

Bunker Hill & Sullivan Mining & Concentrating Company.

MINES AND WORKS AT WARDNER, IDAHO.

POSTOFFICE ADDRESS, KELLOGG, IDAHO, Dec. 7th, 1899.

F. W. Bradley, Esq., President,
San Francisco, California.

Dear Sir,-

H. R. Allen of Wallace has 35,500 shares of Sierra Nevada stock. He told me that he had just got this stock in a trade on a basis of 2-3/4¢ a share. I offered him 2-1/2¢ which he refused, saying that he could get 8¢. Of course, he cannot get 8¢, and perhaps we may be able to get the stock at our price after a while.

Yours truly,

Fred. Burbidge
