# Idaho Student Wreck Victim

KELLOGG — A two-car collision 16 miles west of here Saturday claimed the lives of three men, one a University of Idaho student. Three others were badly injured.

## Athletic Group Interviews Set Thursday At 7

Interviews for one of the most important of the ASUI committees, the Athletic Coordination Council, are scheduled Thursday at 7 p.m. in the Executive Board room of the SUB.

Both the chairman and members of the group will be selected. The Council handles all half-time activities and pep rallies for sports events.

Names of seven persons named to Homecoming committee posts several days ago will be released after they are approved by the Exec Board tonight.

Interviews for Student Recruitment committee were held last night.

Information sheets concerning the interviews have been placed in house mail boxes in the SUB and more will be put there for interviews this week, ASUI vice president Karl Bittenbender, said.

Bittenbender, chairman of the Board of Selection and Control, said applications for top posts still were coming in very slowly.

Last week, he issued a challenge to the campus to "make a productive and successful student body."

## Yell Leaders To Vie At 7:15

Twenty-four women and eight men will try out for ASUI pom pom and yell leader positions before the Executive Board tonight at 7:15 in the Central Ballroom.

Applications for 3 yell leaders and 6 pom pom girls for the 1959-60 school year were closed Friday. Art Lindemer, yell king this year, offered applicants pointers Saturday afternoon.

The Board will select students for both positions, instead of only yell leaders, as had previously been proposed.

Hopfuls will try out individually and in small groups. A record player will be provided, but applicants must bring their own records.

Veteran yell leaders trying out again this year are George Bertoneau, Fiji and Arney Candray, Delta Sig, Pom pom girls hoping for a spot again next year are Jeanne MacMartin, Alpha Gamma; Lynne Shelman, Pi Phi; Jo O'Donnell, Delta Gamma, and Dolores Hormaechea, Gamma Phi.

**The GOLDEN FLEECE**  
by Jason

Jim Golden, Beta, Argonaut editor and Jason for the 1958-59 school year, turned over his duties last week to Dwight Chapin, Willis Sweet, first semester editor for 1959-60.

Golden, who had served as editor since September, explained that he wanted Chapin to have the experience of editing the student newspaper before next year's term begins.

Chapin was recently approved as editor for first semester next year. Jim Flanigan, Theta Chi, was appointed editor for second semester.

Golden has been on the Argonaut staff since his freshman year. He served as news editor and managing editor his sophomore and junior years before rising to the editorship.

Recently chosen as one of the top 15 University seniors, he has been active in Silver Lance and Blue Key and has served on several ASUI committees.

He will return to write the traditional Golden Fleece in the last issue of the Argonaut for 1958-59 next week.

## Instructors Get Student Evaluation

Instructors on the University faculty will pass around evaluation sheets this week and next to see how their classes and course presentations rate with their students.

Evaluation sheets were proposed by this year's Executive Board to help promote education values at the University. Instructors will be rated for lectures, examinations, course value, personal characteristics, and text they use.

Laird Noh, newly-elected ASUI president, said he hoped the students take the new project seriously in order to help improve instruction.

"If students don't take this project seriously," he said, "evaluation sheets will be discouraged in future years by the faculty."

Instructors have an option of using the evaluation sheets, but they are encouraged by members of the old and new Boards.

Students will not be required to sign their name on the sheet, but are asked to be fair and "not too general," giving specific examples that can pinpoint problems in the classroom.

Noh noted that the student should make an effort to point out the instructors' superior contributions to his class.

"We strove to improve relations with faculty and students throughout this year," he stated. "If we hope to continue this harmony and expand it, we all must do our best to promote this project."

## Chopin, Bach Will Highlight Senior Recital

Classic numbers by Chopin, Beethoven, Debussy and Bach will be performed this evening at 8 by Marie Van Orman, Kappa, in a senior recital. The concert will be in the Recital Hall of the Music Building.

After graduation with a B.A. in music, Miss Van Orman will teach in California for one year.

A reception will be held at the Kappa House immediately after the recital.

The program follows: "Sinfonia" from Partita in C minor by J. S. Bach; Chorale Prelude, "Wachet auf, ruft uns die Stimme," Bach-Henderson; Fantasia in C minor, Bach; Sonata in D major, Opus 10, No. 3, by Beethoven; Nocturne in F sharp major, Valse in C sharp minor and Polonaise in E flat minor, Chopin; "Le Petit Berger," "Reflets dans l'eau," Debussy, and Scherzo by Griffes.

## Exam Schedule Set At Library

Library hours for final examination period were announced this week by Lee Zimmerman, University librarian. The hours follow:

May 22, 8 a.m.-5:30 p.m. and 7-10 p.m. May 23 through May 28, regular hours.

May 29, Friday (first day of examinations), 8 a.m.-5:30 p.m. and 7-10 p.m.

May 30 (Memorial Day), through June 4, regular hours.

June 5, 8 a.m.-5:30 p.m. and 7-10 p.m.

June 6 (last day of exams), regular hours.

## Here's The Place To Lose Old Books

Moscow members of the American Association of University Women are collecting books in preparation for their book sale next October.

All types of books are needed, but only one magazine, National Geographic, can be accepted. The AAUW will accept all paper-back books, and say that children's books are particularly popular.

## Unions Protest Hall Theft Suspect To Face Charges

A suspect arrested Wednesday in connection with the pilfering of coin machines in four University men's dormitories Tuesday night, will be returned to Seattle to face charges of larceny.

Allen Wesley Batchelor, 30, was arrested in Pullman Wednesday. A Pullman bank teller took his car's license number after he asked for change for a brief case full of coins.

Whitman County Prosecutor D. L. McMannis of Pullman said two bench warrants have been issued at Seattle for Batchelor in connection with similar coin machine thefts and he would be turned over to Seattle authorities.

