Dairy Center

U-I Should Do Fine On Council OK

University President D. R. Theophilus told the Argonaut tonight that the University should be able to do a very fine job on the construction of the Dairy Science Center at the University with the plans approved Monday by the Permanent Building Fund Advisory Council in Boise.

The University had requested \$500,000 for the construction of the Buildings and \$475,000 was approved by the Legislature.

The Council approved the preparation of final plans and specifications for the Dairy Science Center, to be constructed one-half mile from the Pullman Highway, the renovation of the Science Hall, \$350,000 and the construction of a Potato Research Building at Aberdeen, \$350,000.

Whether bids on construction of the building are called for will depend upon (1) the availability of money and (2) the review of final plans and specification by the Permanent Building Fund Council.

The Council is authorized to act upon all items authorized by the Legislature to be built by the State, such as state hospitals, buildings of the University and Idaho State University and State penal institutions from the Permanent Building Fund.

Both Parties Post Poster Violations

Infractions for poster violations were numerous during the campaign—with most infractions for leaving posters up too near polling places on voting day.

Campus Union Party had the most violations, with Donna Streigel one, Barbara Suter one, Tom Bates two, Karen Otteson two and Kay Ranta one.

United had three infractions by Judy Manville, Ray Rocha and Judy Mustard.

Barry Nelson, United president; Arlene Marley, CUP president; Gary Green, Election Board chairman; and Carvel Whiting, Election Committee chairman, will discuss the violations and penalties later this week.

Music Convention Draws 200 Musicians

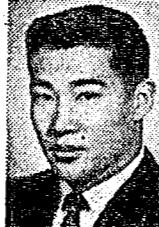

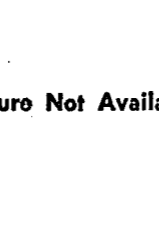

High school musicians will gather tomorrow and Saturday for the Fourth Annual University Music Conference sponsored by the Music Department.

More than 175 students from 35 Idaho, Oregon and Washington high schools are expected to attend, according to Hall Macklin, head of the Music Department.

Two of the concerts for the conference will be open to the public. Friday at 8 p.m. LeRoy Bauer, professor of music, will conduct the University Little Symphony in the Music Building Recital Hall. The concert will feature Thomas Turner, assistant professor of music, pianist, and David R. Whisner, assistant professor of music, cellist.

Saturday night David E. Seiler and Phillip H. Coffman will direct the high school honor band in a concert in the Administration Building Auditorium at 8. The band will be composed of 100 players chosen from recommendations of instructors.

The conference opens tomorrow with a talk about percussion instruments by John F. Moavwad, director of music, Skamania County, Stevenson, Wash. William Schink, director of instrumental music, Caldwell public schools,

TMA — 7 p.m., Cataldo.

Exec Board Votes Recognition To Scholastic Honor Graduates

Scholastic honors will be recognized on graduating seniors' diplomas for the first time this year.

A recommendation by Executive Board that honor students be recognized by a notation on their diplomas and colored tassels on their mortar boards was amended by Administrative Council to just recognize them with diploma notations.

Business at Tuesday night's Executive Board meeting covered subjects including KUOI, members' progress reports, Community Concerts, hiring of entertainment for the Junior-Senior Prom and Idaho Association of Student Councils.

Stories About E-Board
Because of the length and importance of stories about the Junior-Senior Prom, the IASC, Community Concerts and progress reports, these items are handled in separate stories.

KUOI's recommendation that the radio station be placed under the advisement of Alpha Epsilon Rho, communications honorary, was passed without dissenting votes after a lengthy discussion.

Buzz McCabe, station manager explained the reasons for the change as primarily continuity of policy and the experience of the honorary in working with radio-TV problems.

Money Problem Again
The major controversy centered around giving AERho the \$100 station manager's salary. Marlene Finney, E-Board member, objected to giving AERho the money because she said it would set a precedent for paying non-ASUI groups for services rendered.

Member Jay Sherman said that Exec Board doesn't set precedents, and is only responsible for running the ASUI functions as efficiently as possible. Therefore, he continued, it was not precedent-setting to pay AERho for its services.

Ex-Officio Honoraries

Mary Lynne Evans, E-Board member, proposed that freshman scholastic honoraries Alpha Lambda Delta and Phi Eta Sigma be made ex-officio members of the Educational Improvement Committee. Again the proposal was passed with no dissenting votes.

Miss Evans also announced that all E-Board members should be present Saturday at 10 a.m. for a half-hour session about the University to acquaint them with aspects of the institution with which they are may not be familiar.

Frates announced that after the session he would run takes of speeches given at the Pacific Student Presidents' Association.

Children's Play Cast

Karen Sterner, Alpha Gam, Richard Parker, Willis Sweet, Richard Nelson, Kappa Sig and Terry Bolstad, off campus, received the leads in "Niccolo and Nocollette," a Children's Theatre production, at Monday and Tuesday tryouts.

The play is about a young girl, named Niccollette, Karen Sterner, who works in her uncle Magnus' toyshop. Niccollette discovers that her uncle Richard Nelson is a magician. Seamus, a peddler, played by Terry Bolstad, and Niccollette discover that Magnus has cast a magic spell on the prince Niccolo and turned him into a puppet. Nikki, played by Richard Parker, only becomes alive at night. The remainder of the play involves the efforts to rid Niccolo

of the spell, according to Coleen Fordyce, student director.

Cast Members
Other cast members include Randy Howland, Willis Sweet, as the Turk; Don Volk, Gault, Berge; Marilyn Muir, Hays, as the Duchess; Julia Martineau, Houston, customer, and Bonnie Branson, Alpha Gam, as the Leprechaun.

Bekki Hove, Kappa, Susan Lee, Alpha Chi, Wayne Cornell, Gault, Cary Ambrose, Pi Phi, Martha Turner, Alpha Phi, Kathy Schorzman, Pine, and Nikki McDonnell, Kappa.

Assistants to the director are Lorene Richards, off campus, and Donna Newberry, Forney, State manager is Grayson Gibbs, Sigma Chi, and assistant

technical director is Martha Turner.

Committees
Heads of committees include costumes, Jimmie Sue Gregory, Hays; lights, Walter Brennan, Lindley; properties, Betsy Wickes, Hays; sound, Lavona Utz, Campbell; make-up, Nancy Woodworth, Campbell; paint, Melodie Smyser, Alpha Phi; publicity, Emogene Warner, off campus, and staging, Gary Rogers, off campus; Penny Sales, off campus, is house manager. Production dates are December 6 and 7. There will be a performance at 7:30 p.m. on Friday and 9:30 a.m. and 2:30 p.m. on Saturday. The general public is encouraged to attend the Friday evening performance said Mrs. Fordyce.

