

# Gary Farnworth Follows Tradition; QB Best For Backfield Coach—Stahley

The promotion of Gary Farnworth from frosh football coach to varsity assistant recently, followed a familiar pattern to followers of University of Idaho football coach J. Neil "Skip" Stahley's regime.

Farnworth is the third Stahley-coached quarterback to join the Idaho mentor's staff as an assistant. Farnworth quarterbacked the Vandals under Stahley from 1957 through '59.

**Patee First**  
The first quarterback to join Stahley's staff was Jay Patee, who was the field general at Brown University under Stahley from 1941 through '43. Patee became an assistant to Stahley at Toledo in 1948 and served through '49.

After a tour as an assistant at the University of Washington and the professional Chicago Cardinals, Stahley accepted the head job at Idaho and named Patee as one of his assistants.

Patee was on the Idaho staff for three seasons and is now in the public school system at Modesto, Calif.

Gary Kenworthy was the next former signal caller to join Stahley's staff. He quarterbacked the Vandals from '55 through '57. The former Spokane all-city QB returned to Moscow as a fulltime assistant for the 1960 season. He had served as a frosh coach during the '58 season and was an assistant in Placerville, Calif. during '58. He recently resigned from the Idaho staff to return to Placerville's El Dorado High School as head coach.

Why a former quarterback as an assistant grid coach? Stahley explains it by saying, "I prefer to have a quarterback working with the backfield because a quarterback is a good demonstrator."

"He has had command of the team on the field and is usually a specialist as well. Patee was the best place kicker and kickoff man I ever coached and Kenworthy was one of the best punters."

In discussing Farnworth's special qualifications Stahley noted that the former Nampa was "energetic, enthusiastic and has grown up with the system." Stah-

ley continued, "He not only knows our football operation, but is also acquainted with the campus, the administration, and the university's policies."

"He will be working with the members of last year's successful frosh team and he knows the potential of each man on the squad. I think that the changes in coaching personnel will be a smooth transition and will be a pleasure to have another of my former quarterbacks on the Idaho coaching staff."

# Weather Gets Both 'B' Circuits Going: 'B' Basketball And Baseball Underway

By ROD HIGGINS  
Argonaut Sports Writer

It seems rather odd to see every-one throwing baseballs and softballs outside while "B" basketball still continues inside. Apparently other people seem to feel the same as evidenced by the growing number of forfeits that is appearing on the scoring sheets. Of course, with this rash of beautiful weather, it does seem rather hard to keep one's self indoors.

Without further adieu, let's eyeball the results of the past few

Phi Delt 4, 33-19. Upham Hall slid by LDS, 23 to 21. The Betas won easily from the Delta Chis, 18-10.

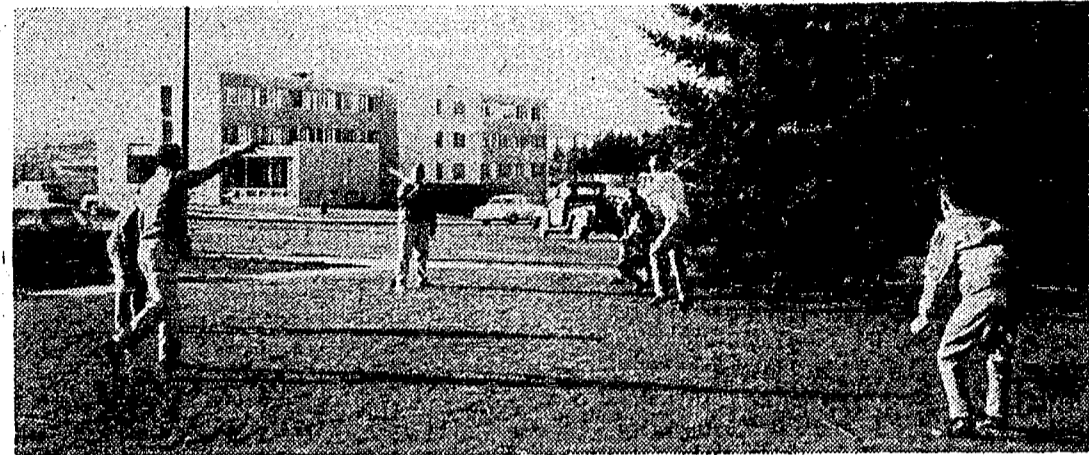

Tuesday, March 28, afternoon: SAE's 2 over Kappa Sigs 3 by a forfeit. Sigma Nu 2 over Gault Hall 2 via the same route. The Delt 1 edged by the Town Men 1, 15-13. The Sigma Nu 2 won from ATO 2 by a forfeit also. It was Upham Hall 5, 39, Sigma Chi 2, 14. Lindley Hall 3 beat Campus Club 2 by a score of 19 to 11.

Tuesday evening: Chrisman Hall

Phi Delta Theta 3, 14. Sigma Chi 2, 10. And lastly, it was Lindley Hall 5, over Sigma Nu 4, in a real thriller 7 to 5.

**Gault Wins Doubles**  
Gault Hall's crackerjack doubles squad of Harshman and Thompson, singled the SAE table tennis doubles crew 21-17 and 21-19 yesterday, for the doubles title as table tennis action narrowed to singles play.

days on the "B" circuit.

### 3 Delt 3s Win "B" Crown

Delta Tau Delta's red-hot number four squad stomped a luckless Alpha Tau Omega 1 "B" basketball squad 30-18 last night, to wrap up the "B" division crown.

Paced by Bill Block's 13 points, the Delt 3s turned the contest into a runaway with the ATO loss of Art Anderson with five fouls. The tall hoopster left the contest with six points and a high rebound total.

The top five "B" teams include:  
DTD4 PGD2  
ATO1 LH1  
FH PDT4  
PGD3 PDT1  
WSH2 McH1

Monday, March 27, afternoon: The Sigma Nu 4 team won handily over the Tekes' 4 team by forfeit. The Sigma Chi trounced the Phi Delt 3's 36-19. Shoup Hall 2 overwhelmed the Town men 2 by a whopping 39 to 17.

Willis Sweet 4 squeaked by the Delt's no. 3 team 14-13. In a real high scorer, it was Theta Chi 15, Kappa Sigma 4 6. Phi Delt 1 won easily over Willis Sweet 1, 29-18.

Monday evening went something like this: The Delt 4 team took the Fiji 3 team, 29-24. The ATO's 4 took Lindley Hall 2, 24-10. ATO 3 over Upham Hall 4 by a forfeit.

Gault Hall 1 25 over Phi Delta Theta 5, 8. The Fiji 2 whipped the

1 over the Fijis 5 by a forfeit. SAE 3 over the Tekes 3 also by a forfeit.

The ATO's 1 broke loose and licked the FarmHouse by a whopping 47-21. The Kappa Sigs no. 2 team won by a forfeit from Upham Hall 4. Sigma Nu 1, 32, TO 3, 21. Kappa Sig 1 over the Fijis 1, by a forfeit.

