

Stemwinder Case

Spokane. Sept 15th 99

Dear Burbidge,

For expert witnesses, Joe MacDonald and Clement may fail us — also, I may not return from Mexico in time. So be sure of Rueger or some one from Butte that he may recommend — and both of them if possible. Also be sure of Curran, Jenkins, Loring, and John Pressley — secure a permit for Pressley. As soon as I am in Mexico beyond reach of mail & telegrams and when Lindley is up, please call on Joe MacDonald as though you were sure of him — I think in that event he will not fail you. I am pretending not to understand that his brother Bernard is available — we want Joe — not Bernard.

Yours truly
F. W. Bradley
