

Minority Student

University of Idaho

Inter-Office Memorandum

To Dr. Coonrod

From Santiago C. Estrada ^{LE}

Subject Minority/Ethnic Student Program

Date May 15, 1974

Summer Seaman

The objective of this correspondence is to reaffirm my understanding of our meeting on May 14, 1974. The following are the key points that were articulated:

1. That a minority student from each ethnic group (Black, Chicano, and American Indian) would be hired to work during the summer with Frank Seaman.
2. That the students would make approximately \$600.00 plus summer school fee waivers.
3. That Sig Rolland might chair the selection committee for the director of the Minority/Ethnic Student Program.

In summary, I would like to make known that I will be available if my service is needed whether it is as selection committee member or consultant.