The Betas 1 took Willis Sweet by a score of 31 to 20. The Tekes 2 took the Delta Sigs 2 by a score of 16-13. Upham Hall won handily from Shoup by a rather large 46 to 19 margin.

**Wednesday**  
Wednesday, March 29, the action looked something like this. The Lambda Chis forfeited to the SAEs. It was the same story as Willis Sweet 3 won over the Sigma Nu 2.

The Phi Delt 4 won easily over McConnell, 37 to 23. The Phi Delt 4 also won, beating Lindley Hall 1 by a score of 27 to 9. LDS made it by the Phi Delt 2, 27-12. The Delt 2 won easily from Upham Hall 7, 28-19.

Willis Sweet 2 barely edged by the Fijis 2, 32 to 31. Shoup 2 took the Delt 1, 16 to 8. The SAE's slipped by Gault, 28-25. Willis Sweet 4, 23 over SAE 2, 12. Kappa Sigma 2 over the Delt 3 by a score of 20 to 17.

The Sigma Chi 1 took Upham Hall 5, 22 to 18.

## It grows almost like Jack's beanstalk

To him, it's amazing. To teeming millions in crowded areas of the world, it's a new source of hope — of better food, a richer life.

For in food crops, astonishing new growth is being released by the green thumb of science.

One striking development in agriculture, for instance, is plant foods created by the people of Standard's ORTHO Division.

These plant foods come in dry pellet form... and can literally be "rained" on fields by plane. They can increase yields of fruit and vegetables 100%, make pastures rich enough to graze five times more livestock.

Imagine what advances like these can mean to the peoples of other free world nations. Our field men see it... working with farmers and the land in 70 countries. Poor soil becomes fertile; plants become rich in nourishment.

And this has a larger meaning... more food brings more vitality to peoples of crowded lands, a stronger economy... a healthier soil for the growth of freedom.

# Track Meets And Doubleheader Highlight Weekend

## Sorsby's Cindermen Hope To Snag Honors In Meet

The Vandal varsity cindermen, with Washington and Washington State, face two of the nation's strongest track teams tomorrow in the Far West Relay meet at Pullman. The Willamette Valley turf pounders, Oregon and Oregon State are favored to take the honors.

Oregon's Ducks, who have won every Far West Relay title since the meet started three years ago, will try to make it four in a row. Oregon State offers the stiffest kind of competition.

Bill Sorsby's improved Idaho track team is stronger than last season, but will not be in the all-Oregon battle for team honors.

Any number of records could fall during the Rogers Field events, and the Vandals may have a hand in some. Reg Carolan, the shot put with a record 54' 5/4", will lead Idaho's attack.

Other strong entries for Idaho are discus (Joe Davis, 157' 10 1/2"), low hurdles (Curt Flisher, Pete Luttrupp and Ed Jacoby), and mile relay (Jacoby, Flisher, Dick Borneman and Gary Michael).

**Luttrupp, Jacoby Spark Idaho**  
The Vandals, who chased the WSU Cougars all the way to the final event last Saturday, will place the heaviest load on sophomore Pete Luttrupp and junior co-captain Ed Jacoby.

Jacoby and Luttrupp will both enter the 440 and 880-yard relays along with John Pasley and Phil Steinbock.

Oregon's strength in its bid for another championship lies in the strength and versatility of its middle distance runners and sprinters. A strong hurdle entry and possible points from all of its field event men round out the Oregon hopes.

**Oregon Brings 20**  
Duck coach, Bill Bowerman, brings his 20-man squad into tomorrow's meet with two sprint world record holders, Roscoe Cook and Harry Jerome. They will go after the meet mark of 9.6 and

then join with Jim Puckett and Mike Gaechter for a shot at the meet mark of 42.2 in the 540-yard relay.

Other top performers in the meet are: John Cramer, Washington, second in the National AAU pole vault with a mark of 15 feet. Daryl Burleson, Oregon, best in mile, 3:58.6; 1960 NCAA champion in 1500 meter run, 3:44.2; 1959 Pan American Games and National AAU champion in 1500 meters; fifth in Rome Olympics in 1500 meters.

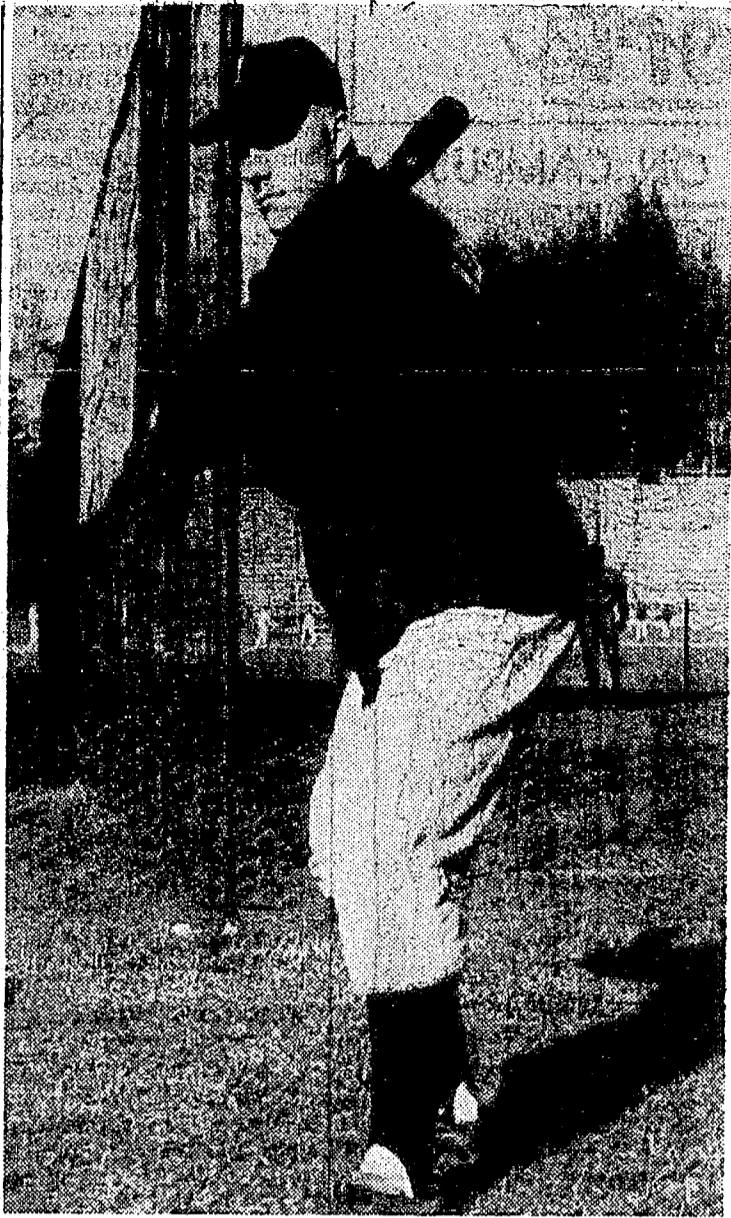

**Larson Has Best Mile Mark**  
George Larson, Oregon: sixth in NCAA 1500 meters in 1960 with a time of 3:49.7; best mile mark of 4:07.8.

