

University Phone Calls

Quick and Cheap

Business calls made by University departments will now be conducted quicker and with less expense with the aid of a new telephone communications system which went into effect October 16.

This new State Telepak System will enable persons conducting University business to make calls to any of the other Telepak locations without being charged.

Long distance calls may also be placed through the system to any location in Idaho and charges will be limited to the cost of a call from the nearest Telepak city.

To place a call, a person on campus must call through the University switchboard attendant located on the ground floor of the library. She takes the call and makes connections with the state house switchboard at Boise. From there the call can be relayed to all parts of the state.

Calls can be placed between 7:30 a.m. and 4:00 p.m. from Monday through Friday.

A network of private lines has been leased by the state on a flat rental basis. In turn, this rental will be covered by a pro-rated charge to the various state agencies.

Dad's Day Fast Approaching; Varied Entertainment Planned

Pat Kelley
Head of Dad's Day

With Dad's Day only eight days away procrastinating "would-be" beard growers and quartet contest entrants should take action now. Dad's Day will also offer a football game, dance, rally, foreign film, ASUI play, professor seminar, house decoration contest, Turkey Trot, free line of bowling for each dad, and Dad's Day in the churches.

tana State University.

Dads and mothers will be admitted to the dance free with campus couples paying \$1.50.

A new addition to University of Idaho Dad's Day, a professor seminar, will sponsor such speakers as Dean Steffens, Academic Dean and Vice-President of the University; Dean Kraus, Agriculture; Dr. Renfrew, Head of Physical Sciences; Mr. Seeley, Assistant Professor of Labor Economics and Business Administration; and Dean Boyd Martin, Letters and Science. These men will discuss "Man and Space" in relation to their fields.

Deans of the various colleges have been working on a professor seminar program since last spring so all students are urged to attend. It will be held November 4 from 10 to 10:30 a.m. in the Music Auditorium.

The professor seminar was adopted into the Dad's Day program to introduce the Dads to the academic side of campus life.

CUP Changes Candidates For Class Officers

Changes occurred in the slate of candidates vying for class officers and the membership of the election board during the last week.

Julie Ann Jackson, Alpha Gam, CUP candidate for sophomore class secretary, was declared scholastically ineligible to participate in ASUI activities. The Executive Board of the Campus Union Party decided to move the candidate for treasurer, Jeanette Thayer, Forney Hall, up to the secretarial candidacies. Kip Peterson, Ethel Steel runner-up for the treasurer nomination was given that spot on the ballot.

These changes took place last Tuesday, immediately before the two-week deadline for registration of candidates.

Miss Peterson who was on Election Board, will be replaced by Gerald Huettig, Delta Sig, and member of the Grass Roots faction in CUP. He had the next highest score of the CUP applicants.

Elections are scheduled for Nov. 7, less than two weeks away.

SPUR CONVENTION — Making arrangements for the banquet which will climax the Regional Spur Convention this weekend are the following committee chairmen: (left to right) Karen Miles, Alpha Chi, Decorations, Mary Lynn Evans, Alpha Phi, Discus-

sion Groups, Sharlene Gage, Theta, publicity, Barbara Clark, Kappa, and Nona Kay Shern, Alpha Phi, convention co-chairmen.

Constitution Won't Be Ready Nov. 7

University students will not get a chance to accept or reject the revised ASUI Constitution during class elections Nov. 7, as was originally intended.

Difficulties in devising an adequate means of presenting the revision to the student body, along with other technical difficulties will prevent its inclusion on the ballot.

MacPhee Sets Sigma Xi Talk

Evolution and behavior of Pacific salmonids will be explained to members of the Idaho chapter of Sigma Xi, scientific honorary, at 8 p.m. Nov. 9 in the upstairs lounge of the Faculty Club.

Dr. Craig MacPhee, assistant professor of fishery management, will discuss five species of Pacific salmon and steelhead, their distribution throughout the Northern Pacific and behavioral characteristics of the various species. He will also trace their migratory behavior to and from spawning areas.

W. R. Parish, associate professor of electrical engineering and president of Sigma Xi, Idaho chapter, said, "All members-at-large in the area are invited to attend the meeting and become affiliated with the Idaho chapter."

WSU Puts Limit On Student Body Size; No Plans To Curb Idaho Enrollment

The University of Idaho will continue to accept anyone "academically qualified" to the institution and at the present the school does not anticipate a restriction in the enrollment according to D. R. Theophilus, president of the University.

Yesterday Washington State University president C. Clement French announced that enrollment at that institution next fall will not be allowed to exceed 8,200—the number of students that can be housed.

Idaho's future on limiting students from attending the school depends upon housing facilities, Theophilus said yesterday.

"If we do make plans to limit enrollment, we will make an announcement in the spring," the Idaho president said.

In making the startling announcement that WSU was to limit its enrollment next fall, President French said:

"This action is dictated by the sheer physical impossibility of taking more than this number. Enrollment this year jumped nearly 1,000 students and this has led, in some cases to undesirable crowding in dormitories."

A larger than expected number of former students returned to Washington State this fall, boosting enrollment to an all-time high figure of 7,826. The registrar had predicted 7,535.

Dr. French said WSU was taking four actions to control enrollment and to find out, in advance, how many students are planning to enroll.

Advance Payment
Beginning next fall, both new and returning students must make an

Peace Corps Representative Here Tuesday

Arnold Zack, Peace Corps field representative from Washington, D. C., will be on the University of Idaho campus Tuesday to interview students interested in applying for membership in the Peace Corps.

According to a telegram received Wednesday by Donald Kees, Idaho student counselor and University representative of the Peace Corps, this visit is one of 500 visitations to campuses throughout the nation. Zack will explain the function of the Peace Corps to interested students and faculty members.

Those students interested in the Peace Corps should contact Kees at the Student Counseling Center and he will arrange for a conference with Zack.

advance payment of \$50 toward their registration fee. This will be due Aug. 1 for the first semester and Jan. 15 for the second semester. Graduate and special students, faculty and all foreign students other than Canadians are exempt from this advance payment.

The deadline for new admissions has been moved up 15 days to Aug. 1.

Priority Basis
Admission to classes next fall will be put on a priority basis, with former students who are eligible to return and who have paid the \$50 advance fee holding first priority.

Following in order of priority, will be new graduate students, new transfer students and new freshmen.

Freshmen with a high school grade point average of 2.5 and above will be admitted if the \$50 fee is deposited by Aug. 1.

The number of freshmen admitted with a GPA below 2.5 will be determined entirely by the available housing, and these will be selected on the basis of reasonable probability of success at WSU.

Announced Earlier
Several months ago Washington State announced it would begin selecting its freshmen (in 1964) on the basis of their high school record, test scores and principal's recommendations, rather than on grade point alone. These requirements were to be waived for high school graduates presenting a 2.5 GPA or better. This policy was recommended by the faculty and approved by the Regents.

"In effect," the WSU president said, "an extremely tight housing system has forced us to put this same policy into effect next fall instead of in 1964."

He said the exact number to be admitted next fall would consist of the maximum number that could be housed in dormitories and University-owned apartments, in fraternities and sororities and by the community of Pullman.

Two new women's dormitories are expected to be ready for occupancy next fall, but a part of the capacity in these will be used to relieve the crowding now present in other women's halls.

SUB Shows 'Gidget' Flick

The film "Gidget," featuring Jimmy Darren and Sandra Dee will entertain students this weekend in The Borah Theater.

The SUB movie is a story of a teenage girl who finds a summer of fun at Malibu Beach of California. Gidget makes friends of the beach's surfboard bums and in turn they teach her to ride a surfboard. Cliff Robertson and The Four Preps also star in the movie.

Spur Confab Opens Tonight

Spurs from eight campuses throughout this area will be guests of the Idaho Spurs at the Region I East convention this weekend.

Dean Marjorie Neely, an honorary Spur of the University of Idaho chapter, will welcome Spurs to the campus at the general orientation meeting at 7:00 o'clock tonight in the Student Union. Nona Kay Shern and Barbara Clark, general chairmen of the event, will be introduced.

An informal "Let's Get Acquainted" party will be held at Hays Hall at 9:00 p.m. and each chapter in attendance will present a skit.

Meetings will be conducted by National officers including Laura Henderson, University of Wyoming, National president; Blanch Blecha, Alpha Phi from Idaho, National Vice-president, Georgia Beth Smith, Utah State University, National Editor; Mrs. Esther Lee Martin, Denver Colorado, and Joanne Meyer, Washington State University, Director of Region I East.

A banquet Saturday at 6 p.m. in the SUB Ballroom will close the convention. Rev. R. A. Anderson of the Moscow First Methodist Church will give the invocation, Joanne Meyer will extend a welcome, and Rowena Eikum will make introductions.

Dr. Boyd A. Martin, dean of the College of Letters and Science will address the Spurs on "The Status of Women in the World Today."

