Inter-Office Memorandum

To Mr. Charles Ramsey--Minority Student Coordinator

From Elmer K. Raunio *EK R*

Subject Afro-American Studies Coordinating Committee

Date November 6, 1974

Dr. Rolland has suggested, quite appropriately, that I name an ad hoc Afro-American Studies Coordinating Committee. The function of the committee would be to make recommendations relative to Afro-American Studies on our campus. Please let me know at your earliest convenience if you would be willing to serve on such a committee.