Voting Turnout Is Substantially Less

Campus Union Party gained five offices more this year than last, but lost one of the presidencies. Last year United had the senior presidency plus eight other offices, and CUP had three presidencies plus four additional offices.

This year CUP won the freshman and sophomore presidencies — for a total of 12 offices. United won the junior and senior presidency plus two other offices for a total of four offices. Voting was down in all classes from last year.

United Gets 3 Seniors

Although the senior vote dropped from 450 last year to 330 this year, United Party won three and lost one senior position. Last year United had all four spots.

Derald Hurlbert, SAE, defeated John Steinbrink, Lambda Chi, 164 to 144 for the presidency. There were 18 write-in votes for senior president.

Jay Nye, FarmHouse, defeated Dinnen Cleary, Phi Delt, 177 to 143 for the vice presidency. Six write-ins were posted.

Joan Anderson, Kappa, defeated Donna Streigel, Ethel Steel House, 163 to 161 for the secretarial position. Sharon Gygli, Alpha Phi, defeated Kay Ranta, French, 174 to 149 for the treasurer's spot.

Juniors Reverse Voting

A complete turn-over party-wise occurred in the junior offices. Last year CUP had the presidency with United people occupying the other positions; this year United got the presidency, CUP the other spots.

Voting was down in the Junior class—as well as the other three classes. Votes dropped from 594 to 484.

Jim Faucher, Sigma Chi, had 244 votes, with Clyde Weller, Upsilon, polling 208. Jim Fields, FarmHouse, had 246 votes for vice president, to Ray Rocha, Beta, 217.

Gail Nystrom, Hays, had 263 votes for secretary over Sue Rasmussen, Kappa, 213. Janet Orr, Pi Phi, also claimed 263 votes as treasurer to Donna Sevens, DG, 203.

CUP Sweeps Sophs

United lost its only Sophomore office to CUP this year as CUP copped all four positions. United

had the treasurer's position only last year.

Sophomore voting dropped from 725 to 662.

Tom Bates, Kappa Sig, had 342 votes for president to 300 for Rick Hicks, SAE. Harold Sasaki, Phi Tau, had 382 for vice-president compared with 267 for Bob Bartlett, Beta.

Chris Hunt, Forney, had 372 votes for secretary with 279 votes going to Cathy McCloud, Alpha Chi. Barbara Suter, Campbell, had 354 votes for treasurer compared with 297 for Judy Manville, Pi Phi.

And CUP Sweeps Frosh

With a total vote of 970 compared with last year's 981, the Frosh vote was heavily CUP in all four offices.

Larry French, Lindley, defeated Gene Stubbs, Fiji, by 571 to 363 for the Frosh presidency. Doug Finklenburg, Upsilon, won vice presidency from Bill Morrow, Sigma Chi, by a vote of 526 to 426.

Karen Otteson, Forney, polled 575 votes to Judy Mustard, Pi Phi, 387, while Ann Randall, Pine, defeated Karen Pyrah, Kappa, 599 to 358.

Straight-ticket voting was seen more for straight-ticket Campus Union Party ballots than for United during this election.

More seniors voted straight United than CUP, but the Sophomore, Junior and Freshman classes voted more straight CUP tickets.

Seniors voted 102 United straight ballots to CUP's 94; Juniors went 145 straight CUP to 115 straight United; Sophomores 216 straight CUP to 107 straight United; and Freshmen 363 CUP to 226 straight United.

Ballots -- Humor Or Disgust?

Election ballot humor was less humor and more downright disgust—especially in senior ballots—this year than last, although there weren't many odd write-ins.

Examples of senior ballot comments:

—"Since the class officers have no duties this entire election is a farce. The time and money spent could have been better spent on drinking."

—"How much longer this foolishness." Accompanied by write-ins reading none for all four officers.

—"Barf on class officers." But this voter's ballot was properly stamped and marked and considered valid.

—"I vote for a keg of beer."

And one constructive comment:

"I feel that the idocy of campus politics should be abolished and all student affairs managed by a full-time student activities manager."

"PROBE" To Discuss Morality

"Probe," a student-produced television panel show, will introduce the first of a series of shows dealing with morality on the University of Idaho campus next Thursday evening.

The panel will consist of three students who will interview experts from the faculty and staff on such subjects as women's regulations, drinking, co-ed living problems, and the University image projected by the students.

This year's morality series will be a continuation, presenting new ideas and opinions, of last year's two-program discussion titled "Cars and Bars" and "Why Regulations?"

The "Probe" staff is headed by Mary Gladhart, Gamma Phi, who serves as program co-ordinator and moderator. Staff members are Tim Madden, Sigma Chi; Bob Ashley, Lambda Chi; Barbara Weeks, Alpha Phi; and Lynn Andrews, Gamma Phi.

"Probe" is broadcast each Thursday at 6:30 p.m. over the University closed circuit television station, KUID-TV, on channel seven.

Soprano First Of Series For Community Concerts

Nan Merriman, internationally known soprano, gave the first community concert in the current artist's series Monday night in the Memorial Gymnasium.

Highlight of the first part of the program were three Arias from "Songs of a Wayfarer," song cycle of Gustav Mahler. Others were "Open Thy Heart" by Bizet and "Il Es Doux" by Massenet. The second part of the program was highlighted by Miss Merriman's rendition of folk songs.

Glen R. Lockery, professor of music, told E-Board Tuesday night that the \$2,000, contributed each year to the community concerts program by students, gives them a "stake in the enterprise," but that student participation tends to be very poor for individual artists.

He noted that the gym is usually nearly full for operas and ballets, but audiences are poor for individuals. He also criticized lack

of communications from the concert association to the students for not giving students a better idea of the value of the individual performers.

"What has happened lately with television and the rapid pace of things is we are finding that the single artists are having a terrific time to compete with groups. The audience (at community concerts) has dwindled over the past 10 years until last night we had only 100 students in the audience of 800," Lockery said.

Lockery suggested forming a student promotional group to assist the association with publicity, Mary Lynne Evans, E-Board member, suggested that the Educational Improvement Committee help the concert association.

The next artist will be renowned cellist, Janos Starker, who will appear Feb. 20, 1964. These concerts are open to students on presentation of their ASUI cards.

