VOLUME 66, NO. 4844

UNIVERSITY OF IDAHO, MOSCOW, IDAHO

Tuesday, April 17, 1962

Sen. Church To Speak Here

Idaho's United States Senator Frank Church will be on the campus May 17 to speak at a Public Events Assembly and Young Democrat-sponsored luncheon, it was announced yesterday.

The young statesman, one of the youngest in the United States Senate, will give two speeches — one to a regular Public Events Assembly in Memorial Gym, and the second at a luncheon following the assembly.

Council Set Up By Board Is Approved

In a meeting last month the Student-Faculty Council approved the planned Student Judicial Council proposed by this year's Executive Board under the instigation of ASUI President Jim Mullen.

Mullen said that there are a few details to be worked out in the proposal yet, but that he is working with the new president Ron Houghtalin, and that they should be able to take care of them. The main problem to be worked out yet is the membership of the council.

In the report from the Student-Faculty Council Decker said: "The jurisdiction of this Council will be limited to: (A) disputes arising in student government and those concerned with the ASUI Constitution. Such questions would be referred by the ASUI President. (B) discipline cases referred by the Office of Student Affairs; (C) appeals of traffic violation charges; (D) appeals from any student or campus organization of decision made by such judicial bodies as: IFC Tribunal, Residence Halls Council, Panhellenic."

Commenting on the necessity of cases being referred to by the Office of Student Affairs, Mullen said, that University by-laws required that discipline cases be handled by the faculty. Charles Decker, dean of students, told Mullen that most of the cases handled by his office this past year could have been handled by students, and that he will make every effort to steer as many cases as possible to the student body. However there are some cases that necessarily should be handled by the Men's and Women's Discipline Committees.

The Office of Student Affairs would decide which cases should be handled by the judicial council and those which should be handled by the Discipline Committees.

Also appeals from the various judicial organizations existing already in IFC, Pan Hellenic, and RHC will be routed through the Student Affairs Council.

Cases out of the realm of the body are: Incidents which involve both a violation of University regulations and a felony under local and state statutes; incidents involving repetition of violations for which a student is currently on probation; and incidents which the Office of Student Affairs feels special, remedial, or rehabilitative action is necessary.

Phil Reberger Named New Public Relations Director

Phil Reberger will take over today as ASUI Public Relations Director, a post to which he was appointed the week before spring vacation by the new Executive Board. Reberger, a sophomore, succeeds Carl Berry.

The office, which pays \$25 a month, involves heading a number of University publicity projects, both at Moscow and around the state.

Among duties Reberger inherits from Berry are control of the capitol display in Boise, heading the Vandal Rally Committee and the Admissions Counseling Committee and controlling a series of University displays which are sent around the country. He also will be in charge of the Idaho Indicator, an ASUI pamphlet informing high school students of the type of studies they will encounter at the University.

Reberger said he plans to try to bring more high school students to the Idaho campus through high school conferences, such as the an-

Students, faculty, and townspeople are invited to the luncheon. Tickets may be purchased in the ASUI office after Wednesday for \$1.50. No tickets will be sold at the door.

Young Democrats President Vivian Dickmore said that Conley Ward, Democratic candidate for governor from Marsing, will speak at the Latah County court house in Moscow, Thursday. She added that before school is out almost all of the state Democratic candidates will visit the campus again.

Other activities of the club recently have been efforts to organize for their convention this summer. Bob McFarland spent several days during spring vacation talking to Young Democrats in Coeur d'Alene helping them organize for the convention which may be held there.

He talked to both the Kootenai County and NIJC Young Demos. Larry Hossner will go to Lewiston during the next two weeks to help organize a Nez Perce County group.

CCH Group Goes To Boise

Four members of Citizenship Clearing House, national non-partisan political organization, journeyed to Boise April 5 to advise high school students at the annual YMCA Youth Legislature.

Lynn Hossner, Larry Hossner, J. Longeteig, all off-campus; and Karen Smith, Tri Delta; served as advisors for committees, lobbyists, and reporters Friday afternoon and all day Saturday. Justice Henry McQuade of the Idaho Supreme Court, and Allen Shepard, a candidate for Attorney General, both chief organizers and advisors of the mock session, invited members of the University CCH to assist delegates from high schools throughout the state in the legislative session.

Clifford Dobler, associate professor of political science, is a regular advisor for the Legislative session and also served as an advisor for the CCH representatives.

Students Return To Campus; Five Involved In Accidents

Refreshed after a week's vacation from classes, assignments and profs, Idaho students returned to campus Sunday to face the rigors of the last seven weeks before final exams.

Apparently most students returned safely, although two accidents were reported involving five students.

Dave Pugh, Sigma Chi, received a broken jaw and his passenger Clifford Cotton a broken nose in a

FAIRMOUNT SINGERS . . . will appear with Jimmie Rodgers at the concert half of the Junior-Senior Weekend. The University of Oregon quartet will vocalize Sunday, April 29 with the dance scheduled for the preceding Friday night.

Duplicate Bridge Lessons Tomorrow

Having trouble with your bridge lately? Do you have trouble understanding your partner's bid? Hesitate no more.

Free duplicate bridge lessons will be given starting tomorrow evening at 7 in the North Ballroom of the SUB. The lessons, one a week, will last for eight weeks.

Duff McKee, currently giving lessons at WSU, will provide the instruction.

J. Okeson Selected Outstanding Sr.

James Okeson, a chemical engineering student from Boise, has received the annual Idaho Society of Professional Engineers award as the outstanding graduating senior in the University Colleges of Engineering or Mines.

Okeson was selected from among 10 students with the highest grade point averages in the two colleges. Runners-up were Vaughn H. Estrick, and William R. Kindley.

