Idaho's Hodges Quits Coaching

Soft-spoken coach Harlan Hodges, who molded five Idaho basketball squads into defense-conscious, sometimes brilliant units, quit the courts Wednesday, probably for good.

Hodges, who spent 31 of his 52 years coaching, will leave his job here, effective July 1, to take over as high school superintendent at Anna, Ill., just 50 miles from where he guided his first team.

His resignation, which was accepted by Regents Wednesday, caught most athletic officials off guard and started wild speculation about his successor. Athletic Director Bob Gibb said today the job is "wide open" and that he will not contact any candidates personally.

In his five years, Hodges directed his teams to two fourth place finishes, two seventh and an eighth place in the PCC. His best year was the 1957-58 season when the Vandals, spearheaded by All-American Gary Simmons and Whydon Coleman, won nine and lost seven in the conference. But the 1958-59 season was just as rocky as the previous season had been successful.

Won't Coach Again
Contacted within a half-hour after his decision was made public, Hodges told the Argonaut that he "wasn't out looking for a job," but "had been planning to do this for a long time." He owns a 100-acre farm near Anna, a town of about 5,000. Asked if he thought he would ever coach again, Hodges said simply, "No."

"I have had five fine years here," he said. "I have no regrets at all. I appreciate student support of our teams. The attendance always was good."

He said first discussion of the job opening started about three weeks ago when he was asked if he would consider the position and that he made the decision last week and informed President D. R. Theophilus. Gibb said he knew nothing about Hodges' decision until Wednesday morning.

Hodges came to Idaho in 1954 from Murray State College, Murray, Ky., where he coached Howie Crittenden, an All-American forward.

He was graduated from the University of Southern Illinois with a degree in chemistry, holds a master's degree from the University of Michigan and has done extensive work toward a doctorate in administration.

President Theophilus, in a statement, said: "It is with regret that we lose Coach Hodges. He has not only been respected at the University as a coach but as a scholar and gentleman. I am sure he will be successful in his new field of endeavor."

Four Debaters Go to Tournay

Four University debaters left last night to attend the 13th annual Northwest Speech Tournament at the University of Montana in Missoula.

Attending the three-day meet, where over 200 contestants are expected, are Wayne Kidwell, Mike McNichols, Roger Anderson, and Van Baser, Phi Delt.

A new type of debate called parliamentary discussion will be held this year. It is a cross question style of debate. Each of the 46 colleges and universities from western and mid-western states participating in the tourney is allowed to enter two teams.

Debate question for the meet, the same as has been debated this year by colleges throughout the US, is Resolved: The further development of nuclear weapons should be prohibited by international agreement. Topic for extemporaneous speaking entries is "American International Relations in 1959."

'Jazz In Bucket' To Feature Soloist

Shirley Mitchell, Theta, will be soloist in Saturday's program of Jazz in the Bucket, from 4 to 5 p.m.

She will be backed by a student-faculty group especially formed for the series.

Members of the combo are Dick Mansfield, and Frank Grossmann, off-campus. William Billingsley and Dave Whisner, the leaders of the group, represent the faculty.

LOOKING BACK — Coach Harlan Hodges, who resigned his coaching duties this week, takes a look around his office in Memorial Gym. Teams pictured on the wall are the 1954-55 squad, left, and the 1955-56 cagers.

Bittenbender To Be Veep; Martell Elected Secretary

Idaho's new Executive Board named a vice-president and secretary, and picked Frosh Orientation chairmen for next fall when members got together officially for the first time since ASUI elections.

Karl Bittenbender, Delta Sig, was elected vice president and Charlotte Martell, Forney, received the secretary's job.

Bittenbender, Denny Hagub, Beta, and Leo Tafolla, Upham, were nominated for the vice-presidential post. Bittenbender won on the second ballot by a 5-4 vote, after Hague dropped out.

On the first count the vote was 4 for Tafolla, 3 for Bittenbender, and 2 for Hague. It takes a majority to elect a member to the job.

Miss Martell defeated Ann Becker, Theta, 5-4 to earn the 1959-60 Board secretarial position.

When Miss Becker was nominated, Miss Martell moved that the nominations cease. However, Bittenbender and Tafolla raised their hands simultaneously and asked that they continue.

Miss Martell was then put up for the post by Tafolla. Bob Young, SAE, and Liz Misner, Alpha Gamma, were appointed chairmen of the Freshmen Orientation committee by the new Board. Their selection automatically makes them members of the Board of Selection and Control.