The governor's office sent out reply form letters saying that the protest had been referred to the college Board of Trustees.

Mrs. Alline Neville, secretary of Local 510, said the Student Union should not compete with private business. She protested that the college should pay the same wages and have the same working conditions as other business firms if the building is to be open to the public.

Saga Food Service, Inc., which caters for the student center, employs about 27 students and pays them from 15 cents to \$1 an hour.

In explaining the Student Union policy, Earl Pond, manager, said its services are reserved first for students, faculty and the college staff; second, for college affiliated groups; and third, for groups not directly associated with the college.

The new center, which was opened in January, does not solicit business and schedules no regular meetings except of students.

## Idaho To Host 1960 Meeting

Idaho will host next year's meeting of the Pacific Northwest Section of American Society of Engineering Educators, Allen S. Janssen, dean of the College of Engineering, announced recently.

The invitation was extended during the last meeting of the ASEE which was held in Bozeman, May 8-9. Janssen reported that several Idaho professors were elected to engineering. Roland O. Byers, chairman of Freshman Engineering Department, was elected secretary-treasurer.

Janssen will represent this district in the meetings of General Council of the ASEE. The General Council will meet next in Pittsburgh this June.

## Student Arrested, Fined For Fighting

An Idaho student and a Pullman man were arrested and fined \$15 each Saturday night for fighting outside a Moscow cafe.

Michael McGettigan, Sigma Nu, and Donald Daniels, R. 1, Pullman, were arrested in front of the Tip Top Cafe at 10:51 p.m. Saturday after a complaint was lodged.

Daniels was admitted to Gritman Hospital for treatment of a cut eye, but was released shortly afterwards.

# Commencement Plans Made By U. Officials

University officials recently ironed out commencement problems for this June and next as they tried to eliminate some of the fluff from the annual graduation rites.

Idaho's Academic Council approved several changes, including one that will place commencement exercises into one session only in 1960. Members of the group proposed that ceremonies be held from 9 a.m. to noon graduation day in following years.

Other changes passed include the following:  
—One of the ROTC unit heads will continue to act as marshal, leading the academic procession.

—The University president will be commencement speaker unless he decides he cannot give the speech. He then may ask a member of the faculty or someone outside the school to speak in his place.

—Beginning with this year's ceremonies, instructors with the rank of associate and full professor are expected to march in the academic procession. Those under the rank of associate professor may march at their option.

—All persons marching in this year's academic procession and in the future must be in academic regalia, except for military personnel.

—Candidates for degrees will be entitled to three tickets in the reserved section of Memorial Gymnasium. This proposal will go into effect this year. (See the Arg issue for May 15 for further details.)

—University librarian Lee Zimmerman said this week that graduating seniors must clear all fines and return all books to the library by June 1. All students not receiving degrees must clear charges and books by June 5.

—The Academic Council will meet June 3 to review lists of candidates and honors planned for graduation rites, scheduled Sunday, June 7.

## Vicki Warner Is Crowned Queen Of Military Dance

Five University coeds Friday night were escorted through crossed sabers formed by members of the Air Force and Army ROTC drill teams in Memorial Gym, after which Vicki Warner, Gamma Phi, was crowned queen of the ball.

Miss Warner was crowned by Rear Adm. F. T. Watkins, who presented her with a trophy, and gave her attendants, Lynne Shelman, Pi Phi; Georgia Finch, Delta Gamma; and Judy Giedl, Alpha Chi, gold cups. Charmaine Dietz, Tri Delta, the other attendant, was unable to attend the ball.

A crowd estimated at 325 couples attended the last all-college social function of the school year.

The gymnasium was decorated with a military motif. A large backdrop of US colors and a flag were used to decorate the stage. Military weapons were displayed in one area of the gym to help carry out the theme.

In the receiving line for the ball were Admiral Watkins, commander of the 13th Naval District, Seattle; Maj. Gen. F. M. Day, commanding general, 10th Army Corps (reserve), Fort Lawton; Dr. D. R. Theophilus; Navy Midshipman Cmdr. Gerald Hauxwell, McConnell; Army Cadet Col. Michael Floan, off campus; Air Force Cadet Col. Harold Hilker, off campus; Midshipman Lt. Cmdr. Roger Sparks, Gault; and their dates and wives.

The crowning of the queen was preceded by a grand march, led by Hauxwell, Hilker and Floan. Music was provided by the 25th Army Band from Caldwell.

The Spring Review, which took place Friday afternoon, was forced into Memorial Gym because of bad weather. The ceremony was shortened to exclude all activities but the presentation of awards to 43 top military students.

Members of the three cadet corps were seated in the seats surrounding the gym floor. The ROTC band was in the east end of the balcony, and guests were on both sides of the gym balcony.

Gay Graham, president of Delta Theta chapter of Alpha Gamma Delta, will see the union of her sorority and Theta Sigma Upsilon sorority at the group's national convention in French Lick, Ind., June 29.

Miss Graham said the union will not effect the local chapter since there are no Theta Sigma Upsilon chapters on the Idaho campus.

However, nationally the effect of the union will bring Alpha Gamma Delta's membership up from 33,000 to 40,000 women, she noted.

Miss Graham added that this year the Idaho chapter will have a vote at the national confab for the first time.

The national sorority pays travel expenses back to the convention for presidents of chapters across the U.S.

## Pi Beta Phi Bests Tri-Delts In Annual Sig Alph Olympics

Despite a foray of raw eggs, rolling beer barrels and goopy pies, Pi Beta Phi managed to eke out a 7 and one-half point lead over the Tri Deltas to take first place in Saturday's Sig Alpha Olympics.

House participation in the event was quite good this year, Golden Eccles, co-chairman of the day, said. All but two houses were in the competition, which saw nearly 200 coeds take part in the nine events.

