and Lynn Evans, Thetas.

Latest to fall before the cruel Sig stocks was Dusty Adams. He was rescued by Pat Garrison, Gamma Phi.

Also abducted recently by our pledges were Tom Nelson and John Roshilt, Deltas. Our pledge class got together with the Delt pledges and stole each other's president and house manager.

We won the Sigma Chi Province Songfest trophy and also placed in the semifinals on the campus.

GAMMA PHI BETA

The initiates thank the house and especially to the sophomores for the memorable formal initiation dance.

The Gamma Phis thank the SAEs for their contribution to our future frog farm.

Dinner guests last Saturday were Darlene Smith, Vicki Warner, Linda Bruce, Jonelle Diven, and Joann Snyder, all from Boise.

Thanks to the SAEs for the enjoyable all-house exchange Wednesday.

The Gamma Phis wish to thank the Metherly brothers who were guests at dinner Thursday.

Thanks to the house officers

for their cooperation in making the annual Senior Banquet, last Sunday, a success. Special guests were Mrs. Sharron St. Marie, Mrs. Mary Ellen Olney, Mrs. Barb Morse, and Paul Bovey.

SIGMA NU

Sigma Nu's service project of painting the bleachers in the city recreation park started Sunday afternoon.

Seniors were surprised Saturday by the pledges' annual senior tubbing. All seniors were tubbed except Jerry Smythe, who hid in the coal room.

Seniors tubbed were Bill Winters, Tom Requist, Skip Nelson, Jerry O'Connell, Russ Whitney, Jerry Kramer, Howie Willis, Larry Norby, Kent Church, Frank Nosek, Roger Williams and Rusty Carbon.

HAYS HALL

"Penthouse Serenade" highlighted the spring social at Hays Saturday night. The decorations swept the annual spring formal atop a penthouse in New York City under a tinselled starry sky. Music was by the Kappa Sigs.

Chaperones were Dr. and Mrs. James Black and Dr. and Mrs. J. L. Botsford.

Weekend guests were Maxine Hily and Pat Herr, former Hays residents; Judy Beppler, Pullman; Ciri Hansen, Spokane, and Sherry Warren, Eastern Oregon College. Dinner guest was Dean Melquist, Lindley.

ALPHA TAU OMEGA

Our new house officers are Jim Kay, master; Eric Carlson, chaplain; Lynn Kerby, keeper of annals; John Landreth, scribe; Ken Randall, usher; and Gary Kendall, sentinel.

Wednesday dinner guests were Mrs. Imogene Walcott, Mr. and Mrs. Warren Hawley and Mr. and Mrs. Ray Fife.

LAMBDA CHI ALPHA

We are happy to announce the pinning of one of our seniors, Ronald Osborn of Wyckoff, N.J., to Nancy Beardmore, Pi Phi.

Our annual all-house picnic was a "dripping" success as all those who attended went into the drink.

The big news of the year is the purchase of the Pi Phi house, which we will occupy next fall. We are looking forward to an exchange with the Pi Phis to commemorate the occasion.

Thanks to the Pi Phis for their serenade last Thursday, and to the Alpha Phis for their "encouragement" Saturday evening.

DELTA DELTA DELTA

Congratulations to Claudia Parsell and Neil Keddington, who were married Sunday at Moses Lake.

Thanks to our alumni for the cake feed Wednesday night.

Thanks to McConnell Hall for the picnic exchange and baseball game last weekend.

DELTA CHI

Sixty couples danced to the music of the Continentals at our Spring Formal here Saturday. Chaperones were Dr. and Mrs. Walter Steffens and Dr. and Mrs. David Kendrick.

Sunday dinner guests were Jim Right, Mrs. Hugg and Miss Evon Bently, all of Grangeville.

THETA CHI

Ross Cotroneo, recently selected chapter president, will succeed Jay Eacher. A slate of 10 other officers was named.

Initiation and installation ceremonies are set for May 24.

In a baseball game with the WSC chapter at Pullman last weekend, we were victorious 14-3.

A date picnic to usher in spring is scheduled for Saturday afternoon.