Laird Noh, newly elected ASUI president, said about nine tried out for the committee. Before the Board held interviews, it discussed the orientation program with last year's chairmen, Ernie Carr, SAE, and Barbara Davis, Forney.

Homecoming and Dad's Day interviews are scheduled from 7-9 p.m. Monday in the Executive Board room. Student Recruitment and Blood Drive interviews are Tuesday at the same time in conference room E.

Parties Give Officers Slate

Both the Independent and United party caucuses named new slates of officers for 1959-60 at meetings this week.

Bob Barnard, Delt, was named president of the Greek faction. He succeeds Tom Edwards, off campus.

Other United caucus officers are Terry White, Fiji, vice president; Karen Steadfield, Kappa's secretary; and Dolores Hormaechea, Gamma Phi, treasurer.

Danna Watson, Lindley, was given the president's job on the Independent caucus. He takes over the duties of Arnold Nikula, Lindley.

The rest of the Independent slate includes Larry Hossner, Upham, vice president, and Lois AxteLL, French, secretary-treasurer.

VETERANS REMINDED
Veterans were reminded yesterday by C. H. Bond, veteran's counselor, that they have from today until Tuesday to sign up for April subsistence checks.

That Ol' Bug At Last Hits Idaho--Hard

After laying most of Idaho low with chills and coughs, the "flu bug" cut a sniffling swath across the campus this week. But the peak, said Dr. J. M. Fleming, may be past.

There were 32 cases of influenza in the Infirmary yesterday, compared with 38 on Tuesday. The average, said officials, has been from 28 to 38 confined since last week. Infirmary capacity is 50. Others, however, were recuperating at their living groups.

Fleming said the individual cases were "moderately severe" and that patients took from three to seven days to recover.

"As long as the flu period continues, our 'no visiting' rules will remain in force," said Fleming.

He added that cases are of the A and B types, both of which are prevalent throughout the US. Outbreaks are usually heaviest in the spring and fall. Both University classes and Moscow public schools showed high absentee records for the week and the rate did not appear to be dropping yesterday.

Senior Music Recital To Be Tuesday Night

Bass trombonist John Baker, off campus, will appear in a University senior recital at 8 p.m. Tuesday in the Music Building.

A 12-man brass ensemble directed by Richard Klingensmith, teaching assistant in music, will also play at the recital. Selections include Mozart's "Concerto, K. 491," two concertos for trombone and piano, a trombone quartet piece and a brass suite.

Baker, who has been featured soloist in concerts with the symphony orchestra, will be accompanied on the piano by Marl Jo Fox, Alpha Phi.

The brass ensemble includes Wesley Bourassa, Lindley; Gerald Strang, off campus; Ronald Ray, Willis Sweet; James McDowell, Pine Hall; Michael Norell, Phi Kappa Tau; LeRoy Judd, Shoup; Robert Newell, Upham; Gale Merrick, Sigma Chi; Keith Newhouse, Willis Sweet; William Billingsley, instructor in music, and Baker.

Playing the quartet piece for trombones will be McDowell, Merrick, Walter and Baker.

Dave Maxey Wins Fellowship Award

One of the nation's top fellowships has been awarded to David Maxey, 1958 University of Idaho graduate and former student body president.

The fellowship is the Donald Kirk David award for two years of study at the Harvard University Graduate School of Business Administration. It provides a grant-in-aid of up to \$3,000 per year.

The award is named after another University of Idaho graduate and native of Moscow, who recently retired as dean of the Harvard graduate school.

Funds for the fellowships, awarded to Northwest students, were provided by George F. Jewett, deceased lumber executive of Spokane, and Mrs. Jewett.

Maxey, who majored in business administration at Idaho, was voted one of the top 10 seniors of his class.

He was a member of Silver Lance, senior honorary, and Blue Key, service honorary. He served on the Executive Board as a junior, then was elected student body president for his senior year.

Songfest Leaders To Meet Monday

A meeting of Songfest leaders will be held Monday at 12:30 p.m. in room 119 of the Music Building, yesterday announced Marilyn Hustler, French, co-chairman of the Songfest.

Songleaders are to bring their music sheets for the judges and be sure any changes have been well marked, said Miss Hustler. Single groups must submit three copies and mixed groups four.

Seniors Start Arriving; Big Weekend Planned

The top high school seniors of the state started arriving today and got a big University welcome as Senior Honor Day began on campus.

Ahead of the seniors are three days of activities designed to give them an advance look at college life.

More than 300 of the top 10 per

cent of the high school graduating classes of Idaho are expected for the first of what may become a yearly event.