Rounding out the top 10 selections were Gary Frame, James Lempp, Jack Pantry, Lee A. Walter, William Parman, Kenneth Prestwich and Robert Schumaker.

Okeson received a small plaque and will have his name inscribed on a permanent plaque in the Engineering building.

Students Return To Campus; Five Involved In Accidents

car accident one mile south of Grangeville. Pugh, who is well known on campus for his singing voice, was en route to California for an audition with Capitol Records.

The accident occurred April 6 about 6:30 p.m. as an approaching car came around a curve, crossed the center line, and hit Pugh's car head on.

Pugh was taken to Lewiston and spent two days in the hospital there. He was then flown to Boise where a specialist performed surgery on the broken jaw.

The other accident involved Grant Yee, Beta, who was driving to Boise in a pickup and overturned near Ferdinand on Highway 95, north of Grangeville.

Ann Jewell, Pi Phi, and Herb Carlson, Beta, were the passengers in Yee's pickup. Neither were seriously injured.

on the calendar

TODAY
Block and Bridle Club, 7 p.m., Room 204, Ag. Science Building.
Newman Club Executive Board, 7:45 p.m., Newman Center.
Young Democrats, 7 p.m., SUB Conf. Room B.
IK Meeting, 9 p.m., SUB Conf. Room A.
Blue Key Meeting, 12:30 p.m., Borah Theater.

WEDNESDAY
Junior-Senior Extended Board, 7 p.m., Borah Theater.
Theta Sigma Phi, 7 p.m., Pine Room, SUB.

THURSDAY
Special TMA meeting, 7 p.m., SUB Conf. Room B.

Fairmount Singers To Be Part Of Prom Attraction

The Fairmount Singers, having established a reputation for themselves in the San Francisco area as a singing group of the same quality as the Limelights, will be part of the triple attraction show April 29 which winds up the junior-senior weekend.

ASUI General Manager Gale Mix said that he has received notes from several western universities commenting on the quality of the group's performance.

The University of Oregon group, along with recording star Jimmie Rodgers and comedian Harrison Baker will present a show Sunday afternoon in Memorial Gymnasium. This show has been booked this spring at Stanford, University of Washington, University of Oregon, University of California at Berkeley, and Oregon State University. Admission price will be \$1.50 for students with activity cards and \$2.50 for adults. The show is produced by Van Tomkins, the same man who produces the Limelights show.

The prom dance will be Friday night and Idaho coeds will have 2 a.m. permission that night. The Johnny Reitz band will play for the dance. They have been praised by Oregon schools as playing "the most danceable music" heard on the campus in years.

The weekend's activities are under the direction of senior and junior class presidents Bob Scott and Gary Carlson. Carlson said there will be entertainment during the intermission at the dance.

Bowes suggested that students interested in the above positions consult the files from past years which are available in the ASUI office.

"Persons applying for these positions should have some previous knowledge of the committee," Bowes said.

BLUE KEY SCHOLARSHIP
Applications for the Blue Key Scholarship are now available in the office of Student Affairs.

The \$100 scholarship is given annually to a male sophomore on the basis of scholarship and need.

Goal Of 750 Pints Set For Yearly Blood Drive

The annual blood drive opened today with chairmen expecting to extract at least 750 pints of blood from University citizens by the time the drive ends Thursday.

Students To Have Another Holiday

University of Idaho students will receive another holiday this week.

According to H. Walter Steffens, University academic vice president, classes will be dismissed Friday afternoon. This is in observance of Good Friday.

All administrative offices will also be closed.

Businessmen To Conduct Panel Wed.

Four leading Spokane businessmen will conduct a panel on special problems faced in business at 7:30 p.m. tomorrow night in the University Student Union Building.

R. L. Chrysler, professor of marketing, said, "The panel is the outgrowth of a very successful one held in the fall on advertising. This panel will deal with business on a broader plane."

J. W. Kipper, general manager of Sears-Roebuck and past president of the Spokane Chamber of Commerce, will speak on problems faced in training and obtaining employees.

Joe W. O'Leary, past owner of Payless Drugs and now a consultant with Albertson's food stores, will cover what it means to be a good merchandiser.

Fred Becker, owner and president of Riegel-Becker Motors and president of Associated Industries, has chosen to explain how to analyze expenses against performance.

Earl McCarthy, realtor and developer of shopping centers, will define shopping centers and their place in the marketing scheme. All interested persons are welcome to attend, said Prof. Chrysler.

Gaskell Will Speak On Mathematics

Bread and butter mathematics will be the topic of Dr. Robert E. Gaskell professor of mathematics at Oregon State University in a public lecture at 8 p.m. Thursday in the Faculty Club.

The talk, sponsored by the Society of Sigma Xi, scientific honorary, will concern the invasion of economics and other behavioral sciences by mathematics.

45 Students Achieve 4.0 At Semester

Perfect grades were attained by 45 University students during the first semester, it was announced by Registrar D. D. DuSault.

Earning "Straight A" while taking 14 credit hours or more were Lana Alton, Paul Anderson, Phyllis O'Reilly Anderson, David Baumgartner, Douglas Brown, Thomas Cametti, Willard Caudell, Clarence Chapman, and Angela Sherbenou.

Others were Clara Walker Cline, Shirley Stokes Cowin, Douglas Curtis, Mary Jauregui Decker, Iva Buell Green, Helen Jones, Jacquelyn Kimberling, Miriam Jeswine Kissler and Peggy Phillips.

Brian Harris, John Rider, Joanne Heller, Jeanne Jones, Charles Fullmer, Emory Kalfelisch, Bruce Keithly, Peter Kelly, Janice Riemann, Donna Leaverton, Stephen McDonald, Karen Miles, Paul Stewart, Loren Taylor, William Parman, Thomas Scherer, James Space, Theodore Spence, and Kenneth Stigers.

