Idaho Argonaut

VOLUME 69, No. 50

UNIVERSITY OF IDAHO, MOSCOW, IDAHO

Tuesday, May 4, 1965

MISS U OF I—Cookie Fancher, Theta, (seated) was named Miss U of I Friday night. Other contestants are (left to right): Sheri Moliko, Pi Phi; Diane Beyeler, Houston; Kathy Reay, Hays; Judith Stuebbe, Campbell, former Miss U of I; and Barbara Howard, Kappa.

Cookie Fancher Chosen As Miss U of I Friday Night

Cookie Fancher, Theta, danced her way to victory Friday night when she captured the Miss U of I title. "I just can't believe it," Miss Fancher said when asked how she felt after being chosen the University's candidate for the Idaho pageant this summer. This nineteen-year-old sophomore is an English and psychology major. Her plans for this summer include attending school at Idaho. Miss Fancher, daughter of Mr. and Mrs. S. W. Fancher, is from Spokane.

She was crowned by this year's Miss U of I Judith Ann Stuebbe, from Aberdeen, South Dakota.

Studied Ballet

The new queen performed a character dance from "West Side Story" for the talent division of the competition. She studied ballet for nine years under Jane Larkin of Spokane and enjoys choreography as a hobby.

She has hazel eyes and is 5 feet 6 inches tall.

The pageant theme was "Our Fair Lady." Candidates modeled spring outfits when first introduced and then competed in the following three divisions: bathing suits, talent and evening gown.

Bob Caron, Sigma Chi, and the Singing Sigs entertained during the breaks in the program and during intermission.

Chosen as runners-up are Kathy Reay, a 20-year-old junior from Hays and Barbara Howard, Kappa, a 19-year-old freshman.

Miss Reay, accompanied by Bob Aldridge, Theta Chi, on the piano, sang "C'est Si Bon" in the talent division.

She has brown hair, blue eyes and is 5 feet 6 inches tall.

Basin Street

Miss Howard performed a character dance to "Basin Street" and a tap dance to "This Could Be the Start of Something Big."

Cheri Molke, Pi Phi, who sang "Once I Had A True Love" with the accompaniment of Dave Sweetwood, FarmHouse, sent "Dances Through the Ages" as her talent entry. She is 5 feet 3 1/4 inches tall.

Orchestrated by the U-I modern dance honorary, will present "College-Art Forms" this Saturday in the University Auditorium. There will be two performances, one at 6:30 p.m. and one at 8:30 p.m. Admission will be 35 cents for students and 75 cents for adults.

Two of the dances will employ dialogue, and a third drums. The dancers will also use risers, stools, chairs and elastic bands as props.

The dancers will include, Mary Bjurstrom, Alpha Gam, Laurence Byrne, off-campus, Barbara Howard, Kappa, Elizabeth Jones, Alpha Gam, Rosalee Mayo, and Ann McClintock, both Tri-Delta, and Clifton Mills, Campus Club.

ACS Students Chose Officers

Officers elected for the coming year at the April 27 meeting of the Student Affiliate of the American Chemical Society are: Evelyn McGown, Ethel Steel, president; Henry Arndt, secretary-treasurer; and Dale Ogle, off campus, program chairman.

A film "Lab Procedures in Organic Chemistry" was shown, and GEM pictures were taken.

Thanks Honey

By SCOTCH HARPER
"Ooooooh, Mr. Mailman. That sure tickles."
So said a lonely little mailbox sitting in front of Upham Hall last week. The statement was prompted by a key the mailman was turning to empty the mailbox.

And this wasn't all the mailbox had to say once the men of Upham Hall gave him a voice.

Thanks Honey
"Thank you, honey. I haven't

Howard, Kappa, a 19-year-old freshman.

Miss Reay, accompanied by Bob Aldridge, Theta Chi, on the piano, sang "C'est Si Bon" in the talent division.

She has brown hair, blue eyes and is 5 feet 6 inches tall.

Basin Street

Miss Howard performed a character dance to "Basin Street" and a tap dance to "This Could Be the Start of Something Big."

Cheri Molke, Pi Phi, who sang "Once I Had A True Love" with the accompaniment of Dave Sweetwood, FarmHouse, sent "Dances Through the Ages" as her talent entry. She is 5 feet 3 1/4 inches tall.

Idaho Dean To Lecture At U Of W

Dean of the College of Mines at the University, Dr. Roland R. Reid, left campus recently for the University of Wisconsin where he will present a series of lectures on his work in rock formations in northern Idaho and Alaska.

Dr. Reid was invited to lecture at the midwestern university on the results of some of his findings in present research work he is doing in the St. Joe region of Idaho.

Study Involves
The study involves progressive metamorphism in Precambrian rocks north of the Idaho batholith.

The dean will also reveal some results of recent work he has done in the Fairweather Range of Alaska, and a recent trip to the International Geological Congress at New Delhi, India.

Student Street Dance Scheduled To Start Mothers' Day Weekend Activities At Idaho

U-I Student Condition Is Said Good

Michael Eugene Stellman, Willis Sweet, was reported in good condition yesterday at the infirmary where he was taken for treatment for a slashed wrist at about 11 p.m. Sunday.

Stellman, a junior in agriculture, was found in his room by his roommate, police said.

Russell Hoover, Willis Sweet, said he gave Stellman first aid before he was taken to the infirmary by fire department ambulance.

"Bookstore" On Agenda Of E-Board

The Student Bookstore will be discussed at Executive Board tonight, according to Bill McCann, ASUI president.

A report will be submitted by Don Fry, E-Board member, on the bookstore's profits and its allocation.

Other items on the agenda include selecting an ASUI public relations director and assigning areas of concern to Board members.

Areas

The areas include: financial activities and student-faculty relations; educational improvement; communications and Student Union Building operation; Strengthening of class organizations; operations investigation; constitution and regulations; inter-campus relations; student entertainment and cultural expansion.

Blue Key Taps Nine New Men

Blue Key, upperclassman service honorary, tapped nine new members last Sunday.