SMALL SMOKER — Three Sophomores attended the Sophomore Class speaker Tuesday night in the Student Union. Tory Nelson, Upsilon, moderated. Seven of the eight candidates—who out-numbered their audience—are Barbara Suter, Campbell; Chris Hunt, Forney; Harold Sasaki, Phi Tau; Tom Bates, Kappa Sig; Bob Bartlett, Beta; Judy Manville, Pi Phi; and Rick Hicks, SAE. Not pictured: Cathy McCloud, Alpha Chi.

Dear Jason!

Editor Policy?

EDITOR'S NOTE: The following Dear Jason from United Campaign Chairman Larry Nye points out a misunderstanding regarding pictures for candidates. Mr. Nye was informed by Associate Editor Kip Peterson that they could be obtained from the Geni files. However, he misunderstood and felt they would be obtained for him by the Argonaut. A slight was not intended by the Argonaut, as the official policy of the newspaper supports the two party system. A deliberate attempt is made to restrict editorial opinion to the editorial page and not to extend it into the news section.

Dear Jason:

Freedom of the press entitles you to express your own opinions, but in handling an important ASUI position, to which you were appointed by the Executive Board, you are socially bound to be unbiased, objective and beneficial to the entire campus and student body in presenting criticisms. However, since the kick-off of class elections, Argonaut editorials have been dedicated to the degradation of the United Party and its slate of candidates.

Your personal attitude has been as disgusting as your editorial policy. Upon turning in the information for your fifth-page coverage of candidates and qualifications for class officers, I was informed by Associate Editor, K.P., that she "couldn't care less" if the United slate was included. At this time, she also assured me, for the second time, that no pictures were necessary for candidates above the Freshman level. These pictures she would pull from the Geni files, Tuesday, November fifth's Argonaut was printed without including a single one of the concerned candidates' picture — at least not for any United candidate.

I feel that Executive Board action is in order. But I imagine that you have thought of this too, and knowing that E-Board is dominated by CUP you feel perfectly safe, which perhaps you are. Possibly this is what gives you the gall to write what you do.

I challenge you to do the job to which you are appointed in a manner more beneficial to the University, and, I might add, using language more fitting for public print. The only strong body is the one in which all of its members work for the benefit of all. If the Argonaut is used as a means of personal vengeance, this school will never function at its maximum efficiency, the goal for which United Party and I are working.

Larry Nye
United Party

Mines Releases New Publication

The first issue of a new kind of publication for Idaho has been released by the Idaho Bureau of Mines and Geology, it is announced by Dr. Roland R. Reid, acting dean of the University College of Mines and acting director of the bureau.

The publication is an attempt to describe the geologic features that lie along U.S. Highway 93 in Idaho to the professional and amateur geologist. It is accomplished by means of strip maps and road logs from Lost Trail Pass in the north to Jackpot in the south.

Entitled "Geology along U.S. Highway 93 in Idaho," the publication was prepared cooperatively with the U.S. Geological Survey and was written by Dr. C. P. Ross of the USGS, a long-time student of Idaho geology.

"The tourist passing through Idaho, the professional geologist and the high school science student will find it very useful," said Dr. Reid.

Listed as Pamphlet 180, the publication may be purchased from the Idaho Bureau of Mines and Geology, Moscow, for \$1.50.

Monday Classes Are Scheduled

Classes will be held Monday day, Veterans' Day, ordinarily observed as a holiday. The Friday after Thanksgiving, Nov. 29, both administrative and academic offices will be closed to compensate for elimination of the Veterans' Day holiday, according to University President D. R. Theophilus.

Priest Discusses Race Problem In The North

"Ours is an age of protest against hypocrisy," Father John Hopkins, a negro priest from Spokane, said here Tuesday in speaking to Newman club members and guests on the civil rights issue.

Father Hopkins, who last year was one of three delegates from the Northwest to the National Conference on Race and Religion in Chicago, emphasized that many Americans are hypocritical in that they give the outward appearance of disapproving of racial prejudice while actually practicing or believing it themselves.

He said that court decisions and legislation alone would not end the civil rights conflict, because this social revolution is taking place on the "level of human conscience" as well as on the "legal-political" level. It is on the former level, he said, where there is "great danger of losing the battle."

The priest also cited instances to show that racial prejudice was very much in existence in the North. He said many Northerners were blinding themselves to the facts that the "contagion of prejudice" hasn't reached their minds. He said that a number of communities in the Northwest exclude negroes by making it clear that they are not welcome there. In denying that the desegregation movement was an operation of the "imagic fringe," Father Hopkins said, "There is nothing extraordinary about wanting to be treated as a human being."

The question and answer session which followed the priest's address centered about the topic of interracial marriages. In answer to a question on this subject, Father Hopkins said, "Providing that the couple is mature enough to realize the problems in-

Air Science Has New Prof

A command pilot with over 3,500 flying hours and a diversified military career has come to the University as Air Force ROTC professor of air science, this fall.

A native of Columbus, Georgia, Lt. Col. Robert Ogletree left Georgia Tech to join the Army Air Forces as an aviation cadet. His decorations for participation in World War II include the Silver Star, Air Medal and Purple Heart.

Col. Ogletree was assigned to Auburn University in 1947 to complete college. He graduated in 1949 with a BS degree in Aeronautical Administration and immediately departed for duty in the Far East where he served in Japan and Korea.

Upon returning from Japan in 1952, Col. Ogletree was assigned to the Air Defense Command. Following his tour of duty with the Central Air Defense Force in Kansas City, Col. Ogletree was assigned to the Wharton Graduate School at the University of Pennsylvania where he earned the degree of Master of Business Administration in 1955.

Col. Ogletree has served with the Directorate of Statistical Services at the Pentagon and with NATO in Naples, Italy. He attended an academic instructor course just prior to being assigned as PAS at the University.

More Groups To Interview

Placement interviews are being conducted by the University Placement Service. Those interested in being interviewed should bring an appointment in the Placement Office.

Students will be informed throughout the year of placement interviews by the office. Groups interviewing next week are the following:

Nov. 12: Standard Oil of California and Alexander Grant and Co., Placement Office; and General Electric Company, Engineering Building.

Nov. 13: Standard Oil of California and California Research Corp., and Bureau of Public Roads; Engineering Building; and General Electric, Placement Office.

Nov. 14: Standard Oil of California and California Research Corp., Westinghouse, and U.S. Coast and Geodetic Survey, Weyerhaeuser, Engineering Building, First National Bank of Oregon, Weyerhaeuser, and Price Waterhouse and Company, Placement Office.

