Budget Discussed In E-Board Meeting

BY CLIFF EIDENMILLER
 Arg. Political Editor

The newly elected ASUI Executive Board members began their new term of office Tuesday night and considered the proposed ASUI budget for next year.

The new board, which was initiated into office earlier in the evening at the annual banquet, was going to hold its first meeting after last year's board approved the budget.

Last year's board members decided after their meeting was several minutes along that under the Constitution they no longer had any authority; therefore, they turned the budget over to the new board for their action upon it.

Debate on the budget was centered around budget policy for the coming year. In the past, Executive Board has had no definite policies on the budget.

"Policy is most important when making up a budget," said Dean Vetrus, "Without policy, no strength can lie in a budget." The present budget committee has worked without policy for the last year, and it has caused many complications, Vetrus said.

Because of this policy consideration, the E-Board is carefully considering its appropriations to W.R.A., the Marching Band, the rifle team and the debating squad. Since it was established by Executive Board two years ago to terminate budget requests from credit-carrying classes, it is the

board's opinion that this is the last year the debate squad will receive money from the ASUI.

"This is going to be the last year the debaters are going to receive our funds," said Jim Willms. "From now on the speech department can go to the administration and ask for money. Perhaps cutting their budget request for next year in half would show them how serious we really are," continued Willms.

Under this new possible policy set by the board, this may be the last year for the rifle team to receive money from the ASUI. Since the team competes with other teams outside the University of Idaho, the team should be included in the Athletic Department, and not under the ASUI.

E-Board Action

1. Proposed ASUI Budget discussed.
 2. Accepted resignation of Editor Roger Anderson.
 3. Appointment of Julie Anderson as Arg. Editor, Ginny Eiden, Associate Editor.
 4. Approved Merit Citation Committee.
- Dr. Wm. Durbon and Roger March, both local residents and active shooters, urged the board to finance the rifle team for at least the coming year so the team can get established. "We too think that intercollegiate competition should be handled by the Athletic Department," said Dr. Durbon.
- W.R.A. might also receive some cuts because the money is used for transportation in route to intercollegiate women's activities.
- The budget request by the marching band for next year was to be used as money for scholarships to both music and non-music majors who participated in Varsity Band.
- "Presently, administration funds are available to music majors only, and these 18 scholarships have to be divided among the whole department," said David Seller, marching band director. "To allow us to compete with other schools in the future, we must provide for more scholarships now," continued Seller.
- It was moved by Mike Powell to have the \$800 in the band's request to be placed in irregular help to be used as service stipends for qualifying students in varsity band. The motion was defeated because the Board felt it might set a precedent for other organizations in the ASUI to request the same type of stipends to attract personnel.
- The budget will be voted on next week by the Executive Board at their regular Tuesday night meeting.
- E-Board accepted the resignation of Argonaut Editor Roger Anderson; and approved the Communications Board appointments of Julie Anderson as Editor and Ginny Eiden as Associate Editor.

Rally to Kick-Off Festivities

BY LYNN HOFF
 Arg. Reporter

With the announcement of Frosh King and Queen finalists at the rally this Sunday afternoon at 2:30 p.m. on the Chrisman Hall lawn, the traditional Freshman's Week will begin. FROSH-OUT '71 will continue through to the crowning of King and Queen at the dance Friday night and the Tug-O-War contest Saturday morning.

Voting for Frosh King and Queen finalists is being conducted today during lunch at all living groups. Off-campus students may vote in the SUB between 12 and 2 p.m.

Candidates for Frosh Queen include Diana Aguirre, Martha Ames, Lyla Anderson, Lorraine Bauman, Janelle Burkett, Regina Chipman, and Cathy Clemens. Also running for Queen are Cathy Crowder, Deborah De Thomas, Becky Hoffmaster, Carolyn Keithly, Janene Pridmore, Patricia Ryan, Benita Selaya, and Cora Lou Ziebler.

Seeking the title of Frosh King are Thomas Andrews, SAE; Howard Sutton, Campus Club; Joe Foster, PKA; Craig Cowen, Chrisman; Dennis Dines, Phi Tau; Donald Marotz, Delta Sig; David Smith, Sigma Nu; John Marin, Phi Delt; Larry Everingham, Graham; and Scott Swope, Fiji. Also vying for the title of Frosh King are Philip Eimers, TKE; James Lemmon, Delta Chi; Tom Huert, Alpha Kappa Lambda; Gordon Rawles, Kappa Sig; John McKinney, Beta; Larry Stonebarger, Snow Hall; Joe Merideth, Lindley; Larry Hancock, Delt; Steve Murphy, Uplam; Den-

nis Lutz, Gault; and Tim Hicks, Lambda Chi.

