## Student To Travel For Easter Seals

By SUSIE SMITH  
Argonaut Feature Editor

This summer a 22-year-old blind student, familiar especially to University music audiences, will fly with other handicapped young Americans to Denmark and Sweden as an ambassador of the United States on an Easter Seal Society sponsored mission.

Under a project entitled DIADEM (Disabled Americans' Denmark Meeting), Bob Caron, Sigma Chi, blind since age eight, will be taken on so-

cial, cultural and educational meetings and tours of the two European countries.

Caron, a junior, familiar to University students especially for his numerous vocal appearances including with the Vandaleers and in the 1954 Blue Key Talent Show, was selected by Bruce Whitaker, executive director of the Idaho Easter Seal Society. His name was submitted by Forest P. Kelso, director of the Wallace office of the Idaho Employment Security Agency.

He will leave by air from Spokane and meet other delegates in New York June 21. They will spend the day at the New York World's Fair, after which they will fly to Copenhagen.

In Copenhagen, Caron will meet with other handicapped persons between the ages of 17 and 25 at youth conferences.

"We will be entertained by the governments of several countries, too," Caron said.

The trip was arranged for the Easter Seal Society by the Lord Mayor of Copenhagen he said. The group will return July 14.

A bulletin put out by the Easter Seal Society indicates that

## May Fete Highlighted By First Theophilus Award Presentation

### Distinguished Seniors Cited At Assembly

The first presentation of the Donald R. and Cora E. Theophilus trophy to the outstanding graduating senior highlighted the traditional May Mete ceremonies Saturday.

Jim Johnston, ex-ASUI President, was the recipient of the award, which will be given annually in the future.

Outgoing University President D. R. Theophilus received the Air Force ROTC outstanding service award during May Fete.

"This is the highest Air Force ROTC award given to civilians," said Col. Robert C. Ogletree, professor of aerospace studies, who presented the plaque.

Ogletree added that the presentation was made "in recognition of the leadership and support Dr. Theophilus has provided all three ROTC programs at the University since becoming President in May, 1955."

Distinguished Senior Awards were presented by President Theophilus to the following:

Robert Cameron, Borah; Janice Craig and Deanna Solomon, Theta; James Fields and Jim Johnston, FarmHouse; John Sackett, Phi; Jeri Ross, Alpha Phi; Marcia Studebaker, Pi Phi; John Jennings, Delta Sig; Fred Fancher, Barbara Henriksen, Gerald Huettig, Larry Kirkland, and Jim Olson, all off campus; Carol Hussa, Hays; Larry Grimes, Beta; and Charles Kozak, ATO.

Following the crowning of Carol Hussa, Hays, as May Queen by Jim Johnston, ex-ASUI President, individual awards were given:

Mrs. Donna Leaverton Olson, off campus, won the Alpha Lambda Delta Award.

Residence Hall Association Mosaic Awards were given to Janet Walker and Claudine Becker, both of French; Muriel Vermass and Marian Johnson, both of Ethel Steel; Lon Atchley, Willis Sweet; Lee Seitz and Gary Strong, both from Upham; and Larry Godfrey and Joseph Taggart, both of Borah.

Dick Rush, Delt, and John Cooksey, Sigma Chi, were

JIM JOHNSTON

awarded the Intercollegiate Knight Holy Grail, which is given to the one or ones, in case of a tie, who have devoted the most hours to the group.

Jim Freeman, Sigma Chi, was named IK Outstanding Page.

Spur of Moment

Spur of the Moment was Peggy Cuddig, Hays.

Honorary membership in the American Association of University Women (AAUW) was given to Joan Rumpeltes, Pi Phi. Phi Omicron Sigma, newly formed fraternity honorary, gave honorary membership to University President D. R. Theophilus and Associate Dean of Students Guy P. Wicks.

Phi Omicron Sigma also announced six charter members and nine new pledges. Members include: Larry Nye, Beta; (Continued on Page 2, Col. 8)

## Campus 'Unquiet' Sunday

The presence of mothers on campus early Sunday morning apparently did not exert a quieting influence as one University student was arrested on campus and charged with disorderly conduct and Moscow police were called to investigate three other incidents.

T. Jefferson Davis, 21, Shoup, was picked up by Moscow Police at the corner of West 6th and Rayburn Streets (near Shoup Hall) at 2:30 a.m. and charged with drunken disorderly conduct, according to police. He is scheduled to appear at Police court tonight.

The three other instances, two of them at the Wallace Complex and the third at Hays Hall, brought the police to investigate but when they arrived no offenders could be found.

Dewey Newman, head counselor of men's residences, called the police to investigate "someone prowling in the new Wallace Wing and the lights turned on," the police reported.

Later Sunday morning, police were called back to the complex when the housemother at Campbell Hall complained to the University telephone operator that someone was on the roof and making noise, the police report said.

Mrs. Frances Barnett, head resident at Hays, reported that two men had thrown a rock through one of her windows and had used profanity and "abusive names."

Police also reported that they had investigated someone throwing a rock through a Gamma Phi Beta House, Saturday night.

## Leprechauns, Ireland Final Assembly Topic

"Life, Literature, and Leprechauns: Irelands Past and Present" will be the final public events assembly of the year to be delivered by Dr. Walter Starkie tomorrow at 10 a.m. in Memorial Gymnasium.

