

### Burner Gift For Ag Study

A gas-fired incinerator, the gift of southern Idaho production credit associations interested in livestock industry research, will be formally presented to the University during the annual sheep day program at the Caldwell branch station Saturday.

The incinerator was given to the livestock disease laboratory at Caldwell by the Eastern Idaho Production Credit Association, Pocatello; Idaho Livestock Production Credit Association, Boise; Southern Idaho Production Credit Association, Twin Falls; and the Western Idaho Production Credit Association, Caldwell. Value of the equipment is approximately \$600.

Although the main function of the incinerator will be to destroy diseased materials after research study, the new equipment will make possible more accurate scientific examination of residues after burning.

### Vandal Tennis Squad Beaten

The Oregon State tennis team duplicated their cross-state brethren, the Oregon Ducks on the net courts Saturday, pounding out a 5-2 win over the Vandal racket men.

The Oregon Ducks gathered a 4-3 victory Friday over the fighting Idaho tennis squad in a game played on the Vandal courts.

Paul Skurana paced the Oregon visitors through the initial sets, taking Vandal Lynn Benson 6-0, 6-1, in an individual match, then coming back to team with Denny Todd to take a doubles victory over Benson and Vandal Dave Campbell.

The entire meeting was played despite cold, windy and wet weather conditions, with a severe dust-rain storm slowing up some of the earlier matches.

**Individuals**  
Skurana (O) def. Benson (I) 6-0, 6-1  
Campbell (I) def. Todd (O) 6-3, 4-6, 6-0  
Stafford (O) def. Smith (I) 6-5, 6-4  
Guenther (O) def. Sudweeks (I) 6-1, 6-2  
Livingston (I) def. Hall (O) 8-6, 1-6, 6-3

**Doubles**  
Skurana-Todd (O) def. Benson-Campbell (I) 6-2, 6-3  
Burke-Stangeby (O) def. Smith-Livingston (I) 6-1, 6-4

**RENEW TO SPEAK**  
Dr. M. M. Renfrew, head of the Department of Physical Sciences, will speak on "The Individual in Team Research" tonight for the annual initiation banquet of the Idaho chapter of Sigma Xi at the Moscow Hotel.

**BETAS WIN WITH 4,810**  
The Betas carted 4,810 Marlboro cigarette packages into the ASUI office Friday and took an RCA Stereophonic phonograph home as first prize in a campus contest.

Then there's the old Arabian Mother's Day song, "Oh, What a Bag Dad Had."

## FINAL EXAMINATION SCHEDULE

### Second Semester 1958-59

(Two and one-half hour examinations—three examination periods each day)

Regular class rooms will be used for the examinations unless instructors make special arrangements through the Registrar's Office. Examinations in courses comprised of lecture and laboratory periods may in most instances be scheduled according to the sequence of either. Announcement of time and room should be made by the instructor for all examinations. Rooms should be reserved in the Registrar's Office for "arranged" examinations in order to avoid conflicts. Instructors will announce to their classes rooms to be used for all sectioned classes having common final examinations.

### Art Winners Given Prizes

With over 120 entries to choose from, art judges Mrs. Tom Armour, Lewiston, and Gaylord Hansen of the WSC art faculty, picked three division winners in the SUB Student Art Contest Friday.

Prize winning entries and awards in the oils division included "Monday's Child is Fair of Face," by Sandra Summerfield, off campus, first, \$12.50; "Still Life," by Ron Goodwin, Delta Chi, second, \$7.50; and "Portrait," by Anne Kirkwood, off campus, third, \$3.50.

Watercolor winners included "Two Blue Eyes—One Red Dress," by Goodwin, first, \$10; "Group Portrait," by John Thamm, Phi Delta, second, \$5; and "The Village," by Duane Shim, off campus, third, \$2.50.

In the mixed media division "J. Davis Given Law Award" by Lon F. Davis, off campus, a college of law student from Meridian, has been awarded a \$350 Rocky Mountain Mineral Law Foundation scholarship, it was announced yesterday.

The scholarship is awarded annually to an outstanding student in each of the nine law schools in the Rocky Mountain area who are members of the foundation. Its purpose is to encourage research and study in mineral law.

**SPONSOR MOVIE**  
Alpha Epsilon Delta, pre-med honorary, will sponsor a surgical movie Wednesday at 7 p.m. in the Borah Theater, according to Don Humphreys, president. A meeting will be held after the film to elect chapter officers.