Nov. 15: Dept. of the Navy, Bureau of Ships, General Dynamics Astronautics, B.F. Goodrich Chemical Company, and Bureau of Reclamation, Region 1, Engineering Building.

This is the first program presented by the committee under the chairmen, Jim Freeman, Sigma Chi, and Julie Hyslop, Tri Delta.

The next program will be a foreign student forum in December.

Prof's Book Discussed At Law Meet

Community property law was the theme of the annual University of Idaho Law Institute held Tuesday and Wednesday at the Student Union Building.

The sessions centered around the book entitled "Community Property Law of Idaho" written by Dr. Brocklebank, professor of law at the University, who also recently received a national award for his work in international enforcement of support.

Speakers from various other Western universities were also present at the conference. Among them were Professor Harry Cross, University of Washington law faculty member and Frank Butler, Spokane attorney and Gonzaga University law professor.

Others who spoke included William S. Holden, senior partner of the firm of Holden, Holden and Kidwell; Idaho Falls; Sherman Bellowood, former District Judge and president of the Idaho Bar Association; Rupert; and Robert E. Bakes, assistant U.S. Attorney, San Francisco, Calif.

P.E. Chairman Given Office

New national recognition has come to Mabel Locke, University professor and chairman of Women's Physical Education.

Miss Locke has been named Northwest representative to the Board of Directors of the American Association for Health, Physical Education and Recreation. She will represent Idaho, Washington, Oregon, Montana, Alaska and Hawaii.

FLOAN APPOINTED

Michael S. Floan, Lewiston, a 1959 graduate of the University College of Business Administration, has been appointed superintendent of the plywood plant of Potlatch Forests, Inc., Lewiston.

PRESBYTERIAN DAY SCHOOL

for pre-school children, non-denominational. Call Church Office. TU 3-2343.

Group Plans Legal Aid Society

The possibility of establishing a legal aid society for University students, with possible expansion to other fields continues to be a subject for discussion and possible action in the near future, according to Larry Hansen, Phi Alpha Delta vice-president.

The Idaho chapter of Phi Alpha Delta, legal fraternity, has in the past years considered the establishment of such an organization, which would provide free legal help to students who might not otherwise be able to afford such services.

Hansen also pointed to the current program of the fraternity of securing speakers from state law firms for luncheon meetings as a probable method of acquainting local law students with attorneys throughout the state. Last week's luncheon guest, Robert Williams, Moscow attorney, discussed the problems of setting up a practice.

The law fraternity plans initiation of new members next week, at which time the possibility of actuating a true legal aid society will likely be further discussed, according to a fraternity spokesman.

Slate Tryouts, Workshop

A workshop for women students interested in trying out for Vandalettes, women's drill team, will be Tuesday at 9:30 p.m. in the Student Union Building.

The workshop is being held to acquaint the applicants with the steps they will need to know for tryouts, according to Karen Petersen, Phi Phi, drill master.

Tryouts will be held Thursday at 6:30 p.m. in the SUB, and four judges will chose the team.

Tryout judges will be Philip Coffman, assistant band director; David Seiler, band director; Carol McCreary, Alpha Phi, Vandalette president; and Joanna Blood, Ethel Steel, Vandalette secretary.

Idaho Graduate Publishes Book

Dr. Dwight J. Ingle, an Idaho graduate from Kendrick and now chairman of the Department of Physiology at the University of Chicago, is the editor of a new book, "A Dozen Doctors."

The book, published by University of Chicago Press, contains autobiographic sketches of some of the world's most outstanding physicians, including five Nobel prize winners.

The selection made by Ingle cover men who spent their lives at the bedside as well as those who served in laboratories. Among the doctors sketched are Sir Henry Dale, acknowledged dean of experimental medicine in Great Britain, and Dr. George Whipple, who studied tropical diseases in the Canal Zone and later discovered and refined the potent liver extract treatment for anemia.

Auto Economy Run Saturday

The Society of Automotive Engineers is sponsoring an automobile economy run. The economy run will start at 11 a.m. Saturday and will last until 4 p.m. All people entering will run a 60-mile course and the gas will be furnished.

For entry blanks contact Rolfe Armacest, John Schuette or Professor Neal Hicks in the Engineering Building.

Car Wash For Students Completed

A car washing area for all student use has been completed on the north side of the Wallace Residence Center, George Gagon, University engineer, said today.

The newest student facilities area provides five water faucets and hoses. The place for parking cars while being washed is asphalt covered.

Rapid progress was being made on the student recreational and parking area north of McConnell, Upham and Gault halls "until the rains came," reported Gagon. Concrete work has been completed for basketball and volleyball courts, but mud has held up the gravel-surfacing of the new parking area. This area will provide space for more than 70 cars.

Commenting on the recent widening of sidewalks on Deakin and University avenues, from the Student Union Building to the main campus steps, Gagon said that "the widening did not come any too soon." He added:

Frat Wants U-I Chapter

Members of the University have been invited to organize a chapter of the Kappa Sigma Kappa fraternity.

"An article in a recent issue of a national magazine pointed out that your institution was interested in attracting more students. We believe that a chapter of KSK on your campus can, at least to a small extent help attract progressive young college men to your campus," stated George R. Jefferson, executive secretary, in a recent letter.

The objective of the national fraternity is to bring the benefits of fraternal membership to men without cost being prohibitive. No fewer than 15 college men interested in founding a chapter are necessary. Only a token membership fee will be charged.

Kappa Sigma Kappa is an independent fraternity, reorganized at its August 1962 convention.

Ship Comedy To Be Showed

"Wackiest Ship in the Army," a light comedy, will be featured by the Student Union Borah Theater this weekend.

According to Ron Post, Sigma Nu, chairman of SUB movies, the movie not posted on the Campus Calendar, will be shown Friday at 7 and 9 p.m. and Sunday at 8 p.m. at the regular price of 35 cents for singles and 60 cents for couples.

The movie stars Jack Lemmon, a Navy lieutenant, and Ricky Nelson and John Lund who are under his command.

Lemmon is assigned his first command aboard a beat-up sailing vessel whose structure and parts are a complete mystery to his crew, who have been trained to operate a steam-powered ship. Their attempt to operate the vessel results in great comedy.

The Golden Fleece

By Jason

Sine Die!

The 1963 Class-Officer campaign and election is officially closed with the publication of this newspaper. Although Jason doubts the necessity of class officers, the students of this University decided last year they should be maintained.