There will be a parade of Freshmen before the rally Sunday. The march will begin at both ends of the campus around 2 p.m. and will end at the rally where Frosh King and Queen candidates will be introduced. An airplane will drop handbills during the afternoon.

The five women and five men who final for Frosh King and Queen will begin touring with songs and skits Monday, April 8, and Tuesday, April 9. Each candidate will visit all living groups.

Pie-eaters are to be prepared Tuesday at 4:30 in the Gamma Phi parking lot with their whipped cream chocolate pies. Each contestant for the pie eating event will bring a chocolate or banana cream pie 6 inches by 1 1/2 inches for the girls and 9 inches wide and 2 inches deep for the boys.

A hungry freshman is invited from each living group, and to eliminate unfair eating habits, the boys and girls will compete in separate contests.

Rules are that there are to be no hands, no knives, no forks! Be sure and wear shoes and remember each contestant must keep his hands off his own pie and those of his competitors or he will be penalized.

Start practicing NOW for the Pie Eating Contest. . . Tuesday, April 9, 4:30 p.m., at the Gamma Phi parking lot.

The major question of the week is: "Who is Arnold Quinn?" Who is Arnold Quinn, anyway? The Greased Pig Contest is the event at which the King and Queen for this year's Frosh Week will be introduced for the first time so that they may reign over the remainder of Frosh Week Activities.

Gays will undoubtedly get a chuckle out of this happening as a dozen or more girls from each living group go chasing frantically after a forty-pound greased pig. The place is McLeans field; the time: 4:15 p.m. Wednesday April 10. Maybe the King & Queen will know who Arnold Quinn is.

The remainder of the week's schedule has Thursday 7:30 p.m., Blue Bucket as the time and place of the legs contest. There will be a male and female winner chosen from a pair of legs from each living group.

Friday, April 12, at 4:00, the Gamma Phi parking lot will be the scene of a fast and furious trike race. The speculation is that the driver accompanying himself with the most original racing music will have the best chance. Trikes will be provided by the committee.

One of the highlights of the week will be the crowning of the 1968 Frosh King and Queen at the Frosh Week Dance, Friday, April 12. The dance, "Mind Excursion '71" will present the best of the psychedelic, turned-on, lighted-up world of dance and music. The Godfrey Blake of Coeur d'Alene will be playing from 9 to 12.

Saturday morning the test of strength between the Sophomores and the Freshmen, the annual Tug-O-War contest will be held over Paradise Creek at 10:30 a.m. Tradition has had it that the Sophomores are nearly always destined to lose, so Freshmen should all participate to make certain this traditional Frosh victory is not broken.

Frosh Week committee chairman will be wearing green and purple beanies to show their Frosh spirit is in the week.

FROSH-OUT '71 buttons will be on sale soon in the SUB and at the Frosh Week events. Dave Brugato, General Chairman for Frosh Week announced that any freshman caught without a frosh week button after Sunday, April 7 will be excommunicated from the Freshman class.

It was also announced that during this week of events, the University of Idaho cordially invites high school seniors throughout the state to visit the University and attend the events of this year's Frosh Week.

The Dynamics of Change

By Julie Anderson, Jason 82

Jason 81 feels like the Ghost of Christmases Past returned late for the humbug bit, but maybe she will say humbug anyway. Better still, Jason feels like Grover Cleveland after the second election.

Assorted and Unrelated

Jason too, asks herself how this coup d'etat came about. It seems the whole thing occurred through a complex sequence of events. They are as follows: 1) Jason 82 decides to run for E-Board 2) Political editor becomes acting editor during campaign 3) Jason 82 wins seat on E-Board 4) question arises concerning conflict of interest 5) question resolved as Jason 81 returns from the wastes of South Idaho to again fill the august post as editor of the Arg.

Protecting the Innocent

With her return, Jason finds things somewhat changed on campus, but not really. A new E-Board has been elected. The faces have been changed to protect the innocent, so to speak. Some big issues seem to be facing the Board. One real big one is sidewalks. Yes, sidewalks. You know how important sidewalks are to the well being of the University.