A whirlwind of tours, entertainment and other activities await the visitors.

Registration is set today from 1 to 5:30 p.m. and from 7 to 9 p.m. in the SUB. Festivities will

begin tonight in an all-campus mixer in the SUB ballrooms, from 8:30 p.m. to 12 midnight.

A general assembly to introduce the students to the University will be held tomorrow morning at 8 in the Administration Building auditorium.

Tours Slated
Organized tours of the campus and its academic divisions will follow at 9 a.m. The tours will recess at 11:30 a.m. for lunch in the various campus living groups; then it will be back to tours, this time specialized to two choices of each student.

Departments planning special events for the visitors are engineering, art and architecture, agriculture, education, forestry, social sciences, physical sciences, home economics, music, biological

Ag Science Day Includes Little International Show

One of three coeds will be crowned Miss Ag Science tonight at a kickoff banquet for Idaho's first Ag Science Day Saturday. The three finalists are Sue Livingston, Kappa, Carol Hodgson, Ethel Steel, and Sonja Carlson, off campus.

First of its kind at Idaho, the Ag Science Day includes the 32-year-old Little International Livestock show and many other scientific developments of modern farming.

Block and Bridle Club, an animal husbandry group, will work with vocational agricultural students in sponsoring the traditional fitting and showing contest.

Elwood Kintner, FarmHouse, general chairman for the event, said he expected about 100 different exhibits and demonstrations to be set up by the 15 different departments in the College of Agriculture.

Displays vary from the use of radioactivity in agriculture to performance tests on dwarfism in livestock.

Tonight's banquet will include final speeches for the Alpha Zeta public speaking contest, and animal and dairy husbandry judging team awards.

Carol Mattan, DG, last year's Little International queen, will crown the new Miss Ag Science who will reign over the one-day show. Bud Beasley, off campus, will emcee the banquet.

Moscow Boy Scouts will offer their services while working for merit badges.

Three Idaho International Farm Youth Exchange students will be on hand in costumes from the various countries they visited. They are Harvey Jensen, Japan; Phil Edwards, Burma; and Don Ingle, New Zealand.

Saturday Slated For Annual Campus Spring Clean-Up Job

Idaho students will give the campus a "spring cleaning" for Mothers' Day weekend when they go to work Saturday with shovels, brooms, and other tools.

Terry White, Fiji, chairman of the Blue Key sponsored event, said work will start at 8:30 a.m. unless there is inclement weather. Living groups will be required to clean the area around their houses plus do other assigned duties. The work roster is as follows:

- Duties**
- Campus Club, new tennis courts; French, area around Ridenbaugh Hall; Hays and Forney, Home Economics Building; Ethel Steel and Alpha Gamma, old tennis courts; Teke, Music Building.
- Kappa Sig, along Sweet Street from Blake to Deakin plus a detail for Ad Building lawn; Delta Chi and Theta, Perch, Nest, and Campus Christian Center; Kappa and Fiji, Infirmary and Home Management House.
- Sigma Chi, parking lot across the street and detail to Arboretum; Phi Delt, street in front and vacant lot at side; Delta Gamma,

ROYAL KING — Gordon Chester, Phi Delt, was named Royal King of the national chapter of Intercollegiate Knights at a recent convention in Billings, Mont.

Award Winner Is Last Movie

The Academy Award winner for the best film of 1932 will be this year's final SUB movie in the Borah Theater, Sunday. There will be showings at 7 and 9 p.m. "Grand Hotel," starring Greta Garbo, John Barrymore, Joan Crawford and Lionel Barrymore is the story of people living in a Berlin hotel.

Miss Garbo plays the part of a dancer who has just lost her lover and finds a new love, an arrogant baron, played by John Barrymore. The short is "Witch Doctor," a dance stylization of a voodoo rite performed by a Haitian with doctor with Jean Leon Destine dancing the title role.

"Witch Doctor" was a prize winner at the Venice and Edinburgh Film Festivals in 1952.

PAMPHLET IS ISSUED
"The Idaho Indicator," a pamphlet compiled by the ASUI, will be distributed to high school seniors visiting here this weekend. The publication is designed to help secondary students prepare for the college years ahead.

Money Donated To Mines Building

A new \$500,000 Mines Building at the University neared realization today with the report by President D. R. Theophilus to the Board of Regents meeting in Pocatello that the \$250,000 to be contributed by the mining industry of the state had been assured.

Following this report, the board named the architecture firm of James and Hicks of Coeur d'Alene to prepare construction plans and specifications for the building.