ETHEL STEEL HOUSE

Thanks to everyone in the house who participated in the Sig Alpha Olympics and especially to Betty Wiswall and Lois Proctor for their egg throwing skill.

Recent dinner guests were Mrs. Ken Garrett, Moscow; Carol Brunzell, Hays, and Lowell Martin and Jim Rathbun, Willis Sweet.

Visitors Sunday were Mr. and Mrs. Nau and family, Nez Perce.

GAULT HALL

Jerry Dixon and Keith Green returned from a field trip this weekend.

Thanks to Upham for the invitation to their annual dance.

FRENCH HOUSE

Our dinner-dance drew a good crowd Friday night. The couples danced to the music of the Continentals in a Cinderella theme.

We enjoyed having Lindley Hall over Wednesday in payment for our voting challenge.

Weekend guests were Barbara Martin from Boise and Dolores York from Whitworth College.

Fulbrights Given Two Idaho Women

Fulbright scholarships for advanced study in France have been awarded to Betty Bovey, Gamma Phi, and LaRene Newberry, Forney.

They will study languages and literature at universities in France. The scholarships are two of 900 grants for graduate study abroad being awarded under the International Education Exchange Program of the Department of State.

Miss Bovey will enroll at the University of Aix-Marseille and Miss Newberry will go to the University of Claremont-Ferrand. They will begin orientation classes in September and begin classes at the universities in November.

Student: If it's heads, we go back to bed. If it's tails we stay up, and if it stands on edge, we study.

Delta Sigs Choose June Powels 'Dream Girl' At Carnation Ball

June Powels, Kappa, reigned as the "1958" Delta Sigma Phi Dream Girl" at the annual "Carnation Ball," Saturday.

The bright-eyed coed was chosen by members of Delta Sigma Phi from five finalists selected earlier last week.

Serving as her court were finalists Diane Cook, Delta Gamma; Maurine Luedke, Alpha Phi; Ludine Phillippi, Alpha Chi, and Carolyn Blackburn, Gamma Phi. Miss Powels hails from Portland, Ore. She is a freshman majoring in journalism.

Last year's "Dream Girl", Paris Johnson, crowned the new queen during intermission at the "Carnation Ball." The coed also received a perennial trophy and a traveling trophy for her living group.

The selection broke a chain of three consecutive wins by Delta Gamma.

A picture of Miss Powels will be entered in the National "Delta Sigma Phi Dream Girl Contest" this fall.

Church

CANTERBURY

Canterbury students will go to Menucha this Friday for a three-day Northwest Regional Canterbury Conference.

Chapter President William Cady and Adviser Imogen Walcott will head a delegation of nine. The others include Robin and Marg Merrill, Paul Tracy, Mary Hodgins, Pat Day, Marian Dunning and Robert Stevenson.

The Inquirer's class will meet at 7 p.m. Tuesday at Canterbury House.

A celebration of Holy Communion will be held at the Chapel at 7 a.m. Wednesday.

LDS

"Profile of a Prophet" is the title of tonight's lesson which will be presented by Jim Christensen at the MIA meeting.

NEWMAN CLUB

Newman Club social hour and business meeting will be held at 8 p.m. tomorrow night at the Newman Center.

Refreshments will be served.

INTER-CHURCH COUNCIL

Election of R.E. Week chairman and vice-chairman is planned for the Inter-Church Council meeting at 7:30 p.m. Wednesday in the lounge of the Campus Christian Center.

Campus Cleanup

Bob Vallat, chairman of the Blue Key-sponsored Campus Cleanup Saturday morning, termed the annual event a success and gave his thanks to all who participated.

The cleanup drive resulted in the hauling away of three and a half truckloads of debris from the campus area.

Army Cadets to Get Awards At Annual Spring Review

Outstanding AROTC cadets will receive awards at the final spring review, Lt. Eugene Nabell, public information officer, announced today.

Awards are based on ROTC leadership and scholarship. Students receiving the honors follow:

Cadet George Anderson, Fiji; the American Legion, Dudley Loomis Post, award for achievement at summer camp.