Officer Explains Military Feeling

Dear Jason, The following article was printed in a recent issue of Navy Times. I think it explains very well the feelings of the average military man serving his country today.

Peace and Freedom This is another of the four top winning essays written by Sea Service personnel in the 1967 Freedoms Foundation contest.

Many of the questions pertained to the world of sports. I do not object to this type of question, but I do feel that they should be combined with ones concerning science, mathematics, and literature, etc.

But what is Peace? Is it the condition enjoyed by the convict in his cell? By the slave? By the peasant paying tribute to a tyrant out of his meager production in order that he might go on living? If so, it is a commodity of little value.

T. H. E. Column By Marty Peterson

Well, it looks like all of the big action during the past week has been centered around the statements of Chairman LBJ. In order to really be in with all of the big happenings, I have decided that I had best say something appropriate about the President.

Johnny Rivers To Appear In Concert In Gym May 3

Big Name Entertainment Committee Chairman, Bob Harwood, has announced that May 3 Johnny Rivers will perform for the students of the University of Idaho in the Memorial Gymnasium.

Johnny Rivers is known for his first hit, "Memphis," which came out in 1964. He has appeared on many television shows, in most popular night clubs and television show "Secret Agent Man." Rivers will be backed up by his group when he comes on stage in the gym next month at 8 p.m.

In 1963 Johnny Rivers had given up singing to work full time at producing records for other performers. It was strictly as a favor to a friend that he returned to his rightful place behind a microphone to fill in for two nights, only, at a small Los Angeles nightclub. Since that time the youthful singer has gone on to sell the unbelievable total of more than twenty million records and take his place, along with Frank Sinatra and Elvis Presley, as one of the most popular and consistent male recording artists in the business in the U.S.

In a day of musical fads, when performers become overnight sensations and are forgotten just as quickly, Johnny Rivers has proven to be the exception to the rule. The phenomenal Rivers' magic spread quickly across the international recording industry with the same startling impact that it created in Los Angeles and never lost its momentum.

His first Imperial album, "Johnny Rivers At The Whiskey A Go Go," became a national best seller during its first two weeks of release and Johnny's first single, "Memphis," zoomed to the top of the charts. Since that time the good looking vocalist has captured six gold records for such tunes as "Memphis," "Seventh Son," "Mountain of Love," "Mabellene," "Secret Agent Man," "The Poor Side of Town," and "Baby, I Need Your Lovin'."

Known both as "the entertainer who started America dancing again" and "the favorite singer of the stars," Johnny took Los Angeles by storm, when he opened at the Whiskey A Go Go. Night after night there were people lined down the street waiting to get into the discotheque Johnny Rivers made famous. The whole town began dancing and soon the entire country was dancing with them. What's more, the stars were also moving to his irresistible rhythm. Steve McQueen, Rita Hayworth, James Coburn, Natalie Wood, Eddie Fisher, Vincent Edwards, Tony Bennett, Rock Hudson, George Peppard, Ann-Margaret, Laurence Harvey, Sandra Dee, Lana Turner, and George Hamilton numbered among the "regulars" in the Johnny Rivers fan club.

Steeped in the classic blues tradition, Johnny got his first musical inspiration from such greats as Fats Domino, B.B. King, Ray Charles and other southern blues performers. Though he has had no formal musical education, Rivers is the complete musician. An excellent guitar player and songwriter, he composed one of his biggest hits, "Poor Side Of Town." Recently Johnny returned to his first love, producing records, and formed his own label, Soul City, in association with Liberty Records. The first release on the new label "Go Where You Wanna Go" by The Fifth Dimension, was an instant hit as was their initial album, "Up, Up And Away." Johnny was born in New York City on November 7, 1942, but moved with his parents, John and Nancy Ramistella, to Baton Rouge, Louisiana, when he was three. It was in Baton Rouge that he, and his younger brother Frank, were raised. His father was a house painter and Johnny recalls reflectively that "We weren't poor, we were double poor."