"The egg throwing contest which is usually the highlight of the function, was not as exciting this year because of some rather thick shelled eggs," Eccles reported.

## Concert Show Will Feature Pops Numbers

A concert of primarily "pops" music will be performed by the University Symphony Orchestra Thursday at 8 p.m. in the University Auditorium. LeRoy Bauer, associate professor of music, will conduct.

Soloist with the orchestra will be Dorothy Barnes, soprano. She will sing numbers from "The Marriage of Figaro" and "Tosca." She will also sing "Villanelle" by Dell'Acqua. She graduated from Idaho as a vocal major.

The orchestra will also play at Lewiston in a special concert sponsored by the Lewis-Clark Normal School. The concert is set for 8 o'clock tonight in the Lewiston high school.

Among the more novel numbers to be performed is "Oriental Dance" written by Hall M. Macklin, professor of music. This number was first performed at the National Music Camp and later by the Pittsburgh Symphony Orchestra.

The program follows:  
Overture, "Merry Wives of Windsor," O. Nicolai; "Air for Strings" from the Suite No. 3 in D major by J. S. Bach; "Deh vieni, non tardar" from "The Marriage of Figaro" by Mozart; "Vissi d'Arte, Vissi d'Amore" from "Tosca" by Puccini; "L'Arlesienne," Bizet; "French Military March from "Suite Algerienne" by Saint-Saens.

"Introduction to Act III" from "Lohengrin" by Wagner; "Oriental Dance," Hall M. Macklin; "Villanelle," E. Dell'Acqua; "Finlandia" by Sibelius, and "The January February March" by Don Gillis.

There will be no charge for admission and the public is invited.

## Drama Year Ends With 3 One-Acts

University dramatics students finished their season Friday night with the presentation of excerpts from three contemporary plays.

Approximately 55 persons saw the student-directed plays, which were presented Thursday and Friday nights in the U-Hut studio theater.

Directing the plays were Jo Ann Reese, Delta Gamma; Caryll Heth, Gamma Phi; and Carol O'Connell, off campus, who are students in advanced play production.

BREAKFAST HELD  
Approximately 30 members of Blue Key and Mortar Board held their annual steak breakfast in the Arboretum Sunday.

Steaks, scrambled eggs, coffee and hot chocolate were prepared by members of the groups.

# World Problems Evaluated

A group of college editors evaluated their counterparts in the professional world of journalism and also made several interesting predictions when they were quizzed in a recent poll.

The 40 editors, from both small and large, private and public institutions, gave the following opinions, according to the office of information services at New York University:

—Richard M. Nixon, vice president of the United States, and Sen. John F. Kennedy (D-Mass.) will receive their respective party nominations in 1960.

—The U. S. should recognize Communist China.

—Force should be used if necessary by the U. S. to maintain the corridors to West Berlin.

—Newspapermen should have the right to keep their news sources confidential. Elaborating on these four points, the picture becomes clearer.

Nixon received 26 votes by editors who felt he would be the most likely Republican nomination and 13 other heads of student publications tabbed

Gov. Nelson A. Rockefeller of New York as the candidate. One editor did not reply to this question.

Kennedy got 29 votes as the likely standard bearer for the Democrats, Sen. Stuart Symington of Missouri got four votes, and Sen. Hubert Humphrey of Minnesota and former Gov. Adlai E. Stevenson both got three. The other ballot was cast in favor of Sen. Lyndon Johnson of Texas.

Twenty-four of the student editors urged U. S. recognition of Communist China and 75 per cent of the campus journalists favored a strong stand on the Berlin crisis. Eighty-eight per cent said newspapermen should be allowed to keep sources confidential.

Here at the Argonaut office the old crystal ball is too hazy with Paradise Creek water and bacteria floating around in it to make a prediction. But we would like to inject one thought. If student editors (and other campus leaders) continue to have the foresight to evaluate foreign affairs wisely our nation is in safe hands. —J. F.

# FINAL EXAMINATION SCHEDULE

## Second Semester 1958-59

(Two and one-half hour examinations—three examination periods each day)

Regular class rooms will be used for the examinations unless instructors make special arrangements through the Registrar's Office. Examinations in courses comprised of lecture and laboratory periods may in most instances be scheduled according to the sequence of either. Announcement of time and room should be made by the instructor for all examinations. Rooms should be reserved in the Registrar's Office for "arranged" examinations in order to avoid conflicts. Instructors will announce to their classes rooms to be used for all sectioned classes having common final examinations.

## —Dear Jason—

Dear Jason:

We wish to give our wholehearted support to John Burgess' letter to Jason of last Friday. Mr. Burgess saw fit to place principle ahead of emotion and place before us students an issue which Jason has failed to comment upon.

The legal question involved in the issue of fraternities which have "discriminatory" clauses has been commented upon by editors throughout the Inland Empire, but has raised only an official silence on campus which equals that which surrounded the famous "Manhattan Project."

In contrast to the official silence, a few isolated individuals on campus, both students and administration officials, have begun an official "war of words" which would compare favorably with the emotional hue and cry raised by Darwin's famous proposal.

Greeks claim that the Burgess letter is nothing but a publicity stunt or a clear sign of an emotional reaction which is void of any rational thought.

The question before us University students is the same question which has been before all rationally thinking Americans since the famous United State Supreme Court desegregation decisions. The question is clearly this:

"Can a state agency lawfully aid in any way or give moral support to an organization which still holds the nineteenth century concept of first-class and second-class citizenship?"

The Attorney General of California recently ruled a strong negative decision on this same question. It is a sorry situation, indeed, when such a far-reaching question as this—important as it is to Greeks, Independents, and citizens in general—is greeted by an official cloak of silence from both Jason and the administration of the University of Idaho, and is discussed only in emotional whispers up and down Greek row.

