MEMORANDUM

TO: Dr. Rolland, Department of History
FROM: Susan S. Burcaw, Executive Assistant

SB

Your special request of \$800 for books and films ~~for Indian~~
~~and~~ Black Studies Programs has been approved.

cc: Dean Raunio
Dale Alldredge

SUSAN:

This is incorrect. There is no request for
Indian studies in this request. It is ~~and~~
always has been for Black studies, specifically
Black History and Black literature. This year
I suggested possibility some might go for other
Afro American offerings - but I specifically
explained to Dr. Coopers that Indian studies
are not involved.