Johnny has been playing the guitar and singing for as long as he can remember. "I didn't have any formal musical education. Dad used to play the guitar and mandolin and I just picked it up," he remembers. Throughout his school days in Baton Rouge Johnny earned money playing with his own group at school functions and in local clubs. Working at night, he would come to high school the next day and invariably fall asleep in class. During his summer vacations,

beginning when he was only fourteen, Johnny would leave Baton Rouge to pursue his career in the eastern musical capitals, New York and Nashville. When his money ran out he would return

established stars such as Elvis Presley and Johnny Cash. Johnny's next stop was New York where he continued learning, writing songs and cutting demos for the famed Hill and

back side of one of his hits and earned enough for Johnny to keep going for many months. In 1963 the turning point in Johnny Rivers' life arrived. The owner of Gazzarri's, a small club to

the Hollywood stars were coming to this new "in" place and there was no turning back. Johnny then accepted an offer to headline the Whiskey A Go

Palace." "The Ed Sullivan Show" and "The Red Skelton Show."

A likeable young man, unspolled by his success, Johnny brought his parents to Los Angeles following his first hit record, and purchased a home for them just a few blocks from the tastefully decorated Spanish house in which he resides in Beverly Hills. Rivers has always found time in his busy schedule to perform for United States servicemen everywhere. He has traveled to Vietnam, where, by working with only a trio and with traveling by heli-

copter, he was able to entertain more than 87,000 G.I.s.

Whenever his heavy recording and concert schedule permits, Johnny likes to spend time at home around the pool or driving his Triumph motorcycle and 'E' type Jaguar. He is one of Hollywood's most eligible bachelors but can often be found at his parents' home devouring his mother's Italian cooking. His favorite hobby, and a very profitable one for the talented youth, is producing records for the Soul City label. Working with and creating new "sounds" is for Johnny the complete "release," the ultimate in communication.

JOHNNY RIVERS WILL BE ON CAMPUS May 4 for a concert performance. His show will be at Memorial Gym with Tickets ranging from \$3 for reserved seats* to \$2.50 for main floor to \$2 for the balcony. Tickets go on sale April 17.

What's a 1967 Olds doing in this 1968 Olds advertisement?

It's making the point that you can own an Oldsmobile. If not a new one, then certainly a used one.

Like the nifty 1967 Olds 4-4-2 you see here. Or a sporty used Cutlass convertible maybe. Or, even, one of those great Olds Rocket 88s.

Of course, Olds dealers also carry a large stock

of other brands on their Value-Rated used car lot. And should you decide on one of them instead... well, at least we'll know you picked a good place to do it.

McCarthy Group To Meet Monday

The formation of an Idaho Com- mittee to support Minnesota Sen- ator Eugene McCarthy's candi- dacy for the Democratic nomi- nation for the Presidency was an- nounced today by Chris L. Smith, temporary chairman of the group.

Smith said that the committee will meet at 8:00 Monday night in the SUB. "We will be active in campaigning for Senator Mc- Carthy in the "Choice '68" elec- tion on campus, and hope to be able to influence both the Idaho Democratic Convention and do some work in the Oregon pri- mary."

"We feel," said Smith, "that Senator McCarthy took the in- itiative early in the campaign and challenged President Johnson's war policy in Vietnam. Now that the President has counted him- self out of the running, we feel that Senator McCarthy, not Robert Kennedy, deserves the nomi- nation. Senator McCarthy has for over 20 years served in Con- gress, and his record on domes- tic issues has shown him to have a deep social conscience, and an interest in the welfare of the people."

Monk's 'Playa 9' Set For Tonight

In a departure from its reg- ular dramatic format, NET Play- house is presenting an hour's program of the celebrated top- ical revue, Julius Monk's PLAZA 9 April 5 at 7:00 p.m. on Chan- nel 12, KUID-TV. A repeat is scheduled for April 8 at 9:00 p.m.

This NET Playhouse (color) special, the first extended tele- vision appearance of the com- pany, is made up of numbers from the present production and past revues and includes skits aimed with witty irreverence at such subjects as the new moral- ity, the Great Society, hippies and Charles de Gaulle.

The urbane Julius Monk, guid- ing genius of the group, has been a luminary in the entertainment field for more than thirty years.

One of the original producers of the sophisticated cafe form in the United States, his name is synonymous with such night spots as Le Ruban Bleu, the Downstairs, and the Upstairs at the Downstairs. Among notable alumni of Julius Monk revues are Liborace, Imogene Coca, Tom Poston, Jonathan Winters, Dody Goodman, and Tammy Grimes.

In addition to Monk, who serves as host, the company includes Mary Louise Wilson, Rex Rob- bins, Terry O'Mara, Liz Sher- dan, and Alex Wipf. Piano accom- panists are Robert Colston and Otis Clements.