Dr. Starkie, an author, critic, theater director, Spanish knight, and professional gypsy, will speak on the life, literature and special magic of the country from the 18th century to the present.

Born in Dublin and after attending Trinity college, Dr. Starkie spent World War I wandering around Italy and Sicily with a band of gypsies.

Through these travels and later gypsy escapades through Ireland Dr. Starkie became an expert on gypsy culture. He is now president of the International Gypsy Lore Society.

Dr. Starkie spent 30 years as a co-director of Ireland's Abbey theater along with William Butler Yeats, Lady Gregory and Lennox Robinson.

G.B. Shaw

During this time Starkie met

such people as George Bernard Shaw, J.M. Synge, and James Stephens.

A professor of Spanish, Dr. Starkie was knighted by the King of Spain early in his career.

Later he served as British Council Representative to Spain during World War II.

Books

Dr. Starkie has written more than 16 books including "Scholars and Gypsies."

He is currently a visiting professor of theater arts at the University of California, Los Angeles.

## Off Campus Housing Topic On TV Panel Discussion

Student interest in off campus housing has led to a special TV program scheduled Thursday at 8 p.m. on KUID television. A panel composed of Dianne Green and Denny Dobbin, both E-Board members; A. Bob Marley, sponsor of the off campus housing resolution turned down by the Regents; and Gordon Law, chairman of the Department of Communications and home owner, will discuss the current issue.

Will Discuss

He said the panel will discuss:

- (1). Does the problem exist?
- (2). What are some of the possible solutions if there is one?
- (3). What does student government plan to do?

Invitation

An invitation to sit in with the panel was extended to Bob Brown, off campus, said Soper. Brown wrote a letter to the Argonaut criticizing the E-Board off campus housing proposal.

Brown declined because he said it would "lend too much dignity to such a subject,"

Soper added.

University President D. R. Theophilus will speak to Executive Board May 18 on off campus housing, said Bill McCann, ASUI president.

McCann and Dobbin met with the Board of Directors of the Moscow Chamber of Commerce yesterday to discuss the issue.

The noon meeting was scheduled "to let everyone know where everyone else stood," McCann said.

## Africa Is Subject Of Nelson Talk

Africa as a possible Communist breeding ground is the subject for discussion by Ralph Nelson, Jr., Spokane, at 7:30 tonight in the Borah Theatre, sponsored by the Air Force ROTC Arnold Air Society.

Nelson, a WSU graduate and consulting engineer for Nelson Mechanical Consulting Service, Spokane, has taken three safaris to South Africa, most recently in the summer of 1964.

THEY'RE OFF! Official starters Bob St. Clair, Bill Carpenter and Gary Dalton, Phi Delt and John Cramer, Swimmingcoach, fired their guns and the turtles were off and running at the Turtle Derby Saturday morning. Over 1,300 students and their parents attended the races.

## Turtle Race Sees Time, Money Records Broken

By ELLEN OSTHELLER  
Argonaut News Editor

Kutegundalorpaldink won the annual Phi Delta Theta Turtle Derby Saturday morning in record time, beating out 15 other hopefuls, and excelling in the final heat of the race.

"Mr. Orpaldink," as he is

called by his owners, the Gamma Phi's, showed amazing speed in setting a track record on "Turtle Downs" with a 49.1 seconds time. Trained by Pat Clauser, Gamma Phi, the turtle was a "black horse" coming from behind and winning in record time.

Mr. Orpaldink beat out the favored "Flamin Mame, II," owned by the Pi Phi's. The "betting odds" on "Mame" showed she was the probable favorite, with \$147.46 put on her nose.

The Phi Phi's were presented an award by the Phi Delt for "longest and strongest bet," however, which helped sooth the losing turtle's temper.

## Students Tapped

Eighteen University coeds were tapped for Mortar Board, senior women's honorary, and eight men for Silver Lance, senior men's honorary, at the May Fete Saturday afternoon.

The women were initiated Sunday at the home of Dean and Mrs. Charles Decker.

The women were selected for qualities of leadership, service and scholarship from a group attending Narthex Table in April, according to Janice Craig, Theta, Mortar Board member.

Women tapped include Pat Alexander and JoAnne Fry, Theta; Dianne Green, Carolyn Stephens and Jana Smith, Kappa; Carolyn Ravenscroft Smith and Melanie Stradley, off campus; Linda Werner and Mary Bjstrom, Alpha Gam; and Donna Gibson, Alpha Phi.

Others include Jean Cline, Gamma Phi; Judy Benscoter, Forney; Judy Heidel, French; Penny Craig and Donna Sutton, Campbell; Sharon Swenson, DG; Judy Manville, Pi Phi, and Betty Jennings, Forney.

Included in the annual activities of Mortar Board are the sale of Homecoming mums, organization of May Fete, and assisting Mrs. Marjorie Neely dean of women in visitations to state high schools.

New Silver Lance members include William McCann and Mick Morfitt, SAE; David McClusky and Fred Freeman, Sigma Chi; Lon Atchley, Willis Sweet; Joe Goffinet, off campus; Bob Dutton, Delt, and Bob Bartlett, Beta.