The time has certainly come for some "source" of authority.

## Nine Students Received Jobs

Nine University education majors have been hired by the Lewiston school system while completing their cadet teaching requirements.

Six of the nine will be returning to their home town to begin their teaching careers, according to Dr. Ray M. Berry, head of the education department.

They are Dave Laird, Theta Chi; Janet Corwin, Kay Kalbfleisch, and John Lynch, off campus; Vonda Jones, French, and Dawn Shipley, Alpha Gam.

Also employed for the coming year are Pat Decker, Kappa, and Glen Morgan and Donald Persinger, both off campus. Lynch and Persinger will teach secondary grades. The rest will be in the elementary grades.

A man caught in a snowdrift looked up and saw a St. Bernard coming toward him with the usual keck of brandy under the dog's chin. "Well," exclaimed the man, "here comes a man's best friend—and look at the big dog, too."

The husband answering the phone said: "I don't know, call the weather bureau," and hung up. "Who was that?" asked the wife. "Some fellow asked if the coast was clear."

## Dr. Bower's Indian Artifacts Display Shows Small Change

The much-heralded modern kitchen conveniences and utensils actually haven't varied much from those used in the US six centuries ago.

The proof is in showcases of Indian artifacts displayed by Dr. Alfred Bowers, associate professor of anthropology and sociology.

There is one hitch. In the old days the housewife made her own utensils with whatever was handy—usually bone or stone. Now changed, however, are the basic shapes of knives, bowls, choppers, awls and needles.

To illustrate the quality of the kitchen product used by agriculturally inclined Indians along the Missouri river in South Dakota about 600 years ago, Dr. Bowers merely picks up a bone needle and knife. The sharp needle will still easily pierce rawhide, and the you still couldn't demand your money back—after six centuries.

## Young Demos Gain Blue Key To Judge New Applicants

Four students were granted honorary lifetime memberships at a banquet of the Young Democrats Club at Potlatch Sunday.

Robert Huntley, Willis Sweet; Dee Humphrey, off campus; Kay Haberlach, Alpha Chi; and George McDougall, Chrisman, were awarded the memberships.

Robert Moe, Gault, is the new club president for 1959-60.

Blue Key will meet today at 12:30 in the Borah Theater to judge 21 applicants for tapping. Group president Terry White said "about five men" would be accepted this year, depending on qualifications of the applicants. White said all Blue Key members should be at the meeting today so that "applicants can be better judged." Tapping is scheduled Wednesday night, in the living groups of the men selected. # Bad Weather Didn't Hinder Weekend Cruises, Picnics

"The rains came down" all weekend, but Idaho living groups defied the stormy Moscow weather, and went ahead with scheduled outdoor picnics, cruises and lawn parties. Delta Sigs and FarmHouse took advantage of the last open weekend to hold initiation ceremonies for eligible men.

DELTA CHIS experienced a "week to remember" as they made final preparations for their annual spring formal, "A Night To Remember," which was held Saturday. Putting ingenuity, crepe paper, and natural effects of rocks, moss, flowers and cat fish together, the Delta Chis turned their chapter house into a jungle setting, complete with a stream and waterfall which ran through the living room. Formally clad couples entered the house over a bridge, which was constructed across the front lawn, into lilac and apple-blossom covered archways. Pine boughs and a pool filled with white flowers completed the spring decor. Huge Panda bear favors added to the excitement of the evening.

TRI DELTS caught their fellows unaware Thursday evening when they picked them up for the annual Tri Delt come-as-you-are dinner. Pansies of all colors and shapes provided the setting for the annual Pansy breakfast which was held Sunday morning. Connie Block was awarded the National Tri Delta Scholarship during the early morning affair. Also receiving recognition were Claire Slaughter and Mary Lou Walcott, who were announced as the winners of the Big-Little Sister scholarship bracelet.

FARMHOUSE initiated four new members into their fraternity during ceremonies Sunday. Now wearing the FarmHouse pin are Bob Bradley, Ed Christensen, Terry Denman and Dale Turnipseed. The rainy weather didn't dampen FarmHouse and Pi Phi spirits even though they were forced to hold a steak fry in the Pi Phi dining room. Recent dinner guests were Dr. and Mrs. Hungerford and Jim Howland and John Trojanowski, Lindley.

HAYS HALL took up the cry to "defy the rain" last weekend when they substituted a rained-out lawn party with the LDS House for an evening of dancing Thursday. Even though the rains threatened to fall Saturday morning, the Hays coeds and the Phi Taus enjoyed a picnic lunch, water skiing and boating at Lake Chatelet. Saturday dinner guests were Bob Kindsvater, Seattle; Hallie Miller, Forney, and Dave Cripe and Dee Humphreys, off-campus.

DELTA SIGS welcomed five

new men into the Gamma Iota chapter during initiation ceremonies last weekend. The new initiates include Ron Houghtalin, Ann Arbor Michigan; Franco Ouduber, Panama; Paul Stewart, Lewiston; Jim Brynes, Twin Falls and Frank Kasunic, Irwin, Pennsylvania. Delta Sigs and Gamma Phi traded shoes for stockings during a "sock" exchange Wednesday. Thirty couples "took to the woods" for the annual house picnic which was held at Lake Coeur d'Alene Saturday. Stanton Lamb was recently selected to replace Karl Bittenbender as house secretary.

THETA pledges didn't have Casey, but they really "went to bat" during a softball exchange with the Deltas last Tuesday. The Thetas, operating under a new set of softball rules, claimed a victory of 21-2. Theta bandits rose early Saturday morning to claim kidnap victims from other women's living groups for their annual Kidnap Breakfast. Spontaneous water fights with neighboring living groups occupied the early part of the week. Weekend guests included Suzanne Best, Grangeville; Millie Hegstead, Pocatello; Fat Mann, Idaho Falls and Judy Scoggins, Fairfield.

