

Males To (W)Hoop

'Koed Kapers' Slated Tonight

University of Idaho coeds are planning to give their dates corsages for the annual AWS dance set from 9 p.m. to midnight tonight in the SUB.

Highlight of the event will be a hula hoop twirling contest judged by Marjorie Neely, dean of women, and C. O. Decker, dean of men. Decker said he would bring a stop watch for the relays.

Twenty-one men will participate in the contest. They include: Art Albanese, Delta Sig; Bob Vallet, SAE; Jim Flanigan, Theta Chi; Dick Tefft, Sigma Chi; Kent Hove, Beta; Bob Lynch, ATO; Perry Olson, Delta Chi.

Ole Swenson, FarmHouse; Arthur Mell, McConnell Hall; June Hanford, Sigma Nu; Ed Kessler, Teke; Tom Nicholson, Fiji; Mike Hall, Delta.

Pat Townsend, Kappa Sigma; Fred Fuller, Lindley; Harry Krussman, Phi Delta; Danny Merritt, Phi Tau; Dan Hale, Shoup; Bob Shawen, Willis Sweet and Jack Swearcugen, Gault.

Extend Permission
Permission for the men has been extended two minutes this year, according to Kay Zenier, Alpha Gam, AWS president. They will have to be in at 12:49 a.m. instead of 12:47 a.m. as in 1958.

Miss Zenier said it has been suggested that the men be presented hand-made corsages composed of garlic, onions, and other similar articles.

Theme of the dance will follow the same idea as the hula hoop contest, according to Janice Crane, Alpha Phi, and Mary Youngstrom, Kappa, co-chairmen of decorations.

Co-chairmen of the dance, popularly called Koed Kapers or the Turn-about Dance, are Darlene Matheney, Alpha Phi, and Linda Jones, Kappa.

Caricatures of little comical The GOLDEN FLEECE by Jason

If it weren't for the political flinching, election of a competent replacement for Nan Hughes could be accomplished without a break in Executive Board's stride.

Mrs. Hughes decided to give up her job for good, logical reasons and deserves commendation for taking the step quickly and without fanfare. Yet the Board members seem to have mistaken her letter of resignation for the starting flag in a political footrace.

Only time will tell whether the footrace will bear heavily on the outcome. The Board members themselves certainly never would admit it.

The Board is simply exercising its prerogative to name a new member with half a term already expired. Nobody outside their small group is expected to have much to do with this selection. That is as it should be. A general election is out of the question at this late date because such a procedure would be costly in both money and Board time.

Any one of the four or five likely candidates for the job could fill it adequately for the next 3 1/2 months provided (1) he is a senior who cannot unfairly use his tenure as a spring-board for bigger things and (2) he has the grades and the time to do the job well.

There is no precedent for the Board's choice to be a Greek, either, although Mrs. Hughes was of that party. A little more than one year ago, Lowell Martin, an Independent, was named to fill the job of Frank Nosenk, a Greek. Martin was, in Jason's opinion, one of the most productive members of the Board.

This column has more than once asserted that there is a pronounced Greek-Independent split on this year's Board when an important issue is at stake. Jason now challenges the Board to prove him wrong. The vote itself won't be an indication; the attitudes next Tuesday will.

But the spur-of-the-moment party meetings that followed last Tuesday's session lead one to be skeptical.

HULA HOOKED—Bill Campbell, Sigma Chi, doesn't seem too enthused about the AWS Hula Hoop contest scheduled tonight. His captors are Wanda Peters, Alpha Chi, and Darlene Matheney, Alpha Phi.

ASUI Election Amendment Will Be On Spring Ballot

The Executive Board Tuesday night placed before the student body a proposed constitutional amendment that would move ASUI general election to March. It will be placed on the April general ballot.

The amendment, already approved by the Executive Board and the Board of Regents, must be accepted by a student vote to be adopted.

If accepted by the students, general elections would be moved up to the first Thursday in March from the third week in April. Two-thirds of the voters would have to favor the change and 35 per cent of the student body would have to vote before it could be adopted.

Gov. Robert E. Smylie, in his "State of the State" message Tuesday, before the Legislature, said the existing formula for public school support was inadequate and recommended that this year's attendance figures rather than last year's figures be used as a basis for state school assistance. This, he said, would increase by one million.

Agree on Funds
In the 10 North Idaho counties, all Legislators seemed to be well briefed on the needs of the University, and they seemed to be in general agreement on the University's request for funds.

A concern over new taxes to raise the amount of funds necessary for the state government operation the next biennium was expressed.

Gov. Robert E. Smylie, in his "State of the State" message Tuesday, before the Legislature, said the existing formula for public school support was inadequate and recommended that this year's attendance figures rather than last year's figures be used as a basis for state school assistance. This, he said, would increase by one million.

Closed Night
In other Executive Board action Tuesday, a report was received from Dr. Robert E. Hosack, recommending closing the night of March 18 for the Borah Conference.

The Board passed a motion recommending and encouraging a closed night for that date.

President Dick Kerbs announced that a new Blood Drive chairman and a member of the Student-Faculty Recreation committee will be appointed in the near future.

The Board will meet at the regular time Tuesday but scheduled the next meeting for Saturday, Feb. 7. An all-day session is planned then.

The Board probably will act Tuesday on selecting a Greek replacement for member Marge Erstad, Delta Gamma, who will practice teach in Boise second semester.

Arnold Nikula, Lindley, is currently sitting in for Jim Rathbun on the Board. Rathbun is practice teaching in Twin Falls, but probably will be back second semester.

Substitute members of the Executive Board have no voting power.

Accident Causes Extensive Damage

Cars driven by two University students received extensive damages about noon Monday when they collided at Blake and Sweet Avenues.

An automobile owned by Dean L. Eaton, 1123 E. 6th St., received about \$150 damage and the other, driven by Edward O. Baumhoff, Evergreen Trailer Court, received \$200 damage.

