ROTC Ruling Is Considered

**By Larry Roby
Argonaut News Editor**
A joint Army-Air Force proposal now before the U. S. Congress could possibly eliminate freshman and sophomore compulsory Reserve Officers Training Corps programs at colleges across the nation.
But according to H. Walter Steffens, academic vice president of the University, "we will continue with our regular program at the University for at least the next year (1962-1963)."

Sophomores Start Foreign Buddy Project

A foreign buddy program has been initiated by the sophomore class to better acquaint new foreign students with the University.
Mrs. Charmaine Fitzgerald, SUB program director, informed interested students of a similar program at the University of Illinois.
Bill Frates, sophomore class president, and other interested persons drew up the buddy program from the foreign student program at Illinois and additions and suggestions from Idaho students.
Each sophomore interested in the program will fill out a questionnaire. The sophomore applicant will be matched as closely as possible with the foreign student. As soon as the name has been matched, the sophomore will be notified and may begin corresponding with the new foreign student.
The sophomore may use his own discretion in what to say to the foreign student, Frates said. There are many things about the University that official material cannot tell him, and the sophomore buddy is expected to supply this information.
When the plan was presented to Sophomore Extended Board, Frates said it passed with more than majority approval. "But only 11 sophomores have returned their application blanks," he said.
The questionnaires may be obtained from the Sophomore Extended Board representatives in the individual living groups.
Sophomores may return questionnaires to sophomore class officers: Gary Ott, Farm House; and Zoe Anderson, Tri-Delta.

Seniors To Give Names For Gems

Graduating seniors and all students who do not plan to return next fall and who want to receive their "Gem of the Mountains" are requested to turn in their names and addresses at the ASUI offices in the Student Union Building.
The fee for handling and mailing costs is 50 cents.

Scholarship Basis

Even though this new program, which would be established on a scholarship basis, were passed by the Congress, it does not necessarily mean that the University will adopt the program, Steffens said. Steffens also noted that the entire program "is projected far into the future, and we (University officials) will sit and wait until some program is enacted."

Mixed Opinion

Mixed opinion on the amendment to the present ROTC law came from the three heads of ROTC departments on the campus.
Col. John B. Pattison, professor of Air Science, thinks the program, if adopted, "is a very fine one."
"It would give us (Air Force) a much broader base on which to select officers," he said. "Under the proposal we could accomplish officer production much more efficiently."
The Air Force head considers the scholarship feature "one of the best" (Continued Page 4, Column 4)

Students' One-Act Plays To Be Seen

Three one-act plays written by University students will be presented May 17 and 18 at the University Hut.
They are: "The Meeting" by Vicki Siebert and directed by Linda Ensign; "The Triumph of Reason" written by Hannes Altman and directed by Darwin Afdahl; "The Hill" by Linda Kinney and directed by Angie Arrien.

ROYAL CAPE . . . Sharon Stroschein, left, and Julie Severn, right, fit the traditional queen's cape on retiring AWS president LaDessa Rogers, who will reign as Queen of the May at the Fifty-Third Annual May Fete Saturday afternoon. Miss Stroschein will be Maid of Honor and Miss Severn will be page for the coronation.

Seniors Must Obtain Tickets

"Graduating students wishing commencement tickets for their parents and desiring to have invitations to the tea sent to the parents should take necessary action immediately," said Dean David D. Kendrick, chairman of the commencement committee.
"Tickets have been available at the Student Book Store for a week, but relatively few students have claimed them. So that we can make plans for seating in the crowded gymnasium, we will have to establish a terminal date shortly for picking up the tickets."
Dean Kendrick added that arrangements had been made for students to list names and addresses of parents to whom invitations are to be sent for the tea honoring them. Forms are available at the Student Book Store, ASUI offices in the Student Union, and Publications office in the Administrative Offices building.

Panel To Be Held On Education With Silver Lance As Sponsor

A panel discussion on the "Obligations and Responsibilities of Idaho to Higher Education," will be held tomorrow morning in the Music Building auditorium. The panel will consist of University faculty members.
The panel, similar to the one staged last Dads' Day, will be sponsored by Silver Lance, senior men's honorary. Panel members will include Dr. Donald Marshall, Dean of the College of Agriculture; Dr. John Green, associate professor of education; Dr. R. A. Postweiler, associate professor of economics; and Dr. Boyd Martin, Dean of the College of Letters and Science. Ken Dick, University financial vice president will moderate the panel.
Each panelist will give an eight-minute address. Following this, the panel will be open to questions from the audience. The

53rd Annual May Fete Is Tomorrow; Will Begin At 2 p.m. In Gymnasium

LaDessa Rogers, retiring AWS President, will ascend her throne in the Memorial Gymnasium tomorrow at 2 p.m. to officially open the Fifty-Third Annual May Fete.

Orchestras, Pre-Orch., Helldivers Prepare Programs For Moms

After weeks of preparation Orchestras and Pre-Orchestras, University dancing groups, and Helldivers, swimming group, are ready for their annual Mothers' Day spring reviews this weekend.
Helldivers will perform tonight at 7 p.m. and tomorrow at 7:30 and 9 p.m. in the Memorial Gymnasium swimming pool; and Orchestras and Pre-Orchestras will perform tomorrow only at 7:30 and 9 p.m. in the University Auditorium.
At least 40 students will participate in the Orchestras show, "Rhythm On The Move." Advisor for the group is Miss Gaydena Brown, assistant professor of women's physical education.
Tickets for the show are 35 cents for students with ASUI cards and 50 cents for adults, and may be purchased at the door.
The group will open its show with "Technique of Movement," an insight into modern dance, performed by Orchestras. Members of the advanced dance class will then present "Rhythm in Space," a rhythm note study.
Other numbers include "Southern Accent" with Peggy Brown, Anita Cox, Ann Frahm, Karyl Lambeth, and Judy Stickney; and "Potpourri of South East Asia" with Dorce Baldrige, Mickey Pierce, and Mary Jo Powers.
Also on the program will be "Conflict: Evil vs. Good," with Kathy Baxter, Gayle Kraemer, Kathie Hostetter, Joan Rumpelmer, Darlene Osborn, and Susie Davis; and "The Web Within" with Donna Albin, Judy Frey, Bobbie Tapper, Mary Jo Powers, and Jeanette Zimmerman. The latter number will use elastic as part of the staging.
Other numbers to be included "Meanwhile Back At The Ranch," a comedy of cowboys with Dorce Baldrige, Jeanie Bryer, Anita Cox, Ann Frahm, Bobbie Tapper, and Larry Shupe; and "Yellow, The Laughter," with Jerry Cragg, Sylvia Herlin, Mardee McCullen, Marilyn Wallace and Jackie Stone.
"Blues in the Night," a movement in couple dancing will star Jeanie Bryer, Mickey Pierce, Laurence Byrne, Coy Jemmett, and Larry Shupe.

Political Group Sets Registration

The Vandals for Hansen committee will sponsor two absentee ballot registration services next week in the Student Union Building lobby.
According to Skip French, president of the campus organization supporting Orval Hansen for the second district congressional seat, this absentee service will provide students with an opportunity to register and vote in their home counties.
A notary public will be present to officially stamp the absentee ballot requests for the students.

Song Fest To Start At 8:30 Tonight; Eight Groups Compete

A revitalized Song Fest is scheduled to start tonight at 8:30 in the Memorial Gymnasium when eight vocal renditions will compete for trophies in three divisions.
Sponsored this year by the Spurs, sophomore women's honorary, the Song Fest was abandoned last year for lack of sponsorship. It will include single men's single women's and mixed divisions.
Judges for the vocal selections will be Professor Norman Logan, Charles Walton, and Phillip Coffman all of the Music Dept. Trophies will be awarded to the winners in each division.
Competing in the single women's division will be Kappa Alpha Theta singing "Camelot" and Foxy Hall singing "Bluebird of Happiness." They were chosen from a field of four living groups.
In the men's division, Beta Theta Pi will be singing the "Whiffenpoof Song" while Willis Sweet Hall is scheduled to sing "Rock-A-Ma-Soul." These two living groups were unopposed in the elimination trials held last week.
The mixed divisions finds FarmHouse and Alpha Gamma Delta vocalizing in "Afterglow," Pi Beta Phi and Sigma Alpha Epsilon singing a medley from "Carousel," Kappa Kappa Gamma and Phi Gamma Delta will pour forth "Shoo Fly Pie, An Apple Pan Dowdy," and Alpha Phi and Delta Tau Delta will harmonize in "Tom Big Bee River."
These four contestants were chosen from a field of seven living groups. After the winners are named, they will vocalize in one common song, according to Nancy Yount, Spur president.
No admission will be charged for the event.

THE GOLDEN FLEECE by Jason

Dads have their day in the fall, and mothers have their day, or days I should say, this weekend. Certainly Dad's Day on the campus last fall was one of the most successful held and I believe that every dad had a really enjoyable weekend. Now, about the May Fete weekend and mothers.