ATO chapter house "rocked" Friday night to the strains of the 25th Army Band. This was the second year that the band members were guests at the house. ATOs termed their spring cruise a success despite the dreary weather. The annual affair was held Sunday on Lake Coeur d'Alene. Fifteen seniors were honored at the Senior Banquet Wednesday.

GAMMA PHIS and Delta Sigs performed the rare trick of eating a complete dinner with cocktail forks during an all-house exchange Thursday. The rest of the Gamma Phi silverware disappeared when the hashers took a sneak, leaving only the cocktail forks. Fijis paid off their campus chest debt when they treated the Gamma Phis to a Shish-Kabob Sunday afternoon. The picnic was held at "Dew Drop Inn," and the event was a success despite the rain. Gamma Phis and Betas will take a Cuban Revolt Wednesday evening, when the coeds pay off their campus chest debt.

"What did you do with my shirt?"

"Ye gads. The whole history of England was on the cuffs."

## LITTLE MAN ON CAMPUS

—YES, ED, I WISH I HAD BEEN ABLE TO GET A COLLEGE EDUCATION. IT GIVES A MAN THAT CERTAIN SOMETHING THAT SETS HIM ABOVE AND APART FROM THE AVERAGE.

BLUSHING BRIDE (GROOM) — ASUI president Laird Noh appears a bit fearful of taking the final step to mock matrimony Sunday morning at the annual Tri-Delt Pansy Breakfast. The bride is Harriet Walters and the best man, Executive Board member Bruce Summers.

## 200 Attend Annual Tri-Delt Pansy Breakfast, 2 Honored

Over 200 guests attended the annual Tri Delt Pansy Breakfast which was held Sunday morning in honor of graduating senior women. President D. R. Theophilus presented a \$200 Tri Delt scholarship to Marilyn Wilson, Forney Hall and a National Tri Delt scholarship to Connie Block during the early morning affair.

Eighteen engaged senior women opened the program when they stepped through the traditional flower ring formed by hundreds of tiny pansies. A mock wedding featured Mrs. Jess Walters, the former Harriet Payne, Tri Delt. Members of the bride's party were Betty Hemlet and Colleen Broyles, Tri Delt; Laird Noh and Bruce Summers, Sigma Nu and Duke Klein, Uplam.

Mildred Haberly narrated a style show which featured spring ensembles and a bride's wardrobe. The Parisian Shop sponsored the spring outfits which were modeled by Tri Delt coeds. Models were Roxie Daugherty, Kathy Horn, Arlene Turnbull, Claire Slaughter, Kris Peterson, Lynn White, Virginia Olds, Susan Sharp, Rae McArthur and Mary Lou Walcott.

The Sigma Alpha Epsilon fraternity, 1959 Song Fest winner, presented a musical selection, "Loch Lomond." Special guests

included Dean Marjorie Neely, Mrs. D. R. Theophilus, Mrs. Charles O. Decker, Mrs. Robert S. Gibb, Mrs. David D. Kendrick and Mrs. Allan S. Janssen.

## Hasfurth Named Queen At Genesee

Marie Hasfurth, French, was named queen of Genesee's Community Day during the city's second annual celebration. She was crowned queen by Mayor D. F. Scharnhorst at a dance Saturday night.

Miss Hasfurth was selected from a field of five candidates. Elwin Schwartz, associate professor of music, introduced the candidates before the crowning.

She is a freshman majoring in business.

ZIMMERMAN CHOSEN  
Lee Zimmerman, University librarian, has been chosen president of the Idaho State Library Association.

Selected by ISLA officials to the secretary role was Charles Webber, social science librarian. The Idaho men began their two-year term May 9 in an informal SUB luncheon.

**Rings 'n Things**

Extremely popular among the Spring fashions on the Idaho campus are new wedding bands, engagement rings, and fraternity pins.

MARRIAGES  
The Tri Delt Chapter House was the scene for the recent wedding of Harriet Payne and Jesse Walters, Phi Delt. The bride's attendants were Betty Hamlet and Colleen Broyles. Best man was Phil Hamdel, Phi Delt, and the ushers were Gordon Chester, Phi Delt, and Steve Swanson, Fijl. The reception immediately followed the wedding.

Kathy Thompson, Gamma Phi, and Milan Moody, off campus, were married May 14. Elna Magnusson, Gamma Phi, and Bill Mills, Fijl, were witnesses for the ceremony.

ENGAGEMENTS  
"Build Your Love On a Firm Foundation" was the theme of Lynn White's announcement of her engagement to Ray Stienhoff, Newman Center. The theme was carried out with pine trees and the Tri Delt symbol for love as the favors. Chocolates were passed after dinner.

With "Love Is The Score" as the theme, and amid tennis rackets, nets, and pink rosebuds, Shannon Mitchell, Hays, announced her engagement to Bob Kindsvater, Seattle. After a poem was read, the ring was passed on a nosegay of carnations and rosebuds.

## Spur-IK Banquet Slated Thursday

This year's IKs and Spurs will hold their annual banquet in the SUB middle ball room Thursday, at 6 p.m., it was announced this week by Terry White, Fijl.

An outstanding Spur and Knight will be chosen "Spur of the Month" and "Knight of Knights" by the group. These will be named at the banquet.

All of this year's IKs who are planning to attend are requested to turn in their names to the new IKs before Tuesday.

Beggar: Have you a dime for a cup of coffee?  
Student: Oh, I'll manage somehow, thank you.

## MIA Will Complete Year's Social Slate Tonite At 7:30

The Mutual Improvement Association will complete its 1958-59 social calendar with a Closing Social tonight. Also scheduled for tonight is the third discussion in the current Westminster Foundation marriage lecture series.

