Idaho Students May Register To Vote 'Til 2

University students who are not already registered to vote in the Idaho primary election June 5 have until June 2 to do so.

To be eligible to vote it is necessary that the student be 21 years of age and a resident of Idaho for six months. The student must have lived in the county in which he registers for at least 30 days.

Latah County Prosecuting Attorney, Len Bielenberg, advised the Argonaut yesterday that the "majority of the students on the campus should register and vote in the county in which they have permanent residence." This, in most cases, means their home county.

However, Bielenberg said that if "it is the intent of the student" to maintain permanent residence in Latah County, then the student should register in this county.

If the student wishes to register in his home county, he may apply for an absentee ballot in his own handwriting after he is registered. The request for absentee ballots should be sent to the clerk's office at the county courthouse in the home county.

After registration, absentee ballots must be received in the clerk's office no later than June 4 for the primary election and November 5 for the general election.

Special awards will be presented to staff members who have worked on the paper for five or more semesters.

So that seating arrangements for commencement can be completed, the deadline for obtaining tickets to the 1962 ceremonies has been set at next Wednesday at 5 p.m., according to Dean David D. Kendrick, chairman of the commencement committee.

A maximum of three tickets per graduate are available for parents and other relatives. They may be picked up at the Student Book Store.

Campus Club Men Reach Lookout

Miss L. Smith, Contest Winner Gives Concert

Winner of the \$100 first place in the Young Artist division of the Greater Spokane Music Festival, Linda Smith, a University music major from Camas, Wash., presented a senior recital last night in the Music Building.

Miss Smith has sung throughout the state as a featured soloist with the Vandaleers. Other solo assignments have included appearances with the University Singers, the lead role in the opera workshop production of "The Telephone" by Menotti, and many campus and community programs.

She appeared last Friday evening in Spokane with the Spokane Symphony Orchestra, under the direction of Harold Paul Whelan.

Miss Smith is a member of Mortar Board, and is past president of Sigma Alpha Iota, national women's professional music fraternity.

The program will include songs from the 18th century repertory, a group of Lieder by Schubert and Wolf, French art songs, and contemporary compositions including works by Douglas Moore, Samuel Barber and Gian-Carlo Menotti.

Miss Smith has been granted a graduate fellowship in opera workshop at the University of Texas for next year.

Graduates needing more than three tickets may submit requests for additional ones to James L. Botsford, professor of mathematics, in Ad Building 331. About 50 tickets will be left over, and another 100 to 200 probably won't be picked up by graduates and therefore will also be available, Botsford said.

Graduating seniors have submitted requests for about 180 extra tickets so far, he added. Top priority probably will be given to graduates' brothers and sisters and to relatives traveling a great distance to attend the ceremonies.

Committee Will Choose

A committee comprised of Botsford, senior class president Bob Scott and Bob Keller will decide which students should receive the extra tickets.

When picking up tickets at the Book Store, students should also fill in the names and addresses of their parents on available forms so that invitations may be sent to the parents to attend the tea Saturday preceding commencement, Kendrick said.

Graduation announcements have arrived and are also now available at the Book Store. Cost of the announcements is 14 cents apiece, according to Book Store manager C. R. Kerr.

Any Number

Graduating seniors may purchase any number they wish, Kerr said, adding that additional announcements could be ordered if the present supply were to run out.

Commencement will be held June 10 in Memorial Gym. The academic procession, comprised of Administration and faculty members and the graduating seniors, will form at the Administration Building at 9:15 a.m. and will then proceed to the gym for the ceremonies.

A highlight of commencement will be the awarding of the first doctorate degree ever given by the University. It will be awarded to Mrs. Florence Aller.

Next Year's Registration Fees To Increase By \$5

Registration fees will be raised \$5 for the 1962-63 academic year, according to University officials. Total fees will be \$82 instead of the present \$77.

University President D. R. Theophilus said the Board of Regents approved the registration increase to "help defray additional costs." He said University fees have been traditionally low among comparable institutions, and will continue to be so.

The \$5 increase is small in comparison to recent increases at other institutions, Dr. Theophilus commented.