The new members are Lon Atchley, Willis Sweet; Bob Bartlett, off campus; Chuck Birchmier, Fiji; Haven Hendricks, Laddie Tuecek, off campus; Ken Johnson, Phi Delta; Joe Goffinet, Sigma Omicron Beta, and Lynn Manus, TKE.

The new members were selected at a meeting last Wednesday.

22 Students, One Alum Named Phi Beta Kappa

Twenty-two University of Idaho students and one alumna were elected to Phi Beta Kappa. Dr. Robert E. Hosack, professor of political science and head of social sciences, announced the following undergraduates as candidates:

Hilda Strong, off campus; Don A. Marshall, Chrisman; John R. Jennings, Delta Sig; George Alberts, off campus; Judith A. Stuebbe, Campbell; Charles R. Ferguson, off campus; Sharon K. Talbot, off campus; Cheri L. Berg, Houston; Samuel W. McNary, Gault; Karl A. Urban, Gault; Lysbeth Fouts, Pi Phi; Sherrill A. Diehelm, off campus; Jeffrey L. Tollefson, Phi Tau; Bruce A.

KUID Affiliates

A "basic affiliation" with the National Educational Television Network has been granted to KUID-TV, according to Gordon Law, acting head of communications. "Basic affiliation" indicates that KUID will be eligible to subscribe to both the regularly scheduled and the supplemental program services of the network.

Started in 1954, the National Educational Television program now serves more than 90 affiliated stations which are licensed to community groups, colleges and universities, public schools and state authorities.

The major part of the N.E.T. program service is intended for adult use in public affairs and culture. A third area involves the production and acquisition of programs for children.

Begin In July

Station KUID, will begin televising network programs after the new University budget goes into effect in July, according to Law. By the middle of May, communities within an 80-mile radius will be receiving programs, other than the network programs, from the new transmitting facilities now under construction on Paradise Ridge.

Yesterday KUID began broadcasting regularly scheduled programs over the campus cables and in Moscow in preparation for its new broadcasting program.

Glass Menagerie To Run Through Saturday Night

"The Glass Menagerie," opens the second performance of a six-day run tonight at 8 p.m. in the U-Hut arena theatre.

Two preview performances of the Play written by Tennessee Williams, were seen Thursday and Friday nights by visiting high school drama students.

The story of Tom, Amanda, and Laura Wingfield is told to the audience in a series of flashbacks on various periods in the life of the three characters.

Nancy Knight, off campus, plays the mother, Amanda Wingfield, whose husband has deserted her and her two children. Harriet Hosack, off campus, is Laura Wingfield, Amanda's daughter, who is delicate and crippled.

Tom Wingfield, the son, is played by Walter Brennan, Lindley. Tom is also the narrator of the play. Jim O'Connor, the gentleman caller, is played by Mike Wetherall, Delta Chi.

Memory Play

"The Glass Menagerie" is a memory play which is related to the personal experiences of the author. In the play, the characters Amanda and Laura portray William's mother and sister. Williams portrays himself as Amanda's son Tom.

Although in real life William's sister was committed to a mental hospital, she is portrayed as crippled in the play.

The play, presented in the arena theatre, has the audience on three sides.

A CALLER — Jim O'Connor, played by Mike Wetherall, Delta Chi, with Tom Whitefield played by Walter Brennan, Lindley. Call on Laura Whitefield, played by Harriet Hosack, off campus, as they enact "The Glass Menagerie."

U-I Students Participate In City "Loyalty Day"

University of Idaho students played a large part in Saturday's Loyalty Day festivities. Their activities ranged from being a parade narrator to stopping cars on the highways into Moscow, welcoming them to the town with a "Freedom Square."

Acting as parade narrator and a general master of ceremonies was Dave Schmirler, Sigma Chi. He introduced Lester Condon, inspector general of the United States Department of Agriculture, who spoke to the assembled crowd comparing America's agricultural system of free enterprise to Russia's collective farms.

Don Allen, ABC Radio West, from Los Angeles, was parade marshal. Following him was the 1965 Miss U of I, Cookie Fancher, Theta.

Students To Fete "Ma Mere Cherie"

An honest to goodness turtle race, swimming and water acrobatics, ASUI drama productions, and the "May Fete" programs are some of the activities filling the Mothers' Day Weekend schedule.

Spur Songfest, promoting living groups musical competition, Orchestra and Pre-orchestra—modern dance honories—program, open house, teas and banquets are also scheduled.

"Ma Mere Cherie" is the theme for the weekend celebration.

A street dance in front of Phi Delta house will begin the series of activities.

May Fete will begin at 2 p.m. Saturday afternoon at the Memorial Gym. Tapping of Spurs, Mortar Board, Silver Lance and Outstanding Seniors will be made.

Idaho and Eastern Washington State College will play baseball that afternoon at the baseball diamond, more for the benefit of the fathers.

There will be more open houses, teas, and repeats of programs Saturday night.

Sunday special Mother's Day Church services will be held in all Moscow churches. A special Mother's Day luncheon will be in the Blue Dining Room of the SUB from 12:30 to 2 p.m.

A tea and reception in the Main Lobby of the SUB from 2 to 3:30 p.m. will sum up the activities. It will honor Mrs. John Jennings, Lewiston, whose paintings are on exhibit in the lobby. Mother's Day Weekend co-

chairmen are Donna Gibson, Alpha Phi, and Tom Little, Delta.

From there the action will progress to the Memorial Gymnasium for the Helldiver's water acrobatics program, and to the University Hut for the Studio Production of Tennessee Williams' "The Glass Menagerie."

Action then moves to the Gym again for the Annual Spur Songfest. Nine groups from the original 12 will participate. They were judged and eliminated last night in competition.

The following day, tours of the Student Union Building, campus and bookstore, will begin the activities.

The morning will be highlighted by the annual Phi Delta Theta "Turtle Derby." The competition will be between the sixteen women's living groups who were each given a turtle in Phi Delta serenades Sunday and Monday nights.

Each women's living group will have a cheering section, cheer leaders, and turtle trainer. The reptiles will be guaranteed to be in good running condition because Phi Delta doctors will be checking their health each night during the week.

Physical condition of the turtles aids in computing "betting" odds. Money cleared from the "betting" will be donated to charity. Last year over \$400 was given to the Lewiston Orphans' Home.

