

April 23rd 1899

Dear Grauger,-

Please ascertain at once from Capt Mein's Office the day that he and D. O. Mills plan to be in Tacoma on their way to Alaska and wire me the information at Wardner for which place I leave here in about two days more. If they should be passing through Tacoma about the 29th inst I will plan to meet them there.

Yours truly
F. W. Bradley