Assistant Police Chief Elton Walker, who investigated, said Eaton was approaching the Blake-Sweet intersection preparing to make a right turn when the Baumhoff car spun out of control while making a right turn and skidded into Eaton's auto.

The accident happened before most of the snow and ice had melted off Moscow streets early in the week.

Panhellenic Plans Semester Rushing

Any girl interested in going through rush at the beginning of second semester must sign up in Dean Marjorie M. Neely's office before Jan. 23.

Visit To State Legislators Is 'Great Success'

The student legislative committee members who contacted State Legislators during Christmas vacation termed their visits "very successful."

The students were well received by all Legislators contacted and in most cases were complimented on their interest in the University and the Government of the State of Idaho.

In no cases were the students criticized for talking to legislators, a report by the committee chairman Mike McNichols, Phi Delta, and John Hanzel, off-campus, stated.

Agree on Funds
In the 10 North Idaho counties, all Legislators seemed to be well briefed on the needs of the University, and they seemed to be in general agreement on the University's request for funds.

A concern over new taxes to raise the amount of funds necessary for the state government operation the next biennium was expressed.

Gov. Robert E. Smylie, in his "State of the State" message Tuesday, before the Legislature, said the existing formula for public school support was inadequate and recommended that this year's attendance figures rather than last year's figures be used as a basis for state school assistance. This, he said, would increase by one million.

University Prof. Elected Chemical Society Chairman

Dr. Malcolm M. Renfrew, professor of chemistry and newly appointed head of the department of physical sciences, has been elected chairman of the American Chemical Society's division of Chemical Marketing and Economics for 1959.

He succeeds Dr. Ambrose Whitney of W. R. Grace & Company, New York.

Dr. Renfrew, appointed last fall, will replace Dr. W. H. Cone as head of the physical sciences department at the beginning of second semester.

Under University rule a department head relinquishes his administrative duties upon reaching age 65. Dr. Cone will remain on the teaching staff, however, and will be on a sabbatical leave during second semester.

Dr. Renfrew is a native of Spokane, Wash. He received the B.S. degree in 1932 and the M.S. in 1934 from the University, and his Ph.D. in 1939 from the University of Minnesota. He has been in chemical research since leaving the University.

The division of chemical marketing and economics is one of the American Chemical Society's 22 divisions covering various fields of chemistry and chemical engineering. With 86,000 members, the Society is the world's largest professional association of scientists and engineers.

University Heights Directors Elected

Directors of University Heights, Inc., a local housing development, were elected at a meeting Tuesday.

Directors for the coming year are Charles Drayton, local oil distributor; Clifford Dobler, assistant professor of political science; Dr. Justus Fleming, University physician; Elmer Raunio, associate professor of chemistry; Granville Price, professor of journalism; Malcolm Haase, associate professor of history; and Margaret Coffey, associate professor of women's physical education.

Officers of the group will be chosen from board of director members.

COMING EVENTS
TODAY
Cosmopolitan club, Borah theater, 7:30 p.m.
SATURDAY
Experimental Research Society, conference room 2, 2 p.m.

Nan Hughes Leaves Job On U. Executive Board

Executive Board member Nan Hughes made "a difficult decision" Monday, then resigned from the ASUI's highest administrative organization. The Board decided to elect a replacement itself, probably at its meeting next Tuesday.

Mrs. Hughes, wife of former Argonaut editor John Hughes, said she had moved to Lewiston,

where her husband is a reporter for the Tribune, and would commute three days a week.

"I didn't feel I would be able to keep in contact with the problems of the student body under that arrangement," she told the Arg Wednesday. Mrs. Hughes, the former Nan Alvord, was elected to the Board as a Greek party member and lived at Kappa Kap-

pa Gamma before her marriage in August.

Mrs. Hughes did not attend the meeting, and submitted her resignation in a letter to ASUI President Dick Kerbs.

"I hope you'll understand that this is the best decision to make and I hope you'll agree that this is the best course of action," she wrote.

The Hughes had lived in Moscow until last week. Mrs. Hughes will continue to attend classes on a three-day-a-week schedule, which would have forced her to miss Board meetings.

The Board formally expressed its regret and passed a resolution commending her for "fine service and work in the ASUI."

Board member Lee Scott moved that the first runner-up for the Board be elected. His motion was tabled until the next meeting. (The tenth finishing candidate last April was Bob Cowan, an ATO now living off-campus.)

Kerbs said he will interview any students interested in serving on the board today, Monday and Tuesday in the afternoon before 4 p.m. Names will be submitted to the Board for their consideration. Juniors and seniors are eligible to fill the three-month term. Members of any recognized political party may apply, he added.

Under the constitution, the Board could have ordered a special election to fill the vacancy, but they elected to make the choice because of the short term remaining. Both alternatives are acceptable under present regulations.

Not Unique
Selection of a replacement member Tuesday will mark the second time in as many years that the Board has elected a replacement. Lowell Martin, an Independent, was named to the group in October, 1957, after Greek Frank Nosenk was declared ineligible. Martin served a full term and graduated last June.

Andre To Speak
Dean Floyd Andre will speak on the subject, "Iowa State College Looks at Agricultural Adjustment." He will give the same speech to WSC's experiment station conference which is being held the same week.

Monday afternoon, Don A. Marshall, associate dean of the College of Agriculture, will outline proposed changes in the college's curriculum. According to Marshall, the proposed curriculum will divide the College of Agriculture into four main areas: agricultural management, agricultural science, general agriculture, and agricultural education.

Presently the college has 13 departments with a curriculum for each. The proposed curriculum will not cut down the courses in any way but will streamline the program to keep up with current agriculture trends.

The requirements for students going into agriculture have changed, Marshall said, for employers look more at a student's course work than what major he took. "The new program will give the student more latitude in course requirements to fit him for the job he wants to do when he gets out," he added.

WRONG HOUSE NAMED
The Argonaut erroneously reported Tuesday that the campus living group of Mrs. Dick Kerbs, the former Patty Clark, was Alpha Phi. She is a member of Pi Beta Phi sorority.

