Hurdstrom Performance Set For Tonight in Gymnasium

Karin Hurdstrom, a former Idaho student, will perform before her alma mater tonight in a benefit concert for FPAC. A renowned opera singer, Miss Hurdstrom will perform two operatic arias from "Cosi Fan Tutti" by Mozart, arias from "Mignonlieder" by Wolf, the aria "Un Bel Di" from Madame Butterfly by Puccini, "Praise O Ye Servants of the Lord" by Handel and selections from the light and comic opera "Die Fledermaus" by Strauss.

The concert will begin at 8 p.m. in the Memorial Gymnasium. The section of University Avenue in front of the gym that is normally closed to traffic will be opened to allow cars to drop off and pick up guests before the gym doors.

Moscow's mayor Fred W. Handel, proclaimed today as the Karin Hurdstrom Day in honor of the Moscow native and Idaho graduate of 1956.

In making the announcement, Mayor Handel said "Karin Hurdstrom, an internationally recognized singer, has brought honor to her home city, Moscow and the city desires to honor her."

"Further, in keeping with the spirit of graciousness which has long endeared her to the people of Moscow, she has offered to sing a benefit concert for the Fund for the Performing Arts Center at the University of Idaho, May 14, 1968. Therefore, by the authority invested in me as Mayor of the City of Moscow, I hereby declare May 14 of this year as 'Karin Hurdstrom Day.'"

Kappa Kappa Gamma, Miss Hurdstrom's sorority, was the first living group on campus to achieve a 100 per cent purchasing record of tickets to the benefit concert.

Ann Moree Jones, Kappa president, commented on her sorority's support of the concert. "As Kappas we're probably prejudiced but we just can't imagine

anyone who wouldn't want to hear Karin sing."

Tickets for the concert are available at Haddock and Laughlin's and Carter's Drugs, Moscow and at the SUB. Balcony tickets are 50 cents for high school students and \$1 to Idaho students. Main floor tickets are \$3.50 to all.

The University of Idaho Vandalier Concert Choir, under the direction of Glen R. Lockery, will assist in the performance. Also performing with Miss Hurdstrom will be a chamber orchestra selected from the University Symphony and Richard Collins, pianist.

After graduating from the U of I, Miss Hurdstrom received her Master of Science Degree in Voice by the Juilliard School of Music in New York City. She has been awarded a Fulbright Grant, Juilliard Presser Award and a Rockefeller Grant.

Miss Hurdstrom began singing as a concert artist with the Robert Shaw chorale, making several tours with that organization. She was signed as the leading dramatic soprano with the Salzberg Landestheater for three seasons following study in Cologne, Germany.

Her career as an opera and concert artist have meant appearances in countries such as Austria, Germany, Holland, Switzerland, Sweden, England, and Spain. She has also appeared on radio and television in both America and Europe.

In one of the outstanding European music festivals, the Salzberg Festspiele, Miss Hurdstrom was a featured soloist of Mozart's "Coronation Mass."

Her most acclaimed operatic roles to date are "Pamina" in Mozart's "The Magic Flute" and "Cho-cho-can" in Puccini's "Madame Butterfly."

While in Spain Miss Hurdstrom heard of the Fund for the Per-

forming Arts Development Program and suggested that as her gift toward the development of the Center she give this benefit concert.

Throughout this past week Miss Hurdstrom has been practicing for the coming performance with the Vandaliers and orchestra.

The arias Miss Hurdstrom chose by Mozart from the opera "Cosi Fan Tutti" are about two young officers who are urged to test the fidelity of the sisters to whom they are engaged. They disguise themselves as foreign travelers and force themselves into the sisters' home.

The elder and discreet sister is at first angry by the presumptuous gallantry and orders from the house in "Como Scoglio." She then begins to discover, however, that she is beginning to fall in love with one of the strangers. She sings of this love in "Per Pieta."

The selection "Mignonlieder" by Wolf is a poem of Goethe's about a fragile girl who had been stolen from her home in childhood by entertainers and the hood by entertainers and is then rescued some years later.

In the aria "Un Bel Di" from

"Madame Butterfly" by Puccini, the geisha, Madame Butterfly, remains faithful to the American naval officer to whom she believed herself married before he sailed away. In the aria she sings of his return to her doubting servant, Suzuki.

The selection by Strauss, "Die Fledermaus," is from a scene of a masked ball with all the engaging possibilities it offers for mistaken identities.

Following the concert, the University Music Faculty will host a reception to honor Miss Hurdstrom in the main lounge of the SUB. Everyone is invited.

KARIN HURDSTROM, WHO WILL PRESENT A benefit concert tonight at Memorial Gymnasium at 8 p.m. Kappa Kappa Gamma, Miss Hurdstrom's sorority, has given 100 per cent participation to the concert.

MISS WOOL FOR 1968 is Nancy Williams, Gamma Phi. First runner up is Cathy Clemens, Kappa. The girls participated in the contest last Thursday at the SUB. Miss Williams is now eligible for Miss Wool for the state of Idaho. (Bacharach photo)

Williams Selected College's Miss Wool

Nancy Williams, Gamma Phi, pears in Pocatello. She will also do some modeling for Roban's and University of Idaho Miss Wool will probably appear at a Wool Growers Convention in Twin Falls this August.

Miss Williams received gift certificates from the Parisian and Roban's in Moscow and \$10 to cover the cost of pictures to be submitted before she ap-

and top combination and a print dress. The contestants were judged on personality, modeling and speaking ability.

Six contestants will participate in the state contest in Pocatello this November. The state winner will then compete for the Miss Wool of America title in San Angelo, Tex., in June 1969. The winner of the national competition will receive a \$10,000 wardrobe and will serve as the nation's wool industry representative.