Now it is up to the newly-elected class officers to prove that their offices can serve some other function, other than a popularity position or an honorary for those with the most campus activities.

Qualified For What?

The Argonaut criticized United heavily during the campaign for not selecting the most qualified candidates put up by United Caucus.

However, it is apparent that even though CUP did the best with what they had and United did not, United had, on the whole, a more qualified slate of officers in the campaign.

The question remains. Qualified for what? Granted, presently the officers have no earth-shaking duties to perform. But perhaps good officers could prove their worth.

At any rate, if class officers are to serve as only an exclusive society or honorary, those elected to their positions should deserve them. This, at least, is better than a popularity contest.

No Interest

It seems the smokers during the campaign were poorly attended. The Argonaut has been criticized for not giving them enough publicity.

Be that as it may, we were not aware there were to be smokers. Poor coverage resulted because of poor communication with the Argonaut.

And, we're wondering just what kind of attendance there would have been with coverage?

Also, several houses were not called and specifically notified about the smokers. This fault lies with the parties.

House News

Pledges Honored

ALPHA CHI On Oct. 29 the Alpha Chis and TKE's had an all house dinner exchange with members eating at the TKE house and pledges eating in the Alpha Chi house. Halloween night the Alpha Chis were dinner guests at the Sigma Nu house. Entertainment and dancing completed the traditional evening exchange. The Alpha Chis gave a morning costume party on Oct. 28 for children of their alumni. Lunch was served to the guests at the close of the party. "Mist Place" was the theme of the Alpha Chi pledge dance which was held Nov. 1. Decorations created a beatnik atmosphere for the costume dance with people sitting on the floor beside low tables. The annual Buddy Breakfast where each Alpha Chi invites another girl to breakfast will be held Nov. 9. HAYS HALL After weeks of secrecy, the big sisters claimed their little sisters at an after hours party Sunday. Entertainment followed with singing and a pantomime. The traditional Halloween exchange between Hays and Lindley was held Oct. 29 with half eating at Hays; the other half at Ballard and all meeting at Hays for the dance. GAMMA PHI The annual pledge dance presented by the pledge class of 1962 was held Nov. 1. The theme was "Embalmer's Ball." Dr. Fan spoke to the Gamma Phis after dress dinner on the situation in Formosa and Vietnam. An all house exchange for Campus Chest was held recently with the Delta Sigs and the pledges held an exchange with the Fijis on Wednesday. FRENCH HOUSE At an after hours fireside, Thursday night, freshmen entertained the upperclassmen by announcing their big sisters. Karen Roberts was elected secretary to replace Sue Reese who moved to Houston. Mary Lee Mordhorst was chosen Girl of the Month. ETHEL STEEL Ethel Steel is busily preparing for their annual fall dance to be held Nov. 16. The theme will be "Granny's Pad" and music will be provided by the

Dimmen-Cleary Trio from the Phi Delt House. BORAH HALL Hall officers for the semester were elected Monday night with the following results: Bob Stanfield, president; Bill Conley, vice-president; Mick Taggart, secretary; Wes Rhodes, treasurer; Ray Lamb, social chairman; Dexter Yates, intramural manager; Bob Mann, sergeant at arms; Mike Russell, Residence Hall Council. "Wipe Out," Borah's first fall stomp, will be held Nov. 16. Chairmen of the dance are Bill Conley and Larry Godfrey. FARMHOUSE FarmHouse held its annual hayride Saturday evening. After arriving at their destination a barn dance, games and a wiener roast were held. FarmHouse recently serenaded the Alpha Gams in honor of the pinning of Janice Carlson to David Walters and the Tri Deltas in honor of the pinning, engagement and approaching marriage of Karen Smith to Tom Stroscheln. FarmHouse recently held an exchange with Pine Hall. PHI KAPPA TAU Merlino Ahrens and Lyle Sall were inducted into membership recently. Pledges tubbed Lyle Sall, Sunday for his recent engagement. Idaho Phi Taus played their annual football game with the WSU Phi Taus Sunday afternoon. The pledge dance, "The Mough" will be held this Saturday evening. PHI DELTA THETA Committees for the first semester were formulated at a recent meeting of the Phi Delt pledge class. Three of the committees and their members include: project committee, Ray Crowder, chairman; George Wilson, Jim Mix, Larry Woods and Jim Dinsmore, advisor; scholarship committee, Leo Jeffries, chairman, Gary Sherlock, John St. Clair, George Buxton, Phil Marshall, John Wales, advisor; social committee, Jim Tegan, chairman, Ray Fortin, Greg McGregor, Bill Hulinga, Adrian Nelson and Doran Parkins, advisor. The group has also completed work on a pledge manual. The

booklet lists members, rules, committees, activities and a weekly study schedule. SIGMA CHI Sigma Chis will hold their annual pledge dance "VIP's" Friday night at the New Idaho Hotel. Couples in raunchy clothes will dance to the music of "The Hustlers". Pledges exchanged with the Theta pledges Wednesday night. Cosmos Will Discuss Religion "Religion Throughout the World" will be the topic of the panel discussion at the Cosmopolitan Club meeting Sunday at 7:30 p.m. in the Galena Room of the Student Union Building. Foreign students from India, Nepal, Persia (Iran) and Northern Rhodesia will be featured on the panel. Moderator is Susan Myers, Pi Beta Phi. Topics such as marriage and burial rites will be discussed. The Washington State University Cosmopolitan Club will be guest at the discussion. Approximately 100 are anticipated, according to Miss Myers. The public is invited. Wool Contest To Host 40 More than 40 contestants from the University and Northern Idaho will participate in the annual "Make It Yourself With Wool" contest Saturday. The young women will model clothing they made in a style show at 2:30 p.m. in the Home Economics Building. Winners in the event will move on to state competition. AG BAR B-Q Ag Council will sponsor their annual public Bar B-Q Thursday at 6 p.m. in the Field House. Tickets are available at the office of J. E. Kraus, dean of the College of Agriculture, in the Ag Science building. Adult tickets, \$1, and children's tickets, 50 cents are also being sold by Jim Olson and Larry Edgar, FarmHouse. CHEVALIER SERVICE A Chevalier memory observance will be held today at 6:00 p.m. at the Moscow Hotel. Anyone having questions should call Gary Green or Chuck Walton at TU-21193.