Famed Soprano To Give Concert Here January 19

Mildred Miller, a Metropolitan Opera mezzo-soprano who has been described as "a delight to the eye and ear" by the New York Times, will appear here Jan. 19.

Despite her youth, Miss Miller has appeared with such European companies as the Munich and Stuttgart operas and the Glyndebourne opera at the Edinburgh Festival.

She made her Metropolitan Opera debut in 1951.

Famed for her portrayal of Carmen, Miss Miller has also appeared in "Cosi Fan Tutte," or "Women Are Like That."

The same opera was presented on the Idaho campus two years ago and starred Marigay Nelson, who was later asked to audition with the Metropolitan Opera. She is now on the Patti Page Show.

Other roles in which Miss Miller has played include Octavian in "Der Rosenkavalier," Cherubino in "The Marriage of Figaro," and Susuki in "Madame Butterfly."

Miss Miller has appeared on "The Voice of Firestone," "The Telephone Hour," and the initial NBC-TV "Festival of Music" color spectacular.

Icccaps Featured At Jazz In Bucket

The "Icccaps" will be featured performers in tomorrow afternoon's "Jazz in the Bucket," program chairman Bob Whipple announced yesterday.

The campus singing group is headed by Chub Anderson, SAE, and appeared several times in southern Idaho during the Christmas vacation.

Whipple urged talented individuals or groups to contact him for scheduling in the series by leaving full information with Carolyn Staley in the ASUI office.

# FINAL EXAMINATION SCHEDULE

## First Semester 1958-59

(Two and one-half hour examinations—three examination periods each day)

Regular class rooms will be used for the examinations unless instructors make special arrangements through the Registrar's Office. Examinations in courses comprised of lecture and laboratory periods may in most instances be scheduled according to the sequence of either. Announcement of time and room should be made by the instructor for all examinations. Rooms should be reserved in the Registrar's Office for "arranged" examinations in order to avoid conflicts. Instructors will announce to their classes rooms to be used for all sectioned classes having common final examinations.

### EXAMINATION DAY AND HOUR FOR CLASSES MEETING:

Examination Time	Friday Jan. 23	Saturday Jan. 24	Monday Jan. 26	Tuesday Jan. 27	Wednesday Jan. 28	Thursday Jan. 29	Friday Jan. 30
8:00 a.m. to 10:30 a.m.	1st. Period MWF MW	French 1 German 1 Spanish 1	2nd Period MTWThF MWF MF MW	4th Period MTWThF MWF MW MF	Bus. 31 Bus. 32 Zool. 1	6th Period TTh T Th	5th Period MTWThF MWF MF MW
12:00 noon to 2:30 p.m.	Hist. 9 Econ. 56	3rd Period MTWThF MWF MW MF	Chem. 1 A.R. 157 Agron. 113 Ag. Econ. 171	8th Period MWF Ed. 1 Math. 1-2 Math. 11-12 Math. 51-52 Math. 101	7th Period MTWThF MWF MW MF	3rd Period TTh T Th	4th Period TTh T Th
3:00 p.m. to 5:30 p.m.	1st Period TTh T Th	5th Period TTh T Th	6th Period MTWThF MWF MW MF	2nd Period TTh T Th	Eng. I Eng. III	For Conflicts in Examinations	7th Period TTh T Th

Classes meeting such as MTW take exams with the MWF sequence.  
Classes meeting such as 2nd Period TTh and 6th Period W, take exams with the 2nd Period sequence.

## Au Contraire

By Denton Vander Pool

Dear Jason:

Most students of the University of Idaho pay to watch their football team on television?

There are two alternatives to the course that is being taken, they are, schedule teams of comparable size and strength, or drop football entirely. The most favorable alternative would be for Idaho to play schools that are fairly equal to its own size.

Would the staff of the Argonaut be willing to take a poll of the student body to find out which course of action they wish to take? If not there is an election coming up in the near future and it can be put on the ballot. I do believe that the students should be heard, and the best way they can be heard is through their paper, the Argonaut.

Enas H. Wilson

The Arg has neither the facilities nor the time to take such a poll, which would be of no value until the facts are presented. Watch for an Arg series on Idaho's position in the collegiate athletic field starting soon. Poll-taking on such an issue as this is the job of the Executive Board.—Ed.

an occasional shout or dirty joke, and what's so terrible about open book tests? At least you can't cheat.

## Student Should Like Learning According To TV Discussion

A few weeks ago on "Small World" (There is a good program on television) a discussion between Mark Van Doren and Admiral Hyman Rickover brought out the point that a person should enjoy getting an education. If the process of learning is a drudge, the student is not learning.

What they were talking about was not the "fun" or "Mickey Mouse" courses, but such fear-some things as nuclear physics, History, and Abnormal 2.

How in blazes can a student enjoy a subject then, if he has to clutter up his mind with such trivia as formulas, names, dates, at infinitum?

How in the same blazes can he enjoy a course where the instructor considers him just an-

fallen for the old bugaboo about the "average man." Lectures seem to be pitched to the average intellect and marks are adjusted so that the average student passes, whether he actually learned anything or not.

Learning is a process of discovering, and a teacher is a guide through the forest of ignorance.

The student then, is an explorer, not an intestine to be stuffed with sausage (or bologna) of learning, tied off at graduation, and hung in the market place of labor with a grade stamp on his diploma. To milk the metaphor, a cow also turns out steaks and roasts.