Each of the finalists modeled three outfits provided by the judges. These outfits were a fitted black dress, a bermuda shorts

Play Productions Set For Tonight

The final drama productions of the year, three one-act plays, will be presented Wednesday and Thursday at 7:30 p.m. in the U-Hut.

The plays, directed by upper-division drama students, are "Anne, of The Thousand Days," directed by Leslie Leek, Tri Delta; "Harvey," directed by John Naples, off campus, and "Becket," directed by Gerald Henry, off-campus.

The cast for "Becket" includes Frank Yamamoto, off-campus, as Becket; Bob Turrittin, off-campus, as Henry VIII; Grace Kraus, Gamma Phi as Gwendolen; Diane Bradely, Olesen, as the peasant girl and Charles Bonney, Theta Chi; Bob Cooper, Chrisman; and Roby Russel, Chrisman as the Barons. The assistant to the director and head of music is Dee Thomas, Olesen.

Official Meets Iran Students

Vice Admiral Sasau, the Chief of Staff of Service in the Iranian Navy, will meet with University officials and Iranian Naval students this Wednesday.

"We are looking forward to the opportunity of meeting Admiral Sasau," said Colonel Case, USMC, professor of Naval Science. During his brief stay on campus Wednesday, Admiral Sasau will meet with President Hartung and Dean Smith of the College of Engineering, Case said.

The Admiral will also visit with the Midshipmen and Iranian Naval students that are studying at Idaho. One of the main purposes of this visit is to see the progress of these students in Idaho's Naval ROTC program, Case said.

The Iranian students to be reviewed by Admiral Sasau are: Ali Shirazi Fasshi, Mohammad Farsi, Morteza Koloushani, Seyyed Ali Mohammad Akrimi, and Iraj Pour-Jaber-Alizadeh.

Playing in "Harvey" will be Sharon Stranahan, Tri Delta, as Kelly; Genna Bochman, as Veta; Mike Graves, Phi Tau, as Wilson; Jim Ratcliffe, Beta, as Dr. Sanderson; Jim Hutcherson, off-campus, as Elwood; Gary Brown off-campus, as Dr. Chumley and Nancy Ross, as Betty. Chuck Wright, off campus, is the assistant to the director.

Ellen Kelley, off campus plays the part of Ann Boelyn in "Anne of The Thousand Days," while other cast members are Pete Ferris, off-campus as Henry VIII; David Clark, Snow, as Cromwell; Jim Cash, Lambda Chi, as Norfolk; Barry Cahill, Delta Sig, as Smeaton; Mike Clay, Willis Sweet, as Kingston and Charles Bonney, Theta Chi, as the clerk. Mary Giddings, Forney, is the assistant to the director.

"Anne of The Thousand Days" the first number on the program, is the story of Henry VIII and Anne Boelyn and the thousand days of love they shared before Anne was led to the "block."

"Harvey" derives its name from a 6-foot invisible rabbit which can be seen only by one man with the odd name of Elwood. Comedy is found throughout the play as Elwood is taken to a mental institution for treatment.

"Becket" takes its name from the name on whom the play is based. The play concerns Thomas A. Becket and his problems with Henry VIII as the former gains power in both the church and the state affairs.

Two of the productions, "Anne of The Thousand Days" and "Harvey," will be done in arena style theatre, while "Becket" will be done within the proscenium.

The productions will be free of charge, but students are asked to sign up in the U-Hut for seats as seating is limited.

The three productions will be run in succession beginning at 1:30 p.m. Wednesday and Thursday at the U-Hut.

Eismann, Storti, Gittins Honored At Greek Week Awards Banquet

Joan Eismann, DG, and Craig Storti, Phi, were honored as Greek Woman and Man of the Year along with many other outstanding faculty and students at the Greek Week Awards Banquet Friday evening. The banquet was among the culminating activities for the previous Greek Week. Storti had been Interfraternity Council President, Duke of II's, president of Pi Omicron Sigma, a member of E-Board, and held numerous offices in his fraternity. Miss Eismann was the past AWS president, Mortar Board member, Alpha Lambda Delta president, Spurs, Little Sisters of Minerva and rush chairman and pledge trainer for her sorority.

Craig Storti was awarded Greek Man of the Year from competition with Jim Bower, SAE, and Gary Vest, Phi. Pam Poffenroth, Kappa, and Sue Cairns, Theta, were the other two finalists with Joan Eismann for Greek Woman of the Year. Junior Panhellenic narrowed the field for Outstanding Greek Pledge to Carol Gibson, Alpha Phi; Donna Ablin, Gamma Phi, and Patty Thompson, Theta, with Patty Thompson receiving the honor. Gary Martin, Sigma Chi, was chosen as the Outstanding Fraternity Pledge.

The Outstanding Professor, Dr. Art Gittins, entomology, was chosen from the finalists Dr. Laila Boone, English and Dr. Jordan Bopp, engineering. Gittins has been chairman of Campus Affairs Committee, The Guy Wicks Award, given in memory of the past Dean of Students at the University, was awarded to Art Crane, off campus, as an outstanding senior exemplifying

qualities of leadership and inspiration.

Kappa Kappa Gamma received the scholarship award for the highest accumulative GPA and Gamma Phi with the highest GPA was awarded a scholarship plaque. The sorority with the highest improvement over last semester was Alpha Gamma Delta. The scholarship award for the fraternity with the highest GPA and highest pledge GPA went both to the Phi's. The Sigma Chi's were awarded for having the highest improvement over last semester's grades.

