Affirmative Action Officer

I will not have this
information until tomorrow.
The AA representatives are
collecting it & will bring it
to tomorrow's meeting at 1:30.

Sandi:

For the Black Student Union meeting today, Dr. Richardson would like the following:

How many minority people by type are in the faculty (exempt the professional level)?

If possible, give the raw number, and then the percent of the total work force.

Thanks,

Ivy