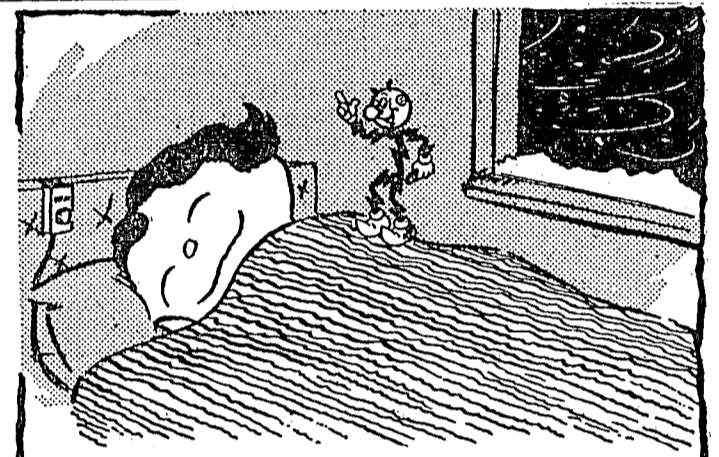

Far be it from me to suggest to anyone how to pound anything into our little pointed heads, but they might find us gulping up learning like a vacuum cleaner if they'd only turn on the switch. Couldn't some of the droners try

(Editor's note: Denton R. Vander Pool, who wrote a controversial letter to Jason earlier this year concerning Idaho co-eds, will offer his ideas on various collegiate subjects through the column, "Au Contraire." The Latin title means "On the Contrary." This column, which presents the opinions of Mr. Vander Pool and not necessarily those of the Argonaut staff, will appear every Friday. "I Spy" will continue to be published every Tuesday.)

other hard head to be penetrated by a ceaseless 50 minute drone that never wavers an inch from his notes.

It seems to this writer that to have to memorize things that are already in a book that he has paid for is a waste of time, as is the taking of verbatim notes to be studied later, only to forget the whole mess right after finals. All is not lost though. After Joe College has sat up all night guzzling coffee and memorizing, he can get restful sleep through the next day's monotone.

I think that faculty members (not just here, but almost universally) are inclined to take their students too much for granted. In many cases, they have been preaching their subject so long that they have forgotten how they learned it themselves. They also seem to have

### Students Are Interested

By RAFE GIBBS

Director of Information

As one who was a student here back in the Thirties, I might be inclined to reflect on the glories of the past, but be assured that I think the present is much more interesting.

Perhaps the trouble with us in those Depression years was that we were so worried about getting a job when we graduated — other than selling apples at 5 cents a throw — that we were concerned mostly with personal problems, and seldom looked beyond our hat brims. (Yes, a good share of us wore hats in those days.)

As for the sorry plight in which our country was in, we were inclined to think: "Courage, Camille! This pain, too, must pass away."

But today students are more interested in national and world problems. On a percentage basis, attendance at public events programs has more than doubled since my time. It has greatly increased even over that of the immediate post-war years when you would have thought students would be standing to hear discussions of

world affairs.

But, despite the big bulge in enrollment of ex-GI's, the University auditorium was more than adequate for most visiting lecturers. Today, the auditorium couldn't hold half the crowd that turns out.

Inspiring too, has been student interest in such activities as the blood drive and campus fund drive. But perhaps most inspiring has been the interest of students in looking toward a better University—not just for themselves, but for those to come.

And now that I have said so many laudatory things about you, the students of today, I feel entitled to sound off on one "pet peeve." I have reference to that monstrosity of a yell, "Poor Cougars."

I will refrain from discussing the sportsmanship factors involved, but I would like to point out that I have kept a careful check on results to date, the yell has cost us four victories in football and seven in basketball by rousing the Cougars to greater efforts.

It also almost cost us a swimming meet. As an Idaho student was about to start the yell, how-

### Here's More About— . . . Visit

lion the \$23,600,000 required for school operation under the existing formula computation.

When the students met with Gov. Smylie in his office in Boise, the chief executive mentioned that his primary interest in building at any institution was a new dormitory at the Industrial Training School at St. Anthony.

Many Legislators said that the University should have a new Science Building this year. However, they did not know where the money would come from for its construction. They also believe that the University salaries should be raised to compete with other institutions.

"Crossroad '59" edition of the Argonaut was well received by the Legislators. Some Legislators said they were pleased to get the students' recommendations and opinions expressed in the Argonaut.

From reports, approximately 36 of the 44 Idaho counties were contacted by the students on the committee.

McNichols said the committee is going to follow up their contacts with letters to the Legislators reminding them of the University's needs.

ever, he fell into the pool, and the only sounds that could be heard were "Glub! Glub!" — a most pleasant yell, under the circumstances.

## Three Business Fellowships Open

Three Donald David Kirk Fellowships to the Graduate School of Business Administration of Harvard University are being offered to men from universities in the Northwest again this year.

The fellowships provide up to \$4,000 for the two years' study at Harvard. Applications should be filed by March 1. All candidates should plan to take the Feb. 5 Admission Test for Graduate Study in Business. Applications for this test must be submitted by Jan. 22.

Application blanks for the fellowship and the admission test are available in the Office of Student Affairs. Graduates of any college in the University are eligible to apply.

Our roots go deep in the growing areas served by America's second largest telephone system

America is building big out where the grass roots grow. New industries, new businesses, and new homes are springing up where there's elbowroom. And these are the areas where General Telephone is a citizen of long standing.

From a small beginning, Gen Tel has grown with the countryside. Today our 1,745 exchanges in 30 states provide modern service for 3,359,000 telephones. Our lines carry 119 million conversations each week. And we're adding 750 new phones every day.

It takes a pair of seven-league boots to keep up with the growing communities in Gen Tel territory. That's why Gen Tel is investing almost \$200 million this year in the new facilities required to meet the ever-increasing demand for more and better telephone service.

America's big promise is in Gen Tel territory. And Gen Tel is doing its part to meet it.

# Busy Schedule Of 'Studies' Follows Christmas Holiday

By Dana Wildig  
Arg Women's Editor

Pinnings and engagements were in the spotlight as many girls returned to the campus wearing diamonds and sweetheart pins. The week has been a busy one with exchanges, dinners, and the usual "settling down" following vacation.

**ALPHA PHIS** were surprised to find several holes in the ceiling and water-logged rugs when they returned Sunday. All the help following the fire was appreciated. Wednesday night a special dinner was held to honor the recently engaged girls.