The last session of the legislature approved payment of \$250,000 from state bonded indebtedness funds to match the mining industry's gift. Availability of the state funds were assured by action of the legislature, which gave top priority to the Mines building for construction during the next biennium within the limits of the state's bonded indebtedness.

No Vote For Substitutes -- Erramouspe

(Continued from page 1)
 cil, on which he has worked this year, shows "enough merit to warrant its continuation." But he added that it is necessary that all members attend Board meetings so that a larger number of University living groups can be contacted and more students can give their ideas and opinions for University improvement.

Erramouspe, taking direct issue with other members of this year's

Exec Board, feels that substitute Board members should not have voting power.
 "The original members were elected by the students to serve them. Their replacements were not, and therefore shouldn't have voting power. As is evident anyway from what has happened this year, replacements have strong influence even though they have no vote," he said.

On activities, Erramouspe

says there aren't too many—just too many of the same people in them.
 "It should be the duty of the Exec Board, Coordination Council and house presidents to lead new students into activities," Erramouspe said.

He said many would become interested in campus activities, if they received a little push. The students then would get more equal representation, he thinks.

Recruitment of athletes probably won't change much in the next few years, Erramouspe said. But scheduling probably will, he added.

The Idaho-ISC rivalry is healthy for the state and the schools involved, especially because it gives the University publicity in South Idaho and adjoining states in that area.

Erramouspe complimented ASUI President Dick Kerbs for a "tremendous job" and said he thought the Board has accomplished much during the past year.

Specifically, he pointed out work done in student-faculty relations, student recruiting and talks with state legislators.

Erramouspe's activities have not been totally confined to the Exec Board.

He has been active in many other campus organizations and programs, including Blue Key and IKS. He has starred for four years in the intramural program.

Wednesday, he took the mound for Lindley Hall's softball team. He pitched a no-hitter.

Fifteen Grads To Receive Assistantships

Fifteen students, who will be graduated from the College of Letters and Science with either a master or bachelor of science degree in June, have received graduate appointments at other universities.

The grants range from \$1,500 to \$2,500 for graduate study.
 The recipients with the appointments and university they will attend follow:

Carolyn Edwards, teaching assistantship in English, Arizona State College; Kay Conrad, assistantship in home management and family economics, Pennsylvania State University; Elizabeth Curtis, assistantship in child development and family relations, Pennsylvania State University, all Gamma Phi.

Dick Loeppky, Delta Sig, assistantship, University of Michigan; William Gavin, teaching assistantship in mathematics, Cornell University; Charles Platt, fellowship in philosophy, University of Texas; Dee Humphrey, fellowship in political science, Princeton University; Raymond Cooke, teaching assistantship in history, University of Oregon.

More Names
 George Woodbury Jr., teaching assistantship in physical chemistry, University of Minnesota; Charles Crow, teaching assistantship in psychology, University of Wisconsin; Jay Waitz, fellowship, University of Illinois; Joseph Oppé, teaching assistantship, University of Pittsburgh.

And Helmi Habib, teaching assistantship, WSC; Dallas Pence, teaching assistantship, Stanford University; Dale Warren, teaching assistantship, Oregon State College, all off-campus.

Morning Drill Set For ROTC Units

Early morning drill for Air Force, Navy, and Army ROTC units will begin Monday from 7-8 a.m., and will run five days a week for two weeks.

The function is in preparation for the annual Spring Review, scheduled for May 15.

Air Force students will form at the football practice field adjoining Neale Stadium; Navy will assemble at the Navy building, and Army students will meet at the Gym.

Weeks Chosen As Chairman

Dr. Owen B. Weeks, acting head and associate professor of bacteriology will chair a committee to name a winner of the \$10,000 Hoblitzelle national award in agricultural sciences.

The award will go to the scientists making the most important contribution to American agriculture in the past four years and will be conferred at Renner, Tex., May 18, 1960.

Members of the state committee are all faculty members of the University. They are Dr. Kenneth R. Johnson, dairy husbandry; Dr. A. M. Finley, head of the Plant Pathology Department; R. H. Seale, College of Forestry; and Dr. Malcolm Renfrew, head of the Physical Science Department.

STICKERS AVAILABLE
 New yellow and black Vandal booster car stickers are now available free of charge at the ASUI office and at the Bookstore, officials report. They include the 1959 Idaho football schedule.

Law Day In Spotlight

By EDWARD S. STIMSON
 Dean of College of Law
 Most laymen think of law as the criminal law. Perhaps the protection afforded by the criminal law from those who would achieve their

aims by force is the most important function which law performs.