Dave Pugh, Sigma Chi, will provide entertainment. Mr. and Mrs. Gale Mix will be special guests.

Discussion groups will be held Saturday morning and afternoon. Topics will delve into the theme of the convention, "From the Ends of the Earth to Spurs." The groups

Saturday's Schedule	
7:30-8:15 a.m.	Breakfast
8:15-9:30 a.m.	Orientation and Business meeting
9:30-10:30 a.m.	Discussion groups
10:30-11:00 a.m.	Officer's meeting
11:00-12:00 a.m.	Discussion groups
12:00-1:00 p.m.	Lunch
1:00-1:45 p.m.	Group pictures and singing
1:45-2:00 p.m.	Briefing
2:00-3:00 p.m.	Discussion groups
3:00-3:30 p.m.	Officer's meeting
3:30-4:30 p.m.	Discussion groups
4:30-5:15 p.m.	Closing meeting

will be led by inactive Spurs from the University of Idaho.

Topics and leaders are:

1. "North, The Jet Mountain of Spur," led by Mary Winegar;

2. "South, The Turquoise Trail to Unity — The Chapter," led by Rowena Eikum;

3. "East, The White Shell Mountain of Service — The Campus," led by Sally Jo Nelson and Sharon Lance.

Secretaries for the various discussion groups are Ann Spiker, Nadine Nasland, Judy Brown, Barbara Bartosh, Jeanne Marshall, Julie Severn, Carol Sessions, and Judy Kienlen.

Exec. Board Views Second Plea By MUN

Dave Tracy and Harold Schillreff, Model United Nations representatives, presented a second request to Executive Board Tuesday night for additional money so more students could attend the MUN at San Diego University next Spring Vacation.

In the initial request a week ago, Schillreff asked the board to appropriate an additional \$535 to cover some traveling and registration fees for 10 delegates. He said Idaho needed a large delegation to adequately represent the Republic of Japan in the mock session.

The board said at that time it would check into the matter, but was not too hopeful.

In the second request, MUN cut its request to \$100 for part of the traveling expenses. The report indicated that the total cost of travel was estimated at \$208 but the delegates would be willing to pay \$108. Gale Mix, ASUI general manager, appeared before the board to answer MUN's questions.

He said the Office of Student Affairs would review a request from the Executive Board to allow not more than five students to make the trip to San Diego, providing it was held during a vacation period.

Mix pointed out that Student Affairs was opposed to students traveling in cars, especially to such a distant point.

"In the future travel outside the state will be difficult, and outside of the Northwest it will be extremely difficult," Mix said.

Student Affairs made no mention of the request for money. The MUN appropriation is now \$250.

Further action was postponed until a meeting could be held between all the interested groups.

Other Action
In other board action Sally Jo Nelson presented a report on the progress of the student recruitment program.

She said letters have been sent out to student body officers in the larger high schools of the state.

Purpose of the letter is to inform outstanding high school seniors about the ASUI and its activities.

Miss Nelson further explained that surveys will be taken to see how the student recruitment program is progressing in the different areas of the state and how effective student recruitment was this summer.

Further suggestions included in the report were having more conferences on the campus to draw outstanding students and starting a program wherein University alumni would offer scholarships to the valedictorians of each high school in the state.

The board resumed work on the revised ASUI Constitution, but made no substantial changes.

Unpardoned Gault Arsonist Needs Psychiatric Aid

Paul D. Matovich, a former University of Idaho student, now serving a 25-year term in the Idaho State Penitentiary for second-degree murder, was denied his plea for clemency Monday.

The Idaho Board of Pardons, making the decision, requested that 25-year-old Matovich who is now serving his fourth year in the penitentiary, be given psychiatric treatment. But L. E. Clapp, prison warden and chairman of the board, said that present prison facilities are not adequate to offer this service.

Clapp noted that the denial of Matovich's request for a reduced sentence has no connection with the request for psychiatric treatment. He said that Matovich appears to have changed his attitude in the time he has been in prison and "feels he is ready to accept" psychiatric treatment now.

Now "Receptive"
Another prison official, Mark Maxwell, said that Matovich only in recent weeks has "indicated he

would be receptive" to psychiatric treatment.

"You can't treat an uncooperative patient," Clapp added. "This boy has had a problem of adjusting in his own mind to the belief that he should be here."

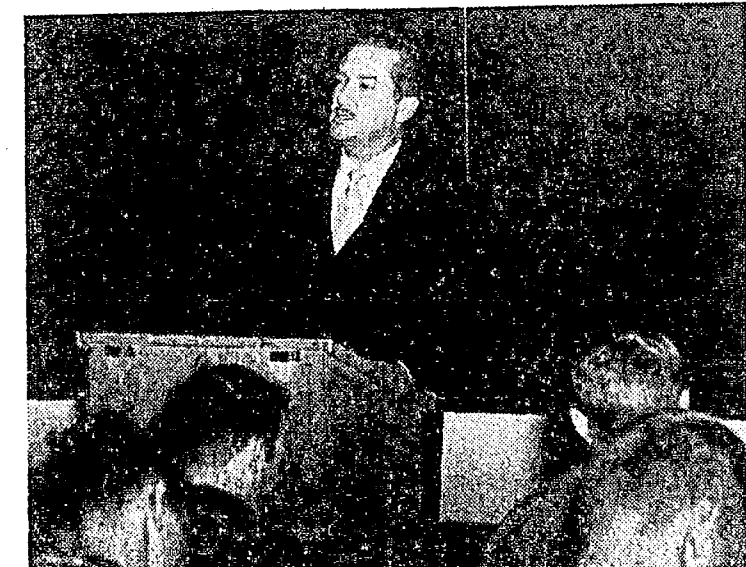

Matovich was convicted of setting a fire in Gault Hall Oct. 19, 1956, which killed three University of Idaho students.

In making its decision to refuse Matovich's plea for clemency, the Board took less than three hours after hearing an appeal from his attorney.

Father Would Pay
Matovich's father, Anton Matovich, of Kellogg, agreed to pay the cost of psychiatric treatment for his son, if it could be provided. He would also be responsible for his son if the latter could be paroled to him.

The warden said that under Idaho law an inmate cannot be paroled until after he has served one-third of his sentence, and Matovich would not be eligible for such clemency.

Borah Series Ends - State Tour Next

BORAH LECTURER — Dr. Francisco Garcia-Amador is shown speaking to one of the many groups he spoke to during his stay on campus prior to his tour of the state.

The Borah Conference lecture series moves into its last day on the Idaho campus today with two talks scheduled by the visiting lecturer Dr. Francisco Garcia-Amador.

After concluding his lectures today, Garcia, a former law professor at the University of Havana in Cuba, will start a week-long tour of Idaho discussing Latin American problems.

"Cuba" was his topic last night at the student discussion group in the Student Union building which was attended by students, faculty members and Moscow townspeople. It was sponsored by the Cosmopolitan Club and the National and World Affairs Club.

The Cuban lecturer will speak on "State Responsibility, Nationalization, and Foreign Property Rights," this morning at 11 in the Moot Court Room 131 in the Ad building.

The lecture is open to the public. This afternoon Garcia will end his lecture sessions at the University with a talk on "The Organization of American States." This will be presented in a class on international relations in room 301 in the Ad building.

Monday, Garcia will make an address in Sandpoint at the Sandpoint Junior High School auditorium. His topic is "Latin America—Change or Revolution?" He will speak at the North Idaho Junior College auditorium Tuesday morning at Coeur d'Alene. His topic will be "Old Problems—New Programs in Latin America."

The lecturer will move south to Boise for his third state speech at the Boise Junior College auditorium. His speech, "Latin America—Change or Revolution?" is sponsored by the Boise Valley World Affairs Association.

Thursday of next week Garcia will speak at the Jefferson School auditorium in Jerome and Friday night he will address Idaho State College faculty and students at the Liberal Arts Auditorium at Pocatello.

SUB Shows 'Gidget' Flick

The film "Gidget," featuring Jimmy Darren and Sandra Dee will entertain students this weekend in The Borah Theater.

The SUB movie is a story of a teenage girl who finds a summer of fun at Malibu Beach of California. Gidget makes friends of the beach's surfboard bums and in turn they teach her to ride a surfboard. Cliff Robertson and The Four Preps also star in the movie.

MONDAY
Campus Clearing House, 4 p.m., SUB Conf. Room B.
TMA, 7 p.m., SUB. A dance to be held Nov. 3 will be discussed, and CUP will talk politics.

Charity Debts

Campus Chest is over with for this year. Several observations need to be made about the annual event.

The auction was successful with \$1,735 being pledged to charity. However, \$1,120 is still to be paid and only eight of the 24 living groups have fulfilled their obligation. Student chairmen who spent so much time preparing for Campus Chest have already done their part and should not have to spend time collecting the pledged money.

House contributions of 25 cents a person were not required. However, only 14 out of the 37 living groups collected this small amount.

