OFFICE OF THE PRESIDENT

President Ernest W. Hartung
University of Idaho
Moscow, Idaho 83843

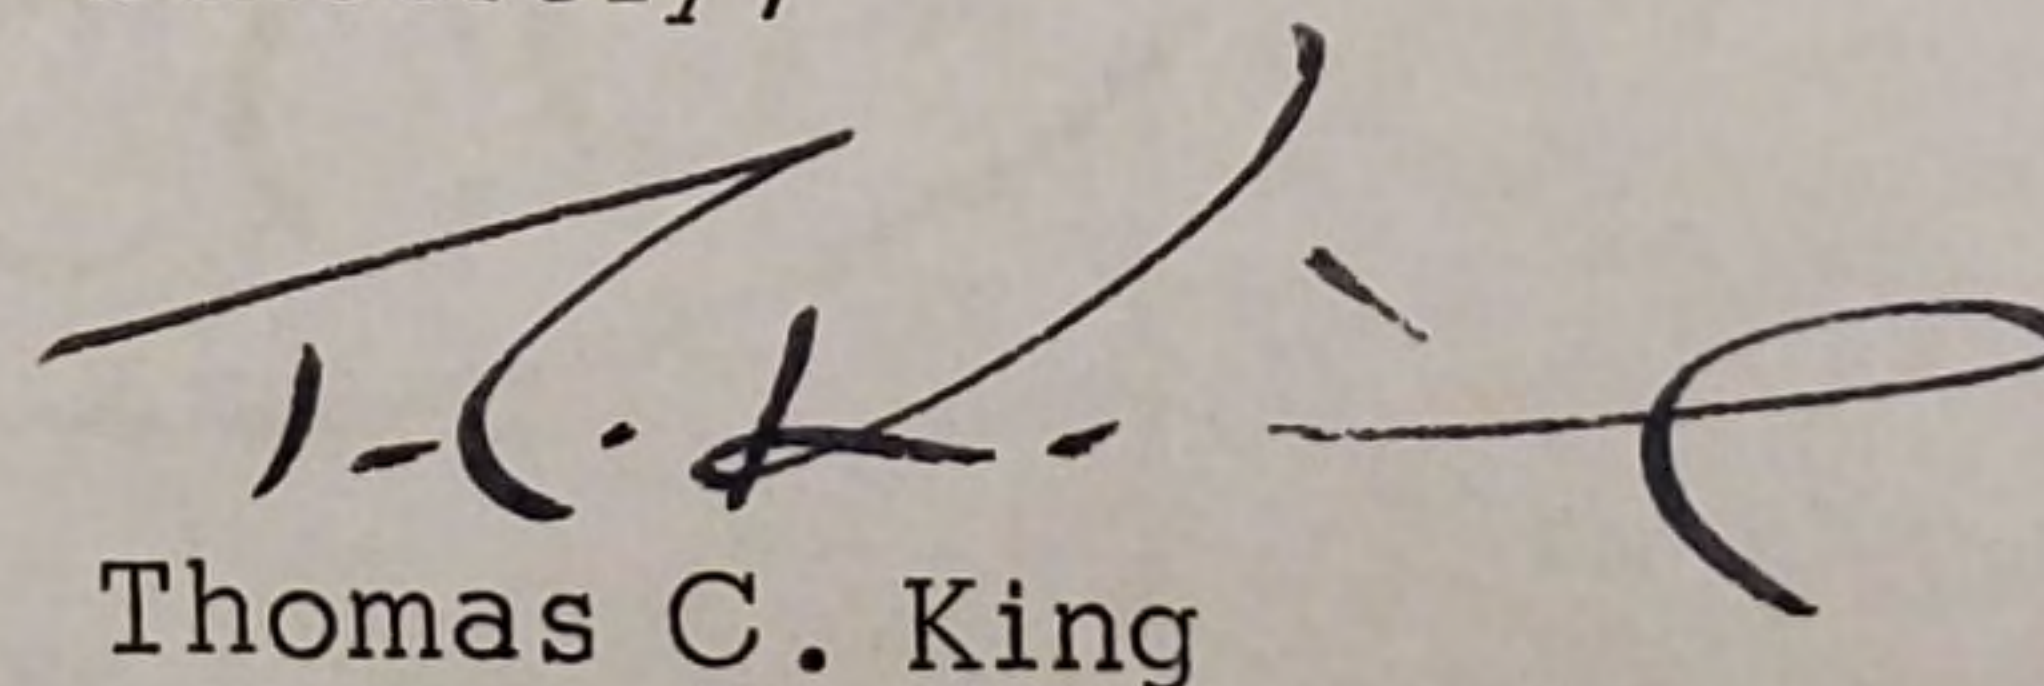

Dear President Hartung:

The University of Utah is presently re-evaluating the administrative structure under which our varied minority activities can be coordinated. As we clarify our thinking we intend to define a position and search for someone to fill it.

Do you have any centralized coordination of your faculty and student recruitment, student counseling, curriculum development, and federal programming for minority groups? If so, can you provide us with data on your programs or the name of the person on your campus to contact for such information and with whom we should correspond concerning this activity.

Thank you for your assistance.

Sincerely,

Thomas C. King