If being busy makes for an enjoyable weekend, then the mothers will be very happy. Starting this evening until sometime Sunday, practically every moment is taken up with an event or activity, aimed directly or indirectly at the mothers.

I sincerely hope that every mother will have a good time and I want to welcome them to the University on behalf of the Argonaut.

Apathy with a capital A has always plagued this campus as far as student attendance is concerned at University activities. As witnessed by the poor attendance at the football clinic last weekend, students just don't seem to care about attending even if it is publicized widely.

However, a very good argument can be sustained for those students who study during these activities and thus fail to attend. No one, in his right mind, will debate with a person that going to activities is better than studying, if you need it.

The other side is equally as strong, though, since most of the people who work behind the scenes of these activities are maintaining decent grade points. This type of work is double, triple the time it takes to watch these activities since most of them only last an hour or two.

If this small amount of time is going to affect greatly your grades, then definitely stay away from these events. But, if an hour or two of time is spent in a "gab" session or drinking coffee at the SUB it would be beneficial for you to attend. I'm referring to this weekend's May Fete and connected events.

Let's show the mothers that we are at least proud of our school by attending one or two of the activities. Most of the presentations to be given this week will be well worth your time and effort to attend.

Six Students Are Disenrolled From University By Council

Six students have been recently disenrolled from the University by the Administration Council. The Chrisman Hall men were sophomores who had been readmitted on probation this year after failing to meet scholastic requirements last year.

About four months ago these students, who called themselves the "Touchables," began disrupting the hall activities and not attending classes. According to Charles O. Decker, dean of students, the men had given up trying to meet scholastic requirements and had been "involved in a number of poor citizenship incidents."

"Unsavory Tubbing" According to Dean Decker, some of these incidents included general rowdiness, giving the hall president a "rather unsavory tubbing"—rolling him in manure—for trying to control the group. They forcibly took one student from the hall on a 35-mile ride when the student was trying to work on a term paper.

Jan Istad, Chrisman Hall president, said that after a fight in the lounge involving between 10 and 15 students, the hall executive board placed them on probation. Their action came to the attention of the administration when they ceased attending classes. Before the board took action on the group, some of the students withdrew voluntarily, according to Dean Decker, apparently because they realized that the Council was going to take some action against them.

Two members of the group were "in respectable situations academically," and were put on informal probation instead of being disenrolled, according to Dean Decker.

If these students should want to be reinstated, it would require petitioning the Administration Council. "After the second disqualification a student may be readmitted only by petition to and favorable action by the Administration Council," section M, number 6 of the University Bulletin.

The Administration Council is composed of President Theophilus, the nine academic deans, the two vice-presidents, the dean of students and the registrar.

No Groups Similar Dean Decker said there has been no group pattern similar to this in other halls in the past, but that the Administration Council has asked students to leave because of academic record and a lack of cooperation at other times.

With the larger enrollment anticipated for next fall, Dean Decker said, "My guess is that it is going to be more difficult for those who do not fulfill their responsibilities, both academically and as campus citizens, to stay."

H. Walter Steffens, academic vice-president of the University, expressed the view that as the enrollment goes up, there will be no more student drop-outs proportionately than there are now. He said that the problem of space might require that the out-of-state student requirements be raised.

Blue Key Elects Chapman Prexy; Taps Seven Juniors

Clarence Chapman, a junior majoring in business, was elected president of Blue Key, upperclassmen's honorary, for next year in an election held Tuesday evening. He succeeds Duane Allred as the honorary's president.

Other newly elected officers for 1962-63 elected that evening were vice-president, Jerry Okeson, a chemical engineering major who replaces Bob Brown. Bill Hobby, a mechanical engineer, was named secretary - treasurer replacing Vaughan Estrick.

Bill Martin, also a mechanical engineer, won the corresponding secretary position and succeeds Dick Neilson.

Wednesday evening the upperclassmen's service organization tapped seven juniors in their annual spring tapping of eligible junior men.

Those selected by Blue Key are:

Marvin Heilesen, off-campus; Ron Houghalini, Delta Sig; Cliff Eldred, Sigma Chi; Fred Warren, Sigma Nu; Jim Herndon, off-campus; Neil Modie, Beta; and Ron Kulm, Delta.

There were approximately 25 applications for membership in the organization. Blue Key taps twice a year, the larger number of nominees in the fall and then the spring tapping.

Initiation this year will be held as soon as keys are received, according to Allred. The initiation is usually held after the Christmas vacation, but the national organization has failed to send the keys because of difficulties encountered, they said.

The annual steak fry held jointly with the Mortar Board, senior women's honorary, was discussed and the members okayed a May 26 date for the event if agreeable to Mortar Board.

HERE'S MORE ABOUT — Orchesis

The finale, "Onward for Dixie" will feature Mary Jo Powers and Larry Shupe.

The theme of the three Helldivers swimming pageants will be "Follow the Sun." The 44 members taking part will swim to the music of different countries. Each hour-long show will feature ten numbers ranging in size from two performers to the full cast.

Countries represented in music will be the Samoan Islands, Scotland, Austria, Saudi Arabia, France, Italy, Spain the Caribbean, Canada and the United States.

The Samoan number will be a duet by Everett Svendsen and Carolyn Corlett. Nona Kay Shern and Randy Hillier will swim the lead parts in the Spanish number.

Directors of the pageant are Svendsen, Linda Engle and Judy Libby. Admission is 50 cents.

Initiation, Election Held By Honorary

Pi Gamma Mu, social science honorary, held initiation for Carol Ann Plummer, April 24 at the Moscow Hotel.

New officers elected were: James Morfitt, president; Burton Hunter, vice-president; Carol Ann Plummer, secretary; and Dr. Edward Moore, chapter advisor.

Dear Jason! 'Judge And Jury Duties' Criticized

Dear Jason, "Another revitalized function will be offered this weekend. It is the Songfest, or something like the old Songfest. Sponsored by the Spurs it looks like this former "fiasco" will be given a chance to redeem itself.

"I hope, for the mothers' sake, that it will go off well and if not, someone should bury it for good." This cute little quotation is taken from Tuesday's Golden Fleece. I must say that these are very encouraging words with which to commend the Spurs on their fine work with the renewed Songfest.

This organization voluntarily undertook to sponsor the Songfest because it was felt that it was a worthwhile activity. This is backed up by the living groups who have participated.

This so-called "fiasco" received more praise from the maternal audience two years ago than did any other single activity of the Mothers' Day Weekend.

For once in the school year the students at large are given the opportunity to enjoy and appreciate good music by actually doing it themselves. Then it is presented to the mothers of these students who, to my knowledge, have always enjoyed it.

I for one appreciate the work done by Nancy Yount, Julie Sevorn, and the rest of the Spurs in connection with the Songfest. It seems as if editors of school papers could use a little more of their thinking capacity and find better words to describe an activity as worthwhile as the Songfest — an activity which requires more collective preparation than any other.

If Jason could take time off from his "judge and jury" duties and attend the Songfest Friday night, he might be surprised at the work of the various living groups and the organization of the Spurs.

Idaho ROTC Drill Team Plans Meet

The Army ROTC Drill Team will host the annual Inland Empire Drill Team competition Saturday at 1:30 p.m. in the University field house.

Drill teams from Central Washington State College, Eastern Washington State College, Gonzaga University, Washington State University and Idaho will compete.

Mothers Too

This weekend as parents are on the campus they will have an opportunity to hear University faculty speak on a very timely topic, "The Obligations and Responsibility of Idaho for Higher Education."

Though it is not known exactly what opinions will be expressed in tomorrow's panel, the topic is one that should be of interest to parents of University students.

Anyone taking a tour of our campus can readily see that, while the facilities in some areas are quite adequate and modern, there is a need yet for improvements and additions if the University is going to continue to improve and grow.

Being a state institution supported by state funds, every tax payer has a vested interest in the campus. The above mentioned need is part of the responsibility of Idaho's citizens.

There is a need for support from students' parents not only financially but in a great many other areas. A great deal of the recruiting of students to attend the University is done by the present students themselves. Often, especially in Southern Idaho, the students run into opposition from parents of prospective students who are not fully informed on what the University has to offer. They have made judgments based on rumor. Parents of stu-

dents could do a great deal to remedy this situation through the various organizations to which they belong, such as PTA, etc.

There is also a need for a better means of communications with the high schools of the state. PTA and other organizations could do a great deal of good in this area also.

Of course there is a perennial need for money, but this is a complex situation that is not easily remedied. The funds to provide what is needed on campus in the way of classrooms and other facilities amounts to a staggering sum. The legislature determines the appropriation each year and they only have so much money to work with. It seems probable that a change in Idaho's tax structure will occur within the next year and this will probably help the situation somewhat.

It is hoped that weekends such as this one will help parents and people of the state to realize what is here and what needs to be done to make their University a better school. They have a right to be proud of the good schools and the amount of education that can be achieved for the relatively small amount of money. But as stated before, there is much to be done.