COED VISITS — Sue Solomon, daughter of Mr. and Mrs. John Solomon of Sandpoint, visits with Idaho Congressman Compton I. White, Jr., during a recent trip to the nation's capital. The University of Idaho junior represented the Gem State at a meeting of the National Education Association's Council on International Relations.

H. S. Students Meet With EB

High school students from all parts of the state will meet at the University for the annual convention of the Idaho Association of Student Councils Nov. 24-26. Mike Brady, Moscow High School senior and president of the organization, requested permission to hold the meet at Idaho and outlined its activities at the Executive Board Tuesday night. Holding the convention at Idaho will give more southern Idaho students a chance to see the campus, suggested Brady. Six discussion groups led by the University students will be a feature point of the convention. A faculty speaker is scheduled at the opening of the meet.

Rings 'N Things

TUBBS-DARDEN At a fireside Monday night, Nancy Tubbs, Alpha-Gam, passes the traditional candle to announce her pinning to Jim Darden, Kappa Sigma. SMYSER-BLOWER Pat Matheny, read a poem while a blue candle entwined with white carnations was passed and claimed by Melodie Smyser, Alpha Phi, who announced her pinning to Bob Blower, Phi Delt. GLADHART-PENGELLY At dress dinner Sunday, Mary Gladhart, Gamma Phi passed a cornucopia around after Mrs. King, housemother, read a poem. She then announced her pinning to David Pengelly, Phi Kappa Sigma, from University of Washington. GLADOWSKI-MAHN A poem was read, a pink candle with white roses was passed, and Mary Ellen Gladowski, Gamma Phi, blew out the candle to announce her pinning to Gary Mahn, Sigma Nu. WERRY-STARK Betty Benson, surprised the Tri Deltas at dress dinner Wednesday evening, by announcing the pinning of Carol Werry, Hays, to John Stark, Delta Chi. KLAAREN-FRENCH Perry Mason loses case — Sue Klaaren, Hays announced her pinning to Skip French, freshman law student, at a fireside Oct. 29. A blue candle entwined with white baby mums and blue roses, signifying Phi Delt colors was passed in the Hays courtroom by six members of the jury: Barbara Mac Dee, Penny White, Sandy Banks, Carolyn Cripe, Barbara Neffert, and Dorothy Van Lobensels. HILFICKER-LYONS Lynne Hilficker, Theta, announced her pinning to Jim Lyons, Sigma Chi, by passing a pink candle entwined with white and pink carnations at Wednesday night dress dinner. PEITZ-BOATRIGT Betty Swigart, used a white candle entwined with white daisies and red rose buds to announce the pinning of Elaine Peitz, Pine, to Billy Boatright, Theta Chi; Terry Clark gave a reading, "Romance" by Robert Louis Stevenson.

Church News

Speakers Talk To Churches About Race And Religion

NEWMAN CLUB Reverend John Hopkins, a Negro priest from Our Lady of Fatima parish in Spokane, spoke on current inter-racial tensions and human rights controversies Tuesday in the Gold Room at the SUB. He is one of the guest lecturers sponsored by the Newman Club this year. LUTHERAN STUDENTS Reverend Karl Koch, pastor of the Pullman Lutheran Church will discuss "What Is Theology?" Sunday at 5 p.m. at the Campus Christian Center. LDS George Hsu, a graduate student from China, will speak about his native land at 7:30 tonight at the Mutual Improvement Association Meeting. An informal dance will be held after the program. WESTMINSTER FOUNDATION Reverend Richard Lundy will lead a discussion on "Ban the Bible" at a coffee hour at the Campus Christian Center at 4 p.m., Nov. 15. The public is invited. UNITARIAN Stanley Thomas, director of the Campus Christian Center, will discuss Bishop Robinson's book, "Honest to God," at the Sunday meeting of the Unitarian Fellowship at 10:30. The Channing Club, the Unitarian discussion group, will meet at 6:30 Sunday evening also at 500 Oak St., Pullman.

Blue Bucket Hosts German Buffet Sunday

German food, music and atmosphere will prevail as the Blue Bucket Committee present a German buffet this Sunday evening in the Student Union cafeteria. Featured at this buffet will be German food of all kinds and the selection will be available from 5 p.m. to 7:30 p.m. Hostesses and waitresses will greet their patrons in German costumes and as the guests eat, German music will be played in the background. Prices for the buffet will be \$1.75 for adults and \$1.35 for students and 75 cents for children under 12. This is the third Blue Bucket which has been held this year and the Blue Bucket committee has assisted with buffets for Parents Day and Homecoming. The two previous Blue Buckets have served varieties of pancakes. Somewhere between Murphy's Men's Apparel and Shoup is a missing pair of suit trousers. The loss was reported to Dewey Newman in the Office of Student Affairs. Alfred Susu, a student from Nigeria, lost his trousers of his suit off a hanger while carrying it home to Shoup. That was at 11 a.m. Oct. 31.

Trousers Lost On Way To Shoup

Somewhere between Murphy's Men's Apparel and Shoup is a missing pair of suit trousers. The loss was reported to Dewey Newman in the Office of Student Affairs.

Vandals Go For Wildcats; Vandal Babes Go For Couababes

The Idaho Vandals shoot for their first road win of the season and their second in a row over the Arizona Wildcats in Tucson this Saturday night.

Coach Dee Andros' crew holds a 4-3 mark this season with all three losses recorded on the road. Last year Idaho upset Arizona, 14-12, in Tucson.

"We appear to be about equal in strength," Andros said when evaluating Arizona, "but we'll have to play our best game against them if we are to be in contention to win. We were overly cautious against Washington State in the first half last week and that hurt us. We'll have to be more reckless against Arizona."

Andros had words of praise for Rich Naccarato, junior halfback who is the team's leading ground gainer. "He just sticks his nose in there and goes after the yards. Naccarato is the holder of 4.4 average with 314 yards in 70 carries. Galen Rogers, co-captain fullback, moved back to second spot with 188 yards on 53 carries.

Vern Leyde continues to lead the team in receiving on the strength of four sensational catches against WSU. He now has 13 grabs for 208 yards. Gary Mires is still the top passer with 26 completions in 56 attempts for 434 yards.

Punter Mickey Rice boosted his average back to 39.5 with a 45-yard average last Saturday.

Wingback Bill Scott is still the top scorer although he was shut out last weekend. His 32 points lead the team. Mike Jordan, Naccarato and Rogers all have 24 each. End Mike Mayne has accounted for 20 points with his toe, the most since Jerry Kramer racked up 24 in 1956.