Idaho Site Is Chosen For Center

A project to determine the feasibility of a technical assistance center in northern Idaho has been approved by the Area Redevelopment Administration, according to Dr. Norman Nybroten, associate director of the Bureau of Business and Economic Research at the University.

"Attitudes of business men toward a center are major objectives of the exploratory project," Dr. Nybroten said. "It is expected that a determination suitability might be made in about six months."

He said it was his understanding that, "if the assistance center is to be administered by the University, several divisions might be involved under the coordination of the Bureau of Business and Economic Research and the College of Business Administration."

The primary function of the center would be to furnish data and information to business and industry in the area, said Dr. Nybroten.

"The ultimate purpose is to provide added employment and avoid unemployment."

UI Rally Men Needed Soon

Rally men tryouts will be held Thursday at 8 p.m. in the Executive Board room in the Student Union Building, according to Mary Ellen Fairchild, this year's yell queen.

"They were formerly called yell leaders but the name has been changed this year," Miss Fairchild said.

She added that requirements for the position are a 2.2 GPA and a lot of Vandal enthusiasm.

This year's yell leaders are Joe Reid, Delta Sig, and Schumacher, Phi Delta.

The Golden Fleece

By Jason

by student no. 4784

NOTICE: Argonaut policy will be that by-lines will only be given by student body numbers from now on. We should be able to come up with some of the wildest stories that way.

Maybe that's how we should try to compete with the modernizations Activities Council is contemplating. This method is called the impersonal approach for eliminating personality decisions from persona-types jobs. They should be able to come up with some of the "wildest" committees that way.

At least this approach is objective. I wish that some of my tests were graded more that way. I maybe could get some of the "wildest" grades that way.

Reaction Similar

Maybe some others had similar reactions when they learned that Activities council was planning to use IBM machines to help them select student committees for ASUI activities.

I used to laugh at other schools when I saw letters to the editors of the college newspapers signed with the writer's name and student body number to ease cross checking on the validity of the letters with the help of an IBM machine. I also used to say that I'm thankful we're more personal in our dealings with other students at Idaho.

Our Personal Personality

One of the strongest drawing cards to the University of Idaho has always been that students here are known by a name and not just a number.

It's ironic that Activities Council is turning to use the impersonal electronic brains to help pick students who might be interested in trying out for a student committee.

But let's not get this all wrong. We're not against Activities Council using the IBM machines to draw up a list of perspective members to interview for the committee appointments.

IBM machine is supposed to be a solution for having too few students try out for the committees. The theory is that if the selecting group knows of a number of students who might be interested they can notify them that interviews are scheduled. I hope it works.

Vicki Is A Cover Girl

Vicki, from UCLA, made a smash hit at Harvard—at least her picture did—and she was invited to visit the Cambridge campus over her spring vacation. While there she was lined up with a Harvard student via the same IBM route that some student here tried two weeks ago.

After her big weekend Vicki was interviewed by reporters. "How was your date?" they asked.

"Great," she said (she was lined up with a good looking Rhode's scholar—or something.) But she added in no uncertain terms, "For a more permanent thing, you can't get away from the human element."

It's losing the personalness of the human element that we regret.

HOW TO PREPARE FOR A PLACE IN THE BUSINESS WORLD AFTER GRADUATION...

The free booklet, "What Does Business Expect of Graduates?" can help you decide on the type of job or profession you want to follow.

Reddy Kilowatt invites you to write or visit "The Center" and find out all the help it has available for students.

Editorial

Promises — Now What?

... and you can be darn sure that if I'm elected I will— It sounds like the soap box candidate during election time, doesn't it? Not too long ago Idaho students heard less corney but similar statements flowing from the mouths of Executive Board candidates.

In the aftermath of elections, the issues are often forgotten, and the promises become memories of how to win or not win elections. Students let the E-Board fall into oblivion and everyone is happy.

But! Let's try something out of the ordinary for once.

At the first two Board meetings several of the new members expressed desires to make good on their promises. Diane Green said the E-Board proposal on off campus housing turned down by the Regents should be looked into and a "committee" formed to solicit suggested improvements.

"This should be done right away rather than waiting," she said.

Another new member, Ken Johnson, said, "We should get together and get things done that we have campaigned on. Let's get them done this spring so we won't have to wait until we are almost out of office."

These two comments exhibit what seemed to be a consensus of the entire Board. If this is their attitude, maybe something will be done.

Now let's review what promises the Board members made during the long and glorious campaign.

Ruth Ann Knapp: "I think that E-Board should take a more definite position in regard to some of the recommendations made by the students. They have been too much of a 'yes, and no' group and should be more responsive to student complaint." COMMENT: Will Miss Knapp take definite positions. Will she be responsive to you the students? Complain and see.

Lon Atchley: "My interest in student government is the Educational Improvement Committee, of which I am a member. I have made a start toward promoting better student faculty communication and cooperation through this organization, and feel this effort can be furthered by continuing and expanding the influence of E.I.C." COMMENT: Will Atchley become so involved in the workings of E-Board, that the E.I.C. will stagnate and its expansion stop?

Diane Green: "I have gained a strong desire to work in this government, to strengthen its weakness, and to continue its strong points."

QUESTION: Will Miss Green try to find weaknesses of the Board or will the strong points and weaknesses become confused?

Dexedrine -- Not A Joke

(ACP)—Dexedrine is taken by too many Oklahoma University students... taken too lightly by too many students, says Oklahoma Daily, Norman. Most who take dexedrine to stay awake or buoy their spirits don't realize the possible severe effects; few think they would be susceptible to such reactions. But there are many and frequent cases of reaction to pep pills on this campus.

The OU Infirmary has handled dozens of such cases, with symptoms ranging from nausea and vomiting to hysteria and a form of mania. Students are brought in by counselors and friends, often unaware of where they were or what they are doing.

One girl brought into the infirmary thought she was having a heart attack. Use of pep pills raced her heart beat to well above 100 and brought on heart attack-like effects.

