MEMORANDUM FOR DR. HARTUNG *

TO: FROM: Sherm Carter

SUBJECT: Affirmative Action Officer's Salary

In reviewing the salaries for the Affirmative Action Officers at Boise State University and Idaho State University, I recommend that Sandi Gallagher receive \$15,800, beginning July 1, 1975.

This decision is based on the following information:

Boise State University	\$15,764
Idaho State University (effective 1 July 1975)	\$16,188

ERNEST W. HARTUNG
President

*Done. Sandi's salary will be \$15,800 effective July 1, 1975. ~~I'll include a brief item in the Regents' agenda we are preparing at this time to correct the previous figure.~~ On second thought, I think that we have the authority to do this locally without reference to the Regents. We will correct this on the next listing of personnel actions which we publish here.