Since there are fewer women's living groups, many of the men's living groups did not buy a living group at the auction. Perhaps the auction could be revised so that each group has the chance to donate to charity and still get something in return for their donation.

Those who donated their share and more should be commended. As for the others, they will have a chance to make up for this year when Campus Chest is held again next year.

One more thought, some groups still haven't paid their exchange debt from two years ago.—M. B.

CCIs Rejuvenated

Dear Jason:

As a member of the Cosmopolitan Club and a foreign student, I was greatly pleased to see the article by Neil Modie about foreign students and their adjustments to their new environment.

There is one commodity which cannot be sold or bought but can be shared; that is a sincere and true friendship.

It is my feeling that our American friends, more than ever, have realized the significance of befriending their foreign schoolmates. This accomplishes more than can be accomplished by foreign aid or an official ambassador.

The increasing interest toward foreign students has been evident from the large turnout to the first Cosmopolitan Club meeting. What gave us more contentment was the participation of the ASUI Executive Board, and their desire to further support the Club in any way possible.

With all this encouragement and assistance, the Cosmopolitan Club seems to have taken on a completely new and rejuvenated outlook. We hope to keep it that way with your continued attendance and interest.

There are several events planned for this semester. The first such meeting will be Oct. 28 when Dr. Garcia-Amador will speak to the Cosmo and World Affairs Clubs on Cuba.

Membership is open to all students, but member or not all are invited to come to the meetings and allow us to learn about each other directly.

M. H. Ailef,
President, Cosmopolitan Club

Dear Jason

viously we cannot accomplish this either by surrendering or by rattling sabres in the face of the "enemy."

If we do decide that it is necessary to fight, let's not clutter up the issue with images of "God, country, and flag." Every demagogue in history has appealed to these images and every nation that ever went to war claimed that it was defending them. The issue is not the flag, mother, or even America, but freedom and freedom alone.

It would be well to remember that, although the person who sacrifices freedom for security is to be despised, the man who is willing to sacrifice his own life and that of millions of his countrymen at the slightest provocation is not necessarily admirable, either.

Arg Unreasonable

DEAR JASON

The attitude of the Arg on class elections may be traditional but it is not reasonable. The editorial of Oct. 24, 1961 said, "CUP was the only party that came out in print with a platform." This is certainly true. They were the only one who had enough desire to please the students to write a platform.

The idea that the Frosh class officers of last year should be held responsible for their platform is a welcome one. We had enough courage to state what we wanted to do, and I believe we did our best to live up to our obligations.

The Argonaut mentioned "The

The GOLDEN FLEECE

by Jason

The one-party political system on the University of Idaho campus is dying—or is it dead?

Last Saturday Campus Union Party, greatly strengthened by the recent addition of six living groups in its organization, staged a class officer nominating convention in the huge living room of Willis Sweet Hall.

Delegates displayed enthusiasm and hope which have been noticeably lacking in campaigns staged by that party in the past. If this convention spirit is any indication of party unity, United Party, long known as THE party on this campus, is going to have to fight to maintain its victory record.

With all the formality and tension which accompany the national nominating conventions, CUP big guns—Thompson, Stiles, Hossner—opened the convention, followed by the official nomination of candidates.

Two years ago a mock national political convention was staged on this campus. Almost every state was represented by a group of students, who cast votes and behaved as they believed the state they represented would do in the national presidential tussle.

Many persons commented at the time that this was an excellent means of acquainting students with the working aspects of the political system in this country.

It seems to Jason that a campus political party, trying to pursue its own ends, and not necessarily those dictated to it by professional politicians, is an even better means of becoming acquainted with the political system.

Even if CUP does not succeed in electing one class officer, the convention planners and candidates have learned something of practical political value.

But if CUP can succeed in uniting its members behind its candidates, the inability to do which has been its major defeating factor in past years, the political complexion of the campus will get a long over-due cleansing.

And campus politics might become more worthwhile.

Phi Eta Sigma Will Tutor Frosh Men

The University's chapter of Phi Eta Sigma, freshman men's scholastic honorary, is offering a tutoring service for freshmen in accordance with the policy of the national organization.

The following members will be available for the following courses:

Math 11 & 12—George Dors, room B-8, Willis Sweet; Darwin Ellis, 307, Upham; Jim Macki, 422, Gault; Joe Murphy, 21 Evergreen Park; John Read, 121, Willis Sweet; Jim DeFree, Sigma Chi; and Bob Davis, Beta.

Engineering 1, 2 & 10—Darwin

Ellis, John Read, Joe Murphy, and Jim DeFree.

Chemistry 1, 2, 11 & 12—Darwin Ellis, Don Kress, 117, Gault; Jim Macki; Joe Murphy; Jim Olson, B-20, Upham; John Read, and George Dors.

Business 31 & 32—Bob Carlson, Campus Club, and Bob Davis, Botany 3 & 5—Jim DeFree, French 1 & 2—Dennis Hynes, 219, Shoup; and Bob Carlson, German 1 & 2 and Spanish 1 & 2—Dennis Hynes, 219, Shoup, Entomology 1 and Zoology 1 & 2, Jim Olson.

LITTLE MAN ON CAMPUS

"LET'S GO JOHN, WE'RE IN SCORING POSITION AGAIN—I DON'T THINK I COULD GO THRU ONE MORE TOUCHDOWN!"

Avoided Issue

Dear Jason,

Gary Randall's slightly jingoistic editorial "Freedom vs. Security" neatly avoided that fact that the basic issue is not freedom vs. security, but rather freedom vs. the survival of civilization.

Our problem is that of how to preserve freedom without simultaneously destroying civilization. Ob-

TRI-STATE PULLMAN ROAD NEXT TO MODERN WAY OPEN TILL 9 EVENINGS

More Pledge Dances Planned; FH Girls Don Unique Hats

By BRIDGET BOGLAN
Argonaut House Editor

Mr. Rust Walton, western state representative for the National Association of Manufacturers, talked to the Phi Delt's last week on current affairs and the student's role in national and world problems.

A Halloween exchange is scheduled with the Gamma Phi's next week. A poster-painting party, Pi Phi style, is on the agenda for sometime before campaigns begin.

GAMMA PHI SENIORS TAKE SNEAK

The traditional sneak to Spokane kept the Gamma Phi seniors busy last weekend. Friday night was spent in Lewiston at Ann Jacob's home.

Also "sneaking off" without any one knowing it last week were the freshmen who took the cook and hashers with them on the tradition al sneak.

Members of the SUB board were Sunday dinner guests and afterwards Vivian Dickamore directed a discussion period in which the

new SUB was explained and drawings shown.

Dwight Chapin and Wayne Nugent "sang for their supper" at the Gamma Phi house last week.

FARNWORTH ELECTED BY SIGMA NU'S

Ron Farnworth was unanimously elected Sigma Nu Jester after his outstanding performance as co-bidder at the recent Campus Chest auction. He and Brother Britton have decided to sell their cars to help pay off the debts due to their liberal purchases.

ETHEL STEEL PREPARES TALKS

Mrs. Pauline Durham, Lewiston and Dwen Anderson, Ethel Steel gave lessons on etiquette. Ethel Steel coeds in turn will give talks at various boys' dorms during the coming week.

A poster party with Shoup Hall was held Friday for Campus Chest Ethel Steel dinner guests for the week were Captain Marilyn Anderson, San Francisco; Louis Kuenen, Chrisman; Mrs. Leona Anderson, Payette; Mrs. Jean Long, Pullman; Mrs. Barb Grilliths; Ginger Durfee, French; Mrs. Pauline Durham and Larry Thompson, both of Lewiston; Mrs. Daniel Masiello, Spokane; Snookie Patterson, French; and Phil Edwards, Marsing.

FORNEY HAS HAT NIGHT

Last Friday evening Forney had plenty of hats as each girl designed one especially for dinner. Highlight of the event was provided by Ann Frahm who displayed her hat by riding around the room on her broom.

Chosen as girls of the month were Alfreda Monger and Anna Marie Lotz. They were selected for their hard work on the homecoming float.

Dinner guests this week were David Royer, Joy Esser, and Bill Frates, all from Upham; and Dennis Bodily, Gault.

ALPHA CHI'S ELECT

Linda Lyon was chosen as assistant house manager.

125 To Attend SUB Party

A get-acquainted party with a Halloween theme will be held in the SUB Tuesday at 5 p.m. for over 125 students and faculty members associated with the operation of the Student Union.

All SUB committee chairmen, members, student directors, and faculty advisors will attend.

The following special guests are invited: Dr. and Mrs. R. Theophilus, Mr. and Mrs. Charles Decker, Mr. and Mrs. Gene Fitzgerald, Mr. and Mrs. Paul Kaus, Mr. and Mrs. Joseph Dixon, Mr. and Mrs. Gail Mix, Mr. and Mrs. Sam Eismann, Mr. and Mrs. M. Gough, Mr. and Mrs. M. Soden, Dr. Fred Winkler, Mr. and Mrs. Dean Vetrus, Mr. and Mrs. Bippes, Mr. and Mrs. Humphreys, Mr. and Mrs. James Bowlby and Dr. and Mrs. Grahn.

