Dear Sir:

I am sorry that you were not able to complete your application to participate in the University of Iowa's Second Annual Institute for Afro-American Culture to be held on our campus from August 10th to 21st. If you are still interested in attending but are having difficulties with regard to institutional sponsorship, please let me know at once by submitting your application along with a covering note explaining the problem. We may be able to do something about it at this end, but time is of the essence at this point and I can do nothing unless I hear from you by June 8th.

Sincerely yours,

*Robert A. Corrigan*