Cadets Larry McDonald and Mike Floan, off-campus; Gary Custer, Chrisman; and Richard Fong, Upham; superior cadet ribbon award for military leadership.

Cadet Rodney Brink, Delta Chi; Armed Forces Communication and Electronics Association, honor award for moral character and leadership.

Cadet Kent Harrison, Phi Delt; the PMST gold medal award for outstanding member of Pershing Rifles.

Cadet William Stairs, off-campus; Drill Team gold medal award for drill team member contributing most to the organization.

Cadet Mike Floan, off-campus; marksmanship award for outstanding member of rifle team.

Cadets Gary Custer, Chrisman, and Walter Garman, Willis Sweet; Idaho National Guard gold medal award for scholarship and military proficiency.

Cadets Warren Hawley, ATO; William McDonald, off-campus; Lawrence Thielke, Beta, and Harry Stuna, Sigma Nu; University of Idaho gold medal as the outstanding senior, junior, sophomore, and freshman cadets, respectively.

Cadet Virgil Young, Gault; US Army Association ROTC gold medal for military leadership and achievement.

Cadet Robert Prestel, TKE; Veterans of Foreign Wars, Hawley; Jamison Post, cash award for leadership and loyalty.

Miss Collette Lists One-Act Drama Casts

Casts for two different sets of one-act plays, to be presented by Idaho's advanced play production class this month, were released by Jean Collette, drama chairman, yesterday.

The productions will be presented May 15-16 and May 22-23 on the U-Hut stage.

Del Bowman will play Vladimir and Lynn Snider portrays Estragon in "Waiting For Godot." Cast for "The Little Hut" includes Ed Vandevort as Philip; Janet Salyer, Susan; and Bert Allen, Henry.

Taking roles in "The Mad Woman of Chaillot" are Marilyn Pritchett, Constance; Judy Brackeen, Countess; Jan Hoover, Josephine; Barbara Davis, Gabrielle; and Lynette Squires as a maid.

"Doctor In Spite of Himself" roles include Warren Wienel, Sganerelle; Carol Temple, Martine; Mike Lewis, Valere; Merlin Hill, Lucas; and John Soderblom, M. Robert.

Keith Walker plays Father Bertrand in "Light of Saint Agnes." Other characters are Miss Squires as 'Toinette and Ken Bartlett, who plays Michel Kerouac.

Doing a scene from "The Glass Menagerie" are Sandy Wanamaker as Amanda; Linda Brown, Laura; and Austin Bergin, Tom.

The cast for "Sweet (?) Sixteen" includes Ken Worthington, Jim; Dewey Ipson, Dad; Alice Billman, Maybel; Jyl Rupe, Candy; Lorna Woefel, Terry; and Jo Ann Fingerson, Sandra.

Forney Wins Swim; Tri Delt Second

Forney Hall's swimming team was named the champion group entered in Women's Recreation Association competition Thursday, according to Jo Petrashek, Theta, intramural swimming manager.

Ten women's living groups participated. Forney chalked up 51 points, Tri Delt 48, Alpha Phi 30 and Theta 18.

Student Poetess To Have Work Published

A student poet with two recent acceptances to mark her success is Toni Botsford, sophomore liberal arts major at the University.

Miss Botsford, who is the daughter of Professor and Mrs. J. Lawrence Botsford, will have her poem "Dream Weaver," published in the Contemporary American Poetry Anthology, and another, "The Actor," in Prosodia magazine. She is not certain, however, whether she wants to be a writer or a costume designer.

She did the costumes for the recent production of "The Crucible."

There's an important future ahead for the men who wear these wings

The Air Force pilot or navigator is a man of many talents. He is, first of all, a master of the air—and no finer exists. In addition, he has a firm background in engineering, electronics, astro-navigation and allied fields. Then, too, he must show outstanding qualities of initiative, leadership and self-reliance. He is, in short, a man eminently prepared for an important career in the new Age of Space.

As a college graduate, you will be given priority consideration for the Air Force Aviation Cadet Program. While openings are limited, you will be tested and advised immediately of qualification status. Find out if you measure up. Paste the attached coupon on a post card and mail it now.