Starting Lineup
Starting lineups for the Vandals are Vern Leyde, Mike Mayne, ends; Jim Moran, Max Leetzow, tackles; Don Matthews, Denny Almqvist, guards; and Steve Buratto, center.

In the backfield it will be Gary Mires, quarterback; Rich Naccarato, halfback; Bill Scott, wingback; and Galen Rogers, full back.

Army Group Begins Judo

Grunts, groans and yells may be heard from the basement armory of Memorial Gym each Thursday night as the recruits for a new Army ROTC extra-curricular activity learn the holds and throws of Judo. The new organization is known as Chrisman's Raiders, named after Brigadier General Edward Chrisman, the first PMS at the University of Idaho in 1894 and a man who served a total of 20 years in that position on this campus.

The "Raiders" can be termed a "Counter-Guerrilla" unit and their training will be similar to that given to famous Army Special Forces Units. Cadet Lt. Colonel John Schaufelberger, commander of the unit, stated that its purpose is to develop physical agility, mental alertness and leadership through participation in rugged practical training. The Raiders recently completed a course in hand-to-hand combat and are currently undergoing Judo training.

Five local Judo instructors have been employed, headed by Moscow Policeman Harry Pfister, a holder of the Judo Black Belt classification. Future training will involve firing weapons of all types, first aid, communications, map reading, survival techniques and ambush patrols, according to Captain Charles Ruth, Army ROTC advisor.

The response from the cadets has been so great that the number had to be held to 55. Participation requires a 2.2 grade point and the unit will be uniformed in Jungle fatigues and the distinctive Special Forces-type black beret.

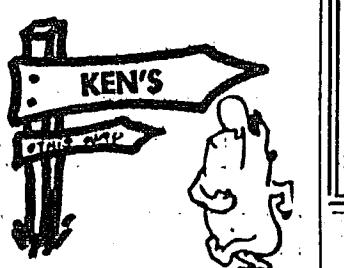

Arg Erred On Football Pic

WE MADE A GOOF.

We, the sports staff of the University of Idaho Argonaut, would like to apologize to the Vandal football team for the picture run in the Tuesday, Nov. 5, issue of the Arg.

The outline beneath the picture identified three WSU players as being Vandals and one Vandal player as being a WSU player.

FOOTBALL QUEEN — Carol Guthrie of Moscow, daughter Mr. and Mrs. James Guthrie beams broadly as she sits atop the shoulders of Captain of Idaho team Tim Lavens of Twin Falls, Idaho and Captain of WSU team Don DeGroots of North Hollywood, California. Carol is queen of the third annual Calam Temple sponsored football game between the Vandal and Cougar frosh — Friday, 1:30, November 8 — Neale Stadium. A former patient of the Spokane Unit of the Shriners Hospitals for Crippled Children, Carol is well aware of the fine benefits afforded by this Shrine effort. All proceeds from the game will go to the Hospital fund. Tickets for the game are available from any Shriner.

Jim Faucher's behind the scoreboard

"I think it might rain. I think it's too cold. I think I have a class." Have you ever heard these excuses before? They could be a few that are floating around so people won't have to go to the Vandal Babe-Couababe football game Friday.

This "Little Battle of the Palouse" is just an infant compared to its big brother battle, but in many ways it is more beneficial. The money derived from this game is given to the Shrine Hospital in Spokane. If you don't want to look at it that way, there will also be a lot of talent on the field today, and it will be the first chance for Vandal fans to see the frosh team in action.

The Vandal Babes have a 1-1 record for their short season, and this will be the last time that they will play this season. They have a great array of talent from Borah's Jerry Ahlin, Twin Falls' Tim Lavens, and Lewis and Clark's Butch Slaughter, to Caldwell's Ray McDonald. Add 26 others and you come up with one of the finest frosh teams in the history of the University of Idaho.

It isn't supposed to rain, it's not too cold, and I don't know if you have a class or not, but Neale Stadium hasn't moved in the past two weeks and as many as possible are urged to attend at 1:30 p.m.

P. S. Some people don't like to get sentimental, but "Remember, no man stands so straight as when he stoops to help a crippled child."

Idaho Hosts Competition

Idaho will play host for the Big Sky Conference athletic competition tomorrow on the local golf course.

Besides Idaho, participating will be Gonzaga, Montana State, Montana University, Idaho State University and Weber.

Running from Idaho with recent times approximately 21 seconds apart except Paul Henden who is about 50 seconds ahead of the rest will be: Dick Douglas, 20:58; Paul Henden, 20:06; Nick Wetter, 21:37; Ber-

THE SAFE WAY to stay alert without harmful stimulants

NoDoz keeps you mentally alert with the same safe refresher found in coffee and tea. Yet NoDoz is faster, handier, more reliable. Absolutely not habit-forming.

Next time monotony makes you feel drowsy while driving, working or studying, do as millions do... perk up with safe, effective NoDoz tablets.

Another fine product of Grove Laboratories.

The University of Idaho Vandal Babes, boasting a 1-1 mark for the season take on the Couababes from WSU tomorrow at 1:30 p.m. The Couababes have an 0-2 record. They lost to Oregon, 25-19; and to Oregon State, 14-6.

The game Friday is also the third annual Shrine game between the two frosh teams. Both teams have one win in the "Little Battle of the Palouse" and both will be gunning for the big one tomorrow.

ASUI Cards Good

Everett Will, past president of Shrine and ex-Mayor of Moscow, said that "the proceeds of this game over and above a guarantee to the University of Idaho are for the benefit of crippled children of the Shrine Hospital in Spokane." He added, "Even though ASUI student tickets entitle the University of Idaho student body to admittance to this game without further charge, the Shrine sponsoring committee is very anxious to have a good turnout of the student body to the end that the spirit of this game and the purpose for which this game is sponsored may continue to grow."

The Vandal Babes are recovering from a 26-0 beating at the hands of Columbia Basin Junior College last weekend. Frosh coach Bud Riley said yesterday that there is only one injury on the squad at the present time. This is tackle Larry Monahan, from Yuba City, Calif.

CBJC More Experienced

Commenting on the game last weekend, Riley said that the team from Columbia Basin had a lot more experience and power than the Vandal Babes. He also remarked that the Columbia Basin game against Idaho was their sixth game of the year. It was the second game of the season for the Vandal Babes.

The Vandal Babes will use the same type of offense tomorrow that the varsity team uses. They will also use a 5-2 defense. Riley said that he plans on being against a pro-type offense from the Couababes.