Students receiving perfect grades with fewer than 14 but more than six credit hours were Leo Ames, Norma Rau Anderson, Mary Rambo Decko, Mary Knasus Goke, Dorothy Seney MacPhee, Judith Alton Ingram, Marilyn Mitchell, and Ralph Stroebel.

Swiss Physicist Speaks Today

Dr. Ernest Brun, professor of physics at the University of Zurich, Switzerland, will deliver a public lecture at 4:10 this afternoon in Room 110 of the Science Building.

He will speak on nuclear magnetic resonance and its applications in various scientific fields.

Dr. Brun is sponsored by the American Association of Physics Teachers and the American Institute of Physics under a grant from the National Science Foundation.

FORMER EDITOR TO SPEAK
Mrs. Mary Minster, former society editor of the Coeur d'Alene Press, will speak to women interested in journalism as a career tomorrow night at 7:30 p.m. in the Pine Room of the Student Union Building. Her talk is sponsored by Theta Sigma Phi, women's journalism honorary.

VACATION
There are only three and one-half days until the next vacation. After that students will have to wait 44 days until the next day off occurs.

Students Taught Math With Use Of TV

MATH BY TELEVISION — Faced with overflowing classrooms in freshman mathematics next year, the University mathematics and television departments are experimenting with the use of educational television. A lecture by Mrs. Elma Grahm, assistant professor of mathematics, is being televised to students in classrooms in another building on the campus.

The miracle of electronics is helping the University meet a challenge — having a professor in two or more places at the same time. It is being done painlessly on an experimental basis via television.

Dr. Hans Sagan, head of the mathematics department, is faced with the prospect of having 200 students enroll in a first-year mathematics course at the same hour. However, there are no classrooms available which can accommodate the class.

Solutions to the problem were to split the class into smaller units and hire more faculty to teach it or try the new educational television facilities being installed on the campus.

Dr. Sagan and Gordon Law, assistant professor of radio-television, put their heads together and decided to try teaching a class or two by television to see what might happen.

Classes By TV
This week, Dr. Sagan and Mrs. Elma Grahm, assistant professor of mathematics, have taught classes by television. Some of the students moved to seats in the radio-television center where cameras and microphones covered the lecture. The classroom scene was piped to an adjacent building where more students gathered in front of television sets.

The most important factor — the students — are being polled to determine how successful the experiment has been. If the students can get the same results from a teacher through television as with one in the same room, the experiment will be a success.

Law stressed the tremendous possibilities through the use of educational television.

"We hope soon to be able to provide educational television to all of Idaho through use of microwave relay stations already in existence and being used by governmental agencies," said Law.

"These programs could cover foreign language, art, music and many other courses." **Moscow Seeking Use**
The Moscow School District already is planning to utilize the University offerings by having the programs televised into the schools, especially in smaller communities, by enriching their existing program with television films of areas they do not have teachers to cover.

Advantages of using television are many. For example, a chemistry experiment can be shown as though the student were next to it, a geology field trip can be made to Europe through television with the students never leaving their seats, history courses can come

(Continued on page 2, col. 5)

THE GOLDEN FLEECE by Jason

After the fiasco of last year's Jr.-Sr. Prom, University students are entitled to a somewhat more appealing event this year. Of course, bringing in a big name entertainer always causes some apprehension. Will they be treated cordially, will there be a crowd, will they complain about the facilities? These are some of the questions that will be asked as the Jr.-Sr. Weekend draws closer.

I don't think that too many of these questions will be answered until the Weekend arrives; however, I can say something about the quality of the entertainment or at least part of it. What I really want to comment on are the Fairmount Singers.

Evidently the group originated from Eugene, Oregon. They were enrolled at the University of Oregon, which should inspire talent here at Idaho to greater heights. Anyway, while visiting family, etc., in the greater Portland area I noticed that the Fairmount Singers were going to appear in Portland.

The reception that Portlanders gave the Fairmount Singers was slightly spectacular. In fact, several prominent disc jockeys in that city said that they were better than the Limelights. If this is the case, then Idaho's students have a real treat in store for them.

The recent Air Force Academy Assembly to which this Jason was lucky enough to attend definitely proved one thing. I had thought that the Air Force cadets would be thoroughly brainwashed in a military sense. Believe me, the cadets are as independent-minded as any university student you will find.

In the discussion groups on Disarmament the highly-informed cadets often took views which collided with present-day military thinkers.

Former governor of Minnesota, Harold Stassen, left the conference with a proposal to begin disarmament in steps or zones. In essence, the final recommendation of the conference, which was sent to the President and his Disarmament agency, was his plan.

Applications Up 400 Per Cent, Declares Young

Prospective University students aren't waiting to the last minute before applying for admission. Frank Young, director of admissions, reported that under the new program of early admissions started this year, permits to register as of April 1, 1962, are up 400 per cent over the same time last year. "This doesn't mean our enrollment will go up 400 per cent, but it does indicate students are eager to plan ahead for their University education," said Young.

Under the new program, prospective student applicants are granted admission during their final semester of work subject to validation by receipt of a final transcript at the close of the spring term.

Early admission is being given to high school applicants from Idaho, to non-resident high school applicants who are in the upper quartile of the scholastic ranking of their class, and to transfer students who have a "B" or 3.00 grade average in their previous college study level.

Requests for housing have also risen sharply above those of last year. Robert Greene, director of dormitories, reports that housing requests are up 47 per cent.

Reasoning Is Faulty?

