

To Dean E. K. Raunio

UNIVERSITY OF IDAHO

From Professors Davis, Barnes, and Rolland

Inter-Office Memorandum

Subject Financial support for Black History and Literature Courses December 10, 1970

---

This is to confirm our earlier discussion of this topic and to request that you include in your budget request for the coming school year, as a part of the Dean's own funds, \$3000.00 to support the Black Literature and Negro History courses. The fund would be expended as follows:

<u>Black Literature</u>	\$1500.00
Visual materials (film and film rentals)	200.00
Speakers	800.00
Books	500.00
 <u>Negro History</u>	 \$1500.00
Visual materials	100.00
Speakers	800.00
Books	600.00

It is agreed by all concerned that this is a minimum request and represents the balance of the \$2500 that we asked for each course this year.