Panhellenic gave scholarships to Ivy Broberg, DG, and Kathy Poleson, Kappa. Blue Key Talent Show winner, Leslie Ann Leek, Tri Delta, received a schol-

JOAN EISMANN, DG and PATTY THOMPSON, THETA, were named Greek Woman of the Year and Outstanding Pledge of the year respectively at the Greek Week Banquet last Friday. Craig Storti, Phi, was named Outstanding Greek Man of the Year. At the banquet, Kappa Kappa Gamma received the scholarship for top grades. (Bacharach photo)

Committee on Campus Affairs will continue discussion on the Student Bill of Rights today at 1 p.m. in the SUB. The room will be posted.

PROFESSIONAL WOMEN MUSICIANS of the Moscow-Pullman area contributed a check for \$250 to the Fund for the Performing Arts Center at the University of Idaho. The funds were from a benefit concert presented this spring by Sigma Alpha Iota, professional music fraternity for women. Presenting the check to University President Ernest W. Hartung are Mrs. Lloyd F. Peterson (right), Pullman, president of the Moscow-Pullman chapter, and Marian Frykman of the music faculty.

UNIVERSITY OF IDAHO FINAL EXAMINATION SCHEDULE Second Semester 1967-68. EXAMINATION DAY AND HOUR FOR CLASSES MEETING: Table with columns for Examination Time, Day, and Class. Includes times like 8:00 a.m., 10:30 a.m., 12:00 Noon, 2:30 p.m., 3:00 p.m., and 5:30 p.m. with corresponding days and class numbers.

Final Correction

Chemistry 14 will have a common final Friday, May 24, at 3 p.m. Chemistry 3 and chemistry 11 will have their finals during the regular period.

Classes meeting such as MTW take examinations with the MWF sequence. Classes meeting such as 2nd Period TTh and 6th Period W, take examinations with the 2nd Period TTh sequence. Students having three examinations scheduled for any one day may petition their academic dean to have one examination rescheduled to the conflict period.

Dean Boyd Martin Speaks At AKL Chartering Banquet

"A fraternity must be much more than a boarding house—it must be a true intellectual experience, and the responsibility is great in this period when we are seeing sorry examples of anti-intellectualism in student rioting," Dr. Boyd A. Martin, Dean of the College of Letters and Science, said in an address here Saturday night. Dean Martin spoke at the charter banquet of the Alpha Phi chapter of Alpha Kappa Lambda. The Idaho chapter became the fortieth for the national fraternity which was founded at the University of California in 1914. Pointing out that a fraternity has great responsibility in intellectual development, Dean Martin said it has no right to exist if only for social life. He said it should: (1) Help prepare the student for the rapidity of change in life. (2) Aid him in his education, and encourage the development of his intellectual curiosity. (3) Prepare him for civic responsibilities.

Interviews Postponed

"Interviews for Student-Faculty Committees have been postponed from this spring to next fall," according to Larry Craig, ASUI President. According to Craig, the reason for the postponement is to allow time for a redefinition of the nebulous committee structure and to better define the duties of the various committees. Craig stated that a committee is being appointed to study the Student Faculty Committee structure and organize a definite structure. "After that structure has been defined so that committees and individuals interviewing have a better idea of what is expected of them, we will then interview next fall," Craig said. "Individuals who presently hold positions and wish to continue on Student-Faculty Committees should contact either members of the Executive Board or myself."

Thompson Given \$200 Scholarship

A junior in home economics at the University of Idaho, Polly Thompson, Theta, has been named recipient of a \$200 Phi Upsilon Omicron Golden Anniversary scholarship. It was announced by Gretchen Potter, acting head of home economics. She was selected by a national committee on the basis of scholastic achievement and participation in University and home economics activities.

Sierra Club Meets Sun.

The Inland Empire Group of the Sierra Club is sponsoring a public meeting Sunday, May 19 at 7 p.m. in room 110 in the Life Sciences Building. The main topic to be discussed will be the High Mountain Sheep Dam in Hells Canyon. Slides of Hells Canyon will be shown. Recreation plans of power companies and the public hearing to be held in Lewiston September 4, as well as local conservation issues, will be discussed by the conservationists. The meeting is open to the public and persons interested in outdoor recreation as well as conservation.

Cadets Receive Pilot Licenses

Three Air Force ROTC senior cadets, James Burman, Chrisman; Walter Leitch, off-campus, and Ronald Wills, off-campus, recently received their private pilot licenses. Each cadet was enrolled in the Flight Indoctrination Program (FIP) conducted each semester by the Air Force ROTC detachment and Fountain's Flying Training Center. The FIP trains those senior cadets who are qualified to become pilots upon commissioning.

DR. JEAN BERGER, a world known composer of choral music for college and high schools, will take part in the Idaho Summer Music Workshop this summer. The choral workshop will run from July 22-26.

AWS Recently chosen AWS committee chairmen include Cultural, Sheila Cornish, Gamma Phi; State Hospital North Co-Chairmen, Pat Johnson, Campbell, and Racheal Norris, Theta and AWS Handbook Editor and Argonaut Reporter Carol Heimgartner, Tri Delta. Reference Board members include Kathy Culp, Alpha Phi; Kathy Siddoway, Alpha Chi; Swancee Schmidt, Gamma Phi and Delores Smith, Kappa.