Order is essential to security and to progress and the good life. If only we could make this order world-wide and afford protection to the citizens of the world against war, domination, and discrimination, we would bring law to the zenith of its importance in the lives of all of us.

Of almost equal importance is the civil law which lays down the rules for civil conduct.

The law of contracts and torts provides a basis for the settlement of disputes and thus prevents the use of force in a way which is different from the criminal law but of equal importance. If disputes arise they can be settled in court without the use of self-help or private force.

With the above in mind President Eisenhower proclaimed May 1, 1959 as Law Day. He urged the people of the United States to observe this day with appropriate ceremonies and activities.

"This nation was conceived by our forefathers as a nation of free men enjoying ordered liberty under law," he wrote, "and the supremacy of law is essential to the existence of the nation. Appreciation of the importance of law in the daily lives of our citizens is a source of national strength which contributes to public understanding of the necessity for the rule of law and the protection of the rights of the individual citizen."

Air Officers Are Assigned

Two AFROTC instructors, Capt. Richard Denfeld and Major Paul Ross, have received new assignments, after three years at the University.

Denfeld has been assigned to the University of Utah, where he will study physics for two years in preparation for a teaching post at the Air Force Academy. He will leave Idaho in May.

Ross has received orders to report to Wright-Patterson AFB at Dayton, Ohio. Ross, who will leave Idaho in July, will be an Air Research and Development administrative officer.

Two Men Named To Navy Program

Two men enrolled in the Navy's contract program have been accepted into the Navy's Regular program. Regulars are midshipmen who are on scholarship.

Dennis Longfellow, Willis Sweet, and Robb Smith, Phi Delta, were approved by the Idaho State Selection committee, composed of President D. R. Theophilus, Dr. D. K. Worden, mayor of Lewiston, and Capt. G. F. Richardson, professor of Naval science.

David Heck, Lindley, was nominated for a Regular commission as the outstanding cadet of the freshman class.

First Academy Meeting Here

A total of 31 different research papers in the fields of botany, physical science and zoology will be read at the first annual meeting of the Idaho Academy of Science here Saturday.

Delivering the papers will be faculty members and students from the University, Ricks College, College of Idaho, Idaho State College, University of Kansas, Northwest Nazarene College, Lewis-Clark Normal School and a representative of Phillips Petroleum Co.

Sessions will get under way at 10:30 a.m. in the Borah Theater. Dr. Robert C. Miller, director of the California Academy of Sciences and secretary of the Pacific division of the American Association for the Advancement of Science, will speak on the relationship of the new academy to the American Association for the Advancement of Science.

A luncheon will be held for members and guests at noon with Dr. Lauren R. Donaldson, director of the radiation biology laboratory of the University of Washington, giving an eye-witness account of radiation biology at the Eniwetok test site in the Marshall Islands.

Section meetings in botany, physical science, and zoology will begin at 2 p.m. William Saul, Idaho State College, will chair the botany section; Dr. Malcolm Renfrew, University of Idaho, the physical science papers, and Lyle Stanford, College of Idaho, the zoology reports.

Following a banquet, Dr. Grant W. Smith, program director for Academic Year Institutes of the National Science Foundation, will deliver a talk on the role of the federal government in the current science education mobilization.

TO ARGUE CASES

Law students from the University will argue a mock lawsuit before the state Supreme Court in Lewiston next Monday. The Court will be in Lewiston until May 8.

Pocatello Student Seeks Payment

POCATELLO — An Idaho State College student from Shelton, Vt., has filed a suit seeking repayment of out-of-state tuition and the privilege of enrolling without paying the tuition.
 Stan Newman, an ISC student since September, 1957, contended he has been a continuous resident of Idaho since that time. In a suit filed in Fifth District Court, Newman asked refund of \$250 paid for the 1958-59 school term.

Newman claimed a ruling by the State Board of Education, requiring all persons to be residents of the state at least three months prior to enrollment, is unconstitutional. He named the board and the outgoing board chairman James E. Graham as defendants.

BROCKELBANK TO TALK
 Dr. W. J. Brockelbank, professor of law, will discuss and show slides of his trip to Haiti at a French Club meeting Monday, at 7:30 p.m. in the Borah Theater.

A double tubing was held Sunday for Dean Sorensen and Bill Montgomery as they went into the vat together to celebrate their plannings to Nadine Talbot and Kelly Frizelle, respectively.

CAMPUS CLUB'S Spring Formal dance was held Saturday, April 25. Guests included Mr. and Mrs. Bond, Mr. and Mrs. Billingsley, and Mr. Warren Bellis.