**SEWING HANDIWORK TO BE IN SHOW**  
Student and faculty wives will show off their sewing handiwork at the annual Dames Club fashion show at 8 p.m. Wednesday in the North Ballroom of the SUB.

The style show, open to the public, will be divided into three divisions with prizes in each group, Lea Quintieri, club historian, said. Awards are donated by Moscow merchants.

The divisions are casual, mother and child, and dress.

### Frat Initiates New Members

Five University coeds and a professional newspaper woman from Lewiston will be initiated into Theta Sigma Phi, women's journalism fraternity, here Wednesday night.

Initiation rites will be conducted at 7 p.m. in conference room E for Polly Walker and Julie Temple, off campus; Kay Conrad and Carolyn Edwards, Gamma Phi; Donna Hoobing, Forney Hall; and Mrs. Gladys Swank, editor of the Clarkston (Wash.) Herald.

A pledging ceremony for newly tapped coeds will be held after the initiation. Pledges are Neela McCowan, DC; Sonja Carlson, off campus; June Powells and Lorna Woelfel, Kappa.

### Modern Highways, Fast Speeds Poor Combinations For Safety

Are you a speed demon when you're in the driver's seat? Today's motorists are becoming faster drivers at the same rate as the horsepower ratings in late model cars rise. It's very easy to drive at speeds of 100 to 120 m.p.h. without the benefit of special fuels or engines.

The highways are becoming straighter and wider until there are numerous good places to try out a car and "see what she'll do." But not many motorists know what their tires are doing at these high speeds. A recent publication put out by the testing laboratories of one of the nation's leading tire manufacturers shows what happens to tires at high speeds.

At 100 m.p.h., for example, a tire will make about 1,400 revolutions a minute. A laboratory picture taken at one one-thousandths of a second is graphic proof of tread distortion. The tire on a high speed treadmill showed surprising contortions. Although the picture was very sharp, it showed the tire as it might be reflected by one of the laugh-evoking mirrors at a side show.

The handout also showed that the average rayon tire traveling at this speed only has about half its tread surface touching the roadway. A nylon tire has one-fourth less tread surface. It's just like marine splash boards that help lift a speeding boat out of the water. Speed is gained but what about control?

Then there is always the threat of heat generated that can actually tear away chunks of a tire's tread. All this doesn't mean that your passenger tire will fly apart at turnpike speeds. It's only

# Hays Hall, Delta Chi Slate Events For Next Weekend

By SHARON LANCE  
Arg Women's Editor

Long hours of planning and hard work materialized last weekend when Idaho living groups competed for the coveted May Fete and Song Fest trophies and collected memories of another busy, but successful Mother's Day weekend. With this last big event of the school year completed, and only one more open weekend, Idaho living groups are clamoring to stage the last formal and outdoor activities of the year.

**HAYS HALL** mothers were honored at a tea Saturday afternoon. Visiting "moms" also had ring-side seats to watch the Hays "hairy chested" entry, "Phi", compete in the Phi Delt Turtle Derby. Joan Fisher, senior voice major, was honored at a hall reception immediately following her recital Thursday evening. For the busy week ahead, the Hays coeds have planned a water ski function with the Phi Taus, a lawn party with the LDS House and the annual birthday dinner.

**PHI TAUS** formally pledged Lee Storey at ceremonies Wednesday evening. Sunday dinner guests were Mr. and Mrs. C. D. Scoville, Mr. and Mrs. O. T. Smith, Mrs. Earl Hudson, Earline Hudson, and Mr. and Mrs. Sherried Hudson. Jim Morse, Gault and Larry Curry, McConnell were dinner guests Wednesday.

**ALPHA CHI** seniors Kay Haberknecht, Mary Jo Mace, Mary Sue Kniefel and Pat Iverson were honored at the Senior dinner Tuesday evening. Each guest was presented with a crystal plate by the Moscow alums, who annually sponsor the event. Connie Lofthouse and Diane Bechwith, both of Boise, were weekend home guests.

**WILLIS SWEET** weekend guests were Mrs. H. P. Walter, Jerome; Mrs. Charles Bailey, Hansen; Mr. and Mrs. Hymas and family; Mr. and Mrs. Emerson and family; Spokane; Mr. and Mrs. Slind, Kendrick; Mr. and Mrs. W. J. Crea, Fern; Mrs. W. J. Grant, Nampa; Mr. and Mrs. A. R. McCabe, St. Maries; and Mr. and Mrs. L. J. Kerrick.