U. S. AIR FORCE AVIATION CADET PROGRAM

MAIL THIS COUPON TODAY
Aviation Cadet Information, Dept. C-3
Box 7608, Washington 4, D. C.

Please send me details on my opportunities as an Aviation Cadet in the U. S. Air Force. I am a U. S. citizen, between the ages of 19 and 26½ and a resident of the U. S. or possessions. I am interested in Pilot Navigator training.

JOHNSON COOLS COUGARS; IDAHO WINS 2ND

Westergren Crashes Pair Of Triples, Paces Attack

Pitcher Val Johnson closed the door on a ninth inning WSC rally yesterday, hurling the Vandals to their second ND win of the season, 5-3 over the Cougars at Pullman.

CBJC Grabs Doubleheader From Frosh

A powerful Columbia Basin Junior College team proved to be too much for Idaho's frosh baseball nine Saturday, shutting out the young Vandals, 5-0, in the first game of a double header, then outscoring the yearlings to grab a 15-8 second game ruffest.

Righthander Doug Higgins went all the way for the yearlings in the first game, giving up nine hits including a homerun. Meanwhile, Idaho hitters connected for five hits but failed to put together a scoring rally.

"We should have scored several times," Frosh coach Archie Lowry stated, "but we just couldn't get hits when we needed them."

Ken Maren, 6-7 frosh basketball star, out-chucked Columbia Basin's hurler in the second game for five innings, but was wild, and gave way to reliever John Beckwith in the top of the 6th.

Beckwith was touched for three hits, including a two-run homer, before Don Fisher, a 5-8 southpaw, relieved him and finished the game.

The three junior Vandal pitchers gave up a total of seven hits and 15 walks, while their teammates pounded the visiting Junior College hurler for eight hits.

Ron Zwittler and Roy Schmidt spearheaded the second game attack for the frosh, with Zwittler getting three hits and Schmidt two.

The frosh travel to Lewiston to meet the LCNS Warriors on their home field Thursday. The frosh have notched three wins over LCNS.

Beckwith is scheduled to start for the frosh in the single-game meeting.

Tennis Team Drops Pair Over Weekend To Ducks, Beavers

Idaho's tennis men could win only one of 14 singles and doubles matches last weekend, bowing to both Oregon and Oregon State on a road trip.

The Vandal netmen lost 6-1 to Oregon at Eugene Friday and were shut out, 7-0, by the OSC Beavers at Corvallis Saturday.

Idaho doubles aces Bob Eyer and Cal Lui were the only Idaho team to win. They combined to defeat Wayne Henninger and Phil Lowthian, 2-6, 6-4, 6-3, in the Oregon match.

Eyer, Idaho's top man, couldn't get started in the singles, however, losing to Henninger, 6-3, 6-2, and to Capt. Jimmie Jackson of OSC, 6-1, 6-1.

Coach Frank Young's Vandals will face Whitman at Walla Walla tomorrow and travel to Pullman to meet Washington State Friday.

Golfmen Drop ND Matches On Road Trip

Oregon and Oregon State notched victories over the Idaho Vandal golf team last weekend.

Oregon rolled to a 16½-10½ win Friday at Eugene and Oregon State edged Idaho, 14-13, the following day at Corvallis.

In the Friday match the Ducks, who are defending Northern Division Golf champions, moved ahead 8-1 in best ball play in the morning, but had to pour on the steam in the afternoon when Idaho's Dick Sheppard led a Vandal rally with a four under par 68 to cop medalist honors.

"We got too far down in best ball play," Golf coach Dick Snyder noted, "and while we did win individual honors, we couldn't cut the margin enough."

Underdog Oregon State sprung back in the afternoon to reverse the previous day's pattern, and defeat Idaho in individual play after the Vandal linksmen had gained a 6-3 best ball lead in the morning.

"The team was pretty tired by the time we got to Corvallis," Snyder noted while discussing the Saturday game.

Dick Sheppard did repeat his previous day's performance when he drove to another 4 under par 68 in competition against the Beavers.

The Vandals will try to get back on the win trail again Thursday, when they host the University of Gonzaga divotmen here. WSC is slated to meet Idaho in a conference match Saturday to complete this week's golf action.