ASME Exceptional Student Named From University

A 21-year-old senior from the University of Idaho has been named the "Outstanding Student Section Member" by the American Society of Mechanical Engineers, Dr. H. Sidwell Smith, dean of the College of Engineering, announced today. Paul H. May, off campus, was presented the award at the 32nd Annual American Society of Mechanical Engineers District 9 Conference held this week. May served as chairman of the University's ASME student section. Student engineers from the universities of British Columbia, Oregon State, Seattle, Washington State, Washington and Idaho competed for national recognition by presenting papers at the session. First place winner was Brian Unwin, University of British Columbia, who will compete in the ASME student-engineering nationals at New York in the fall. He was awarded \$100. John W. Marlow, off-campus, a senior at the University of Idaho, won second place and \$75. Finishing third, fourth and fifth respectively were Richard Bold of Seattle University (\$50), William Anderson, University of British Columbia (\$25), and Dale Snell, Washington State University (\$15).

LOST: Theta pin, if found, please return to Debbie Wright, 5591. LOST: Brown bead purse containing personal effects. Return to Les Peterson when found for a reward. Phone 7548, 7549. Sidney Smith, Shoup, has been elected chairman of the Young Republicans. Other officers include: first vice chairman, John Sandy, Farm House; executive vice chairman, Gil Hagen, Upham; recording secretary, Roberta Casper, Carter and treasurer, Jeff Roth, Shoup.

(If you flunk, at least you'll be awake.) Sure you've used NoDoz to help you stay awake the night before an exam. But have you ever thought of taking NoDoz to make yourself a little sharper during the exam itself? Well, maybe you should. Let's say you're one of those guys who doesn't have to cram like mad the night before. (Even so, you're probably not getting your usual amount of sleep.) And let's say the morning of the big exam, you find yourself heading for class, kind of drowsy and unwound and wondering if The Great Brain has deserted you in the night. What do you do? You panic, that's what you do. Or, if you happened to read this ad, you walk coolly over to the water cooler and wash down a couple of NoDoz, the Exam Pill. And before long you're feeling more alert and with it again. You see, NoDoz helps bring you up to your usual level of alertness, so you don't just sit there in a fog; it's got what it takes to help restore your perception, your recall, and even your ability to solve problems. In fact, NoDoz contains the strongest stimulant for your mind that you can take without a prescription. Yet it's not habit forming. Okay, but what about the guy who goes off all term and has to jam everything in the night before. Are we saying NoDoz will keep him from flaming out? Nope. We're just saying he'll be alert and awake. As he flunks.

Music Students Present Recital

Music students Patsy McDowell, violinist, and Twyla Brunson, mezzo Soprano, will present a joint Junior Recital Thursday afternoon at 2:10 p.m. in the Recital Hall of the Music Building. Both are actively involved in campus musical affairs. Miss McDowell is concertmaster of the University Symphony Orchestra and soloist with the Symphonette which toured the Boise area last month, and Miss Brunson was soloist with the Vandaleer Concert Choir on tour and sang the lead in the recently concluded Opera Workshop production for Mother's Weekend.

For Thursday's Junior Recital Patsy McDowell will play the Sonata in G Minor by Tartini and the Nigun by Ernest Bloch, and Twyla Brunson will sing the Gypsy Songs by Dvorak, and two operatic arias, "O Mio Fernando" from La Favorita by Donizetti, and "Pris des remparts de Seville" from Carmen, by Bizet.

All students and faculty are invited to the afternoon recital Thursday.

THE DEPARTMENT OF MUSIC at the University of Idaho will present a Wind Ensemble Thursday night at 8 p.m. The performance will be at the University Auditorium. Nearly 60 people will be participating in the concert.

Wind Ensemble Presents Spring Concert Thursday

A varied program ranging from Strauss to Sousa will be presented by the University Wind Ensemble at their spring concert Thursday, May 16, it was announced by Hall M. Macklin, head of the Music Department.

Under the direction of David E. Sells, the 50-piece orchestra will play in concert in the University Auditorium at 8 p.m. Included in the program will be "Prelude and Fugue in A Flat Major" by Bach; "Over-

WAYNE ANDERSON, HEAD BASKETBALL coach for the University of Idaho, spoke at the LDS Institute last Friday at noon. This Friday, an FBI investigator will speak at the Institute. (Bacharach photo)

Rings 'N Things

PINNINGS

MACEY-NELSON
The pinning of Joan Mackey, Kappa, to Dick Nelson, Phi, was announced by Priz Bryson Tuesday night. While a candle set in a bouquet of red rosebuds and white stephanotis was passed in a circle, Sally Carlson read a poem from Rod McKuen's "Listen to the Warm."

DOSS-REED

ENGLES-SCHMIDT
Rick Reed and Brian Engles announced their pinnings of Kathy Doss, Gamma Phi to Reed, Phi, and Jackie Schmidt from Clarkston High School to Engles, Phi, at a recent dress dinner at the Fiji House.

WOOD-DUGGER

Monday evening a lilac candle was passed at a McCoy fireside while Terry Norberg read the poem "Why Do I Love You?" Jean Youngberg claimed the candle and announced the pinning of Jeanne Wood, McCoy, to Bill Dugger, off campus.

BLACK-NELSON

At a recent dress dinner, Pam Gardner claimed a daisy entwined candle. Kay Rosenberger then announced the pinning of her big sister, Margie Black, Theta, to Roy Nelson, Delta Chi.

CAMPBELL-CAROTHERS

Beth Campbell read a poem of friendship while a candle with carnations was passed among the D.G.s at an evening fireside. Wilma Reese claimed the candle and gave it to Bonnie Gochnour who announced the pinning of their big sister Beth, to Kelly Carothers, Kappa Sig.

DAVIS-GANNON

Jody Clark announced the pin-

ning of her big sister, Jeanne Davis, Theta, to Tom Gannon, Lambda Chi, last Monday night during a fireside. The traditional candle of purple and gold was claimed by Carolyn Steele.