Dear Jason: We wish to comment on a recent letter in the Lewiston Morning Tribune written by Gary L. Bennett, Chairman of the University of Idaho chapter of the Young Americans for Freedom. In reference to an appearance on the Idaho campus of Fulton Lewis III, Mr. Bennett states that "all of the hard core 'liberal' professors at the U of I and Washington State University . . . ran for cover when Mr. Lewis appeared. None of these otherwise vocal leftists so much as uttered a peep. This proves beyond a doubt that 'liberalism' is a bankrupt philosophy."

Whether or not "liberalism" is a "bankrupt philosophy," the "fact" cited by Mr. Bennett fails to prove his conclusion. How an unanswered invitation to debate proves a philosophy bankrupt is truly a mystery. Indeed, if this were sufficient, it would be a simple matter to prove philosophies bankrupt right and left.

We hope that such specious reasoning is not a common characteristic of the Young Americans for Freedom.

LOUISE TELLS US YOU'RE ON THE FOOTBALL TEAM.

Modern Painting Is Capturing Moment, According To Smith

"We try to capture the moment," is the way Joel Smith, acting assistant professor of art at the University and noted modern artist, explains modern painting.

"We have all had the feeling — while experiencing a beautiful sunset or while doing other things — of being 10 feet tall. This is 'the moment' the modern painter attempts to portray," said the 32-year-old artist.

He admits these moments are rare for some, but it happens. This alone isn't modern art. It takes skill and a knowledge of shapes — it takes an artist to produce meaningful modern art. A background in realism is important.

Smith didn't always paint with the bold, moving shapes and colors reflected in the paintings in his office. One is eight-foot square. For 10 years, he did landscapes and nature studies and was quite content. Then he went to Los Angeles.

"Landscapes didn't fit in' the city and its atmosphere of go, go, go. An artist must paint the truth and the truth for me evolved into modern art. Don't get me wrong — there's nothing wrong with landscapes. They have their place," Smith said. "However, as writers today do not write like Shakespeare, artists do not paint like Rembrandt. Times change and so do the arts, and the arts reflect the soul of society — whether society likes what they see or not," he continued.

The Idaho professor has made a name for himself while attempting to depict the soul of our times. His work has appeared in more than 37 one-man and invitational

group shows. The latest is the San Francisco Art association show where a painting of his has been selected for the third year from among more than 1,500 entries. A painting by Geneva Sloan, wife of William Sloan, associate professor of architecture, has also been chosen for the show.

Smith has won numerous art awards, including the coveted Adele Morrison Hyde medal at the Oakland annual show in 1959. His paintings hang in the collections of the Oakland Art Museum, Brigham Young University and Mr. and Mrs. Isaac Barshad.

This Year It's Private

One of the campus's most popular events with students and townspeople, the Miss University of Idaho pageant, won't be open to the public this year because of a lack of foresight.

The annual pageant, which usually draws an audience of some 600, had been scheduled for Saturday night in the University Auditorium, whose seating capacity is about 950. But the event has been moved to the relatively tiny SUB Borah Theater, which has a seating capacity of 202.

The reason? The Drama Department had reserved the University Auditorium to hold rehearsals for an ASUT Drama production to be held there April 27 and 28. An elaborate and unmovable staging set has already been constructed on the auditorium's stage, leaving no room for any pageant to be held.

But — the Drama Department reserved the auditorium for the play a year ago. The Intercollegiate Knights, sponsors of the Miss U. of I. show, were informed of this sad fact when they tried to reserve the auditorium a scant two weeks ago.

That isn't all. Even after the IKs found out for sure that they couldn't have the auditorium for the pageant, they still announced that the pageant would be held in the auditorium — as though they had

received permission. So they didn't really worry about where the show would be held until the last minute.

Staging the pageant in Memorial Gym was ruled out because of the cost of renting it and the cost of the equipment that would be needed. The Ag Science building and Engineering building auditoriums were found to be insufficient, and even the Moscow High School gym couldn't do.

The Borah Theater was the only place left. And it can't house a large enough audience to warrant opening the pageant to the public, so with no paying audience, any operating expenses will amount to just that much of a bill for the IKs to pay.

Because of this and because of the work involved, the IKs aren't overly enthusiastic to go on sponsoring the pageant in years hence.

The blame for the failure to plan ahead doesn't really rest with the IK officers in charge of the pageant since they were elected only a few weeks ago. Rather, the planning should have started last year. The Drama Department was able to schedule its plays for practically whenever it pleased because it made reservations far enough in advance. If the IKs — or any other group — want to put on next year's pageant, they'll have to do a few things in advance, too. N. M.

Holy Week Event Tonight

The University Singers and the University Brass Ensemble will present a Holy Week program at 8 p.m. this evening in the recital hall of the Music Building.

The Brass Ensemble, directed by Phillip Coffman, graduate assistant in the music department, will open with Holborne's "Two Short Aires." The program also includes Mozart's "Allegro," MacDowell's "At an Old Trysting Place," and three short classics: "Sailor's Song" by Grieg; Chorale from 13th Psalm by Mendelssohn, and "Elevation" by Guilman.

The University Singers, directed "The Redeemer." Soloists will be Judy Eline, soprano, and Janet

Learning never stops for engineers at Western Electric

There's no place at Western Electric for engineers who feel that college diplomas signify the end of their education. However, if a man can meet our quality standards and feels that he is really just beginning to learn . . . and if he is ready to launch his career where learning is an important part of the job and where graduate-level training on and off the job is encouraged — we want and need him.