Idaho's entrants in the meet: Javelin — Mike Sheeran; shot put — Carolan, Davis; high jump — Larry Ferguson; broad jump — Mike Mosolf and Jacoby.

**Three Throw Discus**

Discus — Davis, Carolan, Doug Anderson; 100 — Jacoby; 120 high hurdles — Luttrupp; 440 relay — Luttrupp, Steinbock, Jacoby, Phil Russel (alt. John Pasley); 220-yard low hurdles — Flisher, Luttrupp and Jacoby.

880-Relay — Jacoby, Pasley, Steinbock, Luttrupp (alts. Flisher and Borneman); two mile run — Dick Douglas; mile relay — Jacoby, Flisher, Borneman, Michael (alts. Luttrupp and Pasley).

## Vandals Face EWC Hawks At McLean Field Today

The Idaho stickmen hope to improve their diamond fortunes at 1:30 this afternoon in a double header against Eastern Washington in Idaho's first home stand.

The Vandals dropped two games to Columbia Basin JC Tuesday and a couple of wins would boost their won-lost tally. Last season Idaho clipped Eastern to start a string of wins that left Idaho with a 14-2 pre-season record. Idaho is now 1-3.

The CBJC Hawks took an extra inning to trip the Vandals 4-3 in the first game at Pasco. The Hawks nipped pitcher Steve Hinckley and the Vandals 6-3 in the night cap.

Previously, Montana dumped Idaho 4-2 at Lewiston in the Vandal's season opener. Idaho came from behind to beat Washington State 5-4 last Saturday.

The Hawks started fast in the first game. Third baseman Robby Ravet worked Vandal starting pitcher Tony Burke, a former CBJC player, for a walk. Ted Votendahl was safe on an error and Pete Pate hit a single and went into second on a Vandal error.

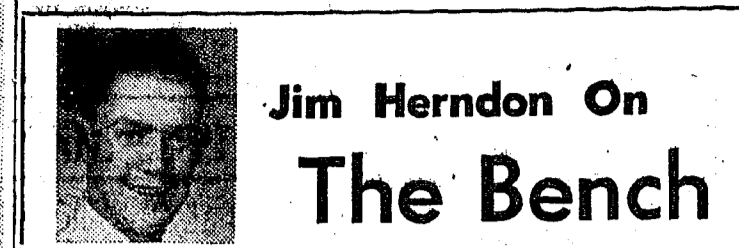

One run scored. Two more tallies crossed the plate on a sacrifice fly and a single before Burke got control and retired the side.

It was not until the fourth inning that Idaho started coming back, and then slowly, a run at a time.

**Singles**  
Chuck White opened the fourth inning with a single and went to third on an error. Shortstop Andie Johnson struck out but Mike Stowe brought White home with a sacrifice fly.

White scored Idaho's second run in the sixth. The sophomore right fielder walked, stole second base, and went to third on the Hawk second sacker's error. He crossed the plate after Eastern's pitcher erred.

Second baseman Dick Mooney tied the score in the seventh and

**No Time For Laziness Or Lovers In Spring Sports**  
Many people believe that spring is the time for lovers and laziness. The Vandal coaching staff can not quite agree with this, however.

The coaches have no place for either lazy or starry-eyed people this spring. Track and baseball are in full swing with tennis and spring football just around the corner.

Baseball coach Wayne Anderson is trying to get a winning combination ready for the start of the northern division conference play. The regular conference season starts April 21 when Idaho hosts Washington.

So far, however, Anderson hasn't got a winning combination going. The Vandals have not been humiliated and have only lost by a three-point spread, but errors have hampered the Vandals winning efforts.

Nothing serious, Anderson believes, that a little more practice won't cure.

Track coach Bill Sorsby expects to be busy this afternoon with his first annual Frosh-JC-Small College track meet. The Vandal Babes place their hopes on jumper Jim Bousquet who holds a 6-5 high jump performance. Also the Babe distance medley relay team is expected to make a showing. This quartet is anchored by Paul Henden who has run a 4:15 mile. Sorsby hopes to turn this meet into a big annual affair.

The varsity thinclads also can be seen in action this weekend. The varsity runs in the Far West Relays at Pullman tomorrow. The Idaho tracksters usually are not figured as much of a threat at this contest.

The Palouse's cold weather and snow conditions that accompany early spring and prolong ski season hamper the thinclads and slow down their early season training. The Far West relays which are held early in the year catches the Idaho runners before they are up to full strength. More southerly located Oregon usually dominates the meet.

Spring football practice starts April 22 after everyone has returned from Spring vacation. Coach Skip Stahley expects 70 men out the opening day. The dominance of junior college transfers that was seen this year will not be duplicated. Only two transfers are listed on the spring roster.

However, a couple lazy lovers have been detected.

## Idaho's Yearling Thinclads Host Seven Teams Today

Idaho's young frosh track team starts the full weekend of cinder activities rolling this afternoon when they host seven teams for the first annual Frosh-JC-Small College track meet.

Teams from Washington State Frosh, Central and Eastern Washington Colleges, Whitworth, Eastern Oregon College, Lewis-Clark Normal, and the Inland Empire Athletic Club start action at 1:00 p.m.

Strong teams from Idaho, WSU, Whitworth and the Inland Empire A. C. should make the sprint relay event the tops of the day. The Idaho state champion, Ron Huff, 1960 Idaho frosh star, Ed LaRoche, 46.9 quarter-miler Roland DeBoer and 1960 Idaho varsity sprinter and quarter-miler, Jay Doyle running the 440, 880 and mile relays, might be the strongest team entry.

**Whitworth, WSU Frosh Strong**  
Whitworth College, which defeated a strong Idaho varsity mile relay team last week; and the WSU frosh, Portland Indoor Meet Champion, are two other teams to be reckoned with.

Idaho's frosh distance medley team, anchored by its ace distance runner, Paul Henden, will be favored in this event. Other relay team members are Bob Johnson, 440; Dick Rankinen, 880; and Louie Olaso, 1320.

One of the best individual duals of the meet should be the high jump. Idaho jumper, Jim Bousquet, with recorded best leaps of 6'5" and 22' 11 1/2", will compete Washington of CWCE and 5'5" jumper LeRoy Seth of EWCE.

**Shaffer Favored**  
A heavy favorite in the discus is National Independent College discus champion, Fred Shaffer, from Whitworth. His best throw is over 167 feet. Idaho frosh Don Biagi, competing for the IEAC, will probably furnish Shaffer's main opposition.

No scores will be kept for the meet, but the unofficial battle for team champion should be close between Washington State, Idaho, Whitworth, CWCE and the Inland Empire Athletic Club.

The meet will operate on the same format as Saturday's Far West Relay meet in Cougarville tomorrow, with nine running events and six field contests.

Idaho yearling entrants in the events:  
Pole vault — Mike Free, Ray Edwards, Butch Edmundson; Javelin, Jerry Spencer, Ed Ager, and Walt Collins; shot put — Mike Jordan; high jump — Bousquet, Edwards.