ENGAGEMENTS

GUERRA-DOWNING
April 25th at Steel House a white candle with pink roses was claimed by Mary Guerra to announce the engagement of her little sister, Tecla, to Sanford Downing, Corcoran, Calif. Tecla sang "Something Wonderful" to Miss Crenshaw's piano accompaniment and Lucy Ferrino read the poem "Why Do I Love You?" An August wedding is planned.

SCHULZE-TUBBS

During the dinner preceding Hays Hall's spring formal a honey gold candle surrounded by daisies was passed. The candle was claimed by Kathy Schulze and blown out as Allen Tubbs announced their engagement.

TAYLOR-MURPHY

Mari Beth Balls claimed a green candle entwined with yellow roses to announce the engagement of her big sister Vicki Taylor, Alpha Gam, to Ray Murphy, Theta Chi. The couple is planning a May 30 wedding.

BERTRAM-HAYES

Bobbi Hardy announced the engagement of her little sister, Sallie Bertram, DG, to John Hayes, Phi Tau. An August wedding is planned.

Two Engineering Students Win Awards At Conference

Organizations

All honoraries, scholastic, professional, special interest and religious, should turn in a fact sheet containing the purpose of the group, its requirements for admission and amount of dues, if any. This must be turned into the Handbook editor's box in the SUB Organization's Work Room by Friday, May 17.

The Library will remain open until 11 p.m. nightly from Mon., May 20, through Thurs., May 30, to accommodate students studying for final examinations. The Library will be open 8 a.m.-5 p.m. on Friday, May 31, 9 a.m.-5 p.m. Saturday, June 1, and closed Sunday, June 2.

Two University of Idaho engineering students won first and second place awards at the Northwest Regional American Institute of Chemical Engineering, Student Chapter, conference held at Gonzaga University.

The top place finishers were Dean Siddoway and Earl Higginson, off campus, both senior chemical engineering majors.

Institutions taking part were the Universities of Washington, Washington State, Oregon State, British Columbia, Montana State, Gonzaga, and Idaho.

Siddoway's winning paper was "The Utilization of Long Chain Alkanes by Yeast," which pointed out the possibility of using

hydrocarbons such as petroleum products by yeast in order to form protein sources which might be eventually used as a protein supplement in various diets. Director of his project was Dr. Irving J. Dunn of the chemical engineering faculty.

Higginson's study, "Method for the Production of Uniform Micron sized Plastic Spheres," involved the investigation of a new and unique method for producing very small plastic spheres which could be used in such things as paints. The director of his project was Dr. Gordon R. Bopp, chemical engineering.

Both of the projects were partially funded by a National Science Foundation Undergraduate Research Grant.

Refunds for Johnny Rivers concert tickets will be made at the SUB Information Desk until May 24.

Young Democrats will meet Wednesday in the SUB at 7:30 p.m. to elect new officers for next year.

McCarthy Wins Choice '68 Kennedy, Nixon Next

Senator Eugene McCarthy won CHOICE '68 with 285,988 first-place votes. Senator Robert Kennedy was second with 213,832 and Richard M. Nixon third with 197,167 first-place tallies.

With nearly all results in (official totals will be announced in about two weeks), 1,072,830 students on over 1200 campuses had expressed their presidential preferences and opinions on key issues. Over 44 per cent of those who voted, about 475,000, will be of voting age in November.

Other leading first-place voters were Governor Nelson Rockefeller with 115,937, and President Johnson, with 57,362.

In ballot mentions (other first, second or third), McCarthy led with 623,360, Kennedy was second with 508,408, Rockefeller was third with 459,897, and Nixon fourth with 409,588. There were 31,775 write-ins. Vice President Hubert Humphrey received

18,535, about 60 per cent of the write-ins and 2 per cent of the total vote.

On the issues of military action in Vietnam, 18 per cent voted for immediate withdrawal and 45 per cent for phased reduction of military effort; hence, roughly 62 per cent favored some sort of reduction. About 7 per cent favored the current policy, 9 per cent chose to increase, and 21 per cent wanted "all out" military effort.

On the bombing, 29 per cent chose permanent cessation, and 29 per cent favored temporary suspension of all bombing. Twelve per cent agreed with the current limited bombing approach, 26 per cent said we should intensify the bombing, and 4 per cent favored the use of nuclear weapons.

To solve the urban crisis, 40 per cent thought education should receive the highest priority in government spending, while 39 per cent chose job training. Riot control was given highest priority by 12 per cent, housing received 6 per cent, and income subsidy 3 per cent.

CHOICE '68 was a public service program of Sperry Rand's UNIVAC Division and TIME Magazine.

Alumni IFC Sponsors Dinner

The Alumni Interfraternity Council will sponsor a no-host buffet dinner at 6:30 p.m. Thursday in the Student Union Building. President Hartung has accepted an invitation to the meeting and will present his views on "University Policy and the Fraternity System."

Reservations are available at \$2.75 per individual and will be accepted until noon Wednesday. Active members can get reservations from Jody Olson at Phi Gamma Delta and alumni can have plates reserved by calling Glenn Owen at the Physical Science Plant. Active sorority members are asked to call Mimi Hendrickson at Tri Delta and City Panhellenic members are to contact Barbara Call at 4959 for reservations.

According to Dewey Newman, alumni IFC secretary, the following are to attend: Panhellenic officers, IFC officers, City Panhellenic officers, Alumni IFC officers, two alumni representatives from each house, and four active members from each house should attend the dinner.

Those who do not wish to attend the dinner are invited to attend the discussion with Dr. Hartung which will begin at 7 p.m., according to Newman.