## Shoplifting Charged To 2 Students

Two University students became the eighth and ninth arrested on shop-lifting charges within the past month.

John Yore, 19, Delt and Melvin Simpson, 21, off-campus, were arrested by Moscow police Thursday and Friday, respectively, on charges of shoplifting at the Tri-State Distributors.

Simpson was fined \$39 at Moscow police court on charges of taking fish hooks valued at 39 cents each. Yore, who goes to court Tuesday, was arrested for taking several \$1.29 light sockets.

## Four Living Groups Win Spur Song Fest

Four living groups were winners in the annual Spur Songfest held Friday evening in the Memorial Gymnasium.

Tri Delta and Delt won the mixed division with their arrangement of "Country Style." Honors in the women's division went to the Kappas who sang "Little Boy Blue." The men's group award went to the SAEs with no competition singing "They Call the Wind Maria."

Individual

Individual living group trophies will be awarded in each division in addition to the traveling trophy.

Phi Mu Alpha Symphonia, national men's music professional fraternity, sang three songs during the program Friday.

Other groups participating in songfest were Hays, singing "The Sound of Music," Forney with "Red, Red Robin," Alpha Chi and Delta Sig with "The Rainsong" and Sigma Chi and DG with "Soon Ah Will Be Done."

Eliminations

The groups participating in Songfest were selected by an elimination a week ago by a panel of judges including Norman Logan, associate professor of music; David Whisner, assistant professor of music and James Schoepflin, off campus, graduate music student.

Judges for the Friday event were Logan, Glen R. Lockery, acting head of the music department and Vandaleers director, and Phillip Coffman, music director.

SONGFEST WINNERS—Representatives of the winning groups in Spur Songfest accept their awards from Roberta Timm, right, Tri Delta, Songfest chairman. They are: left to right, Gary Nyberg, leader of the SAEs, Mary Ann Yoden, Kappa director, and Kay Hostetter and Bob Pabst, leaders of the Tri Delta-Delt mixed chorus.

## TV Tower Tools Taken

Approximately \$300 of technician's tools was taken from the television transmitter tower on Paradise Ridge sometime between 3:30 and 8 a.m. Friday.

In addition to the theft, the intruder turned off the flashing red warning lights on the tower, which serves to warn airplanes of the presence of the 3,300 feet-above-sea-level tower, according to Gordon Law, head of the communications department.

Identify

"We have fairly tangible evidence as to the identity of the intruder," Law said yesterday. Sheriff's office and University officials are working together on the break-in.

The transmission facility is currently being tested before a signal is transmitted over it throughout North Central Idaho. University officials have set a May 17 target date to begin transmissions.

## First "Greek Week" Set At University May 16-21

The first Greek Week at the University will begin Sunday at 3 p.m. in the Student Union Ballroom with a speech by Robert Holder, University graduate and president of the Vandal Boosters.

Greek Week, sponsored by Interfraternity Council and Pan-Hellenic will continue through May 21.

A tea will be held in the Gold and Silver room at 4 p.m., following Holder's speech.

Officers of fraternities and sororities will meet at dinner on Monday, May 17 to discuss the problems of their respective offices.

On Wednesday faculty diners will be held to give students the faculty point of view on common problems such as administrative and social problems.

The week will culminate with an awards banquet Friday, May 21 at 6 p.m. President D. R. Theophilus will speak at the banquet. During the banquet trophies will be presented for the outstanding faculty member and the outstanding Greek man and woman.

Following the banquet will be a semi-formal all-campus dance in the Student Union Ballroom. No admission will be charged and everyone is invited.

Mick Morfitt, SAE; Paul Henden, off campus; Richard Mace, Lambda Chi; Gary Mahn, off campus; and Duane Golcochee, off campus.

Pledges are: Jim Johnston, FarmHouse; Larry Grimes, Beta; Jim Berry, Delta; Gerald Huettig, Delta Sig; John Sackett, Phi; Don Mottinger, SAE; John Walradt, FarmHouse; Tom Dickey, Delta; and Jim English, Lambda Chi.

Mortar Board Scholarship Plaques were given to Judy Kay Bond Hanson, off campus, and Betty Jean Lynch, Forney. Evelinda Hintze, Pine was awarded the Associated Women Students Scholarship.

Michael Lee Dewey, Campus Club, was given the Alpha Phi Omega Award.

Thirty-five new Spurs were presented in the program after their official tapping at 5:30 a.m. Saturday. The girls learned of their selection when this year's Spurs ran through the girls songs with horns, shouts and songs.

Those tapped include: Susan Harris and Susan Sidway, Alpha Chi; Nadene Kantola, Alpha Gamma; and Candi Chamberlain, Alison Gregory and Jane Johnson, Alpha Phi.

Pam Ickes and Dolores Phil- leo, Campbell; Judy Joslin, Tri Delta; and Joan Elisman, Marcia Kent, and Janice Scheel, DG.

Ann Cartwright and Marie Warnholz, Ethel Steel; Susan Buyny, Daryl Hatch, and Janette Higgins, all of Forney; and Barbara Anderson and Patricia Nikkila, French.

Peggy Bauman, Hays; Diane Beyerler and Pat McCollister, Houston; and Joan Martin and Susan Yount, Gamma Phi; Jeanie Gibb, Pam Poffenroth, and Rose Zubizarreta, Kappa.

