Frederick Burbidge, Esq.,
Kellogg, Idaho.

Dear Sir:-

I have your usual weekly reports for the 28th ultimo, also your favor of the 2nd inst. regarding Kellogg tunnel and its present slow progress.

I note Major Woods' letter of 31st ult. and your reply thereto. I suppose Allen will soon have interviewed Kellogg and you will know the importance of his testimony. If Kellogg is needed, be sure and hold him in line.

Herewith please find forms of contract submitted by Rust. Kindly look them over and let me know if they are all right.

Yours very truly,