SAE's will hold a Spring Formal this Saturday night at the chapter house. A modern oriental theme

will be used for the dance.

ALPHA GAMMA DELTA had a birthday party and fireside for their housemother, Mrs. Gault. A visit is expected from their Provincial President next week.

KAPPA SIGMAS are looking forward to their annual spring cruise at Lake Coeur d'Alene this coming weekend. "Skip" McConnell, Roger Stoker, Earl Thomas and Jim Elliott were presented awards of merit by the Kappa Sigma's District Grand Master.

PI PHI guests this week have been Pat Kelly, Linda Campbell, Lynn Hallvik, Lila Davidson, Karen Lichten, all from Boise. Thursday evening the Pi Phis celebrated Founder's Day with the Pi Phis from WSC.

CHRISMAN HALL dinner guests have been Dr. J. H. Burgess of Moscow, father of Proctor Hugh

Burgess, and Mr. Roger Williams, a Boise architect.

McCONNELL HALL member, Ron Thomas, received the medal for the highest individual score in the Annual Inland Empire rifle match. Committees have been appointed for the upcoming spring picnic to be held at Lake Chatcolette May 16 with the girls of Ethel Steel.

DELTA GAMMA dinner guests last Sunday were Moscow high school girls. Several girls here for the Senior Days will be staying at the DG house this weekend.

UPHAM HALL'S proctor broke all tradition Wednesday by announcing that blue jeans and T-shirts would be proper dress for the evening meal. Larry Hossner was elected vice president of the Independent Caucus Wednesday evening.

700 Graduates, 50 Professors Enriched Idaho's Law School

By ALLEN DERR

History has written itself in half-hundreds at the University of Idaho College of Law. Today—50th Day USA—it's celebrating the 50th anniversary of its birth.

A little research reveals that this particular college, now housed in the revamped south wing of the Ad building, has had 50 faculty members and now has 50 students enrolled.

The college was independently established on April 14, 1909, and for the next 49 years the 700 students who were graduated studied on the third floor of the Ad building. But last fall the school took over most of the three wings which formerly housed the University library.

Dean Edward S. Stimson said no special ceremonies are planned today. Formal dedication of the new quarters is slated for next fall. A budgetary holdback on the state

level slowed arrival of new furnishings, including a full set of courtroom fixtures.

Of the 50 faculty members, only one has been a woman. She was Alberta Morrow (now Mrs. George Phillips of Pocatello) who taught the first semester of 1945-46.

Dean Stimson has been teaching for 25 years, 12 of them as dean at Idaho. He has published three books, four book reviews and 18 law review articles. The only man on the staff with a degree from Idaho, Prof. Thomas R. Walenta, is on sabbatical leave this semester studying at the University of Illinois.

GET LICENSES

Air Force cadet officers Richard Mackrill and Richard Bruckner, both Upham, have received private pilot's licenses. They recently completed training under the Flight Instruction Program.

FINALISTS — Delta Sig Dream Girl finalists include, from left, Lydia Himmelsbach, Theta; Judy Middleton, Gamma Phi; Kelda Johnson, Alpha Chi; Virginia Olds, Tri Delta; and Lorraine Potter, Kappa.

Idaho Man Begins Job In New State

Gary L. Kissler, off campus, engineering student at the University, is in Alaska for a second time because he likes the country.

Kissler is working for the US Army Engineering District, Alaska, the builder of Alaska's defense for the Army and Air Force. The same outfit employed him last year as a student engineering aide

CARWASH PLANNED

Work along with fun will be the order of the day as Forney Hall holds their first car wash Saturday. The girls will hold fort at the Conoco Station, 340 N. Main, from 9 a.m.—4 p.m. Any student desiring a clean car can have his car washed for \$1, said Marilyn Pritchett, hall president.

Coeds To Compete In SAE Olympics

Women students will again compete in the SAE's Sig Alpha Olympics to be held at 9:30 a.m., Saturday, May 16.

This year's event will include wheelbarrow race, egg throw, and 25-yard crawl. House representatives will be notified next week and a meeting will be held. Girls will be competing for the trophy that the Alpha Phi's won last year.

Outing Club Plans State Park Trip

Outing Club is planning a trip to Palouse Falls State Park in Washington tomorrow. Travel expenses will be shared, and interested students can contact Nick Tipple, McConnell.

Over spring vacation three members of the club, Dick Hodge, Willis Sweet, Fred Gaudet, Chis-man, and Tipple, went on a five day snowshoeing expedition to the Bitter Root Primitive area.

