Dear Sir,-

Enclosed find copy of letter received from H.M. Ritner, together with copy of letter from Flaherty. I have written to Ritner that we would probably not want to keep Flaherty on hand later than the end of this month, but that we would, of course, wish to carry out to the letter every agreement made by Stephens. If you know where Stephens is, perhaps it would be well for you to communicate with him, and have him instruct Ritner what to do in the matter, but if you cannot reach him, I had better write Ritner again more definitely about the 20th so as to reach him ~~by~~ at the time Flaherty comes in.

Yours truly,

Dict.

Frederick Burbidge.