The program was taped at Pla- za 9, the Edwardian cellar at New York's famous Plaza Hotel, the company's home since 1962.

Sociology Department Receives \$17,650

The Department of Sociology and Anthropology has been named the recipient of \$17,650 in grants to conduct research on contemporary peoples and their history, according to Dr. Edward E. Walker, Jr., head of the department.

The grants, coming from National Science Foundation and university sources, will be used to carry out studies on how one culture replaces another. The university is also setting up an anthropology laboratory, which will house artifacts of different cultures, maps, tape recorders for transcription of languages and life histories, and cleaning facilities for metal artifacts.

"There is a great need for study of our own culture, but its complexity makes analysis very difficult. As a result we turn toward simpler societies where we can

better see the forces and social systems working and changing. We can also identify and help solve social problems in this way," Walker stated.

"For the up-coming studies of cultural change, our prime resource will be the American Indian. This is due primarily to the proximity of 19,000 Indians who live on 10 reservations in the Northwest. But we won't be limited to the Indians — we'll study other societies like the Basque and Hutterite."

The studies will focus on several areas of cultural change, including family and kinship, political organization, religion, art, mythology, technology, economy, population and language. Once these steps are completed, the anthropologists will then search for general trends of cultural change which might hold keys to mankind's betterment.

HOPING FOR A VOTE FROM freshman girls on campus are Frosh King Candidates Tim Hicks, Lambda Chi; Tom Gislser, Theta Chi; Gordie Rawles, Kappa Sig; John Manning, Sigma Chi; and Tom Andrews, SAE. Voting for finalists will be today in living groups around campus.—(Bower Photo)

Idaho To Participate In 'Choice 68' Election

The nation's students have determined the final ballot and referendum issues of their first nationwide collegiate presidential primary, called CHOICE 68.

Meeting in Washington, D.C. from February 10-13, the program's student directors selected a slate of fourteen candidates for the presidency. They are: Fred Halstead, Mark Hatfield, Lyndon Johnson, Robert Kennedy, Martin Luther King, John Lindsay, Eugene McCarthy, Richard Nixon, Charles Percy, Ronald Reagan, Nelson Rockefeller, Harold Stassen, and George Wallace.

The students also decided that three referendum questions be included on the ballot. Two deal with the country's current involvement in Viet Nam, and one with the priorities of government spending in confronting the "urban crisis." Mr. Richard Seaman, Director of the Elections Research Center, and Dr. Howard Penniman of the Political

Science Department at Georgetown University assisted the Board in their efforts to ensure that the various questions were properly phrased towards achieving maximum clarity.

In addition, the Board resolved several administrative questions, such as voter qualification. It was decided that any student currently enrolled in an American college of university will be eligible to vote in the CHOICE 68 election. This includes graduate, part-time, and foreign students, as well as those studying abroad in American branch universities.

CHOICE 68 is being sponsored on the Idaho campus by ICEP. In addition to the presidential ballot, Idaho students will also have a chance to vote on a mock-primary ballot for the two Idaho Congressional seats and one Senate seat. There will also be several referendums. The content of the state referendum and the candidates on the state ballot will be decided next week. The election will be held April 24.

FROSH KING CONTESTANTS FOR FROSH KING 1968 are (front row) Steve Murphy, Upham; Larry Everingham, Graham; Phil Eimers, TKE; and (front row) John McKinney, Beta; Scott Swope, Fiji; and Dennis Lutz, Gault.—(Bower Photo)

WITH ANTICIPATION FOR FINALING in this year's Frosh King Contest are candidates Tom Heuard, AKI; Larry Hancock, Delta; Dave Smith, Sigma Nu; Howard Sutton, Campus Club; and Craig Cowen, Chrisman. The announcement of finalists for Frosh King and Queen will be announced early in the week, with Frosh Week officially beginning Monday.—(Bower Photo)

Church Idahoans Hold Coffee Hour

The Young Idahoans for Church are sponsoring a coffee, Sunday, April 7, to acquaint the students with the aims of the committee. The coffee will be at 6:30 p.m. in the Galena Room of the SUB.

The committee, under the chairmanship of Bob Young and Ken Hall, has begun organizational plans for Senator Church's campaign for re-election. The chief goal of the committee is to aid in the campaign by making the Senator's policies familiar to students, distributing campaign literature, and polling the students as to their senatorial preference.