Donna Morris and Barbara Carneff, Pine; Linda Dailey, Marsha McComas, and Carol Robinson, Pi Phi; Sue Cairns, Phyllis Rathbun, and Sandy Wood, Theta.

The girls tapped will wear spurs on their ankles this week. These are to be worn "all the time when you take a bath or when you're sleeping," said Paula Spence, Spur junior advisor.

## The Golden Fleece

By Jason

I used to wonder why Hal Boyle of the Associated Press would often write his daily column on "things a columnist would never know unless he opened his mail." Yesterday when I sat down to write this column, I think I knew.

However, Boyle now has more worth-while if less amusing subjects to write about. It's not so often now that we can turn to the pages where his column is usually hiding, and find out just how many whalebone stays were in an 1890 corset and the like.

Boyle is now writing his columns from Saigon.

### Like If . . .

But yesterday was quite a letdown after the busy, busy Mothers weekend, and I started thinking about the things I wouldn't know if . . .

Like if I hadn't gone to the May Fete Saturday, I wouldn't have known how much seems to be added to the ceremonies each year. It's not that these things aren't worthy of being added to May Fete, like tapping for Phi Omicron Sigma—the new interfraternity honorary. Last year it's counterpart, Mosaic, the residence halls honorary was added.

It's just that these activities draw out May Fete, and I heard more than one complaint that it was too long already.

### Hold It?

Like if I hadn't walked down Hello walk early this morning—which I didn't—or hadn't walked into a fellow who did, I'd not have known (as he puts it) that the University is trying to hold down free speech on the campus.

I was somewhat stunned when I found out this that I didn't know. I didn't see that much resemblance between Moscow and Berkeley. Then I learned that this wasn't speaking at all but writing. This struck close to home—except the writing was some obscenity on the sidewalk.

TG, Mom had gone home.

### But Mo . . .

Then I learned when I came to the office yesterday, that the Argonaut's star photographer really wanted to be an editorial writer. That shakes me up into my usual turmoil when I find unsigned notes on my desk and think they're letters to Jason. But soon after he came in and straightened me out that it—was an editorial, I was all right again?

If I wouldn't have been writing this when my roommate brought some of the Argonaut night staff down to the printers last night, I wouldn't have known what he looked like in short pants. Chuckle.

But there are also the things that you wouldn't have known if you hadn't read this far. There are only four more issues of the Argonaut left this year and after today there are only 23 more days until finals start.

### The Point Is

The point of this column makes about as much sense as some of the questions I received after we had done our most and put out last Friday's ten pages in record time. "Why don't you print ten pages all the time?"

## Apartment or Dorm?

**EDITOR'S NOTE:** The following material from the UCLA Daily Bruin is not necessarily the opinion of members of the Argonaut staff. It is reprinted as a matter of interest to students.

The University has reached a crucial point in its construction of student housing facilities, and a complete review and analysis of the present building program should be undertaken at this time by those responsible for providing student housing.

There are presently five dormitories in operation . . . The successful operation of these halls is predicted on a capacity or near-capacity occupancy. Up to this time, such an occupancy rate has been fairly well maintained, though the halls did have several vacancies the latter half of last semester.

Before proceeding with the further construction of residence halls, as in the present plan, it would be well for the University to determine exactly what student needs will be in the coming years, and how these needs can best be fulfilled.

It would perhaps be wise for the university to consider the possibility of low-cost privately constructed off-campus housing. Such housing in the

form of highrise housing structures, holds many advantages for students. Offering the freedom only found in non-dormitory housing, such apartments could undoubtedly be filled with greater ease than any new residence halls under consideration.

At San Fernando Valley State College, a private company the College Site Development Corp., has proposed construction of a \$15 million high-rise apartment structure which will house 2800 instructors, students and staff. A College-Community Advisory Planning Committee, composed of representatives of the college, the local Chamber of Commerce, and the local Civic Assn., has given its approval to the project. The San Fernando Valley State College Foundation has been formed to negotiate with the company so that the new housing will meet college requirements.

This plan represents a wise merger of college and commercial interests; student-oriented housing, built after consideration of the students' needs and wants, with private funds. The feasibility of such a plan certainly warrants careful consideration before the University proceeds with the construction of what could prove to be a very costly white elephant.

## Clean It Up You All

Recently it has come to our attention that certain individuals in the women's halls have been displaying some rather unladylike behavior in the parlors which borders on being of a passionate nature. Couples have actually stooped to indulging in certain affectionate actions which as we all now, have certain overtones and connotations of sexual immorality.

It is indeed a shame that individuals cannot force themselves to cast aside such petty, public displays of passion and either devote themselves to the more serious intellectual pursuits of college life, at least make an attempt to exercise their banal behavior in one the more secluded spots on campus, provided, of course, that the area is properly policed.

There are many members of this college community who are genuinely concerned over the moral state of these misdirected individuals who are doing all that is in their power to rectify the situation before it grows out of Proportion and someone becomes hurt by the more vulgar aspects of reality.

Remember the unofficial school motto: "We must shelter our students at all costs." One enterprising housemother has indeed become so shocked at this present state of affairs that she requested the Dean of Students, a recognized authority on campus morals, to come to the resident hall to lecture on this very subject. How could we have allowed ourselves to be lured and seduced to such depths by the material world?