**KAPPAS** entertained Bob Pierce, Dick Bohlscheid, Harry Stunz, Sigma Nu; Jack Flack and Jerry Shively, Delt; Hal Gustafson, ATO; Bill Montgomery and Dean Sorenson, Beta; Don Macklin, SAE from WSC and Jack Marneau, off campus, at their annual Sweetheart Dinner Wednesday. The SAEs serenaded Kappas and their visiting mothers at a special fireside Friday evening. Leonard, the Kappa Turtle Derby contestant, "took his time" in the race and place sixth in the competition. Kappa mothers were honored guests at a dinner Sunday.

**DELTA CHI** observed Mother's Day in proper style with a special dinner Sunday. Guests included Mrs. Johnson, Mountain Home; Mrs. Wallington, Jerome; Mrs. Potter, Twin Falls; Mrs. Davenport, Idaho Falls; Mrs. Conklin, Spokane; Mrs. Holcomb, Burley; Mrs. Davies, Nampa and Mrs. Fitzgerald, Moscow. Other guests were Judy Conklin, Mr. Conklin, Mr. Davies, Mr. Johnson and Lorraine Potter, Kappa. John Fitzgerald, Bob Pinkston, Bill Herr, Mike Williams, Brody Conklin and Jim Child entertained before and after the dinner. High school students, Chuck Robinson and Louis Montros, Mountain Home, were house guests for the past week.

**THETAS** "rolled out the royal carpet" for thirty-six mothers who visited the campus for May Fete and Mother's Day activities. The Thetas and Betas finished off song

practice Thursday night with refreshments and singing. Nancy Tefft, Spokane, was a weekend guest and Julie Wildig, Boise, stayed at the house Sunday night. Joining with the Thetas for "roudy night" last Wednesday were Frank Nosek and Larry Jepson, Sigma Nu, and Dave Samuelson, Kappa Sig.

**DELTA CHIS** will have "a night to remember" Saturday when they stage their spring formal. A WSC quartet will provide the music. Elected to lead the Delta Chis are new officers Jon Mellen, president; Ralph Hatch, vice president; Jack Marek, house manager; Pete Welch, corresponding secretary; and Larry Bardsley, pledge trainer. Over 20 mothers were guests for the Mother's Day weekend. Other weekend guests were Jim Carrie and Ray Hale, Mountain Home and Keith Stackhouse, who is now stationed with the U. S. Navy in California.

**TRI DELTS** climaxed a busy and exciting weekend when they walked off with first place honors in the Song Fest competition Sunday. Over 100 guests visited the "buzzing" chapter house over the weekend. Tri Delt members challenged their pledges to a contest of strength and endurance at a house picnic Wednesday evening. The pledges, however, proved their strength by winning the tug-of-war which was the main event. SAEs honored Marilyn Voyles at a pinning serenade Sunday night.

**FARMHOUSE** welcomed Malcolm King, a sophomore majoring in Range Management, into their pledge ranks last week. Mother's Day guests included Mrs. Allen, Mrs. Fowler, Mrs. Hatfield, Mrs. Sasser and Mrs. Stroschein. Other recent dinner guests were Prof. and Mrs. Boyd Martin, Dick Chelene, Chrisman, and Vern Kuhl and John Reed, Willis Sweet.

**GAMMA PHI** Moscow alums were honored with tea and dessert Wednesday evening at the chapter house. A busy week of preparation was climaxed when Gamma Phi mothers were honored with a buffet dinner Saturday evening. Marjorie Mottinger, West Covina, Calif., returned to the Idaho campus after an illness which has kept her at home since spring vacation. Betas honored the Gamma Phis with a serenade Friday night.

**SIGMA CHIS** entertained over 30 mothers and other guests at a special Mother's Day dinner Sunday. Guests were Mr. and Mrs. Wayne Tefft and their daughters, Nancy and Jeannie; Mr. and Mrs. Marcus Morton; Mr. and Mrs. George Schwenger and their daughter Jean; Gary Fattico; Mrs. Mary Gerpeide; Mr. and Mrs. Lester Paff, Mrs. Ralph Rudolph; Mrs. Kenneth O'Leary; Mrs. E. W. Keller; Mrs. August Young; Mrs. A. J. Alexander; Mrs. Lou Hill,

Mrs. Max Handley, Mrs. Leary Mills and Mrs. Vern A. Nelson. Other guests were Mrs. Lester Johnson, Myrtle Creek, Oregon; Mrs. Leo Radke, Twin Falls; Larry Mengas, Northport, Washington; Susan Deck and Joan Caraher, Maryhurst College and Marilyn Reeve and Mike Beglan, Alpha Chi. The Sigs honored their housemother Mrs. Magnussen with a serenade at her home Sunday night. House elections were held Monday night.