Starting Lineup

The probable starting lineup for the Vandal Babes will be: Tim Lavens and Bill Bufton, ends; Gary Fitzpatrick and Andy Christoff, tackles; Bob McCray and John Daniel, guards; and Bob Skuse, center.

In the backfield will be Jerry Ahlin, quarterback; Joe Mc-

Leyde, Mayne Given Honors

Ends Vern Leyde and Mike Mayne were awarded lineman and back of the week awards by the Moscow Vandal Boosters at their meeting Tuesday.

Leyde, who plays split end qualified for the backfield honor, because he often lines up back of the line of scrimmage and is officially listed as a back. He won his honor on the strength of four important and sometimes impossible grabs in the WSU game.

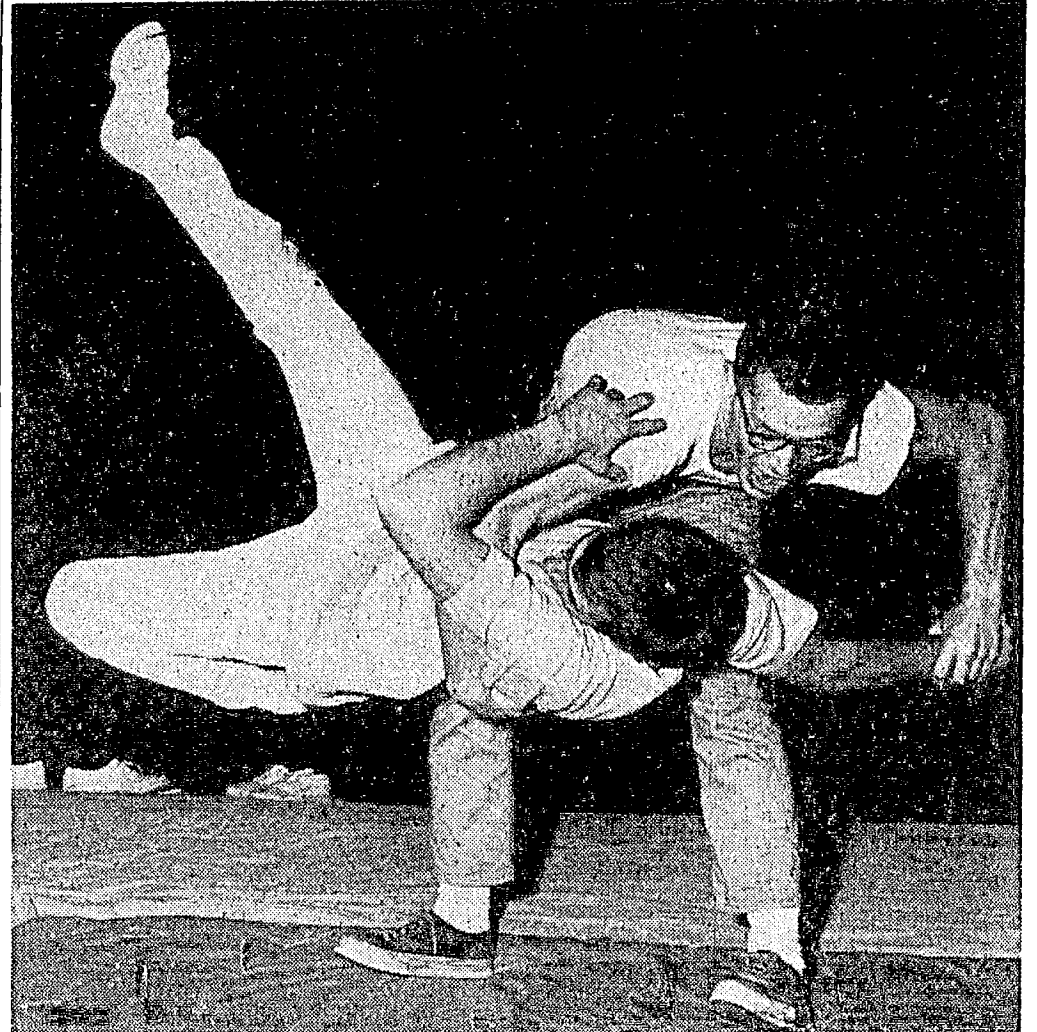

Mayne, Idaho's tight end, won the lineman award for his fine pass receiving, as well as his four points on a field goal and extra point and fine defensive work.

The Boosters heard reports by track coach MacFarlane, frosh football mentor Bud Riley and varsity backfield coach John Easterbrook, before hearing Dee Andros and watching the WSU game films.

MacFarlane announced the upcoming Big Sky Cross Country Championships to be run at the Idaho golf course this Saturday at 10:30 a.m.

Riley termed the reason for the frosh loss to a powerful CBJC squad last weekend due largely to inexperience. It was CBJC's seventh contest and Idaho's second.

Easterbrook gave a scouting report on Idaho's next opponent Arizona after seeing their Saturday win over a heavily favored Wyoming team.

BOMBS AWAY — Robert J. Pope, off-campus, is showing Daniel T. Hormeachea, Fiji, how it feels to fly through the air. The training is part of the activities of the "Chrisman Raiders," Army ROTC anti-gorilla training group.

We're looking forward to meeting you

We'll be on the campus on the dates listed below, ready to give engineering and science seniors and graduate students information on space-age careers in a dynamic industry.

If you are looking for a company offering assignments on programs of unique interest and career potential, you'll be interested in the advantages Boeing can offer you.

Boeing, for instance, is a major contractor on such advanced programs as NASA's S-1C Saturn V first-stage booster, the X-20 Dyna-Soar manned space glider, and the solid-fuel Minuteman ICBM. Boeing is also the world's foremost designer and builder of multi-jet aircraft, including the eight-jet B-52H missile bomber, the KC-135 tanker-transport, the C-135 cargo-jet, and the famous Boeing 707, 720 and 727 jetliners.

In addition, Boeing's Vertol Division is one of America's leading designers and builders of helicopters. Research projects at Boeing are under way in such advanced fields as celestial mechanics, solid state physics, nuclear and plasma physics, flight sciences, space flight and propulsion.

Expanding Boeing programs offer exceptional opportunities to holders of B.S., M.S. and Ph.D. degrees.

At Boeing you'll work in a small group where individual ability and initiative get plenty of visibility. You'll enjoy many other advantages, including an opportunity to take graduate studies at company expense to help you get ahead faster. Boeing is an equal opportunity employer.

Drop in to your Placement Office and arrange for an interview. We're looking forward to meeting you!