ROTC Review Set For 3:20 Today

NOBODY'S GOING TO TAKE MY PICTURE — Turning his back on the camera is one of the men who are picketing the SUB Wednesday and yesterday. They seem to have some disagreement with the management on the way things are being run around here.

Seventh, Eighth Periods Will Be Cancelled; 1300 Students To Participate In Review

With the Adjutants Call at 3:20 this afternoon, the annual combined ROTC Spring Review will begin in Neale Stadium with over 1300 Army, Navy, and Air Force cadets participating.

Presentation of awards and reviewing the cadets will be Brig. Gen. James M. Trail, United States Air Force Reserve, and University President Dr. D. R. Theophilus. If the weather is inclement, the review will be eliminated and the presentation of awards will be given in Memorial Gym.

Work On SUB Is Interrupted By Union Picket

Construction work stopped on the Student Union building addition at 10 a.m. Wednesday morning when Carpenter Union picketers arrived to picket the construction site after a carpenter's union strike had been called in the Pacific Northwest.

No carpenters have been to work for two days, reported ASUI General Manager Gale Mix yesterday, but that other workmen came to work Wednesday but left when the picketers arrived.

The men picketing are not employed on this job he added. The strike has stopped carpenter construction work all over the Northwest. It has involved 50,000 carpenters in a dispute with the Associated General Contractors.

The strike followed a breakdown in labor negotiations. Work on the Student Union had been progressing with the pouring of the concrete slabs being finished Tuesday. Negotiations are expected to start Monday.

Johnston Talks On Newspaper

A newspaper should "maintain independence from its friends and reserve the respect of its enemies," in its editorial policies, said William F. Johnston at the Phi Beta Kappa initiation banquet Monday.

Johnston, managing editor of the Lewiston Morning Tribune, spoke to the members and 16 initiates about "The Role of the Press in a Democracy."

It is theoretically impossible to print a paper without having some enemies, because a paper covers so many controversial issues, said Johnston.

Johnston used the University Board of Regents as an example of the erection of barriers against the free flow of information about public affairs. He stated that the Board closes its meetings to the press.

Senior Solos Are Feature Of Orchestra

Senior student soloists will be featured when the University Symphony Orchestra presents its third concert of the year Thursday at 8 p.m. in the University Auditorium. Prof. LeRoy Bauer will conduct the orchestra.

Among the outstanding senior soloists will be two winners in the Greater Spokane Music Festival. Kelly Frizzelle Bond, pianist; the first place winner in the Open Concerto division, has been a winner in various sections of the festival for the past three years. Soprano Linda Smith, was the Young Artist Vocal division winner. She appeared recently with the Spokane Symphony Orchestra.

Other senior soloists appearing with the orchestra will be James McDowell, trombone; Ralph Strobel, oboe; John Rider, clarinet; Robert Goranson, and Ardell Shockley, tenor. Warren Bellis of the music faculty will play the bassoon on the Mozart quartet.

Special numbers by the orchestra will include music from West Side Story; and works by Mozart, Donizetti, Haydn, Dvorak, Verdi and Franck.

COUNCIL PICNIC

The annual Ag Council picnic at the University will be held tomorrow at 4 p.m. in the arboretum.

Church Speaks

Idaho Senator Frank Church has endured because it has found ways to meet change, while it has also kept intact the bundle of individual rights."

Speaking on more political terms at a noon luncheon in the North Ballroom of the Student Union Building, Church said that by obtaining seniority in the Senate is the only way which Idaho can maintain its limelight in national affairs. By his re-election to a second six-year term, this could be accomplished he said, because, "I've already worked my way half-way up that ladder in the past six years."

He is now serving on an Interior department committee.

"We will have a Democratic administration in Washington, D.C., for at least the next six years, and we need supporters of this administration elected to carry out their program," Church stated.

Church took a strong stand in favor of his often-criticized Wilderness bill proposal. "I shall defend the Wilderness bill," the senator said concerning the bill, which "has pretty thoroughly confused the people of the state."