Rings 'n Things

ENGAGEMENTS

Jamie Mathews, Pi Phi, has announced her engagement to Chas Kahl, Phi Tau, who is now stationed at Fort Leonard Wood. Miniature engagement rings attached to place cards with the caption "With This Ring I Thee Wed" announced the engagement of Pat Quane, DG, and Fred Ring, Sigma Nu, Monday night at dinner.

PINNINGS

The pinning of Lois Walker, Pi Phi, to Roland Bassett, SAE, was announced by an original skit by the Pi Phi hashers Thursday at dinner.

Another SAE-Pi Phi pinning was revealed Thursday when the SAE's serenaded in honor of Sally Wilbanks and Ron Powell.

A fireside at the Pi Phi house Sunday night announced the pinning of Dama Wildig to Bob Val-lat, SAE.

Dave Christy, Teke, is pinned to Ruth Ann Shute, a Delta Gamma at Ohio State University.

"Are you troubled by obscene thoughts?"

"No, I rather enjoy them."

Crown-Chasing Divoters Host Pirates

With two victories over Northern Division opponents tucked neatly away on their tally sheet, Idaho's title-hopeful golf team matches scores with two non-conference opponents this weekend, then tilts conference rival Washington State Monday.

WSC and Whitman both have already fallen victim to the Vandal horde by scores of 18½ to 8½ and 33½ and 2½, respectively. Whitman battles Idaho today

This marks the first of two matches for Gonzaga against Idaho. Gonzaga is rated to have a strong team and will be led into the match by Bob Erickson, Mike Bowers, Greg Burrato, and Mike Dale.

Vandal Cindermen Meet Husky Invaders In Stadium Saturday

Idaho's powerful distance stable faces its biggest test tomorrow when the Washington Huskies invade Neale Stadium in the 16th Idaho-Washington dual track meet.

Vandals Finish Baseball Trip

Coach Wayne Anderson's Vandal baseball squad completed its road trip last night, facing the Oregon State Beavers on their home field at Corvallis. Results of the trip-ending clash were not available at press time.

The Idaho squad returns to Moscow today to begin preparations for the seven Northern Division games left on its slate. The Vandals open against Washington State May 4 on McClean field, then journey to Pullman the following day to tilt the Cougars on their diamond.

Against the Beavers Wednesday the Vandals couldn't see the ball as the hosting Oregon State crew slammed out an 11-0 victory. Starting pitcher Gary Moore backed up the OSC barrage with a four hit performance against the visiting Vandals.

Roger Watts took the initial mound chores for Idaho and lasted until the second inning when Denny Solt came in to try to quell a Beaver surge. Solt finally managed to retire the Beavers after they had a 5-0 edge.

Solt lasted until the fifth inning when reliever Jim Neese came out of the bullpen with Idaho trailing by an 8-0 margin. The Beavers picked up three more runs from Neese for their final edge.

For the Vandal distancemen, tomorrow will be a busy day. Idaho's four top long distance tracksters, Ron Adams, Dick Boyce, Frank Wyatt and Pete Reed, along with middle-distanceman Dave Durham, will face four Huskies generally conceded to be among the finest cindermen on the coast.

Washington's Jack Larson will probably meet Adams in the mile. Larson appears to have the edge, holding a 4:11.5 mile clocking this season while Adams has a 4:21 best-season time.

In the two-mile Wyatt holds the edge, his 9:16 two-mile some four seconds better than Ernie Brannon's 9:20.5 best time.

Halfmiler Boyce faces one of the stiffest tests of the day, running against Washington's Bill Moser. Moser has clocked in at 1:53.3 this season, Boyce at 1:54.6.

Durham will compete with defending coast champion Terry Tobacco in the 440 and Tobacco's fleet-footed teammate, Rich Harder. Tobacco has a :48.5 clocking to his credit, Harder a :48.6.

Durham has yet to break the 50 second mark this season, his best effort standing at :50 flat.

Only hurdler Bill Overholser seems to be a favorite in the shorter distances to win over the Huskies.

Betas Cop Intramural Track Crown With Six First Places

Beta Theta Pi picked up its first intramural trophy of the year Tuesday, romping to a lop-sided 178-126 win over second place Alpha Tau Omega for the 1959 intramural track championship.

The Betas ran up six firsts in the meet, four more than the runner-up ATO squad.

Dale Dennis picked up the only first place honors for the ATO group, over-coming a damaged leg muscle to take the 120 high hurdles and 200 low hurdles.