Two years ago a sophomore who had a term paper due the Saturday afternoon of finals had been staying up all week studying and working on the report. Friday night she got a full night's sleep, but when she got out of bed Saturday morn-

Denny Dobbin: "Communication between the administration, student government and the individual student is a prime concern of every E-Board member. If elected I hope to be able to represent all the students both to E-Board and the University." COMMENT: How will Dobbin represent "all the students?" Will he look into the student opinion poll?

Mick Morfitt: "Executive Board must put student voice back into student government. The ASUI must be prepared to present its programs to the new president of the University by 100 per cent of the student body." QUESTION: Is Morfitt speaking of "initiative" necessary to accomplish his goal?

Ken Johnson: "I think that it is time for the Executive Board to take the initiative and make sure that the administration is aware of the ideas and demands of the students as well as try to put the student in control of activities which should be in the realm of 'student government.'" COMMENT: Will Johnson investigate to see if the bookstore, inadequate parking facilities, and off campus housing are in the "student realm?"

Judy Manville: "There are a number of areas that should concern the students and their E-Board. They are: 1. Vandal arRly Committee, 2. A more efficient smooth flow of finance, 3. A more positive image of E-Board's co-operation with the Administration." QUESTION: What will Miss Manville do about these three areas? How will she create a positive image?

Bob Aldridge: "The budget needs to be more general with much more flexibility in the area of the bookstore. I am advocating substantial changes in present policy." COMMENT: What changes? Does Aldridge still see the bookstore as the most important issue in the election as he said?

Don Fry: "Executive Board members must strive for personal contact with all students, whether the students appear to want it or not." QUESTION: Will Fry's desire for more personal contact between E-Board and students appear in a report to the group and then be forgotten as most intangible goals are?

This should give an idea of what the candidates promised or thought important, but why stop there?

The remainder of this year and during 1965-66 the Argonaut will be reporting what "your" Executive Board does and fails to do. Why don't you work up a little sweat in helping them? Complain, gripe, bitch, applaud, kiss, cough, giggle, laugh, or moan—but do something. L.J.

Idaho Drama Department Planning 5 Summer Theater Plays At U-I

Miss Jean Collette, head of the drama department, began the scheduling of five plays for the University of Idaho Summer Theater.

The plays, in order of production, are: "Mary, Mary" by Jean Kerr; "Picnic," by William Inge; "Brides of March," by John Chapman; "The Enchanted," by Giraudoux; and "Lady's Not For Burning," by Christopher Fry.

Directing productions will be Edmund Chavez, Edgar Vandervort, and Miss Cary Claz. Productions will be in the University Field House. They will begin at 8:00 p.m.

Production dates are July 6, 7, and 8; July 13, 14, and 15;

U-I 'Rodeoers' Place At Meet

The U-I Rodeo Team placed fifth in their second inter-collegiate rodeo at Missoula, Montana over the weekend.

George Hamilton, FarmHouse, was named runner-up for All-Around Cowboy. He placed second in the bull riding and steer wrestling events, and fourth in the bareback bronc riding.

Jerry Myers and Rodger Hamilton, both FarmHouse, placed fourth and sixth respectively in the saddled bronc event.

The Idaho team placed third in their first rodeo at Bozeman, Montana, according to Marilyn Petersen, Hays, publicity director.

Grant Given To University For Program

A research study grant of \$14,300 was awarded to the University by the National Science Foundation for support of a two-year laboratory study of water flow in porous media, President D. R. Theophilus announced today.

Associate Professor George L. Bloomsburg of the University department of Agricultural engineering will conduct the study, which is to begin July 1. Titled, "Research Initiation—Transition Between Laminar and Turbulent Flow in Porous Media," the research will be a laboratory study of a type of flow which may occur close to wells and under hydraulic structures, according to Prof. Bloomsburg.

"This type of flow has a great effect on whether small soil particles will be carried by the water and, in the case of structures, may cause them to be washed out," he said.

Studebaker Goes On 50-Mile Hike

Having "nothing better to do" during spring vacation motivated Ray Studebaker, Phi Delta, to tramp 50 miles from Smith's Ferry to Boise in 14 hours and 59 minutes.

He was accompanied by a fraternity brother, Ray Fortin, who tired out after 30 miles.

"We are not on a physical fitness campaign or crusade for teen-agers," Studebaker said, "We just wanted to be able to say we had walked 50 miles and besides, we had nothing better to do."

GOING HOME FOR VACATION? Make Reservations EARLY with NEELY'S TRAVEL SERVICE PH. 2-1282 6th and Main.

July 20, 21 and 22; July 27, 28, and 29; and August 3, 4, and 5. Tryouts will begin June 21 for the first two shows.

Service Fraternity Has 25th Anniversary

The Idaho chapter of Alpha Phi Omega, Gamma Nu, held its annual banquet Sunday to honor outstanding members and celebrate the 25th year of the service fraternity.

Dr. D. R. Theophilus, honorary member, spoke at the banquet. He said that the aim of a service organization should not be for members' benefit but should be to help our fellow men help themselves.

National E-Board member of Alpha Phi Omega, Robert J. Hilliard, read a telegram from national executive director Joseph Scanlon, congratulating the local chapter on its silver anniversary and honorary member Dr. Theophilus upon his retirement.

Hilliard then presented a 25-year certificate of recognition to the chapter. President and toastmaster Gary Strong accepted the certificate.

Awards were presented to outstanding pledges Gordon B.

Kraus Gives Key Address

Dr. James Kraus, dean of the College of Agriculture gave the key address at the spring buffet of the Block and Bridal Club held April 23.

Dr. Leon Orme presented awards to the livestock judging and the meat evaluation teams and named Gene Gibson, off-campus, Outstanding Senior in Animal Science for 1964-65.

Livestock Judging Members of the livestock judging team were Craig Anderson, Upham, Bert Brackett, Willis Sweet, David Hooper, off-campus, Bill Loughmiller, FarmHouse, Stephen Schmidt, FarmHouse, John Sharp, Willis Sweet, and Edd Burghard, off-campus.

The meat evaluation team recognized consisted of Chad Gibson, off-campus, Gene Gibson, off-campus, Terry Stigle, off-campus, David Lohr, FarmHouse, Jay Nye, FarmHouse, and Dennis Jones, SAE.