"And I'm quite sure that the people of the state will support me, once they see the whole picture," Church is in Idaho on a swing through the state where he is speaking at high school commencement exercises.

Living Groups' Spending Varies, Survey Reveals

By BETTY JACKSON
Argonaut Staff Writer

Sorority women on campus spend considerably more money for clothing and shoes than do Independent women, but all the girls buy large quantities of cosmetics and toiletries.

This was one conclusion reached by Rose Maloney, a graduate student in marketing research, in evaluating questionnaires he distributed to 390 students last semester. Maloney was looking for significant differences in the spending habits of different groups on the campus as part of the research for his master's thesis.

He found little difference in the amounts spent for clothing and shoes by Independent men and Greek men. He attributed the differences for these items in the women's groups to a compulsion, he thinks sorority women feel to keep up with each other in fashion.

Budget Is Factor
Married students spent little in this category and Maloney interpreted this as being due to limited budgets and fewer social pressures. Forty-one per cent of the students interviewed owned cars, with ownership heaviest among the married student group. Only five of the women he contacted owned cars.

Expenditures for autos were consistent among all groups, with gasoline averaging \$12-\$15 per month.

He found less smoking among women than men. Twenty-six per cent of the women interviewed replied that they smoke while 38 per cent of the men were found to smoke. Expenditures for cigarettes were consistent among smokers, who averaged six packages per week.

Women spent less money on snacks than the men, probably because they are more diet conscious, and because men treat them on dates, says Maloney.

More Dining By Greeks
Greeks dined in restaurants more often than Independents, with the

fraternity men spending more for meals out than other groups.

Expenditures for groceries, furnishings and drug items were greatest among the married student group. Medical dental and optical delays were consistent among all groups, averaging about \$8 in January.

Purchases for cosmetics were consistent among married and single students, with Greek women spending the most and women students spending more than the men.

Spending Higher In January
Spending among all students was higher in January than normally, according to the survey. Maloney distributed the questionnaires to five groups — Independent men, Greek men, Independent women, Greek women and married students. He contacted 10 per cent of the total number in each group, having selected the names at random from the "Kampus Key."

Of the 390 questionnaires distributed, only 368 were usable in compiling results. "Several had obviously been filled out by jokers who were trying to be funny," he commented.

Inconsistencies appeared which made it impossible to project results to the student body as a whole. Maloney said several samplings covering a longer period of time would be necessary to determine a definite pattern of spending for the entire student body. "I wish I had time to do another sampling," he remarked.

Maloney is from Lethbridge, Alta., and plans to return to Canada after he receives his degree. He is married and has two children.

FARRELLY TO SHOW SLIDES

THE GOLDEN FLEECE by Jason

Today is D-Day for the ROTC. At 15:30 the combined forces of the three service ROTC units will give their final performance of the academic year. To a lot of students the preparation for this Review was hilarious, and it was.

However, funny as it may seem, this work was not all just to please the V.I.P.'s. With the serious situation in Laos and other similar hotspots around the world, the military preparedness of our country is a vital issue on anybody's platform. Although it may be hard to realize how ROTC will affect the world situation, it does and in a vital way.

College students have a tendency to block out the rest of the world while they pursue the goals of higher education. Even though certain groups on campus make themselves fully aware of international relations, the majority of students know only what they are told or happen to read unexpectedly.

So, when you start to roll in laughter this afternoon, watching the Review, take a minute or two and think seriously about the part that those cadets might play in the world soon. Say, playing in the jungle of Laos!

With only two more issues of the Arg left, it reminds Jason that this year is about to be completed. The last Arg, a week from today, will of course contain a wrap-up of the big happenings on campus during the 1961-62 academic year.

Although not an extraordinary year for unusual events, this past year did have its share of exciting activity. Like the ASUI election, new SUB building, SUB burglar, and many more.

Also will come the annual Order of the Golden Fleece which, of course, is like receiving the Congressional Medal of Honor—Argonaut style. Still, Jason will select those people who he feels have helped immeasurably this year the University and the Argonaut.