WESTMINSTER FOUNDATION  
J. Morey O'Donnell, noted Moscow attorney and active University of Idaho alumnus, will discuss the laws governing marriage and divorce tonight at the Campus Christian Center. The discussion, which will begin at 7:30 p.m., is part of a regular series of lectures and discussions on Marriage. L.D.S.

The MIA will hold its Closing Social tonight at 7:30. Everyone is invited to attend the affair which will include dancing, food and fun.

## Vogue Looking For Writers

Vogue magazine has begun a search for editorial and writing talent among college seniors over the country in its 25th Prix de Paris contest.

The contest is open to all seniors in accredited colleges in the United States who will complete work on a bachelor's degree by the summer of 1960. The first prize winner will receive an all-expense-paid trip to Paris or \$1,000. Other prizes include \$500 for second place and \$25 each for the ten honorable mentions. All twelve top winners will be offered jobs on Vogue, Glamour, House & Garden, Bride's, Vogue Pattern Book and Vogue Knitting Book.

Entrants are required to complete two quizzes of four questions each, based on actual problems that Vogue's staff has faced.

"Deadline" for Prix entrants is October 19, 1959. Contestants will be judged on grasp of subject matter, general intelligence, originality and demonstration of special talents. Enrollment blanks may be obtained by writing the Prix de Paris Director, Vogue, 420 Lexington Avenue, New York 17, New York.

## Gradwohl Elected Prexy Of ASAE

Officers were elected and awards granted in a recent meeting of the American Society of Agricultural Engineers here.

Don Gradwohl, FarmHouse, was elected president. Gordon Eccles, SAE, will fill the secretary-treasurer spot next year.

Accepting the student honor awards from the national society, were Delbert Fitzsimmons, off-campus; and Dale Smelecer, Uplam.

## 70-Year-Old Shoe Catalog Among Gifts

Three gifts of varied interest—600 botany specimens, a historical poster, and an 1889 shoe catalog—were presented recently to the University by C. R. Stilling of Moscow.

All the species of wild currants and gooseberries which grow native to the United States, except two, are included in the specimens to be added to the herbarium collection of the Botany Department.

Being added to the University's collection of World War I memorabilia is an original French poster calling for the first mobilization of all military forces at the beginning of the Great War. Stilling found the poster while cleaning out a theater in Gerzot, France, for use as a hospital during the flu epidemic of 1918. The poster will be preserved in the University archives.

Cut-rate and "I can get it for you wholesale" price practices were evidently strong 70 years ago. The catalog lists shoes and boots available to members of the Home Library Association at special prices. Stilling found the book between the walls of a Moscow home while remodeling the building.

According to the catalog, the rage for the fashionplate of 1889-90 were ladies' high shoes which buttoned on the side. Men had a choice of button or lace shoes, or boots—knee-high or cowboy style.

## MEETING SCHEDULED

There will be an I club meeting tomorrow night at 7:30 in conference room A of the Student Union Building, announced representative Wade Patterson. Members are requested to wear their pullover sweaters.

# Ducks Romp To Track Victory At ND Finals

By GARY RANDALL  
Frank Wyatt and Dick Boyce managed Idaho's only individual points last weekend, as the University of Oregon pulled away from the University of Washington to a decisive 55 1/2-39 1/2 win in the Northern Division track meet at Eugene. Washington State finished third with 38 points, followed by Oregon State with 27. Idaho finished last with five points.

Washington State cindermen provided two records, weightman Steve Frye levering the shot put 55-6 to erase by over a foot the old record of 54-1, set by Cougar Burl Grinols in 1957.

Dick Rubensner hurled the javelin 235-11 for the other record effort, the powerful Cougar weightman bettering the old mark by some 12 feet five inches. The old mark of 223-6 held for 19 years, was originally set by Boyd Brown of Oregon in 1940.

Wyatt found Oregon distance ace Dick Miller too speedy in the two mile, losing to the free striding duck by some two yards. Miller recorded a 9:10 time, Wyatt a 9:11.5 clocking.

Miller teamed with fellow Duck Dick Robbins, the two Oregon runners exchanging the lead throughout the race until Miller moved in front for good late on the sixth lap. Wyatt attempted a last leg "kick", but fell short of overhauling Miller. Robbins finished third, 8.4 seconds behind Wyatt.

Boyce added the other individual points for the Vandals, taking a

fourth place in the mile with a 4:13.5 time behind winning Jim Grelle of Oregon who clocked in at 4:11.1.

Boyce followed Grelle, Washington's Jack Larson and Oregon's George Larson to the finish wire, just .8 of a second behind the Oregon distance ace.

Idaho coach Joe Glander, eyeing next weekend's PCC meet, was confident that both Boyce and Wyatt would improve on their marks. Boyce and Wyatt are the lone Vandal entries in the Seattle-based meet.

Wyatt, Boyce Rated High  
"Frank believes he can beat Miller in the two mile," Glander commented of Wyatt, "and Boyce can beat both George and Jack Larson in the mile."

Glander pointed out that the Vandal track team was hampered by the long, 500 mile drive to Eugene, and last Monday's meet with Washington.

"Don Maw barely qualified for the 100 yard dash in the trial runs Saturday," Glander noted of the WSC sprint star, "but in the finals he moved away to win. That drive didn't help either school's runners."

In the mile relay, the Vandal relay team of Theron Nelson, Bill Overholser, Dave Durham and Boyce scrapped to a fourth place finish ahead of Oregon State. The Vandal foursome edged the Beaver crew neatly, Nelson turning in his best quarter-mile effort of the season on the opening lay with a 51.6 clocking.