Base Tour The Idaho contingent toured the base and was treated to a "dining-in" dinner in the officer's club, said Lt. Col. Charles D. House, assistant professor of aerospace studies.

Later they inspected a B-52 jet bomber and a KC-135 jet tanker of the type used for airborne refueling missions. Briefings were conducted by alert flight crews.

"OLD BLACK MAGIC" "Old Black Magic" was the theme of the Junior Week in 1945 with a promenade as the highlight.

JOHNNIE'S CAFE WELCOMES ALL! BREAKFASTS - STEAKS - SANDWICHES - FOUNTAIN Sundays: Open 7:00 a.m. - 12 p.m. Midnight Open: 6:00 a.m. to 1:00 a.m. Tues., Wed., Thurs. 6:00 a.m. to 2:00 a.m. Friday and Saturday "Halfway between campus and town" On West Sixth

For 20th Century Individualists! new ArtCarved® DREAM DIAMOND RINGS

For love's sake any girl would accept even an ordinary engagement ring—squat-looking, uninspiring. But, in her heart, she hopes for an extraordinary ring which will compel the admiration of all.

ArtCarved Dream Diamond Rings are extraordinary. Shunning the excessive metal and gingerbread of ordinary rings they delight the modern eye. Pure in form, elegantly sculptured, they express the taste of our time.

Keep this ad for comparison! See our new styles at your ArtCarved jeweler before you decide. Each from \$150. For free illustrated folder write to ArtCarved, Dept. C, 216 East 45th Street, New York, N. Y. 10017.

KUOI FEEDBACK BALLOT

KUOI (660 Kilocycles on the dial) is sponsoring the second of a series of "Feedback" programs to make students more familiar with the activities of the ASUI at 8 p.m. Tonight's topic is the \$135,000 ASUI Budget.

This ballot is provided to give station personnel an idea as to the acceptance of the program and to give students an opportunity to show their opinions on how the budget money is spent.

Please place the completed ballot in the pick-up box at your living group after the broadcast.

FEEDBACK

Topic: The \$135,000 ASUI Budget. May 4, 1966
Please complete the following ballot.

I am: Freshman, Sophomore, Junior, Senior
I listen to KUOI: Regularly Seldom Never
Can't receive KUOI

Instruction on filling out the rest of the ballot will be given over "Feedback" on KUOI at 8 p.m. 1-5 (Answer Yes on No)

1. yes no ?
2. yes no ?
3. yes no ?
4. yes no ?
- 5-22 (Answer necessary, unnecessary, more needed)
5. general \$36,515
6. debate 2,000
7. dramatics 3,050

19. Arg 28,340
20. KUOI 925
21. activ. council 4,311
22. ideas

KUOI Starts Series 'Feedback' Featured

The second of a series of "feedback programs" presented by student radio station KUOI will be presented tonight at 8 p.m., according to Robert G. Sparks, McConnell.

Sparks, panel moderator, said that the ASUI budget of \$135,241 will be broken down and discussed by a panel of four students. The panel will include: Gerald Huettig, Delta Sig; Larry Grimes, Beta; Nancy Nelson, off campus; and the new budget director whose appointment will be announced on tonight's program.

Ballots and a pick-up box will be distributed by Alpha Phi Omega members to each living group this afternoon. Students will be asked to mark the ballot indicating whether they favor more, less, or the same amounts of money allocated for the different departments under the ASUI budget. Students should place their answered ballots in the box, Sparks said.

"The purpose of the ballot is to give students the chance to voice their opinion," Sparks said. The ballot will also offer

the students a chance to express their own ideas on the budget, and future "feedback" programs, he said.

Student opinions will be tabulated and reported through the Argonaut, KUOI news, and presented to E-Board.

The program will run from 8 to 8:45 p.m. on 660kc. Any living group not receiving KUOI may listen to the panel discussion in the radio studios on the third floor of the Student Union Building, said Sparks.

ICEP Meeting Set Thursday

The Idaho Center for Education in Politics (ICEP) will meet Thursday 7 p.m. in the Pend d'Oreille Room of the Student Union Building.

Dean Boyd Martin will give a short talk, after which officers for next year will be elected.

Political Science students are encouraged to attend, according to Sue Solomon, Theta, president.

Only 2 Compete For PR Head

Only two students have applied for ASUI publicity director, according to Bill McCann, ASUI president.

Others interested should turn in applications by 5 p.m. today, he said.

Gary Strong Wins Award

Winner of the 1965 Amy Loveman Personnel Library Award was Gary Strong, Upham, a junior education major.

He received the prize of \$25 credit at the University Bookstore during National Library Week last week.

In announcing the winner of the annual award, the faculty judges agreed "that Strong's rich and well-classified selection of books and his able commentary on his aims and methods of building a personal collection were outstanding."

Runners-up for second place were Susan Nelson, Pine, and Judy Bond Hanson, off-campus and Larry J. Purcell, off-campus. Judges were Prof. William C. Banks of the English department, Prof. E. Malcolm Hause, history and political science, and George Kellogg, humanities librarian in the University library.

'Helldivers' Rated Tops

Two University Helldivers were rated high among the top performers participating in a synchronized Swimming Workshop at Oregon State University April 5 through 6.

Nancy Pfaff, DG and Shelle McKeen, off campus, were rated and criticized by judges for their display of synchronized swimming acts, according to Miss Laura Tuttle, instructor of women's physical education.

Supervision

The girls performed under the supervision of Mrs. Beulah Grundling, five year champion of the synchronized swimming title. Miss Grundling also acted as master of ceremonies.

Miss Grundling also lectured on different techniques of sculling and improvements. She demonstrated variations in stunt display showing precision and control of movements.

Other Helldivers attending the workshop were Joe Goffinett, off campus; Art Peevey, off campus; Karen Hansen, Alpha Phi; Sharon Hall, Kappa; and Rosalie Terry, Alpha Chi.

Six Students At Workshop

Six music students will participate in the Student Composition Workshop tonight at 8:00 p.m. in the recital room of the music building.