## ASUI Student Government Far Advanced

Three student body leaders learned last week at the Pacific Student Body President's Assn. convention that the ASUI student government is far advanced as compared to most western schools, but improvements can be made. Attending the meeting at Reno, Nev., were ASUI President Laird Noh, Vice President Karl Bittenbender, and Dick Kerbs, former student body president. About 250 delegates from 80 western universities met for incoming-president orientation and to exchange ideas. "Probably the most impressive thing we learned at the meeting is how well off we are at Idaho and how far advanced our student government is," said Noh.

"A lot of schools are at the stage of getting students on faculty committees," he explained. "They don't seem to be as advanced because we had a lot more to offer than most of the other schools."

Noh said the Idaho Indicator, an ASUI publication to help high school students prepare for college, was well received.

"Emphasis was placed on students entering into the academic areas of the campus such as planning curricula and stimulating a learning atmosphere," he said. Bittenbender outlined several ideas the group brought back that might be beneficial to the University.

"A general freshman orientation course to help new students learn such things as good study habits.

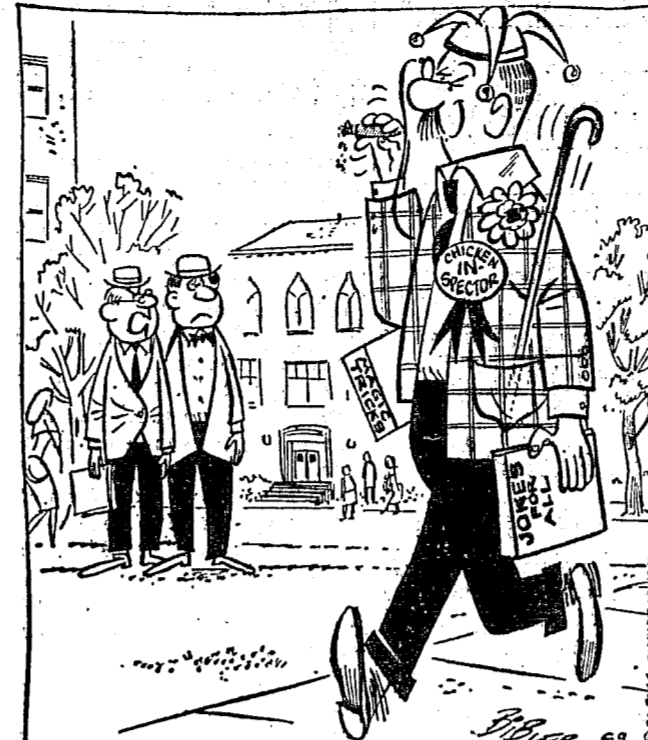

"A freshman camp before school starts to let students get acquainted and to learn about student life.

"International week for foreign students.

"Faculty member sounding board held regularly to air university problems.

"Where did you get that shirt?"  
"In the war."  
"What war?"  
"The boudoir."

## LITTLE MAN ON CAMPUS

OH, HE'S OUR MOST POPULAR HISTORY TEACHER ALL RIGHT, BUT I HEAR HIS STUDENTS DON'T LEARN MUCH FROM HIM.

## Coed To Get Scholarship

An outstanding University coed will be awarded a \$200 scholarship at the Tri Delt sorority house at the 15th annual "Pansy Breakfast," Sunday at 9 a.m.

Other features of the show will be the traditional walk through the pansy ring by recently married or engaged couples, and a style show, featuring a spring wedding display.

The breakfast is given in honor of all senior women on campus, and as a national Tri Delta project, was first held on the Idaho campus in 1944.

Applications for the scholarship were taken earlier this month by Dean Marjorie Neely. It is awarded on the basis of need and scholastic achievement. Nearly 2,000 students have received a total of over a quarter of a million dollars from the National Philanthropic Program since it was initiated in 1944.

## Women's 'I' Club Chooses Officers

The women's "I" Club met for its first meeting with the newly tapped members Sunday evening.

The new officers elected at the meeting are: Marian Clark, French, president; Edna Jones, Alpha Gamma Delta, vice-president; Pat Kelly, Tri-Delt, secretary; Myrna Leatham, Forney, treasurer.

Those tapped at the recent WRA Recognition Hour are: Janet Cooke, Kay Garten, DG; Darl White, Diane Smith, Pi Phi; Joyce Tieggs, Ella McPherson, Alpha Phi; Edna Jones, Alpha Gam; Marian Clark, French; Alice Giroux, Myrna Leatham, Forney; Linda Edwards, Lois Proctor, Steele; and Pat Kelly, Tri-Delt.