Phi Beta Kappa To Initiate 19 Scholars

Thirteen seniors and six juniors at the University of Idaho will be initiated into Phi Beta Kappa scholastic honorary at 6 p.m. Monday in the Student Union. The initiation time has been changed from 7 p.m. The banquet will be held at 7 p.m.

Addressing the group will be William F. Johnston, managing editor of the Lewiston Morning Tribune. His topic will be the "Role of the Press in a Democracy."

Senior initiates include Robert Scott, Peggy Phillips, Miriam Kissler, Roberta Bancroft Sharp, Carl Winterstein, Nancy Alcorn, Barbara Brooks, John Toevs, Jr., Chris Hauff, David Polage, Carolyn Frizzelle Bond, Charlene McFarland, and Myrna Harder. Juniors named were Marvin Heilesen, Jack DeBaun, Idora Moore, Darrell Turnidge, Charles Robertson and Nancy Vosika.

ANTICIPATED ENROLLMENT An enrollment of 7,500 collegiate level resident students within the next two decades is expected at the University of Idaho.

85 FULL PROFESSORS There are 85 full professors with service at the University ranging from less than a year to 37 years.

Career Cues: "An interest in student activities can pay you dividends later on!"

Gibson F. Dailey, Asst. to the President
George A. Fuller Company

"Extracurricular activities never really interested me... architecture and construction always did. It's a paradox, though, because as it turned out student activities gave me a big jump on my career in construction.

"Studies educated me. But college activities provided the confidence I needed to approach the business world. Looking back, it was these activities that really gave me

my first knowledge of people, administration, leadership. "Working for the college newspaper, fun magazine, and engineering bulletin taught me writing—a gift I use today in the promotion and getting of new business. Student Council brought the chance to work with other men—a daily occurrence now. Penn's theatrical group and engineering shows helped me relax in front of an audience then—and help me find my voice when I'm talking to large groups now.

"True, today's heavy college curriculum doesn't allow much time for activities. There wasn't much time for them in my day either. I burned a lot of midnight oil on architectural studies, but difficult as they were I still found time for student activities.—I'm mighty happy that I did.

"If you have time during the rest of your years in school to take an interest in activities—do it! It's certain to pay big dividends in an inspiring future in the business of your choice."

ATO Pledges Do Repairs At Lapwai Children's Home

By BRIDGET BEGLAN Argonaut Women's Editor Acting as foreman of the ATO "Help Week" project, Garth Elmers, pledge trainer, took new initiatives to St. Joseph's Children's Home in Lapwai last week.

General repairs were done around the home, but the real "help" was romping with the children in the yard.

SOPHOMORE IS "GIRL OF MONTH" In a recent house meeting, Barbara Buck, French House sophomore, was unanimously elected "Girl of the Month" for her services to the house.

French House became an "Island in the Sun" at its spring dance Saturday night. KOFE disc jockies played their favorite tunes for the evening. Refreshments were served from a grass hut.

Patrons and patronesses were Mrs. Martha Braun, housemother; Mr. and Mrs. Kelvin Roberts, and Mr. and Mrs. James Defenbach. Special guests included Mrs. Harriet Cummerford, Forney Hall housemother.

Pat Mielke was recently elected culture chairman.

PI PHIS ELECT PI Phi officers elected last week are president, Barb Blair; vice-president, Judy Ellsworth; recording secretary, Susan Arms; corresponding secretary, Karen Petersen; scholarship chairman, Nadine Naslund; treasurer, Carolyn Vest; standards chairman, Bev Arehart; social chairman, Barb Harrison; house manager, Sallie Galloway; pledge trainer, Sue Stewart; song leader, Ann Smith; and historian, Rita Smith.

"Le Petit Rendez-vous," the initiation dance, was held Friday night. The theme was carried out in pink and white decorations and balloon-covered canopy adorned the living room entrance.

A "go to church together" idea was carried out last Sunday when all the Pi Phis arose early to attend Methodist Church services in Moscow.

MANY SERENADES "Serenade" has been the usual cry around Ethel Steel House during the last week. The Tekes sang in honor of Cathy Barr; the Phi Deltas presented a turtle, and the Spurs sang to honor freshmen women.

Recent dinner guests have been Joy Esser, Upham; Claudia Anderson and Marsha Newkirk, Moscow; Malcolm Freund, nd Larry Shoemaker, Portland; Tom Peutz and Pete Lattig, Payette; Mr. and Mrs. E. J. Branson, Spokane; and Ron Daly, Campus Club.

SENIOR BANQUET HELD Gamma Phi seniors were honored at a banquet Sunday. The Senior will was read, and awards were given to seniors with outstanding scholastic achievements. Crested

leather books ends were presented to each senior.

The pledges took their turn at playing the "member role" during "Turn-Around-Day" yesterday.

Weekend guests were Bekki Houe and Pat Moreman, Clarkston; and Jeanne Blood, Janet Fisher and Sharon Swenson, Potlatch.

Wednesday dinner guests were Phil Hanel and Bruce Green, Phi Deltas; Bonnie Scott, Alpha Gam; the Bart Harwood, ATO.

Carol Evans returned Monday from student teaching in Boise.

100 COUPLES ATTEND FORMAL Approximately 100 couples attended Upham's spring formal, "Bali Hai" Saturday night. Couples danced to light music of the Templeton Quintet in a cozy South Sea atmosphere. Capturing the center of attraction was the orchid tree bearing 3,000 orchids.

Plans are being made for the hall picnic next week.

HAS FIRESIDE Forney Hall held a "come as you are" fireside Wednesday evening. The atmosphere was casual and informal. Refreshments were served.

Lana Alton, retiring "Girl of the Month" yielded her position to Reva Jones and Judy Sinclair who will have the honor for May.

Final plans are being made for a semi-formal dinner-dance May 19.

HOLD FIRST FORMAL McConnell coeds held their first annual spring formal last Friday

night. The theme, "Oriental Gardens," was carried out with a shell fountain, oriental plants, umbrellas, Chinese lanterns and a bamboo hut from which refreshments were served.

Chaperones were Mrs. Louise Hansen, housemother; Mr. and Mrs. Clifford Dobler, Mr. and Mrs. Todd Mitchell, and Mr. and Mrs. Willard Wilson.

THETAS AROUSE FRIENDS Sleepy Thetas scampered across campus early Saturday morning to arouse pajama-clad friends for the annual Kidnap Breakfast.

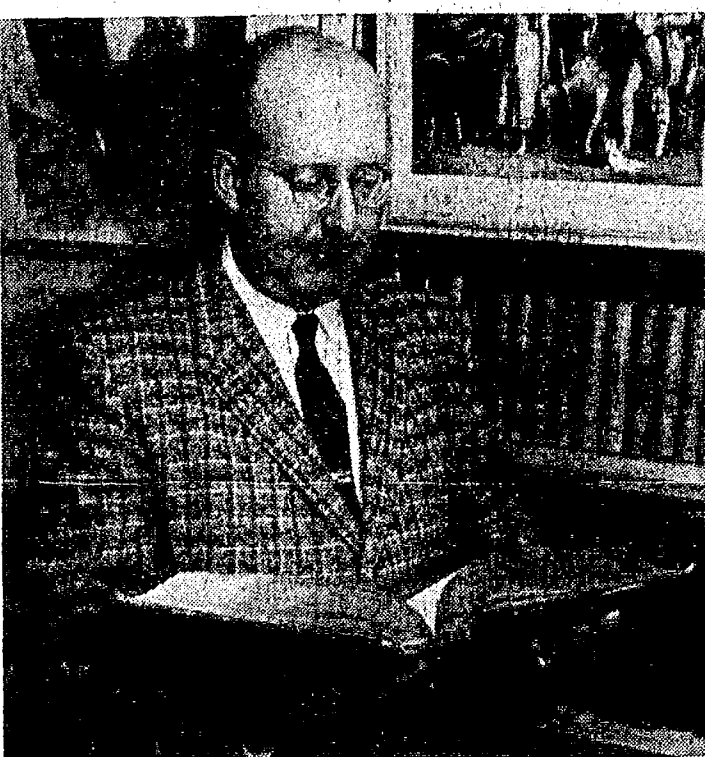

Retreating to the country with housemother, Mrs. Ella Shaw, hashers, and overflowing food baskets, the chapter held a picnic Sunday. Big and little sisters entered into kite-flying competition with only a few mishaps.

Sharing the "Pansy Girl of the Month" bracelet this month are Judy Bonnell and Sherry McGuire. Seniors presented legacy gifts to the house at a recent fireside. Judy Bonnell received the infamous Rat Trap.

Recent dinner guests include Mr. and Mrs. Fiefield and family, Pullman; SAE pledges; Bill Bowes, SAE; and Tom Eisenbarth, Willis Sweet.

SIGMA NUS HAVE GUESTS Recent guests at the Sigma Nu House have been Bob Pene and Dave McClusky, Twin Falls; Don Porter, Blackfoot; and Dick Cummings, Seattle.