And not only is this morally dangerous, it leaves a dark brown taste in the mouths of those innocents who have to witness uncontrolled actions. What would a member of the Rocky Mount community think,

he or she be visiting the residence hall at 12:00 midnight on Friday or Saturday. Indeed, what would they think should they ever happen to hear that such things go on out here! Students actually kissing each other—what a gross insult to our scholastic, intellectual goals!

One faction of the fair city has already branded our psychology department as a Communist organization, therefore we simply can't allow the conditions to exist which would even suggest any other regrettable circumstances.

Let's clean our campus up! Let's remove the few remaining bushes, curtains, and trees on our campus which might even remotely be conducive to such goings-on. Let's pass a rule in true Wesleyan tradition stating that any couple seen kissing on campus will receive two warnings and then be suspended and three instances of holding hands will constitute one kiss, in order to give our rule some flexibility.

Let's pass our own speaker ban law stating that anyone who has used vulgar language such as "sex", "female", "male", "kiss", "make-out", will be immediately sentenced to read the entire works of James Fenimore Cooper. Let's include in our orientation program a plan to induce asexuality in the new students in order that in four years we may be rid of this nuisance once and for all.

Yes, friends, it can be done. We have already taken steps in the right direction, and with our firm foundation and proper legislation based on our principles we shall indeed overcome!

## Briefs About Campus

### Last But Not Least

**HINDSIGHT**—President D. R. Theophilus will speak on "The Presidency in Hindsight or How I Would Do It Again" at a Faculty Forum tomorrow in the lower lounge of the Faculty Club. Faculty, staff, spouses, and guests are invited.

**DEADLINE**—Because May 15 falls on Saturday, the final deadline for acceptance of completed master's thesis for June, 1965, degrees is May 17. Master's theses this June will not be accepted after 5 p.m., May 17.

**SUB MOVIE**—"A Raisin in the Sun" will be presented in the Borah Theater of the Student Union Friday and Sunday. The movie stars Sidney Poitier, academy award winner.

**ALL-AROUND**—George Hamilton, FarmHouse, captured the title of "All-Around Cowboy" at an inter-collegiate rodeo at Brigham Young University last weekend. Hamilton won second in bareback-bronc riding and saddle-bronc riding and fourth in the bull riding and steer wrestling. Idaho placed third against 12 other schools.

**COFFEE HOUR**—A coffee hour for Dr. Walter Starkie, lecturer on "Life, Literature, and Leprichauins: Ireland Past and Present," is scheduled in the Appaloosa Lounge at 11 a.m. tomorrow following the last public events assembly this year.

**RUMMAGE SALE**—Alpha Phi Omega is sponsoring a rummage sale next week. The sale will be open every afternoon in the Cataldo Room of the SUB, said Jim Freeman, Sigma Chi, chairman. Items will be on consignment basis. Students with articles for sale should contact Freeman at TU 2-1441.

**YOUNG DEMOCRATS**—Idaho YD's will meet tomorrow at 8 p.m. in the Ee-da-hoo Room of the SUB, according to Mike Wetherell, Delta Chi, club president. "Should We Negotiate A Settlement With Vietnam?" will be the subject of a group discussion led by Wetherell. A short business meeting will follow with nomination of new officers for the coming year.

## Here's More About Turtle Race Sees Time

The award for best cheering section went to the Tri Deltas for their yell encouraging their "turtle" Freddy.

Campbell's turtle Chug-A-Lug came in second with 50.91, followed by Alpha Phi's Sharp Shootin' Slim in third with 51 seconds and Forney's Lollipop in fourth with 57.60 seconds in the final heat.

Last year's winner, Flamin Mamie, I" ran the race in 1 minute and 37 seconds.

A total of \$504.46 collected from "bets" on the race was presented by co-chairmen, Bill Huizinga and Bruce MacKinnon, Phi Deltas, to the Moscow Opportunity School.

Mrs. Oliver Espe, coordinator and instructor at the school, accepted the check following the race.

The top five women's living groups with the "longest and strongest bets" were: Pi Phi, \$147.92; Kappas, \$64.63; Gamma Phi's \$49.41; Alpha Phi, \$37.59; DG's, \$35.27.

As a result of glaucoma and birth defects Caron lost his sight in his third year of school in Wallace. The next year he entered school at Gooding State School, where he was graduated in 1962. He entered the University the following year.

He has had 28 operations on his eyes since 1952.

At the University, Caron is assisted in his education by the Delta Gammas, who, through a national project, read and guide blind students. Caron is the only blind undergraduate on the Idaho campus.

**Good Memory**

"I've developed a good memory, especially since I don't take notes in class," he said.

When the Delta Gammas read to him, he takes notes, which he says serve as underlining. Some of his books are on recordings.

## Dinner Set To Honor Johnston

A dinner to honor William F. Johnston, managing editor of the Lewiston Morning Tribune, will be sponsored by the local chapter of Sigma Delta Chi at 7 p.m., May 15.

**Tribune**

Johnston, who has worked on the Tribune for over 15 years, will leave Idaho and the Tribune on August 1 to join the communications staff at the University of Washington.