200 Students Are Registered For State Vote

Some 200 students registered for absentee ballots Tuesday and Wednesday at a booth operated by the Vandals for Hansen committee in the Student Union lobby.

The group, which seeks support for Orvel Hansen, a Republican candidate for Idaho's second district Congressional post, had to stay open 45 minutes longer than expected Wednesday to meet student demand, according to Skip French, president of the organization. The hours the booth was to be open were to be from 3 to 5 p.m. each of the two days.

After checking records of past years, it was found that more students registered for absentee ballots during the two days than ever before, French said.

He added that students who registered should check the general delivery mail boxes in the Administration Building because some students filled out their Moscow return addresses improperly on the applications. Some of the letters sent will therefore be returned.

The committee sent letters to each county auditor in Idaho explaining the arrival of the absentee registration forms.

Working at the booth were French, Cliff Eldred, Jon Harms, Fred Freeman, Carla Plumb, Bob Plumb, Dave Tracy and Margaret Walker. Miss Walker, an administrative assistant in the College of Education, is a notary public and was at the booth to officially stamp the absentee ballot forms.

The Area Directors of the Activities Council made the final appointments to that Council last week.

Dr. D. Henderson Given Study Grant

Development of a new theoretical treatment of viscosity in gases and liquids by Dr. Douglas J. Henderson, assistant professor of physics at the University, has been aided by a \$600 grant from the American Academy of Arts and Sciences.

The grant is for the purchase of a calculator for use in the research. A paper summarizing the initial results of Dr. Henderson's work has just been submitted for publication.

Ideas For Retreat Aired By E-Board

ASUI President Ron Houghtalin suggested at Executive Board meeting Tuesday night that the Student-Faculty Retreat next October be held to about 50 persons.

In other business, Public Relations Director Phil Reberger announced that football coach Dee Andros and his staff were available for luncheon speaking engagements at campus living groups.

Dick Jennings, New Student Days chairman, reported that an informal dance will be substituted Saturday night during New Student Days for the all-campus mixer which was held on that night in the past. An all-campus mixer would conflict with the Boise game, Jennings said.

Jennings also told the board that the preliminary plans for New Student Days would be presented to the Administrative Council next Wednesday.

Fred Warren, who is directing the Student-Faculty Retreat, presented a tentative list of students who would be asked to participate in the retreat which is scheduled for next October 6-7. The list contains 31 names including the nine E-Board members, five activity council members, New Student Days chairman, AWS president, public relations director, and a number of honorary and club presidents.

Vice President Bill Bowes questioned the necessity of including the president of Blue Key and the board concurred. Unlike in past years, only one of the two Argonaut editors was included on the list. The Board replaced an "outstanding student participating in varsity athletics" with the I-Club president.

Board member Bill Frates

Thirty-eight years of work paid off for University of Idaho graduate, Lawrence H. Gipson, when he was awarded the 1962 Pulitzer Prize for history last week.

Gipson, who received his Bachelor of Arts degree from the University in 1903, began his ten-volume work, "The British Empire Before the American Revolution," in 1927, a few years after he had become head of the History and Government Department at Lehigh University in Bethlehem, Pa.

His doctorate thesis at Yale received the Justin Winsor prize of the American Historical Association. The sixth volume of his ten-volume series received Columbia University's Loubat Prize in 1948 and the seventh volume was awarded the \$2000 Bancroft Prize of Columbia University.

The University of Idaho gave Gipson an honorary doctorate degree in 1953.

SHOUP HALL GIVES BOESEL MEMORIAL
A trophy presented in memory of former Vandal baseball star Terry Boesel, who died as result of a swimming mishap last summer, will be given for the first time this year.

Terry Boesel

The presentation will go to the baseball player elected most valuable by his teammates and will be made during the final home baseball game this spring. The trophy is being given to the University by the men of Shoup Hall, where Boesel resided during his college career.

Boesel was the all-Northern Division first baseman last year and the leading hitter for the Vandals with a .321 average. He was a two-year letterman and would have had one more season of competition.

The Boesel memorial award becomes the sixth athletic trophy given to outstanding varsity athletes in the three major sports—football, basketball and baseball.