Prof. Presents Books

RARE BOOKS . . . One of the world's outstanding collections of the books by and about Sir Walter Scott has been presented to the University of Idaho Library by Earl Larrison, associate professor of zoology, shown looking over a rare volume. The print on the right is also a rarity, one of a half-dozen made of Scott and his family on an outing.

Earl Larrison Gives Library Collection Of Books By Scott

One of the most extensive collections of books of Sir Walter Scott in the world has been presented to the University library by Earl J. Larrison, associate professor of zoology.

The Scott collection, consisting of more than 500 volumes by or about the English writer collected by Professor Larrison, will be housed in the special collections section of the library. Use of the rare materials will be restricted to scholars and other authorized persons.

The professor presented the gift in order to facilitate its use by Scott scholars and to have it housed in a fireproof building. He also admits he can also use the space in his overflowing book shelves in his small bachelor apartment.

Collecting books is simply a hobby for the zoologist who has written a number of books himself.

Scott's Works Rank Third "Scott's works, which rank third behind the Bible and Shakespeare in being translated into foreign languages, have slipped out of vogue in recent years," said Larrison. "The resulting price drop on Scott books has given someone like myself an opportunity to form a collection."

The professor feels the pendulum will swing back again and the books will become popular in 1971, the 200th anniversary of Scott's birth.

Oddly, the spark which grew into the collection came alive in a U. S. Forest Service lookout atop Mt. Pilchuck near Everett, Wash.

"I spent a summer at the lookout," recalled Larrison. "All of our gear had to be packed in. A friend loaned me some of his smaller and easier to pack books, and among them was a condensed volume on Scott's life."

Home From Lookout Home again from the lookout, Larrison tried to buy books writ-

GREENSTREET-BROWN Doris Anne Greenstreet, Theta, announced her engagement and forthcoming June 16th wedding to Charles Brown, Mountain Home, at a recent senior fireside. He is a graduate of Iowa State University and holds a law degree from George Washington University.

PINNINGS ANDERSON-FREUND A white candle which was entwined with pink carnations and ivy and held a Zeta Chi pin kept everyone at Ethel Steel guessing until it was claimed by Dwen Anderson who announced her pinning to Malcolm Freund, Portland.

ELLSWORTH-CUNNINGHAM The senior dinner at the Pi Phi house was the setting for the announcement of Judy Ellsworth's pinning to Rich Cunningham, ATO. A white twisted candle entwined with small pink roses and ivy was claimed by Miss Ellsworth.

JONES-GALE A note, preceded by a skit, was read by Nancy Hewitt at the DG house Thursday night to announce the pinning of Hansi Jones to Tony Gale, Sigma Nu. A June wedding is planned.

ABEL-LOGAN Patti Christianson surprised McConnell Hall Monday afternoon at a house meeting when she announced the pinning of Kathy Abel to Dick Logan of Gault. A white candle entwined with baby mums was passed.

Open House Set By CCC, LDS

Campus religious organizations will hold open house this weekend for visiting mothers at the Campus Christian Center, and the LDS Institute.

Disciple Student Fellowship The Disciple Student Fellowship will meet at the Christian Church at 5 p.m. Sunday, and will go to the city park for a picnic. Topic of the evening is "Pause, Ponder, and Participate." There will be reports from the spring retreat.

Bresee Fellowship The last in the series, "This Holy Estate," will be the study in the collegians Sunday school class. There will not be a Sunday night meeting this week.

Lambda Delta Sigma A Mother's Day luncheon will be held Saturday at the Institute at 11:45 a.m. There will be a program and a one-dollar charge. Ann Baum will sing and Cora Wood will give a reading.

Unitarian Clint Grimes, executive secretary of the Borah Foundation, will deliver a talk on "International Affairs and the Rural Public," Sunday morning to the Unitarian Fellowship.

Ethel Steel House Will Honor Mrs. Ethel Steel

Students at the Ethel Steel House, women's dormitory at the University of Idaho, will hold open house from 4 to 5 p.m. Saturday honoring Mrs. Ethel Steel, Parma, the former regiment for whom the house is named.

"Friends are invited to visit with Mrs. Steel on her return to the campus," said Mrs. Gladys Rutherford, housemother. Mrs. Steel was last here at the dedication of the dormitory, at which time she presented a silver tea service to the house.

National, State Labor Leaders To Speak On Unemployment

CCH Elects; Gets A New Name

Members of Citizenship Clearing House met Thursday afternoon and changed the name of the organization to the Idaho Center for Education in Politics.

Gordon Powers, outgoing president, said that the national organization changed its name to National Center for Education in Politics early this spring.

The University organization changed its name because, according to Powers, "there was a misunderstanding of the purposes of the club, in connection with the old name. Our new name gives an immediate idea of our aims."

The national organization is aided by funds from the Ford Foundation for the purpose of sponsoring by-partisan education in politics. The Ford Foundation also helped provide funds for Dr. Robert Huckshorn's scholarship to work on the Republican National Committee in Washington, D. C., this fall.

This summer the University organization will sponsor two student apprenticeships to work with the Republican and Democratic State Party Headquarters in Boise. Two \$200 scholarships are available to one Democrat and one Republican University student. The organization contributes \$100 for each scholarship, while the Democrats and Republicans each contribute \$100.

Officers elected at the meeting include Karen Smith, president; Bob McFarland, vice-president; and Don Howard, secretary.

Master Points

The Duplicate Bridge club will be playing for master points Saturday at the SUB at 1:30 p.m., according to Duff McKee.

Joint Banquet Will Be Given By Honoraries

Phi Eta Sigma and Alpha Lambda Delta, freshmen men's and women's scholastic honoraries, will hold a joint initiation and banquet tomorrow at 6 p.m. in the Student Union Central Ballroom.

The banquet will honor the new initiates, whose parents have been invited to attend. University President D. R. Theophilus will be the principal speaker. Also invited have been the deans of all colleges of the University which are concerned with freshman courses.

Phi Eta Sigma will initiate 14 men, and Alpha Lambda Delta will initiate 26 women who have achieved a 3.5 grade point or above. Parents of the initiates will be able to witness the ceremony. Officers Elected

Both groups have recently elected officers. Joe Murphy heads Phi Eta Sigma and Penny Parberry is president of Alpha Lambda Delta.

Other Alpha Lambda Delta officers are Julie Gibb, vice president; Angela Sherbenou, secretary; Jan Rieman, treasurer; and Linda Olson, historian.

Phi Eta Sigma officers are John Read, vice president; James Macki, secretary; Jimmy Olson, treasurer; and Darwin Ellis, historian.

MOTHER'S DAY

Mother's Day is May 13, did you know it?

Rising unemployment insurance costs will be the topic of a one-day seminar to be held May 22 at the University. Speakers will be national and state leaders of management and labor. The seminar, sponsored by the University College of Business Administration, will be held in the Student Union Building. Sessions are open to the public.

Addresses will be given by Ewan Clague, commissioner of the U. S. Bureau of Labor Statistics, Washington, D. C.; Jacob Clayman, administrative director of the Industrial Union Department, AFL-CIO, Washington, D. C.; Frank Hendrickson, general manager, Monsanto Chemical Co., Soda Springs; Stanley Rector, executive director of Unemployment Benefit Advisors, Inc., Washington, D. C., and H. Fred Garrett, executive director of the Idaho State Employment Security Agency, Boise.

Panel Moderators

Moderating panels will be R. J. Bruning, news editor of the Coeur d'Alene Press; Ray McNichols, Orofino attorney, and Joe Jessep, president of Greater Boise Chamber of Commerce and general manager of Western Bearings, Inc.

Clague will speak on "The Labor Force: Present and Future, and Long-Term Implications." Holding degrees from the University of Washington and Wisconsin, Clague conducted research studies in technological unemployment at Yale University. He taught for five years at the Pennsylvania school of social work and was one of the early appointees to work with the Social Security program in 1936. He became director of research and rose to be director of the bureau of employment security of the Social Security Board.

In 1946, Clague was appointed commissioner of Idaho statistics, a position he held until 1954 when he became a special assistant to Secretary of Labor James P. Mitchell. He was reappointed commissioner of labor statistics in 1955.

Unemployment Insurance

Jacob Clayman will discuss "HR-7640 (U. S. Congress) - Objectives and Attitudes of Labor on unemployment insurance." A lawyer, Clayman has worked many years in the labor movement as administrative director of the Industrial Union Department, AFL-CIO, he works in the areas of legislation, education, research, publicity and public relations. His department is the center of the industrial unions within the AFL-CIO, and counts its affiliation at about 7 million members.

Frank Hendrickson will cover "HR-7640 (U. S. Congress) - Objectives and Attitudes of Private Business on Unemployment Insurance." A native of New York state, Hendrickson came to Idaho as maintenance superintendent of the Soda Springs Monsanto Chemical company plant. He became plant manager in 1959, and has been active in various local and state civic affairs. Hendrickson is a member of Associated Industries of Idaho, Idaho Mining association, Idaho Air Pollution Control commission and Board of Directors, Idaho State Chamber of Commerce.