**Bury?**

"Just Who Are You Going to Bury, Anyway?" will be the topic of the guest speaker, Johnston himself.

The dinner has been scheduled for the New Idaho Hotel. Faculty members and students are invited to attend. Cost of the dinner will be \$2.50 per person.

**Reservation**

Anyone wishing to make a reservation is asked to call Bert Cross, professor of journalism, at 6382 or 4-1711 before May 14.

## Air Force ROTC has now been updated to fit into today's busy undergraduate schedule. Here are the facts about the new two-year AFROTC Program.

which will amount to approximately \$120. During the school year, you will be paid \$40 a month, and you will also get free uniforms.

**Will I have a chance to fly while I am in AFROTC?** Senior graduates are eligible for the Flying Instruction Program. This involves 36½ hours of flight training and 35 hours of ground school. Successful completion earns you a civilian private pilot's license.

**What's the curriculum like?** It's been thoroughly revamped. You won't find pat answers and traditional ritualized solutions to problems. New instructional methods teach the student to arrive at his own conclusions, and to test them against those of his classmates and instructors. Symbolic of the change is the new title—Department of Aerospace Studies.

**How will students for the new program be chosen?** First, you must pass the Air Force Officer Qualifying Test and have a medical examination. Then you meet with the interview board of senior Air Force officers, who will decide whether you are to be selected to attend the Field Training Course. This will be held during the summer before your junior year. Its purpose is two-fold; to let the Air Force judge you and to let you judge the Air Force. Only after you are both satisfied will you be enrolled in the program. So you see, you have everything to gain and nothing to lose by applying now. But you must act fast—applications will be closing for next year's juniors. Forms are available from the Professor of Aerospace Studies, or from Headquarters Air Force ROTC, Maxwell AFB, Alabama.

# Play Sets Run Record

"The Glass Menagerie" by Tennessee Williams set a record for the longest run play produced by the University when it completed its record breaking run May 8 to a capacity crowd at the U-Hut Arena theater.

Many were turned away from the final performance due to lack of seating, according to Edmund M. Chavez, director and assistant professor of drama.

The show was consistently well-played, he said. Chavez was extremely enthusiastic over the experience the long run gave the actors. He has hopes of future productions of this length.

"It gives the actors a chance to do a real job," commented Chavez.

Total attendance for the eight nights was over 750.

# UI Helldivers, Orchestis Termed "Big Successes"

Successful performances by Helldivers and Orchestis helped to make Mother's Day Week-end a big success, according to Miss Laura Tuttle, adviser for Helldivers.

The shows for "Broadway Beat" were all performed well and suffered no major disturbances, she said. There were a few technical difficulties but none that were attributed to the performers of the swimmers.

Responsive

The audiences were most responsive to the number from "West Side Story," stated Miss Tuttle.

Pre-Orchestis had a chance to show their ability in the orchestis program, "College Art Forms." They displayed a great deal of ability, according to Rosemary Aten, who supervised the program in place of Mrs. Gretchen Haynes, women's P. E. instructor.

# Living Groups Hold Party; Dress Dinner

**SIGMA OMICRON BETA**

The Sig Os hosted a birthday party for "Wood" Knapp Tuesday evening after E board. Thirty-seven guests attended and the party ended when breakfast was served at 2:30 a.m.

**SIGMA CHI**

Bonnie Black, Sweetheart of Sigma Chi from WSU, was guest of honor at April 38 dress dinner. She was accompanied by Cy Crank, Sigma Chi from WSU.

After dinner Donald Seely, assistant professor of economics, spoke.

**U-I Singers Plan Concert**

Benjamin Britten's Cantata "Saint Nicolas" will be the featured work of the University Singers concert scheduled Thursday in the University Auditorium at 8 p.m.

The cantata, written for mixed choir, gallery choir, tenor solo, organ and piano, was first performed in Sussex, England in 1948. It portrays various legendary events in the life of Saint Nicolas.

Tenor soloist will be Charles Walton of the University music faculty.

The 200 voice choir will open its program with a group of selections for unaccompanied chorus. Included will be "Alleluia" by Randall Thompson. "A Song in the Wind" by Houston Bright. "Sea Charms" by Frederick Picket. Selections from "The King and I" by Richard Rodgers and "Ain't Got Time to Die" arranged by Hall Johnson.

Serving as rehearsal accompanists have been Patricia Folz, Hays, and Linda Graves, Hous-ton.

# Chairmanship Interviews Held By Area Directors

Students who filed IBM cards for committee chairmanships are being interviewed by area directors and past committee chairmen this week.

All interviews are for chairmen unless students are otherwise notified, Ray Fortin, Phi Delta, Activities Council publicity area director said.

Applicants must try out for their first, second and third committee chairman choices, Fortin emphasized. They shouldn't try out only for their first choice.

International Student committee, which was left out of the handbook, is designed to further foreign-domestic student relations and will arrange for foreign students to have sponsor families in Moscow.

Changes in interview times are: Hospitality — 7:30 p.m., Tuesday Organizations Room and Art Exhibits—7:15 p.m., Monday, Pend d'Oreille.

The other interviews are scheduled as follows:

# Vandal Gridders 'Much Improved' Says Musseau

Idaho grid coach Steve Musseau saw a "greatly improved football team" Saturday morning as he sent his crew through their third intrasquad game of the spring training session.

