POSTOFFICE ADDRESS, KELLOGG, IDAHO,

J. W. Bradley Esq.

San Francisco, Calif.

Dear Sir,

I have enquired at the Recorder's office and fail to find anything on file in the nature of an assignment by the Tyler Co. to us, nor is there anything of the sort in this office. I have some recollection of an assignment of the judgment held by the Tyler Co. against the Idaho Mfg. Co. for about \$180, or it may have been merely that I wrote Beale with respect to doing something to keep the judgment alive. I am not clear about it. But if an assignment was ever made to us it was evidently not recorded and must have been destroyed in April.

Yours truly,
Fredk. Burbidge