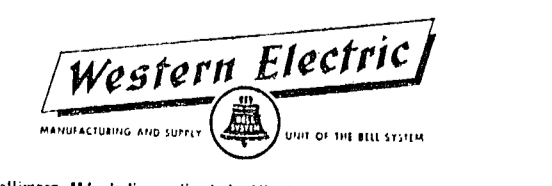

At Western Electric, in addition to the normal learning-while-doing, engineers are encouraged to move ahead in their fields by several types of educational programs. Western maintains its own full-time graduate engineering training program, seven formal management courses, and a tuition refund plan for out-of-hours college study.

This learning atmosphere is just one reason why a career at Western Electric is so stimulating. Of equal importance, however, is the nature of the work we do. Our new engineers are taking part in projects that implement the whole art of modern telephony, from high speed sound transmission and solar cells to electronic telephone offices and computer-controlled production techniques.

Should you join us now, you will be coming

to Western Electric at one of the best times in the company's history. In the management area alone, several thousand supervisory jobs are expected to open up to W.E. people within the next 10 years. And our work of building communications equipment and systems becomes increasingly challenging and important as the communications needs of our nation and the world continue to increase.

Challenging opportunities exist now at Western Electric for electrical, mechanical, industrial, and chemical engineers, as well as physical science, liberal arts, and business majors. All qualified applicants will receive careful consideration for employment without regard to race, creed, color or national origin. For more information about Western Electric, write College Relations, Western Electric Company, Room 6206, 222 Broadway, New York 38, New York. And be sure to arrange for a Western Electric interview when our college representatives visit your campus.

Miss U. of Idaho Pageant To Be Closed To Public

The Miss University of Idaho Pageant will not be open to the public for the first time in the history of the event. Bruce Trowbridge, general chairman for the event, said yesterday.

The Pageant will be held in the Borah Theater but only the judges will be present. Trowbridge said that conflicts and facility problems prevented the contest from being held in either the Ad Auditorium or the Memorial Gym.

The Intercollegiate Knights, who annually sponsor the program, were unable to change the date of the contest also. Trowbridge added, "The IK's deeply regret that students will not be able to attend the Pageant as in the past years."

The ten finalists will audition before a panel of judges. A dress rehearsal will be held Friday night. Ten finalists were picked from 24

candidates the week before spring vacation in the preliminary judging. Those competing for the final honor are Carol McCrea and Irene Bishop, Alpha Phi; Jean Farley, Gamma Phi; Nancy Kaufmann and Kathy Baxter, DG's; Betty Vickerman, Pi Phi; Carille Johnson, Kappa; and Joan Myers, Patti Polz and Karen Sue Drown, all Thetas.

The winner will represent the University at the Miss Idaho Pageant this summer. Judging will be based on poise, personality, intelligence, charm and beauty of face and figure, and talent.

The contestants will appear during the Pageant in a bathing suit, formal evening wear and will present a talent routine.

Assisting Trowbridge are Gene Harder, Phil Reberger, Jim Bounds, Jim Olson and Jerry Pressey.

Bonnie Smith Chosen Honorary Pershing Rifles Group Sponsor

Bonnie Smith, DG, and a freshman at the University was recently chosen honorary sponsor of the

11th Regiment of Pershing Rifles, a national Army ROTC Honorary. The 11th Regiment includes the states of Washington, Oregon, Idaho, Montana and Alaska. She won the honor over candidates from other college and university Pershing Rifle groups in these states.

Bonnie, a former Miss Boise, will enter the national contest in Washington, D.C. The winner of this contest will be announced in May.

She will also represent the 11th Regiment at the Seattle World's Fair April 29 at the Pershing Rifles' Drill Meet.

Two years ago Dolores Llewellyn, who is also a DG, received this honor.

The Pershing Rifles at the University consists of 40 members who are mostly freshman and sophomores. They are advised by Major Harry E. Todd, assistant professor of military science.

Its activities include the presenting of the colors at home basketball games, sponsor of the Army Drill Team and various field trips. The group is also planning a steak fry before the annual ROTC Spring Review.

Stage Crew Is Announced

The stage crew for the ASUI play "Secret Service" by William Gillette has been appointed. This play, to be presented April 27 and 28, is under the direction of Miss Jean Collett, chairman of dramatics. The technical designer is Edmund Chavez. Students who are assisting include:

Assistants to the director, Dijon Davidson and Colleen Custer; assistant to the technical director, Terry Messenger; stage manager, Angie Arrien; costumes, Nancy Harman, Judy Groves, Judy Vanstrom and Sue Greenleaf; lights, Helen Jones and Tom Tufek; Properties, Terry Bolstad, Zoe Anderson and Vicki Seibert; sound, Dave Pugh, Janet Childers and Caryn Snyder; make-up, Linda Ensign, Angie Arrien, Bonny Scott and Bill Allen; paint, Helen Burbon, Patti Drago, Jody Wiegand and Margaret Bowliby.

Publicity, Dijon Davidson and Joan Cambell; building and staging, Darwin Afdahl, Hugh Allen and Terry Messenger.

Westminster Foundation Will Show 'East Of Eden' Sunday

Westminster Foundation will open a spring series of Sunday evening programs on social issues this Sunday with the showing of the Warner's Brother's film, "East of Eden."

The film will be shown at 6 p.m. at the Campus Christian Center, and no admission will be charged. Dr. Stan Thomas and the Rev. Richard Lundy will lead an informal discussion after the showing.

The film stars the late James Dean, Julie Harris, Raymond Massey and Burl Ives. It is taken from the novel by John Steinbeck.

Other programs in the series will include, "Gambling in Idaho?" with guest speaker Professor J. A. Defenbach on April 29; and "Students and their newspaper," a debate on the purpose and function of a campus paper on May 6.

Arg Staff Changes Are Announced

Some minor staff revisions for the last nine weeks of publication were announced yesterday by Argonaut editor Herb Hollinger.