"We're gettin' to look like a football team out there," the Vandal mentor said following a workout in which the White (first and second units) downed the Black nine touchdowns to one.

"Our offense looked much better," Musseau noted, "but three of those touchdowns were made by the defense on intercepted passes."

Rookie Dennis McCanna, a set back from Spokane, picked off two of Mike Mitchell's tosses for touchdowns of 40 and 50 yards. Veteran tackle Dick Arndt from Sandpoint also rolled 40 yards for a score on an interception.

The Vandals scored three 60-yard tallies, two of them on passes and the third on a run by sophomore John Shelt from Kellogg. After the Whites had scored on McCanna's first interception, quarterback Jerry Ahlin came back with a 60-yard bomb to wingback Byron Strickland for the second score. McCanna intercepted for the third touchdown and Ahlin went in from the five on a keeper for the fourth score.

Blacks Scored Once After Shelt had scored on his 60-yard jaunt, the Blacks finally got on the scoreboard with junior college transfer wingback Doug Bishop taking a pitch from quarterback Paul Gentle. The play covered six yards and capped a 60-yard sustained drive.

Quarterback John Foruria, who played for both sides, engineered three straight touchdowns for the Whites. He passed

# Idaho Diamond Crew Crushes ISU Squad

## Idaho Squad Chalks Up Another Big Sky Win With 16-3; 4-0 Tallies

"OK YOU GUYS—WHO'S GOT THE BALL"—It might have happened once or twice in last Saturday's scrimmage but the scoreboard after the session indicated that someone must have got his hands on the pigskin when nobody was looking. Coach Musseau's white unit dumped the blacks 56-9.

The Idaho Vandals swept a pair of baseball game, 16-3 and 4-0, here yesterday from Idaho State University to climb back into the race for the Big Sky Conference baseball crown.

The Vandals, 5-3, in conference play, however, will need help from the Weber State College Wildcats to catch the league-leading Gonzaga Bulldogs. The Zags, who have thumped Idaho three times, have lost once to the Vandals and once to Idaho State.

**Stoneman Struck Out**  
The Vandals, aided by pitcher Bill Stoneman's 13 strikeouts, two home runs and nine ISU errors handed the Bengals their six conference loss against one win. Mike Lamb turned a three-hitter in the second game of the double header to give ISU its seventh loss.

The pair of wins were the fourth and fifth in a row for the Vandals. Idaho won two games from the Montana Grizzlies, and one each from Washington State and Eastern Washington last week. Idaho now is 15-11 for the season.

**Vandals Got 12 Hits**  
Tom Hoagland belted a home run in the first inning and Terry Taylor hit another in the sixth inning with one man on base to provide the heavy hitting in the first game. In all the Vandals got 12 hits.

Idaho bunched four runs in the third inning on two hits, a

walk and four Bengal errors, and gathered seven more runs in the fifth on three errors and four hits, and got three more runs in the sixth inning on Taylor's homer and Bill Huizinga's double.

Center fielder Steve Kuharski hit a two-run homer in the fourth and scored again in the sixth, after singling and stealing two bases, for the Bengal's runs.

**Everett Doubles**  
In the second game, Mike Everett doubled in the second inning to score Tom Hoagland, who had walked, and John Blessinger, who gained first on an error.

Hoagland scored again in the fourth when Blessinger doubled. The final Vandal tally came in the fifth. Jim Carmichael reached first on a fielder's choice, stole second base and scored on Wally Posey's single, his third hit and fourth run-batted-in for the day.

The Vandals play Washington State University here Wednesday.

Idaho survived only one win. Lee Takahashi defeated Gus Gallardo 4-6, 6-4, 7-5, in the No. 4 singles.

## No Telling What'll Happen

When Idaho and Washington State meet in any sport, all bets are off.

Last week WSU's baseball team was ranked fifth in the nation. The Cougars had a three-game win streak going against the Vandals including a 16-1 pasting just eight days before.

**Bona Fide Screwball**  
Junior right hander Frank Reberger, a bona fide screwball who thinks like a left-hander, tamed the Cougars with five hits and had a shutout going for eight and two-thirds innings. He climbed out on top with a 3-1 score.

"I wonder if I can borrow that size 18 hat Cougar coach Chuck Brayton has been wearing since WSU was named number five?" Reberger asked after the game. "It's a cinch he's not going to need it tonight and I sure am."

The five-hitter he threw wasn't exactly a surprise. He was tagged for a loss the first time he threw against WSU, but left the game for a pinch hitter down 1-0 at the end of five. The Vandals didn't get any runs for either of the next two pitchers, either, losing the game 5-0. Reberger had given p five hits in the five innings he worked.

**Blanked Cougars**  
He came back for an inning of relief the next week and blanked the Cougars striking out two and walking a pair. In 15 innings against WSU, the former Caldwell hurler, has allowed 10 hits, given up two runs, walked 10 and struckout eight.

Its no wonder that Frank would like to play the Cougars every time out. He is 2-2 on the season and his earned run average is 2.79. Against WSU its 1-77. In his six appearances against teams other than the Cougars he has given up 16 walks and struck out 23. He has given up 20 hits and 10 earned runs.