The Betas swept first and second place honors in both the 100 and 200 yard dashes, Duane Saxton leading teammate Hilmar Lunde to the wire in both. In the 50 yard dash Beta Mike Gray flashed across the finish line with a :05.5 clocking for first place.

The Beta's 880 yard relay brought its preliminary time from 1:43.3 to 1:40.6 to edge past the favored Willis Sweet Hall's relayers.

In the field event Mike Stowe took broad jump honors for the Betas, soaring 19-8 to top the field. Bruce Cairns picked up the other Beta first, leaping 5-10¾ for the high jump title.

Phi Kappa Tau, Sigma Alpha Epsilon, and Tau Kappa Epsilon and Willis Sweet Hall finished out the top six finalists, the Teke and Willis Sweet group tying for fifth place laurels.

In bowling action Town Men's Association and Willis Sweet Hall are slated to clash for the campus crown next Tuesday, both teams advancing to the finals on the strength of semi-final victories.

Hoop Schedule Set For '59-60

An unnamed new Vandal basketball coach will find a loaded 26 game schedule for the 1959-60 season waiting for him. Oregon State, Oregon, Washington State and Washington will be familiar foes on the maple court, despite the fact that there is no more Pacific Coast Conference.

Two new opponents, Portland and Seattle universities, will be on the list, Gonzaga appears again on the Idaho schedule after being missing for several years.

The Far West Classic, an eight team tourney at Eugene, Oregon, will include Idaho in its lineup this season for the first time. Again this year, the Vandals will play two successive night games at Boise and Twin Falls against Utah State.

WSC Cougars will battle the Vandal five in a three game series. Two of the games will be played on the Pullman court.

Idaho Babes Match WSC

The Idaho frosh baseballers, fresh from a two game sweep last weekend, travel to Pullman today for a return bout with the Washington State frosh.

Pat Townsend, holding a 2-1 pitching record for the Babes, will be on the mound for coach Jim Brantom's crew.

Saturday the frosh play Lewis-Clark Normal here. Jerry Rush, holding a 1-1 pitching record, will get the call for the Saturday contest.

Brantom's ball club has looked like a potential powerhouse at times this season, despite being hampered by bad weather restricting practice to the Idaho field house.

"Townsend and Rush have done truly fine jobs for us so far this season," Brantom commented, "both have looked very good."

Backing up Townsend tomorrow will be Angelo Sakelaris at first base, Bill Meyers at second, Norm Pfeiffer at shortstop, Larry Tripp, at third and Ron Scrivner behind the plate.

In the outfield Ken Waide will get the starting call in center field, Roger Knapp will take over the right field chores and Bud Light will appear in center.

- Intramural Track Results:**
- 120 high hurdles—Dennis (ATO), Myers (PKT), McGinn (MH) :15.55
 - 100 yard dash—Saxton (BTP), Lunde (BTP); Tilton (TKE) :10.45
 - 1320 yard run—Smith (PKT), Rank (BTP), Jones (SAE) 3:36.5
 - 50 yard dash—Gray (BTP), Burns (SAE), Berger (CH) :5.5
 - 300 yard dash—Kovacs (WSH), Schmidt (TKE), Norell (PKT) :36.9
 - 200 yard dash—Saxton (BTP), Lunde (BTP), Norell (PKT) :20.55
 - 600 yard run—Smith (PKT), Cairns (BTP), Donor (ATO) 1:32.4
 - 200 yard low hurdles—Dennis (ATO), Stowe (BTP), Tovey (PG-D) :24
 - 880 yard relay—BTP, WSH, ATO 1:40.6

Idaho Loses Fine Coach, Real Gentleman, As Hodges Resigns

Idaho lost one of its finest gentlemen Wednesday and future Vandal basketball teams lost the coaching talents of Coach Harlan Hodges.

Coach Hodges, who graduated in chemistry from Southern Illinois University, came to Idaho as head-hoop coach in 1955 to succeed Chuck Finley. In 1958 the Vandals, under Hodges, swept to one of their finest seasons in recent years, running up a 9-7 record, good for fourth place in the PCC.

For this writer, Coach Hodges' decision to step up to his new position as superintendent of Anna, Ill., high school was a deep personal loss. After working with Hodges through last basketball season, this columnist came to have as great a respect for the likeable "Southern Gentleman" as for any instructor or coach at Idaho.

Coach Hodges is, we can say without doubt, one of the finest men, both as a coach and as a person, that we have had occasion to associate with. We feel that the

man who replaces Coach Hodges has an extremely excellent example to follow. Beyond that, what more can be said?