# Vandal Divot Squad Posts Seventh Win

Golf coach Dick Snyder watched his Vandal golf charges swing to a 12 to 6 victory over the Gonzaga Bulldogs last Saturday, then commented that, "this is probably the finest golf team in Idaho's history. If all team members play consistently at the PCC next weekend," he went on, "Idaho could very well walk off with the PCC championship."

The Idaho swingers leave for Eugene next Thursday, then face their PCC opponents in the coast conference championships Friday and Saturday over the University of Oregon course.

The Bulldogs, who were able to hold the Northern Division championship Vandals to a tie on May 2, were unable to stem the Vandal tide in Idaho's last non-conference match, played over the rugged Indian Canyon golf course in Spokane.

**Vandals Top Record**  
The match marked the final competition in regular play for the Vandal swingers, who compiled an outstanding 7-1-1 record for the top golf record in Idaho's history.

Dave Smith paced the Idaho attack with a 74, followed by John Rosholt and Rusty Sheppard at the 75 mark. Greg Burrato, Bob Erickson and Jerry Olsen led the Bulldog field with identical 76 totals.

The Army ROTC rifle team won the Vail trophy match in competition with the other two Idaho services recently. The Air Force placed second.

The match was sponsored by Robert Vail, of Vail's Office Equipment in Moscow. The top five places from the shooting members of each team are recorded.

Top shooter in the match was Air Force's Jim Mullen, Upham.

# Old Grads Have 'Field Day' As Alumni Soundly Whips Varsity Gridders, 16-6

By HAL GUSTAFSON

The Idaho alumni trounced the Vandal varsity 16-6 Saturday afternoon in Neale Stadium before 2,500 fans as Jerry Kramer and Wayne Walker roamed at will through the varsity line.

The alum's talented line and superior backs proved to be too much for the varsity, as Kramer, Walker, Pete Johnson and Wade Patterson smashed line plunges neatly back into the varsity backfield.

In the alumni backfield Mel Schmidt, Jay Buhler, Ed Lodge, Bill Baxter, Kenny Hall and Bob Dehlinger turned in standout performances behind the quarterbacking of Gary Kenworthy, Billy Williams and Jim Hammond.

The alumni took the opening kickoff and marched down to the 20 yard line before they were finally halted . . . temporarily.

Kenworthy had sent Lodge and Schmidt through the line time after time, with Schmidt picking up extra yardage.

Kenworthy meanwhile kept the varsity backfield "loose," with his pin-point passing.

Finally halted on the 20 yard line the alums waited four downs before varsity kicker Jim Norton punted out of danger, then, with Kenworthy again directing the attack, began to move again.

Schmidt became the big target for Kenworthy, taking his offerings for large gains.

Schmidt finally capped the drive

with a seven yard touchdown play, moving over after a pass from Kenworthy. Walker added the extra point to put the alumni in front by a 7-0 score.

In the second quarter, Lodge added a second alumni score, bucking over from the one foot line behind Walker, Kramer's and Johnson's blocking. The half ended with the varsity down by a 13-0 count.

In the second half the alumni again started a long march, moving to the varsity 20 yard line before varsity coach Skip Stahley's line halted the drive.

The varsity started a return drive, finally ending on the alumni 25 yard line before Kramer, Walker, Johnson and Company ended the march.

**Alumni Move**  
After the sudden halt in the varsity's plans, Baxter, Dehlinger and Lodge teamed up to smash through the line and finally pushed the ball to the varsity 30 yard marker. Kenworthy hit J. D. Lawson with a 10 yard aerial, finally ending on the Idaho 16 yard line.

Walker, after three non-gaining tries at the line by the alumni, booted a 16 yard field goal for the alumni's final score.

The third quarter turned out a stalemate, but in the fourth things began to happen again.

Quarterback Gary Farnworth hit ends Reg Carolan and Jim Norton to spark a varsity drive that fell short. Then, with the clock

running out, fourth-string quarterback LeRoy Johnson came in to hit a perfect 51-yard run-pass play that carried Hal Fisher to the varsity's only score.

# Distance Star Slates Return

Idaho track hopes took a big jump upward yesterday with the announcement that Ray Hatton, distance star for the Vandal cinder team in 1956 and '57, will return to the Idaho campus this summer.

Hatton, who clocked the two mile in 9:10 running for Idaho in 1956, reportedly will attend summer school in an effort to be eligible for next fall's cross country competition.

In a letter to track coach Joe Glander, Hatton mentioned that he hoped to clock an 8:59 in the two mile next race, then went on to explain that the athletic club which he is running for has three sub-nine minute men in the long distance.

Hatton will replace graduating senior Dick Boyce, the only Idaho distance man who will not be eligible for competition next spring.

# Gary Randall's SIDELINES

## Weather Slows Spike Action; Alumni Team Stops Varsity

Sports on the Idaho campus largely took a back seat to rain last weekend, as the weather forced both the varsity and frosh baseball teams to cancel out scheduled games. The big event of the day, however, the Varsity-Alumni football game, came off as scheduled.

An expected crowd of anywhere from five to ten thousand failed to materialize for the clash, but for some two thousand fans in attendance the day was highly successful.

The other expected event of the day, Jerry Kramer and Wayne Walker's dominance of the gridiron, did materialize, and in grand fashion.

Along with such other former Idaho standouts as John Roussos, Pete Johnson, Bob Dehlinger, Gary Kenworthy, Mel Schmidt, J. D. Lawson and Bud Dowling, the varsity had a workout to match all workouts past and future.

One of the most often heard comments following the game was simply, "Boy, if we only had that line next year!"

Actually, a line made up of Walker, Kramer, Roussos, Johnson, Lawson, Dick Gooby and Dowling would be nice to have around.

The varsity line had more than its share of trouble from the alumni, but, it must be noted, the varsity ran without its two big men, Stan Fanning and Jim Prestel. An addition of Fanning and Prestel should do much toward improving the Vandal front wall next fall.