The Hec Edmenson award is presented to the outstanding football player by Kappa Sigma Fraternity. Dick Mooney, who doubles in football and baseball, received the Edmenson award this year.

Three trophies are given in basketball. The Ronald White award is presented by Sigma Nu fraternity to the athlete that has been most valuable to the team. Chuck White is the present recipient of the award.

The most inspirational player receives the Jay Gano award, given to the University by the Gano family, and the third award goes for scholarship and citizenship. This trophy was presented to the University by the Oz Thompson family in memory of the former Vandal great Oz Thompson. Junior Lyle Parks won both awards last season.

Also, there is a trophy that covers all sports. The Idahonian award, presented by the Daily Idahonian, is given to the individual considered to be the most outstanding senior athlete.

This year's presentation will be made tonight at the annual Senior Banquet at the Moscow Hotel. Last year's winner was Dale James, co-captain of Idaho's basketball team.

There is much speculation as to who will receive tonight's award. However, it is the general consensus of opinion that it will take a two-sport man to win it, even though James was a one-sport man. Even if the choice is narrowed down to two-sport competitors, that leaves a number of individuals. Well, we'll know tonight.

GYM CLOSURE

The Memorial Gymnasium will no longer be open on Sunday, according to Leon Green, head of the physical education department.

Tracksters Travel To Far West Finals; Johnson, Douglas Expected To Get Points

Idaho's track team, 16 strong, left Moscow this morning for Eugene, Oregon, and the Far West Championships. The Vandals will be competing against Oregon, Oregon State, Washington and Washington State.

According to coach Bill Sorsby, Oregon should have no trouble winning the meet. He also feels that Oregon State should finish second, with WSU third.

"Oregon is the best team in the nation," says Sorsby. "OSU is generally considered to be the number three team in the nation."

"Idaho and Washington will battle for fourth place in the meet," said the Idaho mentor. Sorsby said that the Vandals have never defeated the Huskies in the Far West meet, but added, "This will be our best chance in many years to beat Washington."

Idaho Points

Sorsby said that a number of Vandal tracksters have good chances for scoring points. Best bets, according to the track coach, include Bob Johnson, 440; Paul Hendon, steeple-chase; Dick Douglas, mile, Ed Jacoby, broad jump; and Reg Carolan, shot. In addition, the Vandal mile and 440 relay teams should make good showings.

Sorsby said a number of top names in track and field will be in Eugene. Best known is Byrol Burleson, Oregon's sub-four minute miler. Others are Jerry Tarr, NC-AA high hurdles champ from OSU; pole vaulter John Cramer, Washington; Harry Jerome, co-holder of the world record in the 100 yd. dash from Oregon; and distance man Archie San Romani from Oregon.

Poor Weather Slows Action As Horseshoes Get Underway

After delays caused by poor weather, intramural horseshoes is now under way. Lindley Hall is the defending champion. Keith Fenton was the individual champ last year. Bill Hill, TKE, won a Monday match by forfeit from Jim Renz, UH. In other matches Allen Blishop, CH, beat Mike Humback, KS, 2-0; Pete Fredrickson, ATO, won over Ed Light, DC, 2-1; Tony Wolf, SAE, ousted Greg Malcolm, PDT, 2-1 Gary Reagan, PGD, took Bill Mattis, ATO, 2-0; Larry Berg, LCA, beat Dennis Engler, CH, 2-1; and Jim Halte, SAE, downed Jim Marra, TKE, 2-1.

Tuesday, John Fink, KS, defeated Ed Borneman, SC, 2-1; John Tate, DC, won from Henry Kottkey, WSH, via forfeit; Andy Klemm, PGD, won over Eugene Harper, DTD, also by forfeit; Doug Bishop, CH, took Bill Hill, TKE, 2-1; and Peter Fredrickson, ATO, sidelined Tony Wolf, SAE, 2-1.

Ed Exum, ATO, downed Bob Hall, DTD, 2-0 in a Wednesday match. Exum came right back to sideline John Tate, DC, 2-0. Gary Reagan, PGD, won over John Fritz, SH, via forfeit; Jim Halte, SAE, beat John Berg, LCA, in another forfeited match; and Vern Helt, GH, beat Dale Karl, LH, 2-0.

