

MINUTES OF JUNTURA MEETING
January 23, 1973

Members Present: T. Armstrong, D. Barber, K. Johnson, R. Ortiz, A. Rouyer,
W. Voxman, F. Seaman

Bernard Hamilton reported on his recruiting trip.

B. Hamilton said he had **not** read the article on the BSU in the Argonaut. Following a discussion of the article, he said it was clearly in error on a number of points. It was suggested that he read the article with care and, perhaps in a letter to the editor, clarify the situation.

It was decided to invite Dean Hill to our next meeting and to ask her to discuss with the Committee the plans for recruitment, Corky Bush's position, and other possible changes within Student Advisory Services as they related to the concerns of Juntura.
