Inter-Office Memorandum

To Charles Ramsey

From S Socorro Bunts, Counselor for Chicano Students

Subject Minority Scholarships

Date 3-7-77

*Minority full*

The scholarship screening committee for minority recipients consists of two members, Harry Davey and Charles Ramsey. There is some confusion in the Minority Students Office concerning eligibility for scholarships.

The following is requested:

- 1) consider revision of the membership of the minority scholarship screening committee;
- 2) clarification of scholarships available to minorities with specifications of numbers, restrictions, and preference on each;
- 3) availability of this information to all minority advisors and students.
