Study Council

Attached are three copies of the Constitution and By-laws approved at the March meeting of the Council and two copies of a Memorandum of Agreement. Please distribute them to the appropriate officials of your college. If the Memorandum of Agreement is executed return one copy to me.

With reference to Article VII regarding dues, we were advised that a consortium cannot become eligible to enter into a charter unless the constitution clearly shows that the member institutions pay some dues. The dollar amount is not crucial. In our discussions we agreed that any dues established by the Council would be limited to an amount in the vicinity of \$5.00 to \$10.00 annually. These dues would be used to cover the cost of publishing the catalogue provided for in Article IV(d).

If you need extra copies of either the Constitution or Memorandum of Agreement please let me know.