Original compositions which experiment with 20th century tonal devices will be presented by: Norma Hagerman, Ethel Steele, Judy Sinclair, French House; and Karen Oleson, Dan Bachelier, Judy Schoepflin and Jim Detchman, all off campus. The performance will be informal, according to W. A. Billingsley, workshop head, and will offer a variety of music ranging from solo compositions for piano, trombone, trumpet and clarinet to trios and mixed vocal quartet with piano and trombone.

BOOKS—Gary Strong, (left) winner of the Amy Loveman Personnel Library Award for 1965, and George Kellogg, humanities librarian at the University library discuss Strong's collection and his aims and methods of building it.

KUID Shows Special Education Documentary

A special half-hour documentary on education will be premiered on the University of Idaho educational television station, KUID-TV, at 7 p.m. Monday, May 3, according to an announcement today by Professor Gordon Law, acting head of the department of communications.

The program will be viewed on the closed-circuit university network which is available to campus viewers on channels 7 and 12, and persons who subscribe to the local Moscow television cable, on channel 5.

Pictorial Show
"All In A Lifetime," narrated by Lowell Thomas, turns the cameras on the schools of Mansfield, Ohio, and looks at them through the eyes of three senior citizens. The pictorial presentation of education in one industrial community is presented by the National Education Association in cooperation with its affiliated state education associations and shows how the schools have changed with the times and the demands upon them.

House Officers Elected; Serenades, Dances Held

Dances honoring new initiates and new pledges headed last week's activities as Idaho greets the lusty month of May.

Faculty dinners and district conventions also keep students busy as well as plans for the Mother's Day weekend.

ALPHA TAU OMEGA
ATO initiates include John Bardelli, Kirk Eimers, James Hansen, Robert Emehiser, Steve Dobson, Steve Ayers, Doug Robertson, Jack Davis, Dave Schlotthauer, Tom Barbour, and Steve Richards.

Saturday, April 24 the initiates completed their annual Help Week project at the Moscow Opportunity School.

New ATO officers are: Mike Wicks, president; John Bardelli, vice president; Steve Ayers, secretary; Jon Hippler, house manager; Jack Davis, sentinel; Doug Robertson, annals-keeper; and Kent Seelig, usher.

Last Wednesday ATOs serenaded in honor of the following pinnings: Ginger Reynolds, Campbell, to Pat Kahler; Joan Littleton, Alpha Chi, to Bob Emehiser; Sue Marshall, Alpha Chi, to Charles Kozak; Diane Seubert, DG, to John James; and Sue Schroeder, DG, to Joe Dobson.

ALPHA PHI
This year's Alpha Phi district convention will be May 8 in Walla Walla, Wash. Mrs. Helen Leavitt, Moscow, as district governor will be heading the convention.

Theophilus Awards Will Be Given During The May Fete Festivities

Awarding of the Cora E. and Donald R. Theophilus Award for the outstanding senior will climax the awards to be given at May Fete 2 p.m. Saturday in Memorial Gym.

The award, a silver bowl engraved with each year's outstanding senior's name, is given in honor of the retirement of President Theophilus and his wife from active service to the University.

The May Fete Program will begin with the May Queen and her procession followed by Mortar Board and Silver Lance, senior honoraries. Carol Hussa, past AWS president, will be crowned by Jim Johnston, retiring ASUI president.

During the program Mortar Board and Silver Lance will tap new members. New Spurs and Intercollegiate Knights will be introduced.

Miss Margaret Ritchie, home economics professor, will present the American Association of University Women Award to a graduating senior woman.

Senior Awards
President Theophilus will announce the ASUI distinguished senior awards. Bill McCann, ASUI president, will be master of ceremonies.

Both Panhellenic and AWS will present scholarships. Residence Hall Association Mosaic Music for May Fete will be awarded by University Singers directed by Norman Logan, associate professor of music. The Lambda Delta award to the senior woman with the highest grade point average. Also, Mortar Board will present plaques to the sophomore and junior women who had the highest grade averages for their freshman and sophomore years.

Music for May Fete will be provided by University Singers directed by Norman Logan, associate professor of music. The Lambda Delta award to the senior woman with the highest grade point average. Also, Mortar Board will present plaques to the sophomore and junior women who had the highest grade averages for their freshman and sophomore years.

Larry Nye, Phi Delta, will announce the members of Pi Omicron Sigma, an honorary will be conducted by Warren for fraternity men. Karen Pyrbells, associate professor of ah, Kappa, will give the Alpha music.

Mothers Art Featured

This week prior to Mother's Day weekend, the Student Union Building is featuring one mother's art work; that of Mrs. John Jennings, of Lewiston, Idaho, mother of Dick Jennings, Delta Sig.

A tea honoring her will be given on May 9, from 2-3:30 p.m.

Her exhibit, running from April 30-May 15 contains 21 of her paintings, which are "formalized flower paintings." She stated, "you know it is an artist's privilege to eliminate features in a landscape that do not add to the beauty in her opinion."

While attending Berkeley High School and BJC she studied art, and her paintings have been displayed in the art galleries in Boise and in California.

Rings N' Things

ENGAGEMENTS

HORSMAN - COX

A white candle entwined with red carnations and white roses was claimed by Carole Nack, Hays, to announce the engagement of her little sister Linda Horsman to Dave Cox, Theta Chi.

KUNZ - DIMICK

The engagement of Renee Kunz, Alpha Chi, to Dean Dimick, from Idaho State University, was announced at dress dinner Wednesday night by Kristen Munk, Hays. The candle was in a white cherub vase with baby red roses.

MARTIN - HURT

Sherry Writte and Marlene Folz claimed a gold candle with blue carnations in a white cupid vase to announce the engagement of Judy Martin to Lt. Dennis S. Hurt of Fort Walter, Texas. He is a 1964 Idaho graduate and was affiliated with Alpha Tau Omega.

MAIO - NELSON

Mrs. Kathleen Zweck, Tri Delta housemother, blew out a white spiraled candle surrounded by pansies and set in a white cup at a fireside Sunday night to announce the pinning of Rosalie Maio, Tri Delta, to Loren Nelson, Delta Chi. Valerie South read a poem entitled "Before You Came."