"UNTOUCHABLES" ON FRIDAY

The Sigma Chi pledges were honored at a barn dance Friday night. Over 100 couples jammed the dining room of the New Idaho Hotel in an "untouchable" style. Decorations were centered around a roaring 20's theme. "Stompin' music" was provided by the "Chessmen."

Guest speaker at the house last week was Dr. Robert Hosack. He spoke on the United Nations.

He would like to interview graduating Seniors with majors in Accounting, Business Administration, Economics, or Finance, as well as candidates for the M.B.A. degree.

CCC Memorial Open House Is Sunday, All Groups Busy

The Campus Christian Center, will hold a Memorial Open House, Sunday from 3 until 5. Representatives from all campus organizations and living groups are invited to attend as well as individuals interested in the center's program.

The Open House this year is being held in memory of recently deceased friends of the Center including Dr. W. Wayne Smith, Professor Emeritus of the University, Professor Elwyn Schwartz, member of the music faculty, and Professor D. L. Fourt, distinguished head of the department of dairy husbandry.

LDS INSTITUTE

There will be an exchange with the Pullman Ward Friday evening at Pullman. The function will be a Halloween party with costumes and dancing. A prize will be awarded for the best and the cleverest costume. Please meet at the Moscow LDS Institute. All planning to attend should meet at 7:30. Transportation will be provided.

Disciples Student Fellowship

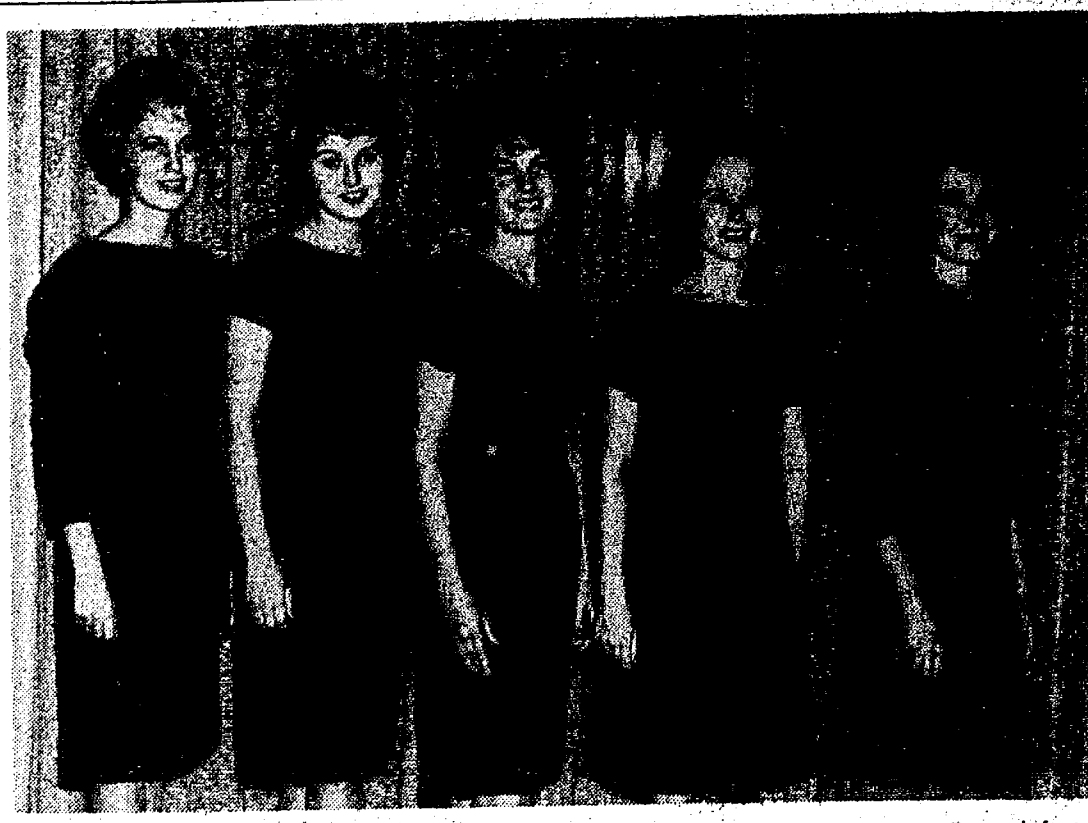

Tonight the Disciples Student Fellowship is planning a Halloween party to be held at the Christian Church at 7. Sunday at 5:15 p.m. A report will be given on the accomplishments of the retreat taken last weekend.

WESTMINSTER FORUM

"Martin Luther," a full length motion picture on the life of Luther and the Reformation in Germany will be shown at Westminster Forum at 5:30 Sunday in the Presbyterian Church. A light supper will follow. Rides leave the CCC at 5:20.

UNITARIAN

A talk on "Morality of Government Secrecy" will be given at the Unitarian Fellowship Sunday, 10:30 a.m. at 500 Oak St., Pullman. The Unitarian student group will meet for supper at 5:30 Sunday in (Continued on Page 4 Col. 4)

ALL SHIPSHAPE — The five finalists for Navy Color Girl pose for the Argonaut. From left to right are Linda Bachellor, Pi Phi, Julie Severn, DG, Rhea Patrick, DG, Nancy Yount, Gamma Phi, and Sherry Bruce, McConnell.

Five Navy Color Girl Finalists Picked; One Crowned Saturday

Five finalists for Navy Color Girl were tapped by members of N-ROTC last Monday evening. They are Sherry Bruce, freshman, McConnell; Linda Bachellor, sophomore, Pi Phi; Nancy Yount, sophomore, Gamma Phi; Julie Severn, sophomore, DG; and Rhea Patrick, sophomore, DG.

The five finalists, voted upon by NROTC students, were chosen from a field of 28 candidates, two from each women's living group on campus.

The queen, who will receive the Color Girl traveling trophy, will be crowned at intermission of the annual Navy Ball Saturday. She will succeed Carol Riggsby, Kappa, Color Girl of 1961.

Nick Bond and his quartet will provide music for the dance, "Far Away Places."

"All students and faculty are cordially invited to attend the dance," stated Bill Bowes, SAE. Admission is \$1 per couple.

Doors to "Far Away Places" will open into the SUB's central ballroom at 9 p.m. Saturday evening. Dancing will last until 12 p.m.

Search Begun For Idaho Girl As Miss Wool

The search is on for "Miss Wool of Idaho."

The "Miss Wool" contest is sponsored each year by the "Wool Growers of America." Each state selects a "Miss Wool," who then flies to Texas to compete for "Miss Wool, U.S.A." The winner of the title tours the United States for a year modeling as a representative of the wool industry.

Requirements for the title of "Miss Wool" are that the candidate be a college coed between 5'6" and 5'9", and be able to wear a size 10 dress and has had previous modeling experience. It is also preferable that she be able to display a talent and be at least a sophomore.

Any college coed who is interested and can fulfill the above requirements is encouraged to come to the SUB North Ballroom in casual dress and heels on Tuesday, October 31, between 3:00 and 4:30. For further information call Dana Andrews at TU 2-1135 or Camille Johnson at TU 2-8021.

Meal Honors Foreigners

Foreign students on the campus will be honored at a special dinner Sunday evening at the Moscow Grange hall.

The dinner, sponsored by the Baptist Student Union, will feature dishes prepared from various foreign countries of the world.

Burt Hunter, Shoup, co-chairman of the dinner, asked that all those planning to attend, contact him as soon as possible so the committee will have a general idea of the number of persons expected to attend the banquet.

There is no cost involved and the dinner is open to all foreign students of the University.

ENTRIES — University of Idaho coeds entered in the northern Idaho district "Make It Yourself With Wool Contest" practice for the style show from which winners will be picked. It will be held at 2:30 p.m. Saturday, October 28, in the Home Economics building. Among the more than 40 entries are Linda Seoville (left), DG; Karyl Lambeth, Hays; Colleen Custer, Alpha Phi; Carol Hussa, Hays; and Joyce Fischer, Hays.

Thirty-One Idaho Girls Vie In Wool Growers' Contest

BY JOYCE ARTHUR
Argonaut Reporter

Thirty-one entries in the "Make It Yourself with Wool Contest" will be competing this Saturday on the Idaho campus for the opportunity of becoming Sixth District junior or senior representative to the state contest which will be held in Boise. As winners of the state contest, they will be eligible to compete in the national final which will be held in Salt Lake City, Utah, and try for the grand prize of an all-expense-paid trip to California fashion centers and to the island state of Hawaii.

