Inter-Office Memorandum

Date December 3, 1968

I am enclosing a memorandum addressed to you from Dr. W. S. Greever concerning the Negro History course. For my own information, I wish to raise two questions:

1. Can the University Curriculum Committee initiate the introduction of new courses and then have them approved by the Faculty Council against the will of the academic department and college?
2. Dr. Greever has raised the question as to whether or not he should appear before the Curriculum Committee if requested. I wish to recommend that he be permitted to appear before the Committee.