**Bousquet, Ruby Jump**  
Broad jump — Bousquet, Bob Ruby; discus — Ager, Collins; distance medley relay — (440) Johnson; (880) Rankinen; (1320) Olaso and (mile) Henden; high hurdles — 440 relay — Bruce Skiver, Edmundson, Dick Williams and Allen Phillips.

220 Low Hurdles — Pressey and Spencer; two mile relay — Nick Carnefix, Bernie O'Connell, Olaso and Henden; 880 relay — Bousquet, Ruby, Pressey and Stan Hughes.

Two mile run — Nick Wetter; and mile relay — Bob Johnson, Stan Hughes, Phillips and Carnefix.

Youthful Jay Hook of the Cincinnati Reds and veteran Robin Roberts of the Philadelphia Phillies each gave up a total of 31 home runs during the 1960 National League season.

## Knivila Has Top Average In Early Season Statistics

Idaho's 1961 baseball season is young but the first stickmen statistics were released this week by the athletic department.

The Vandals have won one of their four contests in this new season. They lost their opener to Montana, 4-3; defeated WSU 5-4, and dropped two to the Columbia Basin Hawks, 4-3 and 6-3.

Ted Knivila, with three games under his belt, and four times at the plate, has the top hitting average of .750. The Idaho catcher has three hits to his credit.

**Trout Ranks High**  
One year varsity letterman Cliff Trout is out to beat his last year's average. To date he has compiled a .375. The outfielder has participated in all of Idaho's games and has been to bat 16 times. He has garnered six hits, to also lead in that category.

Herb Dehning, an outfielder who moved up from the frosh ranks this year, is batting a torrid .500. He has seen action in only two of the varsity's games, however, and has been at the plate twice.

Idaho's ace hurler, Steve Hinckley, is tied for fourth place in slugger with infielder Ron Zwitter. Each man has a .333 average. Hinckley has faced the opponent hurler six times and connected on two. Zwitter has hit on one out of

three.  
Hinckley leads the Vandal pitching crew in the number of innings pitched. To date Hinckley has given up 13 hits and 10 runs for an average of .256. In his two winless outings, he has struck out 13 batters.

Pat Townsend has pitched two innings of one contest and has been credited with a victory for an average of 4.5.

With six innings pitched in one game, Denny Grant is tied percentage-wise with Townsend (.45) in chugging. He has given up seven hits and three runs.

**Ida. - CBJC Box Score**

|                    |                 |
|--------------------|-----------------|
| Idaho              | 0 0 1 0 1 1 0-3 |
| CBJC               | 3 0 0 0 0 0 1-4 |
| <b>Second Game</b> |                 |
| Idaho              | 0 0 0 0 2 1 0-3 |
| CBJC               | 1 1 0 4 0 0 x-6 |

White scored Idaho's second run in the sixth. The sophomore right fielder walked, stole second base, and went to third on the Hawk second sacker's error. He crossed the plate after Eastern's pitcher erred.

Second baseman Dick Mooney tied the score in the seventh and

final inning on a basehit helped by two Eastern miscues.  
The Vandals were unable to keep the Hawks caged however as Eastern turned two hits and two walks into the winning run.

Chuck Craig Feeman who had relieved Pat Townsend in the eighth was charged with the loss.

The Hawks again got the jump on the Vandals in the second game. Pate blasted a Hinckley pitch for a home run in the first inning.

CBJC combined a walk, hit and error into a run in the second frame after two men were out.

In the fourth inning, the Hawks exploded with a big four run show. Two Vandal errors, a double, walk, and a single accounted for Eastern's run splurge.

**Strikes Out Side**  
Hinckley struck out the side in the fifth and it was Idaho's turn to score.

Two Vandals' were out when Mooney singles. Cliff Trout arrived at first on an error and Mooney went to second. Bob Verveake's single scored Mooney and White's liner sent Trout home.

Terry Boesel led off for Idaho in the sixth with a walk. The Vandal first baseman scored on pitcher Hinckley's double to left.

Verveake doubled and Johnson walked in the final inning but the Hawks tightened their defense and put the Vandals down before Idaho could get another run.

### Sunrise Services, Picnics Planned For Easter Sunday

Many campus church groups will rise early Easter Sunday for sunrise services. Several groups are also planning picnics.

### Agnes Schuldt Gives Recital

Agnes Crawford Schuldt, a specialist in the history and literature of music at Idaho, presented a piano recital of comparisons — new music and music of former times — last night in the Music building.

Selected compositions from the work of Bach, Schumann, Bloch, Hindemith, Beethoven, Barber, Handel, Tchaikovsky, and Talmá were played.

In addition to being known as a concert pianist, Mrs. Schuldt was chosen last year as one of the 10 outstanding Idaho faculty members. She is currently president of the American Association of University Professors and a member of the American Musicological Society and the College Music Association.

Two years ago, Mrs. Schuldt spent her sabbatical leave studying 17th and 18th century music at Oxford university, England. Afternoon picnics.

Lutheran students will hold a student-led sunrise service at the Genesee Valley Lutheran Church Sunday. Cars will leave the Campus Christian Center at 6:30 a.m. Norman Otto, Wes Bourassa, and Don Parsons will deliver the sermon, and Idona Kellogg will give the day's text. Sunday afternoon Lutherans will leave the CCC at 2:30 for a get-together at Homer Ranch near Troy.

Wesley will join L.S.A. for a picnic Sunday. Those attending should meet at the CCC at 2:30 for rides.

At 5:30 the full-length film "Trial" will be presented at the CCC by the Westminster Foundation.

**MEETING CALLED**  
An important meeting of all ROTC officers of junior standing or better is scheduled for 2:30 hours today. Corps leaders emphasized that instruction will be given on how to better give out demerits to luckless and defenseless freshman and sophomore cadets.

## Dear Jason

### Snob Or Critic?

Dear Jason:  
If applause is an indication of success, the Blue Key talent show was a complete success.

In view of Mr. Christensen's Psychoanalysis, however, audience response is nothing more than a method by which we "immature" people can "vent a little hostility against symbols of authority or environment."

Before you tack the labels "vulgar" and "crude" on too many people, Mr. Christensen, please remember that there is another name that can be attached to people with the attitude "I realize I'm more righteous than thou, but I understand your weakness."

The name, of course, is SNOB.  
Lloyd Agte

### Countercharge

Dear Jason,  
Although it is doubtful that anyone will take seriously the semi-hysterical rantings presented in Mr. Bennett's letter of March 21, we will undertake to make the following comment:

Mr. Bennett's comments are a summary of the assertions to be found in any one of several extremist publications produced in this country which are dedicated to the principle that "Thou shalt not suffer a liberal to live." We do not challenge his right to his opinions, but we do reserve the right to think him a fool for holding them.

We also object to his tactics of hurling unjustified and slanderous accusations at all who disagree with him, which, in one particular case (that of Dr. Schlesinger), caused the University considerable embarrassment.