Entered in the contest are 20 garments in the 17-18 age division. 11 garments are in the senior division for which the age limit is 18-21, eight garments in the adult division which is open to anyone over twenty-one and two in the sub-deb division which is limited to the ages of 13-15. Adults and sub-debs are not permitted to compete beyond the district level.

Modeling colorful autumn and winter shades of magenta, blue, rose, purple, green, brown, and black, the contestants will display their talent in the forms of wool suits, jacket dresses, dresses, skirts and coats.

Garments to be shown in the contest were made by the 41 models using wool grown in the United States and based on an original design or commercial pattern. All of the work on the articles were done by the contestants themselves from the first steps of construction to the final steps of making buttonholes and pockets.

Engineers Take Trip To Lewiston

A field trip to the Pollatch Forests, Inc., mill at Lewiston will be conducted tomorrow by members of the student chapter of the American Institute of Chemical Engineers. The tour will be primarily conducted through the pulp and paper sections of the mill.

All interested students and faculty members who wish to attend should meet in front of the Engineering Building at 8:15 tomorrow morning. Transportation will be provided. The noon meal will be provided by PFI.

HELLO COUGARVILLE — Idaho students start up the hill to the CUB as their traditional bet was paid off again.

Weary But Defiant, Idaho Goes West

Led by yell leaders, pom pom girls, and student body leaders, some 100 footsore but defiant University of Idaho students trudged through the entrance to Washington State University Tuesday afternoon on the annual loser's walk following the Idaho-WSU football game.

The outcome of the game, played Oct. 14 at WSU, meant that Idaho had to walk to the campus of its traditional rivals for the seventh year in a row.

The walkers, singing and yelling fight songs much of the way, were escorted on their journey by Idaho and Washington state police patrol cars. ASUI General Manager Gale Mix met them at the halfway point of the almost three-hour walkathon with refreshments.

As they entered the WSU campus, the hikers were greeted by jeers from WSU students, but shouting back cries of "Wait till basketball season" and "Wait till next year", the Idaho students plodded up to WSU's Compton Union Building.

After arriving at the CUB, ASUI President Jim Mullen, Vice President Dick Stiles, and Argonaut sports editor Herb Hollinger were treated to foot baths by WSU President Tim Manning and Vice President Dave Hirzel.

Idaho and WSU students then adjourned to the CUB Ballroom, where the WSU hosts offered refreshments. Mullen, Manning and Hirzel then hurled good-natured insults at their opposing schools and school leaders, with each side making conflicting predictions about the outcome of next year's "Battle of the Palouse."

After Idaho and WSU cheerleaders led students from their respective schools in cheers, the Idaho students once again took to the highway—this time in cars provided by WSU students.

HALFWAY AND COFFEE — Students que up for a cup of coffee to refresh themselves midway during the 9-mile trek to Pullman Tuesday.

Pork And Lamb Available At Farm

Pork and lamb, out and wrapped, ready for the home freezer, are available at the University Farm, according to L. E. Orme, Asst. professor of Animal Husbandry.

There are still some pork carcasses left, Orme said. Orders are being taken for lamb carcasses which will be available about Nov. 15.

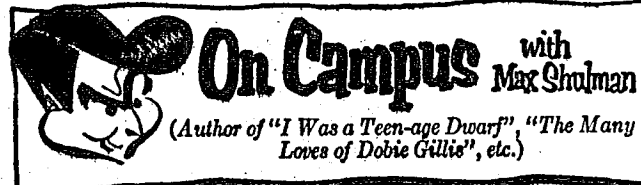

Cook Finds New Geological Explanations On Italian Trip

Even though the more than 100 geologists from 18 countries couldn't agree on the definition of the word ignimbrites, they were in accord that the formations hold considerable promise in geological exploration.

The meeting was in Italy, a 16-day traveling symposium on ignimbrites and haloclastites. Dr. Cook was in Italy from Sept. 13 until Oct. 11. Among the three from the United States attending was Dr. E. F. Cook, dean of the University of Idaho College of Mines, an authority on volcanic rock.

THE DATING SEASON

I have recently returned from a tour of 950,000 American colleges where I made a survey of undergraduate dating customs and sold mechanical dogs, and I have tabulated my findings and I am now prepared to tell you the simple secret of successful dating.

The simple secret is simply this: a date is successful when the man knows how to treat the girl.

And how does a girl like to be treated? If you want to know, read and remember these four cardinal rules of dating:

1. A girl likes to be treated with respect.
2. A girl likes to be taken to nice places.
3. A girl likes to be taken to nice places.
4. A girl likes a man to be well-informed.

Do not monopolize the conversation. Let her talk while you listen attentively. Make sure, however, that she is not herself a good listener. I recollect a date I had once with a good named Greensleeves Sigatoos, a lovely girl, but unfortunately a listener, not a talker. I too was a listener so we just sat all night long, each with his hand cupped over his ear, straining to catch a word, not talking hour after hour until finally a policeman came by and arrested us both for vagrancy. I did a year and a day. She got by with a suspended sentence because she was the sole support of her aged housemother.

By "nice" places I do not mean expensive places. A girl does not demand luxury. All she asks is a place that is pleasant and gracious. The Tomb of the Unknown Soldier, for example. Or Mount Rushmore. Or the Taj Mahal. Or the Bureau of Weights and Measures. Find places like these to take your girl. In no circumstances must you take her to an oil-cracking plant.

Come prepared with a few interesting facts that you can drop casually into the conversation. Like this: "Did you know, Snookiepuss, that when cattle, sheep, camels, goats, antelopes, and other members of the cud-chewing family get up, they always get up hind legs first?" Or this: "Are you aware, Hotlips, that corn grows faster at night?" Or this: "By the way, Loverhead, Oslo did not become the capital of Norway till July 11, 1924."

If you can slip enough of these nuggets into the conversation before dinner, your date will grow too torpid to eat. Some men save up to a half million dollars a year this way.

To the list of things girls like, add the king-size, unfiltered Philip Morris Commander. Girls, men—in fact everybody with a taste bud in his head—likes mild, natural Commander, co-sponsors with Marlboro of this column.

GOODBYE VANDALVILLE — 100 singing and yelling Candal supporters cross the state line Tuesday on their trek to the WSU campus.

CCH To Elect New Officers

The first meeting of the Citizenship Clearing House, a non partisan political study group of the campus was held Thursday afternoon in Conference room B, of the SUB.

The group decided to alter its constitution and has posted election of officers for Tuesday afternoon. All those wishing to vote for the officers are required to attend the meetings Monday and Tuesday at 4:00 in conference room B of the SUB.

HERE'S MORE ABOUT— Churches

the social hall of the Fellowship. Their discussion will be on "The Soul." For rides phone Bruce Andras, Chrisman Hall.

CANTERBURY HOUSE
Miss Julie Hogg flies to Seattle Friday where she will join students from other Northwest universities in a two-day planning session on the Northwest Regional Canterbury Association, in preparation for the annual spring conference at Menucha. Miss Hogg is the elected representative of Episcopal students in all the schools and colleges of Idaho.

Discussion this Sunday at 5:30 p.m. at Canterbury will center around Superstition—its real meaning, what it says about us. All halloves ven, "Halloween" in the vernacular, brings a time in which to dwell on ancient beliefs, modern oddities that have had, and still have, religious connotations.

WESLEY FOUNDATION
Sunday, Wesley Foundation will begin a series of interest groups which will meet for five consecutive Sunday evenings. These discussions to be known as "challenge groups" will cover the following topics: "Science and Religion," and "Understanding the Christian Faith." The meeting will begin at 5 p.m. at First Methodist Church. Those who attend will participate in one of these four groups, on the basis of choice.

End Products Of Student Experience Are Offered At Dairy Products Store

By NEIL MODIE, Argonaut News Editor

A variety of cheeses for midnight snacks or several flavors of ice cream for TV watching—unknown to many students, fresh quantities of these and other dairy products are produced and sold on the campus.

The products, sold at the Dairy Products Sales store in room 104 of the Dairy Science Building, are produced and sold by dairy science students for sale to University staff members, faculty and students.

The products manufactured by the up-to-date dairy facilities at the University Creamery include five varieties of cheeses besides cottage cheese, four flavors of ice cream, four flavors of sherbet, and butter. Cheddar, Colby, Monterey Jack, Caraway, and Blue cheeses are produced, and ice cream lovers have a choice of vanilla, chocolate, strawberry, and one special flavor in this dessert. Sherbet comes in orange, lime, strawberry, and one special flavor.

The store is open weekdays from 11 a.m. to 12:05 noon and from 4 to 5:15 p.m.

Because the purpose of the creamery isn't to make a profit but rather to provide experience by dairy science students in producing dairy foods, prices at the store are lower than the cost of commercially sold dairy products. But, according to creamery manager H. K. Wilson, the store sells a relatively small quantity of products and breaks even on costs.