Jim Herndon, former managing editor, has taken over the sports editor desk to replace Neil Modie. Modie assumes the managing editor's duties.

Other officers elected for 1962-63 are Vern Thomas, Shoshone, vice president; Geraldine Daeres, University of Idaho, secretary, and Ardath Chatterton, Homedale, treasurer.

DISTINGUISHED GATHERING . . . University administrators and Upham Hall officers are shown standing below the new Upham Hall coat-of-arms which was officially presented to the hall before spring vacation.

Association Picks Kessel For Prexy

Dr. R. M. Kessel, head of the department of office administration and business education at the University, has been elected president of the Idaho Business Education association.

Other officers elected for 1962-63 are Vern Thomas, Shoshone, vice president; Geraldine Daeres, University of Idaho, secretary, and Ardath Chatterton, Homedale, treasurer.

HOLLINGER RETURNS

Herb Hollinger, co-editor of the Argonaut and an advanced Air Force ROTC student, returned April 7 from the Air Force Academy north of Colorado Springs, Colo., where he attended a three-day student conference on "Disarmament and Arms Control."

Claire Slaughter Gets Fulbright Grant For One Year Of Studying In France

Claire Slaughter, Tri Delta, was notified recently that she is the recipient of a Fulbright Student Grant for a year of study in France.

Miss Slaughter will study French literature and civilization at the University of Caen, 125 miles north of Paris.

Although she had applied for other scholarships, Miss Slaughter said that she had really wanted a Fulbright. "So I was rather excited," she said about her Fulbright.

Her sorority sisters claim that "rather excited" is an understatement. A telegram from Ralph Harding, Idaho U.S. Representative, notifying her of the award, was sent to her home in Kimberly. Miss Slaughter's parents then called her, informing her of the grant.

At this point, one Tri Delta remarked that she ran down the stairs screaming, "I got a Fulbright! I got a Fulbright!"

Miss Slaughter applied for the grant in the fall and was one of two recipients from the state of Idaho. There are also awards on a national level, and both awards are given to graduate and post-doctoral students, graduating seniors, and faculty members.

The Fulbright Act, sponsored by Senator Fulbright from Arkansas, was passed after World War II to pay off the war debt of foreign countries. Today the foreign governments pay for the living expenses and transportation of students generally one year.

Miss Slaughter said that she filled out a usual application blank, with an additional form outlining a proposed plan of study if she received the grant. She said that at the present time she has no plans after her year of study in France.

Miss Slaughter has a grade point average of 3.88, and her extracurricular activities include: president of Delta Delta Delta, Kappa Phi, and Wesley Foundation; honorary vice president of Phi Kappa Phi; member of Curtin Club, Phi

Beta Kappa, debate squad, Mortar Board, Spurs, Alpha Lambda Delta; and participation in the Summer Theater, One Act Shakespearean plays, "Sleeping Prince" and "Secret Service."

65 HOPEFULS TURN OUT FOR SPRING BALL

Andros Gets First Look As 20-Day Session Starts

The Vandal gridsters take to the field this afternoon to start a 20-day spring practice session under the eye of new head coach Dee Andros.

Andros has 65 candidates on hand, led by 19 lettermen including two-year veterans Ron Kuhl and Bob Ames. The Vandals will drill four days a week through May 19. Two full game scrimmages on May 12 and 19 will highlight the spring workouts.

Working on the Idaho staff will be new assistants Dick Monroe, former Nebraska line coach; Steve Musseau, former head coach at Orange Coast JC in Santa Ana, Calif.; and John Easterbrook, former frosh backfield coach at Illinois.

Seventeen lettermen from the '61 season and another pair from '60 will be on hand.

Lettermen include ends Alex Klidzejs, Tom Nelson, and Larry Stachler, a '60 letterman. Tackles are Jim Moran, Joe Cramer, and Ellery Brown.

Guards include Mike Bauman, Denny Almqvist, Darwin Doss, and Don Mathews. Centers are Ames and John Siath. At quarterback will be Gary Gagnon and Gary Mires.

At fullback will be Mike Jordan, Tom Morris, and Galen Rogers, a '60 letterman. The halfbacks will be Kuhl and Bob Johnson.

Missing will be three-year lettermen ends Reg Carolan and Bill Hill; tackles Dave Putnam, Zeke Urko and John Desmond; guard John Nilsson; center Jim Decko; quarterbacks Rick Dobbins and Mike Mosolf; halfbacks Dick Monee and Gene Bates and fullbacks Gary Spray and Gene Marrow.

The Vandals are hoping to get help from non-lettermen Cary Smith, and Harrell Osborne, and end Bob Ruby, and halfback Wade Thomas, both of whom were injured and missed the entire '61 season.

At waters, a tackle from Ellensburg and Wenatchee JC is the only transfer on hand for spring ball.

Candidates up from the '61 frosh team include ends Carl Johnson, Lewis Kuzzyk, Vern Leyde, Ed Monahan, and Darrell Rich.

Frosh Tackle prospects are Bob Cutler, John Derne, Fred Fancher, George Johnson, Jim Keaton and Max Leetzow.

Guards up from the frosh include Harry Allison, Frank Duna bar, Dave Elder, Ray Rocha, and Jim Strong.

Centers vying for jobs will be Paul Lawrence, and Ron Bogue. Quarterback candidates are Joe Chapman, and Mike Whiles.

Halfbacks are Bill Graham, Clarence Kleber, Rich Naccarato, and Mickey Rice. Fullbacks are Ron Kessel and Dale Meyer.

Andros will have a look at another dozen candidates who have not played college ball, but will be given an opportunity during spring drills.

NAVY, MARINES HOST
A "very important meeting" will be held tonight at 7:30 in room 108, Navy Building for all students in the Marine Officer Program, PLC, OCC, NROTC, NESEP programs.