Stanley Rector will speak on "HR-7640 (U. S. Congress) - Objectives and Attitudes of General Industry on Unemployment Insurance." A former member of the University of Wisconsin faculty, Rector became chief counsel of the Wisconsin Unemployment Compensation Agency from its organization in 1934 to 1943. He later became executive director of Unemployment Benefit Advisors, Inc., a non-profit non-stock corporation devoted to informational and consultative services in the field of social security and unemployment insurance.

Employment Security

H. Fred Garrett, executive director of the Idaho Employment Security Agency, will discuss "Administration, Objectives and Costs of the Idaho Employment Security Program." Born and raised in Idaho, Garrett has had an extensive and varied background in both government and private business. A firm believer of maximum administrative control of employment security activities at the state level, he has participated on national committees and conferences pertaining to employment security problems.

HERE'S MORE ABOUT - ROTC Ruling

most effective parts" of the new program.

From the Navy's point of view, the ROTC amendment "will have no vast change for us." This comment came from Capt. Harry E. Davey, Jr., professor of Naval Science at the University.

"The program may mean we will have to be more vigorous in our recruiting program," Davey said, "but on the national level, the Navy has no intentions of departing from its regular officer training program."

Davey pointed out that he felt it is necessary to maintain the full eight semesters in military training at the University level.

Col. George W. James, professor of military science, feels that the new program, if adopted, would be a detriment to the selection of the young men for the advanced program.

"We feel we're going to miss out on some real fine young men," James said, "if the program is adopted."

University officials all feel that if a change in the present ROTC program at the University is made it will be far into the future, since it is unlikely that the proposals will be enacted by the Congress in this session.

Military Professor Gets Promotion

Gregg D. Breitegan, assistant professor of military science in the University Army ROTC program, has been recently promoted to the rank of lieutenant colonel in the U.S. Army.

17 Barrels Of Historical Data Stored In Library Basement

In the year 2010, historians and other scholars at the University should have a wonderful - and historically profitable - time delving into the contents of 17 barrels stored in the basement of the Library building. The barrels, which contain a great variety of Americana dating back to 1900, have been given to the University by W. C. Cheney of Seattle.

Most important, the barrels - originally 55-gallon oil drums - contain hundreds of recordings of radio news broadcasts and typical programs of different eras.

For most of his life, Cheney has operated a machine shop in Seattle, manufacturing custom-built torches. He is also a former college teacher, an inventor, an astronomer, and a historian. When he obtained one of the first radios in Seattle, he set it beside a recording machine.

If some significant news announcement or address came over the air, Cheney flicked on the recording machine. He recorded such varied announcements as that of the death of comedian Will Rogers and pilot Wiley Post in an airplane crash at Point Barrow, Alaska, August 15, 1935, and the bombing of Pearl Harbor by the Japanese, December 7, 1941.

Cheney also collected restaurant menus, catalogs, World War II ration coupons and other assorted items which he thought reflected the course of American life. In 1950,

he began sealing all the material into barrels.

Recently, he wrote to President D. R. Theophilus of the university, and said that he would like to give the barrels with their historical contents to the institution because he felt it was one which would have a concern for America's heritage and a desire to build upon it. There was only one stipulation - that the barrels were not to be opened until 2010. So a half-century will have passed before the barrels are rolled out of the Library building basement.

Five, Advisor Attend Confab

Five students and Guy Wicks, IFC advisor, attended the Western Regional Inter-Fraternity Conference in Seattle last weekend.

Phil Reiberger, Skip French, Steve Edwards, Bob Tunnick and Barry Nelson attended the conference held on the University of Washington campus.

The convention included delegations from Arizona, Nevada, California, Utah, Idaho, Washington, Oregon and Montana.

Sessions were held on various common problems of IFC. French, Tunnick and Nelson are all officers of the Idaho IFC. The group attended the World's Fair during the weekend also.

Entries may be claimed with proper credentials after 4 p.m. Wednesday, and prize money may be claimed in the ASUI Program Director's office in the SUB at this time.

Entries not claimed by 5 p.m. May 19 will become the property of the Student Union.

New Report Is Accepted By E. Board

An Executive Board report that had been carefully reworded was accepted by the Exec Board Tuesday after they had argued about half an hour over it at a previous meeting.

The report was one submitted by the Activities Council requesting that the Area Directors have the power of approval for chairmen appointments to the council. This had been protested by half the Board led by John Ferris at the previous meeting.

The report submitted at Tuesday's meeting was, in the words of one board member, "worded so as not to offend the Executive Board." The report still leaves the power of disapproval with the Board. It was accepted unanimously.

Fred Warren submitted a report on the Student-Faculty retreat next fall. It is scheduled for October 6-7 at Camp Lutheran.

Vice-president Bowers, conducting the meeting in the absence of Ron Houghtalin, notified the members of their areas of concern. They are as follows: Alyce Joy Taylor, constitution; Skip French, finances; John Ferris, student government improvement; Carvel Whiting, communications; Bill Frates, University expansion; Cliff Eldred, academics; Tom Eisenbarth, student-faculty relations; Toni Thunen, student recruitment; and Fred Warren, judicial council.

The Board has started its visitation program. Other business included discussion of a Mother's Club proposal and the appointment of Cliff Eldred to accompany Bowers and Houghtalin to the National Students Association convention next week in Coeur d'Alene.

Music Credit Given In Summer School

A collegiate credit course in music will offer to high school juniors next summer in the University department of music.

The course will give high school students a chance to begin study for a career in music while still in high school, and thereby to shorten the time required to complete an undergraduate degree in music.

College credit will be validated upon a student's becoming eligible for admission to the University.

Artcarved COLLEGE ADVISORY PANEL

Which diamond is a girl's best friend?

Every girl knows "a rose is a rose is a rose." But is a diamond a diamond?

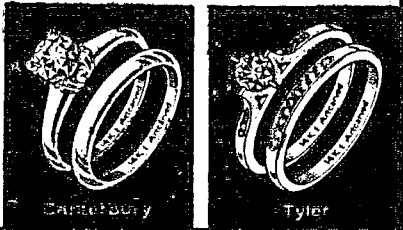

The smart girl who cares (about beauty and value) knows there's more to a diamond than meets her eye. Even under magnification, a diamond reveals its inner secrets only to the eye of a trained expert. That's why America's College Queens have chosen their "best friends" from among the award-winning designs of the world-famous Artcarved selection.

Every Artcarved diamond gives you more than the beauty which meets your eye. The quality and value of its inner beauty is also certified by a written guarantee that is recognized and respected by leading jewelers everywhere.

If you want to be sure of the inner beauty and value of your diamond, see your Artcarved jeweler. Ask him to show you the styles chosen by America's College Queens.

Veteran Golfer Robb Smith Eyeing Professional Circuit

Robb Smith, vanguard of the Idaho golf team, is an ambitious young man whose thoughts, when you talk to him, turn invariably to the realm of professional play.

For three years, Smith has been a mainstay on coach Dick Snyder's golf squad. The Vandal sticker will receive his third varsity letter and an "I" blanket at the conclusion of the year's play.

Lone Returnee
This year, Smith was the lone returnee and has led a team composed largely of inexperienced sophomores. The Idaho ace has played well this year in spite of the strain leadership demands. Smith was third at the Clarkston tourney and has been medalist on several occasions this season.

Smith came to Idaho and to Snyder from Twin Falls, there he was a three year letterman golfer at Twin Falls High School. Robb has played golf since he was 14. Smith still holds several course records around that area. He has tied the front nine course record

at the Magic Valley course with a 28; his 29 for the back nine still stands. His 59 for 18 holes was once the course record there. In addition, Smith has shot 29 for nine holes on the University course.

Many Honors
The Idaho golfer yearly competes in the major tourneys in Idaho during the summer. A few of his honors include the quarter finals in the Idaho State Amateur, second at the Liberty Lake tour-

NROTC Team Takes Second

The University NROTC rifle team captured second place in the Pacific Coast NROTC Smallbore Championship Match at Berkeley, Calif., April 28.

For two weeks running the Idaho Navy team has been edged out by a strong Oregon State University Navy Team. Oregon State has one of the strongest rifle teams in the nation this year.

In the Northwest Championship Match at Seattle, Wash., April 21 Oregon State beat Idaho by 10 points.

Idaho took second place, defeating the University of California, Results

Oregon State University	1879
Idaho	1855
Univ. of California, Berkeley	1835

ney, and second in the Gooding Amateur. Other major tournaments Smith has played in include the Magic Valley Amateur and the Labor Day tourney at Caldwell.

Smith starts working out for the varsity campaign early in the year. "I usually start about January," says Smith. The Vandal sticker will journey down to Clarkston for a day's play if weather in Moscow is bad. Smith puts in so much work that in his three year stint, he has lost but three matches.