**DELTS** and their dates will go "odd ball" to the annual Odd Ball Dance. The dance is scheduled Saturday in the Legion Cabin. Mike Williams was recently elected treasurer with Ed Wiede as his assistant. Election of other house officers will be held later in the month. A party in Boise on December 26 was attended by 25 Delts and their dates. This is sponsored annually by the Boise Valley Alum Association. Jim Lyons, Lewiston, was a guest at the shelter last weekend.

**SIGMA NU** pledges surprised Harry Stunz with an ice and snow tubing Tuesday noon in honor of his recent pinning to Mary Youngstrom, Kappa. Elvis Presley was honored for his contribution to the field of music by a Wednesday dinner in commemoration of his birthday. Alen Underwood was a Wednesday guest.

**FRENCH HOUSE** appreciated all the Christmas carolers before the holidays. Wednesday evening French "songbirds" joined forces with Forney and serenaded the male living groups on campus.

**TKE** pledges had an exchange with the Kappa pledges Wednesday. It was held at the Dipper.

**BETA** pledges enjoyed a dancing exchange with the DG pledges Wednesday. Before vacation, the Betas had the annual Christmas exchange with the Alpha Chis. Highlight of the evening was the exchange of gifts which were later donated to the Lewiston Children's Home.

**PI PHIS** ended their pre-vacation activities with an exchange with the Delts which included dinner, dancing and Christmas music. Last Wednesday there was a dinner exchange with the Delta Sigs

which ended with dancing at the Dipper. Friday the Pi Phis observed Chapter Loyalty Day by wearing wine and silver-blue ribbons under their pins. Thursday after dinner there was a ceremony in honor of the day.

**THETAS** moved into the social swing after vacation with an all house Delta Chi exchange Thursday dress dinner and dessert so Delta Chi house while members stayed at the Theta house. Tuesday dress dinner and desert social was held in honor of Mrs. Kreizinger, District President. Mrs. Kreizinger visited the local chapter Tuesday and Wednesday. Pledges held an exchange with Gault Hall Wednesday. Dinner guests this week were Evelyn Peterson, Forney; Sharon Houck, Ethel Steel; Lynda Himmelsbach, Hays; Sandra Wallen, Ethel Steel, and Eleanor Warnstrom, Forney.

**TRI-US** before vacation found several things missing. Among the more important things were Stoda's tooth brush, Wayne and

## Fellowships Open To Senior Women

Fellowships covering full tuition of \$1350 for a one year fashion course will be awarded to four senior women graduating before August 31, 1959. Competition for the nation-wide fellowship program is being sponsored by Tobe-Coburn School for Fashion Careers in New York City.

The Fellowship, which applies to the 1959-60 course, entitles the winning students to have actual contact with the fashion industry through lectures by important fashion personalities; visits to manufacturers, department stores, buying offices, fashion shows and museums; and ten full weeks of working experience, with pay, in New York stores and other fashion organizations.

Senior women may secure registration blanks from the Fashion Fellowship Secretary, Tobe-Coburn School for Fashion Careers, 861 Madison Avenue, New York 21, New York. Registration closes Jan. 29, 1959.

Coeds' sweaters are too tight in the first place. And in the second place, too.

Woody's beards and the usual good study habits.

**CHRISMAN** ended its social activities for 1958 with two exchanges the week before Christmas vacation. Chrisman men entertained girls from Davis Hall at WSC at a fireside exchange on December 13. A Christmas dinner exchange was held with French House on December 17. The center of attraction at both exchanges was the ten-foot Christmas tree procured by Johnny Jones and Darrel Cox.

## Final Exams Start Jan. 23, End 30th

First semester final examinations begin at 8 a.m., Friday, Jan. 23, and continue through Friday, Jan. 30. Exams will be given on Saturday, Jan. 24.

Three, two and one-half hour exam periods will be held daily, with the periods from 8 to 10:30 a.m., 12 to 2:30 p.m., and 3 to 5:30 p.m. The first group will be the classes scheduled first period with the Monday, Wednesday, Friday sequence.

In a meeting before Christmas vacation, the Interim Committee approved a change in the schedule. Humanities I exam will be 8 to 10:30 a.m. Jan. 29.

## IK Scholarship Deadline, Jan. 15

Deadline of Jan. 15 has been set for applications to be filed for the \$100 Intercollegiate Knights scholarship, it was announced by Laird Noh, Duke of the IKs.

The scholarship is made available by the University chapter in memory of Alan Reeb and Frank Van Brunt, former IKs who were killed in accidents.

The award is available to active IKs. The recipient will be selected by the Committee on Awards and Scholarships with the approval of the IK Executive Board.

Applications should be made at the office of student affairs.

## WRA SLATES GAME

WRA announced yesterday that they will field a volleyball team against their counterparts from WSC in WSC's annual play day tomorrow.

### Rings Things

## MARRIAGES

**FERRIS-DEAL**  
Joan Ferris, Pi Phi, and Bill Deal, Beta, were married December 22 in Lewiston, Idaho.

## ENGAGEMENTS

**ROWLAND-OLSEN**  
Sunday night, January 4, Pat Rowland held a coffee hour in her room at the Theta house to announce her engagement to Gary Olsen, Arizona State.

**BAUDEK-ZAPP**  
Theta president Karen Kramer tapped her glass Monday night at dinner and asked Fran Bauddek to give ten reasons why she became engaged to John Zapp, Sigma Nu.

**HUGHES-BOYCE**  
A small bouquet was passed to announce the engagement of Joanne Hughes, Pi Phi, to Bill Boyce, Beta, Monday night at dinner.

**HENDRIKSSON-PARKER**  
Shirley Hendriksson, Pi Phi president announced her engagement to Jack Parker, a former Sigma Nu, now of Sandpoint, with a surprise party after dinner Tuesday night. Cake and coffee was served and the ring was passed in a bouquet of white daisies and red roses.

**YARROLL-BOSSIO**  
Sunday evening Sheila Yarroll, Alpha Phi, announced her engagement to Don Bossio, Idaho State College.

