		Note 3		

Note 1: Since many ethnic students have difficulty with their academic programs they do not wish to work.

Note 2: We have tried to reduce loan burden on ethnic students.

Note 3: Native American students average \$1161 in BIA/Tribal support.

Note 4: Every black athlete is receiving "top dollar" allowed by NCAA rules.

General Note: Regardless of race, all financial aid applicants are funded on the basis of:  
Cost of education - available contribution from student and family = aid offered.