Practice Important
Smith says that timing is the big factor in golfing but adds that the difference between a good and a great golfer is largely a matter of practice.

"Timing is all-important in golf," says Smith. "There is a lot of science to this game." However, practice is why a golfer is truly great, according to Smith. One who puts in a great deal of time on his game himself, Smith has played over 4500 holes a year for the past five years. He comes

in as late as any Vandal athlete. Smith says, "If you have the coordination, anyone can be good if he practices."

Smith considers that the tee shot is the most important. "You have got to be able to get off the tee," says Smith. He feels that his putting and chipping, a sore spot for many golfers, is the strongest part of his game. "My tee shots are the worst," says the Idaho letterman.

Ultimately, Smith wants to become a professional and tour the circuit. However, Smith plans to stay in the amateur ranks for a while. "I've got to make a name for myself before I could give it a try," explains Smith. "You've got to get some backing before you can get anywhere." Smith would like to tour the circuit "for at least a couple of years," in order to "see what it's like."

Smith would rather play on the circuit than have his own course, but the possibility is not out of the question. Since he is an accounting major, he could fit the two together nicely.

Sixth Annual Turtle Derby Gets Underway At 10 Sat.

By LILLIAN KIRSCHNER
"Step right up and place your bets!" is the cry students on the Idaho campus will hear for the next day and a half. The men of Phi Delta Theta are going all out to make Saturday's sixth annual Turtle Derby the charitable event of the year.

All proceeds from betting on your favorite turtle crawling in this Mothers' Day weekend race, will go to the Lewiston Orphanage, reported Bob (Beebes) Blower, Turtle Derby chairman.

"We have high hopes of topping last year's \$75 donation to the orphanage," said Blower.

Activities began over a month ago as plans for the big event got under way. Excitement mounted as the various women's living groups picked their turtle trainers and the serenading Phi Deltas delivered the turtles.

The special racing turtles were flown in from a supplier in Osh-

kosh, Wisconsin, according to Blower.

Enthusiastic trainers have been keeping their racers on strict training rules. Every evening each contender is timed, checked, and inspected for fungus and other turtle diseases by the Phi Delta "turtle doctors."

The turtle trainers were entertained at a banquet Wednesday night at the Phi Delta House where each trainer recited a poem about her speedy reptile.

After the banquet the trainers went home to anticipate the parade and street dance which attracted rhythm minded gravel stompers Thursday night.

Aside from taking "bets" from students and parents, all other official activities will cease until 10 a.m. Saturday when an expected 1000 students and mothers will gather at Turtle Downs in the Phi Delta parking lot to cheer for their winner.

Winner

The trainer of the winning turtle will receive a 30-inch engraved trophy from the Phi Deltas, and the turtle will win everlasting fame. Smaller trophies will also be given to the living group with the best cheering section and with the best decorated turtle. It has been recommended by the Turtle Inspectors that the turtles aren't painted until shortly before the race, as adverse results have been noted in the past when the shell pores have been clogged with paint for too long a time.

Turtle Trainers hoping to succeed last year's Turtle Queen Connie Largent, and their turtles, are Sharon York, Alpha Chi-Hawaiian I; Wanda Lee Miller, Tri-Delta-Bomber Switch Blade II; Joanne Cowden, Alpha Gamma-Faux Pas; Jerri Ross, Alpha Phi-Alpha III; Carolyn Cripe, Delta Gamma - Matey; Janet Josephson, Gamma Phi-Gamma Phlier; Rosie Bicandi, Theta - Mercury; Andrea Anderson, Pi Phi-Tinker Bell; Sue Rasmusson, Kappa - Lady Chatterly; Ann Olson, Ethel Steel - Speedy Gonzales; Georgia Switzer, Forney-Phoebe Phi Delt; Carol Chapman, French - Decided-Connell-Billie Joy.

Men's Faculty Edges WRA In Softball

The WRA softball season headed into its second week with no official standings as yet. The latest games played saw McConnell Hall defeat Ethel Steel Hall 13-8. Wednesday night the men's faculty played the WRA in a baseball game. The final score saw the men squeeze past the WRA 11-6.

According to Nona Kay Shern, Alpha Phi, open practice for archery will begin at the Women's gym Friday night. The archery tournament will begin next week for the girls.

Ira, Falk Pitch For OSU

Oregon State coach Ralph Colman said yesterday that he plans to start his ace lefthander Cecil Ira this afternoon.

The Beavers will go with Jim Falk, also a lefthander, tomorrow morning. Both have been highly effective in conference and non-conference games. Ira has six games to his credit and Falk has won five. The Beavers going into the Idaho series are 21-9.

Ageless Stan Musial of the St. Louis Cards is leading the National League in batting with a .395 average. Musial is 42.

Vandal Babes Get Holiday

The frosh track team will get a vacation this weekend according to coach Bill Sorsby.

Sorsby had said earlier this week that the Vandal yearlings would accompany the varsity to the Bill Martin Relays in Walla Walla. However, the frosh will not participate in Walla Walla, Sorsby said.

The Vandal Babes' next outing will be May 19 in Pullman against the Washington State University yearlings.

CLASSIFIEDS WILL DO THE JOB

Lindley Dumps Chrisman In IM Softball Play

Softball play continues to dominate intramurals. Forfeits still bothered the action in League IV, but the play in the other three circuits was fast and furious.

Monday in softball, defending champion ATO took a giant step towards the League I crown, and the Deltas suffered what may have been a crushing loss. These two games highlighted Monday's action.

ATO pushed its lead in their league to two games with a big 15-0 win over the Tekes in a game shortened by the 15 run rule. Dean Lundblad, who has proved to be a real stopper in recent games, was the winner. Lundblad has yet to suffer defeat.

The Deltas, who have been chasing ATO all season, dropped their second in a row when Sigma Chi topped them 8-7. The loss followed an earlier defeat at the hands of the ATOs. Larry Minor was the loser; Toby Borneman the winner.

The Phi Deltas won their second in a row with a 10-3 victory over the Kappa Sigs. The win gave the Phi a 3-2 record. Freshman pitcher Doran Parkins won his third of the campaign. Phil Russell and Doug Brown led the offensive attack.

SAE'S WIN

SAE continued to win with a 7-4 triumph over the Sigma Nus. The SAE gang started off the season rather slowly, but have been real tough as of late. Dan Ayers won his third straight game on the mound.

In the other two games, Lambda Chi beat the Phi Taus in a free-swinging. Almost everyone got in, to the hitting attack. Ron Fairchild was the winner. In the final contest, TMA2 downed GH2 12-4.

Following the habitual rains, play once again got under way Wednesday. Even though many games have been rained out, they will be replayed, according to intramural ruling.

Wednesday, Delta Tau Delta ended their two-game losing streak with a convincing 9-1 victory over Sigma Nu. The Sigma Nus, who have been up-down all year, lost their second in a row. Larry Minor hurled the Delt crew to victory.

ATO stayed unbeaten with a 11-4 win over Sigma Chi. It was their sixth straight triumph. The ATO gang seems to have a knack

for getting good pitching and hitting. Jeff Wombolt and crew provided the offense, while Dean Lundblad pushed his hurling record to 6-0.

WSH2 took one from UH2 in a wild game which saw almost everyone hitting. Jay Bailey was the winning chucker.

The Tekes took one from the Phi Deltas 14-3. The loss brings the Phi's record to 3-3 with one left on the card. George Hiari pitched the Tekes team to victory.

Over in League III, Lindley defeated Chrisman in one of the best played contests of the day. Frank Hoch was tough on the mound in picking up the win.

In the final game of the day, LH2 won over CH2 via the forfeit route. This game was part of League IV play.

CRAM COURSE NO. 4: BATHYMETRY

Continuing our series of pre-final exam cram courses, today we take up bathymetry—the study of ocean depths.

Admittedly, this is not a terribly popular course on most campuses. And small wonder. In the whole world there is only one bathyscape, and only two people can get into it.

Nevertheless, the study of ocean depths is of great importance. Why, do you realize that the ocean is by far the world's largest biological environment? The ocean has more than three hundred times as much living room as all the continents and islands combined! Unfortunately, only fishes live in it.

And small wonder. Who'd want to live some place where he couldn't smoke? Surely not I! I wouldn't give up my good Marlboro Cigarettes for the Atlantic and the Pacific put together. Nothing could induce me to forego Marlboro's fine mellow flavor, Marlboro's clean white filter, Marlboro's flip-top box that really slips, Marlboro's soft pack that's really soft. Let others repair to the spacious deeps. Me, I will stick with my Marlboros and the tiny garet I share with a tyranpist.

But I digress. Back to the oceans. The largest, as we know, is the Pacific, which was discovered by Balboa, a Spaniard of great vision. To give you an idea of Balboa's vision, he first saw the Pacific while standing on a peak in Darien, which is in Connecticut.