## Rings 'n Things

Adding to the excitement of the weekend were the announcements of weddings, engagements, and pinnings.

**WEDDINGS**  
The marriage of Joe Randall, Delta Chi, to Norma Brown, Weiser, was recently announced. The couple were married during spring vacation.

**ENGAGEMENTS**  
The beaming face of Wanda Peters revealed her engagement to Roger Stoker, Kappa Sig, at an Alpha Chi fireside Sunday evening. The Alpha Chis began to sing the Kappa Sig sweetheart song before Wanda blew the candle out.

Helen Farmin called "all hands on deck" to announce the engagement of Louretta Alley, Kappa, to Clyde Lofdahl, Willis Sweet, Thursday night. A box of candy was then passed.

**PINNINGS**  
A pink candle tied with a pink bow was passed around the Kappa circle to announce the pinning of Carol Ann Haddock to Don Macklin, SAE from WSC.

Miniature progress reports, presented to members at Sunday dinner, announced the pinning of Marilyn Voyles, Tri-Delt, to Theron Spencer, SAE.

**GARDNER ELECTED**  
Del Gardner, Chrisman Hall, was elected president of the Student Idaho Education Association at its last regular meeting.

Other new officers are Vauna Blevins, Alpha Chi, vice president; Orinda Hamon, Forney, secretary; Ludel Boyd, Forney, treasurer.

## Dr. Harry Zion To Deliver Second Of Lecture Series

The second of the current Westminster Foundation Marriage Lecture Series will be held tonight at the Campus Christian Center. Harry E. Zion will discuss "Engagement and Marriage" at the lecture. CANTERBURY HOUSE

Robert Stevenson, Idaho Canterbury President, was elected representative-at-large at the Northwest Regional meeting of the Canterbury Associations which was held last weekend.

The Reverend Ward McCabe, 8th Province Secretary for College Work and the Reverend Duncan McCoy from the WSC Canterbury chapter will be guests for the regular Sunday supper. Mr. McCabe will address the Canterburyans at 7 p.m. Breakfast will follow Wednesday Communion which begins at 7 a.m.

**WESTMINSTER FOUNDATION**  
Harry E. Zion, director of student health at WSC, will deliver the second speech in the current Marriage Lecture Series tonight at the Campus Christian Center. The lecture, which is entitled "Courtship and Engagement" will begin at 7:30 p.m. Mr. Zion will discuss the value of the engagement period, the mode of conduct and the importance of playing the field.

**Lofdahl Is Campus Citizen Of Week**  
An Idaho mechanical engineering senior this week was honored as "Campus Citizen of the Week" by the Spokesman-Review. He is Clyde Lofdahl, Willis Sweet, who is president of his class. Lofdahl was runner-up for the Associated Students presidency last year.

**DEGREE DEADLINE SET**  
Saturday will be the last day that student wives can register for "PHT" honorary degrees, ASUI General Manager Gale Mix said today.

Coming to Moscow by motorcade from Washington, D. C., the huge exhibit shows the Army's display to cope with small, limited conflicts as well as all-out atomic war. It will also forecast weapons of the future.

The displays span the historical and technological evolution of weaponry from man's earliest attempts to defend himself in the Stone Age to the present atomic-electronic-missile era.

The exhibit, prepared by the Army's Chief of Information, explains the concept behind the STRAC forces and emphasizes the requirements for far-ranging mobility, long-range firepower and wide-range communications, necessary to win an atomic war.

ADVENTURES IN SOCIAL SCIENCE: NO. 3  
Today, ranging again into the fascinating world of social science, let us take up the subject of anthropology—the study of man and his origins.

The origin of man was indeed a puzzle until the Frenchman, Jean-Louis Sigafoos, discovered the skull and shinbone of Pithecanthropus Erectus in Java in 1891. What Sigafoos was doing in Java is, incidentally, quite an odd little story. Sigafoos was a Parisian born and bred. By day one could always find him at a sidewalk cafe, sipping barley water and ogling the girls; each night he went to a fashionable casino where he gambled heavily at roulette and go-fish; in between times he worked on his stamp collection, which was one of the largest in Paris.