He is in constant conversation with himself, "Have a day lad" he tells himself aloud on the mound; the umpire "Have an idea Mr. Umpire," and his teammates "Have a few hits, Babe."

Reberger may only be third in victories, second in strike outs and leading the team in walks, but against the WSU Cougars he's been number one for Coach Wayne Anderson.

## Vandal Cindermen Roll To Record Breaking 109-35 Track Win Over Whitworth Pirates

Idaho's Vandal cindermen won all but two events and piled up 12 meet records in a 109-35 track and field romp over Whitworth's Pirates Friday afternoon in Neale Stadium.

Highlight of the meet was Bill Bryson's sensational wind aided 9.4 clocking in the 100-yard dash. The Vandal sprinter's time shattered the two-year-old University record held by Bob Johnson by two-tenths of a second.

"Who Would Have Expected It?" "We didn't have the wind gauges out for the meet," Vandal track mentor Doug MacFarlane noted. "I don't think anybody around here really expected any of the competitors to come close to school marks — much less to shatter them like Bryson did. He looked great. That's about all you can say. It was one of those things you have to see to believe."

Fourteen of 17 meet records were broken including Nils Jebson's 1:52.3 mark in the 880-yard dash over Whitworth ace, Loren McKnight.

"I was very pleased with all of Friday's performances," MacFarlane noted. "I had an idea that we might beat them but the thing that really amazed me were our times in all events. They were out of this world. I never expected to beat them, or anybody like them — what's more — give them the beating that we gave them. It was Humbolt State all over again — that's about all you can really say."

**Foley Praised**  
MacFarlane added that if he had to single out any one performance in the meet with Whitworth, surprisingly enough it would have to be that of frosh distance man Howard Foley.

"Foley only placed third in the mile run, but his time of 4:22.4 was tremendous for him," MacFarlane continued. "To my knowledge, that's the fastest he has ever run. He looked real good."

Big Ray McDonald unloaded his best shot put effort of the year for the Idaho crew with a toss of 55 feet 3 1/2 inches, but it was only good for a second best. Whitworth's Jock McLaughlin heaved the big iron ball 56 feet 8 1/2 inches for a new meet record — a record that he, himself, set in last year's meet be-

## Idaho Golfers Prepare For MSU Match

Two Montana schools — University of Montana and Montana State University — will be the target for Coach Dick Snyder's golfers Wednesday in Missoula as the Vandals prepare for the Big Sky Tournament May 14-15 in Pocatello.

"We have never played MSU before," said Snyder. "This three-way match will be on our way to the Big Sky right after the meets."

The coach went on to say that in two prior occasions with Montana Univ., the Vandals beat them in Spokane and lost here.

**54-Hole Tourney**  
"Every school in the conference," said Snyder, "except Weber will be entered. It will be a 54-hole tournament and will take Friday and Saturday to complete."

The Idaho club carries an impressive 10-5-1 record into the Montana - Montana State affair.

Snyder said that Montana sported two fine golfers, one being Don Waller, the Big Sky medalist last year.

"I hope we win both of them," he said. "It would really be a boost for the Big Sky if we do."

**Idaho Wins Twice**  
Last Saturday at the university course Idaho won twice by impressive margins. In a triangular match the Vandals beat Whitman, 13-2, and walloped Whitworth, 15-0.

Dick Trail of Idaho was medalist with a two-over-par 72. Whitman defeated Whitworth 13 1/2-1 1/2 to complete the triangle.

A time of :09.4 in the 100-yard dash may not raise any eyebrows on the world track scene, but up in the Palouse country where sprinters are almost as rare as bananas, it deserves a long look.

Sophomore Bill Bryson turned in the :09.4 mark last Friday at the University of Idaho bombed Whitworth in a dual track meet. The former sprinter from Borah high in Boise, has been the top sprinter for the Vandals all season, but hadn't been under :10-flat for three meets.

"I must have only run 90 yards," was his first comment upon hearing the time. "I can't run that fast," he told coach Doug MacFarlane.

Bryson has a :09.8 and a :09.9 to his credit this season, but no one expected a :09.4 this season "or ever" as MacFarlane said. "True there was a wind," the coach continued, "but we didn't measure it because we haven't been expecting any records in the sprints."

The :09.4 was, of course, a new Idaho record. The old mark was :09.5 set by Robert Johnson in the nationals in Albuquerque in 1963. In a three-week period in May and June, 1963 Johnson broke the 12-year-old standard of :09.7. On May 25, he ran a :09.6 and on June 14, he turned in the :09.5. Johnson was on hand last Saturday to see Bryson turn the :09.4, but didn't seem upset by the loss of the record. "That's what they're there for—to be broken," he said.

**Third Record**  
The 100 record was the third to be broken by the Vandals this season. Dave Rambeau set a new mark of 6-6 1/2 in the high jump and Ray McDonald has twice broken the shot put mark. His latest effort was a 55-3 1/2 last Friday.

With McDonald in the ring the discus mark is always in danger. Max Leetzow set it last year with a toss of 169-9, but McDonald has already hit 166-6 and improvement from 141-8 in early season competition.

With a :09.4 100 in the books anything can happen at an Idaho track meet. The sub-four-minute mile may be next.