Even more astounding, when Balboa reached San Francisco, he clearly saw the Hawaiian Islands! Being, as we know, a friendly cuss, Balboa waved merrily to the Hawaiians and shouted, "Great little ocean you got here, kids!" The Hawaiians, also, as we know, friendly cusses, waved back, declared a half holiday, organized a luau, built a chuey far over which they prepared several gallons of poi, a suckling pig, and Captain Cook. This, of course, was the origin of Cooking.

Who'd want to live there?

But I digress. The Pacific, I say, is the largest ocean and also the deepest. The Mindanao Trench, off the Philippines, measures more than 5,000 fathoms in depth. (It should be pointed out here that ocean depths are measured in fathoms—lengths of six feet—after Sir Walter Fathom, a noted British sea measurer of the seventeenth century who, upon his twenty-first birthday, was given a string six feet long with which he used to go scampering all over England measuring sea water until he was arrested for loitering. A passion for measuring seems to have run in the family; Fathom's cousin, Sir Sol Furlong, spent all his waking hours measuring race tracks until Charles II had him beheaded in honor of the opening of the London School of Economics.)

But I digress. Let us, as the poet Masefield said, go down to the seas again. (The seas, incidentally, have ever been a favorite subject for poets and composers.) Who does not remember Tomynson's "Break, break, break"? Or Byron's "Roll on, thou dark and deep blue ocean, roll"? Or the many hearty sea chanteys that have enriched our folk music—songs like "Sailing Through Kansas" and "I'll Swab Your Deck If You'll Swab Mine" and "The Artificial Respiration Polka." My own favorite sea chanty goes like this:

A girl loved a sailor and he did jilt her,
And she did weep and roar-hot
Until she found a perfect filter,
And a perfect smoke—Marlboro!
Sing hey, sing ho, sing ring-a-ding-ding,
Sing tars and spars and patches,
Sing pack and box and lots to like,
And don't forget the matches!

The landlocked makers of Marlboro wish you smooth sailing through your final exams and smooth smoking—with Marlboro, of course. Have YOU settled back with a Marlboro lately?

Black And White Teams Clash Sat. In Intra-squad Squabble

Coach Dee Andros has named two squads for the first intra-squad spring football game billed for Neale Stadium, tomorrow at 9:30 a.m.

The game will be conducted under regular combat conditions with all of the facets included except the kickoff. "We won't have the kickoff formations in until next week," Andros said, "but everything else will be game condition. We will use regular Pacific Coast Officiating Bureau officials."

"These two teams will stay together through next week and play the second game of spring practice on (Saturday) May 19 at 9:30 a.m.," the Vandal coach continued.

Observer

Andros will play the role of impartial observer during the two games. Line coach Dick Monroe will coach the "White" team and backfield coach John Easterbrook will have the "Black" team. Defensive coach Steve Musseau will rotate between the two teams this week and will be out of town covering the state track meet in Boise the following Saturday.

Assisting Monroe will be graduate assistant and former frosh tackle, tight end and one-half back spot.

The black team starting lineup: Larry Stachler, split end, one letter from Lindsay, Calif.; Tom Nelson, left tackle, one letter from Yreka, Calif.; Mike Baumann, left guard, one letter from Belmont, Calif.; Bob Ames, center, one letter from Spokane; Darwin Doss, right guard, one letter from Pocatello; Joe Cramer, left tackle, one letter from Sweet Home, Ore.; Hal Osborne, tight end, non-letterman from Meridian.

Easterbrook's black team will have two rookies in the starting halfback roles, while Monroe will go with first-year men at a guard,

letter, from Baker, Ore.; Mike Jordan, fullback, one letter, from Spokane; Rich Naccarato, halfback, sophomore, from Spokane; Clarence Kleber, wing back, sophomore, from Denver, Colo.

Second black unit: ends—Verne Leyde, sophomore from Spokane, and Bob Hammond, sophomore from Moscow; tackles—John Derne, sophomore from Stockton, Calif., and Ron Bogue, sophomore from Spokane; guards—Rod Finkle, sophomore from Spokane, and Frank Dunbar, sophomore from San Marco, Calif.; center—

from, left guard, from Sedro Monahan, sophomore from San Francisco, and Steve Jones, sophomore from Sandpoint; tackles—Al Waters, junior college transfer from Ellensburg, Wash., and Fred Fancher, sophomore from Spokane; guards—Biff Johnson, sophomore from Stites, and Jim Strong, sophomore from Boise.

Center—Paul Lawrence, sophomore from Everett, Wash.; fullback—Dale Meyer, sophomore from Salem, Ore.; halfbacks—Bill Graham, sophomore from Hermiston, Ore., and Joe Chapman, sophomore from Coeur d'Alene.

ONLY THE TRACKSTERS WILL BE GONE

The Mother who enjoys spectator sports (even though she might not admit it) will not be disappointed this weekend. All the University of Idaho athletic contingents except the Vandal tracksters will be home to help entertain Mother this weekend.

The Vandal baseball team, 16-7 for the season, hosts the league-leading Oregon State nine this afternoon and Saturday. Today's contest starts at 3 p.m. and tomorrow's at 11 a.m. so as not to conflict with May Fete.

Dee Andros and his football squad will give a preview of what football will be like in Vandal Land next fall when they stage an intrasquad scrimmage Saturday morning at 9:30. Both the football stadium and the baseball park, as an extra attraction, offer seating that is warmed by the morning sun that climbs over the Palouse Hills.

The golf and tennis teams see action Saturday afternoon. The Idaho golfers host the University of Washington on the University's nine-hole, 3,100-yard par-35 course, one of the nicest small golf courses in the Northwest. The Vandal tennis team will play Eastern Washington College on the new Ad lawn courts, situated under the trees across from the Ethel Steel house.

The University's precision swimming group, Hell-divers, will feature three shows during the weekend activities. The first is tonight at 7 and the other two are Saturday night at 7:30 and 9. All shows will be performed in the Memorial Gym pool.

The Vandal track team is out of town. Coach Bill Sorsby has taken rapidly improving trainees to Walla Walla where they will compete with nine other teams tomorrow in the Bill Martin Relays.

HOW SORE IS YOUR ARM, COACH?

The varsity-frosh baseball game Wednesday turned into quite a pitcher's duel. The Varsity with curve artist Wayne Anderson (varsity's coach) on the mound finally came from behind to edge the Frosh, 8 to 7. Frosh coach Cliff (Fireball) Trout, who played third base and centerfield for the Vandals last year, pitched for the yearlings. Anderson, we understand, was having trouble lifting his pitching arm yesterday. We don't know how Trout's arm is faring. We couldn't find him today. Trout and his frosh were leading by one run until the last inning when the frosh skipper went to pick Anderson off at second and the throw went into centerfield. Two runs, including the winning run, scored, and yesterday Trout was hiding out.

KEEP THAT SCORE DOWN

Losses embarrass most coaches, but Vandal track coach Bill Sorsby's forces so outdistanced Portland University last Saturday that he had to pull three of his runners out of one race to keep the score down.

Idaho harriers Dick Douglas, Paul Henden and Louie Olaso finished 1, 2, 3 in the two-mile run; well ahead of the fourth place finisher, Pat Becher. The Vandal trio had planned to go an extra mile, but decided against finishing the longer distance. So, Sorsby classified the trio as unattached runners and gave the win in the two-mile to Portland.

As it turned out not even that gesture kept the Vandals from more than doubling the score on the Pilots. Bob Johnson, a football halfback, won the 100, 220, and 440 and anchored two winning relay teams as Idaho won 97 5-6 to 46 1-6.

Gridsters Start 70th Season In Boise Against Utah State

The University of Idaho goes into its 70th season of intercollegiate football with a nine-game schedule which opens in Boise on Sept. 22.

The Vandals play their first game of the season against Utah State in Boise then come home to resume football warfare with cross-state rival Idaho State the following weekend in Moscow. This will be the first "official" meeting with the Bengals in the history of the school. Idaho, however, hold a pair of wins of the Pocatello school under different names.

Following the Utah State and Idaho State games the Vandals will be on the road for five weeks against Montana, San Jose State, Montana State, Utah and Arizona in that order.

On Nov. 10, Idaho returns to Moscow for a homecoming duel with Oregon State. The Vandals close the '62 season against Washington State the following weekend in Moscow.

Six of the '62 foes return from last year's slate and three new teams appear. Idaho State, of course, is new. Utah returns for the

first time since 1959 and Montana State joins the schedule for the first time since 1948. The Vandals are 6-2 against MSC and 10-12 with Utah.

San Jose and Montana were the two victims in the Vandals' 2-7 record last season. Utah State, Arizona, Oregon State and Washington State were all winners over Idaho in '61.