Well sir, one summer Sigafoos lost his entire fortune gambling at the casino. He was seriously contemplating suicide when, quite unexpectedly, a letter arrived from one Lotus Petal McGinnis, a Javanese girl and an avid stamp collector, with whom Sigafoos had been corresponding from time to time through the international stamp collectors journal. Until now the nature of their correspondence, though friendly, had been strictly philatelic, but in this new letter Lotus Petal declared that although she had never laid eyes on Sigafoos, she loved him and wanted to marry him. She said she was eighteen years old, beautiful and docile, and her father, the richest man in the tribe, had agreed to give half his fortune to the husband of her choice. Sigafoos, penniless and desperate, immediately booked passage for Java.

The first sight of his prospective bride failed to delight Sigafoos. She was, as she said, beautiful—but only by local standards. Sigafoos had serious doubts that her pointed scarlet teeth and the chicken bones hanging from her ears would be considered chic along the Champs Elysees.

But sobering as was the sight of Lotus Petal, Sigafoos had an even greater disappointment coming when he met her father. The old gentleman was, as Lotus Petal claimed, the richest man in the tribe, but, unfortunately, the medium of exchange in his tribe was prune pits.

Sigafoos took one look at the mound of prune pits which was his dowry, gnashed his teeth, and stomped off into the jungle, swearing vilely and kicking at whatever lay in his path. Stomping thus, swearing thus, kicking thus, Sigafoos kicked over a heap of old bones which—what do you know!—turned out to be Pithecanthropus Erectus!

But I digress. From the brutish Pithecanthropus, man evolved slowly upward in intellect. By the Middle Paleolithic period man had invented the leash, which was a remarkable technical achievement, but frankly not particularly useful until the Mesolithic period when man invented the dog.

In the Neolithic period came the most important discovery in the history of man—the discovery of agriculture. Why is this so important? Because, good friends, without agriculture there would be no tobacco, and without tobacco there would be no Marlboro, and without Marlboro you would be without the finest filter cigarette that money can buy, and I would be without a job.

That's why.  
© 1959 Max Shulman

Without tobacco you would also be without Marlboro's sister cigarette, Philip Morris, a non-filter smoke that can't be beat. Philip Morris or Marlboro—pick your pleasure.

# Idaho Golfers Win 2 Matches And Northern Division Title

## Surprise Ducks, Beavers On Blustery UI Course

Idaho golfers this week-end captured their first Pacific Coast Conference Northern Division golf crown. Squeaking by Oregon Friday with a 16½-10½ victory, the Vandals went on to clobber Oregon State 20½-6½.

Idaho shares a 4-1 win record with the Ducks, but claims the crown on the results of Friday's match.

Idaho scored triumphs over Washington State, Washington, Oregon, and Oregon State and fell once to WSC. Whitman twice fell victim and Gonzaga garnered a tie in other non-conference matches.

**Beavers Sunk**  
In Saturday's match against the OSC Beavers, Idaho took the best-ball lead 5½ to 3½ and smashed the Beavers 15 to 3 in individual matches.

Although hampered by strong winds and rain, Rusty Sheppard paced Idaho with 67. He was followed by teammates Dave Smith at 71, and Ray Kowallis and Don Modie each with 74.  
Tom Carter headed the Oregon State delegation with a 71. John Dunkin and Leighton Tuttle shot 14 and 76, respectively, for the Beavers.

**Vandal Frosh Continue Wins; Edge Couababes**  
The Idaho frosh baseball team ran its won-lost record to 4-1 Friday, edging the Washington State freshmen 7-6 on the strength of yearling pitcher Pat Townsend's fourth-inning home run.  
The victory gave the Babes their second win of the season over their cross-border rivals, duplicating an April 24 triumph. The Vandal frosh face the Couababes again this Friday, traveling to Pullman for the tilt.

Shortstop Norm Pfeiffer, the top frosh hitter last week, had a hand in the major Babe scoring effort of the day, in the second inning. With two out and the bases loaded, Pfeiffer unloaded a scorching single into the outfield. The WSC outfielder fumbled the ball and Pfeiffer followed his teammates around the bases, scoring easily. The error gave the Vandals two additional unearned runs, coupled with Pfeiffer's two runs batted in.

**Townsend added the finishing touch, firing 10 strikeouts, and banging a towering home run in the fourth with one man on base.**  
Ron Scrivner singled before Townsend came to the plate, picking up one of his two hits for the day. With Townsend's 340-foot knock Scrivner came home, followed by pitcher Townsend.  
Couababe pitcher Ray Norton was lifted after Townsend's long hit. He gave way to reliever Jim Evans with the visiting WSC contingent trailing by a 7-0 count.