Huskies Here To Open ND; Stowe's .419 Tops Club Hitting

The baseball Vandals swung into Northern Division action Friday when they host the University of Washington Huskies at McLean Field.

The Vandals, hottest team in the Palouse, are currently 10-2-2 on the season and put together an eight-game winning streak during the spring vacation holidays.

Mike Stowe tops the Vandals stickman with a .419 average and leftfielder Bob Vervaeke is second at the plate with a .412 average. Southpaw Denny Grant is the top pitcher with a 3-0 mark.

The Vandals tangle with the Huskies in single games on Friday and Saturday. They then embark on a six-game road trip to Oregon, Oregon State, and Washington.

Get Hot

Idaho went into the spring vacation series with a 2-2-1 record and the Banana Belt title in their pockets. The Vandals then stomped through vacation week with an eight-game winning streak.

April 7, the Vandals crushed Whitman 28-5 and 18-2 in a doubleheader at Walla Walla. The following Monday Whitworth of Spokane fell 6-4 and 9-0 to the Vandals in a make-up game. The two teams were rained out at McLean Field, Friday, April 6.

Idaho hosted the Columbia Basin Hawks last Tuesday and nearly revenge a pair of defeats earlier this season in Pasco. The Vandal crew dumped the Hawks 15-10 in a slugfest, but tied the second game 1-1 as the game was called at 6:15 p.m. because of darkness.

Grand Slam

Little Gary Reibe, a 5-8, 150-pound third baseman from Lewiston, topped the Vandal sluggers with a grand slam homer.

The Vandals next pair of victories came at the expense of Eastern Washington College. Idaho beat the Cheney ball players 8-4 and 11-6 at Spokane last Friday.

Gonzaga's Zags dropped a 7-6 decision that went 13 innings to the Vandals on Saturday.

NO. TWO STICKER — Bob Vervaeke, veteran left fielder, is one of two Vandals hitting over the .400 marks. Mike Stowe, a third-baseman converted to first base, is leading the club with .419. Vervaeke is hitting .412. Idaho opens Northern Division play against Washington this weekend.

ATOs Win Weight Event; Spring Sports Begin Today

ATO is the champion of Idaho's newest intramural sport—weightlifting. ATO scored 100 points to edge a determined Chrisman Hall team. Chrisman finished with 97. To round out the rest of the top ten, the Fijis had 94 points, the Tekes 91, Lindley 88, SAE 81, the Deltas 81, Shoup 81, the Phi Deltas 71, and the Betas 71.

Individual finishers were as follows: 132 lbs: Dave Brown, Phi Delt, and Gary Tomita, Lindley, 650 pounds total weight; 148 lbs.: Terry Marshall, SAE, 800 pounds total weight; 165 lbs.: Ron Condon, Chrisman, 955 pounds total weight; 181 lbs.: Ron Solum, Shoup, 985 total weight; 198 lbs.: Mike Jordan, TKE, 1125 total weight; and 198 lbs. and up: John Desmond, TKE, 1180 total weight.

Softball action starts tomorrow. Making up League I are Sigma Nu, TKE, SAE, ATO, Sigma Chi, Kappa Sig, the Phi Deltas, and the Deltas. In League II are the Phi Taus, the Betas, Lambda Chi, Delta Sig, Delta Chi, Theta Chi, the Fijis, and FarmHouse.

Composing League III are SH-1, TMA-1, GH-1, CC-1, WSH-1, LH-1, CH-1, and UH-1. In League IV are SH-, TMA-2, GH-2, CC-2, WSH-2, CH-2, and UH-2.

This week's schedule runs as follows: Tuesday: Field 1, SN-TKE, Field 2, SAE-DTD, Field 3, ATO-PDT, Field 4, SC-KS, Field 5, PKT-BTP, Field 6, LCA-FH. Wednesday: Field 1, DSP-PGD, Field 2, DC-TC, Field 3, SH-TMA, Field 4, GH-UH, Field 5, CC-CH, Field 6, WSH-LH. Thursday: Field 1, SH-2 vs. TMA-2; Field 2, GH-2 vs. UH-2; Field 3, CC-2 vs. CH-2; Field 4, WSH-2 vs. LH-2; Field 5, SAE-ATO, Field 6, SN-PDT.

The intramural track meet will be held April 26 and 28. May 5 is the date of the golf meet, and horseshoes start next week.

Tennis Opens Against Gonzaga

Vandal tennis hopefuls go to the post for the first time this week when they meet Gonzaga in Spokane on April 18 and host Whitworth on April 20.

Coach Bill Logan, local tennis buff will be coaching the Vandals this season. His staff includes four lettermen and a pair of rookies. Top racket swingers are John Ferraris from Lewiston and Howard Sealey from Pocatello.

Jim Herndon's On The Bench

"On the Bench" has been relaunched and will replace "Backboard Banter" for the remainder of the year. Neil Modie, author of "Backboard Banter", contrary to the popular rumor, wasn't run out of town — he just couldn't think of a name that would go with spring sports, so he turned the space over to this columnist.

DEE ANDROS GETS FIRST LOOK

Coach Dee Andros gets off the recruiting and banquet merry-go-round to direct spring workouts these next two weeks. Andros, for the past month, has been speaking before Booster groups in Lewiston, Spokane and Boise to name but a few.

This afternoon the newly-appointed Idaho coach gets his first look at the 1962 version of the Vandals. A group of 19 lettermen form the nucleus of the 65 hopefuls who have turned out. The group ranges from such well-known two-year lettermen as Ron Kuhl and Bob Ames down to untried sophomores who skipped frosh ball last season.

From this squad Andros expects to field a team that will win "possibly four games" in next fall's nine-game schedule.