Presently there are two Young Idahoans committees, one on this campus, the other at Idaho State. The membership of groups is

not limited to Democrats. Instead, it is hoped that any person, regardless of political affiliations, who is interested in the re-election of Senator Church, will attend the coffee and join the Young Idahoans for Church.

Judicial interviews will be held Monday, April 8, at 6:30 p.m. in the SUB. Two positions will be filled.

Idaho Hopes To Reclaim 'Bloodiest Campus' Title

The U of I will be out to reclaim its title as the bloodiest campus in Idaho during the campus blood drive to be held April 16, 17, and 18. Technically, ISU holds the title as the bloodiest campus in Idaho. Almost 900 pints of blood were donated at the U of I last year, but due to the fact that 107 empty bottles were taken from the donation center, students wishing to give blood had to be turned away. As a result the U of I lost the title for the first time.

The drive, which is sponsored by the Junior class, is under the direction of Dick White, Fijl. The publicity committee includes Bob Fry, Delta Sig; Tim Brown, Pi Delt; and Terry Chronie, Carter. On the service committee is Glenn Owen, Fijl; Connie Phaffengut, A Phi; Barry Cahill, Delta Sig; and Jim Douty, Delta Sig, are in charge of set-up. Those organizing the competition between living groups are Willie Hawkins, A Phi; and Barney Gesas, Fijl.

The blood given at Idaho helps to meet the requirements of 48 different hospitals in Idaho, Oregon, and Washington. This blood is provided to all patients in the participating hospitals without any charge for the blood itself. The patients may be charged the normal laboratory and blood administration fees by the hospitals and a portion of the cost of collecting, processing and distributing the blood is figured in this total. Donors may replace blood used by friends or relatives in any hospital.

This area requires approximately 20,000 pints per year for normal blood service. This is an average of 400 pints per week. A great deal of effort has been made this year to speed up the procedure for giving blood in an effort to eliminate long waiting periods. Lines can be eliminated if persons will give blood in that time specified for their living groups. If a donor is unable to give during the appointed time, he should try to donate in the earlier part of the morning for the shortest waiting period. It is asked that persons do not wait until the last minute to donate.

The time during which each living group can donate is as listed. On April 16 from 9-10: Tri Delta, Lambda Chi, Phi Tau, 10-11: Campus Club, Pi Phi, Ethel Steele; 11-12: Fijl, TKE, Snow; 1-2: AKL, Shoup, Carter; 2-3: McCoy, Farmhouse, and Oleson.

son; 3-4: Gamma Phi, SAE, Campbell. On April 17 from 9-10: Theta, Pi Kap, Kappa Sig; 10-11: Alpha Gamma, Alpha Phi, Beta; 11-12: Sigma Nu, Gault, DG; 1-2: Willis Sweet, LIS, Delta Chi; 2-3: Houston, Theta Chi, French; 3-4: Chrisman, McConnell, Borah. On April 18 from 9-10: Phi Delt, Delta Sig, Graham; 10-11 Alpha Chi, Forney; Delt; 1-2: ATO, Lindley, Kappa; 2-3 open; 3-4 open.

Idaho's Campus Blood Drive is organized as a competition between living groups on a percentage basis. The living group which achieves the highest percentage of donors in each of the pairs below will be declared the winner. Fraternities: Farmhouse-AKL; Sigma Chi-SAE; Delta ATO; Sigma Nu-Phi Delt; Delta Chi-Kappa Sig; Phi Tau-TKE; Delta Chi-Pi Kap; Theta Chi-Lambda Chi. Virginia (l.) and Frank (r.) are:

A. Interviewing an African couple. B. Visiting a Nigerian University. C. Exchanging ideas with Nigerian University students.

Actually, Virginia Blount and Frank Ogden are doing all these things. As members of the 500-student World Campus Afloat-Chapman College, these two Arizona college students had the opportunity to talk with students at the University of Ife, Ibadan branch, Nigeria.

With the help of Nigerian students and professors, the Americans compared religions, art, anthropology, educational systems, economic developments, geography, drama, music, and dance of the two countries. This is the regular course work aboard Chapman's shipboard campus, the s.s. Ryndam.

Virginia and Frank transferred the credits they earned back to their home colleges, Arizona State University and Northern Arizona University, and are going on for their baccalaureate degrees. Chapman College is currently accepting enrollments for the 1968-1969 academic year with the World Campus Afloat program.
