Subject Funds for Black Literature (Eng327)

Date 12 / 8 / 70

I believe that a reasonable minimum operating budget to support the new Black Literature course (English 327) for next year would be approximately \$1500. \$2000 would , however, allow me to do more. But with \$1500, I would be able to allocate roughly \$800 for speakers, perhaps \$200 for film rentals, and the remaining \$500 for library acquisitions:

\$800	speakers
\$200	films
\$500	books
<u>\$1500</u>	

With \$2000, I could then consider purchasing instead of renting films.