TECH INSPECTION for the hill climb was held over the weekend and was the first part of the day on Saturday. This Prosche, from WSU, seemed to have some extra gear under its bonnet. (Bacharach photo)

THE FIVE-MEMBER IDAHO SUPREME COURT listens attentively to arguments presented by University of Idaho College of Law student Cumer Green, off-campus, during a student appellate moot court competition at the Student Union yesterday. Pictured are justices Joseph J. McFadden, C. J. Taylor, Chief Justice E. B. Smith, Henry F. McQuade, and Clay V. Spear.

Idaho Supreme Court Hears College of Law Moot Trial

College of Law students and Dean Albert R. Menard received praise from the five justices of the Idaho Supreme Court as they concluded an appellate moot court competition between two student teams.

Chief Justice E.B. Smith, Justice C.J. Taylor, Henry F. McQuade, Joseph J. McFadden, and Clay V. Spear convened the Idaho Supreme Court at 10 a.m. Thursday in the Student Union to hear final arguments in the student competition, an appeal of the hypothetical case, "Lansdale vs. State."

Students representing the defendant appealing his conviction on a charge of possession of drugs were Robert Paine, and Cumer Green. Representing the State were Gary Jones and Michael Moore. The team for the appellate, Paine and Green, was

named the winner of the competition by the Supreme Court. The admissibility of evidence in a criminal trial was the issue of the appeal. Advocates for the defense contended that a confession and search and seizure methods were improper for use in the trial.

In outlining the court's decision on the appeal, Chief Justice Smith said the four student lawyers presented their cases in a good manner.

"This speaks very, very highly of the training you have received," he said. "The presentations were much better than a high percentage of the cases we normally hear before this court."

The justices attended a luncheon at the Student Union, then left for Coeur d'Alene to continue a tour of northern Idaho. Their

appearance on campus represented the unofficial celebration of "Law Day, U.S.A."

U-I Students Awarded Scholarships At Annual Agriculture Assembly

Dr. Duane J. LeTourneau and Larry Church, Phi Tau, were named outstanding agriculture teacher and student at the annual Agriculture Awards Assembly Thursday.

LeTourneau, professor of agricultural biochemistry and a member of the College of Agriculture faculty since 1953, received the R. M. Wade Foundation award in recognition of excellence and achievements as a teacher. The award is \$100 cash and a plaque.

Church, a graduating senior in agricultural education, was cited as Aggie-of-the-Year for his all-around achievements and leadership. A Phi Kappa Phi scholastic society member, Church has served as chancellor of Alpha Zeta and president of Collegiate FFA while participating in other agriculture, church and fraternity activities.

Students and faculty of the College of Agriculture attended the

assembly to honor scholarship winners and 1968 graduates, and to hear an address by Robert E. Wickman, Portland district manager, Shell Chemical Company ammonia division.

Wickman described the opportunities available to agriculture students in a broad area of agriculture, and discussed preparation required for careers in this field.

Eighteen major scholarships were also presented during the assembly to College of Agriculture students for the 1968-69 school year.

One of these, the \$250 R. M. Wade Foundation scholarship, went to another member of the Church family, Tom Church, a junior in agricultural education.

The newly established Idaho Feed and Grain Association scholarship, worth \$500, was presented to Alan Greenway, a junior majoring in plant science. This scholarship will be awarded

annually to a plant science or animal science student selected on the basis of scholarship, need and desire to pursue an agricultural career in Idaho.

Five scholarships of \$300 each provided by the Moorman Manufacturing Co. of California were presented to Peter Nell Peterson Jr., a junior soils major; Richard U. Foust, a junior in agricultural economics; Olani Beal, junior in agricultural education; Les O. Bolan, sophomore in agricultural education, and Eldon H. Betz, sophomore in agricultural education.

Tom Christensen, Jr., a sophomore in agricultural economics, was presented the \$500 First Security Foundation award, and Richard Lee Wittman, a freshman in agricultural economics, received the \$200 Charles F. Baker scholarship awarded by Pacific Supply Cooperative.

Rosalie E. Burgemester, a sophomore in bacteriology, was

awarded the \$300 John Otness Family scholarship. The Idaho Federation of Garden Clubs scholarship, worth \$200, went to Robert R. Metters, a junior plant science major.

Three students were selected to receive Jacob Monson Agricultural scholarships. They are Wilda M. Dennis, a junior in animal science, Van Reo Newbold, freshman in plant science and Frances Lynn Paulet, a sophomore in animal science.

General University of Idaho scholarships were presented to four other students: Linda J. Balster, a junior in entomology; Terry Hollifield, junior in agricultural economics; Phillip J. Volkman, freshman in pre-veterinary science, and Raymond G. Turner, junior in agricultural economics.

Turner also was presented a \$50 recognition scholarship sponsored by the Idaho chapter of Alpha Zeta, the national agricultural honorary.

Get a whole term's reading under your belt in only two weeks!

If you are an average student carrying a standard study load, you have the capacity to read, in just two weeks, every single textbook for every single course in your curriculum. What's more, you will fully understand and remember what you read for a long, long time.

The way to this singular accomplishment is via Reading Dynamics—the educational breakthrough that enables people to read thousands of words a minute without skipping or skimming; with excellent comprehension, great enjoyment and remarkable recall. Learning to read dynamically is like making the transition from a bicycle to a Jaguar XKK.

Reading Dynamics really works. In fact, it works so well and with such consistent success that every course is backed by The Evelyn Wood Reading Dynamics Institute's firm Performance Warranty to at least triple your reading efficiency.