The doctrine of the end justifying the means, one that Mr. Bennett has often defended, especially when the need is the fulfillment of Gary Bennett's personal prejudices and the means of mudslinging.

The natural law which we defend was discovered, not by us, but by a small group of revolutionaries almost two hundred years ago. It may be found in paragraph two of the Declaration of Independence.

### Tips For English

Dear Jason:  
It is my understanding that some of our foreign students in this school are having difficulty with the English language. Through my experiences in the past six years and my association with foreign and American students, I have got a fairly good idea of the problems confronting the foreign students and have some suggestions that might prove helpful to them.

Recently, I was talking with a friend (foreign student) who was studying at the SUB. The first thing that attracted my attention was the dictionary he was carrying. It was a dictionary of English words translated in his native language. I talked to him for a while, our conversation running something like this:

I: Why don't you use an English-English dictionary instead?  
He: It is much easier for me to look up words in this and find their meanings right away.

I: But this way your vocabulary and the usage of English words will remain limited.

He: I don't care much for English. All I want is to get the meaning of the things I read.

Although I do not claim that my English is better than any other foreign student's, I have noticed a constant improvement over the years by following a few simple rules that I wish to bring to the attention of interested foreign students. They are:

1. Do not read aloud. (Although reading aloud gives the benefit of using your ears as well as your eyes, it fails to improve the speed with which you read.)
2. Use an English-English dictionary. It may be hard at first, but will prove to be more efficient and easier later on.
3. Review your grammar from time to time.
4. Do not limit your reading to your own field of specialization.
5. Associate and talk with your American friends more often.

### Like Thanks

Dear Jason:  
We would like to take this opportunity to thank all those people who helped make the Blue Key Talent Show a success last Friday night. Thanks go not only to the contestants, but also to those people who tried out at the auditions.

A special word of thanks to our judges: Byron Henry, Hall Macklin, and M-Sgt. Dale X. Coppock; and also to M.C.'s, John Fitzgerald and Bonnie Scott. We also appreciate the efforts of Duane Allred and Mark Holbrook who did a great deal of work behind the scenes.

Like many of the functions at the University of Idaho, the Blue Key Talent Show depends upon the students to make it a success. Therefore we appreciate the support and interest of the entire student body.

### Destroy Almanacs?

Dear Jason,  
We observe from your Tuesday issue that the campus Young Republicans support, among other things, the Little Smith Act, the Committee for Un-American Activities and Chiang Kai Chek.

Of course we all know from history that no government ever becomes despotic and that Adams, Jefferson and Franklin were really foolish and unpatriotic men whose opposition to the government of George III should have won them all long prison terms under the Little Smith Act.

It is equally obvious that the Committee for Un-American Activities is composed of men dedicated to the principles of free conscience, of free thought and of its free expression. Moreover, we are glad that the self-less virtue of its members nevertheless allows them to accept the booty of national publicity and political advantage which they so richly deserve by duplicating work already performed by the FBI.

And lastly we should observe that as the Idaho band of Young Republicans are "the only true representatives" of the 400 million people on the Chinese mainland. Therefore we wish it resolved that all copies of the World Almanac which provides facts leading to the opposite but obviously erroneous conclusion, should be burned forthwith and that this should be executed by Young Republicans acting as representatives of the Committee for Un-American Activities.

## Idaho To Have Closed Circuit TV Next Fall

A cable carrying television signals from the Radio-TV Center to all campus living groups and eight University classroom buildings will begin operation on an experimental basis next fall, said Professor Kenneth E. Bell, Chairman of Radio-TV, yesterday.

Bell said the program in a schedule has been drawn up for the informational television service, and testing will begin this spring as soon as more equipment arrives.

"We have one camera now," Bell said, "and the rest of the equipment is ordered and should be arriving sometime in May."

The equipment will be set up and tested during the remainder of the semester and the summer, Bell said, and regular broadcasting is planned next fall. One of the first programs is planned to help orient the new freshmen coming to Idaho.

"The purpose of the television hook-up is not for entertainment," Bell explained, "but to offer a three-fold informational service: 1. Televised formal classes. 2. Supplemental and refresher material for other courses. 3. ASUI presentations, such as orientation and Exec Board meetings."

The cable will be connected in the Administration Building, rooms 104 and 109; Home Economics Building, room 6; Science Building, room 110; Engineering Classroom Building, room 104; the new Mines Building; Music Building, room 116; Kirtley Laboratory No. 1; University Hut, room 105, in addition to the living groups.

MONEY STOLEN  
A hundred dollars cash was stolen Tuesday night from the commissary at Gault Hall.

Russians Pity Americans, Martin Tells Honorary  
The Communist people feel sorry for Americans—mainly because they're not Communists, according to Boyd A. Martin, dean of the College of Letters and Science, who toured Eastern Europe and Russia last summer.

Martin showed slides and discussed his trip with members of Scabbard and Blade, military honorary, at a recent evening meeting in the Student Union North Ballroom.

Martin said one of the most remarkable things about the trip was the attitude of the Russian people toward him, his family and the American way of life.

"In most of the Communist countries, the people had never seen Americans before and crowded around the car by the hundreds just to see what we looked like," he noted.

Martin added that many of the tour guides seemed to think Americans were completely uninformed and that most of them were unemployed.

## SAEs Slate Dinner Dance, Forney Honors Coeds

By BRIDGET BEGLAN, Argonaut House Editor  
Campus activities will come to a slow-down this weekend with many students away from campus for the Easter holiday.

**FORNEY GIRLS HONORED**  
Tapped Wednesday evening for the Forney Hall honorary were Lena Alton, Elaine Anderson, Helen Bundas, Jerri Elsbury, Judy Gale, Edith Nelson, Laura Peterson, Lillian Severson, Carol Simon, Jeanette Theyer, and Verona Walkins.

Recent dinner guests were Mrs. Holland, Nancy Davis, Phi Phi and Ron Jones, McConnell.

**CROCKET RECEIVES SERENADE**  
Russ Crockett seems to have the talent for making feminine friends. He had a DG serenade last Wednesday night at the Delta Sig house. He was presented a gift, contents of which are still unknown to most of the brothers.

Delta Sigs played host to the 10 finalists for Miss U. of I. last week.

**WSH ANALYZED**  
Sunday Willis Sweet dinner guest was Mr. B. M. Stallcup, English instructor. After dinner Stallcup gave a short talk on aptitude and psychology tests. Test samples were given to hall members.

At a hall meeting Wednesday evening, open season was announced on freshmen and seniors. The season will last for a month with all freshmen eligible for "rides" and seniors open game for "Tubbings."

**LINDLEY HONORS KAPPAS**  
Wednesday evening Lindley Hall entertained past and present Kappa officers during dress dinner. Guests were Karen Stedfeld, Ann Irwin, Jeri-Rae Rasmussen, Jo Ann Tatum, and Joan Wallington. Other dinner guests were Dr. and Mrs. Theophilus. Dr. Theophilus gave an after-dinner speech

on the budget of the University. **17 NEW SIGS ADDED**  
Men now wearing the white cross of Sigma Chi are Bob Adams, Dave Alredson, Dale Bailey, Stew Batt, Dave Barrett, Warren Board, Larry Curry, Jay Eubanks, Chris Gibbs, Grant Gibbons, John Harms, Rod Higgins, Joe McElroy, Monte McClure, Bill Sullivan, Jan Wendle, and Dennis Wheeler.