"The main purpose is to give students an opportunity to practice the skills they learn in classroom

Bishop Everett W. Palmer, of the Seattle area of Methodist Church, will be guest minister at First Methodist Church Sunday for two services of worship, 9:30 and 11:00 a.m. Bishop Palmer is author of a recent book, "You Can Have a New Life."

LUTHERAN STUDENT ASSOCIATION

Lutheran Students from throughout Oregon, Washington, and Idaho will converge on Mount Hood at Camp Arra Wanna near Woome, Oregon, this weekend for the Pacific Northwest Regional Fall Retreat. Pastor Ken Larson, Oreg. State University, will speak on the retreat theme "Christian Liberty."

Students who find it impossible to attend the retreat will meet at Pastor Sam Babington's residence Sunday from 5 to 7 p.m. for an informal meeting. Rides are available from the CCC at 4:45 p.m.

work in actual plant operation," Wilson stated.

Besides what products are distributed through the sales outlet, the creamery also supplies milk and dairy products to some dormitories and such items as ice cream and sherbet to the Student Union cafeteria. All the "raw materials" needed for the manufacture of the foods are produced by cows at the University's dairy barns.

Actually, the creamery's store is an outlet for surplus dairy products. Milk from the dairy stock is pasteurized and homogenized, and the surplus milk goes for the manufacture of cheese and ice cream.

Eight students work four to 15 hours a week in the creamery on a voluntary basis. A class in ice cream manufacturing uses the creamery equipment but doesn't actually manufacture any of the dairy products sold.

"As far as the creamery's equipment goes, we have just about a complete dairy," Wilson said. "Most of it is rather new and mostly of commercial size, but some is experimental."

The creamery is carrying on several experimental manufacturing projects, one of which is an experiment for the manufacture of cheese by a continuous method rather than by vats. The method has been under study for about four years, Wilson said. "We're using electric heating in a continuous flow process and attempting to evaluate whether there's any merit to it."

The cheese is manufactured during vacation periods by students who remain at the University while school is closed. This is necessary because depending on the variety, the cheese must age from six weeks to two years, the manager said.

Monterey and Caraway cheese must age from six weeks to six months, Blue cheese for about six months, Colby cheese from six to 12 months, and Cheddar cheese for about two years.

The type of bacteria used for the cheese and the amount of aging decide which variety of cheese the end product will be. "Basically, we start with just milk and a culture of bacteria," Wilson explained.

After the cheese has been processed—a full day's operation—it starts its aging process.

Of the cheeses, Cheddar has been the most popular, Wilson said, but added that "ice cream and cheese are about equal in sales appeal."

During September the creamery, which operates on a year-around basis, produced 450 gallons of ice cream and 158 gallons of sherbet. This amount included the products sold at the creamery and the ice cream and sherbet distributed to the dormitories and the SUB. Four hundred pounds of cottage cheese and 840 pounds of cheddar cheese were produced during the same month. The source of the dairy products is the 150 to 200 gallons of milk which the two experimental herds at the University farm produce daily.

Lindley Hall Falls To Sigma Nu In IM Grid Championship

Strong Line Play Is Difference In Intra-Campus Football Game

By Rod Higgins
Arg. Asst. Sports Editor
Sigma Nu reigns as the new Campus Champion in touch football. In a tough, hard-fought game, marked by good defense and crunching line play, the Sigma Nus came out on top of a 6-0 score against Lindley.

The tally came on a fourth down pass from quarterback John Pasley to Wanek Stein with 3 minutes left in the game. The pass, covering 15 yards, materialized after three previous incompletions in the end zone. Stein has been an important man in the Sigma Nu offense all season long.

Top Receiver

Denny Earhart, the leading pass catcher for Lindley was injured early in the second half, seriously handicapping an offense that had scored 171 points over the season.

Line play was exceptional. Both lines displayed the type of play that kept their teams undefeated in league play.

Once again the final score: Sigma Nu 6, Lindley Hall 0.

Tennis

Quarter finals in tennis have already been played with the winners advancing to the semifinals. Here are the results:

In game 57, Henrik Backer PDT, defeated Melvin Grunthal, LIF, 6-4, 6-1. Larry Watson, PGD, forfeited to Erik Friis, ATO in game 58. In game 59, Rogelio Vega, CH, took two from Terry Winters, DTD, 6-2, 6-0. Game 60 saw John Van Orman, DTD, defeat John Ferrel TMA, 6-1, 8-6.

Backer will meet Friis in the first game of the semifinals, and it will be Van Orman vs. Vega in the second. The winners of these two matches will meet for the championship.

Phi Kappa Tau and Phi Delta Theta are tied with 28 points apiece as the qualifying rounds of swimming get underway. The first five qualifiers in each event look like this:

- 50 Yard Breast Stroke**
 - Sorensen, CH, :31.5
 - Eiden, PKD, :32.0
 - Fuller, TKE, :34.8
 - Norrell, PKT, :34.9
 - Collins, PKT, :35.3
- 50 Yard Free Style**
 - Vontagen, UH, :24.3
 - McLaughlin, SN, :27.3
 - Baser, PDT, :27.3
 - Slavin, PGD, :27.3
 - Collins, PKT, :28.2
- 50 Yard Back Stroke**
 - Cook, PDT, :33.9
 - Horton, ATO, :34.4
 - Williams, TKE, :35.5
 - Payne, WSH, :35.7

Judging Team To Compete At Cow Palace

The five-man University of Idaho livestock judging team will compete against 10 other western college teams Saturday in San Francisco's Cow Palace.

The team, coached by T. W. Hodson, associate professor of Animal Husbandry, placed second in overall judging Oct. 14 in Portland. Competing in the inter-collegiate livestock contest were seven universities and colleges. The Idaho team scored second in judging horses, third in beef, and third in swine.

Individual high scorers were Don Beckley, Theta Chi, first in beef; H. C. Studer, Theta Chi, second in swine and tied second in horses; and Bob Monroe, Gault, tied second in horses. Other members of the team are Vern Studer, and Larry Eld, both off campus.

Vandal Cagers End Second Drill Week With 'Great Expectations' For Season

By BENNY BLICK and RICH WALKER

The Vandal hoopsters concluded their second week of practice with great expectations that this will be a winning season. Getting in shape the Vandals have been working mainly on individual defense and offense. They have also been working on the fast break, plus half and full court presses.

The team, as a whole, seems to be shaping up very well and there are a few men who were picked by Coach Cipriano as showing good promise. These are Rich Porter and Chuck White, guards, who look especially good in these first few workouts. Making the press go, are Lyle Parks, Bill Mattis and Fred Crowell, all guards.

Ken Maren, 6-7 center, has been running the boards as though he owned them and Gary Floan, guard, looks very sharp in shooting.

The team has not been hurt by any serious injuries but John Penney is out with an infected tooth and Jim Scheel has a wrenched knee.

Foes Tough
Coach Cipriano said that most of the teams Idaho will play this year will be strong. A good percent of the other schools only lost one or two men of their starting five. Cipriano also noted that Idaho will be in about the same position having lost only one starter.

The Vandals have twelve home

games this year as to ten last year. Cipriano thinks that this along with not having the eastern college road trip should help give Idaho the edge.

The team will open the season against Whitworth at Moscow on Dec. 1. They will be playing without the help of veteran Reg Carolan, who will not finish football in time to be ready for this game.

Orchesis Tapped 30

Eight women were tapped for Orchesis dancing honorary, last week. They are Bobbie Tapper, Judy Stickney, Karla Lambeth, and Peggy Brown, Hays; Jackie Johnson, DG, Sherral Holliday, McConnell, Bev Arehart, Pi Phi, and Mickey Pierce, Tri Delt.

Tapping was also held for Pre-Orchesis. Those chosen were Jerry Gragg, Sylvia Herlin, Ann Albee, Alpha Chi.

Others were Janet Estok, Marti McCillen, and Jacki Stone, Hays; Bonnie Smith, Kathy Baxter, Judy Tison, Susie Davis and Lynne McBride, DG; Kathie Hostetler, Pat Brim, and Alice Foucher, Kappa; Judy Denton and Nikki Burum, McConnell; and Marcia Studebaker and Joan Rumpeltes, Pi Phi.

Rounding out the list were Karen Phillips, Theta; Sheryl Taylor, Alpha Gam; Gayle Krae m e r, French; and Donna Rae Smith, Tri Delt.

gainst Whitworth at Moscow on Dec. 1. They will be playing without the help of veteran Reg Carolan, who will not finish football in time to be ready for this game. Cipriano said that this would hurt as Carolan was one of the main factors in Idaho's strong finish last year. It is not certain who will replace Carolan but Whitfield, a sophomore, looks as though he could be the man.

Height, Talent, Speed Help Cagers

The freshman hoop squad shows plenty of talent potential according to Coach Wayne Anderson.

In preliminary drills, the team has been working on defense, rebounding, and the fast-break.

Coach Anderson is assisted in coaching the frosh by last year's varsity floor general, Dale James.