# INTRAMURALS

Alpha Tau Omega salted away the intramural golf crown for the second straight year recording a 328 winning total with Kayo Craven, George Luckhardt and Warren Ka heading the ATO contingents.

Craven paced the ATO attack, finishing with a fifth lowest score of 80 for eighteen holes. Luckhardt and Kays recorded identical 81 totals to tie for sixth.

In medalist play Gary Floan and Rob Smith, playing for Phi Gamma Delta and Phi Delta Theta, respectively, shared low total honors at 74, three strokes lower than medalist Gary Thompson's 77 score last spring.

Phi Gamma Delta, behind Floan's 74 and John Davis' 80, placed second to the ATO crew by six strokes at 334.

Wally Lowe carded a 76 for runner-up honors in the medalist action, pulling Kappa Sigma two strokes ahead of Sigma Alpha Epsilon for eighth place.

**Play-offs Begin**  
Softball playoffs began last night, with the runnerup spots at stake in leagues I and II.

In league I, Sigma Alpha Epsilon holds a clear-cut 7-0 record to top the loop, but Beta Theta Pi and Tau Kappa Epsilon sport 5-2 records, forcing a play-off for the second spot.

In league II, Delta Tau Delta moved to the front spot with a 6-1 win-loss mark. Phi Gamma Delta, ATO and Delta Chi hold 5-2 records in the race for the runner-up position.

Willis Sweet Hall 1 and Lindley Hall 1 are currently tied for third place in league III, holding 5-3

marks behind winner Christm Hall 1 with a 8-0 record.

Town Men's Association 2 to League IV with a 8-0 record to that league.

In other play-off games, Kappa Sigma, Theta Chi and Delta Sigma Phi will battle for the sixth position in league I. All hold 1-6 records.

At press time no softball resu were available.

**Harrison In Semi-finals**  
On the horseshoe front, Ken Harrison, Phi Delta Theta, down James Palisin, Delta Sigma P to advance to the semi-finals. Harrison will meet Leo Thibault, Phi in a semi-final match.

Other semi-finals matches will pit Ken Parks, TKE, against Ja Acree, DTD, Richard Rene, DT against George Pynchon, KS, a Jerry Gneckow, BTP, against Ken Fenton, LH.

With softball, horseshoes, and intramural manager's points still missing from the final point totals, Willis Sweet Hall continue to reign as point leaders with lowing points computed.

Willis Sweet heads the list with a 1397.5 total, followed by Phi Delta Theta with 1356 and Town Men's Association with 1264, leading the final winner probably between the two front runners.

**SCHULTZ IS A MANY SPLENDORED THING**

Beppo Schultz, boulevardier, raconteur, connoisseur, sportsman, bon vivant, hail fellow well met—in short, typical American college man—smokes today's new Marlboros.

"Why do you smoke today's new Marlboros, hey?" a friend recently asked Beppo Schultz.

"I smoke today's new Marlboros," replied Beppo, looking up from his 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car, "because they are new."

"New?" said the friend. "What do you mean—new?"

"I mean the flavor's great, the filter's improved, the cigarette is designed for today's easier, breezier living," said Beppo.

"Like this 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car?" asked the friend.

"Exactly," said Beppo.

"She's a beauty," said the friend, looking admiringly at the car. "How long have you had her?"

"It's a male," said Beppo.

"Sorry," said the friend. "How long have you had him?"

"About a year," said Beppo.

"Have you done a lot of work on him?" asked the friend.

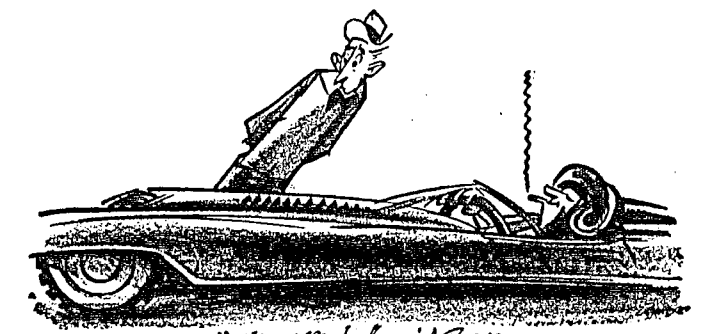

"Oh, have I not!" cried Beppo. "I have replaced the pushrods with a Roots type supercharger. I have replaced the torque with a synchromesh. I have replaced the tachometer with a double side draft carburetor."

"Gracious!" exclaimed the friend.

"I have replaced the hood with a bonnet," said Beppo.

"Land o' Goshen!" exclaimed the friend.

"And I have put gloves in the glove compartment," said Beppo.

"My, you have been the busy one," said the friend. "You must be exhausted."

"Maybe a trifle," said Beppo, with a brave little smile.

"Know what I do when I'm tired?" said the friend.

"Light a Marlboro?" ventured Beppo.

"Oh, pshaw, you guessed!" said the friend, pouting.

"But it was easy," said Beppo, chuckling kindly. "When the eyelids droop and the musculature sags and the psyche is depleted, what is more natural than to perk up with today's new Marlboro?"

"A great new smoke with better 'makin's and a great new filter!" proclaimed the friend, his young eyes glistening.

"Changed to keep pace with today's changing world!" declared Beppo, whirling his arms in concentric circles. "A cigarette for a sunnier age, an age of greater leisure and more beckoning horizons!"

Now, tired but happy, Beppo and his friend lit Marlboros and smoked for a time in deep, silent contentment. At length the friend spoke. "He certainly is a beauty," he said.

"You mean my 2.9 litre L-head Hotchkiss drive double overhead camshaft British sports car?" asked Beppo.

"Yes," said the friend. "How fast will he go?"

"Well, I don't rightly know," said Beppo. "I can't find the starter."