Foresters Plan Meeting Tonight

The Associated Foresters will meet tonight at 7 p.m. in the Gold Room of the Student Union Building. "Wind in the Wilderness" a film presenting the Northern Cascades Wilderness controversy, and slides of the recent Western Forestry Colleges conclave will be shown.

The meeting is open to the public. Refreshments will be served.

MUN Interviews Planned Tonight In SUB For Students

Interviews for next year's Model United Nations will be held tonight at 7 p.m. in the Sawtooth Room in the Student Union Building.

The workings of the U.N., reading material and interest in M.U.N. will be qualifications asked of candidates.

Participating will be last year's advisor, the Rev. Don Lee, Lutheran Campus Pastor, and Dr. Bernard Borning, Chairman of Political Science, this year's chairman, Laddie Tlucek, Shoup, and Maun Rudisill, program advisor student union.

Parks anywhere

You can stand on your head looking for a place to park on most campuses. And all you end up with is a headache. But not if you ride a Honda. It needs only as much elbow room as you with an armload of books. So you can squeeze in a little closer to that 8 o'clock class than your 4-wheel competition.

A Honda helps keep you solvent as well as sane. Prices start about \$215*. You'll get up to 200 mpg, depending on the model. And practically never need service. The star performer above is the CB-160. Just one of the 15 Honda models. With its 4-stroke, twin cylinder engine and 16.5 HP, this showoff does better than 80 mph. Look into a Honda soon. No more headaches.

See the Honda representative on your campus or write: American Honda Motor Co., Inc., Department C3, 100 West Alondra Blvd., Gardena, California 90247.

Vandal Gridders 2nd Spring Practice 'Not Bad' Says Coach Musseau

The Vandals—their ranks thinned by a track meet—drew a "not bad, considering" comment from Coach Steve Musseau after the Idaho football squad had completed its second Saturday scrimmage session of spring drills.

"We were short five fellows on our first two units," Musseau said, "and we had to fill some of the spots with reserves who hadn't played the positions before. It made us look a little ragged on offense. But outside of that, I think we had a good practice."

Porter and Miller to Boise Lineman Ron Porter and Ray Miller and backs Bryon Strickland and Doug Bishop accompanied the Vandal track team to Boise to compete against Idaho State University. Porter is the first unit guard and Miller the first unit set end. Strickland runs the first unit wingback spot and Bishop is his understudy on the second unit. Tim Lavens, the first unit set back, was scheduled to make the track trip, but was injured in practice last week.

By the time Musseau filled in their positions with reserves, the Vandal coach found he could only run three plays effectively.

Scored Six TD's The Vandals were able to score six touchdowns on those three plays, however. Five of the TDs were scored by the first two units against the third and fourth teams, and the sixth was scored by the first unit against the second.

Dotson Ran For Three Kenny Dotson, one of the few sprinters who didn't go with the track team, scored three touchdowns. Dotson broke loose for three of 60-yard scoring jaunts during the two hour workout. However, he will not be eligible

I. Gridders Will Be On Regional TV

The University of Idaho Vandals will be on regional television this year, the Associated Press reported Sunday.

The 14-date schedule of televised college football games announced by the National Broadcasting Co. includes the Idaho-Oregon game at Eugene Oct. 30. Other games involving Pacific Northwest schools on the television calendar are Oregon St.-Iowa Sept. 25 at Portland and Washington - Ohio State Oct. 2 at Seattle.

Mike Decker Still Critical

Michael Decker, University of Idaho grid hopeful who collapsed on the practice field last Wednesday afternoon during spring drills, was reported still in critical condition late last night by Deaconess Hospital officials.

The 5'10", 190 pound Grangeville youth was trying out for a halfback position on next year's Vandal squad. He is a first semester freshman at the University. He was recently discharged from the Coast Guard.

for varsity competition next fall. He is a mid-semester high school graduate from Berkeley, Calif., and will be playing frosh ball next fall.

John Shelt, Kellogg, scored another on a six-yard run. The other pair of TD's came from passes. Jerry Ahlin, the first unit quarterback, hit Jim Witt, Bonners Ferry, for a 40-yard play in the first quarter, and threw a 22-yard toss to Jim Bloxom, Sandpoint, in the fourth quarter.

Idaho Cindermen Upset Bengal Squad In Boise

Idaho won the "Centennial Trophy," and what amounts to the Big Sky Conference's dual meet track and field championship, with a 76-69 upset of Idaho State Saturday.

The Vandals won the meet with record-breaking mile relay victory, one of 10 inaugural 1963 records wiped out.

Coach Doug MacFarland said that he was indeed pleased with the performances of his crew.

"They did their very best," he noted. "There really isn't much more that I can say. I'm pleased and proud — and surprised. All we have to do now is keep in peak condition."

The Vandal track mentor noted that his crew only had two more meets slated before the Big Sky Championships in Pocatello May 21 and 22.

The triumph actually was assured when ISU's team was disqualified in the relay, prompting Idaho Coach Doug MacFarlane to break his clipboard over his knee in celebration — but Idaho won the race anyway.

Idaho State picked up first place finishes in only seven of 17 events in the meet. Three of their first place nods came in the running events and the other four in the field competition.

Everything else, including a giant trophy in the shape of the State of Idaho given by the Pocatello Chamber of Commerce came home with the Vandal cindermen.

Vandals Broke Eight Records The Idaho crew combined efforts to break eight meet records in 10 first place finishes. Big Ray McDonald threw the shot a little over 5 feet farther than it had ever been thrown in the history of Idaho-Idaho State competition. He pushed the big steel ball out to the 53-11/4 foot mark to surpass his closest contender, Rod Hornhorst by almost 3/4 feet. The old record of 51-2 1/2 was held by Hornhorst.

McDonald also set a new mark in the discus of 163-9 — almost 24-feet farther than the second best throw by ISU's Joe Connetto and better than 27-feet farther than the old record held by former Idaho weight man Larry Johnson.

Kearney Surprise Winner A real surprise winner for the Idaho crew was Virgil Kearney. Kearney ran through the 440-yard distance in 49-7. Mac-

Looked Pretty Good

"Overall, our quarterbacks looked pretty good," Musseau commented.