**Rush Seals Win**  
In the seventh inning Townsend ran into difficulties, with the Couababes gradually catching up to his hurling. Relief pitcher Gerry Rush stroled out to the mound and preserved Townsend's victory, giving up one run and one walk in two innings.  
The young Vandals pounded Norton and Evans for a total of seven hits, with Townsend and Rush giving up a total of five hits to the Cougar frosh.  
WSC made one serious effort in the seventh inning, bagging three runs on two hits before Rush came on to squelch the Cougar rally. The seventh-inning outbreak, coupled with a pair of runs in the sixth and a lone tally in the ninth, accounted for the visitors' scoring.

**Search Continues For New Mentor**  
The search continued for a successor to hoop coach Harlan Hodges this week, as Athletic Director Bob Gibb reported that "while we haven't counted applications recently, there's quite a few of them."  
Gibb, who had hoped to announce the new hoop coach by June first, remarked yesterday that it was doubtful the target date could be hit.

### Falcons Finish Drill Sessions On Grid Field

Idaho's fourth grid opponent next year, the Air Force Academy, came through spring football drills with a precision that brought smiles to the faces of several Falcon coaches, according to a recent Falcon press release.

The Falcons, who swept to a 9-0-1 record last year and a 0-0 tie with Texas Christian in the Cotton Bowl, have 13 returning lettermen from their 1958 football squad. Twelve Falcons graduate and will not be on hand next fall.

The Falcons will have two All-American candidates on their roster next season, quarterback Rich Mayo who finished fourth nationally last year as a sophomore passer, hurling 98 completions in 174 attempts, and guard Capt. Howard Bronson.

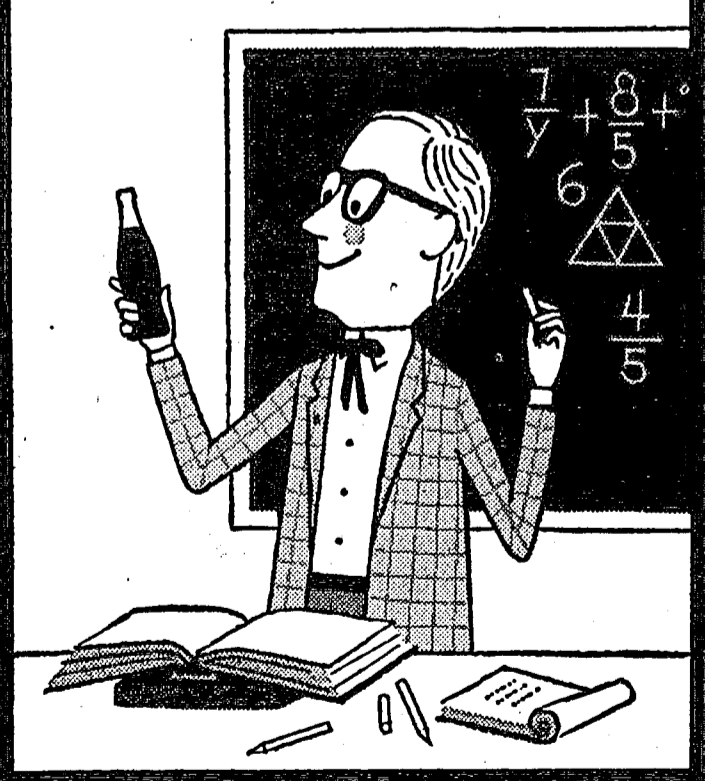

Bronson, a 5-10, 185 pound senior, is rated as one of the top defensive linemen by the Falcon coaching staff.  
"Howie not only comes up with a great number of tackles, but so many of the key stops," Assistant coach John Ignarski stated. "He is an outstanding linebacker. He gives out, at all times, whether getting down under a punt, covering on a pass, pursuing, or making the tackle."

The Falcon roster also lists five men as being prospective All-Section candidates, with both halfbacks and the fullback listed as All-Sectional potential greats.

The Falcons, who operate out of a Wing-T, usually with an unbalanced line, are reportedly solid in the backfield with capable performers, including reserves, at all spots. The guards also seem strong, backed up by a good reserve bench.

In their annual spring football game the Falcons divided into two squads, the blues and the silvers, and battled to a 14-14 tie.

"Carry your bag, sir?"  
"No, let her walk."

# Oregon Nine Husky Thinclads Down Vandals As Marks Fall

The University of Oregon handed the Idaho Vandals their eleventh straight Pacific Coast Conference baseball defeat last night, pounding out a 5-1 victory over the Idaho spikemen.