The freshman squad has good height and speed this year. Leading in the height department is 6'8" Larry Rasmussen from Seaside, Oregon.

"For a big ban he has shown a jumping ability and good speed," Anderson said.

Other big men are 6'7" Tom Moreland from Coeur d'Alene, 6'6" Mike Stratton from Pocatello, 6'5" Ed Tollefson from Grant High School in Portland, 6'4" James Halte from Kent, Wash., and Charles Kozak, a 6'4" player from Selth High School in Seattle.

Rounding out the squad of 12 are 6' Jim Carberry from Emmett, 5'10" Charles Cutler from Twin Falls, 6'3" Ed Haskins from St. Maries, 6'2" Terry Henson from Kent, Wash., 6' Don Soward from Coldus from Garfield High School in water, Ohio, and 6'3" Nelson Levi-Seattle.

From early indications, Coach Anderson feels there are two units comparable of ability.

FOOTBALL ACTION ENDS - Chuck Thompson snags a pass in the campus championship game between the Sig Nus and Lindley Hall. Larry Johnson is in close pursuit. The Sig Nus won 6-0.

Tribune Has Palouse Coverage

The Lewiston Morning Tribune has established a news bureau in Moscow to relay news of the Palouse country to the main newsroom at Lewiston.

Dwight Chapin, former Argonaut editor, heads the bureau with Neil Modie, Beta, and Larry Roby, off campus, reporting.

Campus and city news for The Tribune can be phoned to the following numbers: TU 2-1022, TU 2-1431, or TU 3-7025.

Pacific Hopes To Break .500 As Three Future Foes See Action

Two of Idaho's coming foes defend their home grounds and the third, Arizona, invades Texas.

University of Pacific, Idaho's Dads' Day foe, stays in the Golden State tomorrow as they try to break the .500 mark in a game against Los Angeles State. The Tigers, after squeezing by the San Diego Marines, 12-9 last week, have 3-3 season record.

The Arizona Wildcats are slated to play the West Texas State eleven at Canyon, Texas in a night clash. The Wildcats are riding high on a so far unbeaten season. Last week Arizona rolled over New Mexico. The Wildcats, 4-0-1, captured their biggest win, when they upset the Oregon Ducks, 15-6, two weeks ago in Portland.

The Wildcats' only mark in their undefeated string was a 14-14 tie handed them by Nebraska in Arizona's second outing of the season.

Arizona hosts the Vandals in Tucson, Nov. 11.

Montana State University, currently owners of the Little Brown Jug, plays Idaho in Boise, Nov. 18 in the finals for both teams.

The Grizzlies captured the Jug for the first time in 10 years last year with a 18-14 victory at Missoula.

This weekend the Grizzlies host Colorado State University. Last week the Silvertips absorbed a 24-12 pounding by the University of Utah. After Colorado State, Montana plays an intra-state rival, Montana College next week before meeting the Vandals.

Montana lost the ball three times on five fumbles while Utah lost it six times out of seven. The Grizzlies twice recovered Ute bobbles inside the 30 but could not move the ball against the Redskin line. Dennis McLaughlin kicked 3 extra points. McLaughlin has been successful on all 16 of his kicks this year.

Ute end Joe Borich tied an all-time Utah record when he grabbed his fifth touchdown pass of the season. Borich caught a short aerial from Gary Hertzfeldt and sped the remaining 28 yards.

Montana scored in the first quarter on an 85 yards march climaxed by Ron Werba's two yard plunge and added another in the final quarter.

Utah dominated in other areas besides scoring, as the Redskins held Montana to 54 yards rushing and 95 passing. The Utes rolled up 153 yards on the ground and another 131 through the air.

ATTENTION CHEVALIERS

All Chevaliers of the Order of DeMolay wishing to participate with other Chevaliers in their "Service of Remembrance" Nov. 8 are asked to call either Bill Longeteig, Beta, or Gary Green, Phi Delt, before Nov. 1.

We're looking forward to meeting you

We'll be on the campus on the dates listed below, ready to give engineering and sciences seniors information on space-age careers in a dynamic industry.

If you are looking for a company offering assignments on programs of unique interest and career potential, you'll be interested in the advantages Boeing can offer you.

Boeing, for instance, is a major contractor on such advanced programs as the Dyna-Soar manned space glider; the solid-fuel Minuteman ICBM, and the Bomarc defense missile system. Boeing is also the world's foremost designer and builder of multi-jet aircraft, including the eight-jet B-52H missile bomber, the KC-135 tanker-transport, the C-135 cargo-jet, and the famous Boeing 707, 720 and 727 jetliners. In addition, Boeing's Vertol Division is one of America's leading builders of helicopters.

Research projects at Boeing are under way in such advanced fields as celestial mechanics, solid state physics, nuclear and plasma physics, flight sciences, space flight and propulsion.

Expanding Boeing programs offer exceptional opportunities to holders of B.S., M.S. and Ph.D. degrees in aeronautical, mechanical, civil, electrical-electronic and industrial engineering, and in engineering mechanics, engineering physics as well as in mathematics and physics. At Boeing you'll work in a small group where individual ability and initiative get plenty of visibility. You'll enjoy many other advantages, including an opportunity to take graduate studies at company expense to help you get ahead faster.

Drop in to your Placement Office and arrange for an interview. We're looking forward to meeting you!

Once Beaten Vandal Babes Clash With U. Washington Pups

By LARRY McBRIDE

With a start similar to last year's good Freshman season, the University of Idaho Frosh travel to Seattle for a test against the University of Washington Husky Pups this afternoon.

Last week a last ditch Vandal Babe pass wound up in the wrong hands, and the Knights from Wenatchee JC were able to turn the break into a field goal on the final play of the game, Idaho lost 10-7.

The narrow loss was the same pattern that hit the beginners last year and they went on to defeat Washington and Washington State.

Frosh Coach Bud Goodell is hoping that the same routine will occur this year, but he's concentrating on coaching, not on receiving charms of past seasons.

Last year the Vandal Babes stamped the Pups 27-15 at Neale Stadium. Vandal quarterback Gary Gagnon scored the first touchdown of the afternoon on a

sneak play. Previously the Babes had exchanged five fumbles with the Pups.

The first scoring play was set up when John Miller booted the ball and the Pup receiver dropped it. Tom Morris fell on the pigskin on the Pups' ten yard line.

With three minutes to go in the first quarter, Gagnon threw to Morris to give the Babes a 14-0 lead.

The Pups rushed back to get into the ballgame and were able to score a safety and a touchdown,

complete with extra point before the half ended.

Idaho jumped off in the second half with a quick score when Morris broke loose for a 77-yard jaunt. He was followed by guard Don Matthews who picked the ball from a Pup halfback's arms and raced 55 yards for another touchdown.

Even though the Frosh lost last week, Goodell had praise for his gridders.

"I thought the team looked good

for a first effort," he said. "I am satisfied with the way they performed, especially against a team that was playing its fifth game."

Henry Arnoux of the Knights was the hero of the game. His 22 yard kick won the game. The opportunity was set up when Wenatchee's Dave Klairch intercepted a Vandal Babe pass on his own 44 and returned it to the Frosh 15 yard line. An attempted pass failed, and with two seconds left on the clock, Arnoux came

through.

The Knights drew first blood late in the first quarter, as Dibs Smith passed to Bob King for the game's first score. Arnoux kicked the conversion and Wenatchee took a 7-0 first quarter lead.

In the second half, however, the Vandal Babes came to life. Leon Shayer picked off a Wenatchee aerial and ran it back 63 yards for an Idaho score. Paul Lawrence then calmly kicked the tying conversion. This was in the last quar-

ter and set the stage for Arnoux's boot.

It took the Vandal Babes a half to get going. The Babes were only able to garner three first downs the first half, but picked up nine in the final two quarters.

Praised

According to coach Bud Goodell, the outstanding player was fullback Bob Hammond, the sparkplug of the ground game. Hammond reeled off a 40-yard run in the second half, for his by play.

Outstanding lineman was tackle Max Leetzow, who went both ways for the squad. Others meriting praise from Goodell were Rich Nacarato, quarterback Joe Chapman and Mike Whites, and Ron Bogue, Dale Meyer, and Harry Allison.

The Frosh, however, did not come out of the clash without injury, as tackle Doug Richmond suffered a fractured ankle in the first half and will be out for the remainder of the season.

Jim Herndon's On The Bench

Good Year Seen For Cagers; Four Starters, Rangy Sophs Vie

Another basketball season and more gray hairs looming in the near future for hoop coach Joe Cipriano.

However, this season the former Washington Husky star will be ramrodding a team with more depth and know-how than the squad he guided to a 10-16 record last season in his first intercollegiate coaching season.

Cipriano will be able to build a nucleus for this year's squad with four of last year's starters and three others that saw considerable action. Some rangy members of last year's frosh team will add some new blood to the team and cause a few scrabbles for positions.