**ISAKSEN-EVANS**  
Sharon Isaksen, Alpha Phi, announced her engagement to Don Evans, Sigma Nu.

**HISGEN-NELSON**  
At dinner Monday evening Carlene Hisgen's engagement to Loren Nelson, Delta Tau, was revealed.

**BAGGS-ABRAMS**  
John Baggs' engagement to Kay Abrams, Sandpoint, Idaho, has been announced. Baggs is a Phi Delt.

**VAN ORDEN-BEHRE**  
Roger "Cub" Behre, TKE, announced his engagement to Claire Van Orden, New Providence, New Jersey.

**STAMPLE-BEND**  
Charlene Stample, Boise, recently announced her engagement to Chuck Bend, Delt.

### Datebook

**FRIDAY NIGHT**  
AWS Dance, "Koed Kapers", closed night.

**SATURDAY NIGHT**  
Delta Tau Delta Dance.

**SUNDAY AFTERNOON**  
Alpha Lambda Delta Scholarship Tea 2-4 p.m. in SUB.

**SULLIVAN-BAKER**  
A recent engagement announcement was that of Cecelia Sullivan, Delta Gamma, and Ron Baker, Sigma Chi. An early June wedding is planned.

**PALMER-MILLER**  
Linda Palmer, French House, announced her engagement Wednesday evening by passing a white candle cradled in red carnations and a gardenia. Centered in the gardenia was her ring from Cpl. Ralph E. Miller, who is stationed at Camp Pendleton, California.

**VERY-FISH**  
Nancy Avery, French House, and Donald E. Fish, Gault Hall, became engaged during the holidays and are planning a December wedding.

**PRITCHETT-HOWARD**  
The engagement of Marilyn Pritchett, Forney, to Bob Howard, Chrisman, was announced at dinner December 17. The theme "Silver Bells with a Diamond Ring" was carried out in decorations of blue and silver. Rhinestone studded blue candles with snow-frosted arrangements at the base formed the centerpiece for each table. Special guests at dinner were Bob Howard and Marshall Pritchett, Lindley.

**LITSCHER-KLEINKOPF**  
The engagement of Joanne Litscher, Forney, to Jack Kleinkopf, off campus, was announced at dinner Tuesday. Jo and Jack rang in the "New Year" with a ring mounted on a bell shaped arch with red carnations and baby mums at the base. The guests at the dinner were Jack Kleinkopf, Willard Wilson, and Sandra Wana-maker and Karen Kottkey, AGDs.

**DICKSON-CHIGBROW**  
Alaire Dickson, Forney, announced

## Capital Punishment Topic For Canterbury Speaker

In September of 1957 Rev. Lester Kinsolving, Sunday night's speaker at the Canterbury Club, became rector of the Episcopal Church of Our Saviour, Pasco, Washington.

In November of 1957 his sermon on "The Damnable Doctrine of Damnation" as denounced in the press by a neighboring clergyman. The controversy was covered by TIME Magazine which reported: "At Pasco, Kinsolving has broken all church attendance records, more than doubled church pledges, and (as one parishioner puts it) made more pastoral calls than any minister I know ever did in a whole year!" Beginning on February parish's three choirs appear weekly on the program "Cross and Crisis" which is commercially sponsored over KTRX TV, Channel 31, at 10 p.m.

**CANTERBURY CLUB**  
Mr. Kinsolving will speak at 7 p.m. at Canterbury on the subject of Capital Punishment. All students interested in hearing this dynamic young man who has proven to be immensely popular with college and university students, are invited to attend.

Mr. Kinsolving will also give the 11 a.m. service at St. Mark's Church.

**WESLEY FOUNDATION**  
Wesley Foundation will hold its regular meeting this Sunday evening at the Methodist Church. Instead of the usual program they will attend the Methodist Church School of Missions. Rev. Jack Caldwell will be the speaker. He will show colored slides on the mission field in Hawaii where he served for five years. Wesley Foundation will then have a worship service followed by supper. The meeting is 5 p.m. to 7 p.m. A bus to the church will leave the Campus Christian Center at 4:50 p.m.

The College Forum at 9:30 a.m., January 13, will begin a 15 week study of the book, Reality and Prayer, by Dr. John Magee. This is the book that will be used for the spring Methodist Student Movement in April. The study will be held at the Campus Christian Center.

**WESTMINSTER FORUM**  
Westminster Forum will hold its first meeting of the new year on January 11. Speaker will be Dr. Harry H. Caldwell, Professor of Geology at the U. of I. The topic will be Religion from the Point of View of an Economic Geographer. The price for supper is 45c.

**PINNINGS**  
Wayne Smith, ATO, pinned to Sandra Spanagel, Western College for Women at Oxford, Ohio.

Chuck Eckery, Delt, pinned to Marlene Diehl, Twin Falls.

Glenn Potter, Delt, pinned to Mary Bikstead, Brigham Young University.

Sandra Tepy, Alpha Phi, pinned to Donn Bryant, Sigma Chi.

## Forest Service To Outline Program

Personnel representatives of three US Forest Service regional offices will explain job opportunities in the forest service Monday night in the Forestry Building at 7:30 p.m. They will represent the Portland, Missoula, and Salt Lake City regions.

Students interested in permanent and summer employment are invited to attend the meeting in Forestry 335. Job interviews will be held Tuesday.

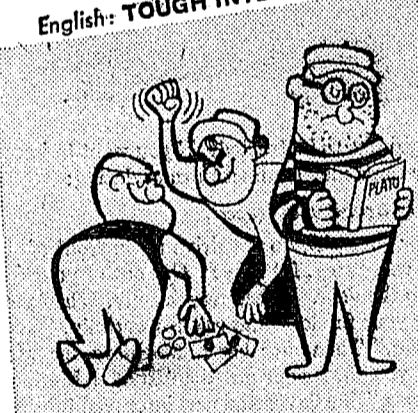

Caught in a shower? No need to worry about your clothes. . . . Our expert cleaners will quickly restore their press and freshness. . . . give them "like new" sparkle!