The Vandal staff singled out tackle Gary Fitzpatrick, guard Bob McCray and center Al Busby for special praise. "They looked tough on defense," the staff said.

The Vandals will resume practice on Tuesday and hold another controlled scrimmage session Saturday at Neale Stadium.

Farland was pleased, to say the least, by the frosh distance man's performance.

"Kearney ran faster than he has ever run in his life," Idaho coach noted. "His time was definitely the surprise of the day. I was real surprised with his performance."

Idaho's Rolf Prydz posted a new mark in the javelin. He heaved the big aluminum bar 194 feet - 6 inches farther than the previous mark which he held.

Turpin Broke Mark

DeWayne Turpin and Jim Jackson finished one and two in the pole vault competition. Turpin cleared the crossbar set at 13-10, 4-inches higher than the old mark which was held by Leonard Len Fortner and 3-inches higher than Jackson. Vandal 880 specialist, Nils Jepsen, broke the meet mark in that event with a time of 1:53.7. ISU's Tim Williams, who held the old record of 2:00.3 finished second with a time of 1:55.9.

Speedster Bill Bryson took the top spot in the 220-yard dash. His time was 22.2, just three-tenths of a second faster than second place winner Len Frazier.

Distance Men First

Idaho's 440 and mile relay teams also got first place nods. The 440 crew composed of Joe Chapman, Joe McCollum, Bill Bryson and Bob Johnson covered the course in 42.7.

The distance squad — McCoolum, Korpinen, Jepsen and Kearney turned a time of 3:25.9 for a new meet record. The old record set by Idaho in 1963 was 3:36 flat.

ISU was without star sprinter-jumper Jon Briggs, who scored 35 points in last year's conference meet, but the Bengals won most of Briggs' events, anyway. It was just the second meet ever between the schools.

The Centennial Trophy was established because the first meet was in a centennial year, 1963. Last year's was rained out.

And although there is no official Big Sky dual championship, Idaho can claim one. The Vandals whipped Montana State two weeks ago and will be favored over Montana next week; Idaho State won the first two Big Sky titles.

Idaho Baseballers Dump Montana

ALL SMILES: Head Vandal grid mentor, Steve Musseau, was all smiles last Sunday afternoon when Gault Hall's Jim Winniger presented him with a pair of silver shoes on behalf of the men of Gault. The shoes were decorated with big letter "I's."

Vandals Jump Back Into Big Sky Pennant Race, With 13-16, 10-3 Wins In Missoula

MISSOULA — Idaho's Vandal diamond crew jumped back into the Big Sky pennant race with 13-1 and 10-3 victories over Montana here Monday afternoon.

Vandal Bill Stoneman blanked the Grizzlies for six innings before giving up a lone run. By then the Idaho squad had the game well under control. The big hit of the contest was centerfielder Jim Carmichael's three-run homer in the second inning.

Idaho Scored Five In The Fourth

After being blanked in the third, Idaho scored five times in the fourth on three hits, two base on balls and a Montana error.

"We're finally getting the on base hits when they count," Coach Wayne Anderson noted. "This is what I've been hoping for all along — this is the added boost that we needed. We really had our hittin' shoes on today."

Third baseman Gary Kaatz picked up three hits in four trips to the plate in each of the games to drive in a total of five runs. The Vandals collected 25 safeties in the two seven-inning contests.

Lamb Went Distance

Mike Lamb limited Montana to three runs going the distance in the second game — although he gave up nine hits. Tom Hoagland was three for five in the

Carmichael Capped Day

Jim Carmichael capped the day with two hits in three trips to the plate in the second game. John Blessinger was two for four.

The wins move Idaho to a

12-11 record over all and 3-4 in the Big Sky. The victory was Stoneman's third and Lamb's fourth for the season.

Idaho returns to action in a non-conference game at Pullman against the Washington State diamond squad at 3 p.m. on Wednesday.

New Athletic Director Has A Big Problem

The University of Idaho's new athletic director, Paul Ostyn has a problem — next year's athletic budget. It isn't that Ostyn doesn't know what he's doing. He's been balancing columns of figures as Director of Athletics for Twin Falls High School for quite some time.

However, the Vandal budget is somewhat unique if for no other reason than its sheer size.

"It's Bigger"

"I must admit that the budget here is a little larger than the one at Twin Falls," Ostyn noted. "However, I think that by the time June 1 rolls around and I take over officially, I'll be more familiar with UIPAD policies."

Ostyn is filling in for acting director John Thomas right now.

Thomas has been sick for several weeks. He was recently released from Deaconess Hospital in Spokane.

"John's condition has forced me into a rather uncomfortable position," Ostyn continued.

"I don't like to make any big decisions without his advice until such time as I am completely familiar with the needs of the various athletic branches. I doubt that there's anyone around here who knows as much about the budget as he does."

No Big Changes

The new athletic director said that even after he became familiar with policies of the UIAD he doubted very much

whether or not he would make any big changes in the program. "Everything seems to be running pretty smoothly," he noted. "The only change I can predict at all will be the establishment of a wrestling program at Idaho if the budget permits. I do not know yet when this will come about, but the coach will probably be a current staff member."

Ostyn said that he felt sure that there was someone in the department who was capable of coaching such a squad. "I know that several members of the present department have coaching wrestling teams in the past," he continued.

New Pool In Future

"I've also heard some talk of putting in a new pool at Idaho," Ostyn said. "Such a structure probably will be built in the future, but I haven't heard anyone talk of an urgent need for it. Surely it will come, but, as I say, it will be in the future."

I'm Not The Only One

"The thing that makes me feel good about my position," Ostyn explained, "is knowing that I'm not the only one who is in this position of not being completely filled in on budget policies. I doubt very much whether the incoming president is in a much better position than I am."

Ostyn and his family will move to Moscow in the last part of May. He will officially assume his new duties on June 1.

Tennis Team Loses

Last weekend Douglas' netmen ran into a stacked net. Against Whitman College the Vandals lost 9-0. The following day Oregon State trounced the Idaho hopefuls with an identical 9-0 blanking.

Coach Douglas had this to say, "Oregon State is obviously a team power. It's a tremendous team with better facilities and a professional coach."

He said that both OSU and Whitman were comparable.