This is a minimum promise, for literally thousands of the Institute's graduates have learned to read four to ten times faster. They read an average novel in about an hour—all the articles in TIME magazine in 25 minutes—textbooks at the rate of 15-20 pages a minute.

These people aren't "brains" or mental freaks. Many are individuals who once read as slowly as you—poking along at the national average reading rate of 250-400 words per minute. So don't be em-

barrassed about your slow reading. Most of your friends—even your parents and teachers—can't read any faster.

Reading Dynamics offers you a permanent escape from the sluggish reading rut and the negative effects it has on your grade average and free time.

Although learning to read dynamically requires no special talent or aptitude, mastering this wonderful skill is a lot like learning to play a musical instrument. This means that just acquiring the simple, basic techniques won't turn you into a speed reading phenomenon overnight. You can to practice every day—no great hangup since you can apply some of this Reading Dynamics "homework" to your normal school or pleasure reading.

Best of all, once you attain and continue to use your new reading skills, your speed gains are permanent. And if you lose the habit of using this skill, you can always come back to Reading Dynamics and take one of their free refresher courses.

Reading Dynamics is the definitive rapid reading system in the world today. And the most flexible. You can use it for all kinds of reading—even detailed, complex materials like science, history and economics texts—in one-third the time it takes you now.

Come to one of the free demonstrations listed below and find out how Reading Dynamics can work for you. No kidding, it really will!

Witness a free special presentation of this astonishing educational breakthrough!

YOU will witness a young man pick up a book he has never seen, and turning the pages faster than most of us read paragraphs, absorb, and later recite every detail.

YOU will be presented with a complete portfolio of informative materials explaining how you can benefit from the amazing discovery known as Reading Dynamics.

YOU may, if you wish, join in a frank question and answer session designed to acquaint you with every detail in the Evelyn Wood Reading Dynamics program.

YOU will have an opportunity to test yourself during the presentation to help determine your exact present level of reading speed. Only you will know the score.

FRIDAY, MAY 17—Moscow Hotel, Moscow, Banquet Room—8:00 P.M.
TUESDAY, MAY 21—Thunderbird Lodge, Pullman, Conference Room—8:00 P.M.
WEDNESDAY, MAY 22—Moscow Hotel, Moscow, Banquet Room—8:00 P.M.

Menu items for Herman's: 5 Regular Burgers (99c), 3 Cheese Burgers (99c), 2 Double Cheese Burgers (99c). Includes 'Heart O' the Onion' Rings!

Vandals Sweep Two From Montana, 8-7, 6-3

Coon And Toney Hit For Circuit

The Vandals were up to their old tricks against Montana in two sweepings of the Grizzlies in both games. In the first game, the Vandals won 8-7 and in the second 6-3. The wins give the Vandals a 16-18 record with a 5-5 league mark.

Two Vandals used four pitchers in the first encounter with the Grizzlies calling on the services of three of their hurlers. Fred Horne started for Idaho, but Pat Daniels won the game in relief as Idaho pushed across two runs in their half of the seventh to win it.

Back to back doubles by Rasmussen and Coon gave the Vandals a 1-0 lead in the first inning, but the Grizzlies scored three runs in their half of the third without the aid of a hit. Their first four men up in that inning walked on four straight pitches coupled with an error on a two run homer by Clyde Coon, but the Grizzlies picked up three more runs in the sixth on a double, two singles and an error.

Idaho in their half of the sixth plated three more runs to knot the score again as Dave Ball got a pinch hit singled coupled with walks to Gary Nitta and Phil Reser. Clyde Coon got one run in with a sacrifice fly and then John Thacker singled. Dave Closson got the big hit of the inning as he followed with a double to chase two more runs across.

Montana got one run in the seventh on a walk, sacrifice and a single to take a 7-6 lead, but it didn't last as John Kidd came in in relief and gave up two runs to Idaho without getting anyone out.

Daniels and Nitta led off the inning with walks and Steve Engstrom singled to load the bases. Phil Reser then lashed a double to knock in the winning tallies. Taking the loss on the mound for the Grizzlies was John Kidd in relief. Strangely enough, Kidd got the starting call for the second game and also took the loss in that tilt as the Vandals overcame a 3-0 lead to win 6-3.

Montana jumped off to a 1-0 lead in the second game on catcher Brian Cloutier's solo homer. They picked up two more in the third on an error, single and a double.

The Vandals tied it up in the fourth inning as Clyde Coon blasted his second home run of the day and then Rich Toney broke out of his batting slump by drilling a two run homer over the left field fence.

The Vandals picked up three more runs in the sixth as Dave Closson and Rich Toney singled back-to-back and Steve Engstrom was hit by the pitcher to load the bases. Skip Ivie then grounded to the shortstop but his throw pulled the catcher off and every one was safe.

Gary Nitta then layed down a suicide bunt out of self-defense which rolled for an infield hit giving the Vandals another run. The final Idaho tally came across the plate on a fielder's choice by Steve Doyle.

The Vandals who are now 16-15 on the season with a 5-5 conference mark are scheduled to face Gonzaga on Saturday, but plans are underway to have the doubleheader played on Wednesday at Idaho. The Grizzlies meanwhile are now sporting a 9-14 season record with a 3-7 league mark.

Lockers in the game room should be cleaned out by May 20, it was announced by Peter Rogalski game room manager.

Vandal Netters Win In Big Sky

The Idaho netmen rolled to a couple of more victories over the weekend as they shut out Montana and Montana State by identical 9-0 scores. The double win gives the Vandals a 16-10 mark on the season.

Idaho is scheduled to face Washington State in Pullman today. The Vandals will travel to Utah State for a match on Thursday with the Big Sky championships scheduled for the weekend. Idaho is a two-time defending conference champion.