# Idaho Faces Indians, Bears This Weekend

Coach Harlan Hodges and a 12-man traveling team left for California yesterday morning, headed for a clash with the Stanford Indians tonight and a first meeting with the California Bears tomorrow evening.

Tonight's game pits the Van-

## Trojans Draw Rules Penalty

The University of Southern California drew its second probation penalty in three years Wednesday night, as the NCAA ruled that USC had violated a recruiting statute and would immediately be placed on probation.

The probation, which forbids any Trojan athletic team from participating in any NCAA championship event or other events under NCAA authority, was the result of an investigation which was begun in July of 1957.

According to the NCAA, the Trojans illegally offered free air transportation to one prospective student athlete to induce him to enroll at USC, and provided another prospective athlete with free air transport to a junior college in the summer of 1957.

Under NCAA by-laws, a student is permitted one visit to a campus, but nothing is said of transportation to another college.

The athletic director at USC, Jess Hill, announced the Trojans "will stand up and take it like a man" when informed of the NCAA action.

USC is currently just completing a two-year sanction imposed in November of 1957 for illegal aid to athletes.

dals, 36-31 victors over the Indians in last weekend's first round of action, with the Stanford crew on their home court in Palo Alto.

The Indian's big man, Paul Neumann, has been hitting at a 14.5 point clip in two games this season to rank as the third top scorer in the PCC so far this year.

According to recently released PCC statistics the Stanford squad leads the conference in total defense, allowing an average of only 38 points per game in their first two games this season, and is last in rebounding with a .425 percentage.

Tomorrow night the Vandals meet the California Bears for the first time this season, with the Bears expected to seek to reverse last year's 82-71 decision which necessitated a post-season playoff with Oregon State for the PCC title.

**Bear Scorer**  
Denny Fitzpatrick leads the Bears into Saturday's clash, riding high as the conference scoring leader. Fitzpatrick has 14 field goals and 10 free throws to his credit for a league-high total of 38 points in two games.

The six-foot senior letterman from Costa Mesa, Calif., is backed up by teammate Doug Imhoff who is currently second in rebounding percentage in the conference. Imhoff stands 6-10, weighs 205, and is a one year junior letterman.

Besides Imhoff, California coach Pete Newell boasts eight other men 6-4 or over, with Dick Doughty next in line at 6-8. Sophomore Stan Morrison rounds out the Bear's tree toppers, bookending a height of 6-7.

**California Edge**  
In conference play Idaho has defeated Stanford three times in seven meetings, and California four times in eleven tries.

## Second Pre-Game Hit-Lites Slated

The second in the series of "Pre-Game Hit-Lites" will be held Thursday night, January 15, at 6:45 p.m., in the Borah Theatre.

Featuring Clem Parberry of the physical education department the program will include Vandal hoop ball, and Bob Walton, and possibly WSC football coach Jim Sutherland.

The chief topic of discussion will be the games with Washington State the following Friday and Saturday as Don Weiskopf emcees the show with interviews of the players, and coach Parberry outlines plays and maneuvers to watch for against the Cougars. After a question and answer period, films of the Idaho-U.C.L.A. and Stanford games will be shown.

The program is open to all students and faculty and sponsored by the SUB Special Events Committee.

## Vandals Set PCC Record

With two of sixteen conference games behind them, the Idaho Vandals have already established one PCC record that seems safe for a long time.

The 16 fouls committed in last weekend's game with Stanford eclipsed the old mark of 18 set in 1954 by California and Southern California.

From the defensive standpoint the Vandals almost completely reversed last year's record, when they ranked first in the conference on the scoring list, and last in defense.

In two games the Vandals have allowed an average of 46.5 points per game to rank behind Stanford in the total defense category. The Indians have allowed an average of 38 points for two games.

On offense Idaho ranks above Washington and Oregon State with an average of 44.5 points, but trails UCLA, Oregon, Southern California, California, Washington State and Stanford.

## University Ski Tow Operational

The University of Idaho ski tow will begin operation as soon as there is sufficient snow, according to a recent P.E. Department announcement.

The tow, which is located just Southwest of Neale Stadium, will be run from 2:30 until 4:30 Mondays through Fridays; from 8:30 until 4:30 on Saturdays, and from 1:30 until 4:30 on Sundays.

Student organizations wishing to use the tow during the specified hours are asked to notify at least three days in advance either Patricia Rowe of the Women's Physical Education Department, or Ralph Hassman of the Men's Physical Education Department.

It was requested in the announcement that students do not park automobiles along the highway which passes adjacent to the tow.

## Idaho Babes To Face Twin Tilts

University of Idaho frosh hoopers, under the able hand of Coach Wayne Anderson, will tangle with the Eastern Washington jayvees in Cheney tonight.

Tomorrow the Frosh will meet the jayvees of Whitworth College in Spokane.

January 16 and 17 the Vandal Babes clash with the Cubebes of Washington State, first as the hosts and then as the invaders.

**SIGHTS IN—Bob Walton sights in on the basket as the Vandal hoopers head for California this weekend.**

## Vandal Bowlers Set For Action

Idaho's SUB pin-men will face the Eastern Washington College of Education bowling squad Sunday at 1 p.m. in a twin bill with Washington State and Gonzaga.

The dual meeting will furnish what Coach Earl Hall refers to as the "Best intercollegiate bowling in the Inland Empire" in match games in the SUB game room.

On the Vandal team are: Kent Harrison, PDT; Jerry Johnson, TMA; Dick Rene, TD, and Hall, TMA.

## Gym Film To Be Run On Campus

The Physical Education Department will present the showing of a film entitled "Gymnastic National Championships of 1957" at the Visual Aids Building, Jan. 13th at 3:15 p.m.

The film will feature the nation's best performers in competitive action on such phases of gymnastics as mat tumbling and free exercise.