Recent house guests were Pete Dean and Doug Rice, Sigs from Oregon State and U. of Oregon, and Wayne Kidwell, Sig alum. Dinner guests this week were Nancy Young, Gamma Phi; John Mock, Chrisman; Bill Reed, Mr. and Mrs. Sampson, Moscow, and Dr. Harm Schlomer, Spokane.

Spring fever hit the members and pledges alike resulting in the tubbing of Bob Alexander and the porching of Leroy Kellogg at the Theta door.

**BETAS HAVE BANQUET**  
The annual Beta Theta Pi Sister-Daughter banquet was held Saturday. Guests were Sally Jo Nelson, Marian Collins, Claudia Rockwell, Mary Lee Frye, Jill Fouche, and Phyllis Harris, Gamma Phi; Cay Powell and Ann Marie Rose, Alpha Chi; Mary Jane Irving, Alpha Phi; Ann Lemmon and Sharlene Gage, Theta; Judy Riggsby, Carol Hodgson, Judy Finney, and Carol Lindemer, Kappa; Lynne Paulson, Tana Harris, and Carol Connack, DG; and Penny Parberry and Bev Bucklin, Phi Phi.

Recent house guest was Charles Gilb, an alumnus from Los Angeles.

**PHIKEIA'S SLAVE**  
Phi Delta pledged mastered the extensive pledge class project last weekend and extended the side-walk off the porch and made concrete steps down to the parking lot.

Guests last week were: John Hampton and Bryan Borup, Denver, Colorado, and Bob Toucher, UCLA Phi Delta.

Dinner guests for Wednesday dinner included Mr. and Mrs. Gary Kenworthy and Mr. McMiss, Idaho faculty; and Mr. and Mrs. Wales from Spokane.

**KAPPA SIG PLEDGES SNEAK**  
The pledges took their annual, well-advertised, sneak to Spokane. The only comment from the Spokane police was "Get moving; this isn't Fort Lauderdale."

Mr. Larry Bass, an alum from Twin Falls, was a guest at dinner

A few brave Thetas heralded the coming of spring as they were seen lounging around their sun porch across from the K Sig House this week.

Ralph Bingham will be spending Easter vacation at his fiancée's home in Salt Lake City.

**SAE'S TO HAVE DANCE**  
Highlighting this weekend will be the SAE upperclassman's dinner dance. The annual dinner affair will be followed by dancing in the chapter house.

SAE's and Little Sisters of Minerva will be hosts at an Easter party at the Moscow Old Folk's Home this afternoon. Gifts will be presented along with an Easter serenade.

The Little Sisters of Minerva are now sporting new blazers as part of their uniform. They will be worn every Tuesday.

Dinner guests last week were Robert Whitney, A. D. Pi from the University of Colorado; Mr. and Mrs. W. G. Wellington, West Covina, California; Patsy Wellington, Gamma Phi; Barry Marcus, off campus; Pat Matheny, Violet Queen; and Judy Tuttle, Mary Lynn Evans, Judy Filler, and Gay Gregory, Alpha Phi.

The Minerva Club presented the house with a set of sterling silverware after dinner Wednesday. Those attending were Mr. and Mrs. Bill Anderson, Mr. and Mrs. Theodore Pritchard, Mrs. Larry Knapp, Judge and Mrs. L. Woodard, and Mrs. Mary Coleman, housemother.

**SIGMA NUS HAVE GUESTS**  
Weekend Sigma Nu guests were Ralph Simen and Max Newland, both from Denver, Colorado. Lunch guest Wednesday was Mrs. Selvert.

**CHRISMAN HAS TUBING**  
Seniors of Chrisman have banded together to plan their Spring tubing strategy. The freshmen, nevertheless, at last found a loophole, Friday and tubbed Joe Boushards who made the mistake of getting engaged and also being a senior. He got double treatment.

Chrisman played host to the Alpha Chi's at an exchange Wednesday evening.

VOLUME 65, NO. 44 UNIVERSITY OF IDAHO, MOSCOW, IDAHO Friday, March 31, 1961

## Co-ed Named Miss U. Of I. On Saturday

The doors of the Ad Auditorium will open at 7 tomorrow night to an expected full house for the Miss University of Idaho pageant, which starts at 7:30 p.m. Tickets are now being sold by all IK's and in the ASUI office to the annual show. Students will be admitted for 35 cents. Sponsored by the Intercollegiate Knights who have a franchise with the Miss America pageant, the contest will select the University's entrant in the Miss Idaho contest to be held this spring. The girls will be judged on the basis of their appearance in the three competition divisions: Talent, bathing suit, and evening gown.

**Finalists**  
Finalists for the crown are: Hayden Clark, Hays Hall; Paula Guseck and Jackie McConnell, Alpha Chi; Dana Andrews and Judy Tracy, Alpha Phi; Jeanne Marshall and Pat Dunn, DG's; Patsy McCullough and Mary Rambo, Gamma Phi; and Judy Bonnell, Theta.

The contest will wind up several weeks of preparation including a preliminary contest which narrowed the field from 23 to 10 girls. **Dames Club Hears Speech On Beauty**  
The University Dames Club met recently at the Faculty Club for their last business meeting before Spring Vacation. The speaker for the evening was Mr. Hix, from the Lewiston School of Beauty.

### THE GOLDEN FLEECE by Jason

This particular issue of the Argonaut is an unusual one. A normal six page newspaper has been transformed into four pages of normal, rather dry news. The other two pages are strictly for April 1. There are some who may feel our two nonsense pages do make sense, and are attempting to say something about certain students, and organizations in general in a satirical manner.

These individuals may feel we are slamming their particular group, or organization with deliberate malice, that we are trying to mix humor with a message. Unhappily, college journalists are not capable of the style and clever comment of a Voltaire or a Jonathan Swift, so the satire wears thin in places...if it is satire. Possibly, just for kicks, a reader might scan through the first two pages (if he can find them) of today's paper, and see if this particular paper is anything but nonsensical humor. He might be surprised.

### Pajama Hop To Be In SUB On Saturday

The bed pushers are still organizing. So don't be too shocked when you see people in the SUB wearing articles of bed clothing, or people running from Pullman to Moscow. Tomorrow night in the SUB Ballroom a Pajama Hop will be held to raise money for these men who are doing their best to give Idaho lots of "good" publicity, and raise a little money for a charity on the side. The bed-pushing team has selected Leukemia as their charity and all money above team expenses will go into this fund. They are still selling stock for 25 cents a share and all interested should contact Dave Ritchey, Upham Hall.

**LIBRARY IS OPEN**  
Due to mid-term exams, library hours for today, will be from 8 a.m. to 5:30 p.m. and from 7 p.m. to 10 p.m., according to Lee Zimmerman, University Librarian.