LINDA HANSEN is shown facing the camera as she waits for the return during the WRA tennis tournament that was held here Friday and Saturday. Miss Hansen and her partner, Caroline Brooks won their first two matches before falling into the ranks of the losers. (Bacharach photo)

Track Team Wins

The Vandal track team closed their dual-meet season on a good note Saturday as they defeated Montana State 76-69 in a meet that saw the final event decide the victor.

The Vandals were ahead 71-69 when the mile relay started. Both teams were even at the half mile mark but a bad pass of the baton cost the Bobcats several seconds and the Vandals won it and the meet. The Vandal team was composed of Nyman, Deahl, Johnson and Lake.

Ted Quirk was the big man for the Vandals as he won the 880, mile run, and the two mile to finish his collegiate career. He ran the 880 in 2:01.6, the mile in 4:33.5 and the two mile in 10:18.0.

The Vandals also won the javelin, discus, high jump, 220, 440, and the mile relay as well as three distance events.

THE GROUND WORK for the aerial fireworks looks like this. Larry Kelly, 78, is looking for the ball and Ward Toone, 42, and Rich Felgenhour, 62 are handling the blocking chores while Ron Davis, 22 makes the fake. (Bower-Korte photo)

White Rolls To Victory In 54-10 Gold Defeat

The White Chargers rolled to a 54-10 conquest of the Golds Saturday night to give them a perfect record for the Spring season. It looked like things might be different than from the past as the Golds jumped off to a 3-0 lead on Mike Wiscombe's 28-yard field goal, but the story wasn't much different.

The Whites behind the passing of Mitch Lansdell quickly came back to get on the scoreboard as Lansdell threw a 26-yard scoring aerial to Jerry Hendren for their first score. Rob Young carried the ground attack as the bulky fullback ran for scores of one and two yards.

The Whites increased their margin to 27-3 at halftime as Wayne Marquess picked off a Gold aerial and returned it 37 yards for a scoring tally. It was more of the same in the second half as Lansdell fired three more scoring aeriels. He connected with Jim Pearsall for a 22-yard scoring play and teamed with Jerry Hendren on two occasions for scores of eight yards each.

The Whites got on the scoreboard once more in the second half as Bob Juba swarmed over a gold punt and returned it for 27 yards and a score. The Golds meanwhile could only counter with one more score on an interception by Doug Clark which was good for 44 yards.

Lansdell hit on 19 of 39 passes and 11 of those had Jerry Hendren on the receiving end. The Whites rolled up 281 yards in passing behind the strong arm of Mitch Lansdell. The Golds meanwhile got only eight completions out of 28 attempts by Larry Stonebarger.

There was no doubt that the passing was the keynote of the game as the Golds threw on 44 occasions out of a total of 56 plays. The Whites passed 39 times but ran a total of 69 plays.

Missing from the scrimmage was Steve Olson with a slipped disc in his back while linebacker Joe Tasby was out due to a pinched nerve in his back. On the defensive side of things Roosevelt Owens had another fine game to his credit with help from Bob Juba and Wayne Marquess.

OSU Takes Tennis Title

Sherry Sevall of Oregon State University won the first singles tournament and the doubles team of Linda Lewman and Sandy Carey also from OSU won the doubles competition to pace their team to the title in the Pacific Northwest Tennis Tournament that was held on campus last weekend.

Miss Sevall opened the day with a bye and then won four straight matches to win the singles title. She defeated Joyce Yee of the University of Washington 7-5 and 6-0 in the championship match. They were seeded one and two.

The consolation tournament in the first singles was won by Stephanie Green of the University of British Columbia, who was Miss Sevall's first finalist. She came back from the loss and won the next three matches and defeated Carole Eliseuson 6-0 and 6-0 for the consolation honors. Miss Eliseuson was a first round loser from her match with Joyce Yee, this second place winner in the winners bracket.

Janice Tindle of UBC and Anne Johnson of Central Washington State College continued the string of wins for competitors that were seeded as they advanced to the final round where Tindle triumphed 6-0 and 6-2 for the second singles title. Charlotte Reynolds was the consolation winner for the second singles.

Sandy Carey and Linda Lewman of Oregon State won every set they played on their way to victory in the doubles competition. After a first round bye they defeated the Pacific State team and then went on to defeat the teams from WSU and the U of W before they got to the finals and Whitman College. They won that match 6-2 and 6-1 for their final match of the weekend.

Tina Bierman and Laurie Anderson of Portland State College recovered from their second round loss to Oregon State and continued to win the consolation honors with a 7-5 and 6-4 win over Nelson and Curtis of Western Washington State College.

Arrangements for the tournament were made by Miss Virginia Wolf of the Women's P.E. Department, who is the coach and advisor for the Vandals Women's tennis team. She was assisted by the Women's I Club and several WRA officers.

We had to schedule 96 matches in two days, so we were pressed for time and space, Miss Wolf said, but we managed. This was the first time a tournament of this type has been held at Idaho and Miss Wolf thought it was well received.

1. Planning a trip?
Dabbling in real estate. There's some choice acreage for sale.

2. But that's just swampland.
I'll call it Bog Harbor.

3. What'll you do with the alligators?
How about one free with every acre?

4. Have you checked for tsetse flies?
You sure look on the dark side.

5. I hate to see you throw your dough away.
Listen, I'm doing this so my wife and kids will have something to fall back on if something happens to me.

6. Then why don't you put some money into Living Insurance from Equitable. That way, you'll all be on solid ground. Living Insurance gives top protection while your kids are growing up. And when you retire, it can give you a lifetime income.
I never could read road maps.
