MINES AND WORKS AT WARDNER, IDAHO.

R/W for Empire State Flume.

POSTOFFICE ADDRESS. KELLOGG, IDAHO, Aug. 11th, 1899.

F. W. Bradley, Esq., President,
Bunker Hill & Sullivan M. & C. Co.
San Francisco, Cal.

Dear Sir,-

As I wrote you sometime ago, the Land Office informed me that the SW4 of the SW4 of Sect. 36, belonged to Wm. Watson, having been entered in 1892. I find on enquiry, however, that Watson died several years ago, and that there is nobody now living on the ground. I have taken the matter up with the Land Office again, to see what steps are necessary to obtain title to this ground, if they have the disposal of it, and if they have not, by reason of its being a school section, I will take it up with the proper State officers.

Yours truly,

Frederick Burbidge