Schedule

Sept. 22 — Utah State at Boise—2:00 p.m. (MST)

Sept. 29 — Idaho State at Moscow —Parents Day —1:30 p.m. PDT

Vandals Take On First Place Beavers

BASEBALL CAPTAINS . . . Shortstop Dick Mooney of Weiser and pitcher Pat Townsend of Payette are this year's captains of the Vandal baseball team. Both players are seniors. Townsend is playing his third year for the Vandals and Mooney, a transfer student, his second. Lefty Townsend leads the club pitchers with a 5-1 record. Mooney is the club's top hitter with a .415 mark.

Golfers Play Whitworth And Gonzaga Today In Spokane; Home With Huskies Tomorrow

The Idaho Vandal golfers have returned home from a road trip which turned out to be rather disastrous. Last Friday the Vandals met Oregon State at Corvallis. In this first match of the trip, Idaho got trimmed 11½-9½.

Low medalist for the day was Schroder of Oregon State University, who shot a 68 which was 4 under par 72. Wally Lowe of Idaho was low for Idaho with a 71 which was one under par.

The Vandals then turned to Eugene for a match with the University of Oregon at Corvallis. The final score of this match was Oregon 14½, to Idaho's 6½. Idaho's Robb Smith led the action by beating Oregon's number one man. Wally Lowe was medalist with a 70, one under par 71.

Monday the Vandal "tee team" shifted into Seattle for a go at the University of Washington. Robb Smith was low medalist for the day with a 74, one under par 75; nevertheless Idaho got beat 14-4. In this match the number ten hole was closed, thus the players used the number one hole twice. The number one hole at Seattle is a par five which boosted the par for the day for the two University golf teams.

Today the Vandals meet Gonzaga and Whitworth in Spokane. Saturday the scene shifts back to Vandalville for a match with the university of Washington. The 15th of May the Vandals move again, this time to Clarkston for a match with Washington State.

According to coach Dick Snyder the true potential of the team cannot be shown in the past weekend matches, the reason being that the different University courses make quite a difference to the players.

"I don't want it to seem as if I am making excuses for the team, but the different golf courses do effect the players," Snyder said. This is shown in the fact that when we played Seattle University here at Moscow, they barely squeezed past us 9½ to 8½; but when we moved to Seattle they walked all over us 14-4.

"We have good building material," Coach Snyder said, "that will eventually develop into a very fine golf team."

Yearlings Have 5 Games Left

The frosh baseball team travels across the line tomorrow to play the Washington State yearlings. The Vandal Babes and the Coug-babes were rained out in a game at Moscow last Saturday. Game time is 3 p.m.

The Vandal Babes dropped a contest to the varsity in a game that turned into a coaches battle Wednesday. Frosh Coach Cliff Trout started for the Frosh and varsity coach Wayne Anderson threw for the varsity.

The Vandals beat their frosh rivals 8-7 with a pair of runs in the final inning.

The frosh support a 4-4 season record. They lost their opener to Columbia Basin College frosh in Pasco but then turned around to

take a pair from the WSU freshmen.

CBC again proved to be too much as the Vandal Babes lost another pair to the Hawk Yearlings in Moscow. The frosh, in their last outings, swept a doubleheader from Lewis-Clark Normal of Lewiston.

The Vandal Babes have five games left including tomorrow's contest. They play Washington State again May 18 at Moscow. The game starts at 3 p.m. The following day they travel to Lewiston for a return doubleheader with LC-N. These games start at 1:30 p.m. on the LC-N campus.

The frosh end their season May 21 in Pullman against the Coug-babes.

NORTHERN DIVISION

Idaho	4	5

The Idaho Vandals, still in the thick of the fight for the Northern Division baseball title, take on the high-flying Oregon State Beavers here this afternoon and tomorrow morning.

The Vandals are 4-5 in league play and 16-7 overall. The Idaho nine stopped a come-from-behind rally by Washington State and dumped the Cougars 8-7 here last Friday. Last Saturday's game in Pullman was rained out. According to Northern Division rules, the two teams will make up the rained-out game the next time they meet. That will be May 25 here and the two clubs will play a pair of seven inning games instead of one nine inning contest that day.

The league-leading Orangemen have bowed out once in the 1962 diamond season and that was to Idaho in Corvallis by an 8-4 count on April 26. Game times for the series are 3 p.m. on Friday and 11 a.m. on Saturday.

Coach Wayne Anderson said that he would start Dave Sewright, right-hander from Nyssa, Ore., against the Beavers, possibly in the first game. Sewright, a transfer from Boise JC was the winner over OSU earlier. Co-captain Pat Townsend, senior lefty from Payette, will probably get the other call. Townsend beat Washington State on Monday although he needed help from Ralph Lawrence in the ninth inning.

Co-captain Dick Mooney, shortstop from Weiser continues to lead the Vandals at the plate with a .415 average. First baseman Mike Stowe from Twin Falls is close behind with a .395 average and leads the Vandals in conference play with a .394 mark.

Sophomore catching sensation Jeff McQueeney from Vancouver, Wash., is third with a .347 mark on the season and .370 in ND play. Herb Dehning, last year's all-ND centerfielder is having trouble hitting conference pitching although his season average is still .338 he mustered by three hits in league play for a .143 mark.

Veteran Bob Verveake from Baker, Ore., is hitting the ball at a .344 clip, closely followed by Chuck White at .333. White, a late starter last season, lead the team in homers and strikeouts. This year he could lead the club in four-base hits, but he seems to have shaken off the strikeout jinx.

Little Gary Riebe, the 5-8, 150-pound sophomore from Lewiston, has nailed down the regular third base job and is challenging White for the homerun title. Both have three going into the OSU series.

Following the Beaver series, the Vandals will host Oregon next Wednesday and Thursday.

Cougars Dump Idaho Netmen; Vandals Host EWC Tomorrow

The Vandal tennis team will try to shake off a seven match losing streak this week-end. Coach Bill Logan's crew, who suffered through a disastrous road trip on the Coast and then lost yesterday at home, will play Whitman today in Walla Walla, Eastern Washington here Monday.

Eastern and Whitman hold victories over the Vandals, while Gonzaga is one of the two teams that Idaho has beaten this campaign.

On the Coast, Idaho lost to Oregon 7-0, Oregon State, 7-0 and Seattle 6-1. Yesterday, WSU shut

out the Vandal tennis 7-0 on their own courts.

Logan had little to say about the Coast matches except "We met some tough boys." He added, "we got outgunned."

Against OSU and Oregon, the Vandals were able to extend their rivals past straight sets in but one doubles match. Against Seattle, the doubles team of Howard Sealey and Terry Winter picked up the lone Idaho victory. Against the Cougars, the netters went down in straight sets in all seven matches.

Frosh Netters Lose To WSU

Idaho's freshman tennis team, making their first start of the year, fell to a powerful Cougababe squad 7-0. The match was staged at Ridenbaugh courts in conjunction with the WSU-Idaho varsity clash.

The Vandal Babes had all kinds of trouble against their Palouse rivals. The Cougababes not only shut out the frosh bunch, but won every match in straight sets as well.

Vandals Go To Bill Martin Relays

The steadily improving Vandal track team, fresh from a 97 5-6 to 46 1-6 win over Portland University, will see action tomorrow at Walla Walla in the Bill Martin Relays.

The Vandals, strong in the running and weight events, will compete against nine other schools including Whitman, Whitworth, Eastern and Central Washington, Montana State and Eastern Oregon.

With 10 of his competitors turning in career bests against Portland U. in las weekend's meet here, Sorsby is looking for a good showing in the Walla Walla test.

Top Efforts

In one event, the 880, all three entrants toured the half mile in the best times of their careers.

Curt Flisher from Nampa had a best effort to date.

Saturday's meet will be the next to the last for the Vandal squad. They close out team competition in Eugene at the Far West Championships on May 19. Individual performers will enter the NCAA meet in Eugene on June 15-16, but Sorsby has not named any entrants for that test yet.

Idaho entrants:

POLE VAULT—Mike Free, Zura Goodpaster; SHOT PUT—Reg Carolan, Joe Davis, Larry Johnson; BROAD JUMP—Ed Jacoby, Bob Ruby Jerry Pressey; HIGH JUMP—Gene Smith, Zura Goodpaster; 120 HIGH HURDLES—Reg Carolan, Pete Luttrupp, Zura Goodpaster; DISCUS—Joe Davis, Reg Carolan; MILE—Louis Olaso, Paul Henden; 440—Nick Carnetix, Dick Bormeman, Pete Luttrupp; 880 RELAY—Jerry Pressey, Reg Carolan, Bob Johnson, John Pasley; 880—Curt Flisher, Bernie O'Connell; 220—John Pasley, Nick Carnetix; 220 LOW HURDLES—Jerry Pressey, Dick Bormeman, Pete Luttrupp; TWO MILE—Dick Douglas, Paul Henden, Louis Olaso; MILE RELAY—No. 1—Pressey, Carnetix, Flisher, B. Johnson; No. 2—Pasley, Bormeman, Luttrupp, Goodpaster.

McLean Field, the Vandal baseball park, holds some 3,000 fans. The park also served as the football stadium before Neale Stadium was built.