SUB Bowling Team Rolls Best Games Ever; Tops EWCE

Idaho's SUB bowling team rolled the highest game and three game totals in the squad's history Sunday in a win over Eastern Washington bowlers.

Idaho toppled 3,651 pins to 3,553 for the EWCE squad.

The Idaho totals of 995 (game) and 2850 (series) were the highest ever recorded by the squad, team member Earl Hall said yesterday.

Rene High Dick Rene was the high individual man for Idaho, rolling a 254 game and an 809 four-game total. Other squad members included Thad Scholes, Dwane Hodgson, Jerry Johnson, and Hall.

The SUB bowlers will close their 1957-58 schedule May 18 against EWCE at Cheney. It will be the last match for Scholes and Hodgson, both seniors.

Up And Over

Charlie Kahl clears the bar at 12' 8" in Saturday's track meet with OSC at Eugene. Kahl tied OSC trackman for a win in the pole vault as the Beavers downed the Vandals, 81-50.

Backfield Steals The Show In 2nd Spring Scrimmage

Four men who may form the starting Idaho football backfield this fall led the "Red" team to a 27-0 win over the "White" team in the Vandals' second spring practice scrimmage, Saturday.

Quarterback Gary Farnworth, halfbacks Theron Nelson and Paul Wagar, and fullback Dick Pickett were outstanding.

The first score came after Farnworth had run for two first downs, starting from his own 27.

After the Reds were forced to punt, tackle Jim Prestel picked off a White aerial. Nelson and Wagar punched to the White nine on two plays and Farnworth hit Prestel on a tackle eligible pass play for the touchdown.

Wagar later took a White punt on his own 25 and raced all the way to score behind good blocking. Nelson grabbed another White punt and reversed his field to go 70 yards for another score.

Bill Scholes, end up from the Vandal Frosh squad, kicked three of four extra point tries.

Wouldn't Crack The White squad could not crack a solid Red defense and twice gave up the ball on downs inside the Red's 25-yard line.

Idaho coach Skip Stahley was not happy about the scrimmage, despite the fine work by the Red backs.

"We've got a lot to learn," he said after the game. "The play was very ragged in spots. We'll need several more scrimmages in the next few days to wear off the rough edges."

CLASSIFIEDS FOR RESULTS!

OSC Leaves ND Track Cellar With 81-50 Win Over Vandals

Idaho distance runners had a field day but Oregon State bounced out of the conference track cellar with a 81-50 win over Idaho at Corvallis, Saturday.

Thompson, ATO's Take IM Honors In Golf Tourney

Gary Thompson, Lindley Hall, and Alpha Tau Omega took the top honors in the 1958 intramural golf tournament Saturday.

Thompson shot a 77 over the 18-hole course to win the individual medalist title. The ATO team, composed of Bob Drummond, Kayo Craven, Gary Kendall, and Ken Marboe, took the team half of the golf honors with a low combined score of 353.

Intramural director Clem Parberry called the meet a "success" but gusty winds hampered the golfers throughout the day.

Thompson's 77 was three strokes more than the winning 74 turned in by Buddy Myhre, Town Men's Association, who was medalist last year. Jim Kraus, Sigma Chi, shot a 78 for a second spot in this year's event.

Town Men's Association was second in the tourney, followed by Lindley Hall.

With the third place finish, Lindley Hall moved into first place in intramural points.

Willis Sweet, which had held the lead, had only three finishers, while each of the top contenders had four.

Total point tabulations were not available, but Parberry said they would be released soon.

Parberry announced that intramural managers will meet this evening at 7:15 in room 109 of Memorial Gymnasium to discuss plans for the intramural track meet, slated May 17.

Parberry also said that softball Field 1, across from Neale Stadium, has been moved to the field near French House to avoid conflict with spring football.

Outstanding softball pitching performances were turned in Friday by Glenn Potter, Delt, and Bob Tresnit, Fiji. Both hurlers

received plenty of hitting support, however.

The Deltas bombed Phi Delta Theta, 21-1, while the Fijis were crushing Sigma Alpha Epsilon, 13-1.