**Idaho meets the Ducks on McLean field again today, hosting the visiting Oregon crew at 3 p.m.**  
Vandal pitcher Val Johnson went all the way for coach Wayne Anderson, holding the Ducks scoreless until the fifth inning when the visitors managed a tying single to match a first inning Vandal run.

Oregon pitcher Jack Loy teamed with former Lewiston American Legion great Ellis Olson for the win, Loy hurling six strikeouts, and giving up only four hits in the course of the contest.

Olson set up the winning run in the eighth inning, following teammate Walt Barnski to the base path after Barnski drew a base on balls. Olson sent a line drive between second and third base, moving to first. Ron Walp smashed another single between second and third, leaving Jim Bode's ground rules double to win the game for the Ducks.

Bode smashed a long drive into left field, the ball hopping over the fence to register as an automatic double under Idaho field rules.  
Johnson struck out two men, giving up 12 hits to the power-driving Oregon batsmen, but held the visitors in check until the fatal eighth inning.

Oregon wrapped up the game in the ninth, adding one more run to their total on a center field drive scoring an Oregon runner on third.  
For the Vandals the defeat marked their eleventh of PCC play, Oregon now posting a three game victory string over the Idaho crew.

By TONY NELSON  
Five new meet records were broken at Neale Stadium yesterday as the Washington Huskies showed off their track power and ran over Idaho, 105-26.

In what served as a warm-up in their preparation for the Northern Division meet this weekend, Washington took 13 of 15 first places.

The Vandals garnered only two firsts, in the two-mile and the high jump, and only three seconds. Dick Gilberts leaped 5'10" to

win the high jump and Frank Wyatt toured the two-mile course in 9:25.5.

Washington broke records in the pole vault, javelin, mile, 220 and low hurdles. Big John Douglas of Washington turned in perhaps the top individual effort of the day, hurling the javelin 214'½", almost 20 yards better than the previous mark.

Cliff LaBounty soared 13'9" in the pole vault, Jack Larson raced to a 4:14.1 clocking in the mile, Rick Harder clicked off the 220 in

21.6 and Gary Shinkoski clocked :23.7 in the low hurdles. Despite the sound beating, Idaho coach Joe Glander was hopeful in a post-meet interview.

He had high praise for Dick Boyce, who came within an eyelash of beating record-breaker Larson in the mile run.

Wyatt, who won the two-mile, was running "very easily and comfortably and likely would have turned in a better time if he had been pushed," Glander said. He hit the tape 100 yards ahead of runner-up Ernie Brannon of the Huskies.

There was another glimmer of hope for the Vandals in the two-mile.

Frosh Dick Douglas finished third in the race but his points did not count because he was not on the varsity roster. Glander said that Douglas had been out only 10 days and was making rapid progress.

At the Martin Invitational at Walla Walla Saturday he ran a respectable :52.6 time in the 440.

Idaho's Ron Adams set a new two-mile mark at that meet, running the distance in 9:53.9. Vandal Boyce won the 880 in 1:56.7 for the only other Idaho first.

Eastern Washington romped to a win in the meet with 102 points. Whitworth took 81, Whitman, 56, Idaho, 38½, Central Washington, 11½, Eastern Oregon, 10, and St. Martins, 1.

## Sports Spotlight Steadies On Horseshoes, Softball Action

Horseshoes and Softball continued to dominate the intramural sports spotlight this week as the intramural program drew towards completion with Willis Sweet Hall still leading in total points.

In horseshoe action Moore (TM-A) defeated Slathang (McH) by forfeit, Young (DSP) downed Lynch (CH) by a 21-9, 18-21 and 23-20 count, Fenton (LH) beat Steiner 21-9, 21-5 and Genekow (BTP) turned back Hereth (WSH) by a 21-12, 21-15 margin.

Dickinson (DTD) blasted Walters (PDT) 21-5, 21-4, Oring (PKT) won by forfeit, Pynchonks defeated Moller (SN) by forfeit and Rene' (DTD) downed Hobby (DSP) 21-7, 21-5.

Phi Gamma Delta got back on the win trail, defeating Alpha Tau Omega 4-2 while LCA routed Sigma Nu 20-8 in a free-swinging, high scoring contest.

Sigma Chi and Kappa Sigma turned in the top total score of the day, Sigma Chi finally posting a 19-17 win over the Kappa Sigma crew.

Intramural director Clem Parberry called a intramural meeting for 7:00 p.m. today, to be held in room 109 of the Memorial Gym. He requested that all intramural managers attend.