### Gilb Says Ability To Sell Self Important In Business World

If you are not able to sell yourself by public and private ability to speak, then you will not go too far in the business, or any other, world. In essence, this was the conviction of Charles Gilb, who during the last week, was a guest speaker at several classes in business and at least one class in public speaking. To the public speaking class taught by speech head Dr. A. E. Whitehead, Gilb said that the speech classes were among the most valuable he had ever had, but he didn't realize it until he got out into the rough and tumble world of big business. "When you get out of school," he said, "you'll be interviewed and no matter how smart you are, you won't be able to sell anyone on yourself if you haven't the ability to adequately express yourself." Gilb pointed to the growth of public speaking clubs in California and pointed out that one school he knew about cost \$500 for a series of lessons. Using expressive gestures, the big man said that in selling, you have to be able to use psychology of persuasive speaking to sell, but to do this, you have to sell yourself on your own ability to sell first. Dressed in a three button, olive suit, wearing black rimmed glasses, and sporting a short-cropped head of hair, Gilb threw in anecdotes, along with earthy philosophy of life and love. "I hear the new Administration's collecting all the bowling balls east of the Mississippi to make a rosary for the Statue of Liberty," he said.

**LEAVE CAMPUS**  
Argonaut staff top executives fled the campus this morning, reportedly bound for Spokane and points East. The sudden departure coincided with the issuance of today's paper, following a pattern established over the last decade by Argonaut editors with the April Fool's Edition.

## Campus Auction Set For Saturday At 4:00

Campus Chest Auction, Idaho's money raising project for charity donations, will be held Saturday at 4 p.m. in the SUB—but the carnival traditionally held at the same time has been cancelled because of too many spring activities. In past years campus living groups have sponsored booths for the carnival and offered parties and entertainment to the highest bidder at the auction. The two have always been held together with proceeds distributed to charities throughout the nation. **Mix Explains**  
Terry Mix, Phi Delt, junior class vice president and acting president, said the juniors had earlier decided to stage the auction and carnival at two different times this year so more students would participate. The carnival was originally slated for May 6, according to Mix, However Student Affairs Office pleaded against making May 6 a closed night since the carnival was being held separately from the auction and several living groups had requested that night for house functions. "With so many individual living group functions we did not feel enough students would participate in the carnival so we decided to cancel it for this year," Mix said.

**Need More Money**  
Mix urged living groups to appropriate more money for the auction in order to make up for the money usually earned at the carnival. Campus Chest earned approximately \$1,800 last year. More than \$600 came from the carnival. Larry and Lynn Hossner, off campus, will be auctioneers for the Saturday event. Each living group wishing to bid must be represented by at least two members, one of which should be the president. Each living group will be assigned a bidding number before the auction begins. Heading the junior class auction committee is Katherine Koelsch, DG. Sharon Houck, Alpha Gamma, is in charge of distributing the funds to charities. **Living Groups Offer**  
Living groups offering food and entertainment for auction are:

Alpha Gam, Barbecue at the Arboretum; Fiji, Boon Dock Barbeque; Campus Club, Pizza Party and Tarantella; Alpha Phi, Beach Party at Robinson Lake; ATO, Taco Feed; and Pi Phi, Woodsy or Fort Lauderdale. Tri Delt, Barbecue and Dance at Lake Chatcolet; Chrisman, 20 plus slaves; Delta Sig, Caribbean Fiesta; Alpha Chi, Flinstone Primitive Party; Beta, Ray Grites Diamond Jubilee; Delta Chi, donation; Delt, Chickaree with surprise function thrown in; and Ethel Steel, picnic. French, Patio Party; Forney, Chili Feed; Gamma Phi Beta, Star-

lite Stomp in Sticks; Theta, Hawaiian Luau; Kappa, Kappa Koppa Kabuna; Kappa Sig, Italian Dinner; Lindley, picnic; and Phi Delt, Steak fry at Arboretum. Phi Tau, water skiing at Lake Chatcolet; SAE, Pizza Party; Sigma Nu, Spanish Fiasco; TKE, picnic on the Ad Lawn; Theta Chi, At Lauderdale; and DG, A Night in Las Vegas.

**Class Prexy Out; Board Promotes Mix**  
Junior class president Ken Powell's resignation, the "University Society for the Advancement of Bed Pushers" drive to get the SUB ballrooms for a Saturday dance to promote their cause (and help the leukemia fund) and the raising of the previous semester's GPA from a 2.0 to a 2.2 to serve on ASUI activities, highlighted the third joint meeting of the old and new Executive Boards last Tuesday. Ken Powell, LDS, resigned because of a rather low grade point, and Junior class vep, Terry Mix, Phi Delt, took over his job. Dave Richey and Bob Taylor, who are going to push a bed to Boise, and possibly even make it to Twin Falls, petitioned the Board to let them have one of the SUB ballrooms, this Saturday night for a dance. The dance would be both to publicize their coming push, and to provide money for the leukemia fund, their favorite charity. They were granted the ballroom. **Discussion**  
After much discussion on a proposal sent to the Board from Dean of Men Charles Decker concerning several aspects of grade points, the Board agreed that the minimum requirement for serving on an ASUI sponsored activity should be a 2.2 instead of a mere 2.0. The Board also passed and heard end-of-year reports from Jim Mullen on Student Representation, and from Everett Bailly on Student Faculty and Academics. Others on the SFA committee were Lorna Woelfel and Lloyd Taylor. In other action, the Board — Tabled a motion to reconsider the Berkely Queen Contest, which not very many people know anything at all about, and perhaps it should stay that way. — Saw Bruce McCowan get jerked from the meeting by a Moscow policeman who informed him that somebody had run into his car.

**RILC**  
Passed a motion to give the Religion in Life Committee enough money to take care of its printing costs, and included in the budget a \$100 package for next year. — Heard that the new Public Relations Director would be chosen from Gordon Powers, Willis Sweet; Skip French, Phi Delt; Carl Berry, Sigma Nu; or Lynn Hossner, off campus. Conceivably, more applications could come in. SUB Board members chosen were Vivian Dickamore, Gamma Phi; Skip French, Phi Delt; Blake Thomson, Sigma Nu; Arnold Ayers, Lambda Chi; and Bob Clarkson, Lindley.

### Audie Murphy To Be In Film

In a switch from the usual shoot-em-up westerns, hero Audie Murphy joins forces with the Indians in "Walk the Proud Land," this weekend's SUB movie in the Borah Theater. The film, in which Murphy plays an Indian agent, deals with the hero's efforts to force the surrender of the notorious Indian renegade Geronimo. He achieves success by training and leading a police force of Apaches against the Indian outlaw. The plot is based on history. Show times are 7 and 9 p.m. Friday and 8 Sunday evening.