**NOTICE**  
The Memorial Gym will be open from 1 to 4:30 p.m. on Sundays for student recreational use.

# Jitters, Biting Cold Hit Skiers

Vandal ski coach Tom Anderson blamed first meet jitters and sub-zero weather for Idaho's fifth place showing at Rossland last weekend.

"We had our two fresman skiers suffering from a bad case of nerves," said Anderson, "and our lack of practice didn't help either."

The ski-run, which Anderson described as "like concrete" was blanketed by a cold-spell which dropped temperatures to the -33 degree mark in the 12th annual Triple I meet run January 3 and 4.

The winner, Wenatchee Junior College, boasts seven Norwegian skiers, including top rated Torbjorn Yggseth of Norway, rated as the fifth best jumper world-wide.

The Vandals placed fifth in the slalom event, third in the cross-country run, seventh in the downhill results, second in jumping competition for a grand total of 322.28 points behind Wenatchee with 359.19; University of British Columbia with 344.72, Montana State with 330.46 and the University of Washington with 324.28.

Washington State, Whitman, the University of Montana and College of Puget Sound finished out the field.

In the slalom event, Chuck Rank placed best for the Idaho slat-men, shushing to a 14th place finish. Rank was followed by Frank Cammack in 19th, Jorgen Bryhn, 21st, and Larry Schaaf, 32nd for the Vandals.

In cross country Cammack took fifth, followed in by teammates Hilmar Lunde in eighth, Henry Backer in 16th and Viggo Friling, 19th.

The downhill event provided the big stumbling block for the slat-men, as Jim Douglass placed best of Coach Anderson's crew with a 27th position showing. Larry Schaaf followed Douglass through the final gate for a 28th placement.

4; Gates, 2; Stephenson, 3; Jones, 4; Bonar, 4.
D'TD, 50; Scholes, 8; Nelsen, 6; Angerbauer, 10; Ward, 15; Smith, 4; Aryorza, 7. SC, 28; Decko, 1; Kraus, 4; Owen, 15; Hastings, 5; Pfiiffer, 3.
TC, 31; Hattimer, 8; McCabin, 8; Johnson, 8; Sampson, 2; Eacker, 4; Nelson, 1. KS, 26; Cranston, 2; Hayden, 2; Solt, 4; Barr, 2; Mautmaugh, 6; Townsend, 6; Gustavel, 3.

**Gary Randall's SIDELINES**

The Vandals head South this weekend, bound for what might well be an indication of this year's future hoop hopes. Idaho plays sixteen PCC basketball games this season: with two of the games already past, resulting in a 1-1 record, and two more big ones scheduled for this weekend with Stanford and California.

A twin sweep would place Idaho in one of the most favorable positions it has enjoyed in many years. A twin loss, on the other hand would possibly prove just as disastrous as the twin sweep might prove beneficial.

Last year the Vandals scalped the Stanford Indians by a 67-59 count in their first game, then lost to the Indians by a 72-62 margin in Palo Alto. With the California Bears the Vandals reversed their style, losing to California 62-70 in their first meeting at Moscow, then smashing the Bears 82-71 at Berkeley to knock the league-leaders temporarily out of first place.

**How Named?**  
Speaking of the Bears, this corner of the Sports page began wondering how the PCC teams acquired their nicknames. So, from time to time as we pick them up we'll feature one or two conference teams' nicknames.

Looking back, it seems likely that one of the reasons USC bolted the Pacific Coast Conference was traceable to the PCC probation. We wonder what they'll do about an NCAA sanction? That one's hard to bolt.

**THE DATING SEASON**

I have recently returned from a tour of 950,000 American colleges where I made a survey of undergraduate dating customs and sold Zorro whips. I have tabulated my findings and I am now prepared to tell you the simple secret of successful dating.

The simple secret is simply this: A date is successful when the man knows how to treat the girl.

And how does a girl like to be treated? If you want to know, read and remember these four cardinal rules of dating:

1. A girl likes to be treated with respect. When you call for your girl, do not drive up in front of the sorority house and yell, "Hey, fat lady!" Get out of your car. Walk respectfully to the door. Knock respectfully. When your girl comes out, tug your forelock and say respectfully, "Good evening, Your Honor." Then offer her a Marlboro, for what greater respect can you show your girl than to offer Marlboro with its "better makin's," fine flavor and new improved filter? It will indicate immediately that you respect her taste, respect her discernment, respect her intelligence. So, good buddies, before going out on a date, always remember to buy some Marlboros, now available in soft pack or flip-top box at your friendly vending machine.
2. A girl likes a good listener. Do not monopolize the conversation. Let her talk while you listen attentively. Make sure, however, that she herself is not a good listener. I recollect a date I had once with a coed named Greensleeves Sigafios, a lovely girl, but unfortunately a listener, not a talker. I too was a listener so we just sat all night long, each with his hand cupped over his ear, straining to catch a word, not talking hour after hour until finally a policeman came by and arrested us both for vagrancy. I did a year and a day. She got by with a suspended sentence because she was the sole support of her aged housemother.
3. A girl likes to be taken to nice places. By "nice" places I do not mean expensive places. A girl does not demand luxury. All she asks is a place that is pleasant and gracious. The Tomb of the Unknown Soldier, for example. Or Mount Rushmore. Or the Taj Mahal. Or the Bureau of Weights and Measures. Find places like these to take your girl. In no circumstances must you take her to an oil-cracking plant.
4. A girl likes a man to be well-informed. Come prepared with a few interesting facts that you can drop casually into the conversation. Like this: "Did you know, Snookiepuss, that when cattle, sheep, camels, goats, antelopes, and other members of the cud-chewing family get up, they always get up hind legs first?" Or this: "Are you aware, Hollips, that corn grows faster at night?" Or this: "By the way, Loverhead, Oslo did not become the capital of Norway till July 11, 1924."

If you can slip enough of these nuggets into the conversation before dinner, your date will grow too torpid to eat. Some men save up to a half-million dollars a year this way.