The Idaho hoop mentor has starters Ken Maren, Chuck White, Rich Porter, and Reg Carolan back... also Tom Gwilliam, Lyle Parks, Gary Floan, and Ron Pike who saw action as reserves last year.

Even though pre-season practice is barely underway, battles for positions have already begun. Jim Scheel, 6-6 frosh center, Tom Whitfield, 6-6 rebounder, and 6-5 John Penney, all ex-frosh hoopsters, are eyeing forward slots.

By the time Carolan is finished with football, his starting position might be gone.

Sophomores are elbowing for a starting guard spot too. With the loss of Dale James, a spot in the backcourt is up for grabs. Also there is a need for some one to take over as backcourt general.

"The need for a team leader will work itself out," Cipriano said.

This corner also sees someone grasping the controls, but not without a tussle. After watching several practices, it is easy to note that several players would like to play regular in the backcourt.

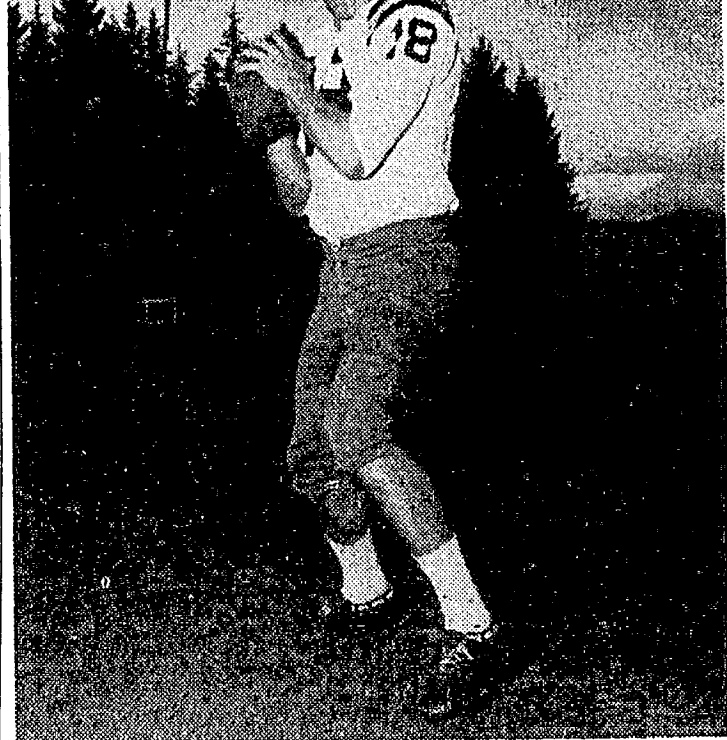

If the Vandals get started on the right foot with a couple of wins, this corner sees a winning season with only four to five losses.

One Vandal hopeful has already gone by the wayside. Sophomore Tom Ballyntyne has decided that he needs to spend more time on his studies.

Some people will do anything to recruit basketball players. Vandal forward Tom Gwilliam's wife had a boy, Timothy, last week.

IDAHO SETS SIGHTS ON VICTORY

Vandals Meet Utah State In 16th Of Long-time Series

NAMED AS best all-around football player in recent years by Coach Skip Stahley, Mike Mosolf leads the Vandals in rushing, passing, scoring and punting.

Eyeing an upset, Coach Skip Stahley and his Idaho charges left Vandal Land this morning for Logan and Saturday's game with the Utah State Aggies.

"We need an upset at Utah State or Arizona to make something out of this season," Stahley said. "We'll be trying hard for one Saturday."

The Aggies are one of Idaho's oldest foes. The two teams began hostilities in 1916 and have played 15 games over the 45-year span. Only Washington State, Oregon, and Oregon State have been on the Idaho schedule longer.

Idaho Won 9

Over the course Idaho has won nine games, Utah State four times and twice games have ended in ties. The Aggies, however, are at the peak of a program that started with a win over the Vandals in the opener two years ago and has taken them to a season record in 1961 of five wins and a tie in six games.

Last year's 33-6 win over the Vandals was the biggest in the series for Utah State, but the Aggie offense has been rolling this season and the Vandal defense has not.

Utah State can't swing back the balance of the record any faster than one game at a time, but the Idaho crew knows that the Aggies will be pouring it on to even up the record in a long-standing intermountain battle.

Pass-Happy

For the Vandals it will be a pass-happy afternoon as Stahley sends his three quarterbacks into action with orders to throw. Mike Mosolf, Rick Dobbins, and Gary Gagnon will have their throwing arms warmed up to hit big 6-6 Reg Carolan for a bundle of yards.

Stahley had the Vandals spend most of their practice time this week on their passing game in hopes to improve an offense which has only netted 900 yards and one win against five opponents.

The Idaho coach's major move this week was to shuffle some of his backs around. Tom Morris, who has run at the fullback spot and the right halfback position, was moved over the season playing at the right halfback position, also was sent to left half. Joining them was Bill White, who has filled in at left end on the second

Bill Hill Is Quiet, But Tough At Right End For The Vandals

A raw-hide tough senior from Shelton, Conn., who is going on his third year of Vandal football, has held down the right end spot on the Idaho end this season.

Not as flashy a performer as Reg Carolan who plays the left end, Hill is rated as a steady and sure performer.

In practice early this fall Hill had just thrown the block that sprang Carolan loose for a 60-yard scoring jaunt.

"Sometimes, I just feel like getting off of my feet and hitting someone," the veteran quipped to the sidelines.

Blocked Kick

In the San Jose game, Hill got that same feeling. It was Hill that broke through the San Jose de-

fenses and blocked an attempted field goal which set up teammate Bob Johnson's 89-yard touchdown run.

At 6-3 he is the next tallest end on the club and with two seasons of line play behind him his 180 pounds are no handicap. Hill lettered two years at guard, but moved to right end because of his blocking abilities last spring.

He has sure hands and has seen a few passes come his way. Hill has caught four passes this fall.

His Job

His big job, however, is to deliver those blocks to spring his teammates downfield.

"Hill hasn't great speed," Coach Skip Stahley said, "but he hits hard and gives you a full measure every ball game."

Hill played frosh ball at Idaho when Jerry Kramer of the Green Bay Packers and Wayne Walker of the Detroit Lions were seniors at Idaho. He knows what sort of line play the Vandals can dish out and does his share of hitting in the tough aspects of the body contact sport.

"He's quiet and he's tough," Stahley says, "and he gets the job done out there on the field."

Vandals' 'Mr. Offense' Mosolf Is Triple-Threat Quarterback

Triple-threat performer Mike Mosolf is "Mr. Offense" as far as the Vandals are concerned.

The senior quarterback from Carmel, Calif., leads the Idaho gridders in rushing, passing, scoring, and punting.

"Mosolf is the best all-around player that Idaho has since I've been here," Coach Skip Stahley said.

The Vandal field general stands 6-1 and weighs 195 pounds. Mosolf, who has netted 274 yards rushing for a 3.1 average, and another 450 passing, likes to run the quarterback option play.

The Secret

Many observers believe that this is the secret to Mosolf's success.

"Without the deception of the option he would be just another back," one spectator commented. What makes Mosolf so tough is that you don't know whether he is going to pass or run, another fan added.

This is the first season for Mosolf at the quarterback spot. Last year Stahley played him as Sil Vial's understudy at quarterback, but then moved him to halfback where he averaged 4.4 yards per carry for the Vandals.

However, last spring the Vandals found themselves short of quarterbacks. Vial was graduated in June. Rick Dobbins, the second unit signal caller have seen very little action during the 1960 season.

Shifted

So, Stahley shifted Mosolf back to quarterback and installed the option play.

"We wanted to make full use of

Aggies' 'Mr. Defense' Doss Is Triple-Threat Quarterback

Triple-threat performer Mike Doss is "Mr. Defense" as far as the Aggies are concerned.

The senior quarterback from... leads the Idaho gridders in rushing, passing, scoring, and punting.

"Doss is the best all-around player that Idaho has since I've been here," Coach Skip Stahley said.

The Vandal field general stands 6-1 and weighs 195 pounds. Mosolf, who has netted 274 yards rushing for a 3.1 average, and another 450 passing, likes to run the quarterback option play.

The Secret

Many observers believe that this is the secret to Mosolf's success.

"Without the deception of the option he would be just another back," one spectator commented. What makes Mosolf so tough is that you don't know whether he is going to pass or run, another fan added.

This is the first season for Mosolf at the quarterback spot. Last year Stahley played him as Sil Vial's understudy at quarterback, but then moved him to halfback where he averaged 4.4 yards per carry for the Vandals.

However, last spring the Vandals found themselves short of quarterbacks. Vial was graduated in June. Rick Dobbins, the second unit signal caller have seen very little action during the 1960 season.

Shifted

So, Stahley shifted Mosolf back to quarterback and installed the option play.