In a League III softball clash, Frank Hoch hurled a shut out to lead his Lindley team to a 11-0 triumph over Campus Club. Still in League III, Gault bombed Chrisman 20-14, and Upham defeated

Catcher Jeff McQueeney drilled a home run over the left field fence with two on base in the eighth inning yesterday to give Idaho an 8-7 win over Oregon that ended a three game losing streak for the Vandals.

The Vandals, a 5-9 Northern Division record, have won at least one game from all of their Northern Division foes. The Ducks are still battling for second place in the ND standings with a 5-4 mark. Oregon beat Idaho yesterday 11-4 and held a 3-1 edge in the Idaho-Oregon series.

McQueeney's winning blow came in the eighth inning after two outs. Dick Mooney was on third and Chuck White was on first. Mooney had walked, gone to second on Bob Vervaeke's sacrifice and went to third on White's single.

For McQueeney, who had homered in the third, Thursday was the big day in his baseball career. The pair of homers were his first and second of his college career.

The Ducks started the scoring with one run in each of the second and third innings, but the Vandals came up with four runs in the bottom of the second to take a 4-2 lead.

Idaho scored on Pete Mooney's solo home run and Vervaeke's double which scored Bob Dehnung who had walked and Dave Sewright who had singled. The blast over left field fence was Mooney's second of the season.

Oregon displayed home run power in the third as the Ducks tied the score on Leon Hayes' homer with teammate Cal Dean aboard.

Idaho got a run in the third also but Oregon tied the game in the fourth. The Vandals were shut out by Oregon's Jack Jansen until their three-run eighth inning. Jansen came on in the second for Swanson and received the loss.

The Ducks broke the tie with a pair of runs in the seventh and led 7-5 until McQueeney's homer.

SENIOR BANQUET

The senior athletic banquet is tonight at the Moscow Hotel.

Footballers Fight For Picnic Basket

Idaho football coach Dee Andros is out to make tomorrow's spring practice session a real battle. The Vandal mentor who will send his charges through their last full-scale scrimmage of this spring's session, has promised his gridders a picnic following the fray.

The winning team eats; the losers have to serve and clean up. Coach John Easterbrook's Black team has a two-point, 14-12, edge in the series after last Saturday's game, but the picnic winner will be decided on total points, Andros said.

Personnel Changes

Only minor personnel changes were announced by Andros as he listed squads for Saturday's 9:30 a.m. clash. Easterbrook will get Dave Elder and Carl Johnson for his second unit guards. Rod Finley will be switched from guard to tackle.

Elder came off the injured list and Johnson was shifted from the White to the Black team to make room for another returnee, Don Matthews. Matthews, a letterman junior, returned to duty this week after missing last Saturday's game. He will be a second unit guard on Coach Dick Monroe's white team.

Andros indicated early this week that he was not satisfied with the performance of his team in workouts following Saturday's game. "I guess that the boys got to reading in the newspapers that I was pleased with their showing last Saturday," Andros said, "and forgot to bring their spirit to practice. We'll have a couple of tough workouts this week to see if we get some spirit back into this team."

Saturday's intrasquad game will conclude spring drills for the Vandals. They will return to the Moscow campus on Thursday, August 30 for the beginning of fall camp. Starting lineups for Saturday: White—ends Alex Klidzjes and Dar-

Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

First field trip

LESSON 7 - Keep moving

One of the most important rules of girl watching is this: keep moving. In fact, it is always a good idea not only to move, but to appear to be going somewhere. (This is especially important on group field trips.) Beautiful girls, although they enjoy being watched, are instinctively suspicious of strollers and downright fearful of loiterers.

The man who is walking briskly, who looks like he's "going places," makes a better girl watcher. For one thing, he sees more total girls and in the end he enjoys his hobby more. (If you are planning an extended field trip—to Paris and Rome, for example—be sure to pack a couple of cartons of Pall Mall.)