VANDALS IN GOOD SHAPE FOR ND

Last year the Vandals entered Northern Division action with a 9-5 record (they won a pair from Eastern Washington during the season to post an 11-5 non-conference mark). This season the Vandals are riding high at a 10-2-2 clip. Comparisons aren't always valid but it is interesting to note the difference in hitting between this year's Vandals and last season's club.

Ron Zwittler and Ted Knivila led the Idaho stickers on the 1961 club at this time last year. Knivila was out in front with a .423 average. Zwittler was hitting .368. Only two other Vandals were over the .300 mark. Cliff Trout had .308 and Terry Boesel had an even .300. During the regular season all of the averages took a dip except Boesel's, who came on to be one of the Northern Division's leading hitters at .333. This season two Vandals, Mike Stowe and Bob Vervaeke, are over .400 and several others are hitting better than .300. Stowe is hitting .419 and Vervaeke .412.

TRACKSTERS NAME CAPTAINS

John Pasley and Dick Douglas, both veteran cindermen, have been named co-captains of the Vandal track team.

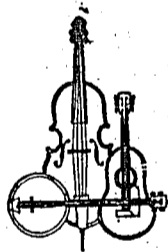

Pasley, a senior from Caldwell, is a sprinter and a member of the Vandals' record-holding mile relay team. Douglas, a junior from Vancouver, B. C., has run the fastest mile ever recorded in the Far West Relays.

World standard of compact car excellence

Douglas Stars At Seattle; Thinclads At Pullman Next

Crack Idaho miler Dick Douglas romped home with Idaho's sole first place last weekend as the Vandals prepared for Saturday's meet with traditional rival Washington State. Oregon State joins WSU in the triangular meet at Pullman.

Douglas romped home for the lone win just six-tenths of a second ahead of Washington's Larry Sterovich in the triangular meet in Seattle which pitted the Vandals against defending NCAA title winner Southern California and powerful Washington.

The Vandals came out on the bottom of the meet heap, picking up 21 points in the triangular action, as against Washington's 36 and USC's 104. Washington came out ahead in a dual meet with the Vandals, by a 67-56 edge.

Douglas picked up the only first place not copped, or shared by the Trojans from California, with Washington's ace pole vaulter, John Cramer, tied by USC's Mel Hein at 15 feet.

The two-mile, long an Idaho property, went to USC's Julio Marin with a solid 9:18.1 clocking. Paul Henden came in second for the Vandals fourteen seconds back.

The Idaho mile relay team, best in Moscow in the Vandals' history, came up with a 3:22.7 clocking, but fell short of USC's talented relay crew, who logged a 3:18.4 time. The Vandal squad, made up of Bob Johnson, Nick Carnefix, Curt Flisher and John Pasley has already cracked the former Idaho record for the mile relay.

Dick Bornerman added Idaho's lone third place in the 880, clipping off a 1:57.6 time. The winning clocking was 1:53.2 by USC's Warren Farlow. Douglas followed Bornerman in with a 1:57.8 time.

Reg Carolan picked up a pair of fourth spots, getting off a 52-3½ throw in the shot put and a 144-3 toss in the discus. The Trojans' fabulous Dallas Long took first in the shot with a 62-2 effort.

Duane Maynard of Idaho soared 5-10 for another fourth place, this in the high jump won at 6-4 by a pair of USC jumpers, and Flisher

pulled out a fourth place in the quarter-mile with a 50.1 time. Ed Jacoby, injured last spring, picked up another Idaho fourth place in the broadjump with a 21-6 leap and Pete Luttrupp took a Vandal fourth in the high hurdles with a 15.8 time.

Relay runner Johnson added the only other Idaho points with a fourth in the 220, picking up a 22.6 time, some eight tenths of a second off the winning USC effort.

Outfielders include Dale Jenkins, Douglass, Alaska; Don Sowar, Coldwater, Ohio; Pat Gallagher, Bijou, Calif.; Andy Sorenson, Lexington, Mass.; Larry Strom, West Covina, Calif.; and Bennie Blick, Castleford.

According to Trout, the frosh have been holding drills since two weeks before spring vacation and had a week's layoff. Trout said, "We've got to get back into shape."

Trout said the team is looking fair but added, "they have got a lot of work to do. We will work hard all week." His charges will scrimmage the varsity today.

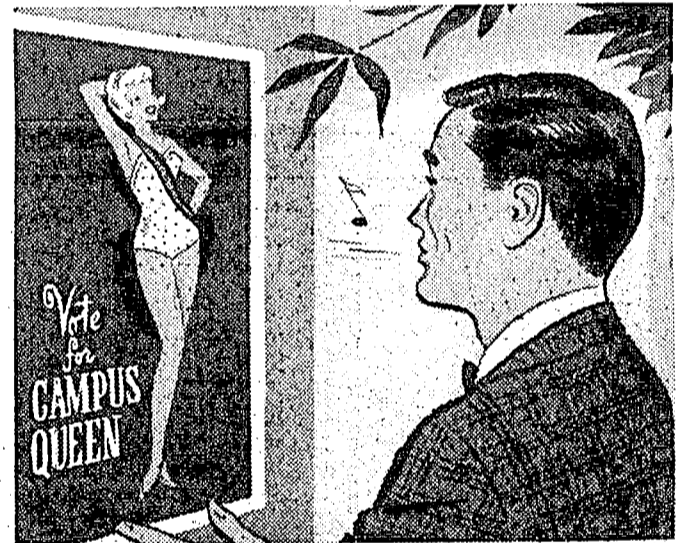

The frosh team currently is without a manager. Anyone wanting the post should contact either Trout or varsity mentor Wayne Anderson.