Naval Honor Roll Released  
Capt G. F. Richardson, USN, professor of naval science, announced the Navy Honor Roll students recently. This honor requires a minimum grade point average of 3.65 in a minimum of 16 semester hours. Nominated were Wayne A. Davensonport, Marvin J. Weniger, Francis J. Murphy, Robert L. Davies, all off campus, and William R. Kindley, Lindley Hall, Jerry K. Okeson, BTP, and Richard A. Steiner, TKE. The average grade point attained by the above men was 3.81.

### HAPPINESS CAN'T BUY MONEY

With tuition costs spiralling ever upward, more and more undergraduates are investigating the student loan plan. If you are one who is considering the "Learn Now, Pay Later" system, you would do well first to study the case of Leonid Sigafos. Leonid, the son of an upholsterer in Straitened Circumstances, Idaho, had his heart set on going to college, but his father, alas, could not afford to send him. Leonid applied for a Regents Scholarship, but his reading speed, alas, was not very rapid—two words an hour—and before he could finish the first page of his test the Regents had closed their brief cases crossly and gone home. Leonid then applied for an athletic scholarship, but he had, alas, only a single athletic skill—balancing a stick on his chin—and this, alas, aroused only passing enthusiasm among the coaches.

And then, huzzah, Leonid learned of the student loan plan: he could borrow money for his tuition and repay it in easy monthly installments after he left school! Happily Leonid enrolled in the Southeastern Idaho College of Woodpulp and Restoration Drama and happily began a college career that grew more happy year by year. Indeed, it became altogether ecstatic in his senior year because Leonid met a coed named Salina T. Nem with hair like beaten gold and eyes like two squirts of Lake Louise. Love gripped them in its big moist palm and they were betrothed on the Eve of St. Agnes. Happily they made plans to be married the day after commencement—plans, alas, that never were to come to fruition because Leonid, alas, learned that Salina, like himself, was in college on a student loan, which meant that he had not only to repay his own loan when he left school but also Salina's, and the job, alas, that was waiting for Leonid after graduation at the Boise Raccoon Works simply did not pay enough, alas, to cover both their loans, plus rent and food and clothing. Sick at heart, Leonid and Salina sat down and lit Marlboro Cigarettes and tried to find an answer to their problem—and, sure enough, they did! I do not know whether or not Marlboro Cigarettes helped them find an answer; all I know is that Marlboro's taste good and look good, and when things close in and a fellow needs a friend and the world is black as the pit from pole to pole, it is a heap of comfort and satisfaction to be sure that Marlboro will always provide the same unflinching pleasure, the same unstinting quality, in all times and climes and conditions. That's all I know.

Leonid and Salina, I say, did find an answer—a very simple one. If their student loans did not come due until they left school, why, then they just wouldn't leave school! So after receiving their bachelor degrees, they re-enrolled and took masters degrees. After that they took doctors degrees, loads and loads of them, until today Leonid and Salina, both aged 78, both still in school, hold doctorates in Philosophy, Humane Letters, Jurisprudence, Veterinary Medicine, Civil Engineering, Optometry, and Dewey Decimals. Their student loans, as of last January 1, amounted to a combined total of eighteen million dollars, a sum which they probably would have found great difficulty in repaying had not the Department of the Interior recently declared them a National Park.

## Discussions On Marriage Main Topic For Current Family Relations Confab

Discussions involving early marriages, pre-marriage counseling and high school-college student-adult relationships provided the kick-off for a two day SUB program on family relations yesterday. The Pacific Northwest Council on Family Relations starts Thursday morning at 7 with registration and will end Saturday at noon. The meeting is being held here this year at the invitation of sociology professor Dr. Harry Harmsworth. Audio-visual materials will be available for previewing Friday morning. At 9 p.m. the Speech Department for WSU will set the scene with a dramatization entitled "High Pressure Areas." Two speakers will be featured this year. Dr. James A. Peterson, from the UCLA Department of Sociology, will deliver the keynote address. Dr. Beverly T. Meade, MD, will speak Friday at 7 p.m. on "Relationship of American Youth to the Family in Today's Society." The forum discussions will be

led by Dr. Paul Landis, WSU Dept. of Sociology, Dr. Lester Kirkendall, OSC Dept. of Family Life, Dr. William Brokelbank, Idaho, College of Law, and Rev. Harry Johns, First Presbyterian Church, Moscow, Idaho. This conference includes Montana, Idaho, Washington, Oregon, and the two western Canadian provinces and it should appeal to students in home economics, psychology, and sociology, as well as ministers and faculty members. Eight psychologists and sociologists are going to hold discussion groups on their theses, including an Idaho graduate student, Mrs. Florence Aller. The discussion will be open to students with ASUI cards. Friday morning from 10:30 to noon the following theses will be discussed: "Instruction on Contraception on a College Level Marriage and Family Courses," by Dr. Theodore Johans Jr., Dept. of Sociology, University of Oregon. Other topics include: "The Influence of Family Size on Some Aspects of Teenagers' Attitudes, Behavior, and Perceptions of

Home Life," by Joe A. Templeton, Dept. of Rural Sociology, WSU; "A Comparison of Menstrual Attitudes and Information Sources of College Men versus College Women," by Dr. Virginia Larson, Mental Health and Research Institute, Steilacomb, Washington; and "The Incidents of High School Marriage in Eastern Washington," by Harry Bradley, Dept. of Psychology, WSU. These discussion groups will be held in Conference Room C. Saturday morning from 9 to 10:30 the following theses will be discussed in Conference Room A: "Masculine and Feminine Attitudes of College Students Toward Parenthood," by Lester A. Kirkendall, Dept. of Family Life, Oregon State University; "A Theory of Mate Selection," by Robert Coombs, Dept. of Sociology, WSU. **CHEERLEADER SIGN-UPS**  
All students interested in trying out for pom-pom or yell leader positions sign up in the ASUI office before Tuesday. An instructional meeting will be held Tuesday, 4:30, Conf. E, SUB.

## Students, Churches Continue Easter-Time, Easter Theme

By IDONA KELLOGG Argonaut Staff Writer  
"Who? Me?"  
"I had nothing to do with it!"  
"And I can prove it! I was with some friends studying; Ask them—the Bible says, isn't it? Yeah—Roman soldiers! The tools of the politicians—they were the ones you're after, not me! Or was it the others? Yeah—the chief priests and their temple captains, they were in on it too, especially at the beginning of the ruckus!"  
"Look—I'm only a student—it was Roman soldiers who did it! That's what the Bible says, isn't it? Yeah—Roman soldiers! The tools of the politicians—they were the ones you're after, not me! Or was it the others? Yeah—the chief priests and their temple captains, they were in on it too, especially at the beginning of the ruckus!"  
This jargon, written by Roger S. Boraas in the "Uninvolved," typifies the feeling most students have concerning the crucifixion of Christ and the Resurrection. Students of today mock God and flout His

commands just as much as the people that nailed Jesus to the cross ages ago, the Christian teachings say. "This doesn't concern me—for I'm not a Christian," you announce. The poem, "I Must Believe," gives one viewpoint of faith and belief in Christ Jesus. It reads, "I must believe in God because . . . There is no other way . . . That I am able to explain . . . Why I am here today . . . There