Wyatt and Adams' combined mile time of 4:16.9 cut 2.1 seconds off the meet record set by Idaho's Ray Hatton in 1957.

Cordy Edges Boyce Cliff Cordy, crack half mile ace for OSC, nudged Idaho's Dick Boyce at the tape to snatch 880-yard honors from Boyce in a 1:55.6 clocking for the distance.

The time cut .9 a second off the meet record mark.

Oregon State-Idaho meet results: Shot put: 1. Duane Marshall, OSC, 46 feet, 6 1/2 inches; 2. Jack Hogan, Idaho, 46 feet, 1 1/2 inches; 3. John O'Connor, OSC, 44 feet, 1/2 inch. Mile: 1. (tie) Frank Wyatt and Ron Adams, both Idaho; 3. Don Ferguson, OSC, 4:16.9. (New meet record, Old mark: 4:19.0. Ray Hatton, Idaho, 1957.) 440: 1. Dave Durham, Idaho; 2. Malcolm McBride, OSC; 3. John Murray, OSC, :50.2.

100: 1. Stu Baker, 2. Ned Kiser, OSC; 3. Dave Campbell, Idaho, 4:10.4. High jump: 1. Larry Ferguson, Idaho, 5 feet, 1 1/4 inches; 2. (tie) Bob Barr, Fred Steinhauer, Ron Miller, all OSC, 5 feet, 10 inches. 800: 1. Cliff Cody, OSC; 2. Dick Boyce, Idaho; 3. Doug Seely, Idaho, 1:56.5. (New meet record, Old record: 1:56.5. Warren Johnson, Idaho, 1956.) Broad jump: 1. Ron Miller, OSC, 22 feet, 1 1/2 inches; 2. Dave Blake, OSC, 21 feet, 4 1/2 inches; 3. Bob Barr, OSC, 20 feet, 5 inches.

High hurdles: 1. Dick Lee, OSC; 2. Bill Overholser, Idaho; 3. Walt Skowhede, OSC, :14.8. (Ties meet record, Bill Squance, Idaho, 1954.) Discus: 1. Tom Blackstone, OSC, 132 feet, 5 inches; 2. Dick Hansen, OSC, 129 feet, 3 1/2 inches; 3. O'Connor, OSC, 129 feet, 10 1/2 inches.

220: 1. Baker, OSC; 2. Durham, Idaho; 3. Kiser, OSC, :22.1. Javelin: 1. Bob Darling, OSC, 190 feet 2 1/2 inches; 2. Bob Eyer, Idaho, 173 feet, 10 inches; 3. Les Hiatt, OSC, 171 feet, 10 1/2 inches. Two-mile: 1. (tie) Adams, Idaho, and Wyatt, Idaho; 3. Pete Reed, OSC, 9:40.0. Pole vault: 1. (tie) Ben Foley, OSC, and Charlie Kahl, Idaho, 12 feet, 7 1/2 inches; 3. Larry Bardsley, Idaho, 12 feet. Low hurdles: 1. Lee, OSC; 2. Skowhede, OSC; 3. Overholser, Idaho, :25.8. Mile relay: OSC (Murray, McBride, Baker, Cordy), 3:25.3.

Sticklers!

WHAT HAPPENS WHEN A BANK OFFICIAL IS DEPRIVED OF HIS LUCKIES? (SEE PARAGRAPH AT RIGHT)

BANK ROBBERS often try to get rich through no vault of their own. So often, in fact, that bank officials rarely get rattled by ordinary hold-ups. But sometimes the gangsters go too far. Sometimes (Curses!) they lift the officials' Luckies! That dastardly act is bound to cause real Banker Rancor! Why? Simple. Every Lucky (You can bank on this!) tastes like a million bucks. Every Lucky is made of fine tobacco... naturally light, good-tasting tobacco, toasted to taste even better. But don't accept our account—check it yourself, Get Luckies right now!

LUCKY STRIKE CIGARETTES

TIME'S RUNNING OUT! Better get your Sticklers in fast! (You haven't lived if you haven't Stickled!) Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send stacks of 'em with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y.
